Rolf: Good thinking, Ranger Jonny! (Pulls out another Tabloid Magazine) All the experts say it's the only defense against a mutant bear attack.

Carmen, Jonny, Rolf and Jimmy got into the circle.

Maria: (Laughs) You guys are so gullible. I did everything that attracts them and nothing happened. If a Mutant Bear was here, why didn't one show up?

Carmen: Maybe it's because you're not wearing your sombrero in a goofy fashion.

Maria: Oh. Sorry how silly of me. You mean like this? (She tilts it and laughs)

But something takes the Sombrero and puts it on her head upside-down.

The camera zooms out and they saw a big grizzly bear with six arms and it had a huge mouth in the middle of its stomach.

Eddy: (Whispering) That bear is ugly!

Luan: (Whispering) No kidding!

Ed: (Whispering) Is that you tickling me Eddy?

Eddy: Shut up Ed.

Edd: (Whispering) What a magnificent feat of science!

Me: (Whispering) That bear is the mascot for the Nuclear Bears on Total Drama.

Spiderman: (Whispering) Really?

Tara: (Whispering) That is amazing.

The bear growled and Maria screamed. The bear roared and she ran and the bear went at her and beat her up really bad and left.

Me: (Whispering) Ooh. That's gonna leave a mark.

Carmen: Sis are you okay?

Maria looked all broken, bruised and battered.

Carmen: Quick! Jump inside our anti-mutant-bear circle before he comes back!

Carmen, Rolf, Jimmy and Jonny carried their circle with them and drop it onto the ground.

Jimmy: Yeah. Mutant bears often attack more than once.

Maria: Are you crazy? A dirt circle won't stop that monster. I'm running for my life!

She ran.

All: No!

[the Mutant bear comes back and resumes mauling Maria]

Carmen: Don't run! Mutant bears hate that!

Maria: Thanks for the tip. I guess I'll just limp home, then.

All: No!

[the Mutant bear comes back and resumes mauling Maria]

Jonny: They hate limping more than running!

Maria: Well, I guess I'll just have…

[the Mutant bear comes back and resumes mauling Maria]

Rolf: We should have warned you about crawling.

[the mutant bear comes back and resumes mauling Maria]

Maria: What'd I do that time?

Carmen: I don't know sis! I guess he just doesn't like you.

Me: (Whispering) This bear hates Maria with a vengeance.

Tara: It sure does.

Jimmy: Pretend to be somebody else!

Carmen: Here sis, draw a circle. [tosses Maria the stick]

Maria: Okay.

[the Mutant bear comes back and resumes mauling Squidward]

Carmen: That was an oval. It has to be a circle!

Maria: [runs and climbs on top of Carmen, Jimmy, Jonny and Rolf, who are still sitting in the circle] Move over! [the Mutant bear comes up to the circle, sniffs it, points a threatening claw at Maria, and leaves] Hey, it worked! You guys saved my life! [everyone cheers "hooray"]

Rolf: Yeah, I'm glad it was just a Mutant bear. This circle would never hold back a Mutant rhinoceros!

Ed: (Whispers) Mutant Rhinoceros?

Maria: What attracts them?

Jimmy: The sound of a Mutant bear attack.

[a rhinoceros with 8 legs, two heads and razor sharp teeth appears, snorting]

Me: That is an ugly rhinoceros.

Edd: It sure is.

Me: I've seen enough.

We jump down I go into my gruesome monstrosity that I became on Halloween in 2016 and scared off the Mutant Rhinoceros.

I go back to normal.

Me: Are you all okay?

Rolf: J.D. That was awesome!

Me: Thanks Rolf.

We then went home and told everyone what went down. Varie was healing Maria in the infirmary. Maria was on a bed with bandages and casts on.

Robot Lori: You're a lucky girl Maria.

Maria: I know. But lets hope I never see another Mutant Bear again.

Me: I know Maria. But it's over now. That bear was from Total Drama Revenge of The Island. It was the mascot and symbol for the Nuclear Bears.

Maria: Really? I didn't know that.

Lincoln: Yeah. J.D. and Naruto have been on the 7th season of Total Drama and they both dominated the whole competition and won $1,000,000.00 in Canadian Money.

Laney: Which is $800,000.00 in America Money.

Maria: That's just small change compared to what we have here.

Me: My thoughts exactly.

Maria: What was your team name?

Me: We were called the Atomic Owls. We dominated the whole show. Chris is not having a mutant theme this time coming up. He's gonna have a World Tour and Me, Lynn, Naruto and Lincoln are gonna participate. It's gonna be awesome!

Lynn: And I can't wait. If there are any sore losers like Amy, Heather, Scott and Eva then we will gladly kick their butts.

Me: Yep. But the show is not for another 5 months. So we have all the time in the world.

Maria: Cool.

Robot Lori: I hope you all win J.D.

Me: Thanks Lori 2. Get some rest Maria.

Maria: Thank you J.D.

We left and Maria was watching T.V.

* * *

When it was done everyone that hadn't heard about it was shocked!

Carmen: And looking back I should never have told Maria about that.

Dardemus: You guys got a plan?

Benson: Well, I got this crate full of weapons we can use!

Me: Good we'll need those. But we'll need tranquilizer darts too.

Benson: Got those.

Xenia: Perfect.

Nico: Yeah.

Camie: Are there any World War I veterans left?

Me: No there aren't. The war ended over 100 years ago and the people that fought in it would be over 140 years old right now.

Nico: He's right on that one.

Hunter: (German Accent) Ja und I know all about World War I. Mein favorite band Sabaton tells a lot of songs about that war und they are very educational.

Mordecai: Wow! That is cool.

Me: Yeah my favorite event that happened back then was the Battle of Osowiec Fortress. That happened back on August 6th, 1915 and that was the battle that brought us into the age of Chemical Weapons. Germany bombarded a Russian Fortress with Chlorine Gas and destroyed over 1,600 people.

Mordecai: WHOA!

Benson: That was brutal!

Skips: It sure was.

Nico: Yeah it sure was.

Xenia: World War I was terrible back then.

Nelson: Is that an FN M1900

Rigby: I call dibs on that one!

Benson: But yes that's right Nelson.

Qin: You got quite a great selection here.

Maria was still shaking in fright and William and Carmen were hugging her.

Amora: Maria, I know you're scared.

Evil Drill Man: But compared to all the other scum we've killed, Death Bear is nothing.

Rigby: Yeah, that's what you think!

Me: Rigby you're not helping.

Rigby: Sorry.

Maria: (Shaking in fright) I'm so scared!

Xenia: Maria it'll be all right.

Applejack: Don't you think all these weapons are too much for just one wild bear?

Burner Man: Applejack, it's either him or us. I'm choosing us!

Me: Besides this is a bear that lived in a zoo back over 20 years ago. And bears are just as dangerous in the city as they are out in the wild.

Bart Simpson: Yeah and remember when we had a bear problem in Springfield? (Season 7 Episode 23)

Eli: I think I heard about that.

Bart Simpson: And there was this time when a bear attacked Homer and he wet his pants in fear. (Season 15 Episode 5) I told him that we would rather have a live sissy mincing around the house than some dead hero any day.

Homer: CHOKE ON YOUR CANDER! (STRANGLING BART!) (GRUNTING)

Felix Faust: Look on the bright side, Bart.

Ozzie Ostrich: Homer strangling you is better than you getting killed by Death Bear.

Bart was choking.

ZZZZZZZZAAAAAAAAAAAAAAAAPPPP!

Lily tazed Homer and he let go.

Bart: Thanks Lily. But yeah Ozzie you're right.

Xenia: That is true there.

Nico: Besides that bear is dangerous and we need to face it, tranquilize it and send it back to the wild.

Ratso: What's stopping us from killing that thing?!

Me: Guys! Bears are animals and Fluttershy hates it when animals die. She would never forgive us in seeing us do that hence way we make trees for the food to preserve animals. And another thing, this is a bear that we need to stop and they belong in one place and that's the forest. So we're going to tranquilize it and send it back to the forest.

Nico: J.D. is right. Like it or not, this bear needs to be sent back to the wild. The city is not a place for a bear.

Loud House Taylor: Who knows what that thing's probably doing right now!

Me: Well bears go through garbage for food and there have even been reports of them going into houses and eating everyones food.

Xenia: Yep.

Fluttershy: He is doing all this because he is hungry.

Camie: Yeah.

Cassidy: Either way we got to stop him.

Strikning: Maria, I know you're scared right now.

Thundermon: But please be brave for us right now. Okay?

Maria: (GULPS) I'll try.

Me: Good Maria.

Nico: Okay we need a plan to draw the bear out.

Mokuba: We can use lots of steak.

Me: Good idea. But fish will also get his attention.

Nicole: That works. I got this.

She pulled out a barbecue and lit it.

Nicole: Now for this. (SPINS MAGISWORD BRACELET)

SMOKED FISH MAGISWORD!

She fired waves of fish fillets and cooked them on the grill. Nicole was wearing an apron that said Kiss the Meat Master.

Killer Croc: Can I try some?

Ghost of Dr. Coffin: I want some too!

Nicole: Sure. There's enough for everyone.

Killer Croc opened his mouth and Nicole fired waves of fish and they went in and he ate them.

Killer Croc: MMM!

Qin: Boy Samon would love that Magisword.

Nicole: He sure would.

She gave us meat too.

Electropede: Are you feeling better, Maria?

Millipede Pete: Please say yes!

Maria then suddenly had a memory of everything the bear did and then she remembered that we know many bear friends and that mutant bear may have done some terrible things but she is not going to let something as puny as a bear stop her!

Maria then got up.

Maria: That bear is not going to hurt me anymore! I AM MARIA DUNBAR! FORMERLY AQUAMARIA AND I AM NOT GOING TO LET A BEAR HURT ME ANYMORE!

We cheered for her!

Qin: Nice Maria!

Carol: That is my sister!

We got to hiding and then we saw a figure come out and it was a grizzly bear and he had a red came and a black German World War I helmet on.

Me: There he is.

Qin: Wow he wears a cape too? That is cool.

Hunter: Und his helmet would look wunderbar on my table.

Finn: Entrance time!

We went at him.

The bear sniffed the fish and then was eating it and it was delicious to him and he ate it all. Then the spirits of tanks of World War I came and swirled around him and then converged and then the planes of the great World War I Dogfights appeared and flew around the bear and then we came out and landed and faced the DEATH BEAR!

Qin: Okay bear it's time to go home!

The bear roared and then belched!

Brass Knuckles: You think we're scared of you?!

Evil Crash Man: Come on and give us your best shot!

Me: YEAH!

It roared.

It came at us and I jumped and landed behind him.

I ducked under a swipe from his claws.

Camie: Yeah!

We fired waves of fish and it went into his mouth and he ate it all.

Then Fireor, Count Nocturne, Oculous, Black Knight Ghost, Marluxia, Pyros, Black Manta, Xigbar, Grundy, Leap Frog, Ted Carson Firefly, Evil Bubble Man, Allomere, Yost Molten Man, Neopolitan, Boxcars, Skeleton Men, Toar, Greg, and Glue Man appeared.

Fireor: This is the first time I'm seeing a bear wear War clothes.

Me: Especially ones from over 100 years ago.

Count Nocturne: But it's still not match for us!

Oculous: I'm very tempted not to shoot it in the head!

Me: We need to send it back home guys. We're not going to kill him.

Black Knight Ghost: (to Nico) We heard you brought an Evil Krabs to justice.

Nico: We sure did.

Marluxia: But Plankton sharing ownership of the Krusty Krab isn't a bad idea.

Me: You got that right. That was awesome.

Thunderon then appeared.

Me: Thunderon. Back for another round I see.

Thunderon: I sure am.

Qin: Awesome.

Thunderon: Cassidy's joining the battle against me?

Me: Yep she sure is.

Nilou: And I am too. I just joined the team. My name is Nilou.

Thunderon: Awesome having you with us.

Me: Yep.

We got the battles underway.

Tommy, Rarity, Sweetie Belle, Water Skylanders, Hilary Czemmenshikova, Spotlight, RD Girl Jordan and RD Clyde VS Oculous - Lincoln's rescue

---

Oculous was next.

Oculous: (to Tommy) I heard Lincoln's rescue was in Pokitaru. How was it?

Tommy: It was really awesome. We went there to take down Abigail Seraphina, the Seraphina Sisters evil and insane pyromaniac former relative.

Oculous: What was she like?

Rarity: She was not a very pleasant sight.

Sweetie Belle: Yeah.

---

Stella Seraphina: Of course. See, Abigail was once our sister, and like us, she was born with really strong and immensely powerful fire powers, winged flight, and total mastery of all forms of fire magic like her sisters, but she doesn't have immortality.

Hestia Seraphina: And what also makes us not like her is that she used her powers to cause havoc and destruction across Royal Woods and wants nothing more than to see the world burn, because she's a very envious, jealous, and greedy girl and she hated us for a very long time.

We gasped.

Me: Jeez, now I know the full reason behind what you said about her, Stella.

Lincoln: Yeah, none of us liked her, she was always envious, greedy, jealous, and really full of hate, and she enjoyed causing destruction and havoc, even burning people badly.

Nuria Seraphina: And in her jealous rage, she tried to burn down Royal Woods, and then, she would also watch the world burn, but, her plan was stopped by Lincoln, Stella Seraphina, Hestia Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, Bridget Seraphina, and I along with the other Guardian Angels, and we defeated her, and we sealed her inside a cryogenic container that would neutralize her powers and Leina Mobius froze her in a glacier and she sent it to Antarctica where she would remain there forever.

Becky Long: I was the one who made that cryogenic container, and I made sure it would neutralize all of Abigail's powers, but we took a look at the footage from the battle, and we soon found out that a demon sent by that fallen Guardian Angel, Isabella Abaddon, to sabotage the cryogenic chamber.

Nico: Why, that evil, little… !

Lincoln: We were furious at what she did, even in Hell, she still wanted to cause trouble for us. Now, I am really glad we sent her to The Black Gates and made her pay for her crimes, but now, we got to put a stop to Abigail Seraphina, and I'm going to take all of her powers and make her powerless, and we're going to throw her in prison forever.

FLASHBACK ENDS

Applejack: They are all from Egypt and they are all amazing.

Apple Bloom: They sure are and their story is awesome too.

---

Nico: Yep. So, Amunet, what memories did you and your sisters have with Lincoln, and what did our resident jerks do to earn your hatred?

Amunet Musiqidandi: (Egyptian Accent) Oh, I was hoping you'd ask that. One day, we were with Lincoln at our home, and we asked him to model some clothes we've been making, including swim shorts, and of course, speedos. My sisters and I were blushing like crazy when we saw Lincoln in a speedo, and we almost wanted to jump him and make out with him, but we soon heard a scream of rage, and out the window, we saw Flip, Lewis Travolta, and Scoots coming for us, and they were on yet another rampage, but Lincoln stuck his hand out the window and fired a massive wave of water at those jerks and sent them barreling right into some police wagons that Lincoln called, and they got taken back to jail and the nuthouse. We then saw Vanzilla, and Lincoln had to change back into his regular clothes, and the door opened, and we saw J.D., Lincoln's sisters and parents, and they were worried when they found out Flip, Scoots, and Lewis Travolta were on the rampage again, but Lincoln told them he took care of them by firing a massive wave of water at them which sent them barreling into police wagons and it took them back to prison and the nuthouse, and they breathed a sigh of relief.

Luna: Yeah, we were nervous. Plus, we knew Lincoln was modeling clothes that they made, including speedos, and he had to change back into his regular clothes, if we saw him in a speedo, we'd faint, because of the fact our brother became a really big, really strong, really attractive, and extremely muscular man.

Leni: Thanks to his Guardian Angels taking him to their gym to work out every time and far from the five untrustworthy sisters in our family. But, we were the only ones Lincoln trusted, since he knew of Lori, Lynn, Lola, Lisa, and Luan's heartless behavior towards him and his Guardian Angels, and how they stayed friends with them despite the dark things they did to our brother remained a mystery.

Lincoln: Until it was exposed that Lori, Lynn, Lola, Lisa, and Luan had Dark Sides making them do all those things, and over time, they've earned forgiveness for their actions, and they hated their Dark Sides to the core and want nothing but to wish death upon them.

Flashback Ends

Thunderon was next.

Thunderon: Boy that bear is one nasty guy. But I agree there with J.D. and Nico. He belongs in the forest and not the city.

Varie: You got that right.

Cassidy: I agree there too.

Me: I'm glad you guys think so.

Himiko: Yeah that bear at least needs to be let back into the forest.

Celica: You got that right.

Nilou: I agree there myself as well.

Thunderon: You got that right there. Lets do it!

Me: Gladly.

I teleported and opened his safe and in it was a bunch of swords called the Greatswords of The Elemental Wubbox Monsters, they're a collection of massive greatswords with embedded colored gems and the elemental Wubbox monsters etched on the 7'0" massive, wide, double-edged colored black blades, large colored Wubbox heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored Wubbox heads and large colored gems on the bottom of the Wubbox heads for the pommels, and there's also blasters included with the greatswords. Once in hand, they'll get a massive power and energy increase.

I teleported back to them.

Sailor Keyblade Graveyard: I'm glad they are all back.

Me: Me too. Did Swartz Promise you anything?

Sailor Keyblade Graveyard: Just to resurrect all those that died in the Keyblade Graveyard.

Me: We beat you to the punch on that one.

Sailor Keyblade Graveyard: I can tell. But please turn me back to normal.

Me: You got it.

She turned into Another Nohyas and I Fired waves of energy and smashed her down and I caught the ridewatch and purified it and picked up Sailor Keyblade Graveyard.

Me: You'll be all right.

I saw magiswords all over the ground and they were all the Magiswords of the core, neo-core and neo core members of the Masters of Evil. They were all imbued with their powers.

I picked them all up and put them in my bracelet.

Lincoln suddenly used Fluttershy's Stare on Death Bear.

Lincoln: You've gone way too far in attacking our friends yet again, Death Bear, I don't take kindly to those who attack my friends in the kind of manner you have done, I have got half a mind to drag you right back home to your mother and tell her exactly what you did, YOU CRAZY, RAMPAGING MEANIE!

Nico literally jumped into my arms in fright when Lincoln said that.

Me: (GROANS) Nico, you're giving me a hernia!

Nico: Sorry, dude, but you know what happens when either Fluttershy or Lincoln uses The Stare.

That frightened The Death Bear so badly, it shook off the World War I outfit, and ran off back to the wild, and Nico got off.

Juliana Giagoremu: (Gasps) Did Lincoln just…?!

Katara Chevalierflamboyant: (French Accent) Yes, he did.

Fluttershy: He used my Stare, and he took the words right out of my mouth. I guess it's true that I'm not the only one who can use The Stare, and I'll be sure to reward him later, 'cause we're not done yet.

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Rubén Parra to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Rubén Parra.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Rubén Parra, the next member of The Order of Nuestra Señora de la Santa Muerte.

Carmen Valkyrus: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Rubén Parra: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Carmen Valkyrus' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Valkyrus-themed greatsword from her back, and as she approached Rubén Parra, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Carmen Valkyrus: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Rubén Parra. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Valkyrus and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Carmen Valkyrus was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Valkyrus flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Carmen Valkyrus emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Carmen Valkyrus grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Valkyrus emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Valkyrus with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Carmen Valkyrus has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Valkyrus surrounded by darkness and light and imps and on top of Fabled Urustos is an anti-Sergio symbol. Suddenly, Carmen Valkyrus felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Carmen Valkyrus has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Carmen Valkyrus' massive Fabled Valkyrus-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Valkyrus' Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Valkyrus etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Valkyrus' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Valkyrus that said, "Carmen Valkyrus, Gene-Slammer of Fabled Valkyrus, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Rubén Parra of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Carmen Valkyrus has transformed into SUPER ANGEL-FABLED VALKYRUS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED VALKYRUS ANGEL

OF DIVINE DARK FABLED VALKYRUS IMP JUSTICE AND DIVINE FABLED VALKYRUS IMP LOVE!

We were amazed by Carmen Valkyrus' Super Angel-Fabled Valkyrus-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Rubén Parra saw it, he went insane and he got out his sacrificial knife to stab her, but Carmen Valkyrus fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Rubén Parra, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Carmen's transformed.

Lincoln: Yeah, and she really sent Rubén Parra back with that energy blast she fired and that really pissed him off now, and Carmen you look beautiful, how do you feel?

Carmen Valkyrus: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Valkyrus and Divine Darkness Light Fabled Valkyrus Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Rubén Parra once and for all?

Lincoln: (Smiles) With pleasure, Carmen.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Carmen Valkyrus.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion,

Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Rubén Parra, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Carmen Valkyrus and Lincoln went after Rubén Parra, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Rubén Parra and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Carmen Valkyrus sent her three imps and Lincoln summoned his own imps and they sent them at Rubén Parra, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Carmen Valkyrus, her hand-cannon Blaster is known as Fabled Valkyrus' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Valkyrus surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Carmen Valkyrus aimed their hand-cannon blasters at Rubén Parra.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Rubén Parra!

Carmen Valkyrus and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Rubén Parra and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Rubén Parra and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Rubén Parra and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Carmen Valkyrus and Lincoln gave Rubén Parra The Black Gates for good. We cheered as Carmen Valkyrus and Lincoln holstered their massive greatswords on their backs and powered down, and Carmen Valkyrus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Carmen Valkyrus: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Rubén Parra for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Carmen.

Suddenly, Carmen Valkyrus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Carmen Valkyrus' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Valkyrus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Carmen Valkyrus absorbed the light and they came back to us as the display and Fabled Valkyrus vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Rubén Parra's death, now there are only twelve members of The Order of Nuestra Señora de la Santa Muerte.

Carmen Valkyrus: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Gabriel Pacheco, which means it'll be Daniela Abanc's turn.

Daniela Abanc: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Floot, HippityHop, Squot, Wimmzies, Cantorell, Bridg-it, Clavi Gnat, and Pladdie.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Tenshi no Ongaku Gang.

Nico: Japanese for Angel Music, this should be an interesting one.

Lincoln: You'll love meeting them, The Tenshi no Ongaku Gang is a music gang from Japan dedicated to playing music for charity alongside our family, and they even moved to Michigan when they and I were 6 years old. We even enjoyed playing music instruments together, and they, alongside our family, even played music for multiple charities, and they absolutely hate the jerks with a passion.

Winter Icyin: (British Accent) It'll be splendid to see them again tomorrow. (To the Mascots) Oh, and Poromon, there's something I intend to give you.

Poromon: Uh oh.

Winter Icyin put on Eustace Bagge's Ooga Booga mask.

Winter Icyin: (British Accent) OOGA BOOGA BOOGA!

Mascots: (SCREAM WITH ABSOLUTE FRIGHT)

Poromon and our mascots jumped into May's arms after Winter Icyin scared them with Eustace's ugly mask.

Anna Anyanova: That's what you mischief-makers get for hypnotizing Linky into drinking beer! If we ever catch you doing that again, Poromon, you can say goodbye to your beer collection forever!

Poromon: (GASPS)

May: Oh man, she means it big time. And you know what happens when you cross any single one of Lincoln's Guardian Angels.

Suddenly, the spirits of my Universe 666 self and Universe 666 Varie appeared.

Varie: It's our Universe 666 selves. What brings you here?

Universe 666 Me: Sorry for the intrusion, but we're here to talk to Lincoln.

Lincoln: What's wrong?

Universe 666 Me: Lincoln, we got word from Slade from our universe that your Universe 666 self has been found, and he's out for revenge.

Nico: On us?!

Universe 666 Varie: No. On Evil Nico and his universe's Lori, Lynn, Lola, Lisa, and Luan. See, Universe 666 Lincoln is just like Prime Universe Lincoln, but he tragically lost his heart and soul when me, J.D., Leni, Laney, Lucy, Lana, Lily, his parents, his friends, and even his harem and Guardian Angels were all murdered, and it was a plot by Evil Nico, and worse, Lori, Lynn, Lola, Lisa, and Luan teamed up with him to do it.

We gasped.

Lincoln: When you meant lost his heart and soul, you mean he lost the ability to love again, and he'd become hellbent on revenge on the very monsters responsible for what happened.

Universe 666 Me: That's right, Lincoln. Please, on your rescue tomorrow, save him. Among those of my former team, Universe 666 Lincoln was the only one always on my side.

Lincoln: You have my word, Universe 666 J.D. Do Good Slade and the others know about it?

Universe 666 Me: They do, and they're going to help, and so are we.

Nico: Awesome! So, tomorrow, it's off to Universe 666 Earth.

Lincoln: To save my Universe 666 self from spiraling even further into madness, and if Evil Lynn and Evil Lola come back and break out Evil Lori, Evil Luan, and Evil Lisa, payback's coming for them all.

Nicholette Torrington: And we'll unleash Hell on all five of them! Yes, our moment for revenge has finally come!

Pyros: There. Now, the Death Bear is free to be in the Wilderness.

Black Manta: And no one got killed.

Me: Thank goodness.

Mordecai: No kidding there.

Xigbar: Otherwise, we would've been forced to end it.

Me: Yep.

Grundy: Grundy wanna do something fun tomorrow!

Leap Frog: You'll get your chance. Especially since tomorrow has no usual battles.

Me: Great!

Nico: Calm before the storm. Great job today everyone.

Fluttershy: (To the viewers) Remember to be kind to all your pets and animal friends too.

Me: You got that right.

Nico: Yep.

we went back home and enjoyed the rest of the day and went to sleep.

Laney: So far everything looks quiet.

Xenia: It sure looks like it.

Lola: I hope things stay that way.

Nico: It's not that simple guys. I'm afraid Oldman Oldman reverted back to his ways and he lost his marbles.

Me: Oh great! Wonder what he did this time.

Nico: The Warriors fixed his room and inadvertently turned him into a laughingstock and now he is hellbent on destroying the Warriors.

Xenia: That senile old goat.

Camie: He just never learns does he.

Cassidy: Man he needs to be reminded that people can't always do things for him.

Lincoln: This is going to be so awesome, we're going to teach Oldman Oldman a serious lesson for not only making Vambre and Prohyas do menial chores, but also for getting an evil toupee and trying to destroy them.

Nico: That senile old goat better get this beating he's about to get through his thick skull.

Brynja Heringsdötir: (Icelandic Accent) Indeed, he needs to learn some manners the hard way. Plus, you'll be glad to hear we've been helping Linky with making his mind stronger.

Me: That's awesome.

Lincoln: After Poromon's stunt, I had to make my mind even stronger. Plus, Winter got payback on him and the other Mascots for that stunt. Make me drink beer, will they?

Nico: Just be glad it was Winter who got them back, Lincoln.

Rita: He's right, honey. But, I'm glad your harem were helping you out with making your mind even stronger, because if they use that Hypnotizing Wheel on my kids like that one more time, I'm going to use the Hypnotizing Wheel on them and make them do some really embarrassing things.

Lincoln: Not to worry, Mom. I have The Hypnotizing Wheel and I'm keeping it with me all the time like Nicole keeps The Book of Vile Darkness with her all the time, and it's only going to be used for our Humiliation Sessions, and if they tried to get it, The Ghostrick Gene-Slammers have laid out some really scary traps for them.

Rita: Nice one. Now, let's get that senile old coot!

Nico: Yeah!

Me: Lets go.

Nico: Loki, I want to thank you, Stinky Butt, and your teams for coming.

Loki: No problem Nico. It's literally going to be so awesome and fun.

Xenia: Yeah it sure will.

Nico: Stinkbomb, which smells more? Your robot mode or beast mode?

Stinkbomb: Oh DEFINITELY my Beast Mode. I am a skunk after all.

Xenia: They don't call skunks the stinkiest animals ever for nothing.

Camie: That's for sure.

Cassidy: It's gonna be awesome to see you spray your stench in Oldman Oldman's face.

Stinkbomb: (LAUGHS) You got that right!

Me: Just a forewarning Nico, I've eaten 5 bowls of chili so I'm gonna be farting a lot. I have enough gas in me to poison the dead. No offense Brittney and Goths.

Brittney: None taken dad.

Me: Good. But I'm gonna use these farts to teach Oldman Oldman a lesson.

Nico: Ooh I like it. But you go straight to the bathroom when we're done here mister.

Me: Okay.

LOUD FART TOOT!

Me: Sorry.

Stinkbomb: Your gas can't possibly me as stinky as mine!

Me: We'll find out.

LOUD FART TOOT!

Me: Pardon me.

Nico: Lets hope you don't fart that loudly the entire time.

Me: I won't.

Nico: Yeah. But I'm excited to see Ty and everyone tomorrow.

Lola: Me too!

Cassidy: Same here! Matt has been looking forward to this one.

Me: I can tell.

Varie: He is really going to have some fun too.

Me: Yep. I can't wait to give D-Structs a piece of my mind and teach him some manners.

Eli: Yeah that jerk will get what's coming to him big time.

Himiko: You got that right.

Nico: How are you feeling, Maria?

Maria: Better than ever. I've conquered my fear of bears.

Xenia: That's good news.

Lola: It sure is.

Camie: But that bear was cool.

Me: It sure was. Hunter now has that World War I helmet on his counter.

Fluttershy: But that bear needed to go back home.

Qin: Yeah.

Me: But also I did not expect the Another Nohyas to be the Sailor Soldier of the Keyblade Graveyard.

Xenia: That is really crazy.

Varie: No kidding.

Me: But I can't wait to see what our new Masters of Evil Magiswords can do. (Spins Magisword Bracelet)

LORD DRAKKON MAGISWORD!

It had Lord Drakkon's helmet on the rainguard and had the sword of darkness combined with the dragon dagger.

Me: This will be awesome.

Xenia: It sure will.

Nico: Good thing the bear didn't kill anyone.

Eli: Thank goodness.

Qin: Yeah no kidding.

Himiko: I agree there.

Fluttershy: And we sent it back to the forest.

Lola: We sure did.

Varie: Yeah that bear was cooped up in that zoo for over 20 years and he just needed to go home.

Nico: He sure did.

May: I'm glad you're ok now, Maria

Maria: Me too May. Me too.

Camie: So what can you tell me about Old Man Oldman?

Qin: Well he is a regular old man. But he can't get it through his thick skull that he can't rely on others to do his work for him and he gives the Warriors for Hire jobs that are more like menial chores. We reprimanded him big time for that.

Qin told us about his history.

---

Old Man Oldman is a diminutive old man in the series, Mighty Magiswords. He is voiced by Kyle A. Carrozza.

He appears to be a short balding man with a huge red nose, a white mustache and a blue robe. He also claims that having a mustache is hard enough. However, in Pool Fools, it reveals that Old Man Oldman is muscular and has an eight-pack.

Old Man Oldman seemed to be a friendly elderly man at first in his first appearance and in "Warriors for Hire". He was also mostly interested in the Warriors for Hire doing manual labor and chores for him such as unclogging his sinks, tidying and triming his lawn, shaving his back and painting his house rather than going on adventures. But when he swore revenge against the Warriors, he has a dark and frustrated demeanor despite his failed attempts to get revenge against them. He also has some leadership skills as he spoke for the Rhyboflavian citizens on whether they were interested in the Warriors' services or not, and was able to control Robopiggeh with Grup taped to him and convinced Grup to give Vambre a noogie.

Old Man Oldman first appeared in "Hands Down" where he hired the Warriors for Hire to do yard work by pulling weeds in his lawn for three gems. After vanquishing the Underground Handbeast, Old Man Oldman whimpers in sadness as his lawn is ruined. He then loudly, vows vengeance from the Warriors in which Prohyas and Vambre comment that he was too loud. Old Man Oldman apologizes for that.

He later makes a major second appearance in "No Robots for Old Men" where he stops the Warriors for Hire from accomplishing a quest from the Mysterious Hooded Woman, and tells them how they ruined his yard. Vambre comments that it wasn't even his yard that was ruined. Old Man Oldman didn't care and showed them his secret weapon: Grup the Dragon taped to the Robopiggen. As he orders the Piggeh to attack, Prohyas pacifies the beast with propellar burgers from Excaliburger. Annoyed, Old Man Oldman decides to go inside the Robopiggeh to control him, creeping Vambre out. Vambre stops them with the Ground Pound sword and he later got Grup to fly to Vambre in which he makes to Robopiggen grab Vambre and Grup noogying her. Prohyas, in retaliation, uses the Pencil Magisword on them, which puts weight on Old Man Oldman's face as two moustaches are heavy. Vambre captures them into cactuses with the Cactus Magisword and are left to speak with the Zombie Pumpkin Magisword as the two finish there job. Old Man Oldman later agrees with Grup for a game of tag.

He appeared in the first 5-minute short Warriors for Hire. Since this is the first time they became Warriors, in song form, he asked if they could mow his lawn, paint his house or shave his back. When they refused, he asked why. They reveal that they are swashbuckling heroes. Old Man Oldman speaks for the townsfolk and stated that they are not interested in the Warriors. Later at the episode, after discovering the Warriors gaining the Plunger Magisword, him and the other citizens change their minds and want the Warriors to unclog their drains.

He later made a cameo in Pool Fools revealing his six-pack at the swimming pool.

He also appeared in the short Walkies where he hired the Warriors for Hire to walk Jurassi, confusing him for a dog. Desperate to pay rent, they accepted on the spot. He later contacted them to see the progress and Prohyas said they were doing good, despite it was obvious that they were having trouble. Since they gave Jurassi back to King Rexxtopher, they give him Grup instead, in which he immediately fell for. Prohyas later reveals that Old Man Oldman is insomniac making it hard for Grup to escape from him.

In the short "Identity Theft", he thanks the Warriors for doing his manual labor chores even though Nohyas was the one who did it. He decided to pass out as he is prescribed by his doctor to do so when he's seeing double.

In the TV series episode, Mushroom Menace, he speaks to a squirrel asking if he'd be interested in joining his troops. He seemed to understand the squirrel and stated he spoke filthy language. He and the squirrel later ran away from the charging Zombie Pumpkin Magisword.

In the episode "Case Clothed", Old Man Oldman was buried in a huge mass of the Warriors filth because Grup hid all of it in his house.

Old Man Oldman was affected by Grup's stink in "Cleanliness Is Next to Grupliness".

---

When she was done everyone was confused.

Xenia: Man he needs to learn a hard lesson.

Camie: I know. And he needs to learn how to start doing chores by

himself.

Brynha: (Icelandic Accent) I agree there too.

---

Nico: He should be close.

Suddenly, we heard a scream.

Lincoln: (Gasps) That sounded like Vambre! Come on!

Nico: That senile old goat, let's get him!

We rushed on over, and we saw Vambre and Prohyas getting attacked by Oldman Oldman. Oldman Oldman had beaten them up really really bad. Lincoln fired chains of rainbow energy and got him off the Siblings.

Lincoln: Vambre, Prohyas, you two alright?

Vambre: (British Accent) Afraid not, Linky. Oldman Oldman is at it again, I don't want to even to tell what we went through.

Lincoln hugged Vambre.

Me: Boy he did a number on them.

Xenia: Okay you spineless goat! What is all this about!?

Oldman Oldman: You Warriors ruined my house! Now I'm going to ruin you!

We saw that his house looked like a copy of Prohyas's hair. OOPS!

Nico: Are you for real?!

Me: That's what this is about!?

Eli: You crazy old codger!

Oldman Oldman: Now you will meet the same doom as the Warriors!

Brynha: Like heck we will!

That was the final straw for Brynja Heringsdötir.

Brynja Heringsdötir: (Icelandic Accent) You senile old goat, now, you're really going to get it!

Suddenly, Brynja Heringsdötir's eyes turned neon arctic blue and she was surrounded by an arctic blue energy aura with water, ocean waves, ice, snow, snowflakes, icicles, and frogs and as she approached Oldman Oldman, she left arctic blue energy, water, ocean waves, ice, snow, snowflakes, icicles, and frogs with every step.

Brynja Heringsdötir: (Icelandic Accent) I will never ever forgive you, Oldman Oldman, you made the Warrior Siblings do nothing but menial chores for you, and even worse, you bought an evil toupee and you tried to destroy them. That's the last straw, you need to be taught some manners, and not only are you getting a really brutal beating which'll get through that thick skull of yours, but you are about to face Icelandic justice for your misdeeds!

Suddenly, Brynja Heringsdötir was surrounded by a massive vortex of arctic blue energy with water, ocean waves, ice, snow, snowflakes, and icicles surrounding the vortex, there are frogs hopping around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Brynja Heringsdötir emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Brynja Heringsdötir grew to 7'4" in height, she has the body of a goddess, she has arctic and ice blue highlights in the bangs of her long blonde hair, she has neon arctic blue eyes and an arctic blue energy aura with water, ocean waves, ice, snow, snowflakes, icicles, and frogs surrounding her, she has a frog emblazoned on her forehead and Third Eye with arctic blue iris, she has on frog earrings with arctic blue gems for eyes and holding the Water, Ice, Snow, and Eternity Kanjis in its hands, she also has a frog with arctic ice blue gems for eyes and holding the Water, Ice, Snow, and Eternity Kanjis in its hands for the pendant below the arctic blue frog-shaped

Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with arctic blue crystal links from her merged Crystal Necklace of the Buddha and arctic blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Brynja Heringsdötir has on a sleeveless midnight black shirt, long midnight black skirt, midnight black knee-high boots, and long sleeveless white trenchcoat with water, ocean waves, ice, snow, snowflakes, icicles, and frogs on the coattails, and on the back is a frog surrounded by water, ocean waves, ice, snow, snowflakes, icicles, and frogs and on top of the frog is the flag of Iceland. Suddenly, Brynja Heringsdötir felt a sharp pain on her back, and then, massive blonde angel wings with arctic blue and ice blue tips on the large blonde feathers, grew and sprouted out of her back and she now has eleven massive and long blonde wolf tails with arctic and ice blue markings. Brynja Heringsdötir has on her Ring of the Phoenix with large arctic blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Brynja Heringsdötir's sword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of arctic blue energy, water, ocean waves, ice, snow, snowflakes, icicles, and frogs, and when it emerged, it was transformed into Rán's Arctic Icelandic Water Frog Snowstorm Greatsword of Icelandic Water Snowstorm Justice, it's a brand-new massive greatsword with embedded ice blue gems and the Norse goddess of Water, Rán, etched on the 7'0" massive, wide, double-edged arctic blue blade, large arctic blue frog heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large arctic blue frog heads with green gems and large ice blue gem on the bottom of the frog heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with arctic blue gems on her wrists, her Belt of Elemental Bravery with a gold frog head with ice blue gems for eyes and a large arctic blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and

ブリニャ・ヘリングスドティル、アイスランドの戦士、アイスランドの長く誇り高い歴史の擁護者、シシー・デルマスの文通相手で友人、リョーコ・ウォリアーズの友人、アイスランドの正義の管理者、イノセントの擁護者、リンカーン・ラウドの愛する未来の妻、ヨッシー家の宿敵アイランド・ガイ、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、水、氷、雪、カエルの達人

We were amazed by Brynja Heringsdötir's Super Angel-Frog-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Oldman Oldman saw it, he ran at her and tried to hit her, but Brynja fired a powerful arctic blue energy blast with water, ocean waves, ice, snow, snowflakes, icicles, and frogs at Oldman Oldman, and it drenched him and pushed him back a bit, but that got that senile old goat really mad now.

Sissi: Wow, Brynja's transformed, that's so incredible!

Lincoln: Yeah, and she really drenched Oldman Oldman when she blasted him and she's really riled him up now, and Brynja, you look beautiful, how do you feel?

Brynja Heringsdötir: (Divine Echoing Cosmic Voice of The Icelandic

Arctic Water Snowstorm Frog Angel and Divine Icelandic Arctic Water Snowstorm Love) (Icelandic Accent) I feel incredible, Linky. Now, shall we deliver a brutal beating to that senile old goat?

Lincoln: (Smiles) With pleasure, Brynja.

Me: Time to teach this old clod a lesson he will never forget!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Brynja Heringsdötir.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, you old goat, now you're really asking for it.

Brynja Heringsdötir and Lincoln went after Oldman Oldman, and they fired extremely powerful blasts of rainbow energy, arctic blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, frogs, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Oldman Oldman and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Brynja and Lincoln brutally pulverized him with punches and kicks.

Nico: Damn, now that's a brutal beating. Should we also help?

Rita: No way, Nico. Besides, Lincoln's dealt with Scoots' numerous attempts to kill him before, and he has always kicked her hide and sent her flying back to the nuthouse, and what Oldman Oldman was doing, this is also a warranted butt-kicking.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Brynja Heringsdötir, her hand-cannon Blaster is known as Icelandic Arctic Water Snowstorm Frog Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's arctic blue with snowflakes on the blaster and with a Phoenix, Angel, and a frog surrounded by ocean waves and the Icelandic Flag etched on the sides, and blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Brynja Heringsdötir aimed their hand-cannon blasters at Oldman Oldman.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Oldman Oldman!

Brynja Heringsdötir and Lincoln fired blasts of rainbow energy, arctic blue energy, and elemental forces at Oldman Oldman and as they hit him, they exploded with incredible power, and he was knocked down.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Learned your lesson yet?

Brynja Heringsdötir: (Divine Echoing Cosmic Voice of The Icelandic Arctic Water Snowstorm Frog Angel and Divine Icelandic Arctic Water Snowstorm Love) (Icelandic Accent) Or do we need to warrant another beatdown?

Oldman Oldman: Take your best shot!

Nico: Go ahead and let loose with the farts, J.D.

Me: With pleasure! Sniff on this!

I sat on his face and then…

LOUD FART TOOT!

I FARTED IN HIS FACE AT POINT BLANK RANGE!

LOUD LONG FART TOOT!

Me: DO YOU GIVE!?

LOUD FART TOOT!

Me: DO YOU GIVE!?

LOUD FART TOOT!

Nico: This is to get the farts out of the way so J.D. won't end up farting later!

Eli: It's very funny but it's very awesome.

Xenia: Also yeah we know.

Nico: Okay. Hopefully J.D. won't soil his pants.

LOUD FART TOOT!

Oldman Oldman was really coughing and gagging.

Me: Had enough?

Oldman Oldman waved a white flag meaning he gives up.

Me: The white flag of surrender.

Nico: He gives up.

Me: He's had enough.

We cheered as Brynja Heringsdötir and Lincoln holstered their massive greatswords on their backs and powered down, and Brynja Heringsdötir's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Brynja Heringsdötir: (Icelandic Accent) There, now I hope you've learned your lesson. Thank you for helping me teach Oldman Oldman a lesson, Linky.

Lincoln: (Smiles Warmly) You're welcome, Brynja.

Suddenly, Brynja Heringsdötir wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Brynja Heringsdötir's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and a frog flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and snow falling down on them and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Brynja Heringsdötir absorbed the water and snow and they came back to us as the display vanished.

Nico: Wow, Brynja, Lincoln, you guys really dealt some awesome Icelandic justice on Oldman Oldman and taught him a serious lesson.

Vambre: (British Accent) Hopefully, it's gotten through his head.

Varie was healing Prohyas and Vambre.

Lincoln: He's already learned his lesson, but we'll be watching him like a hawk, and if he ever slips up again and does this once more, he's going to get another Icelandic beatdown.

Brynja Heringsdötir: (Icelandic Accent) Hopefully, he's learned his lesson.

Me: Yeah hopefully.

STOMACH GRUMBLES

Me: UH OH!

I saw an outhouse and went into it and everyone heard a groan of relief.

I came out and I was much better.

Me: AHH!

I went to a pond and washed.

Me: Much better.

Nico: You gonna be okay?

Vambre: Yeah we'll be fine.

Prohyas: Yeah we'll be all right.

Me: And all this because of an accidental roof transformation.

Xenia: Oops. It looks like your hair Prohyas.

Prohyas: Yeah it was a talk over what we were talking about that we got distracted and didn't realize that we were making it look like a wig.

Me: Oops.

Nico: We're just glad you're okay.

Me: Same here.

Qin: No kidding.

Vambre: I'm glad too.

Laney: But he also had this on him.

Laney showed that he had an evil toupee that was as rabid as a wild animal.

Me: What in the 9 fucking levels of hell is that!?

Laney: Looks like a living rabid evil toupee.

Prohyas: Yeah it is.

Me: Where did he get that?

Vambre: An evil toupee store in Mount Ma'al.

Me: Say what!?

Qin: What kind of idiot sells toupees like that!?

Xenia: Someone who want to make bad guys stylish.

Me: And wicked badass.

Nico: Eli, check if Swartz's creations are close.

Eli: On it.

He got to concentrating.

Cassidy: But Vambre and Prohyas you will love the surprise we got yesterday.

Vambre: Ooh what is it?

Me: Look.

MYOTISMON MAGISWORD!

IT looked like a Magisword of Myotismon shooting Blood Red

Lightning.

Vambre: Ooh!

Prohyas: That is a cool Magisword!

Me: We got Masters of Evil Magiswords.

Nico: Yeah.

Maria: What do you think?

Vambre: Those are amazing Magiswords!

Me: Yep we got them from defeating another version of your doppelgänger Nohyas.

Prohyas: Whoa! That is amazing!

Me: And it was actually Sailor Keyblade Graveyard.

Vambre: My word! The Sailor Soldier of the Keyblade Graveyard!? That is amazing.

Nico: Yeah it sure was.

Eli: I found them! They are 10 klicks southwest and closing.

Nico: Okay.

Maria: Anyone here?

Me: They should be here shortly.

Then the Wonder Ride Book for The 3 Little Pig Brothers was glowing.

Me: The Wonder Ride Book for The 3 Little Pig Brothers is glowing.

Nico: Whoa.

Xenia: It would be funny if the next Another Wonder Ride Embodiment looks like a totem pole of pigs.

Aylene C.: Weird and cool.

Nico: Only one way to find out.

Me: Yep.

Eli: We'll wait a bit.

Me: How about this one?

ANGRY NASHVILLE HOT CHICKEN MAGISWORD!

It looked like a chicken with glowing red eyes breathing fire from its mouth.

Me: WHOA Spicy!

I fired it up into the air and it fired a chicken wing and I caught it and ate it.

Me: MMM!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I bursted into a massive fiery explosion and I was panting and wheezing from the intense spice!

Nico: WHOA!

Me: (WHEEZING) SPICY!

Nico: So, who's up next?

Anna Anyanova: I will go next.

Nico: Okay.

Laney: Hey look!

We saw a figure and to our surprise it was a living black totem pole with 3 pig heads! It was ANOTHER 3 LITTLE PIG BROTHERS!

Lola: Wow!

Xenia: Another 3 Little Pig Brothers!

Qin: Cool!

Another 3 Little Pig Brothers: (In a girls voice) Looks like you guys have had quite a fun battle

Me: (GASP) That voice.

She reverted back and it was a girl with dark green hair and had green sailor soldier clothes.

Me: (GASP) Ellie Hammie A.K.A. Sailor Treasure Planet!

Qin: Whoa the Sailor Soldier of the world and time of Treasure Planet!?

Xenia: That is cool!

Nico: That wasn't one of the worlds Sora visited! Is it?

Sailor Treasure Planet: No it wasn't unfortunately. But I did see you guys in that world.

Me: We found out that the world of Treasure Planet takes place in the Distant Future. It was set 34,000 years into the future.

Camie and Zuria: WOW!

Camie: That's a long time from now.

Varie: No kidding there.

Cassidy: And we got the treasure from Treasure Planet twice.

Me: Yep.

Sailor Treasure Planet: That's what I heard and you guys rebuilt Jim's hotel into a massive and amazing luxurious place.

Me: That sure is awesome.

Nicole: And we saw tons of awesome planets.

Shanan: Many of those worlds I know and they were awesome.

Sailor Treasure Planet: That's right Shanan.

Nico: Oh, and Scroop's dead.

Sailor Treasure Planet: I never liked that guy but it's good he got what was coming to him.

Shanan: You're not kidding there.

Sailor Treasure Planet: Do you know what his kind was Shanan?

Shanan: Actually yes I do. He's a creature from the Andromeda Galaxy called Lycosilithonian. They are a race of spider crab creatures that are known for having a really nasty and horrible attitude and they come from the planet Licosilithia and it's a really dangerous and hostile planet.

Xenia: Whoa man.

Qin: Scary planet.

Lola: Yeah.

Cassidy: No kidding.

Sailor Treasure Planet: Yeah it sure is.

Lola: But seeing those planets in that adventure was awesome.

Nico: Yep.

Me: Also are there any other opponents with you?

Sailor Treasure Planet: Actually yes there are. But this one is a really stinky one. It's another version of him.

She pointed to Stinky Butt.

Stinky Butt: Another version of me!? Whoa!

Me: And I have a feeling this one is hostile.

Sailor Treasure Planet: Nope. It's a friendly one but she has a really nasty and stinky farting butt.

Me: Oh boy.

Eli: Get the nose plugs ready.

Nico: (to me) Dude, this is why we ask the question. So we know their intentions.

Me: Sorry just got to be cautious.

Nico: Okay.

Anna Anyanova: Sorry we have to fight like this. But I loved reading the Three Little Pigs back when I was little.

Nico: Me too.

Sailor Treasure Planet: I can tell. But no worries. Lets do it!

She transformed back to Another 3 Little Pig Brothers and Anna fired waves of energy and smashed her down and I caught the Wonder Ride Book and it was called The 3 Rabid Boars and then it turned into The 3 Bug Eating Warthogs of Bug Dishes.

Me: Boy Timon and Pumbaa would love this one.

I went over and picked up Sailor Treasure Planet and brought her over.

Sailor Treasure Planet: (Groans) What a headache.

Qin: But you're back to normal.

Nico: Okay, if you smell something and it's not J.D., Stinkbomb, Stinky Butt, or Malador, it's the Another Stinky Butt.

Me: Okay.

But then the land glowed in a powered aura and then suddenly we saw the land change right in front of us! We saw the land turn into an alien landscape and it had an alien castle on it with a forest and more!

We gasped!

Xenia: WHOA!

Lola: WOW!

Me: This is definitely the work of our next gene-slammer.

Varie: WOW! This is like what happened with Molly Hale and Entei.

Camie: Wow! So the power of the Unown! They have the power to psychically warp reality.

Xenia: Yep.

Nico: But what about the Another Stinky Butt?!

Me: I think our gene-slammer wants to make the battle exciting by adding an arena for us to face them in.

Qin: Yeah.

Nico: Oh I get it! They want to make it fun for us.

Then we smelled a really horrible stench!

Nico: OH GOD! What is that fucking horrible stench!

Qin: P.U.!

Camie: Oh man!

Me: (COUGHING AND GAGGING AND VOMITING)

Eli: EW!

The stench was so bad that I was throwing up!

I put on noseplugs.

Me: (Nasally) That's better. I haven't smelled anything that bad since the time the Brave 12 came across a dragon that was releasing nasty farts that made us throw up. Now come on out!

Then a figure came out and it was a dark version of Stinky Butt. It was ANOTHER STINKY BUTT!

Qin: There he is!

Lola: This one smells worse than Lana's farts!

Lana: I'll say! I like it!

Nico: Figures you would Lana.

Maria: Who the heck are you?!

LOUD FART!

Another Stinky Butt: (In a girls voice) I can't help it guys. I have a condition and this form made it worse.

Laney: GEEZ! How do you know Elaine, J.D.?

Me: Me and Elaine went to school together. But they had to keep her outside because of her condition. She would listen to everyone teach outside. I helped her out by staying with her by the window.

Lola: That's thoughtful.

Me: It sure is.

Another Stinky Butt: Yeah he was in a hurry to send me out because I was farting in his face non-stop.

Me: Jeez!

Touma: That's funny there.

Lana: Fitting too. Too bad you couldn't just fart him out of existence.

We laughed!

Me: That would be a funny way to die!

Another Stinky Butt: It sure would.

Me: But Swartz is gone. We gave him the Black Gates.

Nico: Yep.

Another Stinky Butt: Good. But please for the love of humanity. JUST GET ME THE FUCK BACK TO NORMAL!

But, we're going to cool him down and save him from giving into revenge, and once we get done with healing his fractured heart, we're going to hunt down Evil Lori, Evil Luan, and Evil Lisa, who escaped thanks to Evil Lynn and Evil Lola, who'd been brought back by Gabriel Pacheco using a Dark Orb to cause havoc on Universe 666 Earth again, and that's just going to piss off Maria Garcia and the other Fabled Gene-Slammers even more.

Along with President Slade and The Resistance who joined the team, the spirits of Universe 666 Me and Universe 666 Varie, along with the spirits of Universe 666 versions of Leni, Luna, Laney, Lucy, Lana, Lily, his parents, his friends, and Universe 666 Lincoln's harem and Guardian Angels, have also joined in.

Lincoln: Whoa, we're here on Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the seven girls here, but as we'd been told by Universe 666 J.D. and Universe 666 Varie yesterday, Universe 666 Lincoln has been sighted, but he's become hellbent on revenge for what happened to Universe 666 J.D. and Universe 666 Varie, along with the Universe 666 versions of Leni, Luna, Laney, Lucy, Lana, Lily, his parents, his friends, and his harem and Guardian Angels at the hands of Evil Nico, Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan, who murdered them in cold blood and Universe 666 Lincoln spiraled into a tirade of revenge against them. But, we're going to cool him down and save him, and once we get done with healing his fractured heart, we're going to hunt down Evil Lori, Evil Luan, and Evil Lisa, who escaped thanks to Evil Lynn and Evil Lola, who'd been brought back from the dead.

Nico: That's right. But, how did those two evil little monsters get brought back?!

Lincoln: We're not going to like the answer to it, and this also includes you and your friends, Maria: I found out from the spirits that Gabriel Pacheco used a Dark Orb to bring them back from the dead to cause havoc on Universe 666 Earth again.

Maria Garcia and the other Fabled Gene-Slammers were mega pissed off now!

Maria Garcia: (Spanish Accent) That good-for-nothing Gabriel Pacheco, honestly, Antonio Maldonado and his order enjoy angering us to no end! His head will be mounted on a stake when we get after him and we'll be sure to send his head straight to Antonio

Maldonado!

Me: With a really nasty warning.

Lincoln: Right. But, first, we need to find Universe 666 Lincoln and repair his fractured heart, and then, we go after Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan, and I want to thank you, Mr. Krabs, Golden Locks, Crimson Chin, and Catman for joining, Bisca Mulan, along with you, President Slade, Universe 666 J.D., Universe 666 Varie, Universe 666 Leni, Luna, Laney, Lucy, Lana, Lily, and Universe 666 Lincoln's parents, friends, harem, and Guardian Angels.

Crimson Chin: You're welcome, Lincoln.

Lori: What happened to Universe 666 Lincoln really was awful. He lost those he truly trusted and loved, and all to that heartless snake and those five bitches, and I can't blame him for losing his ability to love and give in to revenge, but he needs to see that revenge will just kill him in the end.

Universe 666 Me: Right, Lori. I don't want him to lose his life for revenge, but his heart needs to be repaired, and I believe I know where he is.

We headed for the location of Universe 666 Lincoln: The Loud House, but now, it's in ruins because of Evil Nico.

Lori: Of course, the only place where Lincoln would be is right here at The Loud House.

Lincoln: But, now it's in ruins thanks to Evil Nico. Let's stay on the alert, if he's me, then, he's bound to be quite crafty.

Nico: Yeah.

Suddenly, we saw a figure coming right at us with red eyes filled with fury and revenge and anger on his mind: it was Universe 666 Lincoln, and he was growling angrily at Nico, Lori, Lynn, Lola, Lisa, and Luan.

Universe 666 Lincoln: YOU!

Nico: Oh shit, he thinks I'm Evil Nico.

Lincoln: And he thinks you, Lynn, Lola, Lisa, and Luan are your Universe 666 counterparts. Wait, they aren't like the ones you know.

Universe 666 Lincoln: I can never ever forget their faces, what they fucking did to J.D., Varie, Leni, Luna, Laney, Lucy, Lana, Lily, Mom, Dad, my friends, my harem, and Guardian Angels, I'LL KILL EVERY LAST ONE OF THEM!

Lincoln formed a rope of rainbow energy and tied Universe 666 Lincoln up, who tried to get out of it, but he couldn't. But, then when he saw Universe 666 J.D., Universe 666 Varie, Universe 666 Leni, Luna, Laney, Lucy, Lana, Lily, his parents, friends, harem, and Guardian Angels, we saw a tear form in his eye.

Universe 666 Lincoln: J.D., Varie, Leni, Luna, Laney, Lucy, Lana, Lily, Mom, Dad, everyone… , is this?!

Universe 666 Me: It's not a trick, Lincoln. It's really us, but as spirits.

Lincoln undid the rope, and Universe 666 Lincoln ran up to Universe 666 J.D., Universe 666 Varie, Universe 666 Leni, Luna, Laney, Lucy, Lana, Lily, his parents, friends, harem, and Guardian Angels, and he really cried his heart out and hugged them, and they hugged him.

Lori: He really missed them a lot.

Lincoln: And I don't blame him for it, what Evil Nico did, along with his world's Lori, Lynn, Lola, Lisa, and Luan did in helping him, he was left with nothing but a broken heart and wanting revenge.

President Slade: But, you helped him recover at least.

Lincoln: It'll take time for him to recover, but this is the first step. Now, then, let's get down to business. Universe 666 Lincoln, we got word that your world's Lynn and Lola have been brought back from the dead, and they broke out your world's Lori, Luan, and Lisa.

Universe 666 Lincoln: I remembered seeing a man here dressed in black robes and he was saying something in Spanish, then, he used a Black Orb and brought Lynn and Lola from my world back from the dead.

Lincoln: Gabriel Pacheco's been here, and he used a Dark Orb to bring those two back.

Universe 666 Twilight Sparkle: You need to kill them all, we don't want the world to fall back into darkness.

Twilight Sparkle: And we will.

Lincoln: I forgot to ask, but did Universe 666 Tirek drain every last Alicorn, Earth Pony, Unicorn, and Pegasi of their magic and strength before we came here to get rid of Evil Nico?

President Slade: He didn't, why do you ask?

Lincoln: I think I know where those five are heading, President Slade. Tell Good Luthor and the rest of The Resistance to meet us at the prison cells, time to give those five a really nasty surprise.

Universe 666 Lincoln: Wait. I've also got something to give to you, Lincoln.

Universe 666 Lincoln gave Lincoln Universe 666 He-Man's Power Sword and Universe 666 Me's Sword of Harmony.

Lincoln: Where did you get these?

Universe 666 Me: I gave them to my Earth's Lincoln to hold on to, in case I didn't make it, and I want you to have them, Lincoln. Universe 666 He-Man's Power Sword has all of the immense powers of Castle Greyskull and even the castle itself was absorbed into the sword, and my Sword of Harmony is the one thing I want you to keep safe, and I know you also got chosen by The Elements of Harmony, due to you uniting The Three Kingdoms and the warlords of Feudal Japan.

We gasped.

Me: Whoa!

Twilight Sparkle: That was really unexpected, but still, we got to talk to Princess Celestia about this later.

Rainbow Dash: Right now, let's get after a couple of bad sisters, and make them cry like babies!

Lincoln: Right you are, R.D.!

Nicholette Torrington: (Snickers) Oh, we're going to make those bitches cry and plead for their lives!

We headed down to the prison cells, and we were joined by the rest of The Resistance, and we see the Universe 666 versions of Princesses Celestia, Luna, Cadence, and every last Earth Pony, Unicorn, and Pegasi were still locked up, and they were furious to see us here.

Lincoln: Good, they're still here, and Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan haven't even arrived yet, now to put my trap into action, but first things first.

Lincoln then opened his mouth and he literally sucked out and absorbed the Universe 666 versions of Princesses Celestia, Luna, Cadence, and every last Earth Pony, Unicorn, and Pegasi's magic and strength, and as soon as Lincoln was done, the Universe 666 versions of Princesses Celestia, Luna, Cadence, and every last Earth Pony, Unicorn, and Pegasi were completely drained and stripped of all their magic and strength, and their cutie marks have disappeared. Suddenly, Universe 666 He-Man's Power Sword and Universe 666 Me's Sword of Harmony merged with Lincoln's massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and we saw the Elements of Harmony around the carved white angel face embedded in the rainguard and it was now even more powerful than before.

Lincoln: Whoa, now that's what I call one awesome upgrade.

Suddenly, we saw Floot Fly, HippityHop, the Wimmzies, the Cantorell, Bridg-it, Clavi Gnat, and Pladdie appear before us, and with them are the seven girls.

Nico: Whoa, that's Floot Fly, HippityHop, the Wimmzies, the Cantorell, Bridg-it, Clavi Gnat, and Pladdie, awesome.

Floot Fly: (Japanese Accent) That's right, and we got the girls away from The Universe 666 versions of Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: (Gasps) That voice, Aika Furūtofurai, I knew it was you, along with Reina Banīhoppu, Sofia Kinokogitā, Trini, Tara, Tanya, and Tori Eggudoramu, Mora and Mara Soseikin, Sonnya Kurisutarunōmu, Clara Hamushi, and Delia Bagupaipu, it's awesome to see you again, Tenshi no Ongaku, but we'll talk later, we've got trouble coming!

?: YOU ASSHOLES, YOU WILL ALL PAAAAAYYYYYY!

Suddenly, we saw Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan heading right for us, and as we expected, they were really pissed off.

Lincoln: Well, look who's arrived. Too bad payback's coming for you five!

Lincoln fired five powerful magic blasts at Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan and forced them outside, and we all followed, and when they saw Universe 666 Lincoln, along with Universe 666 me, Universe 666 Varie, along with the Universe 666 versions of Leni, Luna, Laney, Lucy, Lana, Lily, Universe 666 Lincoln's parents, his friends, and his harem and Guardian Angels, they were horrified and pissed off!

Evil Lynn: STINKOLN, YOU TRAITOR!

Evil Lisa: And J.D., Varie, Leni, Luna, Laney, Lucy, Lana, Lily, and our parental units?! Impossible!

Evil Lori: Along with that twerp's pathetic friends, his harem and Guardian Angels?! We killed you all!

Universe 666 Me: Yes, you did, but we've come back from the dead to see to it that all five of you, the last remnants of my former team, are finally destroyed for good.

Universe 666 Lincoln: You destroyed and took away all those I held dear to my heart, you five and that heartless snake, Evil Nico, and now, all five of you deserve to die!

Lincoln: And in the most horrible and bloody way imaginable!

Lori: You ruined your own brother's life, and now, you've just forfeited your lives and sealed your own fates!

Universe 666 Lori: BRING IT, BITCH!

Lincoln: No one calls my sister that word and gets away with it! Now, I'm going to rip your tongues out of your mouths! Let's rip them to shreds!

Lincoln's Guardian Angels: SAVE SECONDS FOR US!

We cheered as we holstered our weapons and powered down.

Nico: Whoa, Linc, that attack you used on those five bitches, that was really, really incredible!

Lincoln: Thanks, Nico. But, there's also something I should've told you: see, when I absorbed Broly, I not only gained his powers and abilities, but I also acquired the ability to grow even stronger from each time I've been beaten up badly, and because I've been beaten up and almost died at the hands of Lori, Lynn, Lola, Lisa, and Luan, thanks to their Dark Sides taking over throughout the course of six and a half years.

Me: You've gained an extremely infinite amount of power and strength, and that was due to the fact that you've been beaten up and almost died at the hands of Lori, Lynn, Lola, Lisa, and Luan, thanks to their Dark Sides taking over throughout the course of six and a half years.

Nico: (Stunned) Damn, that's really incredible, but really awesome!

They even each kissed Lincoln on the lips, and to tell one from the other, The Eggudoramu Sisters each have their own color to their crop tops and mini skirts as well as their hair: Trini has a yellow outfit and hair, Tara has the pink version, Tanya has the green version, and Tori has the red version. They're also the cousins of Peyton Touhey, meaning they're also Chaotic players as well, and they hate Billy McLean with a burning passion.

She and Lincoln would play clarinets for charity, and they even conquered the Dark Souls games, all on first tries. Sonnya even Kissed Lincoln on the lips after their clarinet session, and she's also the niece of Bruce Wayne, and she already knew of his secret being Batman, and she hates Lewis Travolta with a burning passion.

She and Lincoln played piano together, and they even played pianos for charity. Her last name, Hamushi, means Leaf Bug, in Japanese. They even helped the Girl Scouts with selling cookies at one point. After playing the piano, Clara kissed Lincoln on the lips, and she's also the niece of Bulma, and she absolutely hates that pink-haired, rage-crazy, anger-mismanagement bitch, Trina Riffins, with a burning passion.

And Delia Bagupaipu, the Pladdie Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in Music, but also plays on bagpipes and enjoys learning the Scottish culture, making her the bagpipes player of The Tenshi no Ongaku. She and Lincoln even had haggis together, and she and Lincoln also play bagpipes for charity. Her last name, Bagupaipu, means Bagpipe in Japanese. After the bagpipe session, Delia kissed Lincoln on the lips, and she's also the cousin of Seto Kaiba and Mokuba Kaiba, and she hates that crazy, scooter-driving, troublecausing, heckling old goat, Scoots, with a burning passion.

We were absolutely stunned, not only did Lincoln and his sisters know them, but each of them are also related to members of the team, so they were in for one big reunion when we get back.

Nico: Wow, that's quite a huge amount of info you guys have given us, but still, this is really awesome that you all know Lincoln and his sisters. (Realizes something) Wait, now I remember you guys, you've sung in different charities in Michigan, and Lincoln, I didn't know you and your sisters sang with them.

Lincoln: It's true, Nico, we sang in different charities in Michigan, and everyone loved our singing, well, except for our resident jerks, and the Tenshi no Ongaku Gang hated them with a burning passion, but we'll tell you guys of how we sent those jerks packing during a performance we had later. But first.

Lincoln went up to each member of The Tenshi no Ongaku Gang, and he suddenly hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Reina Banīhoppu: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, twelve Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Aika Furūtofurai, Reina Banīhoppu, Sofia Kinokogitā, Trini, Tara, Tanya, and Tori Eggudoramu, Mora and Mara Soseikin, Sonnya Kurisutarunōmu, Clara Hamushi, and Delia Bagupaipu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Sofia Kinokogitā: (Japanese Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aika Furūtofurai, Reina Banīhoppu, Sofia Kinokogitā, Trini, Tara, Tanya, and Tori Eggudoramu, Mora and Mara Soseikin, Sonnya Kurisutarunōmu, Clara Hamushi, and Delia Bagupaipu.

The Tenshi no Ongaku Gang had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Yamato, Perona, Wanda, and Carrot from One Piece and Sylvia Sherwood, Millie, and Sharon from Spy x Family.

Lincoln: Oh wow, it's Yamato, Perona, Wanda, and Carrot from One Piece and Sylvia Sherwood, Millie, and Sharon from Spy x Family.

Nicole: (Gasps) More of Luffy's friends were here, along with friends of Anya Forger and her family.

Lincoln: They're going to be in for one awesome reunion when we get back. Are you girls okay?

Perona: Yes, we're okay, thanks to you.

Then, when Perona and the other six girls saw who it was that saved them from Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and

Yamato (One Piece): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yamato (One Piece): (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yamato, Perona, Wanda, Carrot, Sylvia Sherwood, Millie, and Sharon with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Universe 666 Lincoln: Team Loud Phoenix Storm, I want to thank you. You repaired my shattered heart, but this won't excuse what I've also done, and…

President Slade: Actually, from what J.D. told us, we're actually giving you a full pardon. You already fled from there after what Evil Nico did, along with your ex-sisters, and you needed to be saved from giving into revenge.

Universe 666 Me: That's right. Plus, I think you also need those you love back, and you need them a lot more now than ever.

Me and Lincoln: Leave that to us.

Lincoln and I snapped our fingers, and lights shined down as angelic choirs sang, and then, Universe 666 Me, Universe 666 Varie, Universe 666 Leni, Luna, Laney, Lucy, Lana, Lily, his parents, friends, harem, and Guardian Angels were brought back. This really brought tears into Universe 666 Lincoln's eyes and he ran up to them and hugged them, and they all hugged him back, finally, now his heart's truly been repaired.

Lola: This really is so beautiful!

Lori: It sure is. So, what'll happen now?

Universe 666 Me: We'll be staying here to help out with the repairs to our Earth, but we'll be part of The Redemption Squad to fix what our former team has done.

Nico: Good thinking.

Me: Very wise decision.

Lincoln: The rest of the team's going to want to hear this when we get back.

Just then, William and Maria arrived, along with Princesses Celestia, Luna, and Cadence.

William: No need, guys, the princesses told us of what you guys were doing here.

Princess Celestia: That's right, and Lincoln, you and J.D. made a truly amazing choice.

Princess Cadence: Indeed, you made that choice from the bottom of your heart, and you saw just how much your Universe 666 counterpart needed those close to him back in his life to help repair the damage done unto him by Evil Nico.

Princess Luna: You really are a kind-hearted soul, Lincoln, and I can see a lot of J.D. and Nico in you. Plus, what J.D.'s Universe 666 counterpart said was true: you were also chosen by The Elements of

Harmony not only because of you being the peacekeeper and second voice of reason in The Loud House, but you also accomplished quite an impossible task: you united The Three Kingdoms and the warlords of Feudal Japan.

Zhen Ji: That's right, and The Three Kingdoms had their different ideals and their own ways of uniting the land, but thanks to Lincoln, he united all three of them and he took down Dong Zhuo and Lu Bu, two dangerous individuals who perpetuated the chaos our world had to endure.

Ina: And he united the warlords of Japan into one and we finally ended Hisahide Matsunaga before he could kill Lord Nobunaga. Those were indeed two impossible tasks, but Lincoln achieved that goal, and gained The Three Kingdoms and the warlords of Japan as new members of Team Loud Phoenix Storm.

Nicole: And he'll be marrying all of you in the future, so that's also another reason why.

Nico: That's right.

We returned home to The World Tree Estate, and not only did we get Universe 666 Lincoln, Universe 666 Me, Universe 666 Varie, Universe 666 Leni, Luna, Laney, Lucy, Lana, Lily, his parents, friends, harem, and Guardian Angels as new members of The Redemption Squad, but we finally got rid of the last remnants of Team Loud Evil Storm for good.

---

After helping Universe 666 Lincoln and repairing his shattered heart and finally destroying Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aika Furūtofurai, Reina Banīhoppu, Sofia Kinokogitā, Trini, Tara, Tanya, and Tori Eggudoramu, Mora and Mara Soseikin, Sonnya Kurisutarunōmu, Clara Hamushi, and Delia Bagupaipu saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aika Furūtofurai: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last eleven years.

Sofia Kinokogitā: (Japanese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Kurisutarunōmu: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Aika Furūtofurai: (Japanese Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Aika, what's the story on how you guys, Lincoln, and his sisters sent those jerks packing during a performance you all had?

Aika Furūtofurai: (Japanese Accent) That's a story we can never forget, and we didn't stop laughing at what Lincoln's sisters did. One night, we were performing for a charity at the Royal Woods Mall, but then, we heard the sound of bellowing yells in the air, and Lincoln caught the stench of an unwashed, unbathed cheapskate, and we saw who it was: it was none other than Flip, his cousin, his brother, Icky Vicky, Billy McLean, Lewis Travolta, Scoots, Trina Riffins, and that bitch, Lila Rossi, and they were all out for blood, but Lincoln's sisters absolutely had it with those jerks, and they unleashed Hell upon them: Lori turned Lila Rossi, Icky Vicky, and Trina Riffins into human pretzels, Leni hit Scoots hard in the head with a sandal and Lana broke her sunglasses, Luna played her guitar loudly and broke the eardrums of Billy McLean and Lewis Travolta, Luan threw pies at the jerks, Lynn farted in Flip's face, Laney fired a cactus ball into the crotches of Flip's brother and cousin, Lucy sent waves of bats at the jerks, Lola fired fire blasts at them and burned them, Lisa fired gears at them, Lily fired water at them, and even Lincoln fired blasts of lightning at the jerks and they got electrocuted. We even joined in as well as we shattered their eardrums and made them deaf for months. Then, the cops came and cuffed the jerks and sent them back to prison and the nuthouse, and the audience roared in cheers and applause.

We cheered wildly.

Me: I remembered that performance all too well.

Nico: Same here, and those jerks had it coming.

Lincoln: You got that right, but you girls will be happy to know Scoots is gone for good, she was sent to The Black Gates for her crimes.

Delia Bagupaipu: (Japanese Accent) About time, I really hated that crazy, scooter-driving, trouble-causing, heckling old goat so much for what she's done.

We got a shower afterwards, and then, Lincoln, Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in the brand-new large orange speedo The Musiqidandi Sisters made for him which merged with the speedos, and it'd turned into a brand-new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Fasha: Wow, so you chose Dolphin Shoals for our first date, Lincoln.

Lincoln: That's right, Fasha, and it's perfect before tomorrow's mission with the Dinotrux. Shall we?

Lincoln, Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole, and they hugged the girls in their abnormally massive and powerful muscular arms, and Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Me: (Snickers) Looks like someone really enjoyed his beach date at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It was so awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fasha, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Bardock: I might've guessed you had feelings for Lincoln, Fasha, and we're very proud of you.

Fasha: Thanks, boss.

Lori: And we literally trashed Flip for what he did in sending those thugs to hurt you, Nejire Hado, Sirius, Kaoroku Awata A.K.A. Bubble Girl, Splash Woman, Vesper Woman, Quake Woman, and Kole.

Lincoln: Tell me the Tenshi no Ongaku Gang also had their fun in trashing that cheapskate.

Luna: They sure did, dude, and they made his ears bleed badly, and Lynn did a Dutch Oven on Flip again, so he'll be smelling even worse than ever, thanks to her.

Lincoln: Might've known Lynn would do that again.

Nico: Her Dutch Ovens are literally that lethal, P.U.!

Luna: We always stayed back whenever she farted again, Nico, 'cause her gas was lethal!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Gabriel Pacheco of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Gabriel Pacheco of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Daniela Abanc: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Gabriel Pacheco for good, excellent. Plus, we ruined his chance for revenge on us today.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go hunt down Gabriel Pacheco.

Lincoln: You're not getting away with what you did, Gabriel Pacheco, today you die.

Daniela Abanc: (Spanish Accent) You better say your prayers, Gabriel Pacheco, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation.

Maria Garcia: (Spanish Accent) Before our big mission with the Dinotrux tomorrow, you will be lying dead in a pool of your own blood.

Lincoln put up a rainbow energy magic field around The World Tree Estate, and we left to hunt down Gabriel Pacheco.

We arrived at the park to hunt down our target: Gabriel Pacheco of The Order of Nuestra Señora de la Santa Muerte.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Gabriel Pacheco.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Rubén Parra, the next member of The Order of Nuestra Señora de la Santa Muerte.

Daniela Abanc: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Gabriel Pacheco: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Daniela Abanc's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Abanc-themed greatsword from her back, and as she approached Gabriel Pacheco, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Daniela Abanc: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Gabriel Pacheco. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Abanc and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Daniela Abanc was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Abanc flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Daniela Abanc emerged, but she was changed forever.

Daniela Abanc grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Abanc emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Abanc with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Daniela Abanc felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Daniela Abanc has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Daniela Abanc's massive Fabled Valkyrus-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Abanc's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Abanc etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Abanc's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound

Daniela Abanc has transformed into SUPER ANGEL-THE FABLED ABANC-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED ABANC ANGEL OF DIVINE DARK FABLED ABANC IMP JUSTICE AND DIVINE FABLED ABANC IMP LOVE!

We were amazed by Daniela Abanc's Super Angel-The Fabled Abanc-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gabriel Pacheco saw it, he went insane and he got out his sacrificial knife to stab her, but Daniela Abanc fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Gabriel Pacheco, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Daniela's transformed.

Lincoln: Yeah, and she really sent Gabriel Pacheco back with that energy blast she fired and that really pissed him off now, and Daniela, you look beautiful, how do you feel?

Daniela Abanc: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Abanc and Divine Darkness Light Fabled Abanc Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Gabriel Pacheco once and for all?

Lincoln: (Smiles) With pleasure, Daniela.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Daniela Abanc.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Gabriel Pacheco, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Daniela Abanc and Lincoln went after Gabriel Pacheco, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gabriel Pacheco and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Daniela Abanc sent her three imps and Lincoln summoned his own imps and they sent them at Gabriel Pacheco, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes, and he sent the Dark Orb that Gabriel Pacheco had in his pocket to The Warp.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal. Plus, he sent the Dark Orb he had to The Warp.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Daniela Abanc, her hand-cannon Blaster is known as The Fabled Abanc's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Abanc surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Daniela Abanc aimed their hand-cannon blasters at Gabriel

Pacheco.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Gabriel Pacheco!

Daniela Abanc and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Gabriel Pacheco and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Gabriel Pacheco and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Gabriel Pacheco and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Daniela Abanc and Lincoln gave Gabriel Pacheco The Black Gates for good. We cheered as Daniela Abanc and Lincoln holstered their massive greatswords on their backs and powered down, and Daniela Abanc's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Daniela Abanc: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Gabriel Pacheco for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Daniela.

Suddenly, Daniela Abanc wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Daniela Abanc's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Abanc flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Daniela Abanc absorbed the light and they came back to us as the display and The Fabled Abanc vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Gabriel Pacheco's death, now there are only elven members of The Order of Nuestra Señora de la Santa Muerte.

Daniela Abanc: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow after Matt Olsen's big mission is Carlos Mora, which means it'll be the turn of Matt Olsen and Carina Catsith.

Carina Catsith: (Spanish Accent) That's right.

Matt Olsen: We'll put an end to D-Structs once and for all, and make him pay.

Me: You said it, and those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Theremind, Bonkers, Poppette, Yuggler, Tapricorn, Rooba, Periscorp, and Gloptic.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Yuánsùquán Sisters: Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán.

Lincoln: My Guardian Angels from China, and they also hate the jerks and Killjoy Huggins with a blazing passion.

Nico: Oh boy, I hate to find out what that killjoy did to earn their hatred.

Lincoln: Trust me, you'll wish he was begging for mercy when you all hear the tale tomorrow.

---

Later it was time for Cassidy's second mission.

Qin: Now that Masato is gone we're going to be battling Orphnach's uncontested.

Nico: We sure are.

Me: Yep.

William: Anyone else want to go with Cassidy? Besides Cheese and Nosferata?

Lincoln: Me and my siblings will go.

Me: Awesome Lincoln.

Camie: Cool!

Xenia: Yeah!

Me: And I know the Guardians will go too.

Will Vandom: We sure will.

Nico: Awesome. Lets head out.

We were off to Japan.

---

TOKYO, JAPAN

---

We arrived.

Me: Here we are.

We landed.

Takumi: Hey guys!

Kiba: Awesome you made it.

Me: Yep.

Cassidy: Guys, meet my archenemy

Nosferata: Awesome to meet you guys. I'm Nosferata, and I'm originally one of Batman's enemies.

Takumi: Pleasure to meet you.

Me: And these are the Loud Siblings.

Lincoln: Awesome to meet you guys. My name is Lincoln Loud.

Lori: I'm Loud and I'm the Eldest.

Leni: I'm Leni Loud.

Luna: Sup dudes. I'm Luna Loud.

Luan: Hey there I'm Luan.

Lynn: I'm Lynn Jr.

Linka: I'm Linka Loud.

Liberty: I'm Liberty Loud.

Lyra: I'm Lyra Loud.

Lee: Lee Loud is my name.

Lucy Loud: I'm Lucy Loud.

Laney: My name is Laney.

Lana: I'm Lana Loud.

Lola: I'm Lola Loud.

Lisa Loud: Greetings. I'm Lisa Loud.

Lily: And my name is Lily Loud.

Takumi: Wow! That is a lot of kids.

Me: I know and yes their mom and dad all thought it was cute if their names all started with the letter L.

Eli: Yep.

Me: (Whispers to Takumi) They came from a family that doesn't believe in condoms.

Takumi snickered on that.

Takumi: With Masato gone, we can focus on fighting the Orphnachs.

Me: Yes we sure can. And now we can answer your question on what Universe 666 is.

Mari: I was wondering about that.

Me: Well last year in November I got a horrible dream about an evil version of Team Loud Phoenix Storm called Team Loud Evil Storm and they were us that were evil. They come from a universe we called Universe 666.

Nico: It's like this. The villains are the good guys and we are the bad guys.

Eli: Yeah it was freaky.

Mari: Oh man!

Me: Yeah.

I went over what happened when we went into battle with them on December 2nd and it was incredible and scary and amazing.

When I was finished they were shocked.

Nico: In fact, that version of Masato was that version of Luthor's most trusted friends.

Me: That's right. Universe 666's version of Masato is good where as the Prime Universe version was evil.

Mari: Boy what a flip.

Cassidy: Yeah that was a crazy adventure.

Me: It sure was. In fact many of our most dangerous enemies that we destroyed in the prime universe are good in Universe 666 and they are now in the Masters of Evil.

Laney: That was a scary adventure too. And just recently we met and helped the Universe 666 versions of me, Luna, Leni, Lana, Lily and Lincoln.

Me: Yep and they are now in the Redemption Squad.

Takumi: Wow that is amazing.

Cassidy: No kidding there.

Nico: Yeah that was crazy and it's the reason why I have a contingency plan for me in case.

Mari: What is it?

Me: Here.

X-RAY MAGISWORD!

I showed the little bomb Nico put inside him.

Me: That little bomb is a dark orb nuke bomb that will explode should Nico think about turning into Evil Nico.

Nico: Yep.

Me: But it's a remote detonated bomb.

Cheese: I like chocolate milk.

Mari: You like Chocolate milk?

Me: Oh sorry that is Cheese. He's an Imaginary Friend that we know. But also he is a total idiot. He has a brain the size of an amoeba and he makes a great annoyance tool for some of our most hated enemies.

Mari: I see.

Nico: Yeah but he does all kinds of awesome and funny things.

Lola: It's true. He drives our enemies bonkers.

Takumi: Here's some chocolate milk.

Nico: That's not a good idea.

Cheese drank the milk and immediate spat it out at Takumi.

Cheese: No! Chocolate milk!

Takumi: That's what I gave you.

Me: He's lactose intolerant.

I gave him a box of apple juice.

Cheese: I LIKE CHOCOLATE MILK!

He sucked it down.

Me: See?

Takumi: Oh I get it.

Me: Sorry it's his way of communication. But he is funny.

Nico: That's what Mac does.

Me: Yeah.

Halinor: Yeah.

Mari: But what else have you found out about Universe 666's versions of you guys?

Me: A lot of crazy things.

Nico: We found out that my evil self cheated on May.

Eli: Yeah no kidding. And their version of Flip sacrificed himself and took the Universe 666 version of the Trinity of Violence with them.

Takumi: Whoa! Trinity of Violence?

Me: It's what Lana called Lori, Lynn and Lola. Like a Triangle of Madness.

Lori: It's literally what we are known as because of how we have rotten tempers and all that.

Lynn: Yeah it's not good.

Lola: Yeah and we had to learn lots of things the hard way.

Mari: Oh I get it.

Me: Yeah it was like going into a mirror universe when we faced them. Also they killed that universes version of me.

Takumi: WHAT!? Why!?

Me: So evil Nico can take over.

Eli: Yeah it was crazy.

Kadma: It sure was.

Takumi: Jeez!

Me: I was horrified about that.

Nico: But has their been any trouble since the last visit?

Takumi: Actually yes the Rose Orphnach is causing problems.

Me: Kyoji Murakami the Rose Orphnach!? I remember him. He was dangerous.

Nico: Yeah he sure was.

Eli: No kidding.

Yan Lin: We're not going to let him get away.

Megan McCallister: No we sure aren't.

Me: Also I remember Syuji that he was the Delta rider before you.

Syuji: That's right.

Me: But he was evil.

Kiba: Yeah he sure was.

Me: Thank goodness he's not our primary target when we come and help you guys on March 19th.

Cassidy: Thank goodness.

Takumi: Cassidy, how would you like to be a Rider for my team?

Cassidy: I would be honored.

Me: But it doesn't work on people that don't have Orphnach powers.

Nico: Don't worry about that. I had Brittney come over and help use her magic and make the Faiz Rider powers safe for everyone with or without Orphnach powers.

Me: Wow! Remind me to thank Brittney for that.

Nico: Noted.

Nico: Where was he spotted?

Takumi: He was spotted in the ruins of the Smart Brain building 2 hours ago,

Me: I had a feeling they were still here. Also there's something you should know guys. Years ago before I built the team, my final mission before I moved to Michigan was given to me by the C.I.A.

I pulled out a file and they read it and it was called Operation: SMART BRAIN SEIZURE. It was for destroying Smart Brain.

Me: I was given this mission specifically by the C.I.A. Themselves to destroy Smart Brain and bring them down. I destroyed the entire building and everything it had.

Nico: Whoa man! That was you J.D.?

Me: Yep. I didn't tell you guys because I was sworn to secrecy.

Eli: Incredible!

Nico: No one's lived in that building for a long time.

Me: I did that mission 7 and a half years ago.

Nerissa: Wow!

Takumi: Thank goodness it was right after I had my adventures.

Me: Your adventures were almost 20 years ago. But yeah that's true.

Cassidy: But I'm glad that building is destroyed.

Me: Lets see what it says about Kyuji's history.

I pulled up his info.

---

Kyoji Murakami, secretly the Rose Orphnoch, is the head of Smart Brain and the main antagonist of Kamen Rider 555. He seized control of Smart Brain from Hanagata and seeks to use the company as a front to forcibly convert humanity into Orphnochs.

He was portrayed by Katsuyuki Murai.

Murakami seized control of Smart Brain after Eiichi Toda's death, enlisting Lucky Clover to carry out his plans and eliminate any rogue Orphnochs. However, Hanagata retakes Smart Brain and ousts Murakami from the company, giving control to Yuji Kiba.

Murakami soon learns that Teruo Suzuki is the host of the Orphnoch King. Murakami attempted to abduct Teruo, causing him to come into conflict with the Riders. Injured and barely escaping their attacks, Murakami sacrifices his life to Teruo in order to awaken the Arch Orphnoch, correcting its genetic instability.

Kamen Rider 555: Lost World

In the alternate conclusion shown in the SIC Hero Saga, Kamen Rider 555: Lost World, Murakami hatches a plan to turn the whole Earth populations into Orphnochs by dispersing the blue-colored flower petals. He also created the Riotrooper V2 Gear which he used in combat. Armed with the Faiz Edge, he battles Delta and Kaixa. Both of them smash his helmet, revealing the face of Rose Orphnoch. When Kaixa and Delta cannot stand up to the Riotrooper V2, they run away with Mari. But then Kusaka grabs Mihara and tosses him back at Murakami, saying that he deserves it for daring to send roses to his beloved woman. Mihara screams that it is a misunderstanding, and for Kusaka to help him, but Kusaka just sneers and a blue petal lands on his outstretched hand, turning him to ash.

Faiz arrives on the scene and runs into Murakami, now in Rose Orphenoch form as the Riotrooper V2 Gear was badly damaged. Murakami uses Delta's mission memory to power up a Faiz Edge he had and they fight a bit. Mari then shows up and tosses Faiz the Faiz Blaster. Murakami curses her; He was hanging around the area because he was looking for it. Faiz assumes Blaster Form, and use the Photon Field Floater to cut off Murakami's head, and goes home.

Murakami's head is rolling about when the Lion Orphnoch picks it up. Murakami asks him to bring him back to the Smart Brain headquarters, and to recover Delta's belt at the same time; they will be using it to make the "Emperor's Belts". The Lion Orphnoch, seemingly a foreigner, speaking in broken Japanese, says that he will do so on the condition that he gets one of the belts; Murakami promises him the belt of the sky, the Psyga Driver.

Kamen Rider 555: Paradise Lost

Kyoji appears as the central antagonist of the movie, now a head being kept alive in a tank. He had Leo aka Kamen Rider Psyga lead an attack on the human refugee settlement "Paradise" to demonstrate the power of the first Emperor's Belt, the Psyga Gear. While trying to find an ideal user for the second Emperor Belt, he realized that Yuji Kiba is the perfect Orphnoch for this and has Smart Lady to disguise herself as Mari in order to turn him against humanity.

With Kiba was proven equally matched with Kamen Rider Faiz Blaster Form, Murakami unleashes Elasmotherium Orphnoch to finish Faiz off but but it fails when Orga sacrifices himself to protect Faiz and Mari.

His head was later smashed by Smart Lady under orders from the Wirepullers of Smart Brain for his failure to defeat Faiz, dying with a loud scream.

---

When I was done everyone was shocked.

Me: Oh man! So he was after the Psyga Belt. I hope that's not the objective for when we go after our main target.

Cassidy: Me too.

Mari: No that would not be good.

Eli: No. (Concentrates) Found him. He's over in an abandoned warehouse.

Nico: Let's go after him!

Me: Lets go!

We went to the warehouse.

---

In the Abandoned Warehouse we saw him and we went over to him.

Nico: Hold it right there!

Me: (Speaking in Japanese) 村上恭司さん、久しぶりにお会いしました。(Kyoji Murakami, it's been a long time since we last saw each other.)

Kyoji: (Speaking in Japanese) 私はあなたを知っていますか？(Do I know you?)

Me: おそらく、これはあなたの記憶を揺さぶるでしょう。スマートブレイン機構の崩壊を覚えていますか？それはすべて私が引き起こしたものです。7年前、私は中央情報局から、その痕跡を残さないようにする任務を与えられました。私は成功し、何も残っていないことを確認しました。(Perhaps this will jog your memory. You remember the destruction of the Smart Brain Organization? That was all caused by me. 7 years ago I was given the task by the Central Intelligence Agency to do so and make sure that no traces of it remain at all. I succeeded and made sure none of it remains.)

Kyoji: それはあなたでした!?スマートブレインを破壊した!? (That was you!? You destroyed Smart Brain!?)

Me: それは正しい！スマートブレインの計画は全人類を一掃するものであり、私はそれを許すことはできません。あなたがすることは人類全体の絶滅につながり、それは私が決して起こらないことです.あなたとスマートブレインのすべてが行ったことは、まったく無意味で許されません。利己的で殺人的な野心の名の下にあなたがしたことすべてを逃れることは決して許しません。お前のせいで何百人も死んだ！(That's right! Smart Brain's plans were going to wipe out all of humanity and I cannot allow that to happen. What you will do will result in the extinction of the entire human race and that is something that I will never allow to happen. What you and all of Smart Brain have done is absolutely senseless and unforgivable. I will never allow you to get away with everything you have done in the name of your own selfish and murderous ambitions. Because of you hundreds of people have died!)

Kyoji laughed insanely!

Kyoji: 私はあなたがどう思うかフライング ファックを与えるように！人類全体が破壊され、すべての人間がオーフナックに取って代わられることを確認します! (Like I give a flying fuck what you think! I WILL MAKE SURE THE ENTIRE HUMAN RACE IS DESTROYED AND ALL HUMANS ARE REPLACED BY ORPHNACHS!)

Me: あなたは非常識だ ！今こそ世界から孤児を１人減らす時です! マサトを殺した時みたいに！あんたのクソ野郎を永遠にブラックゲートに送ってやる！(YOU'RE FUCKING INSANE! Now it's time for the world to be rid of one less Orphnach! Just like when I killed Masato! I'm sending your fucking ass to the Black Gates forever!)

Nico: You will never kill anymore people! (GOES SUPER SAIYAN!)

Eli: That's right! (GOES SUPER HUMAN 3)

Takumi: WHOA!

Will: Lets do it! GUARDIANS UNITE!

In a flash of light we transformed into our guardian forms!

Will Vandom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee Cook: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

Phoebe Vandom: (INTENSE ENERGY SURGES) LIGHT OF THE HEART!

Hayley Lair: (INTENSE WATER SPLASHES) LIGHT OF THE HEART!

Emma Cook: (INTENSE FIRE BURNS) LIGHT OF FIRE!

Nicole Hale: (INTENSE VINES GROW) LIGHT OF EARTH!

Xenia Lin: (INTENSE WIND BLOWS) LIGHT OF AIR!

The guardians were ready!

Takumi: WHOA! That is cool!

Eli: Yeah it is!

Cassidy: Lets do it!

She pressed a number on her Faiz Phone.

STANDING BY!

Cassidy: Henshin!

She transformed and turned into a blue version of Faix and had a blue scythe and had blue angel wings! She turned into KAMEN RIDER MERMA!

Me: WHOA! Cassidy you look awesome!

Laney: Cool! Kamen Rider Mersa! I like it!

Nico: Awesome!

Cassidy: Wow! I look great!

Me: YEAH!

Kiba puts on his belt complete with his gun, and pulls out his phone from earlier and enters the code 9-1-3 onto the keypad before swiveling the phone shut.

Kaixa Phone: Standing By.

Kiba: (As he places the phone into the belt, but not enough to activate it) Henshin!

With his battle cry known, Kiba slams the phone down into the belt, initiating the transformation

Kaixa Phone: Complete.

As Kiba initiates the transformation, golden lines of energy form across his body, consolidating into a gold and black suit with violet eyes crossed by an x-like design. With the suit formed, Kiba slides the emblem on his phone that resembles his head off of it, revealing it to be a sort of key-like device. Kiba then removes the x-looking gun from his belt and places the key into one of the arms, causing a yellow light blade to emerge from the bottom of it.

Kaixa Blaygun: Ready.

Nico: AWESOME! It looks much better on you than the Prime Universe version of Masato.

Kiba: I agree there too.

Nico: Yep.

Kyoji turned into the ROSE ORPHNACH!

Me: You are one UGLY motherfucker!

Eli: Yeah!

I teleported and kicked him in the face and punched and smashed him down and kicked him in the face and grabbed him and smashed him down.

Takumi: That was stinky!

Me: No fucking shit.

I fired waves of lightning and it hit the Rose Orphnach and blasted him down.

Nico: Darn shame the Orphnachs don't explode into fiery explosions like many of the Power Rangers enemies.

Me: No kidding. That is always epic.

Lori: It literally is.

Rose Orphnach got up and laughed crazily!

Me: You think this is a game!? It's not! The Smart Brain is treating life like it's nothing but a disposable commodity.

Nico: That's right!

Nosferata charged at Rose Orphnach.

She then kicked him with a massive and devastating barrage of kicks and smashed him in his face with a powerful kick and knocked him down.

Me: Had enough?

Nico: Yeah! Had enough to let the Real Kyoji rest in peace?

Takumi grabbed Rose Orphnach and as a car was passing by, he made it hit his head.

SMASH!

Nico: Whoa! Nice one!

Me: Wait! Something is wrong!

He reverted back and then we saw TAKUMI TRANSFORM INTO THE WOLF ORPHNACH!

We gasped in utter shock!

Me: WHOA!

Eli: WHOA MAN!

Me: WHOA! So that's his Wolf Orphnach Form! I remember seeing that and it was ugly and horrifying!

Nico immediately pressed a button on a remote and Takumi reverted back.

Nico: This is my contingency for Takumi. I put nanites in him that will revert him back to his human form if needed. This probably won't be the last time I'll need to use this.

Me: Whoa! That is pure genius Nico!

Lisa Loud: Indeed. And who do you think it was that invented those nanites?

Lola: Lisa did.

Me: Boy you two really came through.

Eli: I'll say.

Me: Takumi are you okay?

Takumi: I'll be fine. Sorry about that, guys!

Me: No worries. But we'll have to think of something to get that Orphnach self out of you.

Lynn: Yeah. But here's this.

SHIV MAGISWORD!

She slashed Rose Orphnach and slashed him all over the place.

Cassidy slashed Rose Orphnach all over.

Nico: Don't worry. We'll come up with something.

Takumi: Thanks guys.

Me: No problem. Time for some Kaiju power.

KING GHIDORAH 1964 MAGISWORD!

It was a Magisword that had a blade that looked like the three heads of King Ghidorah from 1964.

Nico: COOL! I didn't know King Ghidorah from 1964 was in the M.O.E.

Me: Vypra decided to give some of Godzilla's enemies a chance.

Nico: Neat!

I fired waves of gravity lightning and they hit Rose Orphnach and exploded all over!

KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOMMM!
KRABBBBBBBOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOMM!
KRABBBBBBOOOOOOOOOOOMMMM!

Nico: WHOA! That is powerful!

Lily: No kidding!

Nico: Let's keep it up!

Me: Like you even have to ask!

I fired waves of lightning and electrocuted Rose Orphnach all over!

Nico and Eli fired blasts of energy and blasted him all over.

Halinor and Taranee and Emma fired waves of intense fire and burned him.

Nico poured gasoline on him.

Lola: Fire in the hole!

FIREFLY MAGISWORD!

It looked like a fire sword with Firefly's helmet on it.

She fired blasts of fire and they hit Rose Orphnach and he exploded into intense flames and he screamed in agony!

Nico: NOICE!

Me: Now he knows how those jerkwads felt when they committed suicide seeing Meg. Sorry to bring that up.

Nico: Why can't he do that right here?!

Me: Now where would the fun in that be Nico?

Lincoln: Yeah monsters like him would never take the easy way out.

Nico: Hmm. You're right.

Me: Lets take this guy down!

Eli: YEAH!

The riders hooked up their weapons.

EXCEED CHARGE!

They formed laser cones and blasted him through.

Me: KAAAA MEEEE HAAAA MEEE HAAAAA!

I fired a Kamehameha wave and it hit Rose Orphnach and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was obliterated and banished to the black gates forever!

Nico: YEAH! Rose Orphnach you have failed this city!

Me: That's telling him!

Nico: I got a leotard for the next Gene Slammer.

Me: And I think it's here.

Nico: Where?

I pointed and on my head there was a Misdreavous.

Nico: A Misdreavous.

Eli: Oh wow.

Misdreavous: (In a girls voice) (British Accent) I saw your battle guys and it was great.

Nico: Valeria McGonagall!? WHOA!

Me: Wait are you related to…

Misdreavous: That's right. Professor Minerva McGonagall is my mother.

Me: That's cool! First we encountered Professor Dumbledore's daughter Colleen and now you Valeria.

Lincoln: That is so cool!

Me: Yeah! She'll be happy to see you.

Misdreavous: She sure will.

Takumi: What's your favorite memory of Nico?

Me: You're catching on Takumi. Well done.

Misdreavous: My favorite memory is when me and Nico did a silly prank on a bully and we used my own Pollyjuice Potion on him and turned him into a girl and he was completely humiliated.

We laughed at that one!

Me: (LAUGHS) That was funny!

Luan: Boy that was awesome!

Nico: Yeah! It sure was.

Me: Did you go to Hogwarts too?

Misdreavous: I sure did and it was cool.

Me: Hogwarts is amazing. And Voldemort and his followers are now a forgotten memory.

Misdreavous: Good riddance.

Nico: Here's a leotard for you.

It was a purple one.

Misdreavous: Oh thank you.

I put her on the ground and put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she reverted back and she was a girl with purple hair and purple eyes and she was back to normal and put on the leotard and she got up.

Valeria McGonagall: (Groans) That was a rush. But it's good to be back to normal.

Me: Yeah. Oh what kind of wand did you use?

Valeria McGonagall: Oh I'm one of those wizards that doesn't need a wand and I use my hands.

Me: Wow! That's awesome.

Nico: Yep.

Nico and Valeria hugged.

Nico: I've really missed you.

Valeria McGonagall: Me too Nico. Me too.

---

Later we went back home and we arrived.

May: Hey guys. How did it go?

Me: Epic!

Cassidy: We took down one of the leaders of Smart Brain.

We told everyone everything and it was awesome!

May: WHOA! That is awesome!

William: That is cool that Cassidy is now a Faiz Rider.

Nico: It sure is.

Lincoln: It was awesome!

Qin: Wow!

May: Next time, Akira and Mack should go with you.

Me: Good idea!

Nico: Yeah!

Cassidy: I like it!

Camie: Yeah!

---

Later in the jungle greenhouse we have at the estate, we were having an awesome jungle rescue.

Maria: What are we doing here again?

Me: Its been a while since we were in our jungle greenhouse.

Fluttershy: But it's amazing in here.

Xenia: It sure is. Wow. It looks like we're in the Amazon.

Camie: It sure feels like it.

Me: Anyway we're here because a mysterious creature is kidnapping people.

Qin: What kind of creature?

Me: No idea. But it has something to do with a Polynesian Legend of some kind.

Nico: Hmm.

Me: It's emitting a strange and powerful form of supernatural energy. No idea what it is.

Nico: Be on guard, guys.

We heard a scream and went and followed it and then we saw a horrible looking tree monster! I gasped at what it was and it was THE BARANGA, FROM THE 1957 MOVIE FROM HELL IT CAME!

---

The Tabanga, formerly Kimo, is the main antagonist of the 1957 sci-fi horror film From Hell It Came. Once a prince from an island in the South Seas, he returns back to life as an undead demonic tree via radiation to seek vengeance upon the ones responsible for his death.

He was portrayed by the late Gregg Palmer as Kimo, and the late Chester Hayes as the Tabanga.

Kimo was the prince of an island within the Pacific Ocean currently suffering from a plague outbreak due to nuclear fallout from atomic bomb testing on a nearby atoll. His father, the island chief, was murdered by witch doctor Tano and Maranka in the latter's plan to become the next chief, poisoning the medicine provided by scientists stationed on the island and framing it on Kimo, resulting in his execution. Kimo swears to return from Hell to make Kimo, Tano, and his wife Korey (who denied his innocence) pay for his death before he is killed by a dagger to the heart. After the natives perform a ritual dance, Kimo's body was then buried within a hollow tree trunk.

Later, Dr. William Arnold, Dr. Terry Mason, and Professor Clark discover Kimo's grave, where a stump has grown over it. They are confused how a tree stump can be growing without the rest of the trunk. Norgu, a native who was having his wife Dori treated by the doctors, tells them of a legend about an island chief who was killed and revived as a tree monster called a Tabanga. Detecting both radiation and a pulse, they uproot the stump, discovering it looks very humanoid. Taking the stump to their laboratory, the pulse is starting to get weaker, where Terry gives it an IV of Formula 447. Since the effect takes action slowly, they call it a night and decide to check on it in the morning. At the break of dawn, the three discover the stump is gone and the lab is in ruins.

Now free, the Tabanga, really the revived Kimo, begins his quest to get revenge on the ones who wronged him. He is first slowly stalking Korey, who was fighting Naomi, Tano's girlfriend, as she betrayed Kimo to be with Tano and yet he wasn't interested in her. Naomi ends up pushing Korey into the arms of the Tabanga, with Naomi quickly fleeing to warn the village. The Tabanga then throws Korey into a nearby bog, silently watching her thrash and beckon for help before drowning in quicksand.

After being warned by Naomi about the Tabanga, Maranka sharpens his spear before the beast appears. Maranka misses tossing his spear and is strangled. Tano then leads the natives to kill the Tabanga themselves. They lure him into a pit which they then burn. But the Tabanga escapes from the pit and resumes chase on Tano, eventually cornering him on a steep hill before pushing him down, where he is impaled on a sharp tree branch.

Once they discover that their "patient" was behind the murders, the scientists decide to confront the Tabanga themselves. While stopping to remove something in her shoe, Terry comes across the

Tabanga, which abducts her. William, Clark, and Eddie soon locate the Tabanga, preparing to throw her into the quicksand. They shoot at him with their guns, but all of their bullets bounce off of him. It's not until one of the bullets hits the dagger still protruding Tabanga's chest, sending it further into his heart. This kills the Tabanga for good, with his body falling into the quicksand.

---

Me: Oh man! That's the Baranga!

Nico: From the 1957 movie From Hell It Came! I watched that movie with my father ages ago!

Eli: That is a scary one!

We saw that it had a woman in its branches! It was a woman dressed in a Polynesian outfit and she had black hair and blue eyes and had a blue skirt and sleeveless shirt.

Hunter: (German Accent) Mein gott! That's Anahera Palakiko! She's mein friend from Tahiti and she is believed to be the avatar of Te Fiti und she has amazing nature powers und knows Wood, Flower, Rainbow and Leaf Style Jutsu.

Naruto: Whoa!

Me: We got to save her!

Nico: Lets go!

We went at it.

Me: Hey you overgrown sack of mulch!

I fired a blast of lightning and it hit its back and exploded!

Nico: Spiderman, web her to safety!

Spiderman: You got it!

He webslinged and grabbed her and Hunter caught her.

Hunter: Anahera! Are you all right?

Anahera: (Tahitian Accent) Hunter? Oh Hunter!

She hugged him.

Me: I remember in the movie that we have to send that knife throw its heart and kill it!

Nico: Right!

Eli fired a blast of energy and it hit the knife and went all the way through and the creature fell dead and went down through a crack in the floor and fell threw the tree and it fell to the surface and burned up upon entry and was obliterated when it hit the surface of the planet.

Me: WHOA!

Lincoln: We got to get that crack fixed.

Nico: Noted.

Me: I got this.

I went and fixed it and patched up the crack with my powers.

Nico: There.

Qin: Good.

Me: Wow that was a long way down.

Xenia: It sure was.

Nico: Where's the next Gene Slammer?

Wobbuffet: Wobbuffet! (Sees something) Wobbuffet!

It pointed to something and we saw 2 more Wobbuffet!

Me: Whoa! We have 3 Wobbuffet now!

Lola: WHOA!

Nico: Wow!

Wobbuffet 1: (In a girls voice) Sorry about the mixup.

Nico: Erin Wobbuffet!? Whoa!

Qin: Wow! The Wobbuffet Queen is here!

She reverted back and was a girl with Aqua Blue Hair and blue clothes.

Erin Wobbuffet: That's right. And it's awesome to see you again Nico and Qin.

Wobbuffet 2: Awesome to see you all as well.

Nico: Boy awesome to see you guys too.

May: That is awesome.

Jessie (Pokemon): Boy it looks like my Wobbuffet has a friend.

Me: 2 friends actually.

Wobbuffet: Wobbuffet!

Erin Wobbuffet: Your Wobbuffet has a lot of praise for that.

Maria: What's your favorite memory of Nico?

Erin Wobbuffet: I have a lot of them. But my favorite is when me and Nico went after a bunch of drug lords and we beat them at their own game by using their own crimes against them with my psychic power.

Nico: Yep.

Me: That is cool!

Qin: Boy I'll say!

Nico and Erin hugged.

Nico: I've really missed you.

Erin Wobbuffet: Me too Nico and my Wobbuffet did too.

Erin's Wobbuffet: You got that right.

Maria: Nico, which teams have you made this time?

Nico: Zhuqiaomon's team will include Katara, Violet Remmington, Neferteri Salah, Nicole Hernandez, and Laney Sonnya Romanov. Ebonwumon's team will include Crimson Comet, Ayaka Laurence, Nerissa, Dharc the Dark Charmer, and Monster Flame Kirby.

Qin: Cool ideas!

Lola: Yeah it sure is!

Nico: Yep.

Nerissa: But it's an honor to be part of a team.

Laney Sonnya Romanov: (Russian Accent) It sure is comrades.

Nefertiti Salah: This will be amazing guys.

Nicole Hernandez: I'm looking forward to this one.

Dharc: Same here.

May: And which Gene Slammers do you think you'll meet next?

Nico: Girafarig and Forretress next.

Qin: Cool!

Me: Awesome choices.

Lola: Yeah this will be cool.

Me: It sure will.

Eli: Yeah!

Nico: Now, how shall we spend our free day?

Me: I know how! I got us VIP Passes to the awesome Auto Show at the convention center.

Nico: That's awesome!

Lola: Yeah!

Lana: Cool! I love the Auto Show!

Nico: Neat! Then lets go!

We arrived.

William: Here we are!

We arrived at the Auto Show.

Me: Wow! Look at the awesome cars.

Nico: Wow! So many of them. And they are all cars of the future and the past.

Xenia: Cool!

Me: Perfect way to do the calm before the Dinotrux mission.

Poliwag: Can we go in one of the cars?

Me: Just don't drive it guys.

Poliwag: Okay.

They got in an awesome Cadillac SUV.

Me: Wow look at this one.

I saw the price.

Me: Whoa! $99,217.00?

Qin: That's a lot.

Me: Boy it sure is a nice car.

Qin: I'll say.

Nico: Can we buy one of these?

Me: We sure can.

Nico: YEAH!

Qin: YEAH!

Nico: Even though we have lots of cars back home it can't hurt to add more.

Maria: (to the Loud Kids) You guys see anything you like?

Lincoln: Look here.

We saw an orange Lamborghini Urus.

Me: The new Lamborghini Urus. Wow! $230,000.

Nico: Wow! That is spiffy!

Lincoln: It sure is.

Me: Lots of really awesome cars.

Qin: No kidding! Look at this one.

We saw The Homer car! (Season 2 Episode 15)

Me: Whoa that's The Homer.

Homer: Hey it's the car I made.

Qin: That is awesome Homer.

Nico: You okay with how it's named?

Homer: I sure am. Named it after me.

Qin: That is cool Homer.

Lola: Yeah.

Lisa Simpson: This is also the car that shut down our Uncle Herb's company.

Me: And with a ridiculous price tag too. $80,823.00.

Qin: Jeez. But I think it's cool.

Nico: Wanna bring it with us?

Qin: I sure do. And if they have a problem with how ridiculous it looks or how expensive it is then they can go jump off a cliff.

Homer: You tell them Qin! WOOHOO!

Nico: Yeah!

Homer: Also Herb will be so happy to hear that you bought one of his cars.

Nico: We got to find him and tell him one of these days. I heard he is living under a bridge now.

Homer: Yeah. Poor guy.

Nico: I don't care what he thinks of you at the moment. We should at least try to make things right with him.

Me: Yeah we should at least show people that they do like your car.

Nico: Good idea.

Homer: Yeah. Thanks guys.

Me: You're welcome.

We later got lots of cars.

Me: Boy we're gonna have a lot of awesome cars.

Nico: Yep. Lets get ready guys. We got a big day for Matt tomorrow.

We went back home and got some sleep.

Meanwhile in the world of Dinotrux, in Dinotrux City as they call it, Ty and friends are getting ready for our arrival to help out.

Ty: Boy I'm so excited for Team Loud Phoenix Storm to come.

Garby: Boy you bet I am. I'm so excited I could…

LOUD FART TOOT!

Skya: Garby!

Garby: Sorry guys!

Dozer: Boy I'm excited too.

Ton Ton: This is gonna be so awesome and fun.

Ty: You bet it will be. Lets TRUX it up!

The next match-up in this saga is Matt Olsen, Carina Catsith - Gene-Slammer of The Fabled Catsith and Lincoln VS Carlos Mora

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Guanajuato, Mexico, and Lincoln and his group are going to destroy a dangerous creature from Mexican legend known as El Cadejo, translated into English: The Dog with Red Eyes, an evil wooly black dog with fiery red eyes and goat hooves said to cling to men who lived a life of excess and they're even said to hang around those men who've committed truly evil deeds, and even more important, there are thirty of these demon dogs, and these creatures are said to hang around the thirty members of The Order of Nuestra Señora and they are their servants, so we're going to destroy them and really piss Antonio Maldonado and the remaining members off. And we're going to meet Gene-Slammers for Theremind, Bonkers, Poppette, Yuggler, Tapricorn, Rooba, Periscorp, and Gloptic, their names are

Ai Yuánsùquán, the Theremind Gene-Slammer

Meng Yao Yuánsùquán, the Poppette Gene-Slammer

Xin Yan Yuánsùquán, the Yuggler Gene-Slammer

Yu Ming Yuánsùquán, the Tapricorn Gene-Slammer

Bao Yuánsùquán, the Rooba Gene-Slammer

Fu Yuánsùquán, the Periscorp Gene-Slammer

And Chao-Xing Yuánsùquán, the Gloptic Gene-Slammer

These nine girls are Lincoln's Guardian Angels from China and classmates in Gym, but they moved to Michigan when they were six years old, and they're extremely talented both in martial arts and music. They and Lincoln would play sports together, and they're easily identifiable by their hair and clothing: Ai has bubblegum pink hair and clothing, Chun has lavender purple hair and clothing, Fua has marigold orange hair and clothing, Meng Yao has cerulean blue hair and clothing, Xin Yan has cherry red hair and clothing, Yu Ming has Tuscan sun yellow hair and clothing, Bao has lime green hair and clothing, Fu has pearl white hair and clothing, and Chao-Xing has onyx black hair and clothing. They also mastered several martial arts, including Hokuto Shinken and several others but they only use Hokuto Shinken on the irredeemable villains. Their last name, Yuánsùquán, means Element Fist in Chinese. They also would protect Lincoln from bullies, in fact when they saw Lincoln getting bullied by Chandler, his goons, Lynn, Pablo, and Anderson, they beat the crap out of them and left them with broken noses, arms, legs, black eyes and they threw Chandler, his goons, Lynn, Pablo, and Anderson right into a pile of skunks which sprayed the bullies. They even pressed one of Killjoy Huggins' pressure points to make Killjoy Huggins reveal that he was the one that allowed Chandler, his goons, Lynn, Pablo, and Anderson to bully Lincoln the entire time in front of the microphone of the school, and when the news hit Superintendent Chen, she handed down a really harsh punishment on him: Killjoy Huggins got suspended for 6 months. To show thanks, Lincoln kissed the Yuánsùquán Sisters on the lips. They're also the nieces of Kenshiro and they hate the jerks and Killjoy Huggins with a burning passion.

Get ready for an awesome show as we meet the Dinotrux and we're going to help them stop D-Structs and make him pay for his crimes and send him to prison. It's going to be an awesome day for Matt Olsen.

See you next time

Nico: I wonder what planet this will be this time.

Lola: We'll find out shortly.

Me: This is gonna be so fun.

Ebonwumon: (Irish Accent) It sure will be fun lads. I'm looking forward to this one.

Xenia: We all are.

Lana: Yeah we are.

Nico: It's good to have you with us, Jay. Is it okay if I call you that?

Crimson Comet: Yeah that's fine Nico and I'm truly honored to be with you all.

Me: We are too Jay.

Qin: Yeah this will be awesome.

Nico: It sure will.

Camie: Yeah.

Lola: It's gonna be awesome.

Nico: Sorry. Don't want you confused with the Flash we're more familiar with.

Crimson Comet: No worries Nico but that is understandable.

Qin: Yeah it sure is.

Lola: Also you are amazingly fast.

Rainbow Dash: And that is so awesome.

Crimson Comet: It sure is awesome too.

Lola: Yeah it is!

Xenia: Yep it sure is.

Nico: We bought lots of cars yesterday.

Qin: We sure did and I bought Homer's car that he made.

Nico: You sure did Qin.

Me: That is an awesome car.

Lola: I can't believe that it ruined Homer's brother.

Xenia: No kidding there.

Me: And he was living on the streets ever since.

Camie: Poor guy.

Nico: No kidding there.

May: Yeah no kidding.

Nico: But he can't hate Homer forever.

Me: No that would not be a good thing.

Qin: Yeah he can't hate Homer that long.

Xenia: Yeah I agree.

Qin: Besides the Homer car is awesome. Now me and Chris can have a nice drive in it.

Lola: You sure can.

Me: All our cars we bought are awesome.

Nico: I would've picked the Homermobile

Me: That is a more cool name for it.

Qin: I agree.

Lola: Yeah it sure is.

Xenia: I like it.

Nico: Yeah.

Camie: Just as long as it isn't a giant boomerang like how Peter Griffin did.

Me: By the way Nico, the Autobots and the Constructicons all have been looking forward to this mission too.

Nico: Boy I can tell they have.

Qin: It'll be awesome to kick D-Structs's hide to the curb.

Xenia: You got that right.

Lythos: We're here.

We arrived at the planet and we saw that it was an orange and red planet.

Me: I hope this world isn't a volcanic planet.

Xenia: Only one way to find out.

We got to landing and we landed and saw that the planet was actually a world MADE ENTIRELY OUT OF CHEF BOYARDEE PASTAS! There was ravioli, tortellini, overstuffed ravioli, beeferoni, Spaghetti, Spaghetti-O's, tomato sauces and so much more!

Qin: WHOA!

Me: A world made of Chef Boyardee pasta!? I haven't had that in like forever!

Eli: Boy me neither!

Nico: Let's dig in!

I pulled out a bowl and grabbed some ravioli, tortellini and spaghetti-o's and we ate some.

Me: (Eating) Mmm! Oh man!

We were really eating.

Me: (Eating) Delicious!

Camie: (Eating) Mmm! Yummy!

Qin: (Eating) Mmm! Boy I can't remember the last time I had Chef Boyardee pasta.

Xenia: It's delicious.

May: I want some!

Nico: Plenty for everyone May.

We were eating and eating.

Nico: (Eating) Mmm!

May: (Eating) Mmm! Delicious!

Xenia: It sure is awesome.

Varie: It's awesome that a planet like this is here.

Brittney: Boy who doesn't like Chef Boyardee pasta.

Lola: Lucy you know what would be an awesome planet for you? A planet made of blood sausages.

Lucy Loud: Now that would be a great planet for me and all the goths.

Haiku: It sure would be cool.

Gaon: Are those really made of blood?!

Me: Sausages with blood in them.

Qin: Yuck!

Nico: But they are a delicacy in some countries.

Nicole: Yeah they are good in those parts. Finland specifically.

Nico:: It's true.

Me: Yep.

Lola: I was just kidding on that but it would be cool to see a planet like that.

Nico: Yep.

Lythos: Boy this planet is really cool.

Me: Yeah it sure is.

Nico: By the way J.D. how is Gina doing?

Me: Gina Green? She's doing good. She is going under therapy from Ino. Those piranha fish really were horrible to do all that to her.

Nico: Yeah no kidding.

Maria: Fucking piranhas!

Me: I know. Those were some really nasty fish.

Qin: They sure were.

Camie: Thank goodness they are all gone.

Lola: Yeah the ocean did that to them.

Varie: Thank goodness they died in salt water.

Lola: Yeah.

Me: But Ino said she is making a lot of progress.

Xenia: I don't know hoe we're going to explain all this to Lost River when they see her back.

Nico: I know.

May: We'll think of something.

Camie: Yeah.

Maria: We'll say that Cheese pooped in it

Me: I don't get it.

Maria: It's a funny way of saying that Cheese did it.

Me: Oh. But after our rescue on Mustafar, I went back to the site where those Piranhas came from and the tank they were in still had water in it. I managed to grab a piranha and catch it in a tank and bring it to Lisa for analysis.

Nico: And what were your findings Lisa?

Lisa Loud: It's a really remarkably well made specimen. Turns out these were Pygocentrus nattereri; street name, Red-Bellied Piranha that were injected with steroids that turned them into super piranhas. They were enhanced to withstand extreme cold and The United States government was going to put these in Russia's fresh water supply and fresh water lakes to kill as many people as they could during the Cold War.

Xenia: Geez!

Qin: That is brutal!

Nico: Not anymore they're not!

Me: Now they are all dead thanks to the salt water of the ocean.

Qin: Good riddance.

Me: Yep. But after that finding we went back to the tank they were in and destroyed the rest of them with cyanide.

Nico: Good.

Lola: Yeah thank goodness.

Me: Yep.

Nico: But it's good that Gina will be okay.

Xenia: Yeah.

Lythos: I wonder which Sailor Soldier will appear next.

Nico: Eli, sense if Swartz's creations are near.

Eli: On it.

He concentrated.

Eli gasped.

Me: What is it?

Eli: I sense a really powerful one! And the other is a really huge one!

Qin: Oh boy.

Me: This is gonna be good.

Then the Primitive Dragon Wonder Ride Book was glowing.

Me: The Primitive Dragon book is reacting to something.

Nico: Primitive Dragon? Whoa man.

Nico: Who's turn is it?

Cassidy: I will face this one.

Qin: Okay.

Camie: I have a feeling this one will be a big one.

Xenia: Me too.

Varie: Yeah.

Nico: Get ready, guys!

Then a roar was heard and out came a huge dragon! It was a black dragon and it had scary dragon wings and its head was a skeletal dragon head and it had scary claws and a scary spiked tail! IT was ANOTHER PRIMITIVE DRAGON!

Qin: WHOA!

Xenia: Scary!

It landed in front of us.

Me: WHOA!

Xenia: What a dragon.

Me: And you are?

Another Primitive Dragon: (In a girls voice) I believe that you and Eli know me J.D.

Me: (GASP) That voice.

It reverted back and it was a girl with red and black hair and had red sailor clothes and had red angel wings and around her neck was a Crystal of Atlantis and she had a copy of the Shepherd's Journal.

Me: (GASP) Kida Atlantis A.K.A. Sailor Atlantis!

We gasped!

Nico: Atlantis's Sailor Soldier!?

Qin: WHOA!

Eli: Kida!

Eli went over and hugged her.

Eli: Its been a long time.

Sailor Atlantis: It sure has Eli. You have grown a lot.

Eli: I sure have.

Nico: Wow!

Lily: I ready that Atlantis actually has a Sailor Soldier in the Shepherd's Journal.

She scrolled through the pages and found it.

Lily: Here it is! Sailor Atlantis. For over 10,000 years Sailor Atlantis has been known as the defender of Atlantis and has protected its inhabitants from the evils of the world and defended the King against danger. But when the Great Crystal was hidden she went searching for someone to help Bring Atlantis back to the surface.

Nico: WHOA!

Xenia: Incredible!

Lola: That is amazing!

Nico: Atlantis has had its' share of criminals.

Sailor Atlantis: I know. Rourke. He tried to take the Great Crystal and sell it to the worlds highest bidder.

Me: No kidding there. He had no idea the consequences that would befall upon Atlantis if that happened.

Varie: No kidding these.

Sailor Atlantis: Varie! You're doing really well and it's awesome to see a fellow Atlantean.

Varie: Same to you Kida. You're looking great.

Sailor Atlantis: Same to you.

Nico: One thing still puzzles me though. Do you know what that

Cataclysmic Event was back 10,000 years ago that lead to Atlantis being sunk?

Sailor Atlantis: Yes I do. It was an incredible generator that malfunctioned and it caused a massive and powerful explosion that triggered a huge Megatsunami and sunk the whole continent.

Me: Geez!

Qin: That's intense!

Sailor Atlantis: That's right. It was designed to bring our civilization to the mainlands to share our knowledge and skills to the world.

Me: Wow!

Xenia: That is amazing.

Sailor Atlantis: Yeah but something went horribly wrong and it exploded and destroyed Atlantis.

Me: Well not all of it. But Atlantis is back onto the surface now. For the first time in 10,000 years we have Atlantis on the surface. Now everyone is learning so much from the people of Atlantis and Earth is becoming more and more advanced with each passing day.

Nico: Spongebob even went to Atlantis himself one time.

Lily: I remember that. That was amazing.

Qin: No kidding. That was amazing.

Me: Thank goodness Plankton wasn't there or who knows what would have happened.

Sailor Atlantis: Boy no kidding. But I'm glad Atlantis is back on the surface and also you guys stopped Rourke. The Prime Universe version anyway. The Universe 666 version of him will be perfect for our frenemies.

Me: I'm glad you agree.

Varie: Wow 10,000 years worth of experiences in you.

Xenia: No kidding.

Sailor Atlantis: Indeed. And before you guys ask yes there is another opponent with me and it's a big one. It's another version of him.

she pointed to Lythos.

Lythos: Another version of me!? Whoa.

Me: Friendly or hostile?

Sailor Atlantis: Friendly and you're going to be surprised by this one.

Me: I have a feeling this one will be good.

Nico: Yeah, we kinda figured since Eli says she's huge.

Me: Yeah.

Sailor Atlantis: Indeed.

Cassidy: Shall we dance?

Sailor Atlantis: We shall.

She turned back into Another Primitive Dragon and flew into the air and Cassidy flew after her and fired waves of water and smashed her down into the ground and I caught the Wonder Ride Book and it was called The Dark Skeleton Dragon and then it formed into THE BIG BANG PRIMORDIAL DRAGON!

Me: Whoa!

I went and picked up Sailor Atlantis and brought her over.

Maria: One down.

Me: Yep.

Then we felt THUNDEROUS FOOTFALLS!

Qin: OH MAN!

Nico: This is gonna be a big one!

We saw a huge black towering mountain figure and it was ANOTHER LYTHOS!

Me: We're going to need bigger ridewatches!

Qin: OH BOY!

Nico: This is gonna be big.

It walked up to us and I formed a huge mountain and we were standing on it and she saw us.

Me: WHOA!

Another Lythos: (In a girls voice) (British Accent) This is gonna be really fun.

Me: (GASP) Nataron Narnia A.K.A. Sailor Narnia!

Maria: WHOA! Narnia's Sailor Soldier!?

Nico: WOW!

Another Lythos: That's right. Awesome to see you again J.D. How have Peter and his siblings been doing?

Me: They are doing great. We destroyed The White Witch and freed Narnia forever.

Nico: We sure have.

Eli: Yeah we have.

Kaito: (Gets out Gekiranger gear) Did Swartz promise you anything?

Zocks: (Gets out Go Onger Gear) Because we can grant it instead.

Another Lythos: No he didn't. He was in a hurry to send me out because of how I got.

Me: Ah because of this gargantuan form.

Another Lythos: Yeah.

Me: No kidding.

Camie: But we'll get you back to normal.

Ebonwumon: That's right lass. Hang on.

Kaito got a Jungle Fury Sword and Zocks got an RPM Road Sword.

Me: Lets see here. I know. (SPINS MAGISWORD BRACELET)

LYTHOS MAGISWORD!

This one was a magisword made of rocks and it had Lythos's heads on it.

Then…

CRASH!

It fell to the ground and it was heavy!

Me: HOLY SHIT IS THIS HEAVY!

Qin: No kidding!

I went Super Angel Wolf Moon Xelnaga and lifted it up that way!

Me: (Divine Wolf Moon Voice) **GEEZ! That is amazingly heavy.**

I fired a wave of rocks and smashed her all over and knocked her down with a thunderous thud!

Qin: WHOA! That is huge!

Lola: No kidding!

Me: **Filing that under use when transformed.**

Xenia: Yeah.

Me: **Lets see here. How about this.**

DANCING DIABLO PEPPERS MAGISWORD!

That one was a huge bunch of Dancing Diablo Peppers in green fire and I fired a massive wave of super hot green fire and smashed her down.

Qin: WHOA!

Nico: WOW That was infernal!

Me: **No kidding! Chowder would love that one.**

Lola: Yeah!

Sougo: (gets out Jungle Fury Ridewatch) You seriously couldn't squash Swartz and the rest of Dai Shocker while you were at it?

Geiz: (Gets out RPM Ridewatch) Sougo, they probably would've just grown to her size.

Sougo got JungleFuryRedArmor while Geiz got RPMRedArmor.

Sougo: You're right on that.

Nico: Lets fight titan with titan! (ACTIVATES LYTHOS'S RIDEWATCH)

Nico fired waves of huge boulders and smashed her down.

Qin: Nice!

Me: **Yeah!**

Nico: Are there anymore worlds not affiliated with Disney that Sora went to?

Me: **I guess we'll find out later.**

Xenia: Yeah.

Nico: Time for some speed. (ACTIVATES EVIL COMET WOMAN'S

RIDEWATCH)

Nico flew at Another Lythos with incredible speed and smashed her down with a powerful punch!

Nico: YEAH!

Me: **Whoa! That was powerful! How about this too?** (ACTIVATES EDO TENSEI YUGITO NII'S RIDEWATCH) **CAT FIRE BOWL!**

I fired a massive blast of 3 claw blades along with a massive shower of blue fireballs and they hit Another Lythos and exploded with incredible power!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was incredibly powerful and massive!

Qin: WHOA! That was awesome!

Me: **Yeah!**

May: (gets out Fire Plant's Ridewatch) Time for some fire!

May activated it and fired a barrage of fireballs and smashed down Another Lythos.

Xenia: WHOA!

Qin: YEAH!

Me: **And this too.**

UNIVERSE 666 NITRO MAGISWORD!

This one looked like explosions that had Nitro's face on it.

I fired waves of energy and they hit Another Lythos and exploded on contact!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMM!

May: Nice one! Now for this! (ACTIVATES STONE TRIPLETS RIDEWATCH)

She formed 3 clones and they fired waves of energy and blasted Another Lythos all over the place!

Qin: Nice one May!

Xenia: YEAH!

Me: **Awesome! This one too.**

HEAT DOPANT MAGISWORD!

This one looked like the Heat Gaia Memory and had Reika's Heat Dopant face on it.

Shojuro: Wow that one is cool J.D.!

Me: **It sure is!**

I fired waves of fireballs and they hit Another Lythos and exploded all over!

KRABBBBBBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOMMMMM!

Maria (gets out Zululuk's Ridewatch): Narnia was also where I first met Horsea.

Another Lythos: That's what I heard. It's amazing how a Horsea wound up there.

Maria: It sure is.

Maria fired waves of energy and blasted her all over.

Me: **Here's what I am going to do to D-Structs.**

TYRANNOSAURUS REX MEAT AVALANCHE MAGISWORD!

That one looked like Tyrannosaurus Rex Steaks and I fired waves of steaks and smashed her down.

Qin: Nice one!

Lola: That was awesome.

Maria: Time for spreading the love. (ACTIVATES CUPID'S RIDEWATCH)

She fired an energy arrow and it hit her and smashed her down!

Me: **Hope that one doesn't make her fall in love too early.**

Ebonwumon: Now it's my turn lads. (ACTIVATES LYTHOS'S RIDEWATCH)

He fired waves of rock and smashed her down!

Qin: OH YEAH!

Then Stonedozer and his team came and it had, Mortimer Mouse, Smashstone, Garbage Mouth, Despair Rantaro Amami and Klaptrap

Nico: Nice team, Stonedozer!

Stonedozer: Thanks.

Me: **That's a cool one.**

Qin: Yep,

Crimson Comet: I think it's my turn now!

He activated his ridewatch for Evil Comet Woman and ran fast and smashed her down!

Me: **YEAH!**

Maria: I hope the next Gene-slammer is near too.

A Girafarig then came!

Qin: Cool a Girafarig!

Nico: Awesome!

Girafarig: (In a girls voice) (Ugandan Accent) And it's good to see you again Qin and you too Nico.

Nico: Sylvia Nihara! Wow!

Girafarig: That's right. I got this.

She fired waves of darkness and it hit Another Lythos and then..

MASSIVE AND POWERFUL FIERY EXPLOSION!

She exploded and rocks flew everywhere and I shielded us and then I teleported and grabbed the ridewatch and purified it and then I caught Sailor Narnia and she was a girl that had red hair and red orange and yellow Sailor Clothes and I brought her over.

Nico gave her a purple Jumpsuit and Sylvia reverted back and she was a girl in purple Ugandan clothes and had black hair and purple eyes.

Sylvia Nihara: That was quite a show.

Nicole: I thought you were familiar. You are that treasure hunter that went to the Congo Jungle to find long lost forgotten temples and bring the treasures to museums.

Sylvia Nihara: That's right.

Qin: That was awesome.

Nico: Yeah it was.

Crimson Comet: What's your favorite memory of Nico?

Sylvia Nihara: When me and Nico found the treasure of the Book of Tefnut.

Maria: Wow the Book of the Water Goddess of Egyptian Myth.

Sylvia Nihara: That's right.

Nico: That was so awesome.

Me: **Wow.**

Nico and Sylvia hugged.

Nico: I've really missed you.

Sylvia Nihara: Me too Nico. Me too.

We went back home.

Lincoln: Whoa, we're here in Guanajuato, Mexico, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to destroy a dangerous creature from Mexican legend known as El Cadejo.

Nico: Who or what is El Cadejo?

Maria Garcia: (Spanish Accent) El Cadejo, one of the monsters in Mexican legend, this creature is an evil wooly black dog with fiery red eyes and goat hooves that's said to cling to men who lived a life of excess and they're even said to hang around those men who've committed truly evil deeds.

Isabella Andwraith: (Spanish Accent) Ay, those demon dogs are monsters of darkness, but I believe I know why here in Guanajuato: there are thirty of these demon dogs, and these creatures are said to hang around the thirty members of The Order of Nuestra Señora and they are their servants.

We gasped.

Me: Makes perfect sense though, since this cult has done some very dark and evil things in the past.

Lincoln: That's right, so we're going to destroy them and really piss off Antonio Maldonado and the remaining members, this'll make them see we're through playing their fiendish games, and death's coming for them, and I want to thank you and Katara for joining us, Zhuqiaomon.

Zhuqiaomon: You're welcome, Lincoln.

Katara: If these demon dogs are just as bad as Maria says, we need to be very careful.

Neferteri Salah: (Egyptian Accent) And we will. Maria and her friends know what to do with them.

Natasha Hernandez: That's right.

Laney Sonnya Romanov: (Russian Accent) And we'll enjoy pissing off Antonio Maldonado and those who are still alive.

Suddenly, we saw Theremind, Bonkers, Poppette, Yuggler, Tapricorn, Rooba, Periscorp, and Gloptic appear before us, and with them are the six girls.

Nico: Whoa, that's Theremind, Bonkers, Poppette, Yuggler, Tapricorn, Rooba, Periscorp, and Gloptic, awesome.

Suddenly, we heard thirty demonic roars in the distance, and we saw thirty black-furred demon dogs with fiery red eyes and goat hooves heading for us: it was the El Cadejo pack.

Lincoln: Right on time, now to put you all down.

Then, Lincoln used the Electro Magisword and he fired massive waves of lightning and electrocuted the demon dogs, and he smashed his fist into the ground and sent a wave of earth right at them and it sent them into the air where Lincoln fired thirty rainbow energy blasts at them, which destroyed the demon dogs and sent them back to Hell. We cheered as we holstered our weapons and powered down.

Me: Nice one, Lincoln, and you didn't even use the Bane Magisword to send them flying into the air.

Girl Jordan: Nope, that was all natural muscle, besides, he already looks that ripped, all thanks to the Guardian Angels' intense training for six and a half years.

Nico: And combined with our training as well, and he outmuscles any bodybuilder in history.

Lincoln: That's right, but we destroyed the El Cadejo pack and sent them back to Hell for good, and we really pissed off Antonio Maldonado and the remaining members. Ai Yuánsùquán: (Chinese Accent) You too, Lincoln.

Chun and Fua Yuánsùquán: (Chinese Accent) It's really been such a long time since we last met.

Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán went up to Lincoln who hugged each of them, and The Yuánsùquán Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you nine since you were six, and as you can see, I really grew a lot since then.

Meng Yao Yuánsùquán: (Chinese Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, these nine girls are Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan

Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán, they're my Guardian Angels from China and classmates in Gym, but they moved to Michigan when they were six years old, and they're extremely talented both in martial arts and music. We would play sports together, and they're easily identifiable by their hair and clothing: Ai has bubblegum pink hair and clothing, Chun has lavender purple hair and clothing, Fua has marigold orange hair and clothing, Meng Yao has cerulean blue hair and clothing, Xin Yan has cherry red hair and clothing, Yu Ming has Tuscan sun yellow hair and clothing, Bao has lime green hair and clothing, Fu has pearl white hair and clothing, and Chao-Xing has onyx black hair and clothing. They also mastered several martial arts, including Hokuto Shinken and several others, but they only use Hokuto Shinken on the irredeemable villains.

Nicole: Wait, did you say they're masters of Hokuto Shinken, then that must mean…?!

Lincoln: Yeah, they're the nieces of Kenshiro, and their last name, Yuánsùquán, means Element Fist in Chinese. They also would protect me from bullies, in fact when they saw me getting bullied by Chandler, his goons, Lynn, Pablo, and Anderson, they beat the crap out of them and left them with broken noses, arms, legs, black eyes and they threw Chandler, his goons, Lynn, Pablo, and Anderson right into a pile of skunks which sprayed the bullies. They even pressed one of Killjoy Huggins' pressure points to make Killjoy Huggins reveal that he was the one that allowed Chandler, his goons, Lynn, Pablo, and Anderson to bully Lincoln the entire time in front of the microphone of the school.

We gasped in shock.

Nico: What?! So, that stupid, hate-filled killjoy was the one who allowed Chandler, his goons, Lynn, Pablo, and Anderson to bully you the entire time?!

Nicholette Torrington: He sure was, and when Ai and her sisters told us, we were extremely pissed off so badly, we wanted to head down there and make him eat his own toupee. But, when the news hit Superintendent Chen who was at the school at the time, she handed down a really harsh punishment on him: Killjoy Huggins got suspended for 6 months.

Lincoln: That punishment was indeed fair, but to some, it was too short, everyone wanted him fired and everyone at school, even my sisters except for Lynn wanted Shayla to throw him in the nuthouse forever, and they also wanted Lynn thrown in there as well. But, I immediately calmed everyone down and told them there's no need for any of that and that he's been punished. And to show thanks, I kissed the Yuánsùquán Sisters on the lips, and they hate the jerks and Killjoy Huggins with a burning passion.

Ai Yuánsùquán: (Chinese Accent) And we heard what you all did in turning Pablo, Anderson, and the dark side of Principal Huggins: Killjoy Huggins into humiliation fodder, that's way too hilarious. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Lincoln: Let me guess, you and your sisters want to give me your blood, right?

Ai Yuánsùquán: (Chinese Accent) How did you know?

Lincoln's harem and Guardian Angels showed the marks Lincoln left on them when he fed on their blood.

Meng Yao Yuánsùquán: (Chinese Accent) (Whistles) Might've known Lincoln would mark them.

Lincoln went up to each one of the Yuánsùquán Sisters, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Chao-Xing Yuánsùquán: (Chinese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Chao-Xing Yuánsùquán: (Chinese Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán.

Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Anri Teieri from Blue Lock, Hana Ichijou from Ao Ashi, Kiyoko Shimizu from Haikyuu!, Kozue Matsumoto from Baki, Shouko Nishimiya and Miyoko Sahara from A Silent Voice.

Lincoln: Oh wow, it's Anri Teieri from Blue Lock, Hana Ichijou from Ao Ashi, Kiyoko Shimizu from Haikyuu!, Kozue Matsumoto from Baki, Shouko Nishimiya and Miyoko Sahara from A Silent Voice.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Anri Teieri: Yes, we're okay, thanks to you.

Then, when Anri Teieri and the other five girls saw who it was that saved them from the El Pajero pack sent by Antonio Maldonado, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Anri Teieri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Anri Teieri: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anri Teieri, Hana Ichijou, Kiyoko Shimizu, Kozue Matsumoto, Shouko Nishimiya, and Miyoko Sahara with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were the El Cadejo pack, dangerous creatures from Mexican legend, which translated into English means The Dog with Red Eyes evil wooly black dogs with fiery red eyes and goat hooves said to cling to men who lived a life of excess and they're even said to hang around those men who've committed truly evil deeds, and even worse, there are thirty of these demon dogs, and these creatures are said to hang around the thirty members of The Order of Nuestra Señora and they are their servants.

But, when Lincoln showed what we all did to them, and what Lincoln did in finishing them off and sending them all back to Hell for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and the Yuánsùquán Sisters have a lot of catching up to do, now that they're back in town.

Maria: Oh man, so those heretics had those demon dogs with them, but it's no surprise since they've done evil things in the past.

Lincoln: Yeah, but now, they're gone for good, and they're never coming back.

Suddenly, we heard a loud scream of insane rage coming from Mexico.

Maria Garcia: (Spanish Accent) And we've now truly pissed off Antonio Maldonado and the remaining members of the Order. It'll be worth it to finally get rid of them forever.

Lincoln: And we will, Maria.

After destroying the El Cadejo pack and pissing off Antonio Maldonado even more, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ai Yuánsùquán, Chun and Fua Yuánsùquán, Meng Yao Yuánsùquán, Xin Yan Yuánsùquán, Yu Ming Yuánsùquán, Bao Yuánsùquán, Fu Yuánsùquán, and Chao-Xing Yuánsùquán saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ai Yuánsùquán: (Chinese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last eleven years.

Meng Yao Yuánsùquán: (Chinese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Xin Yan Yuánsùquán: (Chinese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Bao Yuánsùquán: (Chinese Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Ai, what memories did you and your sisters have with Lincoln? And you already told us of what you girls did in pushing one of Killjoy Huggins' pressure points and made him confess to allowing Chandler, his goons, Pablo, Anderson, and Lynn to bully Lincoln.

Ai Yuánsùquán: (Chinese Accent) Oh, we have a video of one little incident where Lincoln beat down Lynn while we were at our gym.

Ai Yuánsùquán pulled up the video and it played on the screen, and we saw Lincoln, the Yuánsùquán Sisters, and the rest of his Guardian Angels working out at the huge gym they made, and Lincoln who was dressed in an orange tank top, orange gym shorts, and sneakers was lifting 900,000-lb barbells and doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and they were really sweating like crazy, even doing yoga to clear our minds.

But, their day was about to be rudely interrupted by one meat-headed, superstition-crazed, rowdy, violent-tempered, and outright obnoxious sister.

BBBBBBBBBUUUUUUUUUUURRRRRRPPPPPPPP!

Diana Elementa: What the heck was that?!

Past Ai Yuánsùquán: (Chinese Accent) (Gasps) Oh no.

Past Lincoln: There's only one person I know who'd belch that loudly: Lynn, and if I'm not mistaken, she's on the rampage again!

Suddenly, the doors burst open, and we saw Lynn, her eyes red with anger and hatred, snarling like a wild beast, and she roared and beat her chest like a gorilla again!

Past Isabella Lupa: You again, Lynn?! I ought to beat your brains in if you got any, and I think I will!

Past Lincoln: No, Isabella, let me handle her.

Lincoln and the Guardian Angels stopped working out to confront Lynn, who was already acting like a monster. Suddenly, Lincoln took off his sweat-covered tank top revealing his massive and extremely muscular body and eight-pack abs, and covered in sweat, which made his Guardian Angels blush, and he spread out his massive white angel wings.

May: Uh oh, Lynn, you better say your prayers.

Then, in the video, we saw Lynn run at Lincoln on all fours like the animal she is, but Lincoln stood ready, and as Lynn pounced on him, Lincoln grabbed her and he threw her right into an exercise mat and she crashed onto it. Lynn got up and she roared like a monster again, but Lincoln didn't care about that: he wasn't going to let that animal cause havoc again. Then, Lincoln went on the attack as he used some awesome wrestling moves on her to pin her to the ground, but Lynn got back up, and she was still violent, so Lincoln switched, and he attacked with some amazing martial arts techniques that he'd learned from his Guardian Angels and from us as well, and with one roundhouse kick, he'd knocked down Lynn, and he fired red energy blasts from his hands and white angel wings and tied Lynn up.

Past Ai Yuánsùquán: (Chinese Accent) Lincoln, that… was… AMAZING! You used both wrestling and martial arts and really taught that wild animal a lesson.

Past Stella Esteban: That was really awesome, and you were really dominant out there against her, you big, hunk of a muscular man.

Past Riley Mackenzie: He sure was and still is, and just wait until Luna finds out what you tried to do to Lincoln again, Lynn!

Past Lynn roared again and tried to get out, but it was useless.

Past Lincoln: Now, now, Riley, don't provoke her any further. We'll call Luna and tell her to grab Lynn and drag her smelly butt home.

Suddenly, Vanzilla arrived, and Luna got out, and man, was she mad at Lynn!

Past Luna: LYNN! WHERE ARE YOU AT, YOU SORE LOSER JOCK?! COME ON OUT, I'VE GOT A PAIR OF BRASS KNUCKLES WITH YOUR NAME ON THEM, AND SOON, THEY'LL BE POUNDING YOUR FACE IN!

Suddenly, Luna saw Lynn all tied up in red energy ropes, and when she saw Lincoln and without his tank top on, she was quite nervous, but she was stunned when she saw what happened to Lynn.

Past Luna: Whoa, dude, did you…?

Past Lincoln: Yeah, I already pummeled her, Luna, and I tied her up, so you can drag her back home by her ponytail and let Mom and Dad deal with her.

Past Luna: You got it, man, and you girls have fun with your muscle man. (Grabs Lynn) Let's go, you walking gym bag, the parents are going to want to have a talk with you.

Luna grabbed Lynn by her ponytail and dragged her back to Vanzilla, and it drove off. The video ends and we all cheered wildly.

Nico: Whoa, man, Linc, you really pummeled Lynn into the ground.

Me: He sure did.

Luna: Lynn was really asking for it, plus the reason for her rampage was because she was mad that Lincoln got Packing Day cancelled forever after that little incident with Miyuki.

Luan: Lynn wasn't able to pummel us with snowballs for all those times Patchy declared it a Packing Day, and that really angered Lynn to no end, so that day, all that monstrous energy she had was let loose and she went on a wild rampage.

Lola: She trashed the backyard, and then, she ran off on all fours to the gym to kill Lincoln, and she was growling and snarling like an animal.

Lincoln: When we were told about it after we got back from the gym, we were horrified. But, in the end, Lynn got grounded for nineteen weeks and had to be put in a solid titanium cage Lisa made to keep Lynn from trying to chew her way out.

Nico: Did she really?!

Lana: Take a look.

Lana showed everyone all the regular cages that Lynn chewed out of and the metal chambers that she pounded like crazy.

Universe 666 Lincoln: My God, your Lynn was an animal because of her Dark Side.

Lynn: Was she even worse?

Universe 666 Luna: Oh, she was, dude. She was a wild animal to the infinite power at first, but when Evil Nico showed up, he made her even worse than before.

Lincoln: Then, it's a good thing she was killed, along with Evil Lori, Evil Lola, Evil Lisa, and Evil Luan yesterday.

We got a shower afterwards, and then, Lincoln, Misty, Dawn

(Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha are heading to Shoal Atoll.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Pantha: (Spanish Accent) Whoa, so you chose Shoal Atoll for our first date, Lincoln, this is awesome.

Lincoln: I've been here before, Rosabella, and this place really is awesome. Shall we?

Lincoln, Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha, and they hugged the girls in their abnormally massive and powerful muscular arms, and Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Me: (Snickers) Looks like someone really enjoyed his beach date at Shoal Atoll, eh, Lincoln?

Lincoln: (In Heaven) It was so awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Misty, Dawn (Pokémon), Iris (Pokémon), Hilda (Pokémon), Selene (Pokémon), Akari, Bumblebee, and Pantha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

May: And Misty, Dawn, Iris, Hilda, Selene, and Akari are now part of his harem.

Robin: Same with Rosabella and Karen.

Bumblebee: Yep, and Girl Jordan and the others were right, Lincoln sure is gentle when he marks his future wives and feeds on their blood.

Pantha: (Spanish Accent) He sure is.

Luna: (Whistle) Dang, I knew the dude's had that combination of natural charisma, good looks, and an amazing personality that attracts girls left and right, and look at what that combination of natural charisma, good looks, and amazing personality has gotten him, the dude's basically a ladies' man.

Nico: He sure is, and any who dare to try and kill him will answer to his harem, and they'll definitely be Hell to pay.

Me: Big time.

Girl Jordan: Yeah, if any moron dares to hurt one hair on our man's head, we won't give them not a single ounce or shred of mercy. The only thing they're getting is our boots right up their butts!

Ronnie Anne: Or in your case, Girl Jordan, a dodgeball to the crotch!

Nico: I'd settle with both a dodgeball to the crotch and a boot up their ass to make them fuck off and away from your man!

Mollie: That's even better.

---

We saw the mascots building something.

Universe 666 Lana Loud: What are you guys doing?

Poromon: We're building a spaceship.

Poliwag: Yeah we're going to go to Mars.

Qin: Mars!? Whoa!

Me: Wow! Do you think it will work?

Poliwag: We know it will.

Kirby: Can I help you guys?

Poromon: Sure Kirby.

Me: This stops here. Uhh Nico you better come and see this.

Nico came in and he saw the rocket.

Qin: They are using it to go to Mars.

G1 Ironbison: As long as you guys are back in time for the big mission today, I'm not complaining.

Nico: Me neither.

Me: Well all right.

Nico: Good.

Poromon: It's ready.

Me: T-minus 1 minute.

They got ready.

Me: T-Minus 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0.

It ignited.

Me: We have booster ignition and liftoff!

It was off!

ZOOM!

They were off!

Me: WHOA!

Qin: Wow that is amazing.

---

French Narrator: (French Accent) Approximately 5 minutes later.

---

G1 Lightspeed: So, how long has it been since they took off?

Me: (Looks at watch) 5 minutes.

Then…

CRASH!

The mascots ship crash landed into a pile of pig manure! Left by Rolf.

Qin: WHOA!

Xenia: GEEZ!

Me: Must've run out of gas.

Poromon: We ran out of fuel!

Me: Aw tartar sauce. But at least your ship worked.

Lisa got it out of the manure with her crane.

Maria: Lets get you guys a bath.

Poromon: Good idea.

Maria took them to the bathroom.

Me: Wait what's that?

We saw something roll out and it was a Forretress!

Me: Whoa a Forretress!

Nico: Cool!

Forretress: (In a girls voice) I saw the launch and that was awesome.

Qin: Eilene Forrester!? Whoa!

Forretress: Awesome to see you again Qin and you too Nico.

She reverted back and was a girl with red hair and red clothes.

May: That was cool. What's your favorite Memory of Nico?

Eilene Forrester: I have a lot of them but my favorite is when me and Nico bashed numerous drug cartel's in Colombia and brought them to justice.

Nico: Cool times.

Me: Wow!

Nico and Elaine hugged.

Nico: I really missed you.

Eilene Forrester: Me too Nico. Me too.

Me: That was awesome though.

Qin: Boy I'll say.

Nico: Yep.

Winter Soldier: Nico, which teams have you made this time?

Nico: Donkey Kong's team will include Mothra 2019, Luna Ingramsson, Ginger, Babs, and Bunty. Thing's team will include Babs Bunny, Selena Logan, Samurai Jack Sirens, Bulk Biceps, and Susie.

Qin: Awesome choices!

Ginger: (British Accent) I agree there too.

Lola: Yeah that is awesome!

Susie (Kirby): This will be so fun.

Mothra 2019: It sure will.

Lola: Bout time Ginger and her friends got put in a team.

Ed was petting and kissing Babs.

Me: Aww.

Ed: Hug a chicken! Hug a Chicken! Hug a Chicken! Hug a Chicken!

We laughed.

Rolf: Let Rolf remind you doggie doo doo Ed Boy that if he comes near Rolf's chickens again Rolf will bash Ed Boy hard on the noggin till he is a dead potato.

Ed: Don't worry, Rolf. I won't even go near them as Edzilla!

Rolf: Okie dokey then.

Qin: Rolf you beat up Ed again and I'll have the mascots all come at you at once.

Omanyte: Yeah so watch yourself bub.

Lola: Yeah!

The mascots came out all squeaky clean.

Me: You guys are all squeaky clean.

Poromon: We sure are.

The previous group came.

Count Nocturne: Can me, Fireor, Oculous, Black Knight Ghost, Marluxia, Pyros, Black Manta, Xigbar, Grundy, and Leap Frog go with you guys?

Evil Bubble Man: Me, Ted Carson Firefly, Allomere, Yost Molten Man, Neopolitan, Boxcars, Skeleton Men, Toar, Greg, and Glue Man will come as well.

Nico: Yes you guys can come with.

Lola: This is gonna be so awesome and fun.

Nico: Yep.

Motormaster: Boss, which Gene Slammers do you think you'll meet next?

Nico: Dunsparce, Gligar and Steelix next.

Qin: Whoa!

Me: Steelix is gonna be awesome.

Nico: Yep.

Lola: Yeah this will be fun!

Nico: I sure will. Now lets head to the garage and get our zoids.

Me: You got it!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Carlos Mora of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Carlos Mora of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Carina Catsith: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Carlos Mora for good, excellent. Plus, we also killed their demon dog horde in Guanajuato today.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, time to meet up with Ty and the rest of the gang, and take down D-Structs.

Matt Olsen: Hang in there, Ty, we're coming.

Lincoln: D-Structs is heading straight for the slammer for everything he's done, and once we get done with trashing that bully, you're the next one to die, Carlos Mora.

Carina Catsith: (Spanish Accent) We'll make D-Structs pay for everything he's done, and once he's down and out and in jail where he belongs, you better say your prayers, Carlos Mora, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation.

Lincoln put up a rainbow energy magic field around The World Tree Estate, and we left to meet up with Ty and the rest of the Dinotrux gang to take down D-Structs and send him to jail, and after we take him down, the next one waiting for us is Carlos Mora of The Order of Nuestra Señora de la Santa Muerte.

We went to the garage and got into our Zoids and we were off to the world of DinoTrux!

---

We arrived and we were driving our Zoids and we were walking through the land of the Trux.

Me: Wow!

Qin: Just as beautiful as ever.

We arrived and we saw that there was not just the tower we built but the Dino Trux have built an enormous and amazing city!

We gasped!

Qin: WHOA!

Camie: The Trux have been really busy since we were here last!

Qin: You took the words right out of my mouth Camie!

Nico: What in the world have they been up to since we last saw them?

Eli: Lots of things.

We went into the city and we saw Ty and the Trux under attack by Scrapadactyls!

Me: There they are!

Nico: And they are under attack by Scrapadactyls! Get them for us J.D.

Me: You got it!

I locked on target with my Gordosaur and fired and blasted the Scrapadactyls apart!

Me: Bullseye!

Qin: YEAH!

Ty Rux: Hey guys! You made it!

Gardy: Thank goodness guys!

LOUD FART TOOT!

Garby: Oops sorry.

Itasis: These remains will be interesting to study.

Me: They sure will.

Nico: Yep.

Ty Rux: Awesome to see you guys.

Me: Same here Ty. Holy mackerel! You guys have been massively busy.

Skya: Yeah we sure have.

Ton-Ton: You wouldn't believe what we have been doing.

Me: Boy no kidding there.

Qin: You guys have built a lot since we were here last.

Varie: They look like giant versions of future towers we all have in the visionary and the fantasy and construction phases.

Xenia: Yeah!

Ty Rux: Yeah we learned so much from you guys and we decided to build all this while waiting for you.

Pyros: I like how you're a T Rex, Ty.

Boxcars: Those are always the leaders of every heroic Dinosaur team.

Ty Rux: Thanks guys. That means a lot to me.

Qin: No problem.

Lola: We owe you guys big time for helping us take down Krylox last week.

Ton-Ton: Not a problem Lola.

Me: That was so awesome.

Zixx: Yeah it sure was.

Ty Rux: Did you guys destroy Krytos too?

Nico: Yep. He is gone for good.

Qin: Good riddance.

Roxas: Krylox used brute strength. It was only logical for you guys to help out against him.

Ty Rux: That is for sure.

Garby: We had a lot of fun on that. And guys I had a lot of fun helping you guys out on that mission.

Nico: Glad you did Garby.

Qin: Yeah all of you will love having fun with us.

Sirius: You sure will.

Me: Right after we deal with D-Structs first.

Xigbar: Eddy also got his Dark Side out.

Ty Rux: Really?!

Toar: It's true.

Qin: Yeah.

Ton-Ton: I'm not complaining about that. But now, that asshole's on the loose.

Me: We banished him to the Book of Vile Darkness dimension.

Qin: Yeah but we only have 13 more times to go before he is gone forever.

Xenia: Yep. We're projecting some time in spring.

Nico: Somewhere around there. By the time we're done with the missions for the first half of the year.

Poromon came out in a fairy costume carrying 4 bottles of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to the Dinotrux) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Princess Luna: (sighs) We apologize for this.

Skya: Oh come on I think this is really cute.

Garby: I'll say.

Ty Rux: But we don't drink beer unfortunately.

Ted: No sweat guys. Poromon I'll have all those.

Poromon: Awesome!

Nico: Whew. Thanks Ted.

Leap Frog: Kinda knew you guys wouldn't accept the beer.

Glue Man: At least you got to see the costume.

Dozer: Yeah it's really cute though.

Lola: Yeah it's awesome.

Me: Ted also recently joined us earlier this week.

Nico: And he loves drinking beer.

Ty Rux: Boy I can tell. Also his voice sounds so much like Peter Griffin's.

Me: His voice does sound the same. But his personality is much different than that testicle chinned douchebag idiot.

Lola: Yeah he is!

Qin: Yep!

Ty Rux: I really can't wait to see how humans like you guys live after today.

Me: You guys will love it.

Sunstorm: You guys will love it. There's lots of things for you guys to enjoy.

Horsea: But there's also some thing you guys won't enjoy. SUCH AS THE BLOOD AND HONEY MOVIE! (shows trailer close to Ty's face) LOOK AT IT!

Me: Oh boy.

ROUNDY SPINNY THING MAGISWORD!

I got Horsea to calm down.

Me: Sorry about that guys.

Nico: Yeah we saw that crazy movie that is an absolute monster.

Me: It's for a movie that comes out on February 15th and it got the mascots going into crazy fits every time.

Grundy: (angry) Grundy think movie make Pooh look bad!

Greg: You said it! Piglet even look ugly there!

Ty Rux: I see what you mean.

Qin: Yeah.

Nico: But back to the subject at hand, has D-Structs caused any damage to the city?

Ton-Ton: Tried many times but your awesome security systems have been keeping him and D-Stroy away.

Xenia: So he has his brother with him now.

Lola: Oh boy.

Varie: This will be fun though.

Misfire: You guys still have those Superchargers, right?

Ty Rux: We sure do.

Qin: Awesome.

Lola: This is gonna be awesome.

Me: They look like Firefly Spark Plugs which are really cool.

Xenia: Awesome.

Black Manta: So, basically, they're your power up modes.

Ty Rux: Exactly!

Skeleton Man: Like what most of the Ranger teams have.

Me: Exactly.

Leo Corbett: Like the Lights of Orion.

Xenia: That is cool.

Me: It sure is.

Cassidy: We all think that is cool too.

Nico: It sure is.

Catilla: To think this used to be called a crater before.

Me: Boy no kidding. Now you guys built it into an amazing and huge Trux Metropolis.

Ty Rux: No kidding there.

Qin: Yeah you guys sure found an awesome way to kill time.

Camie: No kidding.

Me: And it's good to know that our defenses for the city were really working well.

Skya: They sure were.

Marluxia: Don't worry. After D-Structs is taken care of, we'll bring your city next to ours.

Neo nodded at this.

Skya: That will be so awesome.

Lola: Yep it sure will.

Me: We're going to lock that bad Trux up and throw away the key.

Nico: Yep.

Camie: Yeah.

Supernova Zap: Garby, are you about to fart again?!

Garby: Well yes.

LOUD FART TOOT!

Trux: (GROANS IN DISGUST)

Garby: Sorry guys.

Me: That still is funny. I farted the same way in Old Man Oldman's face and he surrendered.

Qin: That was funny.

Xenia: Yep.

Me: Now it's time for the fun part. (Jumps down) Demonstrating our power for the usual battles.

Qin: Yep.

We got out of our Zoids.

Nico: Call it in Maria.

She did so.

Oculous: Garby, you can fart in wherever your room is.

Allomere: The rest of us will have the usual battles.

Garby: Thanks guys.

Qin: Awesome.

Then Rojo, Box Ghost, Jet, Waffle Woman, Carmen Dillo, Swordsman, Dirty Bubble, Pinky and the Brain, Dr. Destiny, Onyx, Dogranio Yaboon, Superfriends Scarecrow, Walter Wolf, Cuppa Joe, Blob, Spatula Girl, Stinkor, Copper Cranium, Owl (One Night At Humpty's), and Brutus

CLANG!

Amelia Waverley smashed Walter Wolf's head in with a street lamp.

Nico: OUCH!

Qin: Nice one.

Xenia: Slappy has been doing that to him for years.

Ty Rux: Boy I can tell.

Box Ghost: Wow you guys were busy here.

Skya: We sure have been busy.

Lola: Yep.

Rojo: Hard to believe this was a crater before.

Box Ghost: Now, it's like a metropolis.

Jet: You said it!

Me: You got that right.

Waffle Woman: (to Nico) We heard you went to another food planet.

Nico: Yep we sure did.

Carmen Dillo: What was it this time?

Me: Chef Boyardee pastas.

Carmen Dillo: Boy its been ages since I had that. Good memories.

Me: Yeah those were fun times.

?: Boy I'll say!

A figure came out and it was SAMURHIVE!

Wes Collins: Samurhive!

Samurhive: Been a while rangers!

Me: One of the Time Force Rangers monsters that didn't appear personally. What a ripoff!

Qin: Yeah no kidding!

Samurhive: I actually was one of the Mutants that Ransik wasn't able to get from the future.

Ransik: I didn't have time to get them all unfortunately.

Qin: That's a darn shame.

Xenia: No kidding.

Me: Yeah. Man what a ripoff.

We got the battles underway.

---

Tracer, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Xenia Orromov, Lincoln Loud, Red Hood and Winter Soldier VS Rojo - Nico's rescue Yesterday and Today

---

Rojo was first.

Rojo: (to Tracer) Nico's rescues yesterday and today were awesome like always. We keep meeting new Gene Slammers by the minute!

Tracer: (British Accent) Boy we sure do love and it is most fun and cool.

Pinkie Pie: It sure is awesome and great!

Maud Pie: (monotonously) We always get a great thrill out of it.

Featherweight: I agree there and it's cool.

Sprocket: Yeah we sure is awesome and fun.

Xenia Orromov: Yeah it's always fun doing rescues.

Lincoln: You got that right.

Tracer used her legend items.

TRACER'S ESPIONAGE FORCE! MERCY'S HEALING FURY!

They fired waves of energy, metal, gears, lightning and sawblades and smashed her down.

---

Omi, Rarity, Sweetie Belle, Water Skylanders, Hayley Buckingham, Echo, Bivalvan, Onslaught and Motormaster VS Box Ghost - Prohyas and Vambre getting thrashed by Old Man Oldman and battling Another Primative Dragon and Another Lythos on a planet made of Chef Boyardee pasta and ravioli

---

Box Ghost was next.

Box Ghost: (to Omi) Prohyas and Vambre got thrashed by Old Man Oldman. And Nico, Ebonwumon's team, Lythos' team, and the others did good battling Another Primative Dragon and

Another Lythos on a planet made of Chef Boyardee pasta and ravioli.

Omi: (Tibetan Accent) They most sure did and what Old Man Oldman was most dishonorable thing.

Rarity: He sure did and he thrashed the Warriors all because they messed up his roof.

Sweetie Belle: Yeah they accidentally made it look like Prohyas's hair.

Sweetie Belle showed a picture of it.

Box Ghost: Boy that must've been humiliating for him.

Gill Grunt: It sure was.

Hayley Buckingham: (British Accent) You're not kidding there. That was crazy.

Echo: And he got an evil toupee and beat the living crud out of them.

Bivalvan: How stupid can you get there?

Box Ghost: Boy no kidding. Lets do it!

Echo: LETS MAKE SOME NOISE! (MUSIC PLAYS)

Omi used his Legend Items.

They fired waves of energy and water, ice and jewels and smashed him down.

---

Lars, Starlight Glimmer, Cozy Glow, Undead Skylanders, Lila Rosencroft, Casper, Alan Albright, Matoombo and Itasis VS Raven Branwen - Lincolns' Rescues

---

Raven Branwen was next.

Raven Branwen: (to Lars) Lincolns' Rescues were great like always. And something very important happened as well.

Lars: They sure did. We went down to Guanajuato, Mexico, and not only was Lincoln going to rescue the six girls here, but we're going to destroy a dangerous creature from Mexican legend known as El Cadejo, translated into English: The Dog with Red Eyes, an evil wooly black dog with fiery red eyes and goat hooves said to cling to men who lived a life of excess and they're even said to hang around those men who've committed truly evil deeds, and even more important, there are thirty of these demon dogs, and these creatures are said to hang around the thirty members of The Order of Nuestra Señora and they are their servants.

Raven Branwen: WHOA! That is scary!

Starlight Glimmer: It sure was.

Cozy Glow: Those dogs were ugly and horrifying!

Hex: They sure were.

Lila Rosencroft: They sure were. But it was amazing to see a legendary creature like that. Laney got a great picture of them for Cryptozoologists and scientists.

Casper: Boy she sure did.

Alan Albright: It was really cool.

Raven Branwen: Wow she has the makings of a great cryptozoologist. Lets do it!

Lars activated his legend items.

LARS AND THE CAVERN OF REMNANT! REMNANTS WAR WITH THE GRIMM!

They fired waves of darkness and bones, skulls, blood, lightning, stars and magic and smashed her down.

---

Tara, Applejack, Apple Bloom, Earth Skylanders, Lila Slater, Andreas, Roxas and Aeleus VS Waffle Woman - Lincoln meeting lots of Gene-slammers

---

Waffle Woman was next.

Waffle Woman: (to Tara) Lincoln met lots of Gene-slammers these past few days. He should be proud.

Tara: You bet I am. Lincoln met the Yuánsùquán sisters. Their names are Ai, Meng Yao, Xin Yan, Yu Ming, Bao, Fu and Chao-Xing. They are from China and they are cool.

Applejack: They sure are amazing.

Apple Bloom: They showed us a video of a moment in their past.

---

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Bao Yuánsùquán: (Chinese Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Ai, what memories did you and your sisters have with Lincoln? And you already told us of what you girls did in pushing one of Killjoy Huggins' pressure points and made him confess to allowing Chandler, his goons, Pablo, Anderson, and Lynn to bully Lincoln.

Ai Yuánsùquán: (Chinese Accent) Oh, we have a video of one little incident where Lincoln beat down Lynn while we were at our gym.

Ai Yuánsùquán pulled up the video and it played on the screen, and we saw Lincoln, the Yuánsùquán Sisters, and the rest of his Guardian Angels working out at the huge gym they made, and Lincoln who was dressed in an orange tank top, orange gym shorts, and sneakers was lifting 900,000-lb barbells and doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and they were really sweating like crazy, even doing yoga to clear our minds.

But, their day was about to be rudely interrupted by one meat-headed, superstition-crazed, rowdy, violent-tempered, and outright obnoxious sister.

BBBBBBBBUUUUUUUUUURRRRRPPPPPPP!

Diana Elementa: What the heck was that?!

Past Ai Yuánsùquán: (Chinese Accent) (Gasps) Oh no.

Past Lincoln: There's only one person I know who'd belch that loudly: Lynn, and if I'm not mistaken, she's on the rampage again!

Suddenly, the doors burst open, and we saw Lynn, her eyes red with anger and hatred, snarling like a wild beast, and she roared and beat her chest like a gorilla again!

Past Isabella Lupa: You again, Lynn?! I ought to beat your brains in if you got any, and I think I will!

Past Lincoln: No, Isabella, let me handle her.

Lincoln and the Guardian Angels stopped working out to confront Lynn, who was already acting like a monster. Suddenly, Lincoln took off his sweat-covered tank top revealing his massive and extremely muscular body and eight-pack abs, and covered in sweat, which made his Guardian Angels blush, and he spread out his massive white angel wings.

May: Uh oh, Lynn, you better say your prayers.

Then, in the video, we saw Lynn run at Lincoln on all fours like the animal she is, but Lincoln stood ready, and as Lynn pounced on him, Lincoln grabbed her and he threw her right into an exercise mat and she crashed onto it. Lynn got up and she roared like a monster again, but Lincoln didn't care about that: he wasn't going to let that animal cause havoc again. Then, Lincoln went on the attack as he used some awesome wrestling moves on her to pin her to the ground, but Lynn got back up, and she was still violent, so Lincoln switched, and he attacked with some amazing martial arts techniques that he'd learned from his Guardian Angels and from us as well, and with one roundhouse kick, he'd knocked down Lynn, and he fired red energy blasts from his hands and white angel wings and tied Lynn up.

Past Ai Yuánsùquán: (Chinese Accent) Lincoln, that… was… AMAZING! You used both wrestling and martial arts and really taught that wild animal a lesson.

Past Stella Esteban: That was really awesome, and you were really dominant out there against her, you big, hunk of a muscular man.

Past Riley Mackenzie: He sure was and still is, and just wait until Luna finds out what you tried to do to Lincoln again, Lynn!

Past Lynn roared again and tried to get out, but it was useless.

Past Lincoln: Now, now, Riley, don't provoke her any further. We'll call Luna and tell her to grab Lynn and drag her smelly butt home.

Suddenly, Vanzilla arrived, and Luna got out, and man, was she mad at Lynn!

Past Luna: LYNN! WHERE ARE YOU AT, YOU SORE LOSER JOCK?! COME ON OUT, I'VE GOT A PAIR OF BRASS KNUCKLES WITH YOUR NAME ON THEM, AND SOON, THEY'LL BE POUNDING YOUR FACE IN!

Suddenly, Luna saw Lynn all tied up in red energy ropes, and when she saw Lincoln and without his tank top on, she was quite nervous, but she was stunned when she saw what happened to Lynn.

Past Luna: Whoa, dude, did you…?

Past Lincoln: Yeah, I already pummeled her, Luna, and I tied her up, so you can drag her back home by her ponytail and let Mom and Dad deal with her.

Past Luna: You got it, man, and you girls have fun with your muscle man. (Grabs Lynn) Let's go, you walking gym bag, the parents are going to want to have a talk with you.

Luna grabbed Lynn by her ponytail and dragged her back to Vanzilla, and it drove off. The video ends and we all cheered wildly.

Nico: Whoa, man, Linc, you really pummeled Lynn into the ground.

Me: He sure did.

Luna: Lynn was really asking for it, plus the reason for her rampage was because she was mad that Lincoln got Packing Day cancelled forever after that little incident with Miyuki.

Luan: Lynn wasn't able to pummel us with snowballs for all those times Patchy declared it a Packing Day, and that really angered Lynn to no end, so that day, all that monstrous energy she had was let loose and she went on a wild rampage.

Lola: She trashed the backyard, and then, she ran off on all fours to the gym to kill Lincoln, and she was growling and snarling like an animal.

Lincoln: When we were told about it after we got back from the gym, we were horrified. But, in the end, Lynn got grounded for nineteen weeks and had to be put in a solid titanium cage Lisa made to keep Lynn from trying to chew her way out.

Nico: Did she really?!

Lana: Take a look.

Lana showed everyone all the regular cages that Lynn chewed out of and the metal chambers that she pounded like crazy.

Universe 666 Lincoln: My God, your Lynn was an animal because of her Dark Side.

Lynn: Was she even worse with you guys?

Universe 666 Luna: Oh, she was, dude. She was a wild animal to the infinite power at first, but when Evil Nico showed up, he made her even worse than before.

Lincoln: Then, it's a good thing she was killed, along with Evil Lori, Evil Lola, Evil Lisa, and Evil Luan yesterday.

Me: D-Structs it's time to send you to the Impound lot!

WizarDriver: Shabadoobi Touch Henshin! Shabadoobi Touch Henshin!

Haruto and Nitoh: Henshin!

With that, Haruto scans his ring over the WizarDriver, while Nitoh plugs his left hand ring into the left hand portion of his Driver and twists counterclockwise, revealing a golden lion face inside and golden decorations on the now open panels

WizarDriver: Flame! Please. Hi, Hi, Hi, Hi, Hi!

Beast Driver: Set! Open! L-I-O-N! Lion!

After completing their respective actions, Haruto and Nitoh are hit by a circle of sigils in red and gold respectively, transforming them into their Kamen Rider forms, with Haruto being a primarily black suit almost like a trenchcoat, save silver accents and red gem-like plates on his chest and helmet, and Nitoh being a black and gold lion themed warrior, with a face very much akin to his transformation ring, save a silver mouthpiece!

Matt Olsen has transformed into SUPER ANGEL-SHAGON-RAVEN-PHOENIX XELNAGA ETERNITY INFINITY DARKNESS FIRESTORM HATRED RAVEN PHOENIX ANGEL OF DIVINE EARTH REGENT DARKNESS HATRED JUSTICE AND DIVINE EARTH REGEANT DARKNESS HATRED LIFE!

We were amazed by Matt Olsen's Super Angel-Shagon-Raven-Phoenix Xelnaga Eternity Infinity transformation, and when Will Vandom saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when D-Structs saw it, he fell into a rage and was about to run at him to ram him, but Matt Olsen fired a blast of hatred at D-Structs, and that blast made him so consumed by hatred, he was spitting out just how much he hated him and all of us, and the hate they had for Matt Olsen made him even stronger than ever, the same with us as our energy auras flared up. Then, he fired powerful dark blue energy blasts with quintessence, life energy, hatred, ravens, and phoenixes at D-Structs, and it hit him and sent him back a bit, but that pissed him off even more.

Matt Olsen: (Divine Echoing Cosmic Voice of The Earth Regent Darkness Hatred Raven Phoenix Angel and Divine Earth Regent Life) There's a lot more where that came from, and in case you were about to ask, Ty, this is only my Phase 1 transformation.

Ty Rux: Phase 1?

Nico: Yeah, after the main ambassador mission is complete, it usually starts a Phase 2 transformation for our ambassadors.

Lincoln: And for Matt's Phase 2 transformation, it's against another member of The Order of Nuestra Señora de la Santa Muerte.

Maria Garcia: (Spanish Accent) That pendejo, Carlos Mora, and he deserves the full extent of our wrath. But, first, we need to take down D-Structs, then, we get after Carlos Mora.

Nitoh: (Readying his blue ring) Let's take things to the next level!

With that, Nitoh places the lion face of the ring into the right hand slot on his belt and twists clockwise.

Beast Driver: Hyper! Go! Hy-Hy-Hy-Hyper!

At this command, a spectral form of a lion looking beast emerges from the Beast Driver, and once it circles back around to Nitoh, turns his suit primarily blue with gold and red accents, particularly the lion head chestplate, and summons forth a blue and gold gun with a lion on the sides and some sort of mirror on the back.

Haruto: (Showing the ring on his left hand, which looks like a diamond version of his head but with a crown and collar on it) My turn now!

With that, Haruto switches his WizarDriver into transformation mode, and scans the new ring against it.

WizarDriver: Infinity! Please! Hi-Sui-Fu-Do-Bou-Zaba-Byu-Dogon!

With this ring scanned, Haruto is encircled by a diamond-colored circle of sigils, which rises over him, turning the Wizard suit silver with diamond armor, and changing his helmet into a more crown-looking diamond form.

Ty Rux: Time to get… supercharged!

They glowed and it was awesome!

Me: AWESOME!

The blasts all hit him and exploded!

Me: It's over D-Structs!

D Structs: You think you've won?! (gets out Dark Orb) Think again!

D Structs used the Dark Orb to make himself giant.

D Structs: How do you like me now?!

He was huge!

Nico: The Bigger they are the Harder they fall!

Then D-STROY APPEARED!

Nico: You must be D Stroy. Why work with your brother again?

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Carlos Mora, the next member of The Order of Nuestra Señora de la Santa Muerte.

Carina Catsith has transformed into SUPER ANGEL-THE FABLED CATSITH-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED CATSITH ANGEL OF DIVINE DARK FABLED CATSITH IMP JUSTICE AND DIVINE FABLED CATSITH IMP LOVE!

We were amazed by Carina Catsith's Super Angel-The Fabled Catsith-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Carlos Mora saw it, he went insane and he got out his sacrificial knife again, this time to stab his hated enemy, but Carina Catsith fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Carlos Mora, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Carina's transformed.

Lincoln: Yeah, and she really sent Carlos Mora back with that energy blast she fired and that really pissed him off now, and Carina, you look beautiful, how do you feel?

Carina Catsith: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Catsith and Divine Darkness Light Fabled Catsith Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Carlos Mora once and for all?

Lincoln: (Smiles) With pleasure, Carina.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Carina Catsith and Matt Olsen.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Carlos Mora, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Carina Catsith, Lincoln, and Matt Olsen went after Carlos Mora, and they fired extremely powerful blasts of rainbow energy, black energy, dark blue energy, hatred, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Carlos Mora and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Carina Catsith sent her three imps and Lincoln summoned his own imps and they sent them at Carlos Mora, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes, and Matt Olsen sent ravens at him and Carlos Mora got scratched.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal. Plus, Matt Olsen sent some ravens to scratch Carlos Mora.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Carina Catsith, her hand-cannon Blaster is known as The Fabled Catsith's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Catsith surrounded by imps and light etched on the sides, and a red gem on the top of the blaster.

Then, another beam of light descended and another hand-cannon Blaster appeared, this time for Matt Olsen, his hand-cannon Blaster is known as Shagon's Earth Regent Hatred Harbinger Dark Angel Fury, and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark blue with green flames on the blaster and with a Phoenix, Angel, and Shagon surrounded by darkness etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Carina Catsith, and Matt Olsen aimed their hand-cannon blasters at Carlos

Mora.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Carlos Mora!

Carina Catsith, Lincoln, and Matt Olsen fired blasts of rainbow energy, black energy, dark blue energy, and elemental forces at Carlos Mora and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Carlos Mora and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Carlos Mora and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Carina Catsith and Lincoln gave Gabriel Pacheco The Black Gates for good. We cheered as Carina Catsith, Lincoln, and Matt Olsen holstered their massive greatswords on their backs and powered down, and Carina Catsith's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Matt Olsen's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent.

Carina Catsith: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Carlos Mora for good, Matt and Linky.

Lincoln: (Smiles Warmly) You're welcome, Carina.

Matt Olsen: Glad to help, now we got rid of another heretic from that dark Order.

Matt Olsen went back to us, only to get hugged by Will Vandom, and they shared a kiss as we cheer wildly for them, and suddenly, Carina Catsith wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Carina Catsith's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Catsith flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Carina Catsith absorbed the light and they came back to us as the display and The Fabled Catsith vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Carlos Mora's death, now there are only ten members of The Order of Nuestra Señora de la Santa Muerte.

Carina Catsith: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Eduardo Olivares, which means it'll be Elisa Cerburrel's turn.

Elisa Cerburrel: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Fluoress, Gob, Bulbo, Pluckbill, Spytrap, TooToo, Fiddlement, and Blow't.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Mordeurd'élément Sisters: Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine

Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément.

Lincoln: My Guardian Angels from France, and they also hate the jerks with a blazing passion.

Nico: Oh boy, I hate to find out what they've done to earn their hatred.

Lincoln: Trust me, you'll wish they were all begging for mercy when you all hear the tale tomorrow.

Ty Rux: At least there won't be much rebuilding needed this time.

Maria: Ty, there's hardly any damage to the crater at all

Me: No we're 500 klicks away from the city so that saved the city from being damaged.

Xenia: Thank goodness.

Lola: But that was awesome!

Garby: Yeah it sure was!

Swordsman: You're gonna love it at Gotham Royal York.

Ty Rux: I sure will!

Dirty Bubble: Especially now that D Structs won't be bothering you anymore.

Brain (to the Beyblade Metal Fusion gang): You guys helped too.

Gingka: We sure did.

Ty Rux: I hope you guys can wait for us. until February 7.

Gingaka: Don't worry! We'll be patient.

Ty swung his tail at Gingka but he caught it, with the two of them smiling the whole time.

Dr. Destiny: And don't worry about about being too big for the Estate

Onyx: After all, the Transformers DO live with us, don't they?

Me: Yep.

Nico: They sure do.

Ellie: But thanks guys we owe you one.

Me: We'll see you guys in 10 days.

Gingka: You too.

They left.

Nico: But this was awesome! Number 4 of the big missions done.

Matt Olsen: You got that right.

Nico: Yep. Great job Matt. And great job to all of you guys.

Will Vandom: But Matt the most.

Matt and Will kissed and it was awesome.

Nico: Aww.

Ty Rux: (To the viwers) Construction work is a big job and it's all very dangerous work. But with it comes a lot of progress.

Me: Yep it sure is. Safety first and that is top priority.

Qin: Yep.

We teleported Truxopolis to Gotham Royal York and we call it the Truxopolis Sector and we went back home and got the Trux settled in and enjoyed the rest of the day and went to sleep.

THE END

The next match-up in this saga is Elisa Cerburrel - Gene-Slammer of The Fabled Cerburrel and Lincoln VS Eduardo Olivares

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Transylvania, Romania, and one of the places where legends of vampires have been told here, and we're going to destroy another old enemy of The Z-Fighters, Lord Slug, along with his agents, Commander Zeeun, Angila, Wings, and Medamatcha, who've been brought back from the dead to get revenge on The Z-Fighters for killing them, and even worse: it was done by Dark Orbs used by Eduardo Olivares of The Order of Nuestra Señora, but before he could implant the Dark Orbs in them and make them slaves of The Order of Nuestra Señora, Lord Slug double-crossed him and he and his cohorts implanted The Dark Orbs in themselves and tried to kill the religious fanatic and heretic, but he escaped, and vowed that Santa Muerte would have their heads, but this act would also piss off Maria Garcia and the Fabled Gene-Slammers even more than before. And we're going to meet Gene-Slammers for Fluoress, Gob, Bulbo, Pluckbill, Spytrap, TooToo, Fiddlement, and Blow't, their names are

Audrey Mordeurd'élément, The Fluoress Gene-Slammer

Brigitte Mordeurd'élément, the Gob Gene-Slammer

Chloe Mordeurd'élément, the Bulbo Gene-Slammer

Elise Mordeurd'élément, the Pluckbill Gene-Slammer

Lucille Mordeurd'élément, the Spytrap Gene-Slammer

Delphine Mordeurd'élément, the TooToo Gene-Slammer

Dior Mordeurd'élément, the Fiddlement Gene-Slammer

And Muriel Mordeurd'élément, the Blow't Gene-Slammer

These eight sisters are Lincoln's Guardian Angels from France and classmates in Cooking, but they're also capable of devouring even the biggest foods, it's said that they also devoured even the coldest foods and the hottest foods and their teeth wasn't even phased at all. The reason for that is they're the cousins of Shaggy Rogers of Mystery Inc. They and the Louds, especially Lynn Sr., made a gigantic 100 x 100 Pizza, and they and Lincoln, alongside Lynn Jr., managed to devour it entirely. Their last name Mordeurd'élément, means Element Chomper in French. They, alongside Lincoln, even managed to make an ice cream sundae that has 1,000 gallons of ice cream with various flavors 600 gallons of chocolate and strawberry syrup, 4,000 cans of whipped cream, 50 pounds of sprinkles and 40,000 cherries, and they and Lincoln devoured it entirely. Yet after eating the sundae, they never got fat at all. While they're at the park before the hot dog eating contest one day, they each kissed Lincoln on the lips, and they hate the jerks with a passion.

We're going to battle The Betrayer from Huntik Next and we're going to make that evil monster pay and destroy that evil monster and give him the black gates.

see you all tomorrow.

# VENGEANCE OF THE BLOOD SPIRAL

The Betrayer is Back.

Also The Alchemy Beast Gene-slammers, Gem Cavvenport, Elaine Wittgenstein, Estella Skyla, Leona Terra, Olivia Orrovia, Salene Sallamandia and Nalania Cherikova were all with us. First we were relaxing and most of us were in our swim clothes and we were having a great time.

Me: Ahh this is the life.

Xenia: Boy you said it.

Zuria: Yeah it sure is nice here.

Lola: Boy you said it.

Me: Boy look at that beautiful blue sky.

Gina Green: It sure is beautiful.

Qin: I'll say. Gina I'm so glad you're feeling so much better.

Gina Green: Me too Qin. But I'm not sure how I'm going to be when I return to Camp Lost River. Everyone there hated my guts.

Me: Gina don't say that. We'll be there with you to support you and help you and explain what went down.

Nico: Yeah Gina. We promise we'll help out any way we can.

Thing: You got that right.

Zuria: Yeah Gina. Believe me I came really close to death myself.

Gina Green: You did?

Zuria: Yeah. I nearly lost my legs because of that plant monster.

Gina Green: Oh man!

Me: Yeah it was bad.

Zuria: Yeah but J.D. saved me.

Camie: It's good he did.

Thing: It sure was good he did.

Stonedozer: But still coming to the beach is always fun.

Me: Yep.

Nico: Thing, I want to thank you, Stonedozer, and your teams for coming.

Thing: No problem Nico. I'm glad we can come along.

Qin: It's so awesome.

Estella Skyla: I hope we get to kick Team Skulls butts like we did last time.

Nalania Cherikova: Me too. That will be so awesome.

Gem Cavvenport: Yeah it sure will be.

Nico: Babs, what do you like to do in your free time?

Babs Bunny: I like to hang out with Buster and my friends.

Qin: Cool cool. And the voice impressions you do are so awesome and fun.

Babs Bunny: They sure are. (Impersonating Cher) As long as singing is in my career and always will be.

Me: Hey that was good Babs.

Qin: I love Cher. She is great.

Xenia: She sure is.

Camie: Yeah!

Cassidy was swimming in the water with Elaine Wittgenstein and they were having a lot of fun.

Nico: Can you do male voices as well?

Babs Bunny: I sure can. (Impersonates Elmer Fudd) Be vewy vewy quiet. I'm hunting wabbits. (Laughs)

We laughed at that.

Me: That's really good!

Qin: Yeah it is!

Camie: It sure is!

Olivia Orrovia: Boy they sure were!

Leona Terra and Nicole came back and they brought a huge pirates treasure chest.

Me: Whoa what do you guys got there?

Nicole: Me and Leona found a 16th Century Pirate Treasure buried on the beach.

They opened it and in it was a bunch of jewels and gold coins!

Qin: Whoa! That is a lot of treasure!

Xenia: No kidding!

Me: Yeah! Awesome find guys.

Leona Terra: Thanks. It sure was cool.

Nico: Yeah it was! Also yesterday's mission was just as fun.

Eli: It sure was.

Xenia: Yeah it was!

Nico: Ty and his friends are adapting well in Gotham Royal York?

Me: They sure are. And they even are volunteering to help with future construction projects and operations.

Xenia: Hey that is awesome.

Lola: I'll say!

Lana: I think that's so cool!

Varie: You got that right.

Gina Green: It sure is cool.

Zuria: But yesterday's mission was still awesome. And we did not expect them to build a massive city like that in such a short amount of time.

Laney: That was all an amazing shock to see that.

May: It sure was.

Nico: That's one way to pass the time.

Maria: I'll say. That is so cool though.

Aylene C.: It sure is.

Lana: It's awesome having Ty and friends with us.

Camie: Yep it sure is.

Me: And D-Structs and his Brother are now in prison and they can argue and hate each other as much as they want in prison now.

Eli: Yep.

Nico: Not a bad way to kick off the 1st month of the year.

Lola: Yeah.

Nico: We just have to wait a bit longer to help Gingka and his team.

Me: I know. Besides it's only 10 days. They will be fine.

Nico: Yeah they sure will.

Eli: They are strong and powerful.

Lola: Yep.

Lucy Loud: Yeah they'll be okay.

Brittney: We just have to wait.

Me: For now lets enjoy our time to relax here.

Nico: We still have to keep an eye out for trouble though.

Thing: I know. But it'll be awesome clobbering those dirt clods of Team Skull.

Xenia: It sure will.

Varie: Yep.

Then we heard demonic laughter.

Nico: Uh oh!

Me: Oh that's the new Team Skull Attack Alarm that we built. It lets everyone know that Team Skull is coming.

Nico: Very clever. And the Demonic Laughter fits it perfectly.

Xenia: Yep.

Me: Lets get ready guys!

Nico: I was just about to suggest that.

Eli: Here they come!

We saw thousands of them!

Thing: It's Clobberin time!

Me: Time to Crack some SKULLS! (LAUGHS) Hey that's a good

one.

Eddy: (LAUGHS) I like that one.

Me: Yep. And I got just the Magisword for this. (SPINS MAGISWORD BRACELET)

FISH HEAD MAGISWORD!

Nico: Ooh that one looks like a fish bone carcass.

Me: I know.

Gina Green: Fitting.

Qin: Yep.

Nico: Lets get them! CHARGE!

We went at them! THEN WE STARTED SMASHING THEIR SKULLS IN!

KRASMASH KRABLAM! KRAWHAM!

I was bashing their heads in all over the place with the Fish Head Magisword!

Stonedozer charged at them.

And smashed them down.

Me: I got an idea!

ELMER THE GLUE MONSTER MAGISWORD!

It looked like a stream of glue that was glowing green and it had Elmer's face on it.

Me: You guys are in a Sticky Situation!

I fired waves of glue and stuck them to the ground.

Me: Nico! Bowling Pattern ΔEΩ!

Nico: You got it!

Nico used the powers of Carmen Dillo and rolled up into a tight ball!

I used Goliath's powers and picked him up.

I ran and rolled Nico and then…

KRABLAM! BOWLING STRIKE SOUND!

Me: STEEEEEEERIKE!

The Team Skull Members were crushed by a huge bowling strike!

Camie: YEAH!

Nico: STRIKE!

Gina Green: That is awesome teamwork there.

Qin: It sure is! (Gasp) Gina look out!

She fired a blast of fire and it hit a Team Skull Member behind her and blasted him down.

Qin: Always watch your back Gina.

Gina Green: Thanks Qin.

But then came a huge shower of spit and we saw numerous Team Skull members flying with jet packs and they were firing spitballs at us!

Eli: OH SICK! That is gross!

Eli lashed out firing a blast of Force Lightning, striking one member of Team Skull, sending him spiraling like a deflating balloon, striking another member of Team Skull in a large explosion. They all fell to the ground and the spitting members fall all around us The explosion has wiped out the entire group, leaving all of them battered, bruised, and beaten.

Nico: NICE!

May: Glaceon, Ice Beam!

Glaceon fired an Ice Beam blast and froze numerous members of Team Skull in blocks of ice.

Gem Cavvenport: Top this! MOON SLICER BARRAGE!

She fired a barrage of crescent moon energy blades and smashed the members of Team Skull!

Qin: Feel the heat!

She fired a wave of fire and burned them.

Me: Top this too!

PIXELS GHIDORA MAGISWORD!

It looked like Ghidora from the 1988 game Godzilla: Monster of Monsters for NES.

I fired waves of lightning and blasted them all over.

Qin: YEAH!

Nico: Awesome!

Nico: When Yan Lin's missions start, remind me to ask Lightning Lord about that picture of the Legion of Superheroes that we saw.

Me: Noted.

Camie used her Quirk and formed an illusion of Mars before it was Terraformed and the members of Team Skull coughed and gagged and their faces had their eyes about to be sucked out and their tongues were being ripped out. It was like something out of the movie Total Recall.

Me: Whoa! Thank goodness Mars isn't like this anymore.

Nico: No shit!

Qin: Yeah that is a horrible way to die!

Nico: Yeah.

Maria: Eli, check if Swartz's creations are close.

Eli: On it!

He concentrated.

Me: Hmm. Wait! I got an idea! Fiona, Maria, Nicole, Natasha, you can use your powers to help Takumi and separate his Wolf Orphnach half from him and have it put in the Masters of Evil.

Fiona Hernandez: Hey that's not a bad idea!

Maria Hernandez: Yeah if we can do that for Himiko we can do so with him.

Nico: Now you're talking J.D.!

I punched a bunch of Team Skull members down and Thing smashed them down.

Qin: YEAH!

Maria: You should do that for the big day. Because I have a feeling the Wolf Orphnach going out of control is part of the main target's plan.

Me: I have that same feeling too. But I will keep that option available for then. But also the Wolf Orphnach has been decided to be part of the M.O.E. and Sailor Felucia has agreed to be its archenemy.

Qin: Wow!

Nico: Yep.

Estella fired waves of wind and blew them away and Olivia fired an energy blast and blasted them.

Elaine Wittgenstein: Try this on! MERCURY QUICKSILVER DELUGE!

She fired a wave of liquid mercury and smashed them down and poisoned them.

Me: Nothing is worse than mercury poisoning.

I fired waves of lightning and smashed the rest of Team Skull down!

Nico: YEAH! Take that!

Me: That's that.

Eli: Swartz's creations are close. 5 klicks and closing.

Nico: Perfect timing.

Then I saw the Mane Ice Beast Record Wonder Ride Book glowing.

Me: The Mane Ice Beast Record Book is glowing. That means the next one is really powerful!

Qin: Yeah I can sense it.

Camie: Me too.

Gina Green: No kidding.

Nico: Who's up today?

Sirius: I will face her this time.

Me: Okay then.

Qin: Wait look at that!

We saw a HUGE GIANT black Crocodile! It was as big as the Lake Placid Crocodile!

Qin: That is a huge Crocodile!

Nico: WHOA! That is big!

Camie: Yeah!

Me: That's as big as the one from Lake Placid!

Gina Green: No kidding!

It stopped in front of us.

Me: Wow you are huge crocodile!

Another Mane Ice Beast Record: (In a girls voice) Yeah I sure am a big one.

Me: (GASP) That voice.

It changed back and was a girl with green hair and blue eyes and had green and black clothes.

Me: (GASP) Regina Green A.K.A. Sailor Devil's Bayou!

Nico: Whoa! Devil's Bayou has a Sailor Soldier!?

Qin: WOW!

Sailor Devil's Bayou: Yep. Also it's great to see you again J.D.

Me: Same here Regina.

Gina Green was in shock and she went over to her.

Sailor Devil's Bayou: (Gasp) It can't be. Gina? Is that you?

Gina Green: Regina?

Sailor Devil's Bayou: Gina I heard you were dead! You were mutilated by a voracious swarm of piranhas!

Gina put her hand on her face.

Gina Green: I was but J.D. saved me.

She and Gina hugged for the first time.

Me: So awesome.

Nico: Am I missing something?

Me: Gina is Regina's long lost twin sister.

Gina Green: You're a sailor soldier? Wow!

Sailor Devil's Bayou: A lot has happened in 17 years.

Me: It sure has Regina.

Nico: So yeah. J.D. saved your sister's life. You're welcome.

Me: We met Gina on the planet Mustafar and she was brought back by the Aparoids and we had to help her out.

Qin: Yeah it was a really scary story.

Camie: Yeah no kidding there.

Lola: It was crazy!

Sailor Devil's Bayou: I can tell. But I'm afraid that Camp Lost River is gone. It had to deal with lots of horrible lawsuits. Sued for every penny it has. Its boss committed suicide and went bankrupt.

Me: Oh man!

Camie: That is crazy!

Nico: Maybe that's for the best.

Me: Yeah it's best to let Gina rebuild her life after what happened.

Gina Green: And all because I was such a bitch! I can't believe I was that vain and evil!

Sailor Devil's Bayou: Gina it's not your fault. You were just a kid back then. You let the power of the spotlight cloud your mind. I know you are a good person and I always have known.

Gina Green then broke down crying and hugged her sister for and cried hard.

Me: Poor Gina.

Qin: Yeah.

Nico: Was she really like that?

Me: Yeah she was. But thanks to the attack of those piranhas it served as a wake up call for her.

Nico: Oh man.

Lola: Yeah.

Me: We'll give you a couple of minutes to help her out Regina.

Sailor Devil's Bayou: Thank you.

Me: Were your mom and dad devastated by the loss of Gina?

Sailor Devil's Bayou: You have no idea. After her death our mother lost her mind. She delve into insanity and years later dad took our little sister Emily with him after she divorced her.

We gasped!

Qin: That's horrible!

Nico: Was it as bad as what happened to Ellie Singh's dad?

Sailor Devil's Bayou: Just as bad! After she dropped off our newborn sister Sarah at an orphanage she ended up sewing her own eyelids shut! She was committed to a maximum security insane asylum in California.

We gasped!

Nico: I think we may have to consider mercy killing her.

Lily: Nico no! Let me help her. I was able to help Tiffany's mom and Ellie's dad. So let me do my magic on her.

Nico: Oh right I forgot about that.

Me: Boy your family was shattered beyond repair. She's not deemed tragically incurable is she?

Sailor Devil's Bayou: No thankfully she isn't. I visit mom in the insane asylum every now and then to check up on her. She is still mentally damaged but she is still in there somewhere under all that broken mind.

Nico: That's good. What about your dad?

Sailor Devil's Bayou: Dad is now a top dog anesthesiologist and he and Emily live in a mansion and they adopted Sarah.

Qin: That's good.

Me: Oh man. I'm sorry Regina. Your family did nothing to deserve this.

Sailor Devil's Bayou: It'll be all right. But I heard about Lily helping out Ellie's dad and Tiffany's mom and I believe in her and if anyone can help save her it's her.

Lily: Thanks Regina.

Nico: I'm sorry your family went through all this.

Juran: (to Nico) I'll get you your shotgun just in case.

Nico: Thanks Juran. But that won't be necessary. I believe that Lily can do this.

Qin: Yeah.

Me: Nico with your permission after your rescue we'll head over to California and help Gina and Regina's mother.

Nico: Granted.

Lily: Good.

Gina calmed down.

Sailor Devil's Bayou: Feel better sis?

Gina Green: (Sniffling) Just hurting inside.

Sailor Devil's Bayou: I know. But just take it easy for a bit. You sit down and cool off. I know we have a lot of catching up to do but we'll get through this. I promise.

Gina Green: Okay.

Zuria went and took her to a beach chair.

Me: Sorry your family went through so much hell Regina.

Sailor Devil's Bayou: No worries. Now we can focus. I take it you guys found Penny?

Me: We sure did. The cops in New York City never could find her because they had no idea that she was half way across the country in the Louisiana Bayou.

Nico: Yeah she was kidnapped and she was being used to find the largest diamond in the World.

Qin: Yeah the Devil's Eye.

Me: The largest diamond in the world. It's as big as your head and it is internally flawless. Priced in at over $900,000,000.00. And it's over in the Smithsonian Institution in Washington D.C.

Sailor Devil's Bayou: Wow! That is amazing!

Me: Yeah it's amazing.

Lincoln: Me and my family adopted Penny and she and Bernard and Bianca are great friends.

Qin: Also she has Cody from Australia as a great Boyfriend.

Sailor Devil's Bayou: Wow that's what I heard! I'm so happy for them both.

Me: We all are. They went through the same ordeal and were kidnapped by terrible people.

Eli: Yeah McLeach and Madame Medusa.

Qin: Those people were awful. But now they are gone for good.

Sailor Devil's Bayou: Good riddance.

Me: No arguments there.

Nico: Yeah.

Juran: Me and Nico will come with as well. In case we need to… you know.

Sailor Devil's Bayou: Understood.

Me: Good. Any other Opponents with you?

Sailor Devil's Bayou: Yes there are. Another version of him.

She pointed to Stonedozer.

Stonedozer: Another version of me!? Whoa!

Me: Wow! Friendly or hostile?

Sailor Devil's Bayou: Friendly and you might get a surprise out of this one too J.D.

Me: I have a feeling this one will be cool.

Xenia: Yep.

Sirius: And I agreed to face you.

Sailor Devil's Bayou: Okay then.

She turned back into Another Mane Ice Beast Record and Sirius flew into the air and fired waves of water and smashed her down and I caught the Wonder Ride Book and it was called Dark Crocodile Swamp Force and it changed into CELESTIAL SEA, LAND AND AIR ANIMAL PLATOON and I went and caught Sailor Devil's Bayou as she was wobbling.

Sailor Devil's Bayou: (Groans) What a headache. But that was awesome.

Me: It was.

I brought her over.

Varie gave her some water and food.

Nico: One down.

Me: Yep.

Then a figure came out and it was a dark version of Stonedozer. It was ANOTHER STONEDOZER!

Me: Whoa! Another Stonedozer!

Qin: Wow! This one is gonna be tough.

Nico: Yep.

Another Stonedozer: (In a girls voice) (Australian Accent) But it's good I found you mates.

Me: (GASP) Sheila Minjarra A.K.A. Sailor Outback!

Nico: Whoa! The Sailor Soldier for Australia!?

Me: The Sailor Soldier for Australia and The Rescuers Down Under.

Qin: Wow! The Sister Sailor Soldier for Devils Bayou?

Another Stonedozer: In a way yes mate. But me and Sailor Devil's Bayou are not blood related. But we do act like sisters in bonds.

Qin: That is cool!

Me: It sure is. Then you must've heard about Cody being kidnapped by McLeach.

Another Stonedozer: I sure have. McLeach was a nasty monster that was after the Great Golden Eagle.

Eli: That's Marahute and she was the last one. But she is now no longer the last.

Laney: We found out that there are 10 more Great Golden Eagles now.

Me: They are growing fast too.

Another Stonedozer: That's good.

Me: Also Wilbur, Orville's brother twisted his back again and he is in a lot of pain.

Qin: (WINCES) OOH! OUCH!

Nico: YIKES! How did that happen?

Me: Bent over while taking care of Marahute's chicks,

Nico: OUCH!

Fluttershy: Oh but I'm taking care of him with Dr. Fauna.

Qin: That's very thoughtful of you Fluttershy.

Zuria: It sure is.

Another Stonedozer: It sure is mates. Poor bloke really put strain on him.

Me: Yeah no kidding.

Kaito: (gets out Boukenger Gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Another Stonedozer: Just to bring down McLeach but you guys have done that for me.

Me: Well we did beat you to the punch on that one. But we also freed all the animals he had captive.

Nico: And we reunited Cody with his mother.

Me: Also Cody and Penny are now boyfriend and girlfriend.

Nico: Yep.

Another Stonedozer: Hey I'm happy for the kid mates.

Qin: We all are.

Me: Yep.

Kaito got an Operation Overdrive Sword and Zocks got a Magistaff.

Another Stonedozer: How is Cody's mom though?

Me: Oh she's doing great. We moved her to Gotham Royal York and she is working over at the zoo. Also we found out that Cody's Dad is alive and well. We found him in a room in McLeach's lair and he was held captive. Cody must have been too distracted to look for him in there.

Nico: No kidding.

Another Stonedozer: Thank goodness he's all right mates.

Xenia: We are too and McLeach is gone for good.

Me: Yep.

Another Stonedozer: Thank goodness. I saw the shot you made J.D. and that was great sharpshooting there.

Me: Not bad huh.

Another Stonedozer: Indeed.

Me: Yeah. Sorry we have to fight like this. But it's to save you from this.

Another Stonedozer: No worries. Come at me and don't hold back mates.

Sougo: (gets out Gaim Ridewatch) The first time McLeach was fought, J.D. and the others met Fairy Tail.

Armor Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Geiz: (Gets out Zeo Ridewatch) Of course, me and Sougo weren't there at the time.

Sougo got GaimArmor while Geiz got ZeoRedArmor.

Me: That's right we did. Fairy Tail just joined us back then.

Xenia: Cool!

Nico: Yep.

Me: Watch this. (SPINS MAGISWORD BRACELET)

XIGBAR THE FREESHOOTER MAGISWORD!

It looked like Xigbar's Arrow Guns and his face and I fired waves of stars and lasers and smashed her down!

Nico: YEAH!

Me: OH YEAH!

Nico: (gets out Stonedozer's Ridewatch) Time to rock and roll!

Nico activated it and fired rocks and smashed her down!

Me: YEAH! And this too!

BOULDER MAGISWORD!

I formed a boulder and kicked it and smashed her down!

Qin: OH YEAH!

Camie: Take that!

Nico: (gets out Mortimer Mouse's Ridewatch) Now, for this!

Nico activated it and fired cheese blasts and smashed her down!

Mortimer Mouse: Wow! That was great! Even though I don't have cheese powers it's fitting.

Me: Yeah.

Nico: Yep.

Me: Now for this.

CHEESE MAGISWORD!

I fired cheese wheels and smashed her down!

Me: Want some cheese Nico?

Nico: Sure?

I gave him a cheese wheel made of cheddar.

Nico was eating it.

May: (gets out Smashstone's Ridewatch) Time for more rocks!

She activated it and blasted her with more rocks.

Qin: YEAH!

Me: Have some candy!

CANDY MAGISWORD!

I fired waves of candy and smashed her down!

Nico: Nice!

May: YEAH! Time for some garbage! (ACTIVATES GARBAGE MOUTH'S RIDEWATCH)

She fired waves of garbage!

Me: Yuck! Hope we clean that up later.

Maria: (gets out Despair Rantaro Amami's Ridewatch) My turn!

She activated it and fired waves of darkness and smashed her down!

Qin: OH YEAH!

Me: And this too!

WOLF O DONNELL MAGISWORD!

It was a Magisword that had Wolf's Wolfen and Wolf's face on it.

I fired waves of lasers and blasted her down!

Qin: YEAH!

Maria: Time to bring out the gators! (ACTIVATES KLAPTRAP'S RIDEWATCH)

She summoned Klaptraps and they bit Another Stonedozer all over.

Qin: Nice one!

Me: Time for this!

NES DONKEY KONG MAGISWORD!

I Threw barrels and smashed her down.

Nico: NICE!

Nicole: Mario VS Donkey Kong! Awesome choice dad.

Me: Yep.

Then Goro and his team consisting of The Ghost of Jeremiah Pratt, Evil Roxas, Pineoctopus, Psycho Yellow and Lord Pain came

Nico: Nice team, Goro!

Goro: Thanks Nico.

Babs: Lets see how you like this! (ACTIVATES MORTIMER MOUSE'S RIDEWATCH)

She fired waves of energy and smashed her down.)

Me: YEAH! Top this too.

CARROT MAGISWORD!

I fired waves of carrots and smashed her down!

Goro: Time to test your might!

Goro went at her and smashed her down with incredible force.

Qin: Nice one!

Nico: YEAH!

Lincoln: Yeah!

Me: The next gene-slammer should be close.

Then a rumble was felt and then out came a STEELIX!

Qin: WHOA!

Maria: A Steelix!

Qin: COOL!

Steelix: (In a girls voice) Sorry to pop in like this.

Nico: Stella Connington! Whoa!

Me: Awesome!

Steelix: Awesome to see you again Nico.

Nico: You too.

Steelix: I got this.

She fired a Hyper Beam blast and it hit Another Stonedozer and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blown down and I caught the ridewatch and purified it and went and picked up Sailor Outback and she was a girl with orange hair and orange and yellow clothes.

I picked her up.

Me: You're back to normal.

I brought her over.

Nico got out a grey leotard and Steelix reverted back and she was a girl with orange hair and had grey and blue steel mill worker clothes on and was covered in soot on her face and arms.

Stella Connington: That was awesome!

Nico: Wanna wear this leotard anyway?

Stella Connington: Sure thing. But I got to shower first.

Me: Being covered in soot like that? I would too.

Nico: Yep.

Babs Bunny: No kidding. What's your favorite memory of Nico?

Stella Connington: My favorite is where me and Nico were working at the Steel Mill and we made huge pillars of steel and brought them over to a construction group.

Me: Wow!

Zuria: That is awesome and cool.

Me: Yep.

Nico and Stella hugged.

Nico: I've really missed you. (Sniffs) And you smell like sulfur too.

Stella Connington: Sorry. But yeah I missed you too.

Qin: Aww.

Nico: Yep.

Me: We're not done yet guys.

Sailor Devil's Bayou: That's right. Hold on mom. We're coming.

Nico: If things go bad, I promise that I'll make it quick and painless. She won't even go to the Warp or get the Black Gates.

Sailor Devil's Bayou: I know.

Me: Stay close guys.

I used Instant Transmission and teleported us.

We were in front of the Napa State Hospital.

Sailor Devil's Bayou: Here we are.

Me: Napa State Hospital.

Qin: Wow. At least she's not in Atascadero.

Me: Yeah.

We went up to the entranced.

Guard: Visiting hours is 10 to 4 Monday thru Friday.

Me: Sorry sir. Team Loud Phoenix Storm business.

Guard: Oh of course. Sorry about that.

Me: Thank you.

We went in.

Sailor Devil's Bayou: Right this way guys.

Me: Gina you better stay back until after we cured your mom.

Gina Green: Okay.

We followed Sailor Devil's Bayou to her moms room.

Sailor Devil's Bayou: Here we are.

Nico: Okay.

She knocked on the door.

Woman: Come in.

She and Lily went in.

Sailor Devil's Bayou: Hello mom.

Mrs. Green: Oh hey Regina. Didn't expect you here on a Sunday.

Sailor Devil's Bayou: Sorry mom but we have something amazing you are gonna want to see. But first we need to cure you.

Lily: My name is Lily Loud and I'm part of Team Loud Phoenix Storm. Let me cure you first.

Mrs. Green: Okay.

She spread her wings of water and enveloped her in a ball of water and she was being cured and then when she was done she came out with a massive headache.

Mrs. Green: (GROANS) What a headache.

Lily: But you're better now.

We came in.

Mrs. Green: Oh wow. Team Loud Phoenix Storm it's an honor.

Me: Pleasure to meet you ma'am.

Nico: Are you all right?

Mrs. Green: I think so. My head really hurts. I feel like my brain was being destroyed somehow.

Laney: It's an ugly story.

Me: But we have someone here that you are going to be thrilled to see.

Gina came out and Mrs. Green gasped in shock.

Gina Green: Hey mom. I'm back.

Mrs. Green: Gina? You're alive!

She and Gina hugged for the first time in 17 years!

Juran whistled innocently with the shotgun behind him.

Nico took the gun and sealed it in a scroll.

Mrs. Green: Gina it's a miracle!

Me: It sure is. We have one helluva story to tell you.

We told her everything that happened. She was floored.

Mrs. Green: So you saved Gina and she died because of her injuries and then 17 years later, she gets revived by the Aparoids on Mustafar and then you saved her?

Me: That's the whole thing in a nutshell.

Mrs. Green: Oh man.

Me: Camp Lost River is gone now.

Xenia: Yeah.

Camie: They faced terrible lawsuits and lost big time.

Varie: Forced to declare bankruptcy.

Nico: Yeah.

Mrs. Green: Oh man. I can't believe I lost my mind. I was so distraught that I lost everything. Including my sanity. Gina, I'm so sorry that I let this get so far out of hand.

Gina Green: It's not your fault mom.

Me: Lets get you to the estate and get you settled in. After everything that happened you need a fresh start.

Nico: I agree.

Xenia: Same here.

Nico: Yeah.

We got her checked out and got her settled in.

Lincoln: Whoa, we're here in Transylvania, Romania, Adriana Ardelean Dracula and Ramona Alucard's home and one of the places where legends of vampires have been told here, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy another old enemy of The Z-Fighters, Lord Slug, along with his agents, Commander Zeeun, Angila, Wings, and Medamatcha, who've been brought back from the dead to get revenge on The Z-Fighters for killing them.

Goku: I never thought we'd deal with those four again, and they're here in Transylvania.

Adriana Ardelean Dracula: (Romanian Accent) Those four will regret ever setting foot here.

Ramona Alucard: (Romanian Accent) You got that right, Adriana, but how the hell did those four come back from the dead?

King Kai: (Telepathically) I can answer that one, Ramona, but Maria, you and the rest of the Fabled Gene-Slammers aren't going to like hearing the answer: those four were brought back through the use of Dark Orbs, and even worse, the one who used the Dark Orbs to bring them back was Eduardo Olivares of The Order of Nuestra Señora, but before he could implant the Dark Orbs in them and make them slaves of The Order of Nuestra Señora, Lord Slug double-crossed him and he and his cohorts implanted The Dark Orbs in themselves and tried to kill the religious fanatic and heretic, but he escaped, and vowed that Santa Muerte would have their heads.

We gasped, but this really really made Maria Garcia and the Fabled Gene-Slammers even more pissed off than ever.

Piccolo: So, now we know who brought them back.

Maria Garcia: (GROWLING ANGRILY) (Spanish Accent) That… stupid… psychopathic, fanatical, good-for-nothing, murderous heretic! When February 7th finally comes, I swear I will have the head of Antonio Maldonado!

Lincoln: Easy, Maria, we'll get him when that day comes, but first, we've got to get rid of Lord Slug, along with his agents, Commander Zeeun, Angila, Wings, and Medamatcha, and then, after our mission today, we'll have the head of Eduardo Olivares, and I want to thank you and your team for joining us, Donkey Kong.

Donkey Kong: You're welcome, Lincoln. But, man, this place sure is spooky.

Nico: And it's no wonder why: it's the setting of Bram Stoker's novel, Dracula, and Sighișoara is the birthplace of Vlad Tepes Dracula, and the country is also dominated by The Carpathian Mountains, a place filled with legends of creatures of the night, terrible violence, and vengeful spirits. Now, let's get going.

We travelled through Transylvania, and the streets of the villages and the city of Sighișoara are empty and the people are hiding. Suddenly, we felt a massive energy signal, and then, we saw our first target heading right for us: Medamatcha. But, before he could attack, Lincoln fired a powerful blast of blood red and black energy which hits Medamatcha and Lincoln sucked out every last bit of blood and energy from him until he turned to dust and he was sent to The Black Gates and the Dark Orb was sent to The Warp.

Lincoln: One down, three agents to go.

We continued on through Transylvania, suddenly, we felt another massive energy signal, and then, we saw our next target heading right for us: Wings, the demonic minion of Lord Slug. But, before he could attack, Lincoln fired a powerful blast of blood red and black energy which hits Wings and Lincoln sucked out every last bit of blood and energy from him until he turned to dust and he was sent to The Black Gates and the Dark Orb was sent to The Warp.

Lincoln: Two down.

We continued on through Transylvania, suddenly, we felt another massive energy signal, and then, we saw our next target heading right for us: Angila, the strongest minion of Lord Slug. But, before he could attack, Lincoln fired a powerful blast of blood red and black energy which hits Angila and Lincoln sucked out every last bit of blood and energy from him until he turned to dust and he was sent to The Black Gates and the Dark Orb was sent to The Warp.

Lincoln: Only one more agent to kill, and then, we kill Lord Slug himself.

We continued on through Transylvania, suddenly, we felt another massive energy signal, and then, we saw our next target heading right for us: Commander Zeeun, the strongest minion of Lord Slug. But, before he could attack, Lincoln fired a powerful blast of energy which hits Commander Zeeun, and he was sent crashing onto the ground, and sent the Dark Orb to The Warp. Then, Lincoln turns the tip of one of his eleven white wolf tails into Cell's stinger, and as he stabbed it into Commander Zeeun's chest, Lincoln began absorbing him until nothing's left of Commander Zeeun except for his clothing and the stinger reverted back, then, Lincoln fired an energy card from his massive greatsword with Commander Zeeun's soul inside, which was sent to The Black Gates.

Lincoln: That's it for Lord Slug's loyal henchmen, now to get after Lord Slug.

Suddenly, we saw Fluoress, Gob, Bulbo, Pluckbill, Spytrap, TooToo, Fiddlement, and Blow't appear before us, and with them are the four girls.

Nico: Wow, that's Fluoress, Gob, Bulbo, Pluckbill, Spytrap, TooToo, Fiddlement, and Blow't, awesome.

Fluoress: (French Accent) That's right, and we rescued the four girls before Lord Slug came back, or any of Adriana and Ramona's old enemies came after them.

Lincoln: (Gasps) That French accent, I knew it was you, Audrey Mordeurd'élément, along with Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément, it's awesome to see you again, but we'll talk later, we got trouble coming for us.

We then felt a massive energy signal, and we saw our final and main target: Lord Slug, and he was indeed enraged.

Lincoln: Right on time. Let's take this to a better location.

Lincoln snapped his fingers and we were all on Planet Glaren, then, he fired a rainbow energy blast at Lord Slug, which sent him crashing onto the ground, he got back up, but now, he was enraged.

Lincoln: You're the last one left, Lord Slug, and now, to make sure you never come back.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's

Then, Lincoln ripped Lord Slug's arm off which had the Dark Orb in it, and he ripped the Dark Orb out and sent it to The Warp and he also absorbed Lord Slug's severed arm. But, that allowed Lord Slug to regenerate a new arm, however, Lincoln was ready for that: he turns the tip of one of his white wolf tails into Cell's stinger, and as he stabbed it into Lord Slug's chest, Lincoln began absorbing Lord Slug. Then, as soon as Lincoln was done absorbing Lord Slug, an energy card was fired from his massive greatsword with his soul trapped inside, and then, he was sent to The Black Gates forever. We then wound up back on Earth, and we cheered as we holstered our weapons and powered down.

Nico: Looks like that about does it, Lord Slug and his minions have been killed and sent to The Black Gates.

Lincoln: And we sent all the Dark Orbs that brought him and his minions back from the dead to The Warp and foiled Eduardo Olivares' revenge plot against us, now we'll kill him later on. Audrey Mordeurd'élément: (French Accent) You too, Lincoln.

Brigitte Mordeurd'élément: (French Accent) It's really been such a long time since we last met.

Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe

Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément went up to Lincoln who hugged each of them, and Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you eight since you were seventeen, and as you can see, I really grew a lot since then.

Chloe Mordeurd'élément: (French Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, these eight girls are Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément, they're my Guardian Angels from France and classmates in Cooking, but they're also capable of devouring even the biggest foods, it's said that they also devoured even the coldest foods and the hottest foods and their teeth wasn't even phased at all.

Me: Wow, that's really awesome. But, that suddenly reminds me of someone we all know.

Lincoln: That's right, the reason for that is they're the cousins of Shaggy Rogers.

We gasped.

Nico: Of course, that explains it, Shaggy is literally a living garbage disposal when it comes to food, even the biggest foods ever, and coldest and hottest foods. I never knew he had cousins.

Me: Same here, and we'd known each other since we were kids and living in Colorado at the time.

Lincoln: I was also stunned myself when they told me. Anyways, they and all of us, especially Dad, made a gigantic 100 x 100 Pizza, and we, alongside Lynn, managed to devour it entirely. Their last name Mordeurd'élément, means Element Chomper in French. We even managed to make an ice cream sundae that has 1,000 gallons of ice cream with various flavors 600 gallons of chocolate and strawberry syrup, 4,000 cans of whipped cream, 50 pounds of sprinkles and 40,000 cherries, and we devoured it entirely. Yet after eating the sundae, we never got fat at all.

Nico: (Whistles) You must have some sort of really massive metabolism if you can eat all that food and not get fat at all.

Lisa Loud: I'm afraid you're right. In addition to having all the genes of our parental units, including the hyperpuberty gene that Becky Long described, Lincoln also has a really massive metabolism that means he never puts on weight at all, and all the food he eats is converted into energy for his rapidly developing muscular system, which allowed him to gain muscle mass at a rapid state of working out.

Me: Wow! That's literally incredible!

Lincoln: That's right, and while we were at the park before the hot dog eating contest one day, they each kissed me on the lips.

Nico: Wait, the winner of that hot dog eating contest, that was you?!

Lincoln: Yep, and they hate the jerks with a passion.

Me: Should've known, and I hate to find out what those jerks did to earn their wrath.

Audrey Mordeurd'élément: (French Accent) Trust us, you will not like what we're going to tell you. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Lincoln: Let me guess, you and your sisters want to give me your blood, right?

Audrey Mordeurd'élément: (French Accent) How did you know?

Lincoln's harem and Guardian Angels showed the marks Lincoln left on them when he fed on their blood.

Muriel Mordeurd'élément: (French Accent) Oh, right.

Lincoln went up to each one of the Mordeurd'élément Sisters, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Audrey Mordeurd'élément: (French Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Audrey Mordeurd'élément: (French Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément.

Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Samantha "Sam" Knight and Azra Ürgüp from Code Lyoko and Tara and Dina from Totally Spies!.

Lincoln: Oh wow, it's Samantha "Sam" Knight and Azra Ürgüp from Code Lyoko and Tara and Dina from Totally Spies!

Nicole: Wow, awesome.

Sam Simpson: (Gasps) Oh man, Tara and Dina were among the group, that's awesome.

Sissi Delmas: Along with Sam Knight and Azra, that's incredible.

Lincoln: I never knew you, Clover, and Alex knew Tara and Dina, Sam, same with you knowing Sam and Azra, Sissi, and Jeremie and the others are in for a big reunion with their friends from their old school. Are you girls okay?

Tara: Yes, we're okay, thanks to you.

Then, when Tara and the other three girls saw who it was that saved them from Lord Slug and his minions, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Samantha "Sam" Knight: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Samantha "Sam" Knight: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Samantha "Sam" Knight, Azra Ürgüp, Tara, and Dina with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Lord Slug, Commander Zeeun, Angila, Wings, and Medamatcha, who've been brought back from the dead to get revenge on The Z-Fighters for killing them, and even worse: it was done by Dark Orbs used by Eduardo Olivares of The Order of Nuestra Señora, but before he could implant the Dark Orbs in them and make them slaves of The Order of Nuestra Señora, Lord Slug double-crossed him and he and his cohorts implanted The Dark Orbs in themselves and tried to kill the religious fanatic and heretic, but he escaped, and vowed that Santa Muerte would have their heads, but this act also pissed off Maria Garcia and the Fabled Gene-Slammers even more than before.

But, when Lincoln showed what he did to the first three by firing three blood red and black energy blasts at Medamatcha, Wings, and Angila, and he sucked out every last drop of their blood and energy which turned them to dust and sent them to The Black Gates, then, using Cell's absorption technique on Commander Zeeun and sending him to The Black Gates, and finally, all of us beating down

Lord Slug, and then, Lincoln using Cell's absorption technique on him and sending him to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and the Mordeurd'élément Sisters have a lot of catching up to do, now that they're back in town.

Maria: Oh man, those heretics really crossed yet another line in bringing back another enemy of the Z-Fighters.

William: And even worse, two of our old friends from Kadic Academy were almost killed by that tyrant, along with two more of Sam, Clover, and Alex's friends, and Lincoln, that was one slick move using your vampiric attack on the first three.

Lincoln: And using Cell's absorption technique as well. But, of course, this also pissed off Maria Garcia and her friends even more.

Me: Yeah, now they're really out for the blood of those heretics.

Nico: And they're not going to stop until every last member of The Order of Nuestra Señora de la Santa Muerte is lying dead in a pool of their own blood.

Lincoln: That's right.

---

After destroying Lord Slug, along with Commander Zeeun, Angila, Wings, and Medamatcha and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel

Mordeurd'élément saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Audrey Mordeurd'élément: (French Accent) Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years.

Brigitte Mordeurd'élément: (French Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Audrey Mordeurd'élément: (French Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Chloe Mordeurd'élément: (French Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Audrey, what memories did you and your sisters have with Lincoln?

Audrey Mordeurd'élément: (French Accent) I was hoping you'd ask. We remembered this one time at Lynn's Table, we were eating some Lynn-Sagna for a little lunch date. But, then our lunch was rudely interrupted by the jerks who wanted revenge again, so Lincoln fired blasts of darkness at them and all of them were tied up in dark energy ropes, and the cops came and took them all back to jail or the nuthouse.

Nico: Interrupting a lunch date and all for revenge again, yep, that sounds like the jerks alright.

Me: And our humiliation fodder's expanding even more, and with Killjoy Huggins, Principal Huggins' dark side, added in, all the teachers and students, even Lincoln and his Guardian Angels, are so looking forward to exacting sweet revenge on him for all the crap he's done.

Lincoln: You got that right.

We got a shower afterwards, and then, Lincoln, Thorn, Dusk, Luna, Android 21, and Launch are heading to Blushing Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Thorn, Dusk, Luna, Android 21, and Launch were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Thorn, Dusk, Luna, Android 21, and Launch had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet. Plus, Lincoln separated the blue-haired Launch from her blonde-haired alter-ego and had her put into The Masters of Evil, but not before he tied her up.

Thorn: Whoa, what is this place, Lincoln?

Lincoln: This, Thorn, is Blushing Beach, I found out from Ash and the others about this place, and it's definitely an awesome place for our first date. Shall we?

Launch: Of course, but I just hope those Team Skull creeps stay away.

Android 21: After what happened today, they'd better.

Lincoln, Thorn, Dusk, Luna, Android 21, and Launch dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Thorn, Dusk, Luna, Android 21, and Launch got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Thorn, Dusk, Luna, Android 21, and Launch, and they hugged the girls in their abnormally massive and powerful muscular arms, and Thorn, Dusk, Luna, Android 21, and Launch placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Me: (Snickers) Looks like someone really enjoyed his beach date, eh, Lincoln?

Lincoln: (In Heaven) It was so awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Thorn, Dusk, Luna, Android 21, and Launch with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Luna: And the dude's got The Hex Girls in his harem now, awesome!

Nico: Along with Android 21 and Launch. Plus, I couldn't forget what Lincoln did to separate Launch from her blonde-haired violent alter-ego, but he stood his ground against her and tied her up.

Lincoln: It's thanks to my experiences of dealing with Lori, Lynn, Lola, Lisa, and Luan whenever their Dark Sides act up and try to kill me, which was practically every time.

Nicholette Torrington: (Shudders) I don't even want to know how you've had to deal with that blonde alter-ego.

Chi-Chi: It wasn't easy, and she's a loose cannon. Thank goodness Lincoln knew what to do with her.

Bulma: Which was to tie her up before she got out of hand.

---

Later it was time for Cassidy's 3rd Ambassador Mission.

Me: I have a feeling this will be awesome.

Xenia: It sure will.

Lola: Yeah this will be good.

Camie: You bet it will.

William: Anyone else want to go with Cassidy? Besides Mack and Akira?

Twilight Sparkle: Me and my friends will go nex.

Nico: Awesome!

Me: You girls will love meeting Takumi and his team.

Lola: Yeah they are cool.

Nico: Yep. All right lets head out!

We were off to Japan.

---

TOKYO, JAPAN.

---

We arrived in Tokyo and we saw them fighting the Dragon Orphnach!

Me: There they are!

Twilight Sparkle: So that's an Orphnach!?

Me: The Dragon Orphnach! I remember that freak! He was tough.

Nico: Yep. Lets go!

We flew at them.

Takumi bashed him down.

Then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and a phoenix cry was heard and then we came out and I fired a blast of energy and Lincoln fired a blast of lightning and we hit it and it exploded in a massive blast of blue fire.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was dead!

Nico: Take that!

Me: Dragon Orphnach you have failed this city!

Takumi: Hey guys! Thanks.

Me: No problem Takumi.

Cassidy: Guys, meet Mack Hartford and Akira Akatsuki.

Mack: Awesome to meet you. I'm the leader of the Operation Overdrive Rangers.

Me: You guys might know them as the Boukengers here in Japan.

Takumi: Awesome!

Akira: And I'm the leader of the Disk Wars Avengers.

Disk Wars Iron Man: Awesome to meet you guys.

Mari: Awesome to meet you.

Me: We met Akira and his team after the War with The Royal Defenders. It was one of the most epic battles we've ever had and they introduced us to a new prison called the DISK Prisons.

Nico: Check it out.

Nico pulled out a DISK and it was for DISK Wars Carnage.

Nico: That was an awesome adventure we had and Akira and his team are all really cool.

Akira Akatsuki: Yes we sure are.

Mari: Wow that was cool.

Takumi: And I remember hearing about the War with The Royal Defenders! That was an epic battle.

Me: Yep. It's where we met their version of Twilight and friends here.

Mari: Oh wow!

Twilight Sparkle: Pleasure to meet you all. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer the Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack the Princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity the Princess of Generosity and the Water Skylanders.

Fluttershy: I'm Fluttershy the Princess of Kindness and the Life Skylanders.

Pinkie Pie: I'm Pinkie Pie the Princess of Laughter and the Team Skylanders.

Rainbow Dash: I'm Rainbow Dash the Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer the Princess of Empathy and the Undead Skylanders.

Takumi: Wow it's an honor to meet you all.

Mari: Same here.

Me: Many of our big major adventures were with Twilight and her friends.

Nico: Yep.

Eli: Yeah.

Nico: They honestly have been good friends since we first met them.

Me: And they helped bring us all closer together than ever with their lessons and teachings on friendship and bondings and they are all really interesting.

Takumi: Wow that is amazing!

Twilight Sparkle: It sure is.

Lincoln: And Twilight and friends are some of my awesome future wives.

Me: Lincoln has a massive harem now and so does me and Nico.

Nico: Yep it's true.

Eli: I am just happy with Nunnally.

Me: Yeah.

Cassidy: And I am now in J.D.'s harem.

Me: (Blushes) It's true.

Mari: Aww that is so sweet.

Me: It sure is.

Nico: Yep.

Takumi: Lets head back to base and talk more.

We did so.

We arrived and sat down.

Nico: So, trouble with your Wolf Orphnach side?

Takumi: Yes. Its getting harder and harder to control. It's coming out whenever it wants to now.

Me: It's getting worse. I think Nico's contingency plan only added more fuel to the fire.

Nico: Oh no.

Eli: Yeah I sense it.

Me: Oh boy. I should have brought the Hernandez sisters with us.

Nico: So, it wants to play hardball, huh? Fine. We can play it that way! (snaps fingers) There. Now, it'll be unable to come out until the big day.

Me: Ooh you put a curse on it that will prevent it from coming out till March 19th. Cool.

Cassidy: That fits perfectly.

Nico: Yep.

Takumi: Thanks guys.

Me: No problem. Just hold on for at least a month and a half.

Lincoln: And it will be over soon.

Takumi: Though if it does come out on that day, don't hold back on me.

Nico: You got it.

Me: Okay. So any problems with Orphnochs besides the one we took down?

Mari: Just really busy taking them down.

Kiba: Yeah we were destroying them.

Mari: Yeah we destroyed the Lobster, Spider, Crocodile and Centipede Orphnochs before you guys got here and you destroyed the Dragon Orphnoch.

Me: That was Lucky Clover's group.

Nico: Yep.

Takumi: Smart Lady is here too.

Me: I remember her! She was Kyoji's assistant.

I went over her history.

---

Smart Lady is the mascot of Smart Brain and a major antagonist in Kamen Rider 555.

She acts as something of an assistant to Kyoji Murakami and is the one who scouted out Yuji Kiba to join Smart Brain. Despite working alongside the Orphnochs, it is unknown if she is one herself, as she never displays any special abilities or traits of one. She is commonly associated with butterflies of the Morpho genus.

She was portrayed by Hitomi Kurihara.

Smart Lady was the one who originally invited Yuji Kiba to join Smart Brain. Over the course of the series, she monitors the actions of Smart Brain's Orphnoch recruits. It is unknown what her fate is at the end of the series, though it is likely she survived.

In the alternate continuity of the movie, Smart Lady acts as a news reporter in addition to being the mascot of Smart Brain, reporting on the dwindling numbers of humanity.

At the end of the movie she is ordered by Wirepullers of Smart Brain to kill Kyoji Murakami for his failures to defeat Kamen Rider Faiz following the deaths of Yuji Kiba and Kamen Rider Psyga.

---

Nico: Yep.

Takumi: Whoa.

Nico: Yep.

Akira: She could be a great Masters of Evil recruit.

Me: I was just about to say the exact same thing.

Eli: Who would she face?

Then a beautiful kaleidoscope of butterflies came in.

Me: Ooh.

Then they formed into a beautiful figure and we saw a girl with neon pink hair, neon pink clothes and pink butterfly wings. She had her own version of the Encyclopedia of Insects Wonder Ride book and her own Smoke Wise Sword Smoke Signal and a tiara on her head that had the symbol of Kamen Rider Sabella on it.

Varie Sabella: Sorry to come in like this. My name is Varie Sabella and I'm the embodiment of Kamen Rider Sabella.

Me: Pleasure to meet you Varie.

Nico: Same here.

Varie Sabella: I heard you talking and I decided that I would face Smart Lady.

Nico: Cool.

Mack: We were wondering when we'd meet you.

Varie Sabella: Yeah sorry about that. Me and the other embodiments got forcibly delayed.

Me: No worries Varie. But it's awesome to have you with us.

Varie Sabella: I'm honored. And I believe this little one knows you Nico.

She had a Dunsparce in her hands.

Me: Hey a Dunsparce.

Nico: Cute.

Dunsparce: (In a girls voice) I'm glad I found you Nico.

Nico: (GASP) Colleen Chad? Whoa!

Me: You know each other?

Nico: Yep. She is a Marine Biologist and knows so much about fish.

Me: Cool!

She reverted back and was a girl with blond hair and had yellow and blue clothes on.

Colleen Chad: That was rough. Sorry about that.

Me: What's your favorite memory of Nico?

Colleen Chad: My favorite is when me and Nico found Hydrothermal Vents in the Puerto Rico Trench and that was cool.

Me: Cool!

Colleen Chad: Yep.

Nico: I've really missed you.

Colleen and Nico hugged.

Colleen Chad: Me too Nico.

Me: We got work to do.

Eli: I'll sense for her.

Nico: I'm giving the next Gene Slammer we meet today a leotard.

Colleen Chad: Thanks Nico.

It was a yellow Leotard.

Eli concentrated and he found her in the park.

Eli: Found her. She's in the park.

Nico: Then lets go.

Takumi: Yeah!

Twilight Sparkle: Lets get her!

We arrived and we saw Smart Lady. She was sitting on a bench.

Me: That's her all right.

Eli: Washed up after Smart Brain got destroyed.

Me: Yep.

We went up to her.

Nico: Hi. You must be Smart Lady.

Smart Lady: Nico Chan.

Me: Hey what are we chopped liver?

?: No that's what I am.

We saw a jar of chopped liver on the bench and a rimshot was heard.

Smart Lady: Strange. Was that there before?

Me: Nah. He appears whenever we ask if we are neglected to be seen or heard or mentioned.

Eli: It's funny.

Nico: Anyway we heard you were causing trouble.

Twilight Sparkle: That's right. We came to stop you.

Nico: So we'll give you two choices. We can do this the easy way where you surrender and join our frenemies as Varie Sabella's archenemy or the hard way where we fight and you lose and you join our frenemies anyway.

Me: So what's it gonna be?

Smart Lady: I choose fight. Simply because you all still need to test out more Mission Memories.

Me: That's a very wise choice.

Varie Sabella: I've been looking forward to some action.

I gave Varie her Legend Items.

Varie Sabella: So I get to have my first ever usual battle. This will be fun.

She unsheathed her sword.

Varie Sabella: I'm ready.

Smart Lady formed a sword of energy.

Nico: WHOA!

Me: It did say that Smart Lady's powers were unknown. Now we know that one of them is Energy Weapon Synthesis.

Sunset Shimmer: That is cool!

Me: By any chance Smart Lady you aren't an android are you?

Smart Lady: No I'm not. I was imbued with special powers that made me unique.

Me: Hmm.

I looked at her with my data eyes and saw that she had nanites in her that made her biomechanical and it gave her special powers.

Me: Whoa! You are totally biomechanical and it gave you special powers thanks to the nanites.

Smart Lady: Very perceptive.

Me: Data eyes.

Nico: Very interesting.

Mack: Overdrive Accelerate!

He turned into OPERATION OVERDRIVE RED!

Akira: Iron Man, D Smash!

He summoned IRON MAN!

Mack: KICK INTO OVERDRIVE! OPERATION OVERDRIVE RED!

Me: YEAH!

Cassidy, Takumi, Kiba and Syuji: HENSHIN!

They transformed And were ready!

Nico: (gets out Lythos and Stonedozer's Ridewatches) This is gonna rock your world!

Nico activated them and threw huge boulders and smashed her all over.

Me: YEAH! Top this! (ACTIVATES LORD DRAKKON'S FAIZ PHONE)

I fired waves of energy and smashed her all over.

Varie Sabella: Here we go.

SMART LADY MAGISWORD!

Her Magisword looked like Smart Lady's Energy Sword with her face on it.

Varie Sabella: Cool!

She and Smart Lady clashed and sparks flew all over.

Nico: WHOA!

Lynn: That is awesome!

Nico: Yeah it is!

Mack: (gets out Titanium Man's Mission Memory) Time for Titanium Power!

He activated it and got an awesome titanium armor suit!

Me: COOL!

But then..

CRASH!

The suit was too heavy for him to lift.

Me: Whoa!

I helped him.

Me: Titanium is lighter than iron. But it is still a dense and heavy metal.

Mack: I can see that.

Me: It's going to take a while to get used to it.

I helped him and lifted up his arms and he fired energy blasts and smashed Smart Lady down.

Nico: NICE!

Eli: Boy that is heavy.

Akira: (gets out Crimson Dynamo's Mission Memory) My turn!

He activated it and got Crimson Dynamo's armor!

Akira: COOL!

CLANG!

His arms fell to the ground.

Nico: Geez!

Nico helped him too and Akira fired waves of energy and smashed her down!

Varie Sabella got out her Wonder Ride Book.

Varie Sabella: Time for you to learn that insects have more power than you think.

Varie got out her Wonder Ride Book.

Varie Sabella: (Reads Verse) "Dryococelus australis, commonly known as the Lord Howe Island stick insect or tree lobster, is a species of stick insect that lives on the Lord Howe Island Group. It is the only member of the monotypic genus Dryococelus. Thought to be extinct by 1920, it was rediscovered in 2001. It is extirpated in its largest former habitat, Lord Howe Island, and has been called "the rarest insect in the world", as the rediscovered population consisted of 24 individuals living on the small islet of Ball's Pyramid."

She summoned a swarm of them and smashed her down.

Me: Whoa I've never even heard of an insect like that.

Nico: Me neither! That is cool!

Eli: That is amazing!

Fluttershy: That is amazing.

We fired waves of energy and elements and smashed her down.

Nico: Wicked!

Lincoln: We had to help Eustace get rid of a fungus like that.

Laney: Yeah Muriel used a cactus to scratch it.

Nico: OUCH!

Me: No kidding! But watch this. (Reads Another verse) "For another remedy the farmer's wife put her husbands food in a bucket full of live lobsters and they pinched it and he screamed in excruciating pain."

CRUNCH!

Smart Lady screamed in pain as she had a bucket of live lobsters on and she shook it off and hurled it at us and had a lobster on her toe!

Varie Sabella: YIKES!

Me: That had to hurt!

Nico: OUCH!

Lincoln: Eustace put his foot in a bucket full of lobsters like that.

Me: OUCH!

Eli: YIKES!

Mack: Didn't it lead to the creation of Big Toe?

Me: That's what Bai Tza said. Better plug your noses guys. (Reads Another Verse) "Then the dog came in with a big tub full of toxic waste and hazardous garbage that smelled horrible and the farmer dunked his foot into it and screamed in pain as it burned it."

The same thing happened to Smart Lady and she screamed in excruciating pain and it burned her foot bad! It looked like a charred stick!

Me: OH MAN!

Nico: OUCH!

Eli: YIKES!

Mack: OH MAN!

Takumi: Boy those Wonder Ride Books are cool!

Me: The infinite power of the imagination works in great wonders.

Eli: Yep.

Cassidy: It sure does.

Takumi: Don't leave me out of the fun! (charges at her)

He went and smashed her down.

Varie Sabella: (Reads a verse) "Papilio aristodemus, the Schaus' swallowtail or island swallowtail, is a species of American butterfly in the family Papilionidae. It is found in southern Florida in the United States and throughout the West Indies. It is named in honor of William Schaus."

She summoned said butterflies and they smashed Smart Lady down.

Nico: WHOA!

Me: I never saw butterflies like those before.

Kiba: Save some for me!

He charged and slashed her all over.

Cassidy and Syuji smashed and slashed her.

Varie Sabella: I'll deal the finishing blow this time.

Me: Go for it Varie.

Varie swung her sword and fired a blast of energy and smashed her down and she was beaten.

Me: YEAH!

Nico: Smart Lady you have failed this city!

Varie went over and helped her up.

Varie Sabella: That was so awesome!

Smart Lady: Boy it sure was.

---

We later came back

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone about it and it was awesome!

May: WHOA! So you guys faced Smart Lady!? Cool!

Qin: That is awesome!

Xenia: It sure was.

May: Next time, Axel Manning and Mike Chilton should go with you.

Me: Good idea!

Qin: Yeah!

Nico: Yep.

---

Later we went to Lynn's Table for lunch and we saw Hinata.

Leanbow: Hinata, there you are!

Hinata: Oh hey guys.

We saw that she already ate 35 bowls of ramen!

Me: JUMPING SASSAFRAS! Did you eat all those!?

Hinata: I sure did.

Lynn Sr. Came out with 15 more bowls of ramen.

We saw her eating them.

Zipp Storm: I think you should go easy on those!

Me: Zipp this is the Queen of Gluttony here. In 150,000 years she ate 46 bowls of ramen.

Nico: Yep.

Qin: It's true and ever since we found out about that we were never going to look at Hinata the same way again.

Misty Tredwell: It's true there. That was awesome.

Nico: Yep.

Naruto: That's Hinata for you and man can she eat that much.

Hinata then finished 50 bowls of ramen!

Nico: Whoa!

Me: Boy Hinata you sure were hungry.

Hinata: It tasted really good.

Sarada Uchiha: Boy Hinata you really love ramen.

Kushina: That's one of my future daughters in law ya know.

Me: Yeah it sure is Kushina.

Sakura Haruno: Yeah she sure likes ramen as much as Naruto.

Me: Boy no kidding.

G1 Thrust: Not even Choji could eat that many!

Choji: (ashamed) I'm ashamed of myself.

Me: Oh come on Choji that's just stinkin thinkin. You can eat other things than just ramen.

Choji: You're right on that. That is true.

Me: Besides. Variety is the spice of life.

Amy: Good luck dealing with that fatso!

We gasped!

Me: OH FUCKING SHIT ON A STICK! NOW SHE HAS DONE IT!

Choji: I'M NOT FAT! I'M JUST BIG BONED! HUMAN BOULDER!

He turned into a huge ball and smashed the jerks down with devastating force! Then a massive eruption of gold and jewels exploded out of them.

Me: WHOA!

Nico: JEEZ!

Strafe: Feel better now?

Choji: Much better.

Hinata: But I'm good too.

Lynn Sr.: Boy I can tell. Hinata you are the greatest eater of ramen ever.

Qin: She sure is.

Hinata: Thanks guys.

Me: But that was awesome. Anyway it's time to get ready for our next mission.

Hinata: Yeah you're right.

We paid for her meal.

Hinata: Thanks Mr. Loud.

Lynn Sr.: No problem Hinata.

We went back to the estate.

---

We arrived back at the estate and then Maria saw something.

Maria: Guys, what's that on the ceiling?

We saw a Gliger!

Me: Whoa a Gliger!

Nico: Cool!

It flew down to us.

Gliger: (in a girls voice) (Transylvanian Accent) Sorry to drop in like that.

Nico: Whoa Anna Tepin XIV!?

Nicole: Cool!

Me: You know her Nico?

Nico: I sure do. She is my friend from Romania and she is a vampire.

Me: WHOA!

Xenia: Wow!

She reverted back and was a girl with black hair and had black clothes and red eyes and had scary vampire fangs.

Lucy Loud: Wicked.

Brittney: You are perfect for the goths of darkness.

Anna Tepin XIV: Indeed.

May: What's your favorite memory of Nico?

Anna Tepin XIV: My favorite is when me and Nico had a blood sausage eating contest and Nico won. I had 500 blood sausages and he had 1,000 of them.

Me: Boy that is a lot of blood sausage.

Nico: Yep.

Nico and Anna hugged.

Nico: I've really missed you. Don't bite me please.

Anna Tepin XIV: I missed you too. But I won't.

May: Were you having fun on our ceiling?

Anna Tepin XIV: I sure was. Just was waiting for you guys.

Qin: We can tell.

Anna Tepix XIV: Got any blood?

I got out some blood from my cooler and she drank it all.

Anna Tepix XIV: (SLURPS) Ahh! He had donuts and cereal for breakfast.

Nico: That was cool.

Magnet Man: Nico, which teams have you made this time?

Nico: Luster Dawn's team will include Molly Molloy, Catherine Torres, Lyra Heartstrings III, Melanie Moondancer, and Althea Aganad. Silverstream's team will include Natsu Hyuga, Wendy Dorrington the Vaxadactylus Gene-slammer, Apple Fritter, Scotsman, and Stone Kirby

Nico: Awesome choices!

Qin: Yeah those are great!

Xenia: I'll say!

Lyra Heartstrings III: That is an awesome idea.

Melanie Moondancer: I agree there too.

Qin: It sure will be cool.

Then the previous group came.

Carmen Dillo: Can me, Rojo, Box Ghost, Jet, Waffle Woman, Swordsman, Dirty Bubble, Pinky and the Brain, Dr. Destiny, and Onyx go with you guys?

Blob: Me, Dogranio Yaboon, Superfriends Scarecrow, Walter Wolf, Cuppa Joe, Spatula Girl, Stinkor, Copper Cranium, Owl (One Night At Humpty's), and Brutus will come too.

Nico: Yes you guys can come with.

Xenia: We don't even know what our mission is but it will be good.

Nico: Yep.

Stone Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Granbull and Qwilfish next.

Me: Ooh! That will be awesome.

Lola: Yep.

Nico: It sure will.

King Kai: (Telepathically) Everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) I've got some bad news: The Blood Spiral's come back and they all want revenge on you guys for what you did to DeFoe and the Organization.

We gasped.

Me: Just as I thought, I knew it was only a matter of time before they showed up.

Lincoln: We'd since gotten rid of DeFoe and the Organization, now it's time to destroy the members of The Blood Spiral.

Nico: Those monsters deserve to pay. So, who's the first of The Blood Spirals we need to deal with?

King Kai: (Telepathically) Actually, it's a two-for-one, Nico: the two Blood Spiral members that are out are The Betrayer and Rassimov.

Me: Let me take down Rassimov, I've got a score to settle with that son of a bitch.

Nico: You got it, J.D.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Eduardo Olivares of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Eduardo Olivares of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Elisa Cerburrel: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Eduardo Olivares for good, excellent. Plus, we also foiled his little revenge scheme in Transylvania today.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got word that two members of The Blood Spiral: The Betrayer and Rassimov are back, and they want revenge on us.

Lincoln: We'll make those monsters pay for their crimes against The Titans, and once we get done with The Betrayer and Rassimov, you're the next one to die, Eduardo Olivares.

Elisa Cerburrel: (Spanish Accent) We'll make the two Blood Spiral members pay for everything they've done, and once they're dead and gone, you better say your prayers, Eduardo Olivares, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Nico: Lets go guys. We're heading to the deserts of Sudan.

We were off!

---

We were flying over the ocean.

Volcana: Sounds like you and Rassimov have history.

Me: I sure do Claire and it's a big one. It was back 7 years ago. I defeated both Rassimov and The Betrayer.

Everyone Gasped!

Qin: WHOA!

Nico: Wait J.D. you have a bad history with Rassimov too as much as the Betrayer?

Lok: Yeah he sure does.

Me: Yes I do. Rassimov and the Blood Spiral and the Betrayer, I have a terrible history with.

Eli: How come bro?

Me: Because I'm the one that defeated The Betrayer and I destroyed all of his power. I vowed 7 years ago today that I would finish the Betrayer and kill Rassimov. And also it was the day that I met Dante Vale and his friends.

Everyone gasped.

Me: Let me tell you all about it. It was 7 years ago today. It's a day that I would never forget. The Betrayer was overwhelming Huntik and he they had them up against the ropes. You wouldn't believe how powerful he was.

FLASHBACK - 7 YEARS AGO ON JANUARY 29TH, 2017

The Betrayer and Rassimov had Huntik down and they were mercilessly blasting them all over and laughing insanely. Huntik's clothes were shredded and they were badly hurt.

Me: (Voiceover) I flew over the deserts of Sudan that day and I saw the Betrayer and Blood Spiral beating them up really mercilessly. I knew I had to do something.

Past Betrayer: NOW DIE WITH THIS PLANET!

But then…

A massive energy blast hit The Betrayer and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared seconds later I made the scene.

Rassimov: (Russian Accent) Who are you!?

Past Me: My name is J.D. Knudson and I'm your worst fucking nightmare!

I fired waves of energy and blasted him all over and blasted his arms and legs off and then I chanted an incantation and stripped him of all his powers and trapped them in a red orb and threw the orb into an asteroid far away from Earth. The impacted shattered the orb and destroyed his powers.

Past Betrayer: NO!

Me: (Voiceover) My power was too much for the Betrayer to handle back then because my powers were getting more and more powerful with each passing day. But then I vowed these words.

Past Me: You aren't worth killing anymore. But you and all of the Blood Spiral had better be ready for me. 7 years from now on this very day I will be back for you with my own team and we all will destroy you all. I swear it.

Me: (Voiceover) Yep. 7 years ago I promised to destroy the Betrayer and Rassimov and all of Blood Spiral and finish what I started. But Rassimov had his own vow of vengeance.

Past Rassimov: I will kill you for defeating my master! I will make sure that you are dead! So when 7 years comes, you will pay for this! I will kill you and then your family and friends and everyone you hold dear!

Past me: Just for that one Rassimov, you have signed your death warrant. You have 7 years to live.

I went and grabbed the Huntik Team and flew out of there.

Me: (Voiceover) Ever since then the Blood Spiral and Rassimov have all been out for my head and they vowed that they would stop at nothing to kill me.

FLASHBACK ENDS

Nico: Whoa man!

Eli: That is a brutal history bro!

Camie: Whoa! I had no idea that the Blood Spiral was that dangerous and wants you dead!

Nico: Yeah!

Me: Yep. It was 3 days before we destroyed The Organization and The Professor.

Lok: Boy I remember that day all too well.

Sophie Casterwill: (British Accent) Me too. That day was when we met J.D. and we were forever grateful to him.

Nico: Whoa! I always wondered how you met the Huntik team.

Eli: That is amazing!

Lola: Yeah!

Dograino Yaboon: The Blood Spiral is probably more powerful then the Organization.

Rojo: I have to agree!

Me: The Organization was merely pawns on a chessboard compared to them.

Qin: But they will pay for everything they did.

Lola: That's for sure!

Xenia: Either way we got to stop them.

Camie: What can you tell us about the Betrayer?

Me: Well he is 100 times worse than the Devil himself.

I went over his history.

---

The Betrayer, also as the "Dark Master" and "The Betrayed", is the main villain of the second season of the 2009 animated sci-fan TV series Huntik: Secrets and Seekers. He is an incredibly powerful and dangerously treacherous undead being who wishes to destroy the Earth. He is the oppressive leader of Blood Spiral Clan. He is the archenemy of both Lok Lambert and the Huntik Foundation.

The Betrayer serves as the minor character until the end of the series where he finaly appears and nearly succeeds in his plans. He was sealed within the Spiral Mark by Lord Casterwill and when that is revealed it is shown that The Betrayer is ancient and was the arch-enemy of the Casterwill family.

The Blood Spiral clan worships him as their god, and would follow any of his orders, some of the members were brainwashed by him.

He also has the Legendary Titan of Betrayal. He is nearly immortal and can do almost anything he wants.

Powers and Abilities

The Betrayer is an exceedingly strong Seeker, having defeated Dante Vale in battle and nearly rendering him immobile with the Shadowlock spell. However, his only weakness is the Blood Spiral Mark underneath his cloak.

As the leader of the Blood Spiral Brotherhood, he may also have access to most of their magical spells.

The Betrayer's personal and primary Titan is Demigorgan, The Legendary Titan of Betrayal.

---

When I was done everyone was shocked!

Qin: He is pure evil!

Lola: If we let that dirtbag live he will destroy everything!

Nico: I agree there. Him and his followers must be destroyed and banished to the Black Gates.

Poromon: Guys, what do you think of me, Nanaphy, Poliwag, and Horsea getting a job together?

Ghoul: What brought this question on?

Poromon: Well we got to work somehow.

Me: Hmm. How about restaurant work? Plenty of job openings at Lynn's Table.

Nico: That's a good idea!

Manaphy: We'll look into it.

Poliwag: But we were thinking work outside of Lynn's Table.

Walter Wolf: What kind of work?

Horsea: Any kind!

Jet: I don't see why not?

Nico: What's the worst that can happen?

Me: Nico please don't say that. Usually when you say that it means something bad will happen.

Nico: Oops.

Qin: Oh boy.

Kraven: What can possibly be worse then the Betrayer and Hiroshi?

Me: Wouldn't it be funny if it was a living cube of tofu?

Jared: That would be funny. But I would definitely like that one.

We laughed.

Dirty Bubble: That's really less worse than the two of them.

Stinkor: Stinkor agree. (LOUD FART)

Nico: Stinkor!

Stinkor: Sorry.

Qin: Yeah I agree.

Nico: Lets worry about that later.

Heckyl: Do you guys have a Titan based on Hyperion?

Lok: Not really sure.

Qin: That would be cool if you did though.

Nico: It sure would. J.D. has a titan for the Thunderbird.

Me: Yep. It's my most recent acquirement.

Lola: Cool!

Qin: Where did you find that?

Me: In the Grand Canyon in a cave. It was awesome.

Xenia: Wow.

Lola: Yep.

Me: I can't believe the Betrayer did an illusion of Lok's dad like that. What a monster!

Dr. Destiny: That's almost like something I would do.

Owl (One Night At Humpty's): Only cruel.

Me: Amplified 100 times.

Xenia: That's one of the reasons he will pay.

Camie: Yep.

Me: Along with Rassimov. They both will get the black gates for this.

Solar Man: Can you guys get additional help from the Huntik Foundation?

Lok: We can do that.

Sophie Casterwill: We'll all have them help us out.

Xenia: Awesome.

Dante Vale: We'll be ready for him too.

Nico: This is gonna be good.

Onyx: Hopefully they can get here quickly.

Brutus: Otherwise, we'll be dead by morning.

Nico: That's not going to happen.

Me: But either way we got to hurry.

Lola: Yeah!

We were flying fast.

Flamefeather: Dante, did you make that call yet?

Dante Vale: I did. They are on their way.

Qin: Good.

Nico: We'll need all the help we can get.

Xenia: We're approaching the wartorn plains of Sudan.

Brittney: I'm sensing a massive surge in dark magic 500 kilometers ahead.

Copper Cranium: They better get here quickly.

Pinky: I'm scared, Brain!

Brain: Relax, Pinky. I won't let anything happen to you.

Then NUMEROUS Huntik Seekers came!

Me: Hey guys!

Den Fear: Looks like we got here just in time!

Lok: You sure did.

Sophie: Thank goodness.

Nico: Look!

We saw a huge pillar of red energy going high into the sky.

Me: Target sighted. But his power is significantly weak. Without his powers he has nothing.

G1 Vortex: Unless he got some of them back!

Maria: Yeah. SOME of them. Not all.

Me: No I sense it. He doesn't have his powers. I made sure he doesn't ever will get them back.

Nico: Good.

Lola: We don't want what happened in the past to happen again.

Me: No he almost killed Huntik before. And I will not let that happen again.

Waffle Woman: Does anyone want waffles before we confront him?

Cuppa Joe: Or some coffee?

Donkey: I'll have some waffles!

Nico: Just one snack but hurry.

Donkey: Okay.

He ate the coffee and waffles fast.

Donkey: Ahh. Fast enough?

Nico: Perfect.

Brawlrus: Entrance time!

Nico: Lets go!

We went at them.

Rassimov was chanting an incantation and The Betrayer was really enraged that nothing was working to get his power back.

Then suddenly the spirits of the titans appeared and they swirled around them and then converged and then a massive explosion blasted the altar apart and then a massive phoenix appeared out of the sky and flew around and then it released a massive shower of fireballs and then smashed them both down and then it blasted away and then out came us.

Me: Hello Rassimov! You and I have an old score to settle!

Qin: Betrayer you will pay for your crimes!

Lok: Surprised to see us?

Superfriends Scarecrow: Scared? You're about to be!

Box Ghost: It's just you two?

Rassimov: (laughs) We're not stupid to have the rest of the Blood Spiral die here by your hands! You'll just have to fight them one at a time in the future!

Dante Vale: At least we can get rid of you two.

Lok: No, Dante. I can't bear to have you get killed by them again. J.D. will handle Rassimov. I got the Betrayer! (clenches his fist) I owe to my dad, after all!

Nico: The rest of us are gonna have the usual battles. I can tell this is personal for Lok.

Me: And it's personal for me too!

Qin: Yeah!

Me: This is gonna be good.

Then Dr. Light, Number 7, Captain Cold, Mysterio, Common Cold, Man Ray, Major Disaster, Cluemaster, Tchang Zu, Johnny 13, Evil Bright Man, Live Action Sentinel, Evil Blizzard Man, Tenaya 7, Crud, Swamp Witch, Evil Winter Man, Bradford Buzzard, Queen Jellyfish, and Boil Man Appeared.

Dr. Light: (to the mascots) The fact that you're asking J.D. and the others about getting a job together is concerning.

Poromon: Is it a crime to get a job by ourselves?

Number 7: He brings up a good argument.

Captain Cold: We're just puzzled you're bringing it up. That's all.

Me: Yep.

Mysterio: (to Nico) We heard you fought Team Skull again.

Nico: We sure did.

Common Cold: They sure are gluttons for punishment.

Me: You don't know the half of it.

Qin: Yeah no kidding there.

?: Yeah.

A figure came out and it was HUMAN BODY SPECIMEN ORG from episode 21 of Gaoranger!

---

The Human Body Specimen Org is a model skeleton-themed Baron Org and the main antagonist in episode 21 of 2001 TV series called Hyakujuu Sentai Gaoranger.

He is voiced by Daisuke Sakaguchi who later voiced Omikuji World and the Great Omikuji World.

The Human Body Specimen Org made his first appearance that night when he acquired a model skeleton from Oniyama Elementary School as he cries out in pain when a student (who was looking for his book) kicks him and then he was then recruited by Yabaiba and TsueTsue.

Later in the morning the Human Body Specimen Org was used for TsueTsue's scheme in order to win Ura favor by setting up a haunted house to lure the Gaorangers into their trap as he was seen when he was used in a spooky classroom as the Human Body Specimen Org was about to ambush Kakeru, but he instinctively attacks the org from behind resulting the scare actors (who were Orgettes in costume) as well as the Human Body Specimen Org out of the haunted house as the team turn the tables onto the orgs resulting the first battle between the two. Now during the fight he pulls out a couple of beakers and tossed them at the team as well as some science equipment and bones. However their fight was interrupted by the arrival of Rouki as he manages to deal some damage towards the team by himself thankfully they join the fight as well while Rouki takes on GaoRed. A while later they manage to make a hasty retreat when the dog was caught in the crossfire.

A while later he was at a garbage dump with Yabaiba and TsueTsue as Yabaiba fired this poor org and then tossed some random junk at him such as a broken fan, keyboards, a folding chair and so on so forth, but he was given a 2nd chance to defeat the Gaorangers. He was then seen at a city as he tossed more bone bombs as he manages to destroy a bunch of buildings until the Gaorangers stop him in his tracks and then brought this org down for the count with the Evil Crushing Beast Sword.

However TsueTsue manages to revive the Human Body Specimen Org as a giant prompting the team to bring GaoKing to battle this monster. After that he was then destroyed by this finisher called Heaven and Earth Roar: Animal Heart.

---

Eli: Human Body Specimen Org! I remember you! You were sent to lure the Gaorangers into a haunted house and trap them in a spooky classroom!

Human Body Specimen Org: That's right. Good memory Eli.

Me: You would have made awesome addition to the Halloween series of any ranger series.

Human Body Speciman Org: Too bad I wasn't adapted in America.

William: I know! You would've made a great addition to the Zen Aku story.

Me: Or a Halloween Episode of any kind.

Qin: Yep.

We got the battles underway.

Maud Pie: (monotonously) She and her family really fell apart because of Gina's death at the hands, or rather teeth and fins of those piranhas.

Featherweight: That was awful. Their mother lost her mind and was committed to a nuthouse and her father divorced and moved into a bigger house.

Sprocket: Yeah they went through hell.

Luna Ingramsson: Yeah that was nuts.

## Yusei, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Stardust Dragon, Fyora Valencia, Skyla, Ghuul and Ri-Oha VS Mysterio - Meeting the Mordeurd'élément sisters

Mysterio was next.

Mysterio: (to Yusei) I heard you guys Met the Mordeurd'élément sisters. And what Heartless robot can I summon this time?

Yusei: How about Darkness Ball Heartless?

Mysterio: Good choices.

He summoned Darkness Ball heartless.

Yusei: Also yes and their names are Audrey Mordeurd'élément, Brigitte Mordeurd'élément, Chloe Mordeurd'élément, Elise Mordeurd'élément, Lucille Mordeurd'élément, Delphine Mordeurd'élément, Dior Mordeurd'élément, and Muriel Mordeurd'élément. They are all from France and they are also Shaggy Rogers' cousins.

Mysterio: WHOA! And I bet they have just as giant of an appetite as he does..

Yusei: It runs in his family! These girls eat so much that they clean out all the restaurants of their food!

Twilight Sparkle: (LAUGHS) Yeah it sure does.

Starshine Sparkle: You should have heard what they did.

FLASHBACK 1.

Nico: Of course, that explains it, Shaggy is literally a living garbage disposal when it comes to food, even the biggest foods ever, and coldest and hottest foods. I never knew he had cousins.

Me: Same here, and we'd known each other since we were kids and living in Colorado at the time.

Lincoln: I was also stunned myself when they told me. Anyways, they and all of us, especially Dad, made a gigantic 100 x 100 Pizza, and we, alongside Lynn, managed to devour it entirely. Their last name Mordeurd'élément, means Element Chomper in French. We even managed to make an ice cream sundae that has 1,000 gallons of ice cream with various flavors 600 gallons of chocolate and strawberry syrup, 4,000 cans of whipped cream, 50 pounds of sprinkles and 40,000 cherries, and we devoured it entirely. Yet after eating the sundae, we never got fat at all.

Nico: (Whistles) You must have some sort of really massive metabolism if you can eat all that food and not get fat at all.

Lisa Loud: I'm afraid you're right. In addition to having all the genes of our parental units, including the hyperpuberty gene that Becky Long described, Lincoln also has a really massive metabolism that means he never puts on weight at all, and all the food he eats is converted into energy for his rapidly developing muscular system, which allowed him to gain muscle mass at a rapid state of working out.

Me: Wow! That's literally incredible!

Lincoln: That's right, and while we were at the park before the hot dog eating contest one day, they each kissed me on the lips.

Nico: Wait, the winner of that hot dog eating contest, that was you?!

Lincoln: Yep, and they hate the jerks with a passion.

Me: Should've known, and I hate to find out what those jerks did to earn their wrath.

FLASHBACK 1 ENDS

Mysterio: WHOA! That is awesome! And Lincoln won a huge hot dog eating contest!? That's amazing!

Starshine Sparkle: You bet it was! And here's what they told us during our exercise time.

FLASHBACK 2

Nico: Yep. So, Audrey, what memories did you and your sisters have with Lincoln?

Audrey Mordeurd'élément: (French Accent) I was hoping you'd ask. We remembered this one time at Lynn's Table, we were eating some Lynn-Sagna for a little lunch date. But, then our lunch was rudely interrupted by the jerks who wanted revenge again, so Lincoln fired blasts of darkness at them and all of them were tied up in dark energy ropes, and the cops came and took them all back to jail or the nuthouse.

Nico: Interrupting a lunch date and all for revenge again, yep, that sounds like the jerks alright.

Me: And our humiliation fodder's expanding even more, and with Killjoy Huggins, Principal Huggins' dark side, added in, all the teachers and students, even Lincoln and his Guardian Angels, are so looking forward to exacting sweet revenge on him for all the crap he's done.

Lincoln: You got that right.

FLASHBACK 2 ENDS

Mysterio: Man those jerks! But at least they are getting what they deserved. Including Killjoy Huggins.

Spyro: That's for sure but that is amazing and good that Killjoy Huggins is now part of the roster. All the kids from the Gotham Royal York School District have been getting tons and tons of payback on him.

Stardust Dragon: It sure is very therapeutic.

Fyora Valencia: That is for sure and it is awesome.

Skyla: I'll say!

Nico: You don't deserve to live a single second further. Awesome job, gang, we dealt quite a blow to The Blood Spiral, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Carlos Mora of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Eduardo Olivares.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Eduardo Olivares, the next member of The Order of Nuestra Señora de la Santa Muerte.

Elisa Cerburrel: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Eduardo Olivares: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Elisa Cerburrel's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Cerburrel-themed greatsword from her back, and as she approached Eduardo Olivares, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Elisa Cerburrel: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Eduardo Olivares. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Cerburrel and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Elisa Cerburrel was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Cerburrel flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Elisa Cerburrel emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 2:14)

Elisa Cerburrel grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Cerburrel emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Cerburrel with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Elisa Cerburrel has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Cerburrel surrounded by darkness and light and imps and on top of The Fabled Cerburrel is an anti-Sergio symbol. Suddenly, Elisa Cerburrel felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Elisa Cerburrel has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Elisa Cerburrel's massive The Fabled Cerburrel-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Cerburrel's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Cerburrel etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Cerburrel's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below The Fabled Cerburrel that said, "Elisa Cerburrel, Gene-Slammer of The Fabled Cerburrel, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Eduardo Olivares of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Elisa Cerburrel has transformed into SUPER ANGEL-THE FABLED CERBURREL-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED CERBURREL ANGEL OF DIVINE DARK FABLED CERBURREL IMP JUSTICE AND DIVINE FABLED CERBURREL IMP LOVE!

We were amazed by Elisa Cerburrel's Super Angel-The Fabled Cerburrel-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Eduardo Olivares saw it, he went insane and he got out his sacrificial knife to stab her, but Elisa Cerburrel fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Eduardo Olivares, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Elisa's transformed.

Lincoln: Yeah, and she really sent Eduardo Olivares back with that energy blast she fired and that really pissed him off now, and Elisa, you look beautiful, how do you feel?

Elisa Cerburrel: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Cerburrel and Divine Darkness Light Fabled Cerburrel Imp Love) (Spanish Accent) **I feel incredible, Linky. Now, shall we put an end to Eduardo Olivares once and for all?**

Lincoln: (Smiles) With pleasure, Elisa.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm

Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Elisa Cerburrel.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running, Eduardo Olivares, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.**

Elisa Cerburrel and Lincoln went after Eduardo Olivares, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Eduardo Olivares and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Elisa Cerburrel sent her three imps and Lincoln summoned his own imps and they sent them at Eduardo Olivares, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his

eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Elisa Cerburrel, her hand-cannon Blaster is known as The Fabled Cerburrel's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Cerburrel surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Elisa Cerburrel aimed their hand-cannon blasters at Carlos Mora.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Eat energy blasts, Eduardo Olivares!**

Elisa Cerburrel and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Eduardo Olivares and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Eduardo Olivares and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Eduardo Olivares and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Elisa Cerburrel and Lincoln gave Gabriel Pacheco The Black Gates for good. We cheered as Elisa Cerburrel and Lincoln holstered their massive greatswords on their backs and powered down, and Elisa Cerburrel's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Elisa Cerburrel: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Eduardo Olivares for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elisa.

Suddenly, Elisa Cerburrel wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Elisa Cerburrel's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Cerburrel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Elisa Cerburrel absorbed the light and they came back to us as the display and The Fabled Cerburrel vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Eduardo Olivares' death, now there are only nine members of The Order of Nuestra Señora de la Santa Muerte.

Elisa Cerburrel: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Javier Medina, which means it'll be Paula Chawa's turn.

Paula Chawa: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Xyster, Cahoot, Déjà-Jin, Roarick, Osstax, Knucklehead, G'Day, Larvaluss, Frondley, Mushaboom, and Enchantling.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Strikechomp Sisters: Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp.

Lincoln: My Guardian Angels from New York, not only do they also hate the jerks with a burning passion, they also hate that Killjoy Huggins with a blazing passion.

Nico: Oh boy, I hate to find out what they've done to earn their hatred.

Lincoln: Trust me, you'll wish they were all begging for mercy when you all hear the tale tomorrow, the same with Killjoy Huggins, only he wouldn't be begging for mercy, no, more like pleading for his life.

Man Ray: The rest of the Blood Spiral is still out there.

Me: But we're ready for them.

Major Disaster: But at least the Betrayer and Rassimov are gone.

Me: Yep.

Cluemaster: They WERE the leaders after all.

Xenia: That's right.

Tchang Zu: This was a victory either way.

Johnny 13: You're right about that

Me: Yep and after 7 years, justice has caught up.

Nico: Yep it sure has. Great job today everyone.

Lok: (To the viewers) Boy this was an awesome and fun adventure. Hope you all liked it/

Me: We all did.

We went back home and enjoyed the rest of the day and went to sleep.

The next match-up in this saga is Paula Chawa - Gene-Slammer of The Fabled Chawa and Lincoln VS Javier Medina

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Maryland, and we're going to take down a despicable bully named Orson Matthews, he's a rotten, black-hearted, despicable bully from the past of Lincoln's three Guardian Angels whom we're going to meet in the future: Crystal Solace, Dulcie Matthews, and Sophie Andrews. The reason why he's called rotten, black-hearted, and despicable is because that jerk has gotten off on tormenting the girls by blackmailing Crystal into doing whatever he says, making the life of his little sister, Dulcie, a nightmare, and pulling cruel pranks on

Sophie and trying to ruin her academic record. The girls eventually had enough, and they formed an awesome club called The Fearless Club, and they not only stood up to Orson, but they got back at that despicable prick in truly spectacular ways: with Crystal, Dulcie activated the sprinkler system which sprayed Orson and his Elite Club when they were at his house, with Dulcie, she and her dancing partner beat Orson and his partner, and due to the assault Orson committed, he was stripped of the right to compete in any international dance competition for two years, and with Sophie, thanks to the help of Crystal and Dulcie, they found out their school's principal was involved in not only turning a blind eye to Orson's constant troublemaking and bullying, but he was also helping Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor and it was also found out that Orson had stolen Sophie's work and copied it. In the end, the Education Ministry stepped in and their ex-principal was fired for what he's done and he was stripped of his license, and as for Orson, he was immediately expelled from school for his evil misdeeds. Orson tried to get his revenge on them, but Lincoln found out about it and he beat Orson up and he had that despicable bastard arrested and sent to juvie for his crimes. But, now Orson's broken out and he wants revenge, but we're ready for that prick. And we're going to meet Gene-Slammers for Xyster, Cahoot, Déjà-Jin, Roarick, Osstax, Knucklehead, G'Day, Larvaluss, Frondley, Mushaboom, and Enchantling, their names are

Amy Strikechomp, the Xyster Gene-Slammer

Belle Strikechomp, the Cahoot Gene-Slammer

Cecily Strikechomp, the Déjà-Jin Gene-Slammer

Dakota Strikechomp, the Roarick Gene-Slammer

Emily Strikechomp, the Osstax Gene-Slammer

These eleven girls are Lincoln's Guardian Angels from New York and classmates in Cooking, and they are masters of various cuisines, especially French Cuisine. They would also help Lynn Sr. with cooking in the kitchen, as well as protecting Lincoln from those who would try to hurt him, especially Flip and Killjoy Huggins. In fact, Killjoy Huggins tried to ruin Lincoln's good name, but before he could even try, The Strikechomp Sisters shoved enough horseradish down his throat to make Killjoy Huggins have a nasty case of diarrhea that lasts for four weeks. To show thanks for saving him, Lincoln took The Strikechomp Sisters to Bubblaine where he kissed each of the Strikechomp Sisters underwater. But, they're also more than just masters of various cuisines, they're also expert fighters, and the reason for that is they're the sisters of Lincoln's future wife, Fasha, and they hate the jerks and Killjoy Huggins with a blazing passion.

Get ready for an awesome and powerful strange battle as we face the Teen Titans villain Newfu and that is gonna be a weird one as we make that Tofu Cube pay for trying to destroy us.

See you all tomorrow.

Me: Boy this is a sticky place.

Qin: Syrupy too.

Camie: But this is amazing that Flint's machine did all this.

Xenia: We were amazed ourselves.

Lola: Yeah we sure were.

Nico: It sure was awesome.

Carly Atlas: You got that right.

Varie: But the Syrup tastes really good.

Silverstream: Yeah it sure does.

Nico: Silverstream, I want to thank you, Goro, and your teams for coming.

Silverstream: No problem Nico. It's always so fun to help you out.

I looked in Natsu Hyuga's eyes.

Me: Natsu I know that the Hyuga clan has not been kind to you because of your clans customs but Lord Hiashi has put the Hyuga Elders in their places.

Natsu Hyuga: It's not that. It's just that I feel like a slave still.

Nico: Slave? If you feel like a slave, I'd hate to say what you feeling free looks like.

Me: Nico for years the main house of the Hyuga Clan has divided them. They have the Branch House and they don't like it. They made a slave seal that's a curse.

She showed the seal in the middle of her forehead. It was an X with 2 lines

Camie: Oh man.

Me: I convinced Lord Hiashi to stop using that seal forever. I couldn't let them suffer like this.

Nico: What I mean is that you shouldn't feel like a slave anymore.

Natsu Hyuga: I know. But it's hard for me to be free. I feel like I have had my free will stolen.

Me: Then maybe it's time for you to learn how to be free.

I had my hand glow and I put it on her forehead and removed the seal and it was gone.

Xenia: WHOA!

Me: You are free now Natsu.

Fu: Yeah you need to have your own life and do what you like to do instead of being treated like a slave.

Silverstream: I agree there Natsu.

Nico: J.D. what did you say to Lord Hiashi?

Me: I'm glad you asked Nico. In 150,000 years I decided to help Lord Hiashi by reminding him that he was clan head and that they should not boss him around like a thumbsucking child.

FLASHBACK - 150,000 Years Hence

I was over in the Hyuga Clan Compound.

Lord Hiashi: I'm honored that you would visit me J.D. especially after how you helped save Hinata and Hina.

Me: I'm glad I am able to come Loud Hiashi. I'm sorry if I am interrupted anything of importance.

Lord Hiashi: No it's all right J.D.

I saw sadness in Lord Hiashi's eyes.

Me: Lord Hiashi is something troubling you? I see that you are having clan problem.

Lord Hiashi: How do you know?

Me: I can tell that there are things going on between you and the Clan Elders. Like they are pushing you around.

Lord Hiashi: (Sighs) Yes you are right J.D. The Clan Elders have been pushing me around ever since the night of the 9 Tails Attack. They have taken too much power from me and are blackmailing me and ordering me to do stuff I don't like against my will and they are making me treat the clan members like slaves and garbage.

Me: Haven't you gone to the Hokage about this?

Lord Hiashi: I tried many times but they were always one step ahead of me.

Me: Looks like the village as a whole is not the only one that has corruption issues. Lord Hiashi you need to take the bull by the horns and remind the Hyuga Elders that YOU are the one in charge! YOU make the rules in the clan, YOU make the laws in the clan and YOU tell THEM what to do! No one else! Have you noticed the way the branch house is feeling because of that slave mark? They are absolutely miserable! The way they look in their eyes, they want to be free and do the things they like. They feel like they have no free will! They are suffering because of it and they feel like they are suffering a fate worse than death. That seal needs to be stopped. And you need to tell those Hyuga Elders that YOU are the head and the Hyuga Clan Branch House needs to be free and help around the village. Not just in the compound in isolation.

Hiashi knew that I was right and that he needs to take a stand!

Hiashi Hyuga: You're right! This has gone on long enough! It's time for me to grow a backbone!

Lord Hiashi went to tell the Hyuga Elders off.

FLASHBACK PAUSES

Nico: Whoa you really gave good advice.

Me: Yep. Here is where it gets good.

FLASHBACK RESUMES

In the Elder Chambers the Elders were talking when me and Hiashi came in.

Hyuga Elder: Ah Hiashi. How goes the business with…

Hiashi: Quiet! Your corruption ends now! The Hyuga Council is hereby disbanded! I am now abolishing the use of the Hyuga Clan Seal forever and I am merging the Branch House back into the main house!

Hyuga Elder: WHAT!?

Me: Lets get one thing straight you senile old buzzards! Hiashi is the clan head and you have no right to tell him what to do! He makes the decisions and he does what's best for the clan and you all have taken that away from him! You have no right to boss him around like a little kid!

Hyuga Elder: HOW DARE YOU…

Me: SHUT YOUR FUCKING MOUTH! I'm not finished yet! Also your corruption has gone on long enough too! You wanted to bring the Hyuga Clan to power and you don't care how you were going to get that power. Also you treated many people in the clan like dirt and I for one will not stand for it one second longer! From now on, you take the orders from Hiashi! What he says, GOES!

Lord Hiruzen came!

Lord Hiruzen: I agree! And I agree with every word that J.D. said to. ANBU arrest them all for treason and prep them for execution. I will not tolerate their treachery any longer.

Hyuga Elder: WHAT!? You can't do this to us!

Lord Hiruzen: You are no longer welcome in the Leaf.

They took the elders away.

Lord Hiashi: Thank you so much J.D. Now I can set the Hyuga Clan on the right path without slavery and the clan divided.

Me: It was my pleasure Lord Hiashi.

We shook hands.

FLASHBACK ENDS

Nico: Whoa! That is amazing!

Qin: Yeah you rid the entirety of the clan of their corruption.

Natsu Hyuga: And he will always be a great hero for that. And J.D. is right. I should be free. Not a slave forever.

Nico patted me on the back.

Nico: You have a really good heart.

Me: Thanks.

Nico: (To Natsu) And how do you feel right now?

Natsu Hyuga: In all honesty, I feel good. Now I can be a restaurant chef. I'm a really good cook.

Qin: That's great Natsu.

Varie: Yeah we're glad that you are free.

Me: Yeah.

Natsu Hyuga: Same here.

Laney: And I agree with everything that J.D. did there. No one should ever be treated like that.

Me: That's right. Now the branch house is completely emancipated.

Camie: Good. I'm glad.

Me: Yep. But yesterday got rid of 7 years of rage in me.

Maria: So, maybe ALL the Blood Spiral isn't dealt with. But at least their leaders are.

Me: Yeah and now the followers are leaderless sheep.

Xenia: Now we got them right where we want them.

Me: Yep.

Lola: And soon they will all be destroyed forever.

Camie: Yep and the world will be saved from them.

Me: And all of Huntik's major enemies will be destroyed.

Nico: We got all the time in the world to take them out.

Me: Yeah there's no rush.

Nico: How do you feel now that you got 7 years worth of rage out of you?

Me: Honestly I feel good. Now that Rassimov and The Betrayer are gone forever the world can rest easy.

Qin: That's great!

Cassidy: It sure is.

Me: Yep.

Varie: Yeah.

Nico: We still have yet to get to know most of the other Huntik members though.

Me: That's gonna be a while. There's a lot of them.

Nico: Yep.

SPLAT!

We were walking on syrup.

Me: Sticky huh?

Xenia: Yeah.

Camie: (Licks syrup) But it's a tasty place.

We saw a butter toads and Mosquitoast.

Nico: Poromon and the other mascots finally found a job.

Me: Did they really?

Nico: Yep. It's at a place called Mega Meaty Meat. It just was built yesterday.

Me: Wow! That's interesting. (In my head) Hmm. That restaurant is very family. Beast Boy told me about it. Something is very fishy. I didn't see any signs or anything advertising for hiring positions in it. Also it might have something to do with cows that have been disappearing around the area these last few days. Hmm.

Nico: J.D. are you thinking?

Me: Yeah something is very fishy Nico.

Nico: How so?

Me: I'm getting a weird feeling that this restaurant is not what it seems.

Nico: Hmm.

May: We'll have to look into it later.

Me: Yeah.

But then…

?: HELP ME!

Nico: UH OH!

Me: CODE Q-BEIGE! LETS GO!

We ran to the west and found a girl sinking in nutella quicksand! She was a girl with blond hair and blue and red clothes!

Me: (GASP!) Camie Pagemaster A.K.A. Sailor Pagemaster Library!

Nico: The World of The Pagemaster!? Whoa!

Sailor Pagemaster Library: Thank goodness you guys came!

I flew over and grabbed her hand and helped her out and pulled her out and brought her over.

Me: You all right?

Sailor Pagemaster Library: Yeah thanks to you guys.

Nico: Wait. You're not one of Swartz's creations?

Sailor Pagemaster Library: No I'm not.

But then I sensed a massive and incredible power!

Me: WHOA! Holy cow! I'm sensing an incredible enormous power!

Nico: Whoa! I feel it too!

Xenia: Wow! What power!

Me: What is that?

Sailor Pagemaster Library: That's the sailor soldier that is one of

Swartz's creations. But there are 5 more of us before her.

Me: Oh boy.

?: HELP ME! HELP!

Me: Oh boy!

We went northwest and found another Sailor Soldier sinking in Nutella quicksand and she had black hair and orange and tan clothes!

Me: Pocahontas Smith A.K.A. Sailor New World!

Nico: The world of Pocahontas too!?

Eli: Cool!

I flew out and me and Eli grabbed her and pulled her out and brought her over.

Sailor New World: That was close.

Me: Yeah.

Lola: Wow the World of Pocahontas.

Sailor New World: That's right.

Nico: Four to go!

Me: Who brought you here?

Sailor New World: It was a crazy woman with red hair and she had a white uniform with a red R and had piercing red eyes.

WE GASPED!

All of us: AN EVIL VERSION OF JESSIE!

Me: Not good! Jessie's Dark Side is causing problems!

Nico: So her inner demons have come out!

May: Just like old times!

Me: This is gonna be good.

Nico: I have a really nasty surprise in store for her.

Qin: Oh yeah.

?: HELP!

Me: Lets go!

We went to the northeast and then we saw another sailor soldier! She had green hair and yellow clothes and was sinking in syrup quicksand!

Me: (GASP) Isabella Nublar A.K.A. Sailor Isla Nublar!

Nico: You got to be kidding me! The World of Jurassic Park too!?

Eli: WHOA! I got this!

Eli flew over and grabbed her hand and pulled her out and brought her over.

Nico: Whoa!

Me: You okay Isabella?

Sailor Isla Nublar: Thanks to you guys.

Me: I take it you heard…

Sailor Isla Nublar: I know. Isla Nublar is gone.

Me: It exploded with 1815 Mount Tambora Strength and sunk into the ocean.

Nico: Yeah that was awful!

Lola: But we got all the dinosaurs out of there and relocated them and made our own park for them called Paleozoid World.

Sailor Isla Nublar: I heard about that and I'm really glad all the dinosaurs are all safe.

Aylene C.: I'm glad they all are too.

Eli: Same here.

Maria: Who's left to rescue?

?: HELP!

Nico: Lets go find out!

We went to the north and found another Sailor Soldier and she was in vanilla frosting quicksand! She had rainbow hair and rainbow Sailor Clothes.

Me: (GASP) Wendy Equestria A.K.A. Sailor Equestria!

Twilight Sparkle: Equestria's Sailor Soldier!

Applejack: Well I'll be!

Rainbow Dash: Me and Eli got this!

They flew over to her and pulled her out and brought her over.

Me: Are you okay?

Sailor Equestria: I am now. Thanks to you guys. Twilight Sparkle, Rainbow Dash, Applejack, Everypony. Great to see you all again.

Fluttershy: Same here Isabella.

Rarity: Thank goodness you're all right darling.

Sailor Equestria: I heard you guys did so much all over Equestria and I couldn't be more proud of all of you.

Me: Well we got rid of all of Equestria's major enemies and they are now forgotten memories.

Xenia: The Prime Universe versions of them anyways.

Starlight Glimmer: Boy thank goodness for that.

Sailor Equestria: I'm glad you guys did.

Nico: Eli, sense if Swartz's creations are near.

Eli: Right.

He did so.

Eli: Found them! 25 klicks to the west and closing.

Me: Good. Plenty of time.

?: HELP!

We went to the northwest and we saw a sailor soldier that had black hair and grey clothes and she was sinking in strawberry syrup.

Me: (GASP) Alice Raccoon A.K.A. Sailor Raccoon City!

We gasped!

Nico: You got to be kidding! The World of Resident Evil's Sailor Soldier!?

Varie: Boy that is amazing!

Me and Camie flew over and pulled her out.

Nico: Are you all right?

Sailor Raccoon City: Thanks to all of you guys.

May: Is that everyone?

Me: Almost. 1 more.

Eli: I sense her that way!

We went to the west and we saw an evil version of Jessie putting a sailor soldier with brown hair and yellow clothes and she was sinking in green apple syrup.

Evil Jessie: (LAUGHS MALEVOLENTLY) You will die here!

Sailor Poultry Prison: You will never get away with this!

Evil Jessie: I already will!

But then an energy disk flew and slashed her hair off!

Evil Jessie screamed!

Nico: You get away from her right now you bitch!

Me and Eli flew over!

Me: Camille Poultria A.K.A. Sailor Poultry Prison. The world of Chicken Run's Sailor Soldier.

Me and Eli got her out.

We were facing her.

Evil Jessie was crying.

Evil Jessie: Since I was a child my hair was my only companion and now it's been destroyed.

Her crying then turned into crazy laughter.

May went and landed in front of her.

May: Long time no see Jessie.

Me: The Hair Police came and took your hair away.

Evil Jessie: HOW DARE YOU!? You insult my hair prepare for trouble!

Me: Bring it on you bitch! (CRACKS KNUCKLES)

Nico: Yeah bring it on baby cakes! (Cracks Knuckles)

May: Blaziken, Blaze Kick!

Her Blaziken flared up a fire foot and smashed her down with a powerful kick!

Nico: YEAH!

May kicked Evil Jessie in the stomach and punched her in her face and kicked her in her face down!

Evil Jessie got up and she REALLY WAS PISSED!

May: Beautifly, Silver Wind!

May's Beautifly fired waves of silver wind and blew her into a massive pile pancakes and they fell onto her and buried her.

She got up and was pissed and the I fired a wave of water and drenched her! SHE WAS REALLY SEEING RED! HER EYES WERE GLOWING RED AND THEN NUCLEAR EXPLOSIONS WENT OFF IN THEM AND THAT SHOWED THAT SHE WAS BEYOND PISSED!

May: Glaceon, Ice Beam!

Her Glaceon fired an ice beam and froze Evil Jessie in a block of ice.

Qin: Not used to people giving you the cold shoulder huh?

Qin fired a ball of fire and it hit her and she exploded into a million pieces and was destroyed!

Nico: Nice shot Qin.

Xenia: Good riddance.

Lola: Yeah!

Then the Wonder Almighty Book started glowing!

Qin: Whoa the Wonder Almighty Book is glowing!

Xenia: This one is all powerful!

Me: No kidding!

Nico: Who's next?

Me: I have a feeling this one is gonna be a strong one so ALL of us will face her.

Nico: Good idea.

Then out came a dark angel and she had black hair and black angel wings and a black outfit.

Me: Wow!

Qin: Wow! Like a true dark angel of the night.

Camie: Wow!

Another Wonder Almighty: But it's good to see you again J.D.

Me: (Gasp) That voice.

She reverted back and it was a Sailor Soldier and she had black hair and black and purple clothes.

Me: (GASP) Virgo Amedala A.K.A. Sailor Virgo Supercluster!

We gasped!

Nico: WHOA!

Sailor Virgo Supercluster: Yes and it's good to see you again J.D.

Me: Same to you Virgo.

Nico: Whoa your power is amazing!

Me: Sailor Virgo Supercluster is the most powerful Sailor Soldier ever.

I went over her history.

The most powerful sailor soldier in the entire universe, and with omnipotent power and with the power of 2,000 galaxies at her command, she is beyond more powerful than Sailor Galaxia. Her power is incredible. She is also the sister of Queen Amedala from Naboo. She is a powerful master of everything in the universe.

When I was done everyone was shocked and amazed!

Maria: Yep: All of us are definitely facing her.

Nico: Wow!

Eli: So awesome!

Me: Yep. By the way Virgo any other opponents with you?

Sailor Virgo Supercluster: Yes as a matter of fact there are. Another version of him.

She pointed to Goro.

Goro: Another version of me? Wow!

Me: Friendly or hostile?

Sailor Virgo Supercluster: Friendly and this one knows Nico and she is really funny.

Nico: Oh boy.

Me: Yeah. Shall we dance?

Sailor Virgo Supercluster: I am ready for this.

She went back into her dark angel form.

We went at her and fired waves of energy and blasted her down and I caught the Wonder Ride Book. It was called DARK ANGEL WONDER ALMIGHTY! Then it turned into a huge Wonder Ride Book and it was THE OMNIPOTENT BOOK OF INFINITY!

Me: WHOA!

Nico: Whoa the Power from that book is incredible!

Lola: Yeah!

I went over to Sailor Virgo Supercluster and picked her up and brought her over.

Nico: We should hang onto this.

Me: Good idea.

I put the book in my book bag.

Nico: Yeah. Hey is there a draft here?

Me: Uhh Nico look down.

Nico saw that his pants were pulled down by someone when he wasn't looking!

Nico: (SCREAMS)

He pulled them up and blushed.

Nico: Pull my pants down will you!?

Qin: Oh boy.

Nico: Who are you and how are you able to turn invisible?!

Another Goro: (In a girls voice) (LAUGHS) No and sorry Nico. Just like old times.

Nico: (LAUGHS) I had a feeling it was you Vicky Ann Serenity.

Me: You are quite the prankster.

Another Goro: I sure am and I did all sorts of crazy pranks. Also I'm a Granbull Gene-slammer too. Not only am I a great prankster but I'm also a very powerful fighter too.

Me: That is awesome.

Nico: Boy it sure is

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: Ooh nice one!

Qin: Yeah that is funny! Vicky Ann has a powerful crotchbusting kick and she can smash anyone's sex drive into dust.

Lola: Wow!

Qin: Yeah I know.

Another Goro: Yeah that is funny. Not only am I a good prankster but I know how to smash some nuts.

We laughed!

Nico: You know this is the first time a gene-slammer for me has been Another-ified.

Me: That is true.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: YEAH!

Nico: Time to test your might! (ACTIVATES GORO'S RIDEWATCH)

He fired waves of energy and smashed her down!

Nico: YEAH! And now GET OFF OF MY MOUNTAIN! (ACTIVATES THE GHOST OF JEREMIAH PRATT'S RIDEWATCH)

He fired waves of energy and smashed her all over again.

May: (gets out Evil Roxas' Ridewatch) Time to see if this gets me a Keyblade.

She activated it and she got the Oblivion and Oathkeeper Keyblades and she fired waves of light and smashed her down!

Me: Cool!

Nico: Yeah!

May: Now this. (ACTIVATES PINEOCTOPUS'S RIDEWATCH)

She fired waves of energy and blasted her down.

Nico: YEAH!

Maria: (gets out Psycho Yellow's Ridewatch) My turn!

Maria activated it and fired yellow energy blasts and smashed her all over.

Maria activated Lord Pain's ridewatch and fired waves of energy and smashed her with a mace club and smashed her down.

Me: Oh yeah!

Qin: Take that!

Dumbbelltron and his team consisting of Laughing Ghosts, Mad Giraffes, Universe 666 Zira, Evil Chili Pot and Creeper appeared.

Nico: Nice team, Dumbbelltron!

Dumbbelltron: Thanks Nico.

Lola: It's cool though.

Natsu Hyuga: My turn!

She activated the Ghost of Jeremiah Pratt's Ridewatch and fired waves of energy and smashed her down.

Maria: I hope the next Gene Slammer is near.

Then something jumped out and landed in front of us and it was a Qwilfish!

Me: Whoa a Qwilfish!

Qwilfish: (In a girls voice) Nice jump though.

Qin: (Gasp!) Varina! It's you!

Qwilfish: Yep.

Nico: Varina? Wow! I haven't seen you since we were in high school.

Qwilfish: I know. I got this.

She fired waves of bubbles and smashed down Another Goro and then we saw that she was also a granbull. I caught the ridewatch and purified it and Nico pulled out a grey jumpsuit. Granbull wobbled and then reverted back and Vicky Ann was a girl with magenta hair and she had magenta gym clothes on.

Vicky Ann Serenity: (Groans) What a rush.

Varina reverted back and she was a mermaid with black hair and had a red clam bra and a red tail.

Qin went and hugged her.

Natsu Hyuga: Do you two have any favorite memories of Nico you want to share?

Vicky Ann Serenity: My favorite is when me and Nico pranked a mean lunch lady at school for serving us Liver and Onions. We put chum in her meals and the health department had her arrested and and school fired her and they hired a great lunch lady that serves great food.

Me: Oh that is funny!

Qin: Very fitting for her.

Varina: Yeah. My favorite is when me and Qin went swimming and we found this awesome sunken pirate ship and got a treasure from it.

Nicole: You have the makings of an awesome treasure hunter Varina.

Varina: Yep.

Nico hugged them both.

Nico: I missed you girls.

Vicky Ann Serenity: We did too Nico.

Varina: Same here.

Me: Lets go home.

We did so.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko,

Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Luster Dawn, Molly Molloy, Catherine Torres, Lyra Heartstrings III, and Melanie Moondancer are heading to Maryland, and not only is Lincoln going to rescue the nine girls here, but we got a big mission for this rescue.

We're going to take down a despicable bully named Orson Matthews, he's a rotten, black-hearted, despicable bully from the past of Lincoln's three Guardian Angels whom we'll meet in the future: Crystal Solace, Dulcie Matthews, and Sophie Andrews, and that jerk has gotten off on tormenting the girls by blackmailing Crystal into doing whatever he says, making the life of his little sister, Dulcie, a nightmare, and for pulling cruel pranks on Sophie and trying to ruin her academic record. The girls eventually had enough, and they formed an awesome club called The Fearless Club, and they not only stood up to Orson and their old school's unfair system, but they also got back at that despicable prick in truly spectacular ways: with Crystal, Dulcie activated the sprinkler system which sprayed Orson and his Elite Club when they were at his house, with Dulcie, she and her dancing partner beat Orson and his partner, and due to the assault Orson committed, he was stripped of the right to compete in any international dance competition for two years, and with Sophie, thanks to the help of Crystal and Dulcie, they found out their school's principal was involved in not only turning a blind eye to Orson's constant troublemaking and bullying, but he was also helping Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor and it was also found out that Orson had stolen Sophie's work and copied it. In the end, the Education Ministry stepped in and their ex-principal was fired for what he's done and he was stripped of his license, and as for Orson, he was immediately expelled from school for his evil misdeeds. Orson tried to get his revenge on them, but Lincoln found out about it and he beat Orson up and he had that despicable bastard arrested and sent to juvie for his crimes. But, now Orson's broken out and he wants revenge, but we're ready for that prick.

Lincoln: Wow, we're here in Maryland, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got a big mission for this rescue: we're going to take down that despicable Orson Matthews.

Nicholette Torrington: That douchebag, I thought we'd seen the last of him after you pulverized him.

Me: So, we got a bully Lincoln's dealt with in the past, can you tell us about this moron?

Lincoln: Gladly. Orson Matthews is a rotten, black-hearted, despicable bully from the past of my three Guardian Angels who we'll meet in the future: Crystal Solace, Dulcie Matthews, and Sophie Andrews, and that jerk has gotten off on tormenting the girls by blackmailing Crystal into doing whatever he says, making the life of his little sister, Dulcie, a nightmare, and for pulling cruel pranks on Sophie and trying to ruin her academic record.

Nico: What a douchebag!

Lincoln: He sure is, and the girls eventually had enough, and they formed an awesome club called The Fearless Club, and they not only stood up to Orson and their old school's unfair system, but they also got back at that despicable prick in truly spectacular ways: with Crystal, Dulcie activated the sprinkler system which sprayed Orson and his Elite Club when they were at his house, with Dulcie, she and her dancing partner beat Orson and his partner, and due to the assault Orson committed, he was stripped of the right to compete in any international dance competition for two years, and with Sophie, thanks to the help of Crystal and Dulcie, they found out their school's principal was involved in not only turning a blind eye to Orson's constant troublemaking and bullying, but he was also helping Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor and it was also found out that Orson had stolen Sophie's work and copied it.

Me: He's not only a bully, but also a plagiarizer, that's just disgusting!

Nicholette Torrington: Yep. But, in the end, the Education Ministry stepped in and their ex-principal was fired for what he's done and he was stripped of his license, and as for Orson, he was immediately expelled from school for his evil misdeeds. Orson tried to get his revenge on them, but Lincoln found out about it and he beat Orson up and he had that despicable bastard arrested and sent to juvie for his crimes.

Nico: Jeez. Wait, where was their old school at?

Lincoln: In Kalamazoo, Michigan, their old school was Kalamazoo High, but that place has quite a bad reputation, thanks to the ex-principal and Orson. After that, the school underwent major changes in their school system, and not only that, but a new principal was brought in, who brought order and fairness to the school. But, Crystal, Dulcie, and Sophie changed schools and enrolled in Royal Woods High School, and not only that, but The Fearless Club would also expand even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out.

Luna: Yeah, and those girls definitely know how to stand up to those five, and their experiences with Orson really helped out greatly. But, I can't believe Orson broke out of juvie to get revenge again on The Fearless Club, bro.

Lincoln: But, he also wants revenge on me for ruining his first attempt at revenge, he really is insane and vengeful, but too bad for him, any violent action he takes against me will not end well for him, and this time, he's getting put in a more secure facility for good, and I want to thank you and your team for joining us, Luster Dawn.

Luster Dawn: You're welcome, Lincoln.

Suddenly, we saw Xyster, Cahoot, Déjà-Jin, Roarick, Osstax, Knucklehead, G'Day, Larvaluss, Frondley, Mushaboom, and Enchantling arrive, and with them are the nine girls.

Nico: Whoa, that's Xyster, Cahoot, Déjà-Jin, Roarick, Osstax, Knucklehead, G'Day, Larvaluss, Frondley, Mushaboom, and Enchantling, awesome.

Xyster: (Girl's voice) You got that right, and we got the girls away from that prick, Orson Matthews.

Lincoln: (Gasps) That voice, Amy Strikechomp, I knew it was you, along with Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp, it's awesome to see you girls again, but we'll talk later, something tells me you girls already got Orson really steamed.

?: YOU FUCKING BITCHES, YOU WILL ALL PAY!

Suddenly, we saw our target, Orson Matthews, and man, was he absolutely pissed off.

Lincoln: And if I had to guess, Sarah was the one who put hot sauce down his underpants, right? Nice one, now let's make him cry like a baby.

Amy Strikechomp: You too, Lincoln.

Belle Strikechomp: It's really been such a long time since we last met.

Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp went up to Lincoln who hugged each of them, and the Strikechomp Sisters are are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you eleven since you were seventeen, and as you can see, I really grew a lot since then.

Amy Strikechomp: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, these eleven girls are Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp, they're my Guardian Angels from New York and classmates in Cooking, and they are masters of various cuisines, especially French Cuisine. They would also help Dad with cooking in the kitchen, as well as protecting me from those who would try to hurt him, especially Flip and Killjoy Huggins.

Nicholette Torrington: Yeah, in fact, Killjoy Huggins tried to ruin Lincoln's good name, but before he could even try, The Strikechomp Sisters shoved enough horseradish down his throat to make Killjoy Huggins have a nasty case of diarrhea that lasts for four weeks.

We laughed hysterically.

Nico: Oh man, oh, now that was awesome!

Me: Stupid Killjoy! He deserved it.

Giselle Harrington: He sure did, and to show thanks for saving him, Lincoln took The Strikechomp Sisters to Bubblaine where he kissed each of the Strikechomp Sisters underwater. But, they're also more than just masters of various cuisines, they're also expert fighters, and the reason for that is they're the sisters of Lincoln's future wife, Fasha, and they hate the jerks and Killjoy Huggins with a blazing passion.

We gasped.

Nico: Wait, what?!

Fasha: It's true, they're my sisters, but they wound up heading for New York before Planet Vegeta was destroyed, and they also hated Frieza and his forces for everything they've done, and that also includes Raditz and Nappa.

Amy Strikechomp: Those two fuckers are utter disgraces to the Saiyan Race, and I'm glad Lincoln got rid of those two assholes last year, and Damian Alaister crossed a fucking line when he brought them back. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Fasha: Let me guess, you and the rest of the girls want to give Lincoln your blood, right, Amy?

Amy Strikechomp: How did you know about that, Fasha? Wait a second, did you let him…?!

Fasha showed the marks Lincoln left on her when he fed on her blood, and the rest of Lincoln's harem and Guardian Angels showed the marks Lincoln left on them when he fed on their blood.

Belle Strikechomp: (Whistles) He sure marked you, alright, sis.

Lincoln went up to each one of the Strikechomp Sisters, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Amy Strikechomp: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Cecily Strikechomp: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp.

Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Eun Mi Kim A.K.A. Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eun Mi Kim A.K.A. Panda, Kanya "Chompoo" Juntasa, Maria da Conceição Almeida A.K.A. Ramba, Perereca, Fabrícia Roberta Vincentine A.K.A. Coelha, Isabella Rodriguez A.K.A. Cobra, Hanna Ackerson, Simone, and Hinagiku

We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Orson Matthews, a despicable bully and jerk from the past of Lincoln's three Guardian Angels whom we're going to meet in the future: Crystal Solace, Dulcie Matthews, and Sophie Andrews, and he wanted revenge on Lincoln for what he did in beating him up when he tried to get revenge on The Fearless Club.

But, when Lincoln showed what we all did in giving that douchebag a brutal beatdown and Lincoln giving him a K.O. punch to his face and knocking him down and out and tying him up and getting him sent away by the cops, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and the Strikechomp Sisters have a lot of catching up to do, now that they're back in town.

Maria: Jeez, that guy was a really big jerk and total dumbass.

Lincoln: He sure was, but we gave him the beatdown of his life, and I also used my tails to punch him in his face many times and all over the place.

Amy Strikechomp: Man, he must've been working out his tails like crazy to get them that strong.

Nico: He did, but when we run into Crystal, Dulcie, and Sophie in the future, we'll tell them of what Lincoln did to that dumbass. Too bad we didn't give him the finger when the cops took him.

Lincoln: He probably won't see it, I did knock him out hard.

---

After taking down Orson Matthews and sending him away to prison for good this time, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Amy Strikechomp: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years.

Belle Strikechomp: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Strikechomp: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much

bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Dakota Strikechomp: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Amy, what memories did you and your sisters have with Lincoln? We know of what you girls did to that stupid Killjoy Huggins, and that was hilarious.

Amy Strikechomp: Oh, we have a video of one little incident where Lincoln beat down Lynn while we were at our gym.

Amy Strikechomp pulls up the video as it played on the screen, and we saw Lincoln, the Strikechomp Sisters, and the rest of his Guardian Angels working out at the huge gym they made, and Lincoln who was dressed in an orange tank top, orange gym shorts, and sneakers was lifting 900,000-lb barbells and doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and they were really sweating like crazy, even doing yoga to clear our minds.

But, their day was about to be rudely interrupted by one meat-headed, superstition-crazed, rowdy, violent-tempered, and outright obnoxious sister.

BBBBBBBBBUUUUUUUUUUURRRRRPPPPPPPP!

Past Amy Strikechomp: What the hell was that?!

Past Emily Strikechomp: (Gasps) Oh no. Guardian Angels, we got a Code: Red, she's on the rampage again.

Past Lincoln: Lynn, oh, what's gotten into you this time?!

Suddenly, the doors burst open, and we saw Lynn, her eyes red with anger and hatred, snarling like a wild beast, and she roared and beat her chest like a gorilla again!

Past Cecily Strikechomp: You again, Lynn?! I ought to beat your brains in if you got any, and I think I will!

Past Isabella Lupa: You've had this coming for a long time, you walking gym bag!

Past Lincoln: No, girls, let me handle her.

Lincoln and the Guardian Angels stopped working out to confront Lynn, who was already acting like a monster. Suddenly, Lincoln took off his sweat-covered tank top revealing his massive and extremely muscular body and eight-pack abs, and covered in sweat, which made his Guardian Angels blush, and he spread out his massive white angel wings.

May: Oh, you are so dead again, Lynn.

Then, in the video, we saw Lynn run at Lincoln on all fours like the animal she is, but Lincoln stood ready, and as Lynn pounced on him, Lincoln grabbed her and he threw her right into an exercise mat and she crashed onto it. Lynn got up and she roared like a monster again, but Lincoln didn't care about that: he wasn't going to let that animal cause havoc again. Then, Lincoln went on the attack as he used some awesome wrestling moves on her to pin her to the ground, but Lynn got back up, and she was still violent, so Lincoln switched, and he attacked with some amazing martial arts techniques that he'd learned from his Guardian Angels and from us as well, and with one roundhouse kick, he'd knocked down Lynn, and he fired red energy blasts from his hands and white angel wings and tied Lynn up.

Past Amy Strikechomp: Lincoln, that… was… AMAZING! You used both wrestling and martial arts and really taught that wild animal a lesson.

Past Emily Strikechomp: That was really awesome, and you were really dominant out there against her, you big, handsome hunk of a muscular man.

Past Cecily Strikechomp: He wasn't going to take any bullcrap, not from his enemies, or from the five violent bitches who've tried to kill him and ruin his good name and life numerous times, and you just until Luna finds out what you tried to do to Lincoln again, Lynn!

Past Lynn roared again and tried to get out, but it was useless.

Past Lincoln: Now, now, Cecily, don't provoke her any further. We'll call Luna and tell her to grab Lynn and drag her smelly butt home.

Suddenly, Vanzilla arrived, and Luna got out, and man, was she mad at Lynn!

Past Luna: LYNN! WHERE ARE YOU AT, YOU SORE LOSER JOCK?! COME ON OUT, I'VE GOT A PAIR OF BRASS KNUCKLES WITH YOUR NAME ON THEM, AND SOON, THEY'LL BE POUNDING YOUR FACE IN!

Suddenly, Luna saw Lynn all tied up in red energy ropes, and when she saw Lincoln and without his tank top on, she blushed upon seeing her brother. But, she was stunned when she saw what Lincoln did to Lynn.

Past Luna: Whoa, dude, did you…?

Past Lincoln: Yeah, I pummeled her, Luna, and I tied her up, so you can drag her back home by her ponytail and let Mom and Dad deal with her.

Past Luna: You got it, and you girls have your fun with your muscle man. (Grabs Lynn) Let's go, you walking gym bag, the parents are going to want to have a talk with you.

Luna grabbed Lynn by her ponytail and dragged her back to Vanzilla, and it drove off. The video ends and we all cheered wildly.

Nico: Whoa, man, Linc, you really pummeled Lynn into the ground.

Me: He sure did.

Luna: Lynn was really asking for it, plus the reason for her rampage was because she was mad that she lost another basketball game, and she got so mad, she violently attacked her teammates, and we told Lincoln about it as soon as he and the Guardian Angels got back from their gym.

Lincoln: We were horrified when Luna told us, and we went to the hospital, and we saw Margo, Paula, Polly, and their friends were in casts and lying in bed. Lynn really went too far that day, and I almost asked the Guardian Angels to join in on trashing Lynn, but I knew just how violent Lynn can really get and I wasn't going to let any of them risk their lives for me.

Amy Strikechomp: We knew it from his actions that day, and he really lived up to his reputation as the defender of his Guardian Angels, and he proved just what kind of a man he really is, and he took down Lynn with no problem at all. We were absolutely gushing like crazy at his display of bravado and courage, our hard work was really paying off greatly.

We got a shower afterwards, and then, Lincoln, Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Jaenette Fisher: Wow, so this is Emerald Coast, it's amazing.

Lincoln: I've been here before, Jaenette, and it really is amazing. Shall we?

Lincoln, Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada, and they hugged the girls in their abnormally massive and powerful muscular arms, and Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Me: (Snickers) Looks like someone really enjoyed his beach date, eh, Lincoln?

Lincoln: (In Heaven) It was so awesome!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jaenette Fisher, Katie (Pokémon), Bianca (Pokémon), Sonia (Pokémon), Sabrina (Pokémon), Gardenia (Pokémon), Maylene (Pokémon), Olympia (Pokémon), Cissy (Pokémon), Arena Tycoon Greta (Pokémon), Professor Juniper, and Professor Sada with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

May: Whoa, and I knew Jaenette, Katie, Bianca, Sonia, Sabrina, Gardenia, Maylene, Olympia, Cissy, Greta, Professor Juniper, and Professor Sada definitely had feelings for Lincoln, and I had to guess, you girls let him feed on your blood and mark you, right?

Jaenette Fisher: He sure did.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront in the future: it was a new and dangerous cult called The Extraterrestrial Order of The Planets of Holy Ghidorah, they are an evil cult of Exif and their mission is to resurrect 2018's King Ghidorah and destroy the Earth. In the time where Haruo and his team came from in 20,000 years from now, they destroyed Ghidorah and now they want revenge on us and Haruo for ruining their plans and they want to destroy Haruo and us and bring back King Ghidorah. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: I just had a really huge vision, guys, and Yuko, you are so not going to like it: I found out that in the future, we're going to face a new and dangerous cult called The Extraterrestrial Order of The Planets of Holy Ghidorah, they are an evil cult of Exif and their mission is to resurrect their version of King Ghidorah and destroy the Earth. In the time where you and your team came from in 20,000 years from now, we destroyed Ghidorah, and now, they want revenge on all of us for ruining their plans and they want to us and bring back King Ghidorah.

We all gasped in shock and horror, including Yuko Tani.

Yuko: My God, that's really bad. Lincoln, when can we expect them to show their faces?

Lincoln: The projected date for the war against this cult is February 8th, which means on February 7th on our big mission to help Gingka and his team destroy Dark Nebula, we got to get rid of Antonio Maldonado, and we'll be finished with The Order of Nuestra Señora de la Santa Muerte. But, the huge battle to destroy The Extraterrestrial Order of The Planets of Holy Ghidorah will commence soon.

Nico: Damn, that's really a huge battle. But, your vision just prepared us for who we're going to face in the days to come, Lincoln.

Me: Yeah, and it looks like I'm not the only one who tends to get visions, you do too.

Lincoln: Yeah, both when I'm awake and when I'm dreaming, but this one: this one is serious and with universe-shaking proportions.

Eli: You got that right. So, Lincoln, when the battle against The Extraterrestrial Order of The Planets of Holy Ghidorah begins, who's going to face each of the members?

Lincoln: I've already got this list made.

Lincoln took out a list, and it has who's going to face which member of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Nico: (Gasps) And look, on March 31st, Cadenza and Lincoln are going to destroy Ultimate King Ghidorah once and for all! Oh man, this is going to be a really huge battle to save the Earth!

Eli: Yeah!

Lincoln: But, we'll be ready for them, however if we want to be ready for them in the future, we got to finish The Order of Nuestra Señora de la Santa Muerte.

Maria Garcia: (Spanish Accent) Right.

---

We were flying over the forests of Oregon.

Blackfire: You sure this is where Herb is?

Me: The satellites said that he lived right here.

Nico: At least he is far away from the Springfield Radioactive Crater.

Xenia: That means that he had no involvement in anything that happened.

Camie: Thank goodness.

Lola: Yeah.

Me: Down there!

We saw a barrel and a camp and it was Herb Powell!

Nico: There he is.

We flew down and landed.

Starfire: Greetings, brother of Homer!

Herb Powell: Team Loud Phoenix Storm it's an honor. But I NEVER want to hear or see that name ever again!

Qin: Herb listen. I bought a car like the one that ruined your company and I love it. Me and Chris drive around town in it all over and it's a really hot ride. Everyone is wanting to get one.

Herb Powell: Wow! That is cool that they love it.

Me: Herb listen. I'm sorry you lost everything and all that and I'm sorry about what happened.

Herb Powell: It's all right. But thank you.

Me: You're welcome. But you can't stay mad at Homer forever. Sure he made some mistakes but if anyone is to blame for all of them it's your half father Abraham.

Herb: (chuckles) What did he do? Lose his teeth again?

Me: No worse.

We told him everything that Abraham did and it was shocking and he was mad at Abraham!

Herb: Ok, if that's the worst news you have to tell me.

Maria: Oh, we haven't even gotten to THAT part yet.

Me: And it tells how Springfield is now nothing more than a huge hole in the ground.

I told him everything Springfield did because of Quimby, Burns, Jebediah Springfield and many corrupt megalomaniacal douchebags. As well as the terrible atrocities that lead to its destruction. When I was done he was shocked! Everything about Springfield was a lie and a sham!

Herb: Did Homer know?!

Me: Yes EVERYONE knows.

Qin: The President, the World Leaders, Bender here, all of his friends, everyone.

Lola: Yeah it's awful!

Me: Marge had a mind control chip put on her because of Burns.

Xenia: Yeah and that's why it made her such a ruthless monster.

Lola: Yeah.

Bender: It's true. Springfield is now nothing more than a forgotten memory.

Herb: I meant was Homer involved?!

Me: No he wasn't.

Herb: Oh good.

Me: Yeah it was terrible. Springfield, Oregon was a menace town.

Qin: It sure was.

Herb: Oh man. I'm glad I was out here. But there was this massive flash of white light that I saw and then I felt this huge shockwave.

Thankfully I wasn't hurt.

Me: That was Springfield being blown apart in a nuclear explosion.

Nico: Yep.

Me: But lets get you home so you can talk to Homer.

Leozack: Do you want us to get you a better job?

Herb: I would like that. What I really want is my old job back.

Me: We can do that under our help.

Herb: Thanks guys.

We got him packed up and we headed home.

---

We arrived.

Herb: Wow! Nice place!

Bart, Lisa and Maggie: Uncle Herb!

Herb: Hey kids! Wow! You got so big!

Bart: Yeah we had a lot of growing up.

Homer: Herb?

Herb: Hey Homer.

Homer: Herb I'm…

POW!

He was punched down.

Homer: Okay I deserve that.

Herb: That was for ruining me. But I'm glad you are doing much better now. Qin thanks for buying my car.

Qin: You're welcome.

G1 Scattershot: You can stay here in the meantime.

Herb: Thanks.

Me: Lets get you cleaned up and get you some new clothes. As well as a shave and a haircut.

Herb: Good idea.

We got him all cleaned up.

Herb came out and he was all clean and shaved and more.

Herb: Boy I look great!

Me: You sure do Herb. But you must be starving. Lets get you some grub.

Herb: Good idea.

Me: This will work. (SPINS MAGISWORD BRACELET)

ALL FOOD MAGISWORDS!

Me: SOLO SUPER ULTRA MEGA DOOPER COMBO: ALL YOU CAN EAT SUPER BUFFET FEAST!

I formed a huge feast buffet on the table and it was full of foods and more that he and us love.

Me: You're going to need to build up your strength again so I made a massive buffet for you.

Herb: Wow thanks guys!

Nico: No problem.

Marge: Herb! Hi there!

Herb: Marge, I'm glad you're back to your senses.

Marge: Thanks. It was a mind control chip that did it.

Me: Burns put it on her.

Herb got to eating and man was he hungry.

Nico was lost in thought.

Marge: Are you okay, Nico?

Nico: Me? I'm fine.

Agnes Skinner: Nico, you don't have to lie to us. We know this is usually the kind of day where the mascots like to do silly stuff.

Nico: Usually. But not this time. The mascots now have jobs.

Me: Yeah. But I got a funny feeling about that Mega Meaty restaurant they are working at.

Xenia: What kind of funny feeling?

Me: Something isn't right. Like it's hiding something as a front.

Thetis: Nico, which teams have you made this time?

Nico: Ben 10,000's team will include Bai Tza, Hannah Thunderbolt Paine, Eithne, Silvermist, and Pirate Fairy. Ace Bunny's team will include Pyra, Maggie Orbersson, Soup Faerie, Fyora the Faerie Queen, and Siyana the Light Faerie.

Me: Hey cool choices!

Qin: Awesome!

Siyana the Light Faerie: I'm honored to be on a team.

Hannah Thunderbolt Paine: Me too. This will be so fun.

Eithne: It sure will.

Silvermist: It's truly an honor.

Ace Bunny: I agree there guys.

Pyra: Same here.

Then the Previous group came.

Major Diaster: Can me, Dr. Light, Number 7, Captain Cold, Mysterio, Common Cold, Man Ray, Cluemaster, Tchang Zu, and Johnny 13 go with you guys?

Evil Winter Man: Me, Evil Bright Man, Live Action Sentinel Prime, Evil Blizzard Man, Tenaya 7, Crud, Swamp Witch, Bradford Buzzard, Queen Jellyfish, and Boil Man will come too.

Nico: Yes you all can come too.

Xenia: Yeah the mission has something to do with the restaurant the mascots work at.

Nico: Yeah something is fishy here.

Drillhorn: Nico, which Gene Slammers do you think you'll meet next?

Nico: Scizor, Shuckle and Heracross.

Qin: Cool!

Me: The evolved form of Scyther next. This will be interesting.

Nico: Yep it sure will.

Camie: Looking forward to those.

Dr. Light: This sounds almost similar to something the Titans dealt with before.

Evil Bright Man: (to the Titans) In that case, you guys can help us gather evidence that the mascots' new job is suspicious.

Me: I agree there.

Robin: But sure thing.

Me: Wait a second yeah. Beast Boy you worked at this restaurant before right?

Beast Boy: Yeah against my will because I'm a vegetarian! I hate places that serve meat!

Jared: Welcome to my world Garfield.

Lisa Simpson: Same with me.

Apu: (Hindu Accent) I feel the same way you guys.

Laurie: I do too dudes.

Miles: Same here guys.

Jared: But why would Beast Boy be forced to work at this restaurant even if he didn't like it?

Sly: (Australian Accent) Mates, some of us should go with the Quantum Girls to check the place out.

Me: Agreed.

Nico: Good idea. Beast Boy, You and J.D., Eli and the Quantum Girls will go check it out.

Beast Boy: I'll do it but I won't like it.

Me: Swallow your pride Beast Boy.

Eli: Okay.

Me: But we're on our way.

We were off.

---

We arrived at Mega Meaty Meat.

Me: Here we are.

Eli: Looks like an ordinary every day restaurant.

Me: It sure does. But something seems very fishy here. Metaphorically speaking of course.

Eli: Yeah.

We went in and saw people eating burgers and steaks.

Me: Boy the food looks great.

Eli: It sure does.

Poromon: Hey guys!

We saw the mascots dressed up in Work hats.

Captain Cold: Hey, guys!

Poromon: What are you guys doing here?

Evil Blizzard Man: Who, us? We're just checking out your workplace.

Me: Yeah we're just wanting to see what the place has.

Poliwag: Sure.

Me: Want to grab a quick bite guys?

Qin: Might as well. We are on a mission.

We got sat down.

Poromon: What will you guys have?

Erica Haddock: Let's see. (rapid fire) I'll have eight Number Threes, five Number Twos, two Number Ones… (normal speed)… and a diet soda. (The items appear as she names them.)

Poromon: Actually, we don't have soda, only meat.

Erica Haddock: Okay. Then make it a cup of meat juice.

Poromon: Okay.

Me: Boy you sure are hungry Erica.

Erica Haddock: What can I say, I'm a Tyrannosaurus Rex Gene-slammer and I love meat.

Ellie Singh: So, what variety of meat is served here?

Manaphy: Um… Bob says that's a trade secret.

Me: Ahh. Like the Krabby Patty Secret Formula.

Manaphy: Yeah. Exactly.

Missy: Are you the only ones who work here?

Poliwag: Bob says that's a trade secret, too.

Grier: So where is this Bob, anyway?

Horsea: In the back.

Me: Okay.

Qin: Yeah. I'm glad you guys found a way to make some extra money. (Overhead view of the place.) But don't you think this place seems a little… weird?

Me: Yeah it does feel strange.

Crud: We're gonna get right to the point, guys. Your restaurant might be suspicious.

Common Cold: And we're not making this up!

Manaphy: (Whispers) Yeah to tell you the truth guys, something is up.

Poromon: (Whispers) I feel it too.

Horsea: (Whispers) We heard Bob talking to some strange guy calling himself The Source and we don't know who he is.

Poliwag: (Whispers) And a restaurant that serves only meat? Beings back memories of that gross restaurant that Chiro and friends faced.

Me: (Whispers) I remember that. (Shudders) But keep a front up guys.

Nico: But you guys have a choice to make. Stay in this suspicious restaurant to keep earning money.

Laxus Dreyar: Or stop earning money and do the right thing.

Me: Guys lets not pressure them.

Poromon: No Laxus is right. We'll do the right thing.

Manaphy: Yeah. But we'll keep up a front.

Me: Good.

Tchang Zu: Why don't we put something in the food?

Queen Jellyfish: Then, everyone will stop coming here.

Nico: No we can't let whoever runs this place know that we're onto them. But we'll keep that option available.

Me: But that's a good idea.

Nico: Yeah.

Me: Nico we're gonna need help on this from one of your friends. Code Meat Dinosaur Surveillance.

Nico: Using my code book is a really smart idea.

Nico activated his communicator watch for Mata Hari Henningway the Diablo Gene-Slammer.

Nico: The Flaming Dinosaur Shall Bring Chaos and Fire and Pain.

Mata Hari Henningway: And the way to stop him will be through a soothing dragon

We saw Mata Hari under the table and she was camouflaged.

Mata Hari Henningway: Agent Mata Hari here Nico.

Nico: I need you to help investigate this place Mata Hari.

We got our meals and we were eating them.

Marvel Loki: Lisa, you're eating that meat?! But you're a vegetarian!

Lisa Simpson: And I still am. This hardly tastes like meat at all.

Qin got suspicious when she heard that.

Me: Hmm.

I looked at it.

Me: That looks like tofu.

Jared tasted it.

Jared: It is tofu.

Nico: Weird. How can tofu be served in an all meat restaurant?

Shanan: Very familiar.

Poromon: And there's something up with Bob too.

Johnny 13: How so?

Poromon: One time when he patted me on the back, I felt something slimy. But I thought it was sweat.

Boil Man: Mata Hari, you better find out what's going on ASAP!

Mata Hari nodded and got to work.

She searched the place and found Bob going into a room and she shrunk down and went under the door and popped up behind a box and saw Bob talking to a strange creature! It was A LIVING CUBE OF TOFU! It was NEWFU!

---

Newfu is an evil maniac talking tofu species with eyes and a mouth. It's also what makes up Bob, and the "food and drinks" that are sold as a front at Mega Meaty Meat.

Its only goals seem to be the invasion and destruction of other worlds. This can be deduced by The Source's comments to Beast Boy when asked why he was using the Destruct-o-tron and Mega Meaty Meat (with Bob as the face of the operation) as a front for world destruction. The Source merely replied, "It is our way." This implies that not only has Newfu destroyed countless other worlds, but that there are others of its kind, repeating this process in a never-ending cycle. Thankfully, Beast Boy is able to discover (albeit, through torture/interrogation) that Newfu's weakness is, in fact, water. With this in mind and a newly acquired B-Ped, Beast Boy is able to defeat The Source and save the world, though that particular piece of Newfu is unable to answer to his crimes, as Cyborg mistakenly eats it. The species was later seen at the end of "Homecoming" with a Bob, though it's not certain whether this was the same cube of Newfu that had terrorized Beast Boy in "Employee of the Month".

---

Mata Hari took a video of it from her phone.

Newfu: Soon this world will be history and then we'll rule this universe.

Bob: Yes master.

But to her shock she saw that "BOB" Was really made of TOFU as well!

Mata Hari: Oh man. You got to be kidding me.

She shrunk down and left through the door and returned to us.

RD Lana: Well, if the ones in charge are bad, might as well troll them by eating their food!

Me: Yeah.

Mata Hari came back as we were eating.

Mata Hari: I have my findings.

She revealed to us what she recorded and then to our shock and Beast Boy's horror we saw Newfu!

Nico: What in the world is that?

Beast Boy: Oh man! That's Newfu!

Robin: Newfu is behind this!? I knew it!

Poromon: Who is Newfu?

Beast Boy: One of our enemies.

He told us about him and we were shocked!

Me: Oh man! I knew something was very suspicious about this place!

Nico: Your suspicions were really spot on.

Me: But you have got to be kidding me. He's a living cube of tofu.

Shanan: I didn't expect it to be one of them. That's a Glycinexian from the planet Glycine Prime and they are a race of malevolent tofu aliens that plan to destroy all planets in the universe just for fun after killing all their cows.

We gasped!

Qin: Not good!

Cluemaster: The evidence is coming together. That explains why Lisa likes this food. Because it's not real meat.

Me: It's made of tofu.

Apu: Perfect for vegetarians like me.

Jared: And me.

Laurie (Total Drama): And me dudes.

Me: And why so many cows were missing over the last few days.

Bradford Buzzard: It also explains why Bob felt slimy to Poromon.

Me: Yuck. I did not expect Bob to be made of tofu as well.

Lola: No kidding.

Me: Robin how did you guys defeat this guy before?

Robin: Well it wasn't easy.

He told us how they defeated Newfu.

---

A UFO comes to a farm and attempts to snatch a cow when suddenly the Teen Titans burst out of their disguises and try to take it down. The UFO gets as far as the city center, where it mysteriously vanishes, leaving the Titans with no clue about its intentions. In addition, a new fast food joint named Mega Meaty Meat has opened up in the neighborhood, which does not suit Beast Boy at all because of his vegetarian disposition.

Besides, Beast Boy has to deal with a much more urgent problem: Since he has to rely solely on his own muscle power during high-speed pursuits (just like he had to in the UFO chase), he tires rapidly, so he wants to get motorized. His special object of desire is a moped, a Tidwell 3000, which he would like to adopt as the B-Ped. However, Robin refuses to spend any funds on buying one and Cyborg could not spare time to build one, so Beast Boy follows Raven's advice to get a job and finance it by himself.

However, even the simplest jobs he tries (literally) blow up in Beast

Boy's face, and in his desperation, he somehow finds his way into Mega Meaty Meat and its manager Bob, who is looking for hired help. At first abhorred by the prospect of having to handle meat products, Beast Boy is quickly swayed to stay and work in the place when Bob presents him with the prospective award for the Employee of the Month, namely Beast Boy's dream machine. The odd thing is that Beast Boy remains the only employee at the place, and Bob keeps a dark secret hidden in the back of his evermore popular restaurant…

The UFO returns shortly, and this time the Titans (sans Beast Boy) manage to bring it down. But the UFO gives them even a harder nut to crack, since its sole occupant is an Earth cow - which is used as the UFO's power supply! But before the Titans have time to think up a plausible theory, a whole horde of UFOs appears and attacks them.

Back at Mega Meaty Meat, Beast Boy is faced with a flood of hungry customers and a shortage of foodstuffs to serve them, so he goes into the back to get assistance. But once inside, he discovers that the restaurant is both a façade and the place of origin of the UFOs: an alien conqueror made of living tofu, aka The Source, and his creations, the Bobs, are trying to catch as many cows as they can to provide power for their technology and using a weapon to blow up the Earth upon completion of the operation, just out of spite. Determined not to let that happen, Beast Boy fights his way through a horde of Bobs, kidnaps the Source, and takes it back to Titans Tower to find out how to stop its insidious scheme. When the Source remains uncooperative, Beast Boy resorts to the most drastic means he can think of to make it talk - by covering it with sauce and threatening to eat it for lunch!

With the information the Source has given him on their weakness, which just turns out to be water, Beast Boy is able to single-handedly defeat the Newfu's plan, restore the cows and prevent the destruction of the Earth, by pressing a big button on the machine that shuts it down for good. But unfortunately, his shining hour goes without credit for him: the over-stressed B-Ped collapses into a scrap pile, and while explaining the rather bizarre circumstances to the others, it is discovered that Cyborg, in his ravenous appetite and to the horror of his friends, has inadvertently consumed the only key witness!

---

When he was done we were satisfied that Cyborg ate Newfu before.

Smithers: Does milk have to do with any of this?

Poromon: No.

Me: Hmm. Well either way he needs to be stopped.

Jared: And I'm going to eat him.

Lisa Simpson: Save him for me too.

Me: I'll cut him into pieces for you guys to eat.

Xenia: Yeah.

Jared: Thanks dad.

Poromon: Shame we have to kill Bob though.

Man Ray: He IS a friendly guy.

Swamp Witch: He won't get the Black Gates. Newfu will.

Me: We'll have Bob put into the Masters of Evil.

Qin: Good idea.

Nico: Yeah.

Me: Either way we still have to stop him.

Nico: Yep. The world is in danger and we have to make sure Newfu doesn't get away with this.

Nauthilax: Newfu's weakness is water. And I have plenty of it!

Maria: Same here.

Varie: Me too.

Sailor Mercury: Me too.

Oceanus Shenron: Plenty of that with me.

Nico: Me too.

Me: Same here. We got a lot of it.

Lincoln: It's like battling the Jellians all over again. Except they are made of tofu.

Tenaya 7: And no one's being replaced.

Mysterio: Which Heartless Robots should I use for this?

Yusei: How about Hot Rods next?

Mysterio: Good choice.

Qin: Nice.

Nico: Lets get moving guys. The world is in danger.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Javier Medina of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Javier Medina of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Paula Chawa: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Javier Medina for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go.

Lincoln: We'll make that Tofu Cube pay for his evil schemes, and once we get done with him, you're the next one to die, Javier Medina.

Paula Chawa: (Spanish Accent) This is going to be quite weird fighting an alien Tofu Cube, but since he's trying to destroy us, we got to get rid of him, and once we get done with Newfu, you better say your prayers, Javier Medina, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Kerchak: I believe it's entrance time.

Nico: You got that right Kerchak.

We went to the kitchen.

The Source was laughing malevolently.

Then the spirits of cows and meats swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of meat blasted through the door and then the meats popped out like popcorn into mini fiery explosions and then a phoenix cry was heard and out of the fire came us!

Qin: Now that was a meaty entrance!

Nico: You bet it was!

Newfu: Team Loud Phoenix Storm! And Beast Boy!?

Beast Boy: That's right you cube of Tofu! We're here to end you!

Jared: You better be ready because I'm going to eat you!

Bob: Sorry, Benji. But I'm afraid that the 4 of you are fired.

Live Action Sentinel: No, they aren't.

Number 7: I doubt they should be fired if the ones they work for are trying to destroy the planet.

Poromon: That's right! Because we already quit!

Nico: YEAH!

Me: Now you guys are going to pay for your crimes!

Nico: All of them!

Camie: And it's going to hurt!

Newfu: We'll see about that!

I fired waves of water and drenched a couple of Bob's and they melted!

Me: Also his name is Garfield Logan! Not Benji!

Qin: Yeah get it right you slop artist!

Beast Boy: That's right! Remember it!

Nico: Yeah!

SkullMeramon, Goro, Puppetmon, Dodgeball Wizard, Spankulot, David Cain, White Lightning, Black Lance, Metalseadramon, Lythos, Creepy Lighthouse Keeper, Ghost of Jeremiah Pratt, Cyber Cat, Hot Rodney, Lady Quark, Lego Poison Ivy, Marina Dek Ray, Major Mucus, Yost Electro, and Evil Comet Woman then appeared.

Nico: SkullMeramon, Goro, Puppetmon, Dodgeball Wizard, Spankulot, David Cain, White Lightning, Black Lance, Metalseadramon, Lythos, Creepy Lighthouse Keeper, Ghost of

Jeremiah Pratt, Cyber Cat, Hot Rodney, Lady Quark, Lego Poison Ivy, Marina Dek Ray, Major Mucus, Yost Electro, and Evil Comet Woman.

SkullMeramon: Boy you guys this is a crazy restaurant.

Qin: You're not kidding there.

Lola: Yeah.

Newfu: HEY! Why aren't you killing them!? Do it!

Puppetmon: We don't take orders from you! We are independent!

Nico: Yeah! They are our frenemies so back of slop pile!

Goro: Funny how it's my turn after I helped out in a rescue.

SkullMeramon: (sheepishly) Also… we actually already ate from here.

Puppetmon: Please don't get mad!

Maria: We won't. At least it doesn't cause side effects.

Me: No thank goodness. We don't want what happened with Chiro and that meat restaurant to repeat itself.

Nico: Yeah.

Dodgeball Wizard: (to Nico) We heard you rescued several girls.

Nico: Yep we sure did.

Spankulot: (Transylvanian Accent) You hit the Sailor soldier jackpot!

Me: We sure did Count. And we found out that they were from worlds that we went to many times in the past.

Xenia: Yeah. And we were shocked to find out that there was a Sailor Soldier from Pocahontas's world.

Me: And that one took place over 400 years ago.

Nico: Yeah.

?: Boy that is crazy!

A figure came out and it was MADTROPOLIS from episode 21 of Ninja Storm!

---

He was summoned by Zurgane to steal the ninja powers from the Power Rangers. He appeared with an army of Kelzaks and Marah and Kapri to battle Tori and Cam. They had the upper hand until Shane, Dustin, Hunter and Blake came, the Rangers morphed and did battle. He was able to best them and take their ninja powers before retreating with Marah, Kapri, and the Kelzaks.

He was then about to blow up the ball with the ninja powers, but the Crimson Ranger manages to retrieve it (as Cam gave the Ninja Rangers a power surge to let them turn into their Ranger forms). The Red Ranger tried to battle the monster, but he was quickly outmatched so he created illusions that the Rangers must overcome. They managed to overcome it, but their power surge was wearing off, and Madtropolis was still not finished. With the last of their energy, they defeated him with the Thunderstorm Cannon.

Madtropolis grew large with the Scroll of Empowerment and after Cam transferred the ball back to Ninja Ops, the Rangers summoned the Storm and Thunder Megazords to battle the monster. But without their powers, they were outmatched. Cam sent in the Power Sphere 9: Scarf to protect the Rangers, which gave them a small advantage, but it was not enough.

After defeating both Megazords with his Lightning Beam, he was about to make the finishing strike on the Rangers until Cam used the Scroll of Time to freeze everything.

With time frozen, Sensei was able to teleport the Rangers back to safety in Ninja Ops. When Cam succeeded his mission, the Scroll of Time started to lose energy, which caused the Rangers to be teleported back to the monster's view.

Luckily, the new Green Samurai Ranger appears and pilots the Samurai Star Copter to battle Madtropolis, who was taken down to the ground when the Zord drilled though it. The Green Ranger transformed the Zord into the new Samurai Star Megazord and used the new Power Sphere 10: Bee Stinger to ultimately destroy Madtropolis. After the monster was destroyed, the Green Ranger revealed himself to be none other then Cam.

---

Cam: Madtropolis!

Madtropolis: Been a while Green Ranger.

Me: I remember you! You were sent to destroy the rangers by stealing their powers and you saw Cam as the Green Samurai Ranger for the first time and he beat you.

Madtropolis: That's right.

Nico: That was epic!

Madtropolis: My episode was the first time the Green Samurai Ranger came to play!

William: I know. It was Cam's turn to be a Ranger.

Me: That was so cool!

Qin: Yep.

Lola: Yeah!

We got the usual battles underway.

SkullMeramon was first.

SkullMeramon: (To Mizore) Nico's rescue was in the Breakfast Bog. He sure rescued a lot of girls!

Mizore: He sure did and that was so awesome and cool.

Rarity: Oh it sure was darlings. And the Breakfast Bog is simply amazing too.

Sweetie Belle: Boy it sure is! We had no idea there were lots and lots of environments made of food because of Flint's Machine.

Gill Grunt: That was so awesome too.

Princess Rhonda Florence: Yeah that was so cool!

Spike: Boy it sure was. All those pancakes were really tasty too.

SkullMeramon: Boy they sure were. Lets do it!

Silverstream the Hippogriff, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Layla Edmuntion, Common Cold, Drillhorn, and Guyhawk VS Goro - Battling Another Wonder Almighty and Another Goro

---

Goro was next.

Goro: (to Silverstream) Nico and the others did good battling Another Wonder Almighty and Another Goro. (laughs) You and I should know since both of our teams were there!

Silverstream: Yeah you sure were and we all kicked some butt. We had no idea however that we were going to meet the most powerful Sailor Soldier of them all!

Fluttershy: Oh that was amazing that J.D. knows her.

Tornado Bolt: Boy it sure was! That was incredible that she is so powerful!

Seabreeze: (Swedish Accent) Oh ja and she is amazing at what she can do.

They fired waves of leaves, grass, flowers, fruits and energy and giant germs and smashed him down.

Yae, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Emilia Kaito, Thunderbolt (Skylanders), Anemone and Sly (Ty) VS Puppetmon - Lincoln's Rescue

Puppetmon was next.

Puppetmon: (to Yae) I heard Lincoln's rescue was in Maryland. How was it?

Yae: It was really fun and they took down a bully from some of the Guardian Angels pasts, a despicable bully named Orson Matthews, he's a rotten, black-hearted, despicable bully from the past of Lincoln's three Guardian Angels whom we'll meet in the future: Crystal Solace, Dulcie Matthews, and Sophie Andrews, and that jerk has gotten off on tormenting the girls by blackmailing Crystal into doing whatever he says, making the life of his little sister, Dulcie, a nightmare, and for pulling cruel pranks on Sophie and trying to ruin her academic record. The girls eventually had enough, and they formed an awesome club called The Fearless Club, and they not only stood up to Orson and their old school's unfair system, but they also got back at that despicable prick in truly spectacular ways: with Crystal, Dulcie activated the sprinkler system which sprayed Orson and his Elite Club when they were at his house, with Dulcie, she and her dancing partner beat Orson and his partner, and due to the assault Orson committed, he was stripped of the right to compete in any international dance competition for two years, and with Sophie, thanks to the help of Crystal and Dulcie, they found out their school's principal was involved in not only turning a blind eye to Orson's constant troublemaking and bullying, but he was also helping Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor and it was also found out that Orson had stolen Sophie's work and copied it. In the end, the Education Ministry stepped in and their ex-principal was fired for what he's done and he was stripped of his license, and as for Orson, he was immediately expelled from school for his evil misdeeds. Orson tried to get his revenge on them, but Lincoln found out about it and he beat Orson up and he had that despicable bastard arrested and sent to juvie for his crimes.

Puppetmon: Oh man! That is crazy!

Twilight Sparkle: It was but it was amazing! We made sure that we gave that monster what for.

Starshine Sparkle: Yeah it was really fitting to give him justice.

Spyro: Yeah it was awesome and fun. We made that monster pay.

Emilia Kaito: He had it coming though.

Thunderbolt: He sure did.

Puppetmon: Good riddance there. Lets do it!

Yae activated her Legend Items.

YAE'S NINJA JOURNEY THROUGHOUT JAPAN! YAE'S MERMAID POWER!

They fired waves of energy and magic and lightning and blasted him down.

## Dan Kuso, Sunset Shimmer, Pipsqueak, Fire Skylanders, Carlota Santiago the Arburian Pelorota Gene-slammer, Henry the Armadillo, Grier and Moosk VS The Dodgeball Wizard (Codename KND) - Meeting the Strikechomp Sisters

Dodgeball Wizard was next.

Dodgeball Wizard: (to Dan) I heard you guys met the Strikechomp Sisters. What are their names?

Dan: Their names are Amy Strikechomp, Belle Strikechomp, Cecily Strikechomp, Dakota Strikechomp, Emily Strikechomp, Freya Strikechomp, Lara Strikechomp, Mila Strikechomp, Olive Strikechomp, Sarah Strikechomp, and Willow Strikechomp and they are really cool.

Drago: Boy they sure are and they have an amazing and awesome story.

Sunset Shimmer: Boy they sure do. It's really awesome.

Pipsqueak: (British Accent) This is gonna be a brutal flashback.

FLASHBACK 1

Nico: Yep. So, Amy, what memories did you and your sisters have with Lincoln? We know of what you girls did to that stupid Killjoy Huggins, and that was hilarious.

Amy Strikechomp: Oh, we have a video of one little incident where Lincoln beat down Lynn while we were at our gym.

Amy Strikechomp pulls up the video as it played on the screen, and we saw Lincoln, the Strikechomp Sisters, and the rest of his Guardian Angels working out at the huge gym they made, and Lincoln who was dressed in an orange tank top, orange gym shorts, and sneakers was lifting 900,000-lb barbells and doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and they were really sweating like crazy, even doing yoga to clear our minds.

But, their day was about to be rudely interrupted by one meat-headed, superstition-crazed, rowdy, violent-tempered, and outright obnoxious sister.

BBBBBBBBBUUUUUUUUUUURRRRRPPPPPPPP!

Past Amy Strikechomp: What the hell was that?!

Past Emily Strikechomp: (Gasps) Oh no. Guardian Angels, we got a Code: Red, she's on the rampage again.

Past Lincoln: Lynn, oh, what's gotten into you this time?!

Suddenly, the doors burst open, and we saw Lynn, her eyes red with anger and hatred, snarling like a wild beast, and she roared and beat her chest like a gorilla again!

Past Cecily Strikechomp: You again, Lynn?! I ought to beat your brains in if you got any, and I think I will!

Past Isabella Lupa: You've had this coming for a long time, you walking gym bag!

Past Lincoln: No, girls, let me handle her.

Lincoln and the Guardian Angels stopped working out to confront Lynn, who was already acting like a monster. Suddenly, Lincoln took off his sweat-covered tank top revealing his massive and extremely muscular body and eight-pack abs, and covered in sweat, which made his Guardian Angels blush, and he spread out his massive white angel wings.

May: Oh, you are so dead again, Lynn.

Then, in the video, we saw Lynn run at Lincoln on all fours like the animal she is, but Lincoln stood ready, and as Lynn pounced on him, Lincoln grabbed her and he threw her right into an exercise mat and she crashed onto it. Lynn got up and she roared like a monster again, but Lincoln didn't care about that: he wasn't going to let that animal cause havoc again. Then, Lincoln went on the attack as he used some awesome wrestling moves on her to pin her to the ground, but Lynn got back up, and she was still violent, so Lincoln switched, and he attacked with some amazing martial arts techniques that he'd learned from his Guardian Angels and from us as well, and with one roundhouse kick, he'd knocked down Lynn, and he fired red energy blasts from his hands and white angel wings and tied Lynn up.

Past Amy Strikechomp: Lincoln, that… was… AMAZING! You used both wrestling and martial arts and really taught that wild animal a lesson.

Past Emily Strikechomp: That was really awesome, and you were really dominant out there against her, you big, handsome hunk of a muscular man.

Past Cecily Strikechomp: He wasn't going to take any bullcrap, not from his enemies, or from the five violent bitches who've tried to kill him and ruin his good name and life numerous times, and you just until Luna finds out what you tried to do to Lincoln again, Lynn!

Past Lynn roared again and tried to get out, but it was useless.

Past Lincoln: Now, now, Cecily, don't provoke her any further. We'll call Luna and tell her to grab Lynn and drag her smelly butt home.

Suddenly, Vanzilla arrived, and Luna got out, and man, was she mad at Lynn!

Past Luna: LYNN! WHERE ARE YOU AT, YOU SORE LOSER JOCK?! COME ON OUT, I'VE GOT A PAIR OF BRASS KNUCKLES WITH YOUR NAME ON THEM, AND SOON, THEY'LL BE POUNDING YOUR FACE IN!

Suddenly, Luna saw Lynn all tied up in red energy ropes, and when she saw Lincoln and without his tank top on, she blushed upon seeing her brother. But, she was stunned when she saw what Lincoln did to Lynn.

Past Luna: Whoa, dude, did you…?

Past Lincoln: Yeah, I pummeled her, Luna, and I tied her up, so you can drag her back home by her ponytail and let Mom and Dad deal with her.

Past Luna: You got it, and you girls have your fun with your muscle man. (Grabs Lynn) Let's go, you walking gym bag, the parents are going to want to have a talk with you.

Luna grabbed Lynn by her ponytail and dragged her back to Vanzilla, and it drove off. The video ends and we all cheered wildly.

Nico: Whoa, man, Linc, you really pummeled Lynn into the ground.

Me: He sure did.

Luna: Lynn was really asking for it, plus the reason for her rampage was because she was mad that she lost another basketball game, and she got so mad, she violently attacked her teammates, and we told Lincoln about it as soon as he and the Guardian Angels got back from their gym.

Lincoln: We were horrified when Luna told us, and we went to the hospital, and we saw Margo, Paula, Polly, and their friends were in casts and lying in bed. Lynn really went too far that day, and I almost asked the Guardian Angels to join in on trashing Lynn, but I knew just how violent Lynn can really get and I wasn't going to let any of them risk their lives for me.

Amy Strikechomp: We knew it from his actions that day, and he really lived up to his reputation as the defender of his Guardian

Angels, and he proved just what kind of a man he really is, and he took down Lynn with no problem at all. We were absolutely gushing like crazy at his display of bravado and courage, our hard work was really paying off greatly.

FLASHBACK ENDS

Dodgeball Wizard: Good gravy! Lynn beat her own friends up!? That dark side of hers was REALLY out of control!

Sunburn: You're telling me there! What she did showed that she had no compassion.

Dodgeball Wizard: You're not kidding! Also I heard rumors flying around that there is a new cult we'll be facing after this one. Is that true?

Sunset Shimmer: Every word of it! It's called The Extraterrestrial Order of The Planets of Holy Ghidorah.

FLASHBACK 2:

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront in the future: it was a new and dangerous cult called The Extraterrestrial Order of The Planets of Holy Ghidorah, they are an evil cult of Exif and their mission is to resurrect 2018's King Ghidorah and destroy the Earth. In the time where Haruo and his team came from in 20,000 years from now, they destroyed Ghidorah and now they want revenge on us and Haruo for ruining their plans and they want to destroy Haruo and us and bring back King Ghidorah. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: I just had a really huge vision, guys, and Yuko, you are so not going to like it: I found out that in the future, we're going to face a new and dangerous cult called The Extraterrestrial Order of The Planets of Holy Ghidorah, they are an evil cult of Exif and their mission is to resurrect their version of King Ghidorah and destroy the Earth. In the time where you and your team came from in 20,000 years from now, we destroyed Ghidorah, and now, they want revenge on all of us for ruining their plans and they want to us and bring back King Ghidorah.

We all gasped in shock and horror, including Yuko Tani.

Yuko: My God, that's really bad. Lincoln, when can we expect them to show their faces?

Lincoln: The projected date for the war against this cult is February 8th, which means on February 7th on our big mission to help Gingka and his team destroy Dark Nebula, we got to get rid of Antonio Maldonado, and we'll be finished with The Order of Nuestra Señora de la Santa Muerte. But, the huge battle to destroy The Extraterrestrial Order of The Planets of Holy Ghidorah will commence soon.

Nico: Damn, that's really a huge battle. But, your vision just prepared us for who we're going to face in the days to come, Lincoln.

Me: Yeah, and it looks like I'm not the only one who tends to get visions, you do too.

Lincoln: Yeah, both when I'm awake and when I'm dreaming, but this one: this one is serious and with universe-shaking proportions.

Eli: You got that right. So, Lincoln, when the battle against The Extraterrestrial Order of The Planets of Holy Ghidorah begins, who's going to face each of the members?

Lincoln: I've already got this list made.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Javier Medina.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Javier Medina, the next member of The Order of Nuestra Señora de la Santa Muerte.

Paula Chawa: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Javier Medina: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Paula Chawa's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Chawa-themed greatsword from her back, and as she approached Javier Medina, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Paula Chawa: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Javier Medina. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Chawa and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Paula Chawa was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Chawa flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Elisa Chawa emerged, but she was changed forever.

Suddenly, Paula Chawa felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Paula Chawa has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Paula Chawa's massive The Fabled Chawa-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Chawa's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Chawa etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Cerburrel's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Paula Chawa has transformed into SUPER ANGEL-THE FABLED CHAWA-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED CHAWA ANGEL OF DIVINE DARK FABLED CHAWA IMP JUSTICE AND DIVINE FABLED CHAWA IMP LOVE!

We were amazed by Paula Chawa's Super Angel-The Fabled Chawa-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Javier Medina saw it, he went insane and he got out his sacrificial knife to stab her, but Paula Chawa fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Javier Medina, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Paula's transformed.

Lincoln: Yeah, and she really sent Javier Medina back with that energy blast she fired and that really pissed him off now, and Paula, you look beautiful, how do you feel?

Paula Chawa: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Chawa and Divine Darkness Light Fabled Chawa Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Javier Medina once and for all?

Lincoln: (Smiles) With pleasure, Paula.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Paula Chawa.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Javier Medina, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Paula Chawa and Lincoln went after Javier Medina, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Javier Medina and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Paula Chawa sent her three imps and Lincoln summoned his own imps and they sent them at Javier Medina, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Paula Chawa, her hand-cannon Blaster is known as The Fabled Chawa's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Chawa surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Paula Chawa aimed their hand-cannon blasters at Javier Medina.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Javier Medina!

Paula Chawa and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Javier Medina and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Javier Medina and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Javier Medina and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Paula Chawa and Lincoln gave Javier Medina The Black Gates for good. We cheered as Paula Chawa and Lincoln holstered their massive greatswords on their backs and powered down, and Paula Chawa's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Paula Chawa: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Javier Medina for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Paula.

Suddenly, Paula Chawa wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Paula Chawa's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Chawa flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Paula Chawa absorbed the light and they came back to us as the display and The Fabled Chawa vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Javier Medina's death, now there are only eight members of The Order of Nuestra Señora de la Santa Muerte.

Paula Chawa: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Pedro Marin, which means it'll be Sierra Ganashia's turn.

Sierra Ganashia: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Ghazt the Plasma, Grumpyre the Shadow, Reebro the Mech, Jeeode the Crystal, and Humbug the Poison.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Ghosthunters Club: Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag.

Lincoln: My Guardian Angels from Michigan, awesome, and you guys are going to love meeting them: they're a Goth Group dedicated to exorcising some of the nastiest ghosts out of places for fair prices and I'm one of the members as well. We've even taken some of the darkest demons and ghouls as well, and they each kissed me on the lips as well, and they hate the jerks with a passion.

Nico: Whoa, so you also got a Goth Group of Ghosthunters that are well known in Michigan, and you're in that group too. We're going to enjoy meeting them tomorrow.

Me: You got that right.

Poliwag: We're sorry, guys.

Manaphy: We should've just worked at Lynn's table.

David Cain: Actually, we don't blame you guys for looking for outside jobs.

Horsea: Really?

Me: Yeah you guys did try your hardest to find a good restaurant and we're proud of you guys.

White Lightning: We'll help you find new jobs that are much more pleasant.

Black Lance: But in the future, try not to work for scumbags.

Me: Especially aliens that are made of tofu and want to destroy everything.

MetalSeadramon: How about we celebrate by eating REAL meat?!

Lythos: And not in this restaurant!

Me: Good idea.

Jared: Just salads for the Vegans like me.

Me: We know son.

Nico: But great job today everyone.

Beast Boy: (To the Viewers) This was a great adventure and it was so fun and cool.

Me: And we saved the world.

We went to Lynn's Table and got the mascots hired into Lynn's Table and then we had a great meal and then we later went back home and enjoyed the rest of the day and went to sleep.

They and Lincoln have even taken down some of the darkest demons and ghouls as well, and they each kissed Lincoln on the lips as well, and they hate the jerks with a passion. Their names are

Isabella Purazumagōsuto, the Ghazt the Plasma Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in English, but she's also surprisingly a passionate ghost hunter and has taken down some of the nastiest ghosts. She's also a goth and the leader of The Ghosthunters Club. Her last name, Purazumagōsuto, means Plasma Ghost in Japanese. She and Lincoln would also watch ghost hunting shows as well, along with hunting down ghosts with the club and she and the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and while at the park at night, Isabella kissed Lincoln on the lips. She's also the niece of Peter Venkman, leader and founder of The Ghostbusters, and she hates Flip with a blazing passion.

Maria Hēibiānfú, the Grumpyre the Shadow Gene-Slammer, she's Lincoln's Guardian Angel from Michigan and classmate in Spanish, but she's also a beautiful goth that loves bats, in fact, she has two bats named Bruce and Selena. Her last name, Hēibiānfú, means Dark Bat in Chinese. She and Lincoln would also take down some of the most dangerous vampires and powerful vampire lords, and she, along with the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg hybrid. Maria kissed Lincoln on the lips, and also, to show her thanks to him for making her a beautiful black hairband. She's also the cousin of Joey Wheeler, and she hates Icky Vicky with a blazing passion.

Chihiro Hakubi, the Reebro the Mech Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in Science, but she's also one of the smartest of Lincoln's Guardian Angels. She and Lincoln worked together to tackle even the most difficult Algebra problems, and this one time, they even built Duel Skateboards that can instantly connect to the Duel Disks, and she, like the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-

Cyborg Hybrid. After testing the Duel Skateboards, Chihiro showed a thank you to Lincoln by kissing him on the lips. She's also the twin sister of Ryoko Hakubi and she hates Billy McLean with a passion.

She and Lincoln would go and explore caves and they even found some of the most beautiful crystals ever found, and she, like the rest of The Ghosthunters Club, knows of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid. She also makes clothing with crystal designs, and this one time, Lincoln made Miyuki a beautiful pink bikini with pink diamonds on it. To show thanks, Miyuki kissed lincoln on the lips. She's also the twin sister of Ayeka Masaki Jurai, and she hates The Wet Bandits with a burning passion.

This chapter is based on the episode The Princess and The Togepi

---

In the early morning hours at 3:00 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Ireland, Dublin. But, they were no ordinary four figure, they were, Muffin Spider, Belle Spider, and Nia Spider, triplet daughters of Lincoln's future wife, Muffet. and Snake-Bite Gorgon, daughter of Lincoln's future wife, Viperine Gorgon. Lincoln woke up from the dream, but he wasn't the only one, Muffet, Viperine Gorgon, Black Alpha, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Muffet: And not only that, it also means that we found out where our kids are at.

Viperine Gorgon: And the question is, Where?

Me: they're at Ireland, Dublin.

Nico: Oh no, that's not good. That's the same place when we found Love Charm, Dr. Ciel Ratchet, Rango Clay, Tinker Sparks, Omega, and Grassblade, It is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Muffet, Viperine Gorgon, Me, and Nico were heading to Ireland, Dublin. Lincoln saw a 13-year-old Spider/Human girl who lavender skin, five blue eyes, dark red spiked hair, sharp fangs, and a slim body with four skinny arms and two skinny legs.

She wears a red undershirt with flames with a black tied vest crop top over it, an blue flared light blue jeans with x's down the sides with a white karate belt. And black & red shoes. A 13-year-old Spider/Human girl who lavender skin, five blue eyes, purple shoulder length hair, sharp fangs, and a slim body with four skinny arm and two skinny legs. She wears a purple and white headband with a bow, a dark purple tank top with a white undershirt, purple short shorts with black lycra mini-leggings underneath, And purple & black sneakers with white soles. A 13-year-old Spider/Human girl who lavender skin, five blue eyes, golden blonde hair with three pigtails, sharp fangs, and a slim body with four skinny arm and two skinny legs. She wears a white shirt under an orange tank top, a shin-length white skirt, orange tights, and yellow flats with white bows. And a young and slender 12-year-old girl who has yellow scaly skin, and red snake-like eyes, snake-like fangs, and long pink and blonde hair with seven dark pink snakes. She wears a long sleeved pink shirt with a large black collar and yellow edges, thin pink cuffs and a black front with pink buttons and edging, a dark pink skirt with a yellow trim, yellow socks, and pink Mary Jane shoes. Lincoln saw who they are, they were Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon.

Lincoln: Excuse me, are you Snake-Bite Gorgon and The Spider Triples?

Snake-Bite Gorgon: Yesss we are, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Muffet and Viperine Gorgon came out, and when Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon saw them, they were stunned.

Snake-Bite Gorgon: Mom, isss that you?

Viperine Gorgon: Yes, little snake, it's me.

Muffin Spider, Belle Spider, Nia Spider and Snake-Bite Gorgon ran up to Muffet and Viperine. Gorgon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Muffet, Viperine, your mothers are one of my many future wives.

Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon to the rest of his siblings (especially Leni, who may still have a fear of spiders, but still cares for The Spider Triplets), who are now their aunts. We were proud of what Lincoln did in reuniting Muffet and Viperine Gorgon with their daughters, and Muffin Spider, Belle Spider, Nia Spider, and Snake-Bite Gorgon now has a loving, strong, brave, and caring father in their life.

Xenia: Yeah you were trying your hardest to get a job and there was no harm done in that.

Poliwag: That's true.

Manaphy: It was still a cool place. But we had no idea it was a restaurant where scumbags were at.

Varie: It's all right guys. You didn't know.

May: How much money did the 4 of you guys earn at least.

Mascots: $4,000.00 for each of us.

Me: Whoa! That's $16,000 for you guys.

Nico: Good money.

Xenia: It sure is.

Qin: No kidding.

Varie: I'll say!

Horsea: Although Jirachi and Tentacool didn't want to join in.

May: Nah. They were happy.

Nico: Okay. But it's still cool though that you work now. And you work now at Lynn's Table.

Poliwag: Yep. I slap Amy in her face with my tail to keep her in line. Even though Lincoln's curse gives me an awesome tip for it, it's still awesome and fun.

Poromon: It sure is. Also I am a technical manager for the arcade at the restaurant.

Manaphy: And me and Horsea are waitresses and we love that.

May: We're glad.

Nico: That's true. It sure is awesome.

Me: Yep.

Nico: Keep an eye out for anyone in trouble.

Me: Okay.

Varie: I have a feeling that the next Sailor Soldiers we'll meet here will be ones that are closer to home.

Nico: What makes you say that?

Varie: Just a feeling.

Lola: Oh.

Maria: Nothing so far.

Me: Yeah.

We were walking through their jam and jelly making section.

My Wrist Computer: ALERT! SPATIAL ANOMALIES IN PROGRESS.

Me: Uh oh.

Then we saw a portal open up above a vat and then we saw a figure fall right into it!

SPLORFF!

Blue jelly splattered all over May.

Nico: Oh man!

Me and Nico flew up and got her out and it was a girl with black hair and purple and pink clothes.

Me: Gina Ganymede A.K.A. Sailor Ganymede!

We brought her down.

Sailor Ganymede: Oh yuck! I'm a mess.

May licked the jam off.

May: Yummy Blue Raspberry flavor.

Maria cleaned her off with her water.

Maria: There you go.

Sailor Ganymede: Thanks guys. Oh man that was rough..

Nico: Boy that was rough.

Sailor Ganymede: It was. But others are coming.

Another portal opened up and then a figure landed in another vat and green jelly splattered all over Nico.

Me and Eli flew up and it was a girl with Orange Hair and red clothes.

Me: (GASP) Irena Io A.K.A. Sailor Io.

We got her out.

Nico licked the jam off.

Nico: (Slurps) Yummy! Green Apple.

Sailor Io: Yuck! This is gross.

Maria cleaned her off.

Sailor Io: Thanks guys. Man that was rough.

Nico: It was.

Then another portal opened and another figure landed in another vat and orange jelly splattered all over Lincoln.

Laney and Lana flew up and got a girl with blue hair and blue clothes out.

Me: Elaine Europa A.K.A. Sailor Europa.

Lincoln: (SLURPS) Yummy Orange Marmalade.

Maria washed her up.

Sailor Europa: That was rough.

Nico: Are they just falling out of the sky?!

Me: Through portals!

Then a 4th Portal opened up and another one fell into another vat and red jam splattered all over Eli.

Me and Varie flew and got her out and it was a sailor soldier with purple hair and green clothes.

Me: Calista Callisto A.K.A Sailor Callisto!

We brought her down.

Eli: (Slurps) Yummy strawberry!

Sailor Callisto: Yuck! What a mess.

Maria cleaned her up.

Sailor Callisto: Thanks. Boy that was close.

Camie: Yeah no kidding.

Nico: There's gonna be more. I just know it!

Then a fifth portal opened up and a figure fell through it and into a vat and purple jelly splattered all over Varie.

Me and Carol flew up and it was a girl with teal hair and teal clothes.

Me: Tina Tethys A.K.A. Sailor Tethys!

We got her out.

Varie: (SLURPS) Yummy! Grape Flavor.

We set her down.

Sailor Tethys: Yuck!

Maria got her cleaned up.

Sailor Tethys: Thanks guys.

Qin: That was crazy.

Me: Yeah. Saturns moons next.

Nico: Thanks for the heads up.

Me: You're welcome.

A 6th portal opened up then a figure landed in a vat and brown paste splattered all over Camie!

Me and Cassidy flew up and got a girl with dark blue hair and blue clothes.

Me: Kelly Rhea A.K.A. Sailor Rhea!

We got her out.

Camie: (SLURPS) Yummy Nutella.

We got her down.

Sailor Rhea: Yuck!

Maria got her cleaned up.

Sailor Rhea: Thanks. Man what a mess.

Camie: But I love this one.

She was living herself all over.

Me: Let me help out.

I licked her and it was good.

We laughed!

Nico: (LAUGHS) Hubba hubba!

May: Eli, sense for Swartz's creations.

Eli: On it.

Then 4 more portals opened up and 4 figures fell into vats and then red, blue, purple and yellow jams splattered all over Nico!

Me and the rest of the team got them out and it was the sailor soldiers for Dione, Hyperion, Titan and Mimas.

Sailor Dione was a girl with green hair and green clothes and her name was Dana Dione

Sailor Hyperion was a girl with Yellow Hair and Yellow Clothes and her name was Hayley Hyperion.

Sailor Titan was a girl with orange hair and orange clothes and her name was Tanya Titan.

Sailor Mimas was a girl with red hair and magenta clothes and she has a huge moon shape scar on her right cheek and her name is Mina Mimas.

Nico: REALLY?!

May licked off Nico.

May: Yummy! You taste like Raspberry, Blueberry, Lemon and Boysenberry.

Nico: Yummy.

Nico licked the jam. May licked him all over.

Qin: (LAUGHS) That is funny.

Maria washed off the sailors.

Me: That's it for the Sailors here.

Sailor Mimas: But yeah that was intense.

Nico: Yeah.

Then…

BANG BANG BANG BANG BANG!

Me: Uh oh!

We heard gunshots and we went into a room and saw Rocky and Mugsy robbing the factory!?

Rocky: All right give us all your dough.

Mugsy: Yeah give us all your dough.

Rocky: (Punches him) Shadup.

Me: Hold it right there buttfaces!

GUNS CLICK!

We had our guns loaded and pointed at them.

Nico: Should've brought Spada.

Rocky: You're gonna wish you did when we're through with you.

Mugsy: Yeah you're gonna wish you did!

He punched him in his face.

Rocky: Shadup.

Me: You can't win against us. There's lots of us and only 2 of you.

Nico: Yeah. We got you outnumbered.

Maria: Just come along quietly.

Rocky: Not likely.

Me: All right then. It's buttkicking time!

We fired our guns and we bashed them all over with powerful boxing glove bullets and they hurt and smashed them all over the place!

Qin: Take that!

Me: And this! (SPINS MAGISWORD BRACELET)

ANVIL MAGISWORD!

I formed a huge anvil above them and then…

BLANG!

It squished them flat as a couple of pancakes!

Qin: OUCH!

Nico: Had enough?

They popped up and then Vypra and Dark came and they had their swords pointed at them.

Vypra: Don't even move.

Rocky and Mugsy waved the white flag of surrender.

They got up and Vypra and Dark grabbed them.

Vypra: Sorry about that guys but these two wanted to do more crimes.

Me: Well they do say that leopards don't change their spots. Also Rocky and Mugsy are 2 legends of Looney Tunes.

Vypra: True.

Nico: Nothing beats the classics and these two are iconic too.

Qin: Yep.

Dark Spicer: Lets go guys.

Rocky: We'll be back.

Mugsy: Yeah we'll be… OOF!

He got punched.

Rocky: Shadap.

They teleported back.

Nico: Off to a good start so far.

Me: Yep.

Then the book for Amazing Siren started glowing.

Me: The Amazing Siren book is reacting to something.

Nico: Whoa so the next Another Wonder Ride Embodiment is here.

Qin: Yep.

Nico: Lets go find her.

We went to find her.

Nico: Who's up next?

Laney: I will do it.

Me: Okay Laney.

We then heard singing and we followed it. It was really divine singing. The song sounded like that of the Samurai Jack Sirens.

Qin: Wow hear that?

Nico: Yeah.

We followed it into a big room and then in a huge room on an island in the middle of a ginormous tank full of hot sauce we saw a girl with green hair and had a black Roman Dress on and she had green angel wings and was singing beautifully. It was ANOTHER AMAZING SIREN!

Me: Wow.

We went over to her and saw the workers all entranced by her singing.

Camie: Wow.

She stopped singing and then she turned to us.

Me: Wow you're a Siren.

Another Amazing Siren: I do have a good voice huh?

Me: (GASP) Bianca Bambi A.K.A. Sailor Great Forest!

Nico: The Sailor Soldier of Bambi's Forest!? Whoa!

Eli: That is cool!

Another Amazing Siren: Yeah I am the Sailor Soldier of Bambi's Forest. But I'm glad that Bambi is doing well and that hunter is dealt with.

Me: It was awesome going to that forest though.

Nico: Bambi did nothing to have his mom killed.

Another Amazing Siren: I know. But I'm glad you guys saved her.

Me: Yeah that was a fun adventure.

Camie: Wow. What happened back then?

Me: It was on 9/11 3 and a half years ago.

I went over what happened in chapter 831.

---

In New York City, we were over at the sight of Ground Zero where the World Trade Center once stood. Today was a dark day. It was the 18th anniversary of the darkest day in the history of America: September 11th, 2001. On this day, terrorists armed with bombs highjacked commercial planes and used them to completely destroy the World Trade Center. Resulting in the deaths of 3,000 innocent people. It was a dark and grim time for everyone in the United States of America and ever since then, we were at war with terrorists over in Iraq, Pakistan, Afghanistan and the Middle East. For 18 years now, this war has raged on and thousands of soldiers have lost their lives and most of them were severely injured. But the war turned the tide in our favor when we killed the leader of Al-Qaeda, Osama Bin Laden on May 2nd, 2011 in Abbottabad, Pakistan in Operation: Neptune Spear when U.S. Navy Seals stormed his compound and killed him in the dead of night. It dealt Al-Qaeda a devastating and crippling blow. But the war is still raging on even after 18 years had passed.

Me: On this sight 18 years ago, this whole country changed forever because of those terrorists.

Nico: That was an awful sight. I remember seeing all that on TV. I wasn't here on Earth when it happened. It was terrifying. My dad was in the World Trade Center when it was destroyed. But luckily he escaped when it collapsed.

Me: That's awful man. Thank God he's all right.

May: Yeah. Me too.

Carmen: (hugs Maria while crying) Sis, why did all those people have to die?! Why!?

Maria hugged Carmen and comforted her.

Maria: Some people are just pure evil Carmen and they will follow their own selfish desires even at the cost of their own lives.

Liam: (Southern Accent) Yeah. That day was a nightmare back then.

Teresa: Brian I heard that at one time, you and Stewie went back in time to try and stop 9/11.

Brian: Yeah we did and we ended up destroying the timeline.

Teresa: Brian, I'm glad you wanted to help prevent 9/11. But messing with time can cause devestating consequences. That's why whenever we deal with past events, we use the simulator to go to alternate universes of those incidents.

Brian: That's true.

Nico: Yeah.

Reflector: I can't believe there's nothing we can do about this now.

Optimus Prime: You're wrong. We can do something about this.

Skywarp: And that would be?

Optimus Prime: We keep fighting the good fight. And make sure nothing like this ever happens again.

Me: Optimus Prime is right. We have to learn from the past to make sure it doesn't happen again.

Laney: That's right guys.

Naruto: Yeah.

Sasuke: What was the motive behind these attacks? Everything that has to happen has to have a motive.

Me: That's true Sasuke. The motive behind these attacks was crimes against the Muslim world. We provided Western support for attacking Muslims in Somalia, supported Russian atrocities against Muslims in Chechnya, supported the Indian oppression against Muslims in Kashmir, supported the Jewish aggression against Muslims in Lebanon, provided the presence of U.S. troops in Saudi Arabia, Provided U.S. support of Israel, and conducted sanctions against Iraq. These terrorists want to shut down America by killing us all.

Lincoln: These guys are monsters!

Me: That's why we need to kill them before they kill us.

Nico: We'll worry about that later.

Me: Yeah. Lets pray to the people that lost their lives.

We prayed for those that lost their lives on that day 18 years ago today.

Luna played Amazing Grace on Bagpipes.

Some of us were crying.

We left flowers and wreaths for the people. We also made a special flag for the memorial that said "United We Stand, Divided We Fall. Never Forget 9/11." It had the World Trade Center on it before it was destroyed. Everyone saw it and it was perfect for it.

Laney then sang Sarah Brightman's Amazing Grace in front of the flag.

Laney: (Singing Divinely)

Amazing grace, how sweet the sound

That saved a wretch like me

I once was lost but now am found

Was blind but now I see

The earth shall soon dissolve like snow

The sun forgot to shine

But God, who brought me here below

Will be forever mine

Through Him many dangers toils and snares

I have already come

It was grace that brought me here thus far

And grace will lead me home

It was a gut-wrenching song and the sun shined from the heavens and Laney was standing in a beam of sunlight as she sang. Some of us were crying hard and I had tears streaming down my face. It was a dark day that will forever leave a scar on the people of America. Time may heal all wounds, but the pain they leave behind will never heal.

Later back at the estate we were watching one of my favorite childhood movies that I've known since I was little: Bambi from 1942 and we watched the Midquel film Bambi 2 from 2006. We paused the first movie at the part where Bambi goes with his father and started the Midquel movie from there.

The movie begins with a long camera shot through the forest at dawn, and all the animals waking up. Suddenly, a blue bird spreads the news about something. Thumper (a young rabbit) wakes up an old owl named "Friend Owl", who asks what has happened. Thumper and his sisters tell him that the new prince is born. Friend Owl flies off to the area where the young prince is born, along with many other animals. Upon reaching the area, the animals come across the mother doe and her newborn fawn lying by her side. The animals congratulate her. She then urges her new fawn to wake up and see everybody. He wakes up and takes a good, long look at all the animals surrounding him. At first, he is frightened by Friend Owl, who gives a friendly hoot but then manages to make a smile. He then attempts to get up, but due to him being very young, he can hardly keep his balance. Thumper comments that he is sort of unstable, to which his mother scolds him. The young prince then falls backward back into his resting spot, causing some laughter and delight among the creatures. The fawn then lies back into his resting area and gives a big yawn. Friend Owl says to the creatures that it may be time for them to leave. They all leave, except for Thumper, who asks the fawn's mother what his name will be. She replies that she will name him "Bambi." Thumper, liking the name, says goodbye to her and runs off to join his family. Happy with the name, Bambi's mother snuggles up with her sleeping fawn. The camera then pulls up from the small bush to reveal Bambi's father, the Great Prince of the Forest, looking down at them from a nearby cliff ledge.

A few days later, Bambi and his mother are taking a walk through the forest. Bambi falls behind a little bit, getting distracted by some greeting animal neighbors. When trying to catch up to his mother, he gets stuck on a tall, thick blade of grass and slips. Upon seeing him fall, Thumper and his family run over to the young prince, asking his mother if he is alright. She replies that he is doing fine. Bambi then gets back up onto his feet and is able to continue walking, with Thumper and his sisters journeying along side of him. They soon come across several birds eating some berries. Thumper then teaches Bambi how to say "bird", who does not get it right the first time, but with some encouragement from his sisters, he is able to say it, shouting out on the top of his lungs "Bird!" Happy with his success, Thumper and his sisters run off to tell Bambi's mother and their mother what the young prince's first word was, while Bambi runs off chasing a butterfly (thinking it to be a bird). Thumper tells him that it is not a bird, but a butterfly. The butterfly flies off, leaving Bambi into thinking that the huge yellow flower in front of him was the butterfly he saw. Thumper tells him that it is a flower. Bambi tries smelling the flowers of the small field but comes face to face with a young skunk. Bambi calls him a flower, which leaves Thumper rolling over his backside with laughter. The skunk, however, says that he's fine with being called a flower, which makes the baby fawn very happy.

The day grows late and it is time for Thumper to return home, leaving Bambi back with his mother. Off in the distance, a rainstorm is gathering and coming closer. He is then awakened by the noise of some nearby raindrops, which then forms a small brook flowing right past his resting area. Soon, the whole forest is alive with raindrops dropping about. The creatures living in the forest run for shelter from the falling water. Suddenly, the violent part of the storm comes when lightning flashes about in bright flash of light and produces many loud noises, leaving Bambi frightened. Soon, the storm departs and the sunrise off in the distance is slowly seen. Bambi, now asleep next to his mother's side, snuggles up with his mother as the last drops of the storm fall into the nearby overflowing brook.

The next scene opens up a few weeks later when Bambi is now capable of speaking. His mother is going to take him to the meadow. Bambi, who has never been to the meadow before, is eager to go, but his mother stops and tells him that the meadow is also a dangerous place. She tells him to stay behind the thicket while she looks around to see if the place is safe. After a long moment of silence, the wide field appears to be safe. Bambi then runs out and tries to catch up with his mother, who runs off at a fast pace, playing with him. After a while, Bambi walks off and almost steps on a frog. He follows the frog over to a small pool of water, which the frog jumps in. Bambi, however, is left out on the shore, staring at his never before seen reflection. Suddenly, another reflection appears to his side. He looks up at the unknown source which turns out to be another fawn, a female fawn. Feeling frightened of the young fawn's presence, Bambi runs back up to his mother for protection. The young fawn's name turns out to be Faline. Bambi's mother encourages Bambi to say hello to her. Having no choice, he greets her. Faline suddenly breaks out in giggles and starts acting hyperactive. Gradually, the two of them start playing a small game of tag.

Suddenly, from out of the surrounding forest, a huge herd of bucks appears from out of nowhere. Faline runs away in fear while Bambi remains, filled with excitement while watching the bucks bound across the field. He even tries running alongside them but ends up almost getting trampled. Suddenly, they all stop. Wondering why Bambi walks over. The reason appears in front of him. It is no other than the Great Prince, Bambi's father (though Bambi does not know it yet). After a brief look at his son, the Great Prince walks off, leaving Bambi behind. Bambi then asks his mother why everyone stood still when the mysterious stag walked by. His mother tells him that he is respected by all. Thus explaining the why he is called "The Great Prince of the Forest".

The next part follows the Great Prince during his walk through the forest. Suddenly, the silence of the forest is broken when a flock of crows flies past, yelling and spreading out an alarm of certain danger. The Great Prince senses this danger and runs back towards the meadow. Once there, he warns the herd. Sensing the danger as well, the herd and all the other creatures begin to run towards the forest. Soon, the whole meadow is full of retreating frightened animals, running for their lives. Faline and Thumper unite with their mothers and manage to escape, but Bambi gets left behind, searching for his mother. His mother is also looking for him as well.

Suddenly, the meadow is completely empty. Though everything is still, something dangerous and deadly is still approaching. Sensing the danger, but to still frightened, Bambi is left out in the open, still searching for his mother. Suddenly, the Great Prince appears from behind him and escorts him and his mother to safety of the forest. Off in the distance, a loud gunshot is heard. A few minutes later, Bambi's mother exits the entrance of their den and looks around. Seeing no danger, she tells Bambi that everything is alright. Bambi asks her what had happened, and why everyone ran. After a moment of silence, his mother replies "Man… was in the forest."

During the winter, Bambi discovers snow. While Bambi looks around the snow, he sees Thumper sliding on the ice. He teaches Bambi how to slide on ice. After that, they meet Flower, who is trying to hibernate. After a harsh winter, Bambi and his mother go to the meadow and discover a patch of grass, heralding the arrival of spring. As they eat, his mother senses a hunter and orders, Bambi, to flee. As they run, many gunshots are heard. When Bambi arrives at their thicket, he discovers that his mother is no longer with him. He wanders off in the forest calling for her, but she does not answer. His father appears in front of him and says "your mother can't be with you anymore," revealing to Bambi that his mother is dead, then leads him away.

His father, the Great Prince of the Forest (Patrick Stewart), finds him and leads Bambi back to his den under a fallen tree, the Great Prince asks Friend Owl (Keith Ferguson) to find a doe to raise Bambi, but Friend Owl points out that due to the harsh winter season the does can barely care for themselves. The Great Prince has no choice but to look after Bambi until the spring. Spring is slowly beginning to return to the forest (the song sequence "There is Life") The sun breaks through the clouds and the ice and snow begin to melt. Hibernating animals wake up and migratory birds begin to return. On top of the fallen tree that makes the Great Prince's den, a small green plant begins to grow.

Bambi wakes up late. He eats, and the two go to the forest. The prince eventually lets Bambi go with his friends. While walking, Bambi tells Thumper that he and the Great Prince are "best pals," though Bambi has doubts about the Great Prince's affection. They wake up the hibernating Flower (Nicky Jones) and go to see the Groundhog together, where Friend Owl is presiding over the event and it is here that Bambi meets Faline again. The nervous Groundhog (Brian Pimental) is eventually coaxed out of his hole, only be scared back in again by Ronno (Anthony Ghannam), an older fawn. Ronno laughs, but the other animals leave. Ronno catches up to them and ends in an argument with Bambi. Ronno's mother eventually calls Ronno away, and Bambi is left alone to sleep under a tree and wait for the Great Prince to return after Thumper, Flower and Faline leave with their families. Bambi finds himself in a shining golden meadow and begins chasing butterflies. As he does so, he hears his mother's voice calling him. Overjoyed, he runs towards her and begins to nuzzle her lovingly. His mother comforts him, telling him that she's there even though he can't see her. As the dream fades Bambi continues to hear her voice saying "I'm here," which confuses him. He begins to believe that the voice is his mother's after it says "It's me!", so he follows it out onto the meadow where a flock of crows flies past screaming about Man. As Bambi looks towards the source of the disturbance Hunter Dogs runs towards him, causing Bambi to freeze in terror. Elsewhere, the Great Prince hears the crows and suddenly becomes concerned for Bambi. He runs to where the crows were flying from and arrives in time to fight the dogs and save Bambi. As the dogs run back to their master, the Great Prince sees the glint of a rifle and yells at the still frozen Bambi to run. After a nudge from the Great Prince's antlers, Bambi snaps out of his trance and the two escape to safety. Bambi explains that he heard his mother's voice. The Great Prince angrily says that it was one of Man's tricks. Bambi tries to apologize, but the Great Prince is very cross and reprimands Bambi for freezing in the face of peril. He calms down and orders Bambi to immediately return home with him and possibly never come back to that place ever again, where the realization of his mother's death begins to dawn in Bambi's mind. The Great Prince leaves to reflect on the situation and finds Friend Owl. The Great Prince notes that winter is coming to an end and that Friend Owl should have no trouble finding a doe to be Bambi's new mother, meaning that Bambi is possibly an orphan.

The next morning, the Great Prince orders Bambi to stay in the den where it's safe since he would not trust him to go out on his own again. Bambi is crestfallen, as he wants to be with his father. Thumper and Flower ask Bambi what's wrong, and Bambi says he wants his father to see how brave he is. Thumper decides to teach Bambi how to be brave (you have to be scarier than what's scaring you), and Bambi, Thumper, and Flower walk through the forest practicing their new skills until they come to a log guarded by a grumpy porcupine, which terrifies them. They flee back to the bank, and Thumper sees the Great Prince. Since Bambi is supposed to be back at the den, Thumper suggests they leave. But Bambi realizes that this is a good opportunity to show his new-found bravery. The Great Prince turns to leave and Thumper goes to distract him and bring him back. Bambi goes to confront the porcupine. Bambi leaps over the porcupine, angering him. The porcupine stiffens his quills and begins chasing Bambi backward and forwards across the log. Thumper brings the Great Prince to see Bambi "being brave", but when he notices Bambi in trouble he leads the Great Prince away. After a short struggle, the porcupine is propelled into the air by a piece of wood and lands quills-first on Bambi's rear. Bambi yells out in pain, causing the Great Prince to go and investigate the noise, much to Thumper's dismay. Bambi ducks down under the water so as not to be seen, and the Great Prince begins to pull the quills out of Bambi's rear. Ronno and Faline are nearby, and Ronno is showing off to Faline until she hears Bambi cry out in pain. Bambi cries out again and Faline runs to see to see him. Ronno yells after her, seemingly hurt by losing her attention. Faline and Ronno go and see Bambi, and Ronno teases Bambi after the meadow incident where Bambi froze. Ronno decides that he and Faline should leave, but Faline wants to stay. Ronno tries to force Faline to leave and Bambi stands up for her. Ronno comes back to confront Bambi and tease Flower and Thumper, causing Thumper to push Bambi so that he headbutts Ronno. Ronno is furious and chases Thumper and Bambi through the forest.

Bambi comes to a large jump, and to his surprise he clears it with ease. The Great Prince appears and begins to tell Bambi off for leaving the den, but interrupts himself when he notices that Bambi cleared the jump, saying that he didn't make a jump that far until he had antlers. Bambi is delighted at the positive attention, but the Great Prince composes himself and the three leave. Ronno tries to clear the jump as well but falls and lands in the mud. The next day, Bambi practices his jumping with Thumper. The Great Prince sees this and smiles but becomes serious when Friend Owl arrives and says that the search for a new mother is going well. The Great Prince does not concentrate and is more concerned with Bambi's jumping. Friend Owl notices this and slyly hints that the Great Prince might have changed his mind. The Great Prince, annoyed, confirms that he has not. He then walks past Bambi's jumping lesson, seemingly taking little interest in it. Bambi is confused as his jumping drew praise the day before. Bambi says that the Great Prince has been standing around and contemplating a lot. Thumper suggests that Bambi should go and ask the Great Prince about it. Bambi does so, and the Great Prince says that he is observing - looking, listening and smelling for danger all at the same time. The Great Prince says that Bambi should try to "feel the forest" (feel vibrations through his hooves for abnormalities in forest activity). The Great Prince leaves and Bambi turns to head back to the den, but the Great Prince wants Bambi to come with him. The two journey through the forest and join the stags as they participate in their annual run. Through this, the bond between father and son deepens (the song sequence "First Sign of Spring").

The next morning as Bambi and the Great Prince play, Friend Owl arrives with Mena, the doe he has found to be Bambi's new mother. The Great Prince now seemingly regrets the decision to pass on his parenting duties, but resolves to do so despite Bambi's protestations. After saying goodbye to his friends and the Great Prince, Bambi, who seems to accept the change even though he's upset, leaves with Mena. Ronno appears and continues to tease him about Bambi's father sending him away. This causes an enraged Bambi to charge at Ronno and the two fight. Mena disrupts the fight but Ronno charges into Bambi, causing Bambi to knock Mena into a trap attached to jingling bells. As Mena struggles, the bells jingle and alert Man and the hunting dogs to her position. Ronno flees in terror screaming for his mother, and Bambi freezes again. He quickly snaps out of it and begins to run as well, but as Mena is encouraging him to run, she unknowingly quotes Bambi's late mother's last words, saying "Faster Bambi, don't look back! Keep running! Keep running!" hearing this he pauses and doubles back to distract the four dogs away from Mena. The Great Prince arrives and frees Mena from the trap before going after Bambi. Bambi manages to lose some of the dogs (one with the help of Flower's scent glands, and another with help from the grumpy porcupine) and begins to climb a steep, rocky cliff. One of the dogs slips and falls, leaving only one chasing after Bambi. Bambi climbs to a high ledge and dislodges some rocks, which do nothing to the dog. As the dog closes in, Bambi kicks it in the chest, causing it to fall to the bottom of the cliff. The Great Prince sees this and is relieved. Bambi goes to join him, but the ledge beneath Bambi gives way and he falls. The Great Prince goes to him and believes the prince to be dead. He nuzzles his son tenderly and sobs. Friend Owl, Mena, Flower, and Thumper arrive to see what is happening. As the Great Prince gets up to leave, Bambi wakes up. The Great Prince, relieved, begins to nuzzle his son again, causing Bambi to smile at the attention. Mena turns and leaves, knowing that the Great Prince wanted to take care of Bambi after all. A while later, Thumper tells the exaggerated story of how Bambi defeated the dogs. Bambi arrives, now with a pair of antlers starting to grow in and without his spots. The porcupine pricks Bambi's legs with his quills, causing Bambi to leap forward and accidentally engage Faline in a kiss. Ronno arrives and swears revenge against Bambi, but also steps on a turtle who bites him on the nose, making him run away, screaming for his mother. Bambi leaves as his father is calling him. The Great Prince takes Bambi to a forest glade, saying that this was the place where he first met Bambi's mother. Bambi asks what the Great Prince was like when he was Bambi's age, and the Great Prince says that he was a lot like Bambi.

Years later, a young adult Bambi is reunited with Thumper and Flower as the animals around them begin pairing up with mates. Though they resolve not to be "twitterpated" which Friend Owl taught them like the other animals in love, Thumper and Flower each leave with newly found mates. Bambi is disgusted until he runs into Faline and they become a couple. As they happily dance and flirt through the woods, a slightly older buck, Ronno, appears and tries to force Faline to go with him. Bambi and Ronno then begin to have a duel, each of them competing for a mate. Though he initially struggles, Bambi's rage gives him the strength to defeat Ronno and push him off a cliff and into a river below.

That night, Bambi is awoken by the smell of smoke. His father explains that Man has returned to the forest and that there are many of them now, and they must go deep into the forest. Bambi immediately searches for Faline, but she is being chased by hunting dogs. Bambi finds her in time to fights off the dogs, allowing Faline to escape. With Faline safe, Bambi runs but is shot as he leaps over a ravine. The Great Prince finds him there and urges him back to his feet. Together, they escape the forest fire (which the hunters have started) and go to a small island in a lake where the other animals, including Faline, have taken refuge.

At the end of the film, Thumper and Flower, now fathers, and all the other animals, including Friend Owl, went into the thicket for a big surprise. Faline has recently given birth to twin fawns: a boy named Geno and a girl named Gurri. Bambi stands watch on a cliff, and the Great Prince silently turns and moves away from Bambi's place, as he allows him to take his place. And the New Great Prince looks on proudly watching his newborn children, just as his father did to him at his own birth.

When both movies were done we cheered wildly.

Me: That was awesome! I've known this movie ever since I was little and it's amazing.

Luan: Bambi sure is a critter most DEER. (Laughs to rimshot) Get it?

Most of us laughed.

Me: (Laughs) That was a good one Luan!

Varie: (Laughs) That was funny!

Qin: (Laughs) That was funny.

Abigail F.: That was a good one.

Eddy: (Laughs) That was so funny.

Rachel S.D.: It sure was.

Eion: Yeah.

Me: But the scariest part was that the hunters accidentally caused that forest fire.

Lori: That fire was literally scary.

Me: But that fire was nothing compared to what happened when we were evacuated because of the Hayman Fire.

Luna: Hayman Fire, dude?

Me: It was the largest wildfire in Colorado's history.

I showed everyone on the computer.

The Hayman Fire was a forest fire started on June 8, 2002, 35 miles (56 km) northwest of Colorado Springs, Colorado and 95 miles (153 km) southwest of Denver, Colorado and became the largest wildfire in the state's recorded history at over 138,114 acres.

Hundreds of firefighters fought the fast-moving fire, which caused nearly $40 million in firefighting costs, burned 133 homes, 138,114 acres, and forced the evacuation of 5,340 people.

Smoke could be seen and smelled across the state from Vail, 108 miles (174 km) northwest, to Burlington, 188 miles (303 km) east, and from Broomfield, 50 miles (80 km) north, to Walsenburg, 130 miles (210 km) south.

The Hayman Fire burned from June 8th, 2002, until it was classified as contained on July 18, 2002. The cause of the wildfire was found to be arson.

When then-Governor Bill Owens responded to a reporter's question following an aerial tour of the fires ("What does it look like up there?"), Owens said "It looks as if all of Colorado is burning today." Many western slope residents blamed Owens for driving away tourists with the press's truncated version of the quote ("All of Colorado is burning.") The "'Hayman Fire"' was named for a mining ghost town near Tappan Gulch.

Impact

The fire resulted directly in the death of one civilian, $39.1 million in suppression costs, total private property losses valued at $40.4 million, and indirectly led to the death of five firefighters. Overall, 600 structures were burned in the fire including 133 homes, 1 commercial building and 466 outbuildings. While the fire burned, record amounts of particulate matter were measured in the air.

As a result of the fire, flooding in the burn area increased. Consequently, many roads and bridges in the area were washed out. This included State Highway 67, the main highway that runs through the area. Other indirect destruction included sediment runoff into a reservoir that is used as a water source for Denver. The removal of this sediment cost $25 million.

Most of the burn area is inside of the Pike National Forest. The fire caused the closure of a large part of the national forest land as well as nearby Eleven Mile State Park and Spinney State Park. Tourism saw a sharp decline in the area and it is estimated that local businesses lost 50% of their seasonal revenues as a result of the fire-induced closures.

## Fatalities

Ann Dow, 50, suffered a fatal asthma attack on the evening of June 10, 2002 when heavy smoke from the fire drifted over the Dows' home south of Florissant. She quickly lapsed into unconsciousness and paramedics could not revive her. Her death certificate lists the cause as "acute asthma attack due to or as a consequence of smoke inhalation."

Five firefighters died from injuries sustained from a June 21, 2002 traffic accident en route to the Hayman fire from Oregon: Zach Zigich, Retha Shirley, Jacob Martindale, Danial Rama, and Bart Bailey. They are listed in the memorial to fallen firefighters on the Wildland Firefighter Foundation's website.

## Criminal prosecutions

A forestry technician with the U.S. Forest Service, Terry Barton, set the fire in a campfire ring during a total burn ban triggered by a National Weather Service red flag warning. Barton's claim that she was attempting to burn a letter from her estranged husband was disputed by one of her teenage daughters who testified that a psychology teacher had told Ms. Barton to write her feelings in a letter and burn it. Many locals believe she set the fire on purpose so she could stay home and fight a local Colorado fire instead of being called to fight fires in other states, such as Arizona or California. This would enable her to be with her kids that summer. According to radio talk show host Glenn Sacks, investigators also speculated that Barton started the fire so she could be a hero for putting it out and saving the forest. The fire quickly spread out of the campfire ring and eventually torched over 138,000 acres (560 km2) and burned across four different counties. A federal grand jury indicted Barton on four felony counts of arson.

Barton pleaded guilty to two charges: setting fire to federal forest land and lying to investigators and was given a six-year sentence in federal prison. U.S. District Judge Richard Matsch refused, however, to impose the $14 million restitution asked for by prosecutors, saying he would not sentence her to a "life of poverty." Additionally, the State of Colorado sentenced Barton to 12 years in prison to run concurrently with the 6-year federal sentence. The state sentence was overturned on appeal, however, on grounds that the presiding judge had "the appearance of prejudice" because smoke from the fire had motivated him to voluntarily leave his home for one night. In March 2008, Barton was re-sentenced by a different judge to 15 years of probation and 1,000 hours community service.

Several insurance companies filed a $7 million suit against the government in the fall of 2008, claiming that Barton was negligent in her duties. In November, Judge Wiley Daniel ruled that the government was not responsible for Barton's actions because she was acting as an angry spouse and not as a government worker.

In August 2018, Barton's sentence was extended another 15 years in the form of unsupervised probation (the unsupervised probation was ordered to save legal fees that would then be redirected towards restitution). Judge William Brian ordered that Barton continue to make payments toward the $14.5 million in restitution she owed as of the 2018 re-sentencing. The judge also ordered that Barton get a full-time job.

Lola: Whoa! That's awful!

Lana: I didn't know you were evacuated because of that fire.

Laney: And it burned 138,114 acres? That's a lot of land.

Lisa: That's the equivalent of 558.927528 square kilometers in size.

Qin: Wow! That's a huge amount of acreage.

Lincoln: How are wildfires usually started?

Me: Well there are two main causes. 60% of all fires are sparked by lightning. Lightning is pure electricity that burns at 50,000˚ Fahrenheit and it can ignite trees. But 40% of all fires are started by man either on purpose or accident. It can be a number of causes because of us: Someone carelessly tossing a cigarette out the window, down sparking power lines, sparks from a train, matches, fireworks, anything that's combustable.

Lana: Wow! That's dangerous.

Lucy Loud: Fire is a very dangerous and destructive force.

Me: That's right Lucy. Remember when I thawed Lori out when I showed you all my Fire Powers?

Lori: That was literally amazing.

Lynn: I remember that. That was awesome!

Me: It was. But fire is a very destructive and dangerous force. Fire destroys and burns everything it touches.

Laney: Yeah. It's dangerous.

Lincoln: I know.

Lola: What was the largest wildfire ever?

Me: That is an easy one. That was the Great Fire of 1910. It burned over 3,000,000 acres.

Everyone: WOW!

Lisa: That's 12,100 square kilometers.

Me: That's right.

I pulled up its information.

The Great Fire of 1910 (also commonly referred to as the Big Blowup, the Big Burn, or the Devil's Broom fire) was a wildfire in the western United States that burned three million acres (4,700 sq mi; 12,100 km2) in North Idaho and Western Montana, with extensions into Eastern Washington and Southeast British Columbia, in the summer of 1910. The area burned included large parts of the Bitterroot, Cabinet, Clearwater, Coeur d'Alene, Flathead, Kaniksu, Kootenai, Lewis and Clark, Lolo, and St. Joe National Forests.

The fire burned over two days on the weekend of August 20-21, after strong winds caused numerous smaller fires to combine into a firestorm of unprecedented size. It killed 87 people, mostly firefighters, destroyed numerous manmade structures, including several entire towns, and more than three million acres of forest with an estimated billion dollars worth of timber was lost. It is believed to be the largest, although not the deadliest, forest fire in U.S. history. The extensive burned area was approximately the size of the state of Connecticut.

In the aftermath of the fire, the U.S. Forest Service received considerable recognition for its firefighting efforts, including a doubling of its budget from Congress. The outcome was to highlight firefighters as public heroes while raising public awareness of national nature conservation. The fire is often considered a significant impetus in the development of early wildfire prevention and suppression strategies.

A great number of problems contributed to the destruction caused by the Great Fire of 1910. The wildfire season started early that year because the winter of 1909-1910 and the spring and summer of 1910 were extremely dry, and the summer sufficiently hot to have been described as "like no others." The drought resulted in forests that were teeming with dry fuel, which had previously grown up on abundant autumn and winter moisture. Hundreds of fires were ignited by hot cinders flung from locomotives, sparks, lightning, and backfiring crews. By mid-August, there were 1,000 to 3,000 fires burning in Idaho, Montana, and Washington.

## The Big Blowup

August 20 (Saturday) brought hurricane-force winds to the interior Northwest, whipping the hundreds of small fires into one or two much larger blazing infernos. Such a conflagration was impossible to fight; there were too few men and supplies. The United States Forest Service (then called the National Forest Service) was only five years old at the time and unprepared for the possibilities of the dry summer or a fire of this magnitude, though all summer it had been urgently recruiting as many men as possible to fight the hundreds of fires already burning, many with little forestry or firefighting experience. Earlier in August President William Howard Taft had authorized the addition of military troops to the effort, and 4,000 troops, including seven companies from the U.S. Army's 25th Infantry Regiment (known as the Buffalo Soldiers), were brought in to help fight the fires burning in the northern Rockies. The arrival of the Buffalo Soldiers troops almost doubled the black population of Idaho.

Smoke from the fire was said to have been seen as far east as Watertown, New York, and as far south as Denver, Colorado. It was reported that at night, five hundred miles (800 km) out into the Pacific Ocean, ships could not navigate by the stars because the sky was cloudy with smoke.

The extreme scorching heat of the sudden blowup can be attributed to the expansive Western white pine forests that covered much of northern Idaho at the time. Hydrocarbons in the trees' resinous sap boiled out and created a cloud of highly flammable gas that blanketed hundreds of square miles, which then spontaneously detonated dozens of times, each time sending tongues of flame thousands of feet into the sky and creating a rolling wave of fire that destroyed anything and everything in its path.

## Firefighters

At least 78 firefighters were killed while trying to control the fire, not including those firefighters who died after the fire of smoke damage to their lungs. The entire 28-man "Lost Crew" was overcome by flames and perished on Setzer Creek outside of Avery, Idaho.

Perhaps the most famous story of survival is that of Ed Pulaski, a U.S. Forest Service ranger who led a large crew of about 44 men to safety in an abandoned prospect mine outside of Wallace, Idaho, just as they were about to be overtaken by the fire. It is said that Pulaski fought off the flames at the mouth of the shaft until he passed out like the others. Around midnight, a man announced that he, at least, was getting out of there. Knowing that they would have no chance of survival if they ran, Pulaski drew his pistol, threatening to shoot the first person who tried to leave. In the end, all but five of the forty or so men survived. Pulaski has since been widely celebrated as a hero for his efforts; the mine tunnel in which he and his crew sheltered from the fire, now known as the Pulaski Tunnel, is listed on the National Register of Historic Places.

## Aftermath

The fire was finally extinguished when another cold front swept in, bringing steady rain and some early snowfall. Several towns were completely destroyed by the fire:

Idaho:

Falcon

Grand Forks

Montana:

De Borgia

Haugan

Henderson

Taft

Tuscor

In Idaho, one-third of the town of Wallace was burned to the ground, with an estimated $1 million in damage (equivalent to $26,900,000 in 2018). Passenger trains evacuated thousands of Wallace residents to Spokane and Missoula. Another train with 1,000 people from Avery took refuge in a tunnel after racing across a burning trestle. Other towns with severe damage included Burke, Kellogg, Murray, and Osburn, all in Idaho. The towns of Avery, Saltese (MT), as well as a major part of Wallace, were saved by backfires.

Legacy

The Great Fire of 1910 cemented and shaped the U.S. Forest Service, which at the time was a newly established department on the verge of cancellation, facing opposition from mining and forestry interests. Before the epic conflagration, there were many debates about the best way to handle forest fires-whether to let them burn because they were a part of nature and were expensive to fight, or to fight them in order to protect the forests.

One of the people who fought the fire, Ferdinand Silcox, went on to become the fifth chief of the fire service. Influenced by the devastation of the Big Blowup, Silcox promoted the "10 a.m." policy, with the goal of suppressing all fires by 10 a.m. of the day following their report. It was decided that the Forest Service was to prevent and battle every wildfire. More recently, this absolutist attitude to wildfires has been criticized for altering the natural disturbance mechanisms that drive forest ecosystem structure, which paradoxically increases the destructive potential of forest fires.

Lori: Wow. That is literally awful.

Nico: It was.

Me: Yeah. It happened 110 years ago almost. Sora, you know Bambi right?

Sora: I sure do. Bambi was one of my first summons when my adventure began.

Donald: I remember that.

Goofy: Yeah. He sure is an amazing deer.

Kairi: He's really cute too.

Riku: I thought so too.

Syd: Deer are such amazing creatures. I can't believe we hunt them for food like that!

Lana: Me neither Syd. They need to be protected under us.

Me: I think so too. Lets head to the simulator and save Bambi's mother and meet Bambi in his world.

Ratchet: That's a great idea.

Sora: I wonder how he's doing?

Me: We'll find out. Lets head to the simulator.

We went to the simulator.

We were getting ready.

Ash: (to his Noctowl) Noctowl, when we get to Bambi's world, do you want to fly around?

Noctowl agreed.

Shanan: Looks like he is ready.

Ratchet: When we get to Bambi's mom, I'll heal her wounds before she succumbs to them.

Me: Right.

Shanan: Okay. Me, Laney, Lana, Maria, Nico, Syd, Jack Landors, Eion, Eddy, Luan, Lensay, Teresa, Ash, Riley, Sora and Kairi are gonna go into the Simulator and Ratchet and Reflector are gonna be in their compact state. We invented an awesome shrink device that can turn them into compact size.

Ratchet: It's true.

Reflector: This is gonna be interesting.

Me: Good luck guys.

Shanan: Thanks dad. Not that we'll need it but thank you.

Laney: This is gonna be interesting.

Lana: I can't wait to meet Bambi.

Syd: Me too.

Shanan: Lets go.

They went into the Simulator and it activated and they found themselves in Bambi's forest. It was a beautiful forest and it was loaded with all kinds of trees and plants and all kinds of animals. But it was cold and covered with snow.

Shanan: Wow. So this is Bambi's forest.

Lana: It sure is cold.

Laney: Luckily I brought our winter clothes.

Laney unpacked them and they put them on.

Nico: Good thinking Laney.

Syd: Thanks Lanes.

Ratchet and Reflector went into compact size and they were the size of Hot Wheels cars.

Lana: It's so beautiful here during the winter.

Laney: It sure is. Did it say where Bambi's forest takes place?

Shanan: It says that it's over in Maine near Mount Katahdin in the Appalachian Mountains.

Lana: Wow. Over on the eastern side of the country.

Shanan: Exactly.

Teresa: That's 1,000 miles from Michigan.

Nico: It sure is.

Syd: I was here on Vacation to enjoy the scenery. But I was too little to remember.

Eion: It's beautiful though.

Sora: So Bambi's world is on Earth.

Kairi: Looks like it.

Nico: Not only that but I remember that this forest is also perfect for hunting during hunting seasons.

Laney: I remember that.

Shanan: Yeah. It's not right. Animals have feelings too and they deserve to live whether they like it or not.

Laney: I agree Shanan.

Luan: Same here.

Shanan: Lets find Bambi's mother.

They walked on and the ground was covered in snow and it was beautiful.

Lana: The winter is beautiful here though.

Shanan: You all should see what Maine looks like during the Fall turn. The leaves turn many different beautiful colors. It's just as beautiful as Connecticut.

Eion: I know. I heard about that.

Then they heard gunshots.

BANG!

Shanan: Gunshots!

Laney: The Hunter's are here!

Lana: Look!

They saw Bambi's mom and Bambi run fast.

Then they saw Bambi's mom get shot!

BANG!

Shanan: Oh no!

Ratchet: I'm on it!

Ratchet came out and healed Bambi's mom.

The Hunters ran away and Ratchet went back into Shanan's vest.

Riley: (to Bambi's mom) Don't worry. You're safe now.

Bambi's mom: What happened?

Sora: Are you all right? I'm a friend of your son Bambi. I'm Sora.

Bambi's mom: So you are Sora. Bambi has told me so much about you.

Sora: I'm sure he did.

Bambi's mom saw them.

Shanan: We are friends of Sora.

They introduced themselves.

Bambi's mom: It's a pleasure to meet you all. Thank you all so much for saving me.

Shanan: You're welcome.

Laney: I'm glad we arrived and scared off the hunters.

Lana: Those guys are monsters.

Luan: They sure are.

Bambi's mom: My name is Vina. Where's Bambi?

Shanan: Pleasure to meet you Vina.

Nico: He went back to the Thicket.

Eion: I think the Great Prince found him.

Vina: I'm glad he's in good hands.

Ash: We are too.

Shanan: We'll keep our eyes peeled for more hunters just in case.

Vina: Thank you.

They continued to explore the forest.

Spring later came and it was time for the mating season. Hundreds of birds were doing mating calls and it was a glorious time.

Shanan: (Inhales) Ahh. Spring is in the air and it's mating season.

Kairi: It's so beautiful.

Jack Landors: It sure is.

Syd: The beauty of Spring is amazing!

Nico: It's so beautiful.

They heard the beautiful songs of the birds and they were pretty.

Nico: Maine sure has a lot of beautiful birds.

Laney: It sure does.

Lana: We may have to come here for vacation someday.

Syd: You guys will love it.

Later they saw Bambi and he was all grown up.

Sora: Bambi!

Bambi: It's good to see you again, Sora!

Sora: Same here, Bambi. Look at you. You're all grown up!

Bambi: It feels like forever ago. You have changed a lot yourself.

Sora: I know.

Vina: Bambi.

Bambi was reunited with his mother and he was overjoyed to see her again.

Maria: I'm glad they're reunited.

Shanan: Me too.

Ash: It's a great reunion.

Laney: It sure is.

Bambi: My father taught me so much over the years and he is a brave deer.

Later they follow Bambi and met Faline and she was grown up too and she was beautiful. Then Bambi became Twitter pated because of it and he was now on Cloud 9. But just as he was about to follow her, out of a bush came his old childhood rival, RONNO!

---

In Bambi II, Ronno is given much more personality and unlike in the previous film, here he has dialogue. When Bambi and his friends were watching the Groundhog, Ronno scares him back into his hole with a "BOO!" and laughs while the other animals leave in disappointment, but he stops them and tells them that he saw a man, and butted him with his antlers. This is clearly a tall tale he pulls just to garner respect. Faline, who knows that it is impossible for a fawn to defeat a man, politely and without offending, says it was unbelievable, though with noticeable sarcasm in her voice. Bambi, who really believes that Ronno had done such a feat (as a testament to his innocent naivety), thinks it is unbelievable too, though he says it in awe. Ronno, who thinks that Bambi doesn't believe him and is hinting at him being a liar, challenges Bambi to a fight. Thumper tells Bambi to clobber him. Ronno continues to goad Bambi by insulting his name, "Bambi? Isn't that a girl's name?" and laughing, insisting that Bambi spar with him while backing the smaller fawn up against a tree. Just before the two fawns get in a fight, Ronno's mother calls him and he reluctantly returns to her before he could fight with Bambi, though he scolds "MA! How many times do I have to tell ya, don't bother me when I'm trying to make new friends!" to which his mom replies "Sorry, dear!"

Later in the film, Ronno, who has become infatuated by her beauty (or the fact that she is the only doe beside the mothers that we see), tells Faline about himself, but Faline still believes Ronno isn't what he claims to be and shows clear displeasure in his company. She hears Bambi screaming and rushes to check on him. Ronno, upset about Bambi garnering Faline's attention away from him, shows up to insult Bambi and says that he witnessed Bambi freeze with fear out on a meadow when Man's dogs arrived, right in front of his father The Great Prince. Ronno tells Bambi not to feel bad as if there weren't cowards, you wouldn't tell who the brave ones were. Bambi replies that he's not a coward and "roars" at Ronno. When Ronno tries to get Faline to leave with him, Bambi comes to her defense to which Ronno starts to tease Bambi again this time about being with Thumper and Flower. Thumper pushes Bambi forward, trying to encourage him to stand up to Ronno, only for Bambi to accidentally knock Ronno down into the mud. Angry, Ronno starts to chase Bambi and Thumper and while chasing them, Bambi jumps over a chasm and then Bambi runs into his father while Ronno backs away into the bushes. Bambi's father is impressed by the jump and father and son start making their way back home. Ronno tries to jump over but falls into a mud pit.

He shows up again during the "First Sign of Spring" musical number, running with the other bucks, taunting Bambi with a raised tail and a haughty stance before taking off to join the bucks. When the Great Prince runs past him, he gives an awed "Woah!", his expression to change to anger and jealousy as Bambi runs past him. He speeds up, trying to overtake Bambi and keep up with the Great Prince, only for Bambi to easily overtake him and run alongside his father, both outdistancing Ronno and leaving him well behind with the rest of the bucks.

Later on, he shows up and taunts Bambi while Mena is taking Bambi to his new home, saying that he wanted to say goodbye, thought they were pals, and really felt sorry for Bambi having a father that was so ashamed of him, he'd give him away. This makes Bambi angry enough to attack, and in the fight, they mistakenly push Mena into a snare. She tells them to get out of there immediately in a panic, the bell on the trap immediately alerting hunters to their location and the barking of dogs clear in the distance. Ronno, revealing his cowardice, runs off crying for "Mommy" but Bambi stands where he is, frozen in fear.

Ronno shows up after Faline and Bambi kiss and swears revenge for stealing Faline, vowing to return but he trips on a turtle, which snaps his nose, with him screaming "GET IT OFF!" repeatedly and jumping around in a panic, which incites Flower to say "See? I told you turtles were scary."

In the original movie, Ronno first appears at Bambi's daydream with Faline. He appears from a bush where Faline disappeared into, Bambi still in his daydream nearly runs into him when his daydream ends off suddenly when Ronno appears. Though he has no lines in the film, his intentions are clear. He immediately began threatening Faline away from Bambi until Bambi charges at him. The two begin combat, Ronno overtaking Bambi at first. At the end of the fight, Ronno is thrown over a cliff and falls into the water below and leaves. It is unknown if he survived the wildfire, as the only scene he appears in was the fight scene.

---

Bambi: Ronno!

Nico: I remember him. He was bad news.

Syd: He sure is.

Ronno: Hello Bambi. How nice to see you again and trying to steal my mate!? You are a monster Bambi!

Bambi: I wasn't trying to steal your mate! Faline chose me over you!

Shanan: You have a lot of nerve Ronno. You are just as bad back then as you are now.

Maria: (to Ronno) I thought you were a jerk when you were a kid. But now that you're an adult, you've really reached a new low!

Nico: Ronno, you have failed this forest!

Shanan: And he has failed as a deer.

Ronno: I'll show you!

Ronno then charged and Lana did as well and she hit him head on like a bighorn sheep and it caused him to fall off a cliff and into the river.

Bambi: Nice job Lana.

Syd: Lana that was so cool! You charged him like a bighorn sheep!

Lana: Aw it was nothing.

Maria: That was really clever.

Lana: Thanks guys. I always think I'm one with the animals.

Later they were over in the meadow and Bambi and Faline got to frolicking around. The song Looking For Romance played in the background.

I bring you a song

And I sing as I go

For I want you to know

That I'm looking for romance

I bring you a song

In the hope that you'll see

When you're looking at me

That I'm looking for love

I'm seeking that glow

Only found when you're young and it's May

Only found on that wonderful day

When all longing is through

I'm seeking that glow

Only found when a thrill is complete

Only found when two hearts gently beat

To the strains of a waltz that's both tender and new

I bring you a song

For I'm seeking romance

You're by my side

There's a moon up above

It shines with a light that's so mellow and bright

It's easy to see that tonight we shall fall in love

I bring you a song

For I'm seeking romance

And you

Later they smelled smoke.

Shanan: Uh oh. (Sniffs) Smoke. From a campfire no doubt.

Syd: I smell it too.

Lana: The hunters are back.

Bambi: Where is he?

Shanan: Lets find out.

They all went to a nearby cliff and they saw smoke coming from a campground.

Shanan: A campground. There's a lot of hunters here.

Stag: It is Man. (Crows caw) He is here again.

Nico: We know.

Stag: There are many this time. We must go deep into the forest. Hurry. Follow me.

Shanan: No. We're gonna fight.

Lana: We won't let those hunters hurt you all anymore.

Laney: That's right.

Shanan: Great Prince, you get all the deer and hide. We'll handle all this. Lets get them!

They went to face the hunters. They saw them sneaking around in the forest.

Shanan kicked a hunter in the face.

Jack Landors (to the hunter): Hey, asshole! Didn't you hear?

Eddy: Laser guns are the rage these days! (he and Jack fire their blasters)

They fired lasers at the hunters and they dropped their 12 Gauge Shotguns.

Lana froze them in ice.

Laney: As animal rights activists, the deer of Maine have a right to live and be free!

Shanan: Lets get them with combos!

Ratchet: You got it Shanan! CYBER KEY POWER!

The Autobot Cyber Planet Key went into Ratchet's back and it enhanced his laser scalpels 100-fold.

Ash: Time for action Noctowl! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into Ash's right arm device and it enhanced his Noctowl's abilities 100-fold.

Ash: Noctowl, use Zen Headbutt!

Ratchet and Ash's Noctowl: LASER HEADBUTT RAM!

Ratchet threw his laser scalpels and Noctowl's head glowed green and he rammed the hunters and they were cut.

Reflector: Lets do it! CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and it enhanced his blinding camera flash power 100-fold.

Teresa: Right behind ya. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Teresa's right arm device and it enhanced her Sonic Powers 100-fold.

Reflector and Teresa: VERTIGO SONIC FLASH!

Reflector released a powerful blinding flash and the hunters were tired and disoriented and the sonic blast hurt their ears.

Shanan: Final Smash time!

Riley: You got it! BRAMBLE WHIPSTORM SURPRISE!

Riley formed a bunch of bramble vines and they lashed the hunters all over the place.

Bambi: This is for my mother and for the animals of the forest! DEER STAMPEDE RAM!

Bambi charged with the power of 1,000 deer and slammed into the hunters and knocked them out.

Lana tied them up and Laney put out their campfire.

Laney: Whew. That was a close one. Good thing I put out their fire or the whole forest would've burned.

Eddy: Good idea.

We sent the hunters to prison for illegal hunting.

During the fight, Nico caught a Deciduoeye and Niovern.

Riley: (To the viewers) All animals have a right to be protected no matter what.

Laney: That's right. (To the Viewers) And only you can prevent wildfires.

Later, Bambi and Faline now have two baby deer. A Boy named Geno and a girl named Gurri. They were so adorable. We put Bambi's forest under our protection in a special nature preserve under our name. Earlier today I caught the Move Card. 移 The Move's true form has been seen only on its Card form. It seems to be a small triangular basket or pendulum with a red gem at its front, and two long 'Clow Wings'. Move resembles a pair of 'Clow Wings', which appear on whatever object it inhabits just before it moves it. It was moving a book around very fast all over the city. We only had 2 days left until the Great Anti-Fairy Holocaust and the war was right around the corner. 2 more Clow Cards were left. The Change Card and the Earthy Card. Yue's test was approaching fast.

FLASHBACK ENDS

When I was done everyone was shocked and amazed.

Another Amazing Siren: I can't believe that hunter did that as well as the forest burned.

Me: That was in the movie thank goodness. We were really surprised that it was on Earth.

Xenia: Yeah no kidding.

Me: That was located in Mount Katahdin in Maine.

Nico: Yeah.

Another Amazing: Wow! That was crazy that it's here on Earth.

Camie: It sure is.

Me: Uh oh.

Nico: Maybe one of the bullies his Guardian Angels busted?

Another Another Siren: No it keeps calling him Stinkoln.

WE GASPED WORSE!

Me: Oh shit on a stick and call me fucked up sideways!

Qin: Not another evil version of Lynn!

Nico: Oh man!

Me: Lincoln you better call your guardian angels for this. Tell them it's a Code: Dutch Oven Black!

Lincoln: Right.

He did so and then all the guardian angels that hated Lynn flew in.

Chantel Rhodes: We got here as fast as we could!

Sakura Hanma: We're ready for that pathetic excuse for an athlete!

Me: Awesome.

Nico: Yep.

May: Let's focus on this first.

Me: Right. I called them in because they want to get some shots in.

Nico: Good.

Laney: I'll face you.

Another Amazing Siren: Okay Laney. Also I love being a siren like this. It makes me feel like a goddess of nature.

Me: You sure look great. This can be your casual look if you want?

Another Amazing Siren: I would like that.

Me: Awesome.

Laney: Lets do it.

She flew and fired waves of leaves and blew her back and we caught her and then I caught the Wonder Ride Book and it was called THE DARK DIVINE SIREN OF THE FOREST! Then it turned into a green book called THE FOREST SIREN OF NATURE'S LOVE!

Me: Cool.

Nico: Nice job Laney!

Me: Yeah!

We jumped down.

Sailor Great Forest: (GROANS) What a headache.

Me: Sorry about that.

Maria: Now for the main event.

Me: Yep.

LOUD BELCH!

Sakura Hanma: No mistaking that loud burp!

Stella Monroe: Here she comes!

A figure came out and it was a dark version of Dumbbelltron! It was ANOTHER DUMBBELLTRON!

Another Dumbbelltron: (ENRAGED SCREAMING) STINKOLLLLN!

Nico: You just don't know when to take a hint!

Another Dumbbelltron: You wretched Bad Luck Spreading Loser! YOU RUINED EVERYTHING FOR ME! YOU RUINED MY SPORTS LIFE, YOU TURNED EVERYONE AGAINST ME, YOU HUMILIATED ME, YOU GOT ME DISOWNED FROM MY FAMILY, YOU RUINED MY ENTIRE LIFE! IF I CAN'T BE A LOUD THEN THERE WON'T BE ANY LOUDS! I WILL KILL ALL OF YOU AND DESTROY THIS ENTIRE PLANET AND KILL YOU ALL!

Stella Monroe: WE'LL SEE ABOUT THAT YOU SORE LOSER!

Me: Yeah!

Kaito: (gets out Kiramager gear) We'd ask what Swartz promised you.

Zocks: (gets out Ryusoulger gear) But it's painfully obvious what that promise was.

Me: Yep. Revenge.

I snapped my fingers and we were on the planet Glaren.

Kaito got a Kiramai Sword and Zocks got a Dino Fury Sword.

Nico: Lets dance!

Stella Monroe punched her in the face and bashed her hard in her nose and kicked her into a rock!

Sougo: (gets out Kiramager Ridewatch) This isn't the first time a version of Lynn has used a power given by Swartz.

Geiz: (gets out Dino Fury Ridewatch) There's that one who became Another Faiz.

Sougo got KiramaiRedArmor while Geiz got DinoFuryRedArmor

Me: And she was uglier than you.

Another Dumbbelltron threw explosive dumbbells at us and I threw them back and they hit her and exploded with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Michelle Emperyous Kicked her into the air and flew up with her.

Michelle Emperyous: You will pay for your crimes you bitch!

She fired massive blasts of fire and Another Dumbbelltron fired waves of explosive dumbbells and the blasts exploded all over and then they hit the ground and then a massive and incredible fiery explosion blasted off and ignited the area into a raging and powerful inferno!

EXTREMELY MASSIVE FIERY INFERNO EXPLOSION!

The area was a massive firestorm!

Nico: WHOA!

Michelle Emperyous: Ready to Rumble!?

Another Dumbbelltron: Lets do it!

Nico: (gets out Dumbbelltron's Ridewatch) Time to lift some weights!

Nico activated it and fired waves of exploding dumbbells and they hit

Another Dumbbelltron and exploded!

MASSIVE FIERY EXPLOSIONS!

Nico: YEAH! And this too! (ACTIVATES LAUGHING GHOSTS RIDEWATCH)

He fired waves of energy and smashed her down!

Xenia: Yeah!

May: (gets out Mad Giraffes' Rudewatch) My turn!

She activated it and fired waves of energy and it formed into a stampede of mad giraffes and they smashed her and pulverized Another Dumbbelltron all over.

Flies in a Spider Web: HOORAY!

May: And this too! (ACTIVATES UNIVERSE 666 ZIRA'S RIDEWATCH!)

She fired a wave of energy and blasted Another Dumbbelltron all over.

Maria: (gets out Evil Chili Pot's Ridewatch) Chili, anyone?

She activated it and fired waves of chili and they went into her mouth and she swallowed it.

Maria: And this. (ACTIVATES CREEPER'S RIDEWATCH)

She fired waves of energy and smashed her down!

Bai Tza: My turn now!

She fired waves of water and blasted her down. Then she activated Laughing Ghosts Ridewatch and fired waves of energy and smashed her down.

Nico: YEAH!

Then Xigbar and his team consisting of Toar, Boston Dangler, Diablo, Moltor and Kannon appeared.

Maria: Nice team, Xigbar!

Xigbar: Thanks guys.

Qin: You're welcome.

They fired waves of energy and smashed her down.

Then Xigbar and his team consisting of Toar, Boston Dangler, Diablo, Moltor and Kannon appeared.

Maria: Nice team, Xigbar!

Xigbar: Thanks guys.

Qin: You're welcome.

They fired waves of energy and smashed her down.

Another Dumbbeltron: I'll kill you all!

Xigbar: As if!

Me: You're just a worthless sore loser!

Lincoln: That's right! All you do is pick on and torture others for your own selfish goals.

Nico: And your superstitious rituals are nothing but total bullshit!

Me: And another thing there ARE NO Softball Gods!

Xenia: It's just a stupid delusional belief for morons!

Another Dumbbeltron then screamed in fury!

Then a Scizor came!

Me: Whoa A Scizor!

Scizor: (In a girls voice) (Japanese Accent) This girl is a menace to the Sports World.

Nico: Kikyo Inuyasha!? WHOA!

Scizor: I got this.

She fired blades of energy and blasted down Another Dumbbelltron and I caught the Ridewatch and purified it.

Me: Go wild girls!

The Guardian Angels went over to Evil Lynn and they cracked their knuckles.

Xigbar then shot Evil Lynn in the shoulder.

BANG!

It wounded her.

The Guardian angels bashed and smashed and pulverized her all over in a brutal fight cloud.

Nico: YEAH!

Nico pulled out a Red Jumpsuit.

Scizor reverted back and she was a girl with red hair and a red kimono and had a katana.

Kikyo Inuyasha: That was awesome though.

Bai Tza: What's your favorite memory of Nico?

Kikyo Inuyasha: Mine is where me and Nico took on the TRIADS Mafia in China and defeated them all in one fell swoop.

Xenia: WHOA!

Me: That is amazing!

Lola: It sure is!

Nico: Yep.

Nico and Kikyo hugged.

Nico: I've really missed you.

Kikyo Inuyasha: Me too Nico. Me too.

The girls were still beating the living shit out of Evil Lynn.

Nico: You girls done yet?

They stopped.

Me: Geez! Had enough?

Nicholette: Yep.

And that unfinished business is with a powerful and extremely dangerous vampire lord named Hunter Mondragon, one of The Ghosthunters Club's most dangerous enemies, and he swore that he'd have his revenge on them for ruining his plans to take over the world and turn every last human into vampires. But, now, Lincoln's going to see to it that he dies here and now, and he's going to wind up getting turned into food for Lincoln just all of the other evil vampires, werewolves, and powerful human/otherworldly villains Lincoln's absorbed.

Lincoln: Whoa, we're here in the abandoned cemetery of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but I also got some unfinished business.

Nico: Unfinished business, with who exactly?

Nicholette Torrington: Uh oh, I think I know exactly who he's talking about, that unfinished business is with a powerful and dangerous vampire lord named Hunter Mondragon, one of The Ghosthunters Club's most dangerous enemies, and he swore that he'd have his revenge on them for ruining his plans to take over the world and turn every last human into vampires. But, now, Lincoln's going to see to it that he dies here and now, and he's going to wind up getting turned into food for Lincoln just like all of the other evil vampires, werewolves, and powerful human/otherworldly villains Lincoln's absorbed.

Lincoln: That's right. I still remembered that case all too well, we had a new kid come into school that day, he introduced himself as Hunter Monroe, and everyone seemed to like him, but we were quite suspicious of him, we found out he moved into the abandoned castle in the abandoned cemetery in Royal Woods, way before The Church of Necrom set up their base there. But, then, we began getting reports of thugs being found the next morning drained of blood, and we began to suspect a vampire was on the loose. So, we did some investigating, and Maria Hēibiānfú found out that Hunter Monroe is actually a fake name, and his real name is Hunter Mondragon, a dangerous and powerful vampire lord who drank the blood of his wife who he murdered centuries ago and because he also renounced God, he fell from grace and he became a vampire, and over the centuries, he's taken the lives of so many innocent people every night for 900 years.

We gasped.

Me: Damn, this guy's even more dangerous than Dracula.

Lincoln: He doesn't exactly come close to Dracula himself, but still, we had to stop him. So, we set out for his home, and we encountered Hunter Monroe, but then, when we told him that we knew the truth of who he really is, he dropped the façade he put on to fool everyone, and he exposed his true colors as the malevolent vampire lord that he really is. He then made the foolish mistake of telling us of his plans to turn every last human in Royal Woods into vampires, and then, he'd turn everyone on Earth into vampires, and that vampire didn't know we had tape recorders and cameras that caught Hunter Mondragon's true form and his dark intentions and we exposed him to everyone. The people chanted for us to kill Hunter Mondragon, we got into a ferocious fight with him and we won, but before we could deliver the killing blow, Hunter Mondragon fled for his life, but he swore he'd have his revenge on us.

Clara St. Clarice: And now, he's come back to his home: the abandoned castle, and he's reclaimed it after we got rid of Damian Alaister and The Church of Necrom last year.

Lincoln: And he's filled the castle with violent ghosts and demons, so we're in for one nasty fight with our old enemy, and I want to thank you and Pyra for joining us, Ace.

Ace Bunny: You're welcome, Lincoln. So, what do you got planned?

Suddenly, we saw Ghazt the Plasma, Grumpyre the Shadow, Reebro the Mech, Jeeode the Crystal, and Humbug the Poison appear before us, and with them are the twelve girls.

Nico: Whoa, that's Ghazt the Plasma, Grumpyre the Shadow, Reebro the Mech, Jeeode the Crystal, and Humbug the Poison, wicked.

Ghazt the Plasma: (Japanese Accent) That's right.

Grumpyre the Shadow: (Chinese Accent) And we got the twelve girls away from that bloodthirsty vampire, Hunter Mondragon, and don't worry, they weren't bitten.

Lincoln: (Gasps) Those voices, Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag, I knew it was you girls, it's awesome to see you again, but we'll talk later, we've got business to attend to.

Lincoln made a holographic map of the castle.

Lincoln: Alright, now according to the map, as we expected, Hunter's got the entire castle filled with violent ghosts and evil demons he'd summoned from Hell to guard the castle, and his coffin while he's sleeping in his coffin in the crypt. So, we first need to destroy the ghosts and demons in the castle, and then, we head for the crypt where we'll destroy Hunter Mondragon once and for all. Good thing we came prepared for this.

Lincoln snapped his fingers and we were all armed with ultraviolent grenades, holy water blasters, silver stakes, silver-lined machetes, and more.

Nico: Nice.

Lincoln: Hunter Mondragon will no doubt have vampires in the castle as well, now, we're ready for the fight to begin. Now, let's go hunt down Hunter Mondragon and end his reign of evil for good.

We advanced towards the castle ready for battle, and Lincoln kicked the doors down.

Lincoln: Knock, knock, undead assholes!

(THE BEASTS AT OUR DOOR PLAYS)

The violent spirits, evil demons, and vampires in the castle growled angrily and they charged at us, and we charged at them, and we unleashed Hell upon them as we used our weapons that Lincoln armed us with, and we killed all the evil demons and vampires in the castle and banished the violent spirits from the castle for good.

Lincoln: Now, all that's left is to hunt down Hunter Mondragon. To the Crypt! Your time's up, Hunter Mondragon, The Ghosthunters Club and Team Loud Phoenix Storm are coming for you!

Ghosthunters Club: And we're going to finish what was started all those years ago, you undead son of a bitch!

We headed for the crypt, and there we saw our target: Hunter Mondragon, he was a male vampire with blood red eyes, fangs, and he was dressed in dark clothes from the 19th century, and he was pissed off when he saw The Ghosthunters Club again.

Hunter Mondragon: You! I should've known you'd show up here, Ghosthunters Club, and now, I will get to enjoy having my revenge on you, and I also get to enjoy destroying Team Loud Phoenix Storm along the way! (LAUGHING MALEVOLENTLY)

Lincoln: You're never going to get that chance, Hunter! We have some unfinished business to attend to after what happened years ago.

Isabella Purazumagōsuto: (Japanese Accent) You've fled after we defeated you and you cheated your date with death, that's not going to happen again.

Maria Hēibiānfú: (Chinese Accent) That's right, today, this is where you die!

Chihiro Hakubi: (Japanese Accent) Your reign of terror ends here, you undead monster!

Miyuki Masaki Jurai: (Japanese Accent) You have ended one too many lives for so many centuries, and their blood is on your hands, you undead son of a bitch!

Lina Jaharbag: (Indian Accent) And now, this is it.

Ghosthunters Club: YOUR TIME IS FINALLY UP, HUNTER MONDRAGON, NOW, THE GHOSTHUNTERS CLUB SHALL END YOUR UNDEAD LIFE AND SEND YOU STRAIGHT TO THE DEPTHS OF HELL WHERE YOU RIGHTFULLY BELONG!

The bravery from The Ghosthunters Club was more than enough to send Hunter Mondragon spiraling into a demonic rage, along with his desire for revenge against them for ruining his plans years ago.

Hunter Mondragon: You! You! I WILL KILL YOU ALL AND DRINK YOUR BLOOD!

Lincoln fired a blast of poisonous blood at Hunter Mondragon, and it hit him and it burned him like acid.

Lincoln: Our blood is poisonous to evil immortals and gods, and that also includes vampires like you, and I'm going to be one to drain you dry of every last drop of blood from your undead body!

Then, Lincoln put Hunter Mondragon into a brutal bear hug, so the vampire couldn't escape, and as soon as Lincoln sank his fangs into the vampire lord's neck, Lincoln began sucking out every last drop of blood, and Lincoln also began absorbing Hunter Mondragon into his body and he was assimilating the vampire lord's powers and abilities. Then, as soon as Lincoln was done sucking out every last drop of Hunter Mondragon's blood and absorbing the vampire lord into his body and assimilating his powers and abilities, an energy card formed in Lincoln's large left hand with Hunter Mondragon's soul imprisoned inside.

Hunter Mondragon: This isn't over, Ghosthunters Club, I will return once again, and I will… !

Nico: Ain't happening, you undead psycho!

Suddenly, the Judgement Kanji appeared on Hunter Mondragon's forehead, and the spirits of those he killed centuries ago appeared and found him guilty, and he was being erased by The Black Gates for eternity.

Hunter Mondragon: DAMN YOU, GHOSTHUNTERS CLUB, DAMN YOU ALL, TEAM LOUD PHOENIX… (FADES AWAY)

Hunter Mondragon's spirit was given The Black Gates for his crimes, and his undead reign of terror is finally over. We escaped from the castle, and Lincoln fired a blast of rainbow energy at the place and destroyed it for good, we cheered as we holstered our weapons and powered down.

Lincoln: We did it, Hunter Mondragon is finally dead and gone for good, along with his minions, and our unfinished business with him is finally finished. Isabella Purazumagōsuto: (Japanese Accent) You too, Lincoln, it's been a very long time.

Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag went up to Lincoln who hugged each of them, and Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Purazumagōsuto: (Japanese Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico.

Lincoln then introduced us to Isabella Purazumagōsuto, the Ghazt the Plasma Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in English, but she's also surprisingly a passionate ghost hunter and has taken down some of the nastiest ghosts. She's also a goth and the leader of The Ghosthunters Club. Her last name, Purazumagōsuto, means Plasma Ghost in

Japanese. She and Lincoln would also watch ghost hunting shows as well, along with hunting down ghosts with the club and she and the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and while at the park at night, Isabella kissed Lincoln on the lips. She's also the niece of Peter Venkman, leader and founder of The Ghostbusters, and she hates Flip with a blazing passion.

Her last name, Hēibiānfú, means Dark Bat in Chinese. She and Lincoln would also take down some of the most dangerous vampires and powerful vampire lords, and she, along with the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg hybrid. She's also the cousin of Joey Wheeler, and she hates Icky Vicky with a blazing passion.

Chihiro Hakubi, the Reebro the Mech Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in Science, but she's also one of the smartest of Lincoln's Guardian Angels. She and Lincoln worked together to tackle even the most difficult Algebra problems, and this one time, they even built Duel Skateboards that can instantly connect to the Duel Disks, and she, like the rest of the club know of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid. After testing the Duel Skateboards, Chihiro showed a thank you to Lincoln by kissing him on the lips. She's also the twin sister of Ryoko Hakubi and she hates Billy McLean with a passion.

Miyuki Masaki Jurai, the Jeeode the Crystal Gene-Slammer, she's Lincoln's Guardian Angel from Japan and classmate in Math, but she also loves crystals. She and Lincoln would go and explore caves and they even found some of the most beautiful crystals ever found, and she, like the rest of The Ghosthunters Club, knows of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid. She also makes clothing with crystal designs, and this one time, Lincoln made Miyuki a beautiful pink bikini with pink diamonds on it. To show thanks, Miyuki kissed lincoln on the lips. She's also the twin sister of Ayeka Masaki Jurai, and she hates The Wet Bandits with a burning passion.

And Lina Jaharbag the Humbug the Poison Gene-Slammer, she's Lincoln's Guardian Angel from India and classmate in Science, but she's also a bounty hunter. She and Lincoln have managed to capture even the most elusive bank robbers. They even worked to together to track down even criminals that once tried to rob a charity drive, and she, like the rest of The Ghosthunters Club, knows of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid. Her last name, Jaharbag, means Poison Bug in Hindi. Lina made Lincoln a beautiful orange armband, and to show thanks, Lincoln kissed Lina on the lips. There's a reason why she's a bounty hunter, she learned her bounty hunting skills from her twin sister, Nagi, and she hates Lewis Travolta with a burning passion.

When the introductions were done, we were impressed.

Me: Wow, so you guys did a lot of awesome ghost hunting missions, even before then, awesome.

Nico: And you even took down some of the darkest demons and ghouls as well, including vampires and werewolves, incredible.

Lincoln: We've gotten really good at removing some of the nastiest ghosts out of homes and for quite a fair price as well, and we wouldn't let Flip in on it, because of his greed and desire for revenge on me for ruining his scams, and as for the rest of the jerks, we swore if they ever try to come after us again, we'd threaten to put them under a curse that'll have them be tormented by the spirits of those they hurt in their path.

Isabella Purazumagōsuto: (Japanese Accent) A sweet taste of karma for all the crap they've pulled on too many people. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Lincoln: Let me guess, you and the others want to give me your blood, right?

Maria Hēibiānfú: (Chinese Accent) How did you know about that?

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Isabella Purazumagōsuto: (Japanese Accent) Dang it, I should've known.

Lincoln went up to each member of The Ghosthunters Club, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Maria Hēibiānfú: (Chinese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Chihiro Hakubi: (Japanese Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag.

Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw who they were, he immediately recognized them. The twelve girls are Valentine, Fukua, and Eliza from Skullgirls, Ada, Brynn, Ember, Fait, Kaya, Lin Fei, Scarlet, and Val from Brawlhalla, and 2B from Nier: Automata.

Lincoln: Oh wow, it's Valentine, Fukua, and Eliza from Skullgirls, Ada, Brynn, Ember, Fait, Kaya, Lin Fei, Scarlet, and Val from Brawlhalla, and 2B from Nier: Automata.

Nicole: (Whistles) Awesome.

Lincoln: Are you girls okay?

Valentine: Yes, we're okay, thanks to you.

Valentine: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Valentine: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Valentine, Fukua, Eliza, Ada, Brynn, Ember, Fait, Kaya, Lin Fei, Scarlet, Val, and 2B with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was a villain from Lincoln's past, a powerful and dangerous vampire lord named Hunter Mondragon, he's one of The Ghosthunters Club's most dangerous enemies, and he returned for revenge on them for ruining his plans to take over the world and turn every last human into vampires years ago.

But, when Lincoln showed what we all did to that demonic vampire lord, and Lincoln finishing him off by putting him in a bear hug and sucking out all his blood and absorbing him into his body and then sending his spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I never knew you had some unfinished business with a dangerous vampire lord from your past, Lincoln.

Lincoln: I thought no one would see him again, but Hunter Mondragon's desire for revenge on us was that strong, he couldn't stay away. So, he decided to return here to get revenge on us once again, but his revenge was stopped, and we sent him to his eternal punishment for good, and avenged all of those people he killed centuries ago.

Nico: You sure did, Lincoln. But, I can guess you guys made a lot of enemies, right?

Lincoln: Everything from evil vampire lords out to rule the world to werewolves out to devour every last human on Earth and from nasty ghosts out to cause havoc to nastier ghouls out to destroy all of humanity, Nico.

Me: Yeesh. But, you guys are the ones to fight against those kinds of supernatural monsters, and you know how to get rid of them.

Lincoln: That's right, J.D., and our skills in hunting down ghosts, vampires, werewolves, and other supernatural evil monsters have come in really handy, and we've also gone to a priest in Church to bless us for our fight against the evil we're going to fight.

Isabella Purazumagōsuto: (Japanese Accent) That's right, and his blessings have also protected us from evil, and he knows about what we've been doing, and he's given us his blessings and he's also led us in prayer as well.

Me: In cases of tackling supernatural monsters, asking for spiritual help from the Church is important with the task in hand.

Nico: That's right, 'cause what you guys have been facing is something that creeps up from the dark and drives fear into peoples' hearts, but you guys are the ones to save them from that darkness.

Lincoln: Yeah, you're right, see long before Team Loud Phoenix Storm was formed and long before any of us met, we were one of many lines of defense against the dark forces of The Supernatural, and we fought against them for years. Now, The Ghosthunters Club has returned, and are now members of Team Loud Phoenix Storm, and you know what that means.

The Ghosthunters Club: Dark forces of The Supernatural better beware, because The Ghosthunters Club is back!

Me: Not even the darkest shadows will protect the creatures of the night!

Nico: Nor the darkest depths of Hell!

After finally ending Hunter Mondragon and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Isabella Purazumagōsuto: (Japanese Accent) Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years.

Maria Hēibiānfú: (Chinese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Chihiro Hakubi: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lina Jaharbag: (Hindu Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Isabella, what memories did you and the rest of the club have with Lincoln?

Isabella Purazumagōsuto: (Japanese Accent) I remembered this one time, we were at our club and we had an initiation for a new girl that joined at school, but this was way after Hunter Mondragon's defeat and fleeing Royal Woods, her name was Beatrix Redmoon, and we found out she was a witch with amazing powers over magic, but we sensed something rather sinister about her.

Maria Hēibiānfú: (Chinese Accent) Indeed, even my pet bats were also acting strange around her, and were screeching at her.

Chihiro Hakubi: (Japanese Accent) We eventually had to ask for help from Alecto Shadowcall, and as soon as we told her the name Beatrix Redmoon, she freaked out. She then got out her Maleficarum Compendium, a massive book containing the bloodline family names of witches listed throughout the centuries, and when she found the page with Palsgrave on it, we sensed something was wrong.

Miyuki Masaki Jurai: (Japanese Accent) We soon found out from her that The Redmoon Clan is a very old and powerful clan of witches who've used The Dark Arts to torment mankind for centuries, and we also found out The Shadowcall Clan have fought against The Redmoon Clan for centuries in order to protect mankind from them.

Alecto Shadowcall: That's right, and my ancestor, Aurora Shadowcall, casted a spell that banished The Redmoon Clan to a realm of darkness where they'd never escape. And that's why Beatrix came here: it was to get revenge on me for what my ancestors did in banishing her evil ancestors centuries ago. The Ghosthunters Club was stunned to hear that, so Lincoln decided to call a meeting to have an initiation for her, but this initiation is actually a trap for her.

Lincoln: Later, we called her to our club to have her be initiated into The Ghosthunters Club, but she didn't know I had a trap for her, and as soon as she stepped on the floor, a magic circle formed right under her feet, and it trapped her and destroyed her powers. Then, Alecto Shadowcall came out, and when Beatrix saw her, her true nature came out, and she told us why she came here to Royal Woods, and it was to exact blood revenge for what her ancestors did to her ancestors centuries ago, and she wanted to use us to help her get her revenge. But, she made a big mistake and admitted everything on a wire we wore and it also exposed her crimes to the world. She messed with the wrong people, and now, she was about to pay for her wrongdoings and for the crimes that her family's committed centuries ago. Alecto chanted the incantation her ancestors used, and a portal opened under Beatrix's feet and that witch was banished to the very realm her ancestors were banished to centuries ago.

Nico: Holy crap.

Me: Whoa, this is quite a revelation, and Alecto, I had no idea that your family has defended mankind from dark witches for centuries.

Alecto Shadowcall: The only person I've told was Lincoln and the other Guardian Angels, and it's true, my family has defended mankind for centuries from the dark witches who sought to destroy them all, and every living thing on Earth, and my family had earned their hatred ever since The Dark Ages.

Lincoln: Yeah, it was really brutal.

Tinker Bell: So, it appears that not even time has dulled out any blood feuds the dark witches had with Alecto's family.

Suddenly, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, and Periwinkle were glowing, and then, they began growing to 6'5" in height and their wings grew much bigger for their new bodies. Lincoln was stunned as he put the weights down, and so did we.

Lincoln: Whoa! Tink, you and your friends grew, just like Arrietty, awesome!

Silvermist: That was actually our surprise to you, Lincoln.

Me: A surprise to Lincoln? (Realizes something) Wait a second!

Nico: Tinker Bell, do you and your friends have feelings for Lincoln?

Fawn: We sure do.

Then, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, and Periwinkle piled on Lincoln and they kissed him on the face and lips, and he returned it.

Lincoln: (In Heaven) Wow!

Luna: (Snickers) Dude's already in heaven, and he's now got some new additions to his harem.

Zarya: They're not the only ones.

Suddenly, Kitty Boon came in to the Estate.

Arkayna: Yeah, Zarya introduced Kitty Boon to Lincoln, and when she met, it was love at first sight.

Emerald: Especially when we caught them kissing.

Kitty Boon: Yeah, but I'm also not the only one, didn't you catch Piper having feelings Lincoln as well?

Arkayna: We sure did, and we caught them kissing after some training. Just like with Zarya and J.D., and it really is cute.

Me: And when you girls told us about it, we were really happy for Piper, Kitty Boon, and Lincoln.

Ronnie Anne: They're also not the only ones, Paula, Nikki, and Cookie also have feelings for Lincoln as well, so we knew that was about to happen.

Paula: Yeah, but can you blame us though?

Margo: But, we're still glad you also got together with Lincoln.

Arkayna: We all are, Margo.

We got a shower, and then, Lincoln, Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

Silvermist: Wow, we're here in Lake Lamode, amazing.

Lincoln: I've been here before, Silvermist, and it really is beautiful. Shall we?

Lincoln, Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went inside an indestructible glass dome and they also had a game of volleyball, and Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie, and they hugged the girls in their abnormally massive and powerful muscular arms, and Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Zarya: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode.

Lincoln: (In Heaven) It… was… so…

Piper: (In Heaven) Awesome!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Piper Willowbrook, Kitty Boon, Paula Price, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lori: And now, Piper, Kitty, Paula, Nikki, Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, Periwinkle, Jazz Hooves, and Cookie are literally part of Lincoln's harem. This is so cute!

Lincoln: And I've also got a little surprise for Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, and Periwinkle.

Suddenly, they saw Lincoln turn into a fairy as his massive white angel wings turn into white fairy wings with shimmering rainbow colors and fairy dust was falling from his wings. Needless to say, Tinker Bell and her friends were amazed.

Tinker Bell: Wow, that's really incredible!

Me: You got that right. Lincoln, how did you learn how to turn into a fairy?

Lincoln: It's because of my rapidly evolving powers, now I can also turn into a fairy like Tinker Bell and her friends, and watch this.

Lincoln fired a mist of water from his hands which watered some plants growing in the windowsill, he even made some animal calls and that called some wolves into the Estate and he petted them, he also shined a bright light onto Poromon and the other Mascots who were trying to sneak off with the cookie jar and they got caught by their own guilt.

May: Busted!

Then, Lincoln summoned a flurry of snow at the jerks chained up at Lynn's Table and gave them a nasty case of frostbite, and it was so awesome. Then, Lincoln reverted back as he grew big again and his white fairy wings with rainbow colors and fairy dust falling from his wings turned back into his massive and indestructible white angel wings with orange and aurora colors on the feathers.

Nico: Holy cow! Linc, that was incredible! You've turned into a fairy just like Tinker Bell, her friends, and sister, and you also have fairy-like powers just like them, awesome!

Siyana the Light Faerie: But, that's not the only transformation that Lincoln has.

Lincoln: Siyana's right, I can not only turn into a fairy like Tinker Bell, Silvermist, Fawn, Iridessa, Rosetta, Vidia, and Periwinkle.

Suddenly, Lincoln's massive white angel wings turn into a massive white version of Fyora's wings with a Thunderbird, Phoenix, Buffalo, and Angel in them.

Fyora the Faerie Queen: Incredible.

Siyana the Light Faerie: We saw it for ourselves, Fyora, and it's indeed amazing.

Me: They look just like your wings, Fyora.

Fyora the Faerie Queen: Only his are white with a Thunderbird, Phoenix, Buffalo, and Angel in them.

Lincoln: And there's also this.

Suddenly, Lincoln made his massive white faerie wings glow with shimmering rainbow colors, and it was a stunning and beautiful display of colors.

Eli: Incredible.

Then, Lincoln's massive white faerie wings turned back into his massive and indestructible white angel wings with orange and aurora colors on the feathers.

Me: That was so awesome! I've got to learn how to do that as well.

Nico: Turning into a fairy like Tinker Bell and her friends, that would be awesome if we have any sort of mission at Pixie Hollow, and turning our angel wings into the faerie wings of the Faeries of Neopia, that would really be awesome!

Lincoln: We can teach everyone how to do that!

Illusen the Earth Faerie: Indeed.

Me: Nice.

Later it was time for Cassidy's final ambassador mission.

Nico: This is gonna be good.

Qin: Yep.

William: Anyone else want go with Cassidy? Besides Axel Manning and Mike Chilton?

Qin: I'll go with.

Nico: Awesome.

Lola: This will be fun.

Qin: Yep.

Will Vandom: And it will be really fun and awesome.

Nico: Yep. Lets go.

We were off.

TOKYO, JAPAN

We arrived in Tokyo.

Takumi: Hey guys!

Cassidy: Guys, meet Axel Manning and Mike Chilton.

Axel Manning: Awesome to meet you.

Mike Chilton: Same here.

Nico: And meet my sister Qin.

Qin: Hey there. Qin Cheng. We're not related by blood.

Me: We have had a lot of fun and amazing adventures with Qin too.

Lola: It's true.

Lynn: Yep.

Nico: Any word on who the main target of the big day might be?

Takumi: The Arch Orphnoch, Teruo Suzuki.

Me: I remember him. He was a kid but he packed a really nasty and mean side to him. He was a kid that was brought into this as a fate worse than death.

Qin: What can you tell us about him?

Me: Well he is a Dark Messiah.

I went over his history.

---

The Arch Orphnoch, also known as the Orphnoch King, is the most powerful Orphnoch and the overarching and final antagonist of Kamen Rider 555. His human identity is Teruo Suzuki, an orphaned boy rescued by Naoya Kaido who, unknown to everyone, houses the Arch Orphnoch, the alpha of their kind.

He was mainly voiced by Hiroshi Yanaka, his human form was portrayed by Kayato Watanabe, and his shadow was portrayed by Shun Kobayashi.

Teruo Suzuki was originally a young boy whose parents were killed in a fire caused by the Barnacle Orphnoch, leaving him an orphan. He was placed in the Sousai Children's Home, an orphanage run by Smart Brain, until Naoya Kaido decided to adopt him. Kaido took him home and allowed him to live in Keitarō's laundry mat, unaware of his immense power.

Teruo would later begin to display odd behaviors, such as going outside and wandering to random locations. It would eventually be discovered that he was the vessel for the Orphnoch King. Whenever he would black out, his Orphnoch persona would emerge from his shadow to consume the lifeforce of Orphnochs in order to mature. The Arch Orphnoch would eventually be fully awakened when Kyoji Murakami gave up his life to it to revive it.

Furious that the Orphnoch King's awakening meant he was no longer the strongest Orphnoch, Kitazaki went to kill Teruo even though doing so would doom the Orphnoch race. However, the Arch Orphnoch proved much more powerful than Kitazaki and killed the Dragon Orphnoch by tearing off and devouring his face.

After Yuji Kiba's betrayal, Teruo was killed after the Arch Orphnoch fully took over his body. Permanently transformed, the Arch Orphnoch fully evolved Saeko Kageyama and caused her to permanently assume her Lobster Orphnoch form, something which frightened Itsuro Takuma and caused.

In the final battle against Faiz Blaster Form, the Arch Orphnoch was defeated after Kiba, having returned to his senses, gave his own life to hold the Arch Orphnoch in place, allowing Faiz to finish it off with his Rider Kick. Despite its defeat, this would not be the last of the Arch Orphnoch.

After the epic battle between all the riders, it was revealed that the Orphnoch King had managed to survive. Due to the severe wounds it sustained, it was placed in a stasis tank under Smart Brain's secret facility by the Lobster Orphnoch. Because his fate was never determined, it's unknown will he ever return or remain dormant for eternity.

The Arch Orphnoch have revived and part of Dai-Shocker but was defeated in the final battle.

Arch Orphnoch was revived as part of Dai-Shocker again. They later united with Dai-Zangyack and battled the army of Kamen Riders and Super Sentai, incluidng Arch Orphnoch's enemy: Kamen Rider Faiz. Faiz and Arch didn't get their own fight scene together, but he was seen fighting TimeYellow and Kamen Rider Super -1, and he is just barely spotted near the end of the second aerial scene fighting Pink5 of Bioman(to see that, you would need it in slow motion and with a high definition picture.) However, his fate, as well as his human identity as Teruo Suzuki, both remained unknown.

Arch Orphnoch was revived once again and part of Space Shocker. He is killed by Space Sherriff Sharivan.

The Arch Orphnoch was one of Amadum's monsters in the world within the Magic Stone. With the Batta Yummy and Alternatives 01, they attacked and defeated Beast when he intruded in Amadum's lair as he planned to harness the Kamen Riders power, forcing Beast to his proper place in space and time. The three monsters later appeared to capture the young Haruto and Koyomi, fighting off Haruto, Rinko, and Shunpei, when they tried to stop them. They brought the children to Amadum as Tsukasa Kadoya gave him the thirteenth and last Rider Ring (Fourze). The Kamen Riders refused to fight Haruto, saying they fought for human freedom and not just justice, engaging Amadum's monsters. The Arch Orphnoch, Batta Yummy and Alternatives 01, along with several other monsters, were destroyed by Wizard and Decade.

The Arch Orphnoch or Orphnoch King is of a special type who possesses the power to "complete" Orphnoch's evolution, removing all traces of humanity in the process while granting long life. Unlike others, the Orphnoch King can disintegrate them instantly.

When I was done everyone was shocked.

Qin: WHOA MAN!

Laney: Poor kid.

Me: It goes against our code to kill kids. But I do have a plan for the Big Day. I'll separate his Orphnoch half and we'll destroy that.

Mike Chilton: It's like Jeckyll and Hyde.

Me: Exactly. One minute he is sweet and friendly and the next he is a monster that is a cold blooded murderer out to ass up the world.

Lola: Yeah no kidding.

Nico: That is awful.

Qin: Yeah no kidding.

Me: We can't kill the human but we can kill the monster.

Takumi: We weren't able to save him last time. But this time, we have a second chance.

Me: Yes we will.

Lola: Teruo did nothing to deserve this.

Me: I agree there. Being cursed to be this in my opinion is a fate worse than death. Masato was killing people that were once human and that made him nothing more than a murderer.

Laney: That's right.

Qin: What Masato did show that he was a monster.

Eli: And I'm glad we gave him the Black Gates.

Nico: Yeah.

Eli: Same here.

Nico: It makes you wonder if ALL Orphnochs are truly monsters.

Me: Maybe they are and maybe they aren't. But Either way the Arch Orphnoch is a monster that needs to be destroyed.

Qin: We can't let them keep on killing people.

Nico: I agree there.

Axel Manning: But aside from that, has there been any trouble since the last visit?

Takumi: As a matter of fact yes. Teruo is seen around the area. But there is a chance that we can save him.

Me: So he decided to make his move early. Luckily I do have a plan.

Nico: Let me guess, Separate his Orphnoch half, banish it to the warp till March 19th?

Me: Bingo.

Nico: I'll call in the Hernandez sisters to help.

Me: Okay.

Takumi: And tell the Hernandez Sisters to be ready to get the Wolf Orphnoch out of me when the big day comes.

Me: We will.

Nico called in the Hernandez Sisters.

They flew in.

Fiona Hernandez: We got your call Nico.

Natasha Hernandez: Yeah we're ready.

Me: Guys meet the Hernandez Sisters.

Fiona Hernandez: Awesome to meet you guys. I'm Fiona Hernandez.

Maria Hernandez: I'm Maria Hernandez.

Nicole Hernandez: I'm Nicole Hernandez.

Natasha Hernandez: And I'm Natasha Hernandez.

Takumi: Awesome to meet you girls.

Mari: I love your hair and matching dresses.

Maria Hernandez: Thanks.

Nicole Hernandez: Comes with a great fashion.

Maria Hernandez: Takumi, you do realize we can get the Wolf Orphnoch out of you right now, right?

Takumi: Now isn't the right time for that. Today, the main focus is getting Teruo out of that monster.

Me: And your powers are strong enough to do that.

Mari: What can they do?

Me: They use the powers of Christian Miracles.

Eli: We have seen it in action many times.

Qin: They saved our friend Himiko from her unstable quirk and many people from demons that were inside them.

Nico: They went to church with me and their faith in God is very strong and powerful.

Laney: It's true.

Mari: I got to see this.

Me: Yep.

Eli: And I found Teruo. He's in the park.

Nico: Lets go guys! We haven't got a moment to lose.

We were off!

Mike Chilton: (gets out Yost Venom's Mission Memory) Should be easy. I'll just use Yost Venom's webs to restrain him and we'll be good to go.

Me: No Mike wait. We have to handle this delicately. He's so young. If he were an adult we would have used more force.

Mike Chilton: Okay.

I went over to him.

Me: Teruo?

Teruo saw me.

Teruo: J.D. Knudson.

Me: That's right. Teruo we came to help you. You have this monster inside you. We just want to get it out of you.

Teruo: How? I can't control it.

Me: That's why we're going to help. Just follow our instructions okay?

He saw us.

Teruo: Tell me what to do.

He was in the middle of a square and the Hernandez Sisters stood on the corners.

Me: Okay girls. Ready?

Fiona Hernandez: Ready.

Me: Ready Teruo?

Teruo: Ready.

I stepped back.

Hernandez Sisters: (CHANTING THE LORD'S PRAYER)

Our Father, who art in heaven,

hallowed be thy name;

thy kingdom come,

thy will be done

on earth as it is in heaven.

Give us this day our daily bread,

and forgive us our trespasses,

as we forgive those who trespass against us;

and lead us not into temptation,

but deliver us from evil.

For thine is the kingdom,

and the power, and the glory,

for ever and ever. Amen.

HOLY LIGHT DEMON PURGE!

They glowed powerfully and beams of light hit him and then Teruo screamed in pain and he had a blob of darkness leak out of him and it left him and he fell over exhausted and weak and tired.

Teruo: (Weakly) Thank you guys.

He fell asleep.

Then we saw THE ARCH ORPHNOCH!

Me: Whoa!

Eli: Scary!

Me: Now it's time for some buttkicking! (GOES SUPER ANGEL CELESTIAL ETERNAL XELNAGA!)

Nico: This guy is going to pay!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Love, Courage, Justice and Friendship) At least now we know how they were made. It was dark Satanic Magic!

Nico: This has the Church of Nekrom written all over it!

Eli: That damn cult!

Lucy Loud: The Goths of Darkness are going to have a field day when they hear about this!

Natasha Hernandez: You're right on that Lucy.

Takumi: Time to use Blaster form!

Takumi removes the Faiz Phone from his belt, and inserts it into a slot on the top of the Faiz Blaster

Faiz Blaster: Awakening.

Upon inserting the Faiz Phone, Takumi immediately turns his attention to a keypad around the Faiz Blaster's circular central component, and inputs his transformation code, 5-5-5 and pressing the button marked "Enter".

Faiz Blaster: Standing By.

At this point a beam of red energy shoots down into Takumi, breaking the red lines that formed his armor, turning the very suit red, and altering the chest armor slightly to include what looks like a small jetpack on the back, before turning Takumi's eyes a solid yellow, and replacing the red lines with black ones.

Me: Whoa!

Qin: AWESOME!

Nico: COOL!

Cassidy: That is awesome!

Mike Chilton: Now I can use this.

He activated the Ridewatch and fired webs that held him in place.

I slashed the Arch Orphnoch and blasted and bashed him all over.

I fired waves of fire and burned him.

Nico: (Echoing) CRIMSON LIGHTNING!

Nico fired a blast of Blood Red Lightning and it hit him and electrocuted him.

Me: Take that.

I slashed him all over.

Mike Chilton used his Mission Memory for Yost Venom and formed blades made of dark matter and slashed him all over.

Fiona fired waves of fire and burned Arch Orphnoch.

Maria fired waves of lightning and electrocuted him.

Axel Manning: (gets out Heatstroke's Mission Memory) Feel the Heat!

He activated it and fired a blast of fire and burned him.

Me: Try this on. (ACTIVATES LORD DRAKKON'S MISSION MEMORY)

I fired waves of green energy and blasted Arch Orphnoch all over.

Takumi: (gets out Dreadtrux's Mission Memory Let's see what this does.

He activated it and he glowed and turned into a Bucket Wheel Excavator! He gnawed at the ground and smashed piles of dirt onto him.

Nico: NICE!

Me: Cybertronian Transformation Style. I like it!

Qin: That was cool!

Me: Here's a new one. Watch. (ACTIVATES HARDDRIVE'S MISSION MEMORY) I am Harddrive. Bare witness to Campaign Number 4.

I fired a massive blast of energy and blasted Arch Orphnoch and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down!

Qin: Nice one!

Nico: (gets out Goro and Dumbbelltron's Ridewatches) Time to test your might!

Nico activated them and punched and pulverized Arch Orphnoch and threw exploding Dumbbells and they hit him and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown back by the power of the explosions.

Cassidy: This would be the time when I transform and take you down. But I need all my power to destroy you for good!

Cassidy blasted him with water and energy!

Nico: Cassidy, I doubt the dirtbag's using ALL his strength right now!

Me: You're right on that, Nico. I sense that the separation weakened him very substantially.

Nico: I feel it.

Qin: This is almost too easy.

Lola: Yep.

Me: Lets not expend all our power on him in his current state.

Nico: We just need to beat him up and then, send him to the Warp temporarily.

Cassidy: I know.

Me: Time to finish this.

I fired waves of energy and elements and smashed Arch Orphnach and blasted him all over.

Nico: Time to finish this.

Me: You read my mind.

Takumi: Lets do it!

Kiba: When you see Dark Eddy, tell him HIS time is coming soon too.

Me: With pleasure.

We fired waves of energy blasted him down.

Nico: Now to finished this.

Nico had his hand in the Arch Orphnoch's face.

Nico: Your days are numbered. HAKAI!

He was banished to the Warp.

Takumi: Cassidy, ever since I first met you, I've seen you like the big sister I've always wanted.

Cassidy: Really? Wow. Well I have been dead for over 40 years before I joined the team.

Me: And I did resurrect her.

Cassidy: Yep. But thanks Takumi.

Takumi hugged her.

Me: Guess you and me are in-laws Takumi.

Nico: Awesome.

Eli: Yep.

Me: We'll see you on March 19th Takumi.

---

We later came back.

May: Hey guys! How did it go?

Me: Really awesome.

Cassidy: Yep.

We told everyone about it and it was great.

May: Whoa! So you banished Arch Orphnach to the Warp!?

Varie: They sure did and we brought in Takuo and put him in the infirmary. He'll be weak like that probably till March 20th.

Nico: Oh man. The separation really took it out of him.

Fiona Hernandez: It sure did.

May: Yan Lin, for your first mission, 4 Rabbids and Mal should go with you.

Yan Lin: I'm really looking forward to this one.

Nico: Yep we sure are.

Me: You're going to love meeting Jim and his team. Jim is a great friend too. Me and him go way back as well.

Nico: I didn't know you knew Jim?

Me: You'll see shortly.

We were flying over the mountains of the Nevada Desert and we were heading to Nora Venice's home to meet her mom and dad and Nico was shaking like a leaf thinking that his parents were going to kill him by blowing his brains out with a shotgun.

Me: We never went to meet your parents before Nora.

Nora Venice: You will love seeing our house and it is awesome.

Eli: I have a feeling your mom and dad will be nice people.

Nora Venice: Yep they are.

Nico was scared big time.

Larfleeze: Nico, don't you think you're being nervous over nothing? (everyone looks at him) What? I don't ALWAYS obsess over my shiny, you know.

Me: At least he's an orange lantern that has a heart. But Yeah Nico you have nothing to worry about. We're right here with you.

Nico: (GULPS) Okay.

Nora Venice: Nico you have have nothing to worry about.

Nico: (GULPS) Okay Nora.

We arrived at her family's home.

We saw that her house was a magnificent and awesome mansion and it had an amazing landscape and had a beautiful garden and more and her house was a huge one!

Me: WHOA!

Lola: Wow! Nora your house is awesome!

Me: Boy I'll say. Nora your home is incredible.

Daphne Blake: It's awesome! It's just as big and beautiful as my mansion.

Nora Venice: Yeah my family has been very filthy rich. The reason is because my mom and dad own lots of casinos in Vegas.

Me: That is awesome.

We went up to the door and we knocked on the door and answering it was a butler.

Butler: Yes?

Nora Venice: Hello Archibald.

Butler: Ms. Nora it's good you're home. And Nico it's good to see you again.

Nico: H-h-hello sir.

Me: He's just nervous about seeing Nora's mom and dad again.

Butler: That's quite alright and Team Loud Phoenix Storm it's an honor.

Me: You too sir.

Butler: Come right in.

We went in and Nora's house was absolutely magnificent.

Me: Whoa! Nora your house is amazing.

Nora Venice: Yeah it sure is.

Qin: Boy its been ages since we were here.

Nora Venice: Yeah it sure has been a while.

We were lead to the living room and we saw Nora's parents. They were Arthur Venice who was a black hair man in a blue Hawaiian Shirt and black pants and Nancy Venice who had blond hair and a blue dress.

Butler: Sir and ma'am Nora has returned and she has friends.

Nora Venice: Hey mom and dad.

Arthur Venice: Hey welcome home princess.

They hugged.

Lucy: You must be Nora's parents.

Arthur Venice: We certainly are and it's an honor to meet you Team Loud Phoenix Storm. I'm Arthur Venice and this is Nancy my wife.

Me: Pleasure to meet you guys. Your house is absolutely beautiful.

Nancy Venice: Thank you very much.

We were having some good tea and it was expensive too.

Me: (Slurps) Mmm. Chinese Da-Hong Pao Tea. That's the most expensive tea ever.

Nancy Venice: That's right. It's the most expensive tea ever.

Me: It sure is. I haven't had it in ages.

Arthur Venice: Indeed. So what brings you all here?

Me: Well Nico here is nervous.

Nico: He-he-hello Mr. and Mrs. Venice.

Arthur Venice: Why Nico its been a long time my boy.

Nico: Thank you and you have my word that I will love and look out for her.

Me: Nico is a man of his word and he loves all his wives.

Arthur Venice: I'm glad he does.

Afterburner: It's natural for every boy to be nervous abot meeting his girlfriend's parents.

Nico: It's true.

Qin: Yeah.

Maria: Hey, what's that strange rock doing here?

Arthur Venice: Oh I found that for some reason.

Me: Hmm.

A head and legs popped out.

Me: Hey it's a Shuckle.

Arthur Venice: My goodness it's a Pokemon.

Nico: Cool.

Shuckle: (In a girls voice) Sorry about that guys.

Nico: (GASP) Nina Everton? Whoa!

Shuckle: Awesome to see you again Nico.

Nancy Venice: My goodness.

Nora Venice: It's a long story mom. I'm a creature called Serris. Hence why my hair turned blue. My hair used to be blond before.

Shanan: This is what it looks like.

She showed a picture of one.

Nora Venice: But it's really something.

Me: Blame Team Rocket for it.

Eli: Yeah.

Me: They made thousands of gene-slammers. Pokemon, Duel Monsters, MTG Monsters, Digimon, Monsters Rancher Monsters, Aliens from other planets, everything.

Nancy Venice: Oh my goodness.

Maria: What's your favorite memory of Nico?

Shuckle: My favorite is when me and Nico went down to the Galapagos Islands and helped save lots of Darwins Finches and Tortoises there.

Me: That's my favorite spot to visit.

Nicole: Mine too.

Nico pulled out a red leotard.

Me: Oh boy.

Shuckle: I was gonna say I'm naked.

I put on my blind man glasses and Nico covered his eyes and the boys did the same and I snapped my fingers and she reverted back.

She was back to normal and was a girl with red hair and yellow eyes and she put on the leotard and got up and wobbled and Nico caught her.

Nina Everton: Whoa. Sorry. Not used to this.

Nico: No worries.

They hugged.

Nico: I really missed you.

Nina Everton: Me too Nico. Me too.

Me: But it was awesome meeting you Mr. and Mrs. Venice.

Arthur Venice: Same to you J.D.

* * *

We arrived back home.

Me: That went smoothly.

Qin: It sure did.

Bugly: Nico, which teams have you made this time?

Nico: Ulrich's team will include Blossomforth, Selene Tutankhamen, Cere Cere, Fenix, and Vapwhirl. Erza's team will include Botan, Denise Wellington, Nuria, Taelia the Snow Faerie, and Kari the Negg Faerie.

Me: Cool! More of our faerie friends from Neopia will have their shot too.

Nico: Yep.

Taelia: I'm looking forward to this one.

Nuria: We all are.

Botan: (British Accent) It sure will be most fun.

Blossomforth: You got that right.

Selene Tutankhamen: I'm really looking forward to this one.

Nico: Yep.

Then the previous group came.

Spankulot: (Transylvanian Accent) Can me, SkullMeramon, Goro, Puppetmon, Dodgeball Wizard, David Cain, White Lightning, Black Lance, Metalseadramon, and Lythos, go with you guys?

Lady Quark: Me, Creepy Lighthouse Keeper, Ghost of Jeremiah Pratt, Cyber Cat, Hot Rodney, Lego Poison Ivy, Marina Dek Ray, Major Mucus, Yost Electro, and Evil Comet Woman will come too.

Nico: Yes you all can come with.

Laney: But we don't even know what our mission is.

Me: Actually I just received this.

I pulled out a letter.

Me: It's a message from the princess of Mirage Kingdom. They need our help to take down the traitor Colonel Hansen and his Shedinja.

Nico: Wait a second. Isn't that the kingdom of the Togepis?

Misty: Yeah that's it.

Nico: Oh boy.

Me: Didn't Colonel Hansen try to take over that kingdom using your Togepi?

Misty: Yeah he did!

Me: What a jerk! Can you tell us more about him?

Misty: I sure can.

She did so.

---

Colonel Hansen is a crooked Mirage Kingdom official with with one evil plan in mind: to take over the Mirage Kingdom by using Misty's Togepi and in order to do that, he enlisted the help from the Team Rocket trio to steal it from her.

After being crowned and sending Mirage Kingdom King and Mirage Kingdom Queen to the dungeon, Hansen turned on the Team Rocket trio and sent them blasting off with his Shedinja and his two Ninjasks. Hansen is also an impure-hearted man, and due to his evil plotting of taking over the kingdom, all of the wild Togepi became exhausted and weak and the Togepi Paradise was nearly destroyed by him.

At that point, he believed that he had won and got everything he wanted. But his plans were interfered by Ash Ketchum, Misty, Brock, May, Max, Miranda, Princess Sara, and Misty's Togepi who unexpectedly evolved into a Togetic. The Team Rocket trio, who felt disgraced with Hansen's betrayal, decided to get back at Hansen, and helped Ash and his friends dethrone Hansen by telling them that the King and the Queen are in the dungeon. With his Shedinja and his two Ninjasks incapacitated by Ash's Pikachu and Misty's Gyarados, the King and the Queen were freed and they immediately arrested him and sent him to the dungeon for high treason.

---

When She was done we were shocked!

Qin: What a heartless monster!

Lola: Yeah!

Nico: He will pay for it with more jail time in our prisons!

Eli: Yeah!

Me: That makes him a traitor.

Qin: Yeah no one should do that.

Xenia: I don't know why they just should kill him.

Varie: But Princess Miranda just doesn't want to do the deed.

Me: Yeah.

Maria: Nico which Gene-slammers are you hoping to meet next?

Nico: Sneasel, Ursaring and Magcargo next.

Me: Ooh! Magcargo is gonna be a hot one.

Qin: Yeah. Ouch.

Lola: Yep.

Me: But the other two will be awesome. It would be awesome if we met Ursaring on a planet made of honey.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy,

Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Pedro Marin of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Pedro Marin of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Sierra Ganashia: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Pedro Marin for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got word at the Hoenn Region that Colonel Hansen and his minions are causing havoc there.

Lincoln: We're not letting him or his minions cause havoc and do whatever he pleases, he's going to be locked away forever, and once Colonel Hansen and his minions are locked up forever, you're the next one to die, Pedro Marin.

Sierra Ganashia: (Spanish Accent) Those monsters don't deserve to be running loose in the Hoenn Region ever again, and once we get done sending Colonel Hansen and his minions to jail, you better say your prayers, Pedro Marin, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Me: According to this the Mirage Kingdom is located on Vancouver Island in British Columbia, Canada.

Gwen: Not far from home.

Xenia: Cool.

Nico: Lets head out everyone.

We were off.

---

We were flying.

Teen Titans Thunder: I think the Heracross will appear there.

Nico: I have that feeling too.

Camie: This will be so awesome.

Ash: And it will be great to see Princess Sara again.

May: I wonder how she has been?

Max: Its been a while since we saw her.

Jirachi: It'll be awesome to meet her.

Nico: Yep. We're here.

We arrived in the Mirage Kingdom and we were at the castle,

Me: Wow so this is the Mirage Kingdom.

Lola: It's beautiful.

Nico: Wow. It's amazing that you guys were here before.

SkullMeramon: Where are the Togepi?

Creepy Lighthouse Keeper: They're around here somewhere.

Me: I'm sure they are here.

Then a Togetic came and it hugged Misty.

Misty: Togetic.

She laughed.

Misty: I'm so happy to see you!

Me: So that's Misty's Togetic.

Nico: Wow. It's so beautiful.

Xenia: I'll say.

Princess Sara came.

Princess Sara: Thank goodness you all are here.

Me: Princess Sara. (Kneels) It's an honor to meet you your highness.

Princess Sara: Just sara is fine. I don't like formalities.

Me: Sorry force of habit. Whenever I'm in the presence of someone of high power I have to show respect to them with honorifics.

Pam: We're honored to be here too, Princess.

Princess Sara: I'm glad you all are. I need your help.

Me: We know. Colonel Hansen is up to no good.

Xenia: We won't let him get away with it.

Nico: Yeah he will go into our Cryo Prison on Neptune's moon Triton for his crimes.

Qin: That's right.

Puppetmon: Is Miranda here too?

Cyber Cat: I think she's the caretaker.

Princess Sara: Yes she's the caretaker and yes she is.

She came out.

Miranda: It's an honor to meet you all Team Loud Phoenix Storm and Ash and friends good to see you all again.

Ash: Same here to you.

Brock: Glad you're doing good.

Lisa Loud: We're not going to let Colonel Hansen get away with the atrocities he is going to cause to this kingdom.

Bludgeon: A lot has happened since you last saw Ash.

Ash: Yep.

Pikachu: Pikachu.

We told her everything that happened with Ash, Misty, Brock and everyone including May.

Princess Sara: Oh wow! And Brock I'm happy for you and Lucy and Nico I'm happy for you and May too. And Ash and Serena I'm so happy for you two.

Ash: We all are happy for all of us.

Me: Yeah we all are happy for everyone.

Xenia: Yep.

Nico: Yeah we all are.

Black Lance: Now, I know Nico also has his harem.

Major Mucus: But May is the lead girl.

Nico: Yep that's right.

May: I was the first and now we have an amazing harem.

Me: So do I.

Varie: And I am the lead girl.

Lincoln: And I do too with Lilly as the lead girl.

Lilly the Mermaid: Yep.

Me: Many of us have awesome harems.

Naruto: We sure do.

Power Girl: So, this used to be your Togepi, huh?

Misty: Yep. Had it since he was an egg.

Togetic: Togetic.

Me: That is so cool.

Nico: Yeah it sure is.

Qin: I think that is so cool.

Eden Gilligan: I think so too.

Camie: Me too.

MetalSeadramon: Sara, is it okay if Togetic stays with Misty?

Yost Electro: I get the need to stay with its' kind. But they've spent too much time apart already.

Princess Sara: It's fine with me. She raised it.

Misty and Togetic were back together.

Qin: Awesome!

Nico: So awesome.

Twilight Sparkle: We're glad you two are back together.

Cybertron Sideways: I bet the mascots wouldn't want to be apart from their owners.

Poromon: NO WAY!

Manaphy: We would never do that with Mama or our friends.

Horsea: Yeah we love them!

Jirachi: So much.

Princess Sara: Wow is that a Jirachi!?

Max: Yep.

Me: Jirachi is known as the Wish Pokemon. We found him when we saw The Millennium Comet.

Nico: Yep.

Lythos: Also, have you seen a Heracross anywhere here?

Princess Sara: Does it belong to any of you?

Evil Comet Woman: In a way.

Miranda: I think you mean this one?

We saw a Heracross behind her.

Heracross: (In a girls voice) I was here for three days.

Nico: Chloe Heras!? Whoa!

May: Wow that is awesome.

Me: Perfect. What's your favorite memory of Nico?

Heracross: My favorite is when me and Nico were on a treasure hunting adventure in Egypt and we found the legendary Emerald Book of Geb.

Nicole: Whoa the God of Earth in Egyptian Myth and I've been trying to find that book for years. It's a legendary book that is said to contain all the powers of Geb himself.

Nico: Yep.

Xenia: Wow that is cool.

She reverted back and was a girl with dark blue hair and had dark blue butterfly wings and dark blue clothes and had blue eyes.

Chloe Heras: Sorry to surprise you all like this.

Nico: No worries.

Nico and Chloe hugged.

Nico: I really missed you.

Chloe Heras: Me too Nico. Me too.

Gilda: Did you fight any of Colonel Douchebag's goons?

Chloe Heras: Yes and he has a massive horde of Shedinja and Ninjask.

Nico: Oh boy. We're gonna need lots of Pokeballs.

White Lightning: What do we know about those kinds of Pokemon?

Marina Del Ray: Well, Ninjask are very fast.

Me: But WE are faster.

Nico: Yep.

Qin: Also they are very tough.

Me: So are we.

Nico: But we are tougher.

Veon: The Ninjask aren't the toughest of Hansen's Pokemon. That title goes to his Shedinja.

Me: But we're ready for it.

Qin: Yep.

Nico: But we're going to be ready for all of them.

Misty: Thank goodness I'm not afraid of Bug Pokemon anymore.

Princess Sara: You're not afraid of them anymore?

Me: Long story on that. Misty now officially conquered her fear of Bugs permanently now.

Xenia: It's good she did.

Eevee: Me and the other mascots will hold them off while you guys have the usual battles.

Princess Sara: Are you sure?

David Cain: Trust me, Sara. They can handle it.

Lego Poison Ivy: They're not your usual Pokemon and Digimon.

Me: It's true.

Nico: Great. Then lets get moving. It's time for a demonstration of our power.

Me: Yep. Count Spankulot give Hansen the worst ever spanking you can muster because he has been [Camera zooms in on my mouth] (In Slow Motion) VERY BAD!

Meowth: Me, Jessie, and James will help them fend off Colonel Jerkface's Pokemon as well!

Hotlink: That's right. Hansen betrayed you guys back in the old days.

Jessie: That's right! He double crossed us.

Me: Time to prepare him for big time trouble!

James: And make it double!

Qin: Yeah!

Nico: Eli sense for him.

Eli: Okay. (Concentrates) He's in the arena behind the castle.

Me: Then lets do it.

Dodgeball Wizard: Let's get a move on.

Hot Rodney: Before he throws anything else at us!

Nico: Entrance time!

We were off.

Colonel Hansen was waiting and then the spirits of all 1200 pokemon kinds appeared and then they swirled around him and then they converged and then a massive and huge tree grew and then fruit grew and then popped open and out came us and we were ready!

Nico: Colonel Hansen you are under arrest!

Qin: Yeah!

Me: You will pay for your crimes!

Colonel Hansen: You will not stop my plans this time!

Nico: Oh yes we will!

Barricade: Ash and the others aren't the same kids you fought before!

Ash: That's right!

May: We're going to kick your butt!

Xenia: That's right!

Xenia turned into her Xerneas form!

Colonel Hansen: WHAT!? She's the legendary Xerneas!?

Xerneas: That's right!

Nico: And we're going to kick your butt!

Me: Big time!

Ninjask and Shedinja then came!

Lola: OH BOY!

Lola fired waves of fire and burned them!

Colonel Hansen: (to Jessie, James, and Meowth) I figured that you three wouldn't be man enough to side with me again. At least now, I can personally do what I should've done within 30 minutes of knowing you fools.

Jessie: The only reason you were able to get us out of the way is because we didn't get a chance to call out our Pokemon!

Goro: I guess that makes you a coward!

Me: You have a yellow streak!

Colonel Hansen: Oh, I will personally enjoy seeing my Pokemon tear you three to shreds. You 3 are too incompetent to defeat me.

James: Ash and the rest aren't the only ones who have improved!

Meowth: We've gotten stronger as well!

Me: All of us have!

Ghost of Jeremiah Pratt: And Cacnea and Seviper want to say hi as well!

Jessie and James sent out Cacnea and Seviper. Seviper hissed angrily at Hansen. Cacnea just looked angry at Hansen as for once, it didn't stop to hug James.

Twilight Sparkle: They are more of Lincoln's Guardian Angels and they are known as The Ghosthunters Club and they are awesome ghost catchers like the Ghostbusters.

Starshine Sparkle: They sure are and they have a wicked cool revelation.

---

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lina Jaharbag: (Hindu Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Isabella, what memories did you and the rest of the club have with Lincoln?

Isabella Purazumagōsuto: (Japanese Accent) I remembered this one time, we were at our club and we had an initiation for a new girl that joined at school, but this was way after Hunter Mondragon's defeat and fleeing Royal Woods, her name was Beatrix Redmoon, and we found out she was a witch with amazing powers over magic, but we sensed something rather sinister about her.

Maria Hēibiānfú: (Chinese Accent) Indeed, even my pet bats were also acting strange around her, and were screeching at her.

Chihiro Hakubi: (Japanese Accent) We eventually had to ask for help from Alecto Shadowcall, and as soon as we told her the name Beatrix Redmoon, she freaked out. She then got out her Maleficarum Compendium, a massive book containing the bloodline family names of witches listed throughout the centuries, and when she found the page with Palsgrave on it, we sensed something was wrong.

Miyuki Masaki Jurai: (Japanese Accent) We soon found out from her that The Redmoon Clan is a very old and powerful clan of witches who've used The Dark Arts to torment mankind for centuries, and we also found out The Shadowcall Clan have fought against The Redmoon Clan for centuries in order to protect mankind from them.

Alecto Shadowcall: That's right, and my ancestor, Aurora Shadowcall, casted a spell that banished The Redmoon Clan to a realm of darkness where they'd never escape. And that's why Beatrix came here: it was to get revenge on me for what my ancestors did in banishing her evil ancestors centuries ago. The Ghosthunters Club was stunned to hear that, so Lincoln decided to call a meeting to have an initiation for her, but this initiation is actually a trap for her.

Lincoln: Later, we called her to our club to have her be initiated into The Ghosthunters Club, but she didn't know I had a trap for her, and as soon as she stepped on the floor, a magic circle formed right under her feet, and it trapped her and destroyed her powers. Then, Alecto Shadowcall came out, and when Beatrix saw her, her true nature came out, and she told us why she came here to Royal Woods, and it was to exact blood revenge for what her ancestors did to her ancestors centuries ago, and she wanted to use us to help her get her revenge. But, she made a big mistake and admitted everything on a wire we wore and it also exposed her crimes to the world. She messed with the wrong people, and now, she was about to pay for her wrongdoings and for the crimes that her family's committed centuries ago. Alecto chanted the incantation her ancestors used, and a portal opened under Beatrix's feet and that witch was banished to the very realm her ancestors were banished to centuries ago.

Nico: Holy crap.

Me: Whoa, this is quite a revelation, and Alecto, I had no idea that your family has defended mankind from dark witches for centuries.

Alecto Shadowcall: The only person I've told was Lincoln and the other Guardian Angels, and it's true, my family has defended mankind for centuries from the dark witches who sought to destroy them all, and every living thing on Earth, and my family had earned their hatred ever since The Dark Ages.

Lincoln: Yeah, it was really brutal.

Tinker Bell: So, it appears that not even time has dulled out any blood feuds the dark witches had with Alecto's family.

FLASHBACK ENDS

Trapster: WHOA! That is incredible! I didn't know there was a massive blood feud like that!

Spyro: Yeah this feud was terrible! We had no idea all that was going on.

Nathalia Evenmenshikova: Yeah that was absolutely terrible.

We fired energy blasts at Colonel Hansen and his minions, which tied them up in rainbow energy straitjackets and rainbow energy chains.

Lincoln: You and your minions are going away for a long time, Colonel Hansen.

Nico: Your days of causing havoc in the kingdom are done, you bastard. Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Pedro Marin of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Pedro Marin.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Pedro Marin, the next member of The Order of Nuestra Señora de la Santa Muerte.

Sierra Ganashia: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Pedro Marin: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Sierra Ganashia's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Chawa-themed greatsword from her back, and as she approached Pedro Marin, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Sierra Ganashia: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Pedro Marin. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Chawa and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Sierra Ganashia was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Ganashia flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Sierra Ganashia emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sierra Ganashia grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Ganashia emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Ganashia with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sierra Ganashia has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Ganashia surrounded by darkness and light and imps and on top of The Fabled Ganashia is an anti-Sergio symbol. Suddenly, Sierra Ganashia felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Sierra Ganashia has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sierra Ganashia's massive The Fabled Ganashia-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Ganashia's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Ganashia etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Ganashia's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below The Fabled Ganashia that said, "Sierra Ganashia, Gene-Slammer of The Fabled Ganashia, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Pedro Marin of The Order of

Sierra Ganashia has transformed into SUPER ANGEL-THE FABLED GANASHIA-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED GANASHIA ANGEL OF DIVINE DARK FABLED GANASHIA IMP JUSTICE AND DIVINE FABLED GANASHIA IMP LOVE!

We were amazed by Sierra Ganashia's Super Angel-The Fabled Ganashia-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Pedro Marin saw it, he went insane and he got out his sacrificial knife to stab her, but Sierra Ganashia fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Pedro Marin, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Sierra's transformed.

Lincoln: Yeah, and she really sent Pedro Marin back with that energy blast she fired and that really pissed him off now, and Sierra, you look beautiful, how do you feel?

Sierra Ganashia: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Ganashia and Divine Darkness Light Fabled Ganashia

Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Pedro Marin once and for all?

Lincoln: (Smiles) With pleasure, Sierra.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sierra Ganashia.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Pedro Marin, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Sierra Ganashia and Lincoln went after Pedro Marin, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Pedro Marin and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Sierra Ganashia sent her three imps and Lincoln summoned his own imps and they sent them at Pedro Marin, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sierra Ganashia, her hand-cannon Blaster is known as The Fabled Ganashia's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Ganashia surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sierra Ganashia aimed their hand-cannon blasters at Pedro Marin.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Pedro Marin!

Sierra Ganashia and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Pedro Marin and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Pedro Marin and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Pedro Marin and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Sierra Ganashia and Lincoln gave Pedro Marin The Black Gates for good. We cheered as Sierra Ganashia and Lincoln holstered their massive greatswords on their backs and powered down, and Sierra Ganashia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Sierra Ganashia: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Pedro Marin for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sierra.

Suddenly, Sierra Ganashia wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sierra Ganashia's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Ganashia flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Sierra Ganashia absorbed the light and they came back to us as the display and The Fabled Ganashia vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Pedro Marin's death, now there are only seven members of The Order of Nuestra Señora de la Santa Muerte.

Sierra Ganashia: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Rafael Macias, which means it'll be Zoe Kokkator's turn.

Zoe Kokkator: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Cherubble, Strombonin, Yawstrich, and G'joob.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Elemental Dancers: Haruka Kuramitsu, The Fire Elemental Dancer, Suiren Makibi, The Water Elemental Dancer, Yangchen Fēiniǎo, The Wind Elemental Dancer, and Kiyoshi Shíhuān, The Earth Elemental Dancer, and Lincoln's also a member of The Elemental Dancers.

Lincoln: That's right.

Lincoln snapped his fingers, and he was in a large orange collared shirt with multi-colored lightning bolts on the sides and on the back with a Thunderbird surrounded by a circle of Elemental Forces, large black dress pants with multi-colored lightning bolts on the sides, and large black dress shoes.

Nico: Whoa, that's one awesome outfit, Lincoln!

Lincoln: This is my dance outfit, Nico, and like Nicholette said, I'm also a member of The Elemental Dancers, and my moniker is Lincoln, The Lightning Elemental Dancer.

Me: Cool.

Lincoln changed back to his original outfit.

Nico: So, we'll be meeting The Elemental Dancers tomorrow on your rescue.

Lincoln: Yep. But, I just know we'll run into an old foe that me and the other Elemental Dancers had faced years ago, but I'll be ready for said foe tomorrow.

Me: Lincoln's definitely going to light up the dance floor, and make that old foe pay.

Nico: You got that right.

Me: Hansen your name is mud.

Kangor: Have fun in jail, mon!

Spot: Looks like Hansen won't be bothering anyone again.

2016 Morbucks: And Togetic is back with Misty.

Nico: You got that right.

Jack O Lantern: How do you guys celebrate here?

Turtle: Because I'm up for a victory celebration!

Princess Sara: We have a great feast for you all. Thank you for your help everyone.

Me: It was our pleasure.

Nico: Same here. Great job today everyone.

Qin: Yeah this was great and we got lots of awesome new pokemon.

Nico: Yep.

Fluttershy: (To the viewers) This was a great adventure everyone. Hope you loved it.

Nico: We all did.

Qin: Yep.

We got a good feast at the castle and then we went back home and enjoyed the rest of the day and we to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to a renowned dance club in Gotham Royal York, but we're not there for a dance: Lincoln and his group are going to take down a former member of The Elemental Dancers named Zayla Alston, she was once The Darkness Elemental Dancer for The Elemental Dancers, but she wound up getting consumed by fame and glory, and it turned her into a monster just like Anna's former sister, Tanya Anyanova, and she tried to hurt Lincoln and the other Elemental Dancers, but she was caught by the other Guardian Angels, and she was kicked out of the Elemental Dancers, and Alecto Shadowcall put a curse on her and she warned her: if she ever catches Zayla here again for revenge, the curse will have her sealed inside a crystal prison for all eternity. Now, Zayla Alston is back after all these years in exile, and even worse, the curse Alecto Shadowcall put on her years ago has been broken, and Zayla Alston also gained dark powers, thanks to a deal she made with Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, and even worse, Beatrix Redmoon was the one who broke Alecto's curse that she put on Zayla Alston, now, we're going to take her down and Lincoln's going to remove her powers and send her straight to jail, and Alecto's going to give a really nasty warning to Beatrix Redmoon before we head back.

And we're going to meet Gene-Slammers for Cherubble, Strombonin, Yawstrich, and G'joob, they are The Elemental

Dancers, an amazing group of dancers that would dance for charity and Lincoln is one of the members, and goes by the moniker: Lincoln, The Lightning Elemental Dancer. Each of the other members moved to Michigan when they were 4 years old, and they also so help the Soup Kitchens by providing home cooked meals. Lincoln made bikinis for the other members, and to show thanks, the other members kissed Lincoln on the lips, and they hate the jerks with a passion. Their names are

Haruka Kuramitsu, the Cherubble Gene-Slammer and Fire member of The Elemental Dancers, she's Lincoln's Guardian Angel from Japan and classmate in Math, and she's also a beautiful Dancer of Fire and enjoys Hawaiian culture. She and Lincoln loved to hula dance especially in swimsuits, and they even love to swim with dolphins. While swimming with dolphins, Haruka kissed Lincoln on the lips while underwater. She's also the twin sister of Mihoshi Kuramitsu, and she hates that scooter-driving, crazy, troublecausing, heckling old goat, Scoots, with a burning passion.

Suiren Makibi, the Strombonin Gene-Slammer and Water member of The Elemental Dancers, she's Lincoln's Guardian Angel from Japan and classmate in Gym, and she's also one of the best swimmers as well as an a lover of sea creatures, and she also has the beauty to match her swimming skills. She and Lincoln would not only swim underwater in their underwear, but they'd also interact with the sea creatures as well while underwater. One time, Lincoln saved Suiren from a tiger shark using Fluttershy's stare. To show thanks, she kissed Lincoln on the lips underwater. She's also the twin sister of Kiyone Makibi, and she hates that no-good, smelly, unbathed, greedy mutant cheapskate, Flip, with a blazing passion.

To show thanks to Lincoln for helping her with the birdhouses, Yangchen kissed Lincoln on the lips. She's also the cousin of Aang, and she hates that rageaholic, anger-mismanagement, sadistic, evil, conniving, pink-haired brat, Trina Riffins, with a blazing passion.

And Kiyoshi Shíhuān, the G'joob Gene-Slammer and Earth member of The Elemental Dancers, she's Lincoln's Guardian Angel from China and classmate in Gym, and she's also a deadly martial artist as well. Lola: That is sad.

May: Yeah. Poor Misty. But she is glad to have Togetic back.

Varie: She sure is.

Maria: I would feel sad if I were forced to leave Horsea.

May: Me too with Manaphy.

Nico: Same here with Poromon and Poliwag.

Me: Yeah I don't blame you guys.

Nico: Yeah.

Camie: That would be rough.

Lola: It sure would.

Erza: That would be a sad thing.

Xigbar: It sure would.

Nico: They should be around here somewhere.

Me: They may not have energy signals but I can definitely find them with my data vision.

Camie: Good idea.

Nico: Yeah.

Lola: This is gonna be fun though.

Me: Yep. Wait look.

We saw 5 bald men in lab coats and had fancy equipment on.

Maria: There they are!

Me: Just like last time.

I analyzed them and it showed that they were rebuilt and reprogrammed to serve the Masters of Evil.

Me: Wow the Masters of Evil rebuilt them and reprogrammed them.

Camie: Wow!

Nico: This is gonna be good.

Eli: Didn't we face them before?

Me: We sure did. But many of us weren't with the team back then.

I went over what happened in chapter 843.

FLASHBACK - CHAPTER 843.

At the Gotham Royal York Mall, everyone was running for their lives in fear. The mall was under siege by the evil Terrorist Organization called the Ten Rings.

While Tony Stark is in Afghanistan to demonstrate Stark Industries' new Jericho missile, a group of terrorists attack the convoy he is on, killing everyone but Stark. He is kidnapped by the terrorists (led by Raza), who introduce themselves as the Ten Rings. They demand that Stark build a Jericho missile for them. He refuses, so they begin to torture Stark.

Hours later, the terrorists show off a huge stockpile of weapons - all made by Stark Industries. Tony appears to relent and start building the missile, but has other plans. With the help of fellow captive Yinsen, Tony constructs a tiny device called an Arc Reactor - a new type of power generator - streamlined from a much bigger design used in one of his companies factory. The power output is enough to run Stark's heart for fifty lifetimes… or something much bigger for about fifiteen minutes.

Tony designs a way out for himself and Yinsen - a powered weapon suit that he will wear and use to defeat the terrorists. Midway through construction, the apparent head of the Ten Rings, a man named Raza, arrives and attempts to torture Yinsen, angry because he thinks Stark is not working on the Jericho as they wanted. Raza gives them one more day to finish.

Working overnight, Yinsen straps Tony into the completed armored suit, telling him the way out of the cave. They set off a bomb inside the cell as a distraction for the guards as Tony powers up his suit. Yinsen realizes that they will not have enough time. He grabs a gun and runs off to distract the surviving guards.

Tony, fully powered, muscles his way through the cave. The guards try to stop but his suit easily deflects their weapon fire. Halfway out, Stark finds Yinsen, mortally wounded. Tony tearfully thanks Yinsen for saving him, and Yinsen encourages Tony to not waste his life as he dies. Tony turns his suit on the terrorists, igniting flame-throwers. He destroys their stockpile of weapons and uses a rudimentary jet-pack to blast away from the captive zone. The armor is ruined as he crash-lands into a sand dune, but he escapes alive.

Months later, Tony learns that the Ten Rings is using weapons created by Stark Industries to terrorize the Middle East, and that Obadiah Stane was dealing them weapons behind Stark's back. Stark dons his Iron Man suit for the first time and flies to the Middle East. Within seconds, he defeats the terrorists the armors superior targeting allows him to kill a group using civilians as human shields without harming the hostages and destroys the weapons they had obtained. The leader of the group tries in one of the buildings to hide only to find a red and gold arm smash through the wall and yank him back out into the street Iron Man then hands him over to the villagers saying "He's all yours." before taking off.

Not long after this, the Ten Rings are visited by none other than Obadiah. It is revealed that Stane paid the Ten Rings members to kill Stark, but they realized who Stark was and demanded a much higher price. After killing Raza, Obadiah takes the remnants of the Mark 1 armor they have gathered.

In a deleted scene from Iron Man 2, an unnamed Ten Rings agent gives Ivan Vanko a pass to enter the Prix de Monaco so that he can kill Stark, though this failed.

In Iron Man 3, Aldrich Killian uses the Ten Rings name, and hires drunken British actor Trevor Slattery to use The Mandarin persona to mask his failed Extremis experiments as purposeful attacks on the military.

After Aldrich Killian dies, and Trevor Slattery is placed in Seagate Prison, an undercover Ten Rings agent, Jackson Norriss, breaks Slattery out of prison, and informs him that the real Mandarin wants to meet him after Trevor made a mockery of his beliefs.

As Darren Cross was holding an auction for his Yellowjacket suit at the Pym Technologies headquarters, a buyer working for both

HYDRA and the Ten Rings was seen attempting to buy it. As Ant-Man entered the room, a fight had ensued with the buyer being knocked out and later killed when the building imploded.

The Ten Rings had hostages in the mall and it was wired to blow with 8,000 pounds of C4 explosives.

Nico was outside the mall and with him and the Transformers were the Operation Overdrive Power Rangers

Nico: (to the Overdrive Rangers) You picked a perfect time to meet us. We really need help getting these hostages out. And J.D. and the others won't get here in time.

Mack: What's the plan?

Nico: (to Will Aston) Will, you and Soundwave will keep a lookout for any of the terrorists trying to ambush us.

Will Aston: Got it, Nico.

Soundwave: Affirmative.

Nico: (to Rose Ortiz) Rose, you and Mirage use your invisibility to take care of the guards.

Rose: Right!

Mirage: It would be our pleasure.

Nico: (to Ronny) Ronny, you get the hostages out. Trailbreaker, use your force field to shield Ronny from any gunfire.

Ronny: (smirks) Speed's my middle name.

Trailbreaker: I'll make sure my force field doesn't drop.

Nico: Dax, you and Laserbeak take out the snipers on the upper floor.

Dax: (Laserbeak nods) You can count on me!

Nico: Tyzonn, you, William, and Maria deactivate the bombs that the terrorists placed around the mall.

Tyzonn: I won't let you down.

Maria: (salutes) Aye aye!

William: I'm glad my uncle taught me how to defuse bombs. I even deactivated some when we were fighting X.A.N.A.

Nico: After you guys do your parts, me and Mack will bust in and kill the terrorists that are left.

Frenzy: It's good to have the old Nico back.

Rumble: Any Nico's better then the mopey and depressed Nico we've had to deal with for the last few days.

Lasher: Weren't these guys in cahoots with Iron Mongor before?

Nico: Yes they were. They also captured Tony Stark to try and get him to build a bomb powerful enough to destroy the United States.

Agony: That's horrible.

Nico: It is. Lets go.

They put their plan into action and they got the hostages out, killed the snipers, defused the bombs and they also arrested some of them after tying them up.

Iron Man then busted in!

Iron Man: (to the terrorists) Hi there. Remember me? (fires repulsors)

He blasted some of the terrorists.

They blasted and killed all the rest of the terrorists and they arrested them as well. We then busted in with a massive fiery explosion and a phoenix cry was heard and we saw that Nico and everyone had everything under control.

Me: Whoa! You had everything under control Nico.

Nico: We sure did.

Laney: Thank goodness.

We saw the Operation Overdrive rangers.

Me: No way! The Operation Overdrive Power Rangers.

Mack: It's an honor to meet you J.D.

Rose: Same here.

Me: You guys are so awesome how you burned rubber against Moltor and Flurious.

Maria: That was so cool.

Me: It sure was.

I went over Moltor and Flurious's history.

Moltor.

When they were once humans, Moltor and his brother, Flurious, tried to obtain the Corona Aurora, but he was transformed into a fiery, dragon-like being. He was then imprisoned in a distant planet, only to be freed when Andrew Hartford discovered the Corona Aurora. Moltor set out to obtain the jewels of the Corona Aurora, before Flurious could, whom he held a grudge against. He attacked Andrew Hartford to try and get the crown, setting off a volcano after getting what he thought was the crown. It was actually a clever fake, but Moltor captured Andrew and the real crown and tried to make the explorer help him get the jewels. However the rangers arrived and saved Andrew, destroying a monster Moltor sent against them. Flurious confronted the fire being, demanding the crown, and they fought, ending in a tie and agreed to be enemies.

At one point, Moltor tried to gain his brother's respect by creating a device to control weather. However Moltor lost control of it, leaving the Power Rangers to destroy it and Flurious mocked him for his failure. After this, the fire being transformed one of his Lava Lizards into a half-dragon monster named Volcan. In order to make him invincible, Moltor went after a dragon scale that the rangers were also trying to get. After a fight with the rangers, he got the scale and planned to use intense heat to completely empower Volcan. However the rangers interfered and took the scale, destroying Volcan with their new Drill Blaster Weapon.

Later Moltor received a proposal from his brother to join forces since now Kamdor and Miratrix were also looking for the Corona Aurora's jewels. Using two giant robots Moltor was constructing, he and Flurious were able to take down the Rangers and disable their Megazord.

They managed to take Mack, the Red Ranger, prisoner, but he was able to play on their hatred towards each other to make Moltor and Flurious enemies again. He managed to escape with the Megazord and with the other rangers help, destroy Moltor's robots. After this, when Miratrix and Kamdor obtained a parchment that led to the Toru diamond, one of the jewels of the Corona Aurora, Moltor sent a monster to take care of them.

They managed to bury the monster in a cave and then created monsters of their own, as well as brainwash stunt actors to become their army. Moltor engaged them with his own forces, but the rangers joined the fight and Dax brought in the Transtek Armor. The fire-being and Kamdor teamed up temporarily to fight the armor, but both lost and retreated, with the parchment falling into the ranger's hands.

So as to get the parchment back, Moltor sent Tyzonn, a good alien who he'd turned into a monster, promising to change him back if he served him, to get it back, along with the monster, Bullox. However in the struggle, the most important piece was torn off and ended up in Mack's hands. Moltor sent the two to get the piece, but Tyzonn was convinced to turn against the fire being. He told his former master he wouldn't help him anymore and eventually helped the rangers get the diamond with the rangers restoring him to normal. Later the Lava Lizards retrieved a map to Thor's hammer, Mjolnir, for Moltor from a museum in Norway, but the rangers arrived at the rainforest he met up with them in.

The fire being managed to defeat them and returned to his lair to find Norg, who had left Flurious after the ice being had gotten mad at him. The yeti gave Moltor Chiller stones to let him stay and he commanded Norg to clean his lair, before going to find Mjolnir. After the Rangers arrived, he released the Chillers against them and continued searching for the hammer. Tyzonn and Will caught up with him and Moltor released more Chillers to fight them. Tyzonn went after him and managed to get Mjolnir first, prompting the fire being to engage him and succeeded in taking the hammer. When all the rangers caught up with him and defeated his Lava Lizards, Moltor used Mjolnir to ressurect three Lava Lizards in giant size, more than twice the size of the Drivemax Ultrazord. Tyzonn managed to get the hammer from him and grow the Drivemax Ultrazord to match the Lava Lizards. After his Lizards were defeated, Moltor returned to his fortress, before kicking Norg out for the failure of the Chillers. Later, the rangers were trying to break open the rock that held the next jewel of the Corona Aurora with help from "Thor" (actually Loki in disguise).

Moltor attacked with his Lava Lizards, but the real Thor appeared and the fire being retreated. But after the rangers broke open the stone to find it contained a powerful compass, the Piedra Aztec del Compás, instead, Moltor reappeared and stole it, before teleporting away. His old friend, Blothgaar, arrived and the fire being commanded him to use the compass on the rangers. He succeeded in giving Mack excessive bad luck with the compass and Moltor brought Blothgaar to a suppository of energy to help finish the rangers. The rangers arrived to confront them with Mack bearing numerous good-luck charms from his friends, much to Moltor and Blothgaar's amusement. They didn't help at first and the fire being left while Blothgaar and some Lava Lizards fought the rangers. The rangers emerged victorious due to Mack using the good luck charms, taking the compass, but Moltor returned with an army of Lava Lizards. While Tyzonn battled his minions in the Transtek armor, the fire being fought the rangers himself, eventually retreating. Moltor helped Blothgaar into the energy suppository, growing him to giant size only for the monster to finally be destroyed.

Moltor later contacted the Fearcats and offered them invincible armor, in exchange for defeating the Power Rangers. He gave them a map to the armor, but they weren't interested and mobilized a new giant robot. After their robot failed due to being unable to handle the power, the Fearcats decided to go after the armor. Despite the rangers' interference, they equipped it to the robot, but the rangers still defeated them and took the armor, much to Moltor's disappointment and anger. Soon after this, Moltor, along with Flurious, Kamdor, Miratrix, and the Fearcats, was called to a meeting by Thrax. He proposed a temporary alliance between them all to destroy their mutual enemies, the Power Rangers. They agreed, since it would leave Earth open for them to plunder for the jewels of the Corona Aurora. Moltor and the rest of the alliance faced off against the rangers and devastated them in the battle, then combined their energies to cut off the team's link to the Morphing Grid, leaving them unable to morph. After the Sentinel Knight teleported the rangers away, Moltor and the others set off to find the crown's jewels. However the Sentinel Knight restored the powers of some previous rangers, who battled the evil alliance in place of the Overdrive Rangers. Moltor and the others talked about the fact that Thrax hadn't kept his promise to get rid of the Power Rangers and were getting suspicious of him. Finally Moltor and the rest of the evil alliance faced off against the Power Rangers in one final battle. However they proved unable to win against two ranger teams and with Thrax's destruction, were defeated by one final blast from the group, before severing their ties.

Some time after this, Molltor was working on another robot that was powered by one of Flurious' gyro generators, which he got from the Fearcats. However it didn't work and he confronted them about this, but they said they'd kept their part of the deal and told him to find another way. Moltor and the Fearcats attacked the city, luring the rangers into a trap, and successfully captured Ronny and Will, as well as the Sentinel Sword. The Fearcats got angry about taking Will, saying he could be a liability and Moltor agreed to destroy him. Will and Ronny managed to escape their bonds, but the Fearcats recaptured Ronny, who'd stayed to give Will a chance to escape. The Fearcats brought her to the energy harnessing device and Moltor plugged the Sentinel Sword into a converter that would turn the Sentinel Knight evil or destroy him. Moltor activated the device and started draining Ronny's energy, eventually gaining enough for his robot. He got in a brief fight with the Fearcats when he left to activate his robot before Ronny was completely drained. Moltor faced off against the rangers' Zords with help from a now evil Sentinel Knight and a fleet of his Lavadactyls. He managed to devastate them, even blasting the Drivemax Ultrazord into its individual zords. However the rangers struck back with their new Battlefleet zords and suddenly Moltor's robot ran out of energy, forcing him to retreat. He began draining more energy, telling the Fearcats the energy draining machine worked too slowly. However Moltor noticed Will and Norg approaching on a monitor and sent Lava Lizards to attack them.

Will managed to fight them off and infiltrate Motlor's fortress, only to be confronted by the fire being himself. They fought and Will won with use of his Drive Slammer, then freed Ronny and Moltor used what energy he'd gathered to mobilize his robot. The rangers used the Battlefleet Megazord to fight him and managed to destroy his robot, forcing Moltor and the Fearcats to retreat. Moltor later retrieved the Root of Hesper to keep it out of the hands of the Fearcats, but was confronted by Ronny and Mack. He and his Lava Lizards engaged them and Moltor was eventually defeated by the sudden arrival of Dax. The Fearcats arrived, taking the root and taunting the fire being, as well as the other villains who'd gotten other relics the cats were after, but had lost them to the aliens.

They watched as the Fearcats summoned the being, Agrios, then defeated the rangers, trashing the rangers' Zords. Moltor and the others watched Mack in the Flashpoint Megazord have a rematch with Agrios, angered that the Fearcats would make them their servants when they won. But when the Fearcats lost, Moltor contacted Flurious, saying out he would claim the gems, only for the ice being to demand that his brother join him, but he refused.

Moltor was watching the rangers as they discovered the location of the last Corona Aurora jewel and that they needed a key to get to it. However his volcano fortress began growing unstable, Flurious' doing with use of the Corona Aurora jewel in his possession.

Moltor pursued the rangers to Japan and confronted them with the monster, Magmador. They fought and the fire being almost managed to get the key, but it burrowed underground, forcing Moltor to try and find it again. Magmador used his tentacles to search for the key and brought his master to where it would appear, but the rangers arrived. Another fight ensued and the rangers destroyed Magmador but he revived in giant form and was engaged by the Sentinel Knight. While his monster fought the Sentinel Knight and Tyzonn in the Flashpoint Megazord, Moltor battled the other rangers. Magmador was destroyed, just as the key appeared, but before the fire being could get it, Will took it. After being badly weakened by an attack by Will, Moltor retreated to his crumbling lair and marshaled his Lava Lizards for a final attempt to get the jewel. Suddenly Will arrived to take the crown and the fire being and his Laca Lizards engaged him as the volcano started to erupt. Moltor was stuck down as the volcano exploded, but escaped and went to Flurious with the crown and Vella, Tyzonn's wife. At first his brother treated him kindly, but he simply froze Moltor, then shattered him to pieces.

Flurious.

Flurious's past is unknown. When he and Moltor were children, Flurious broke Moltor's little red sled, much to his brother's dismay. He is extremely argumentative, short-tempered, cantankerous, and irritable, attacking Norg at the slightest provocation. He was the first of the two brothers to openly declare hostilities, attacking Moltor for the Corona Aurora and declaring "it's every man for himself" afterwards. He is heavily disdainful, opprobrious, and vituperative for his brother (Flurious considers himself the smarter and more handsome one), laughing at his misfortunes and openly calling him to insult his intelligence. He always thinks of Moltor as incompetent, and gets easily annoyed when Moltor fails, although he fails too. One can infer from the verbal exchanges of the two siblings that Flurious is the older brother, though this was never stated onscreen.

Following his release from his prison, Flurious took over Norg's ice cave and enslaved the yeti, and has been regretful ever since. He has tried several times to make Norg either useful - such as finding the Fearcat's base and making him run away - or leave, but with no luck.

At one point, Flurious went to Moltor's base, suggesting that with Miratrix and Kamdor searching for the jewels, it was time for the two brothers to put their differences aside and work together. They did manage to beat the Megazord with the cyborg-zords Moltor built, and capture Mack in the process. Mack used their own suspicions and past issues to set them against each other, and at the end of the episode, they were fighting once more.

Flurious is one of the least active of the villains, and has had the least success as a result. He originally tended to not search for the jewels, and just wait for Moltor to find them so he could steal them. However with the Fearcats' debut, his way of thinking soon changed. He briefly attempted to work with other villains: he brought back the Fearcats as cyborgs with his gyro technology, intending for them to work for him, and teamed up with Kamdor to find the Cannon of Ki Amuk. This backfired when the Fearcats turned on him near-instantly and stole one of his robots, and Kamdor and Flurious fell out over whose fault it was. All three villains battled each other as a result, and - aside from Thrax's alliance - this was the last Flurious has tried working with others. The only exception since then came when the Fearcats were destroyed, and Flurious made a one-chance offer to Moltor to work for him; though it is unlikely that he thought his brother would actually take him up on the offer. Flurious gets his hands on the third jewel of the Corona Aurora, thanks to Norg. However, he is also very unappreciative and thoughtless towards the poor Yeti. Flurious uses his jewel to destroy Moltor's lair, then destroys Moltor by luring him to his lair and taking the Corona Aurora before freezing him solid and shattering him. Using the combined power of the blue sapphire and the crown, Flurious was able to locate the rangers' base where the remaining jewels were hidden.

In the final episode, "Crown and Punishment", Flurious gets the rest of the jewels for the crown but the Rangers attack his forces before he can put it on. He freezes the city, and the rangers freeze during mid-morph. The Rangers escape because of this, and Flurious puts on his crown, transforming into an immensely powerful form. The Rangers manage to use teamwork to fight him back but he responds by growing giant sized. The Rangers combat him with the Super Drivemax Megazord and Battlefleet Megazord but he quickly defeats the Zords, then shrinks back down to human size and he sends out a huge army of Chillers. He comments that no mere human can defeat him. Mack says he isn't human, and while the other rangers take on the Chillers Mack becomes the Red Sentinel Ranger, and he uses everything he has to defeat Flurious. After he is beaten the crown falls on the ground and he reverts to his original form. Flurious refuses to admit defeat and goes after the crown, only for Mack to stop him and use all of his powers left to finally destroy Flurious with an energy beam and save the world.

Qin: Geez! Those two are dangerous!

Lana: No kidding. I use Ice.

Lola: And I use fire but we don't complain.

Bobo: Ok, I've heard of fire and ice being opposites. But those two having a feud is ridiculous!

Me: No kidding.

Mack: Nico, we heard on the news about what Ricky Beamer said.

Nico: And I'm guessing you disagree with him?

Ronny: Of course we do! We know you would never let anything bad happen to anyone who's not a bad guy

Rose: He was just saying that because you backed him into a corner.

Will Aston: Besides, how wer you supposed to know that Qin's parents were about to be killed by the Russian mob.

Andrew Hartford: Nico, take it from someone who's made some bad mistakes in his lifetime. It's ok to make mistakes. What matters is that you learn from them.

Nico: Thanks, guys.

Crumplezone: If I knew that Ricky was gonna say all that, I would've pounded his face in!

Me: We all would Crumplezone.

We later went back to the estate.

We were watching TV and reading books. Then the alarm sounded.

Me: Uh oh.

We got a video call from General Thornton, commander of the U.S. Governments BGY Project.

Me: General Thornton. (Salutes) It's an honor to meet you sir.

General Thornton: You too J.D. We've heard so much about you and all of Team Loud Phoenix Storm. But I'm afraid we got some big problems.

Me: What's wrong sir?

General Thornton: The Legion Ex Machina, an organization of robots trying to destroy all of Neutronic City has somehow created their own Big Guy and it is heading over to Quark Industries.

Me: This is bad. We're on our way sir!

We headed out for Neutronic City, Maine.

NEUTRONIC CITY, MAINE

We arrived in Neutronic City and we saw a fight happening on top of the roof of Quark Tower.

Me: Looks like a huge fight is brewing.

We saw the Legion's version of the BGY-11 called the 11X fighting a little boy robot called Rusty the Boy Robot.

Me: Whoa! What a battle!

I turned on my computer eyes and it analyzed everything about the 11X. It was a true robot and was built by the Legion Ex Machina to destroy the Original Big Guy and gain access to all of the country's and Quark's classified military data and protect humankind from all threats except those from the Legion.

Me: Whoa! This version of the Big Guy is terrible! I got this guys.

I snapped my fingers and grew to the size of the 11X.

The 11X had its shoulder blaster ready to fire at Rusty.

11X: Toodle-oo tinker toy.

I tapped the 11X on the shoulder.

Me: No one hurts robots on my watch!

I punch him in the face and sent him crashing into the wall of the roof building. I grab the blaster and rip it off and threw him and he rebounded and I punched him in the face and headbutt him and knocked him down. I did a pile drive and we crashed through the roof and we were plummeting to the ground!

Me: No one disgraces the original Big Guy you cheap ripoff!

Me and 11X: CANDYGRAM!

I fired energy blasts and the 11X fired his machine guns and missiles and they were hitting both of us and exploded with incredible power and we were enveloped in fire as we were plummeting. When we landed we caused a massive explosion of fire that blew all the windows away.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The 11X was out of ammo.

Me: Looks like you're out of ammo.

I was ready to fight him.

I got into a fight stance.

Me: Shall we dance?

11X: Lets.

We went at each other and tore each other apart. I punched his face off and kicked him in the chest and I ripped right arm out. 11X had his buzzsaw ready and he slashed me in the arm and I had blood pouring down my arm and I splashed it onto his arm and melted it off.

11X: Your power is indeed impressive J.D. Knudson. But unlike you I was programmed to destroy people like you. And I have something you don't.

Me: And what is that?

11X: One of these.

His chest opened up and out came a super powerful particle cannon!

Me: A Microfusion Particle Cannon!

I got up and he fired and I fired a powerful Kamehameha Wave and it overpowered his blast and went into the cannon and overloaded it.

11X: For the love of…

He exploded into a massive fiery pile of scrap metal.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The 11X was completely destroyed.

Me: No one ruins the Big Guy's image.

The Real Big Guy then landed by me.

Big Guy: Thanks for that J.D. You did really well.

Me: Thanks Big Guy. It's an honor to meet you.

Rusty: It's an honor to meet you guys!

Me: You too Rusty.

I returned to my normal size and my wounds healed.

Dr. Erica Slate then came.

Dr. Slate: Thank you for saving us J.D.

Me: No problem Dr. Slate. It's a pleasure to meet you in person.

Dr. Slate: You too. Lets get the 11X to the lab for analysis.

Me: No problem.

Later we ran some analysis on the 11X and we found out some incredible things.

General Thornton: So you're saying the Legion didn't just eyeball our Big Guy to create their own?

Dr. Slate: Correct. The components of the 11X are identical to those of the original BGY.

Garth: Identical. Not counting those artificial intelligence gizmos.

Dr. Slate: Right. Their Big Guy was a true robot. Which means the Legion must've gained access to Dr. Poindexter's original plans and finally made them work.

Me: How is that possible?

Laney: No idea.

Lisa: This Legion Ex Machina is very crafty.

General Thornton: They are, and Poindexter took everything with him when he went A.W.O.L. Even we don't have those plans.

Lincoln: These guys sound really dangerous.

Lana: No kidding.

Lola: But who are these Legion guys anyway?

Dr. Slate: They are a dangerous underground organization of robots that want to destroy all of Neutronic City and rule over it with robots.

Me: Lets see what the Legion is. I can now access my database through the satellite uplinks in my device.

I looked them up.

The Legion ex Machina was invented by Dr. Roland Poindexter. His goal was to create what he perceived as the perfect artificially intelligent robots. Poindexter was successful, but that was also his downfall, and his creations soon turned against him. The Legion placed Poindexter in stasis where they had complete access to his mind. The Legion then built a secret base and began their goal to eradicate mankind.

ARG0-12

ARGO-12 was the first robot that was created by the Legion. Its purpose was to recruit any other robots to join the Legion. It terminated any of them if they refused the offer. It was powered by packs of nuclear energy that Number 6 stole from where he worked. ARGO-12 engaged in a fight with the Big Guy and was almost successful. It ran low on fuel and was given a defective nuclear pack from Rusty, which then resulted in a massive overload. ARGO-12 was then scrapped afterward.

Rebellion

Number 6 (also known as Dr. Gilder) was placed inside Quark Industries as a mole in order to gather information. He harbored bitter feelings toward the CEO, Quark Donovan, for destroying his inventions. Gilder eventually lost his patience and shifted his focus towards killing Donovan. His first attempt was to hack a robot but it was stopped by the Big Guy. He then hacked into Rusty and controlled the boy as an assassin. Dr. Gilder was then stopped when one of Quark's scientists, Dr. Erika Slate, discovered what he was doing. Dr. Gilder chased her to a grinder, lost his skin in the process, and revealed that he was a robot. then fell into the grinder after Big Guy shot him. The Legion took no pity in the demise of Number 6.

ARGO-12000

ARGO-12000 was the Legion's second robot creation. It was a 400ft version of ARGO-12. ARGO-12000 was sent to steal a Micro-Fusion generator that could be used to build more robots like it. The body parts of ARGO-12000 were transported through an underground rail station. The remaining piece, the left hand, was salvaged before construction was complete, but that didn't stop the robot from stealing the micro-fusion generator which was successful. ARGO-12000 headed towards the nearest ocean, but was shot by a beam from its missing hand. It collapsed and went permanently offline. The generator was then recovered.

## Stealing Rusty's Brain

The Legion built a machine to steal Rusty's mind. It damaged a dam to draw attention. While it was attacked by the Big Guy, a mechanical orb was released from the backside. The sphere attached to Rusty's head and absorbed his brain waves, which then caused his entire body to go offline. The Legion used the acquired data to access his Rusty's thoughts. Rusty managed to escape their computer network and entered the Internet. Number 4 then chased Rusty throughout the Internet. The pursuit ended at Quark's Digital Archives. Big Guy appeared and intervened: he shot Number 4 into a stream of data. The Legion then spent time and repaired Number 4.

## Project NOVA

In order to finish their latest creation, the Legion needed specialized fuel. Their only source was a power plant that manufactured neutrinos. They sent a machine to steal a new kind of neutrinos: anti-tronic neutrinos. As it began to drain the entire supply, it was interrupted by the Big Guy. Rusty then attempted to download data from the machine's archives. Number 4 attempted to use his own strength to counteract Rusty. Both sides then engaged in a mental tug-of-war. The connection ended after Rusty and Number 4 were overwhelmed. Later, it was revealed that their personalities were swapped. Rusty started to build Project NOVA and released it. Rusty went after NOVA and so did Number 4. When they reached the scene, Rusty and Number 4 engaged in another mental tug-of-war. That time, there was a swap between their identities. Rusty took full control of Number 4's body. He then short-circuited NOVA and deactivated his original body. The brain of Number 4 was then acquired by Quark.

## Confronting Big Guy

Sometime later, the Legion sent Number 5 to acquire a robot from the Chopshoppers. Number 5 was greeted by the Big Guy upon his arrival. A fight took place where Number 5 had his cybernetic modification as an advantage. His skin was destroyed after he revealed himself as a robot, but he still had the upper hand in the battle. Big Guy used his own body to smash Number 5 into the ground. Number 5 malfunctioned from the impact and was then shot into a tank of cryogenic ice. His existence came to an end when Rusty shattered his frozen body.

## Missing Colleague

Quark still had the brain of Number 4, and Donovan's nephew, Pierre, stole it for his science project. He then placed the brain inside a toy robot. Once activated, the toy robot escaped. Unaware of the Legion, Pierre had no idea about the possible consequences. Meanwhile, the Legion made plans to eliminate Number 4 because he became incompetent. As revenge for their betrayal, Number 4 attempted to destroy the entire city. He failed when his auto-safety mechanism was activated by the Big Guy and destroyed his head.

## Sabotaged Rusties

The remaining three members of the Legion acquired a household version of Rusty from Quark industries. Using their advanced technology, they redesigned the circuitry. Then they connected the robot into a machine and used it to control every other household version. Their first part of their mission was to replace their own batteries with nuclear packs. The next phase was to shoot green beams at New Tronic City, that would annihilate the inhabitants and allow the Legion the opportunity to build a utopia for robots. They were almost successful, but a bomb destroyed all of the Rusties.

## Fake Big Guy

Frustrated by their constant defeats, the Legion built an exact duplicate of the Big Guy. They dubbed it the BGY-11X. The Legion trapped the real Big Guy in a remote desert. During the BGY-11X's time at Quark Industries, the Legion learned the truth: the Big Guy was piloted by a human: Lt. Dwayne Hunter. Despite the efforts of the BGY-11X to act like its counterpart, Rusty became suspicious and found out. The real Big Guy returned after his body and pilot were found. Both the original and the clone then engaged in a brutal fight. The Big Guy won by shooting his arm into the cannon of his opponent.

## Abduction

The victory was short lived, however. The Legion then dispatched a clone of the pilot, Lt. Dwayne Hunter. It shot Hunter and sent him directly to the Legion's Headquarters.

## Revelation

Upon Hunter's arrival, the Legion introduced themselves. The Legion revealed their creator who was also their prisoner. Poindexter's mind was a source of data. According the Legion, they felt no human emotions and therefore overthrew their creator. Their lack of human emotions led the Legion to believe that mankind was inferior. They felt that Hunter was less inferior, but was more problematic. Then Hunter was placed into stasis.

## Downfall

The Legion's Headquarters were soon discovered when Quark found some old schematics. Rusty then promptly flew to the location, saved Hunter, and his presence alerted the Legion. The Legion then engaged in a climatic battle with their enemies. Number 1 equipped himself with blasters; Number 2 utilized his exoskeleton; and Number 3 took control of a giant robot. Poindexter was freed from his prison when the battle started. Poindexter and Rusty were intervened by Number 2. Number 2 then tried to kill Poindexter, but was pulled into a nearby fan which shredded his entire body. Meanwhile, Big Guy and Number 3 were in a fierce fight and were evenly matched. However, Big Guy found a way to defeat his opponent: he pushed Number 3 into a pool of blue acid that melted him. Afterward, Poindexter took cover while Big Guy and Rusty fought Number 1. Number 1 trapped Big Guy and Rusty in a force field and Big Guy lost his left arm in the process. Poindexter then used it to hit a machine which catapulted Number 1 directly into the force field. After Number 1's destruction, the field deactivated. A video message then suddenly appeared and the complex started to self destruct. Big Guy. Rusty, and Poindexter then escaped. During a later conversation, the members of Quark Industries attempt to reassure Poindexter by saying that they had destroyed all six members of the Legion, but Poindexter was struck with a sudden fear as he told them that he had created seven members.

## Members

### Number 1

The first member who was created and was the last one destroyed. As the leader, Number 1 was in charge of production and tactics. The other members fully respected him. Despite the loyalty, Number 1 took no pity in the death of his own colleagues. Occasionally, he displayed an ironic sense of humor.

### Number 2

Number 2's exoskeleton was entirely different from his colleagues. He was first who was destroyed in the Legion's downfall.

### Number 3

Number 3 was emotionless and spoke in a flat tone of voice. His eyes were never revealed. He and Number 2 usually agreed about the same matter. Despite his personality, Number 3 was capable of expressing anger. Number 3 was destroyed before Number 1 in the Legion's downfall.

### Number 4

Number 4 was the only one who swapped personalities with someone else. He was captured by Big Guy and Rusty.

### Number 5

Number 5 was equipped with a visor that shot red lasers. Number 5 was the first member who fought the Big Guy. Despite his smaller size, Number 5 was a formidable combatant. Despite his abilities, Number 5 was the most successful member who severely damaged Big Guy.

Number 6

Number 6 was also known as Dr. Gilder. He was only one with human emotions. Also, he was the only one without cybernetic parts. Number 6's outer appearance was different from his colleagues. He built robots for Quark Industries, but was actually a mole. He was the Legion's first member who was destroyed.

We were shocked!

Qin: I can't believe they are that dangerous!

Dr. Slate: But this data you have on them is amazing.

Me: It is fascinating.

General Thornton: How did you get this data?

Me: The most important rule we have General is Know Thy Enemy. When we face a bad guy, we have understand how they work, think, feel and operate and find out what their motives are. Wait. The satellites are picking up an audio transmission.

General Thornton: Lets hear it.

I put the transmission on.

Number 1: You're late Number 6.

Number 6: You must appreciate how difficult it is to get here on such short notice Number 1.

Big Guy: That's Dr. Gilder's voice.

Dr. Slate: So Dr. Gilder is in allegiance with the Legion.

Number 1: Perhaps a trial if Quark Security hadn't been increased due to a certain incident.

Number 3: The Legion has gone to great lengths to position you in Quark Industries, Dr. Gilder.

Number 2: It concerns us to see this vendetta of yours jeopardizing that position.

Number 6: But Donovan's destroying my robots! Our robots! There's nothing left of KX-5 but his head!

Number 4: Donovan is insignificant! You are our mole. Our information gatherer.

Number 5: Not an assassin. You must learn to control your emotions Number 6.

Number 6: I understand.

The transmission ended.

Me: That was intense.

Lola: But they all sounded like Lex Luthor was when we killed him.

Me: We didn't kill Luthor. His disease did that on the way to his prison. But the satellites did pick up where the transmission was coming from and we can now take the fight to the Legion Ex Machina and destroy them all.

Dr. Slate: I know you all can do it.

Me: Lets show those tin cans what happens when Humans and Robots work together.

Dr. Slate: I'm coming with you all.

Me: Are you sure Dr. Slate? This is gonna be incredibly dangerous.

Dr. Slate: I'm positive. I've been ready for helping you all ever since you all emerged.

Rusty: This is gonna be cool Dr. Slate!

Big Guy: We're gonna be ready for them.

Me: Awesome! The satellites picked up the Radio Transmission from an abandoned hydrogen power plant located 90 miles northeast from here.

Dr. Slate: Then that must be where we need to go.

Me: Lets do it.

Lincoln: Lets get them!

We went after the Legion Ex Machina.

We were heading to their hideout. We arrived at the Power Plant.

Me: Target sighted.

Horsea: Maria, where can I hide while you guys are fighting?

Maria: You can hide in my backpack till the fight's over Horsea.

Horsea: Okay.

She did so.

Inside the base, the Legion was working.

Number 5: Progress Number 2.

Number 2: Nearing completion.

Then a massive fiery explosion blasted a hole through the ceiling and a phoenix cry was heard.

We landed in the hideout and it was loaded with all kinds of machines and equipment.

The Legion saw us. We saw that they were bald guys with fancy devices on and wearing lab gear.

Number 1: Team Loud Phoenix Storm.

Me: So you guys are the Legion Ex Machina.

Number 1: Indeed.

Number 2: How nice of you to pay us a visit.

Nico: You guys all almost look the same.

Me: Not 100%. But right up there.

I looked at them with my data eyes and the data I got on them was amazing.

Me: Whoa! The data on all of you is amazing! You all were built by Dr. Roland Poindexter.

Dr. Slate: Dr. Poindexter built you all?

Number 1: That's right. We are his masterworks.

Number 2: His final creation.

Number 3: A bone for his wounded soul.

Number 1: After the failure of the BGY 11. But our artificial intelligence was so advanced, it overpowered our human emotion grids.

Number 2: Thus with no hard feelings, we overthrew our creator. Confirming the superiority of machine over man.

Number 1: Survival of the fittest.

Me: More like an act of cowardice. So that's how you got ahold of the original plans for the Big Guy. You accessed his brain somehow.

Number 4: Indeed.

Number 5: Say hello to our creator.

They showed a tank and inside it was Dr. Roland Poindexter. He was in a state of suspended animation in a tank full of some kind of water and he was hooked up to all kinds of machines.

Dr. Slate: Poindexter.

Me: You killed him!

Number 1: No. The good doctor is very much alive.

Number 2: Fused with our technology. If he were conscious, we are certain he would appreciate the irony.

Lisa: Ingenious! You all tapped into his grey matter in his neurological network.

Me: Very interesting.

Private: They're identical! What're we looking for?

Skipper: The look of unsustained pure evil!

Number 4: I've got news for you, penguin. We all want to see you heroes get what's coming to you.

Me: And now we've come to stop you once and for all! Lets take them down!

We went at them. We split up into 6 groups and went at them.

---

Group 1: Nico, Lori Loud, Hay Lin, Vida Rocca, Rose Ortiz, Girl Jordan, Depth Charge (Beast Wars), Luna Loud, Irma, May and Abby Martin VS Number 6

---

Group 1 was facing Number 6 A.K.A. Dr. Gilder.

Nico punched him in the face and he crashed into the wall. Number 6 then ripped off his clothes and artificial skin and they saw that he was a robot far more advanced than what we faced when we faced H.A.R.D.A.C.

Nico: Whoa! He's far more advanced than anything we've ever seen.

Girl Jordan: He sure is much different than the robots we heard about from when we faced H.A.R.D.A.C.

Luna: No kidding dude.

Number 6: You all are stupid fucked up humans!

Nico: Same to you freak! You are an overzealous walking tin can!

Hay Lin: Time for you to be blown by the storm!

Hay lin fired a massive blast of wind and blew him around in a powerful tornado and she threw him into the wall!

Rose Ortiz turned invisible and punched Number 6 in the face and sent him crashing into the wall.

Depth Charge (Beast Wars): Time for you to face the Manta Ray. Depth Charge, MAXIMIZE!

Depth Charge transformed and he fired powerful missiles at Number 6 and they hit him and exploded.

KRABBBOOOOOOOOOOOOOOOOOMMM!

The explosion blew him in half and Girl Jordan, Luna, Irma, May and Abby fired a powerful blast of water and it soaked him and shorted him out and he was sputtering.

Nico: Number 6, you have failed this world!

Number 6 exploded and he was reduced to scrap metal.

KABOOOM!

Lori: That is literally it for him.

Irma: You said it Lori. He gives all robots everywhere a really bad name.

Depth Charge: I agree with you there Irma.

---

Group 2: Lola, Taranee, Mack Hartford, Nick Russel, Darcy, Lori Jimenez, Volcana, Sam S.L., Leni Loud, And Michael Munroe VS Number 5

---

Lola fired a powerful blast of fire at Number 5 and it hit him and exploded. It burned his jacket and his jacket had a hole in his back revealing his robot back.

Lola: That is gross!

Michael Munroe: No kidding. Lets burn this creep!

Lori J.: Lets!

Lola, Taranee, Lori J., Sam S.L. and Michael fired a massive blast of fire and it hit Number 5 and burned him all over. His burned clothes and artificial skin fell off and he was now in his robot form.

Taranee: Wow! So this is what you look like.

Lola: Incredible!

Darcy: Amazing! I may be a cyborg but even I know how to respect the laws of robotics.

Lori J.: Me too.

Volcana: This is insane. I can't believe Dr. Poindexter built all of you.

Lola: Lets melt him!

They fired a massive blast of fire and lightning and destroyed him.

---

Group 3: Luan, Winx Club Stella, Chip Torn, Ronny Robinson, Eddy, Boone Dixon, Lizzy Morris, Lana Loud, Bloom, Lincoln, Will Vandom, Earth, and Shrapnel VS Number 4

---

Luan fired a powerful blast of light and burned his face off. They saw his robot face.

Lana: Whoa! He sure is a cool robot!

Lincoln: He sure is far more advanced than what Lisa builds.

Stella (Winx): No kidding.

Ronny Robinson: It's a cool robot though.

Lizzy: I would not want to have him for a science fair project.

Eddy: None of us would.

Luan: He sure lacks SCIENTIFIC ROBOTICS (Laughs) Get it?

Bloom: Love the jokes Luan but now is not the time.

Ronny Robinson used her super speed and punched Number 4 all over the place.

Lincoln: Time to electrocute this robot to death!

Lincoln, Will Vandom, Shrapnel and Boone Dixon fired a powerful blast of lightning and electrocuted Number 4 and he exploded.

KABOOOMMM!

Chip Torn: That's it for him.

Lana: Yep.

---

Group 4: Carol, Lynn, Cornelia, Will Aston, Xander Bly, Jillian Gerard, Beast Wars Inferno, Pan and Qin VS Number 3.

---

Number 3 was facing Group 4 and he was in a huge robot suit!

Carol fired Godzilla's Atomic Ray and it hit the suit and completely destroyed it.

Jillian Gerard fired a glob of lava and burned his skin off and revealed his robot form.

Carol: Whoa! What an awesome robot.

Lynn: Lisa would love a robot like this.

Xander: (Australian Accent) He sure would Sheila.

Pan: Lets blast this clod into nothing.

Inferno (Beast Wars): Lets do it for the boss! Inferno, TERRORIZE!

He transformed.

They all blasted him and destroyed him.

---

Group 5: Brittney Knudson, Brittney Crosby, Roxy (Winx Club), Daggeron, Tyzonn, Lucy Loud, Lucy Dark, Wolfang (Beast Wars) and Oceanus Shenron VS Number 2.

---

Group five was facing Number 2. He was an interesting robot with long telescoping arms.

Brittney K.: Lets see how you like this!

Brittney fired a powerful blast of dark energy and blew him in half.

It was a powerful and explosive fight.

Wolfang: Lets see him survive this. Wolfang, MAXIMIZE!

Wolfang transformed and he fired grabbed one of Number 2's arms and tied it to one of his grappling hooks and he fired it and it sent him going into the fan and it ripped him to shreds and he exploded.

Brittany Crosby: That was very clever.

Oceanus Shenron: It sure was. That was really clever.

Lucy Loud: He just hit the fan.

Daggeron: Good riddance.

Tyzonn: Lets help J.D. deal with the last one.

---

Group 6: J.D., Varie, Lisa Loud, Tecna, Flora, Layla, Madison Rocca, Dax Lo, Sakura Avalon, Jared Knudson, Linka Loud, Laney Loud and Lily Loud VS Number 1.

---

Group 6 was facing Number 1.

Me: It's just you and us now Number 1.

Number 1: Indeed. Now you will die.

Then he had 2 powerful energy blasters pop out of his back and he was ready.

Me: Lets dance.

I ignited my lightsaber and he fired red energy blasts at us and I deflected them with my lightsaber. We fired energy blasts, nucleoproton blasts and so much more. It was a massive firefight and it was blowing much of the entire hideout apart. We were firing energy blasts and more and we were tearing him apart.

Eddy: (fires at Number One's guns) Let's see how your firepower fairs against mine!

Eddy blew his blasters apart with his blasters.

Me: Lets blow him apart with our teamwork and final smashes!

Xander: Right mate!

Xander went into his Mystic Muscles form and Will had his Drive

Slammer.

Xander Bly and Will Aston: OVERDRIVE MYSTIC SUPERSLAM!

They ran fast and rammed Number 1 with devastating force!

Mack had his Drive Lance ready and Nick had his Magi Staff in Sword mode.

Mack Hartford and Nick Russel: OVERDRIVE MYSTIC PHOENIX SLASH!

They slashed Number 1 with a powerful blade of red fire energy.

Vida fired a powerful blast of pink energy from her Magi Staff and Rose fired a massive blast of energy from her Drive Geyser.

Vida Rocca and Rose Ortiz: OVERDRIVE MYSTIC BUTTERFLY BARRAGE!

Their blasts combined and turned into a powerful barrage of energy bomb butterflies and they hit Number 1 all over.

Ronny Robinson had her Drive Claws ready and Chip Thorn had his Magi Staff in Crossbow mode.

Ronny Robinson and Chip Thorn: OVERDRIVE MYSTIC GARUDA SLASH!

Ronny Robinson slashed Number 1 and Chip fired numerous yellow blasts of energy.

Madison fired powerful blasts of blue energy from her Magi Staff and Dax fired a powerful blast of wind from his Drive Vortex.

Madison Rocca and Dax Lo: OVERDRIVE MYSTIC MERMAID VORTEX!

The blasts combined and turned into a spirit mermaid with wings and it slammed into Number 1 and exploded.

Daggeron: Lets get him!

Daggeron fired a massive blast of solar light from his Laser Lamp and Tyzonn fired a massive blast of Mercury energy from his Drive Detector.

Daggeron and Tyzonn: OVERDRIVE MYSTIC SOLAR SYSTEM BURN!

The blasts combined and turned into the Sun and the planet Mercury and they slammed into Number 1 and exploded.

Trailbreaker: Time for some heavy firepower! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his abilities 100-fold as well as enabled him to fire powerful blasts of lightning from his eyes.

Bobo Haha: Lets get him! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his right arm device and he formed a powerful energy sword in his hand.

Trailbreaker and Bobo Haha: LIGHTNING ENERGYFORCE SLASH!

Trailbreaker fired a powerful blast of lightning and it merged with his sword and he slashed Number 1.

Crumplezone: Lets get this clod! CYBER KEY POWER!

The Velocitron Cyber Planet Key went into his back and his shoulder cannons popped out.

Lasher: Lets do it! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his right arm device and it enhanced his Symbiote Powers 100-fold.

Crumplezone and Lasher: SUPER CRUMPLECANNON SPEARBURST!

Crumplezone fired his shoulder cannons and Laser fired numerous stars made of Symbiote matter and they hit Number 1 and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Lets finish this clod!

Dr. Slate: I'll start us off. NUCLEOPROTON BLASTWAVE!

Dr. Slate fired a massive blast of Nucleoproton Energy and it hit Number 1 and exploded.

KRABBBBOOOOOOOOOOOOOOMM!

Rusty: Sure-a-shootin ready for this! NUCLEOPROTON FIRESTORM!

Rusty fired a massive blast of Nucleoproton energy and it hit Number 1 all over and exploded.

KRABBBBBOOOOOOOOOOOOOOOOMMMM!

Hawkgirl: Lets see how he likes Thanagarian Metal. THANAGAR SUPERSLAM MACE!

Hawkgirl charged up her mace and slammed it onto Number 1 with devastating force. Blowing him in half.

Big Guy: Time to finish him for good. SUPER WEAPONBARRAGE FIRESTORM!

Big Guy fired all his weapons from his arms and head and let all hell loose on Number 1 and blew him apart into nothing. Number 1 was dead.

Me: YEAH!

Nico: Legion Ex Machina, you have failed this universe!

Qin: And then some.

Then we saw another robot, Number 7, getting away.

Lola: Number 7 is getting away!

Hawkgirl: Let him go. Us killing the others is enough for today.

Me: Yep.

Lana: And we rescued Dr. Poindexter too.

Then a computer image appeared and it was a message from the Legion Ex Machina.

Number 1: (On Computer) If you are viewing this message, it would seem we have no doubt met our demise.

Number 2: (On Computer) How unfortunate.

Number 3: (On Computer) However, be assured that you shall not scrutinize our technology.

Number 1: Or escape.

Then the whole place was rumbling!

Me: This whole place is gonna blow!

We got out of there fast as the whole base went up in flames and massive explosions. The Legion Ex Machina was defeated and we would face Number 7 when the time came. Nico caught a Comfey and Oranguru.

Rusty: (To the viewers) Never mess with the laws of robotics or you will answer to us!

Me: You got that right Rusty.

We moved Neutronic City to Gotham Royal York and made it into a plant city like the rest. And we placed Neutronic City under our protection.

Nico was talking to the Operation Overdrive Rangers boss Mr. Andrew Hartford.

Nico: (to Andrew Hartford) You want us to beam your mansion next to ours?

Andrew Hartford: I would like that Nico.

We beamed his mansion to Gotham Royal York.

FLASHBACK ENDS

Camie: Whoa! That is amazing!

Qin: Yeah it was

Nico: (approaches them) Hey, guys. It's me, Nico. You remember me and my friends, right? We met back in 2019. The Operation Overdrive Rangers just joined us and they helped us kick your asses.

Vroon: Nico, you know you're not helping your case, right?

Nico: I know.

They saw us.

Number 1: Nicolas Chan. Its been a while.

Number 2: Second in Command of Team Loud Phoenix Storm.

Nico: Correction. Now the leader of the team.

Me: We grew in numbers since we fought last.

We went over.

Eli: There's more of us now than there were back then.

Number 3: Indeed. You all have come a long way.

Number 4: It would seem you all have gained a lot of forces ever since our last encounter.

Number 5: Indeed.

Me: Yes that's right. Also Number 7 is now in the Masters of Evil.

Number 6: That's interesting.

Nico: And she is a really formidable and powerful robot.

Leni: And is Ed's archenemy.

May: To be honest, back then, we didn't think she was a girl.

Number 6: Well not all of us were built as males.

Me: That is good because an all male robot group should have at least one girl.

Number 2: Indeed. It should.

Number 3: The Big Guy and the Boy Robot are coming so we'll have some fun battling you.

Me: Just like it was back in the old days. But we should tell you that we're not the same as we were before when we faced you the first time.

Nico: We've gotten far more powerful and stronger since then.

Number 5: Indeed. You all have come a long way since then.

Number 1: This will be a good battle.

Nico: It sure will.

Me: I don't even need to transform to face you guys.

Eli: Me neither.

Number 1: Our scans say that the Kinceleran Girl is close to reaching the day of her transformation stage.

Ellie Singh: You must mean me.

Number 1: Indeed.

Me: Her big day mission is very close.

Camie: And it will be awesome.

Nico: Lets dance.

I fired energy lasers and blasted Number 6 down.

Nico: Told you.

Nico blasted Number 5 down with fire blasts.

Eli blasted Number 4 down with Force Lightning

Varie fired waves of water and blasted Number 3 down.

Lola fired fire blasts and blasted Number 2 down.

Me: Told you guys we weren't the same as we were before.

Varie: That's right.

Xigbar fired at Number 2 and Number 4.

He blasted them both down.

Erza blasted Numbers 3 and 5 with fire blasts.

Me: I'm amazed that only 5 of you have the exact same voices. They sound just like Lex Luthor.

Number 1: Indeed. We do sound the same.

Number 6: Except for me though.

Lola: So we have seen.

Nico: And Number 7.

May: Eli, sense if Swartz's creations are close.

Eli: On it.

Eli concentrated.

Big Guy and Rusty then appeared.

Big Guy: The Hairclub Ex Machina is back huh? Time to floss some titanium teeth.

Rusty: Lets get them Big Guy!

Qin: You read my mind Rusty.

We fired waves of energy and missiles and elements and blasted them down.

Then Vypra and Dark came and picked up the Legion Members.

Vypra: Boy that was awesome.

Big Guy: It sure was. Just giving our robot friends a taste of American pride.

Me: Yep.

Xenia: Yep.

Vypra: These 6 will make awesome additions to the team. And Number 7 has been feeling lonely.

Nico: That's true.

They teleported back with the Legion Members.

Rusty: That was sure-a-shootin fun.

Lola: It sure was.

Eli: Swartz's Creations are 15 klicks to the southwest and closing.

Nico: We're not done yet though.

Me: Nope.

Dr. Donovan then came and he was running for his life!

Me: Dr. Donovan?

Dr. Donovan: (FEARFUL) HIDE ME! SHE HAS GONE MAD!

He went behind me.

We saw Jenny the monkey armed with a laser blaster like the one that Dr. Gilder made for Rusty!

Qin: What the?!

Big Guy: What!?

Rusty: Jenny? Why is she attacking you?

Dr. Donovan: I don't know! She lost it!

Jenny the Monkey: You are going to pay Dr. D!

Big Guy: For the love of Mike.

Fluttershy: I agree there. Let me do this.

She went over to Jenny and grabbed the blaster and gave it to me.

Me: Spiffy blaster.

Fluttershy then used the Stare on Jenny.

Jenny then quivered in fear from the power of her gaze.

Jenny the Monkey: I'm not scared of you!

Fluttershy: You should be. You oughta be ashamed of yourself.

(WARBLING NOISE)

Fluttershy: You are in a lot of trouble young lady. I should find your mother and tell her what you have been doing. Now you go over to the nice man Dr. Donavan and apologize to him for what you did. And don't ever let me catch you doing this again.

She made her scared and Jenny went over to Dr. Donovan.

Jenny the Monkey: Dr. D I'm sorry! She scares me.

Me: Never underestimate the power of the stare of Fluttershy. Dr. Donovan what did you do that set Jenny off?

Dr. Donovan: All I did was ask if she wanted a donut and then she lost it! This might have something to do with the way I treated her.

Me: How?

Dr. Donovan: I had her test out our newest product.

Me: What was it?

He gave me a can and it was called Squeaky Gleam.

Me: Hmm. Squeaky Gleam?

I popped open the can and out came a gel life form and it came and cleaned me.

Me: Hey. (LAUGHS) That tickles!

It then left and went back into its can and I looked at myself and I was so shiny and sparkly.

Me: Wow look at me! I am so shiny and clean that I can see my reflection in my skin.

Nico: Squeaky Clean.

Me: And she went crazy over that?

Nico: I find that hard to believe.

Jenny the Monkey: Actually it's believable.

She showed us that she was sparkling too.

Nico: Oh I stand corrected.

Me: But this is amazing Dr. Donovan.

Rusty: It sure is.

Big Guy: And the little guys really do one heck of a spit shine.

Nico: Boy they sure do.

Xenia: Yeah. Never have to use cleaning products again.

Lola: Yeah.

Nico: Yep.

Then the Arabiana Nights Wonder Ride Book started glowing.

Me: The Arabiana Nights book is reacting to something.

Eli: Swartz's Creations are close.

Nico: Who's up first?

Brittney: I will go next.

Nico: Okay.

Then a figure came out and it was a golden camel?

Me: A golden camel?

Nico: Wow.

But it was actually Another Arabiana Nights!

Another Arabiana Nights: (In a girls voice) Sorry about coming in like that.

Me: (GASP) That voice.

She reverted back and it was a sailor soldier with golden brown hair and had purple and blue clothes.

Me: (GASP) Ariana Arabiana A.K.A. Sailor Bald Mountain!

Nico: WHOA! Wait Bald Mountain from the Fantasia song A Night On Bald Mountain by Modest Petrovich Mussorgsky?

Me: That's right.

Nico: Whoa! That is a scary one.

Sailor Bald Mountain: It sure is and I also have all of Chernabog's powers.

We gasped in amazement!

Nico: I'm not complaining about that. But you DO know that Chernabog is the Disney Devil, right?

Sailor Bald Mountain: That's right.

Me: Chernabog was the Disney version of The Devil Himself. But he was just as powerful and just as dangerous and evil.

Sailor Bald Mountain: Yeah.

Nico: Yep. That was scary and awesome.

Qin: It sure was. Too bad I wasn't with the team back then but I heard it was cool.

Me: Yeah it was. Konan really went at Chernabog and showed the power of a true angel.

Sailor Bald Mountain: That is awesome.

Nico: At least you're using his powers for good.

Sailor Bald Mountain: Yep.

Me: By the way, any other Opponents with you?

Sailor Bald Mountain: Another version of him.

She pointed to Xigbar.

Xigbar: Another me!? Whoa!

Me: This will be interesting. Friendly or hostile?

Sailor Bald Mountain: Friendly. And she is a really interesting one.

Me: I have a feeling this one will be cool.

Nico: Yeah.

Brittney: Indeed. Lets do it.

Sailor Bald Mountain: You got it.

She turned into Another Arabiana Nights and Brittney flew into the air and fired waves of darkness and smashed her down and I caught the Wonder Ride Book and it was called Dark Devil of Arabia. It turned into THE 100 DAYS OF STAR ARABIA!

I went and picked up Sailor Bald Mountain and brought her over.

Nico: Why couldn't the real Chernabog be that easy?

Me: No idea.

Qin: Yeah.

Me: That was a good battle.

I looked at the blaster.

Me: You know I could use this.

I spun the blaster around and did a pose and holstered it.

Me: Nice.

Qin: That is a cool blaster.

Me: Can't wait to see what it does.

Nico: Yep.

May: Eddy and Dark would be proud.

Me: Don't forget William. And I can't wait to blast Dark Eddy's hands off.

Qin: Nice.

Nico: We're going to see who has a quicker draw.

Qin: Yep.

Lola: Wait look there.

We saw a figure come out and it was a dark version of Xigbar! It was ANOTHER XIGBAR!

Me: Another Xigbar.

Qin: Right on cue.

Nico: Yep.

Maria: And you are?

Another Xigbar: (In a girls voice) I believe J.D. knows me.

Me: (GASP) Sally "The Kid" Bonney!

Nico: Wait Sally the Kid Bonney? As in the descendant of Billy the Kid?

Another Xigbar: That's right. And I'm also the gene-slammer of Ignatius.

Me: Ignatius? Wait you mean the Lava Titan for the Huntik Team?

Nico: You got to be kidding me!

Another Xigbar: I assure you I'm not.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever Gear) Because we can grant it instead.

Kaito got a Denziman sword and Zocks got a Battle Fever Sword.

Another Xigbar: No he didn't. I blasted his hands before he could do anything.

Me: Nice shooting. Sally is a great shot just like Johnny Ringo and Annie Oakley.

Nico: Nice!

Qin: Cool.

Me: Sorry we have to fight about this.

Another Xigbar: No worries. But J.D. when you face Dark Eddy, blast his hands off.

Me: You got it.

Sougo: (gets out Denziman Ridewatch) But we'll still let him regrow said hands.

Geiz: (gets out Battle Fever Ridewatch) After all, it's still amusing to see him try to blow our brains out.

Sougo got DenziRedArmor and Geiz got BattleJapanArmor.

Me: Dark Eddy will never know what hit him. But that was so awesome blasting Swartz's hands.

Nico: Boy I'll say.

Me: Thank goodness he will never get that opportunity to use them again because he's now in the Black Gates forever.

Qin: Thank goodness.

Nico: Yeah.

Erza: REQUIP!

She dawned her HEAVEN'S WHEEL ARMOR!

Nico: YEAH!

Eli: This will be fun.

Nico: (gets out Xigbar's Ridewatch) Time for a shoot off!

Nico activated it and got Xigbar's blasters and he fired and blasted her.

Me: Nice!

Eli: Yeah!

Nico: And this too. (ACTIVATES TOAR'S RIDEWATCH)

He fired waves of energy and blasted her down!

Me: YEAH!

Nico: Awesome.

May: Time to Dangle! (ACTIVATES BOSTON DANGLER'S RIDEWATCH)

She hung upside down and fired waves of energy and blasted her down.

May: Feel the burn! (ACTIVATE'S DIABLO'S RIDEWATCH!

She fired waves of fire and smashed her down.

Maria: Now this one! (ACTIVATES MOLTOR'S RIDEWATCH)

She fired waves of fire and blasted her down.

Maria: YEAH! Now for this. (ACTIVATES KANNON'S RIDEWATCH)

She got his cannon and fired waves of barrels and bashed her down.

Botan: My turn!

She activated Toar's Ridewatch and fired waves of energy and smashed her down!

Qin: Take that!

Me: Yeah!

Oculous and his team consisting of Allomere, Hexuba, Red Claw, Flarerizamon and Boneswitch then came

Nico: Nice team, Oculous.

Oculous: Thanks Nico.

Me: This is gonna be good.

Nico: Yep.

Maria: Is the next Gene Slammer near?

Suddenly we felt a massive heat wave.

Me: WHEW! Did it suddenly get really hot?

Lola: Wait I think it's coming from that!

We saw a Magcargo!

Qin: Whoa a Magcargo!

Nico: Cool! Er hot rather!

Magcargo: (Welsh Accent) I sure am hot huh?

Nico: Nathalia Gorgorio!? Whoa!

Qin: Whoa! Awesome that you are a Magcargo and it's fitting for you.

Magcargo: It sure is.

She reverted back and was a girl with red hair with flames coming out and had fire angel wings and had purple and red clothes.

Nathalia Gorgorio: I got this.

She fired waves of lava and blasted her down and I caught the ridewatch and purified it and I went over and picked up Sally and she was a girl with orange clothes and had red hair and a cowboy hat and had fire angel wings.

Sally the Kid: (GROANS) What a headache.

Me: But you're okay.

I brought her back.

Botan: What's your favorite memory of Nico?

Nathalia Gorgorio: My favorite is when me and Nico went to Kilauea and got samples of lava.

Nico: That was hot.

Qin: It sure was.

Eli: Yeah.

Nico and Nathalia hugged.

Nico: I've really missed you.

Nathalia Gorgorio: Me too Nico.

Big Guy: That was some hot stuff guys.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness,

Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Ulrich, Blossomforth, Selene Tutankhamen, Cere Cere, Fenix, and Vapwhirl are heading to a renowned dance club in Gotham Royal York, and not only is Lincoln going to rescue the thirty-four girls here, but we're not here for a dance-off.

We got word that a former member of The Elemental Dancers named Zayla Alston is here, and she wants revenge. The story is she was once The Darkness Elemental Dancer for The Elemental Dancers, but she wound up getting consumed by fame and glory, and it turned her into a monster just like Anna's former sister, Tanya Anyanova, and she tried to kill Lincoln and the other Elemental Dancers, but she was caught by the other Guardian Angels, and she was kicked out of the Elemental Dancers, and Alecto Shadowcall put a curse on her and she warned her: if she ever catches Zayla here again for revenge, the curse will have her sealed inside a crystal prison for eternity.

But now, Zayla Alston is back after years in exile, and even worse, the curse Alecto Shadowcall put on her years ago has been broken, and Zayla Alston also gained dark powers, thanks to a deal she made with Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, and even worse, Beatrix Redmoon was the one who broke Alecto's curse that she put on Zayla Alston, now, we're going to take her down and Lincoln's going to remove her powers and send her straight to jail, and Alecto's going to give a really nasty warning to Beatrix Redmoon before we head back.

Lincoln: Whoa, we're here in a renowned dance club in Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the thirty-four girls here, but we're not here for a dance-off. We got bad news: Zayla Alston's here, and she wants revenge.

Alecto Shadowcall: What?! The former Darkness Elemental Dancer is here, I thought I sent her into exile!

Nico: A former Elemental Dancer's here, oh this isn't good. Lincoln, can you tell us the story of who she is.

Lincoln: Gladly, Nico, and Alecto's right about that: Zayla Alston was once The Darkness Elemental Dancer for The Elemental Dancers, but she wound up getting consumed by fame and glory, and it turned her into a monster just like Anna's former sister, Tanya Anyanova, and she tried to kill me and the other Elemental Dancers, but she was caught by the other Guardian Angels, and she was kicked out of the Elemental Dancers.

Anna Anyanova: She really was just like my sister, out of control and fame-hungry, but unlike Tanya who's a talentless hack, Zayla had talent as an Elemental Dancer, but she used her talent for evil.

Alecto Shadowcall: And it led to me putting a curse on her and I warned her: if I ever catch her here again for revenge, my curse will have her sealed inside a crystal prison for eternity. But, how did it get broken?

Me: Yeah, that's the big question.

Lincoln: That's right, but I know the answer to that: only someone who's skilled in The Dark Arts can find a way to break Alecto's curse. (Realizes something and gasps) Alecto, don't freak out, but I think I can guess who found a way to break your curse you put on Zayla years ago.

Alecto Shadowcall: (Gasps) Beatrix Redmoon, the dark witch and my hated blood enemy from The Dark Ages, she was the one who broke my curse?!

Eli: (Gasps) That's not good, but how did she get her powers back, I thought the trap you set up for her destroyed her powers years ago.

Lincoln: It did, but somehow, Beatrix got her powers back, and she used her powers in the Dark Arts to break the curse on Zayla, and Zayla gained dark powers through a deal she made with that witch, now, Beatrix has gone way too far.

?: (Girl's voice) (Japanese Accent) That witch sure has gone too far.

Suddenly, we saw Cherubble, Strombonin, Yawstrich, and G'joob arrive, and with them are the thirty-four girls.

Nico: Whoa, that's Cherubble, Strombonin, Yawstrich, and G'joob.

Strombonin: (Japanese Accent) That's right, and we got the thirty-four girls away from Zayla Alston, the traitorous Darkness Elemental Dancer.

Lincoln: (Gasps) Those voices, Haruka Kuramitsu, The Fire Elemental Dancer, Suiren Makibi, The Water Elemental Dancer, Yangchen Fēiniǎo, The Wind Elemental Dancer, and Kiyoshi Shíhuān, The Earth Elemental Dancer, I knew it was you, it's so awesome to see you all again, but we'll talk later.

Yangchen Fēiniǎo: (Chinese Accent) Right, we've got to take down Zayla Alston, the traitorous Darkness Elemental Dancer, and remove the dark powers she'd gotten from Beatrix Redmoon.

Alecto Shadowcall: You didn't run into that witch, did you?

Haruka Kuramitsu: (Japanese Accent) No, she fled back to the dark realm you banished her to years ago, and the bad news is: you banished her to The Realm of Darkness.

Sora and his friends gasped.

Sora: The Realm of Darkness, so that's where Alecto banished her too. Did she leave any armies of Heartless with Zayla Alston?

Suiren Makibi: (Japanese Accent) Yes. Which mean, we must destroy them at once.

Lincoln: Right, Suiren, and I want to thank you and your team for joining us, Ulrich.

Ulrich: You're welcome, Lincoln. Now, let's get going if we're to stop Zayla Alston.

We advanced to the dance studio, but then, the army of Heartless appeared to destroy us, but we had unholstered our massive greatswords and we began slaying Heartless all over the place, and we were getting a massive power boost from absorbing the negative energy.

Lincoln: That's it for the Heartless. Now, for the traitorous Darkness Elemental Dancer.

?: YOU ELEMENTAL DANCERS HAVE RUINED EVERYTHING FOR ME!

We then saw our main enemy, Zayla Alston, the former Darkness Elemental Dancer of The Elemental Dancers, and she had a Dark Orb embedded in her hand and an inverted pentagram with the symbol of The Redmoon Clan in it on her forehead: a symbol of her deal with Beatrix Redmoon.

Lincoln: If it isn't Zayla Alston, the fame-hungry former Darkness Elemental Dancer. Sorry, but the show's over for you.

Me: Time for your final performance, you treacherous dancer.

Nico: And soon, your next stop will be jail.

Elemental Dancers: Your days of trying to destroy us and all for your own selfish desires of fame and glory are over, and now, you will suffer the same fate that befell Tanya Anyanova, the talentless hack and deranged monster!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to light up the dance floor and electrocute that monster!

Then, Lincoln changed into his large orange collared shirt with multi-colored lightning bolts on the sides and on the back with a Thunderbird surrounded by a circle of Elemental Forces, large black dress pants with multi-colored lightning bolts on the sides, and large black dress shoes, and as he danced, multi-colored bolts of lightning and rainbow super lightning were fired from his feet and hands, and they hit and electrocuted Zayla Alston.

Nico: Whoa! Remind me never to get into a dance-off with Lincoln!

Me: Same here.

Then, Lincoln fired a blast of rainbow super lightning which removed the Dark Orb in Zayla's hand and sent it to The Warp and fired a rainbow energy blast which turns into a straitjacket and tied her up. Then, he chanted an incantation which removed the dark powers Zayla got from the deal she made with Beatrix Redmoon, then, he changed back to his original outfit.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) My Guardian Angels were right about you, you truly were just as fame-hungry and crazy as Tanya Anyanova, you were talented yes, Zayla, but you used your dance skills for evil, and you turned your backs on us and tried to kill us. There can be no forgiveness for you ever for your misdeeds.

Suddenly, Lincoln's massive white angel wings spread out as he was surrounded by a golden energy aura, and then, he fired a beam of gold energy from his massive white angel wings, and as they hit Zayla Alston, she screamed in horror as she was then given the King Midas' Golden Touch Vengeance Curse and forever turned into a golden statue and he beamed her to The Uranus Prison where she'll be imprisoned forever. We cheered as we holstered our weapons and powered down.

Lincoln: Just like Tanya Anyanova, you deserve to be turned into a gold statue for eternity, and what you also did in making a deal with Beatrix Redmoon, that's also another reason why you don't deserve to be out in public ever again.

Alecto Shadowcall: That's right. And Beatrix, if you're watching this from the shadows, consider this your first and final warning: you've made the big mistake in involving one of the enemies of Lincoln's Guardian Angels for your pathetic scheme of revenge against me, and for what you did in making her that deal, that just proves you deserved to be banished to The Realm of Darkness for good, but now, things have changed: if you ever escape from The Realm of Darkness to get revenge on me, I will see to it that you are destroyed once and for all, along with the entirety of The Redmoon Bloodline Family for eternity.

Alecto Shadowcall declared her warning loud and clear to Beatrix Redmoon who was still in The Realm of Darkness, and when she heard Alecto's warning, she screamed in insane fury and rage, and we also knew who we were facing in Lincoln's rescue tomorrow.

Lincoln: Nice one, Alecto, this'll get that dark witch so riled up, she'll try to escape and get revenge on us tomorrow, but we'll be ready for her. (To Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān) And it's so good to see you all again, Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān.

Haruka Kuramitsu: (Japanese Accent) You too, Lincoln.

Suiren Makibi: (Japanese Accent) It sure has been a long time since last we met.

Yangchen Fēiniǎo: (Chinese Accent) We met when we were four years old.

Kiyoshi Shíhuān: (Chinese Accent) So, it's been thirteen years since we last met.

Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān went up to Lincoln who hugged each of them, and Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān are are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you four since we were four years old, and as you all can see, I really grew a lot since then.

Haruka Kuramitsu: (Japanese Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico.

Lincoln then introduced us to Haruka Kuramitsu, the Cherubble Gene-Slammer and Fire member of The Elemental Dancers, she's Lincoln's Guardian Angel from Japan and classmate in Math, and she's also a beautiful Dancer of Fire and enjoys Hawaiian culture. She and Lincoln loved to hula dance especially in swimsuits, and they even love to swim with dolphins. While swimming with dolphins, Haruka kissed Lincoln on the lips while underwater. She's also the twin sister of Mihoshi Kuramitsu, and she hates that scooter-driving, crazy, troublecausing, heckling old goat, Scoots, with a burning passion.

Suiren Makibi, the Strombonin Gene-Slammer and Water member of The Elemental Dancers, she's Lincoln's Guardian Angel from Japan and classmate in Gym, and she's also one of the best swimmers as well as an a lover of sea creatures, and she also has the beauty to match her swimming skills. She and Lincoln would not only swim underwater in their underwear, but they'd also interact with the sea creatures as well while underwater. One time, Lincoln saved Suiren from a tiger shark using Fluttershy's stare. To show thanks, she kissed Lincoln on the lips underwater. She's also the twin sister of Kiyone Makibi, and she hates that no-good, smelly, unbathed, greedy mutant cheapskate, Flip, with a blazing passion.

Yangchen Fēiniǎo, the Yawstrich Gene-Slammer and Wind member of The Elemental Dancers, she's Lincoln's Guardian Angel from China and classmate in Gym, and she's also an amazing acrobatic and loves to hang with birds. Her last name, Fēiniǎo, means Air Bird in Chinese. She and Lincoln would make birdhouses for various birds and even made a gigantic one for housing a large amount of birds. To show thanks to Lincoln for helping her with the birdhouses, Yangchen kissed Lincoln on the lips. She's also the cousin of Aang, and she hates that rageaholic, anger-mismanagement, sadistic, evil, conniving, pink-haired brat, Trina Riffins, with a blazing passion.

And Kiyoshi Shíhuān, the G'joob Gene-Slammer and Earth member of The Elemental Dancers, she's Lincoln's Guardian Angel from China and classmate in Gym, and she's also a deadly martial artist as well. Her last name, Shíhuān, means Stone Badger in Chinese. She also protected Lincoln from Lori, Luan, Lynn, Lola, and Lisa, as well the bullies. She even enjoys farming as well, and Lincoln helped her grow the crops that she was farming. To show thanks, Kiyoshi kissed Lincoln on the lips. She's also the twin sister of Suki, and she hates that murderous, evil, sadistic, deranged, black-hearted bitch, Lila Rossi, with a blazing passion, and wants nothing more than to kill her for her vile crimes.

When the introductions were done, we were impressed.

Me: Wow. You guys sure know how to dance, and you each represent a different element, that's really awesome.

Nico: Yeah, Haruka represents Fire, Lincoln represents Lightning, Suiren represents Water, Yangchen represents Wind, and Kiyoshi represents Earth, awesome. Plus, each of you hates the jerks with a blazing passion, but Kiyoshi hates Lila Rossi so much she wants nothing more than to kill her for her vile crimes, just like a lot of people we know.

Lincoln: Yep. But, we've got something planned for the jerks later on today.

Haruka Kuramitsu: (Japanese Accent) Humiliations, nice. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Lincoln: Let me guess, you and the others want to give me your blood, right?

Haruka Kuramitsu: (Japanese Accent) How did you know about that?

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Haruka Kuramitsu: (Japanese Accent) Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to each member of The Elemental Dancers, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Haruka Kuramitsu: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Haruka Kuramitsu: (Japanese Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān.

Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirty-four girls, and when Lincoln saw who they were, he immediately recognized them. The thirty-four girls are Akimoto Kōmachi A.K.A. Cure Mint, Urara Kasugano A.K.A. Cure Lemonade, Karen Minazuki A.K.A. Cure Aqua, Rin Natsuki A.K.A. Cure Rouge, and Nozomi Yumehara A.K.A. Cure Dream from Yes! PreCure 5, Akagi Towa A.K.A. Cure Scarlet, Kirara Amanogawa A.K.A. Nicole: (Whistles) Oh man, this has got to be the largest group of girls you've rescued in one rescue, Lincoln.

Girl Jordan: He's rescued large groups of girls before, and this recent large group of girls, oh, we're so going to have a field day getting their names down on Bayonetta's book.

Bayonetta: (British Accent) This is to keep track of the girls our man's rescued, dear. But, you're right, I'll need to get another book.

Lincoln: I'll make sure of that, Bayonetta. Are you girls okay?

Akimoto Kōmachi: Yes, we're okay, thanks to you.

Then, when Akimoto Kōmachi and the other thirty-three girls saw who it was that saved them from the former Darkness Elemental Dancer Zayla Alston, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty-three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Cure Precious, and Ayumi Sakagami with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was a villain from Lincoln's past, a former member of The Elemental Dancers named Zayla Alston, she was once The Darkness Elemental Dancer for The Elemental Dancers, but she wound up getting consumed by fame and glory, and it turned her into a monster just like Anna's former sister, Tanya Anyanova, and she tried to hurt Lincoln and the other Elemental Dancers, but she was caught by the other Guardian Angels, and she was kicked out of the Elemental Dancers, and Alecto Shadowcall put a curse on her and she warned her: if she ever catches Zayla here again for revenge, the curse will have her sealed inside a crystal prison for eternity and sent her to exile, but Zayla Alston came back after all these years in exile, and even worse, Zayla Alston also gained dark powers and the curse Alecto Shadowcall put on her years ago has been broken, and even worse, this was the dark doings of Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall.

But, when Lincoln showed what we did in beating her down and Lincoln changing into his outfit as Lincoln, The Lightning Elemental Dancer, and with his dance skills, he defeated Zayla Alston, removed her powers, and used the King Midas' Golden Touch Vengeance Curse on her and sent her to prison for good and Alecto Shadowcall delivering her warning to Beatrix Redmoon, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I can't believe you once had a Darkness Elemental Dancer in your group, but she'd become a fame-hungry monster like Tanya Anyanova, sheesh.

Lincoln: Yeah, but the other Guardian Angels stopped her schemes long ago and she was kicked out for what she tried to do to us, and Alecto sent her into exile and with a curse on her.

May: But, Beatrix Redmoon just had to mess that up by breaking the curse and giving Zayla Alston dark powers to get revenge.

Alecto Shadowcall: That dark witch just really crossed it now, when we get after her tomorrow on Lincoln's rescue, that witch will pay for everything she's done, along with her family.

Lincoln: We'll make sure the entire Redmoon bloodline is exterminated for good, besides, her skills in The Dark Arts are no match for ours: we're masters of magic that's far more powerful than hers and her family's, and we'll show her what happens when she messes with true masters of dark magic and The Dark Arts.

Bayonetta: (British Accent) If I may, why don't we both face her tomorrow, Linky? After all, we could have our fun teasing and tormenting her before we kill her.

Lincoln: Okay, Bayonetta, we'll both face Beatrix Redmoon tomorrow, and we'll have our fun with tormenting and torturing her before we kill her.

Nicole: Oh crap, a battle between the dark witch and one of the two Umbra Witches and a master of all kinds of magic, this is one battle Beatrix Redmoon won't be getting out of alive, because her skills in the Dark Arts are nothing compared to The Dark Arts of The Umbra Witches and the magic that Lincoln's been learning about.

Lincoln: Yep. Plus, something tells me I'll have to put a rush on a little "order" I've got for Bayonetta.

Nicole: Uh oh, I think I know what you mean by "order", you asked Rodin to make a little something for Bayonetta, right?

Lincoln: Ah, ah, ah, I can't give any spoilers out until tomorrow, Nicole.

Bayonetta: (British Accent) Hmm, a little surprise for me, and it's not even close to Valentine's Day.

Ronnie Anne: And if he's asked Rodin for that, this definitely is something big, and if Beatrix makes her move tomorrow, we all need to be ready for her.

After finally ending Zayla Alston and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Haruka Kuramitsu, Suiren Makibi, Yangchen Fēiniǎo, and Kiyoshi Shíhuān saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Haruka Kuramitsu: (Japanese Accent) Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years.

Kiyoshi Shíhuān: (Chinese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Suiren Makibi: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Haruka Kuramitsu: (Japanese Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Haruka, what memories do you and the other Elemental Dancers have with Lincoln?

Haruka Kuramitsu: (Japanese Accent) Oh, I still remembered this one time, Lincoln, me, Yangchen, Suiren, and Kiyoshi were doing some practice in the dance studio for a little show for a performance at school, and the other Guardian Angels were there as well. But, then, we heard a loud burp in the air, and there was no mistaking that burp from anywhere. Then, the doors burst open, and we saw Lori, Lynn, Lola, Lisa, and Luan standing there with knives, and their eyes were red with hatred and insanity, and we knew they were on the rampage again. So, we had to use our dancing skills to beat Lori, Lynn, Lola, Lisa, and Luan, and we combined that with our elemental powers, and we burned, pounded, drenched, electrocuted, and blew Lori, Lynn, Lola, Lisa, and Luan out the doors and right into Luna's path, where she tied those five up, threw them into Vanzilla, and Mr. and Mrs. Loud drove back to The Loud House to deliver their punishment.

Nico: Jeez, so those five were on the rampage again and tried to kill you all to ruin your performance.

Lincoln: Yeah, they were nothing but gluttons for punishment. Oh, and we updated our code words as well. Ever since another Evil Lynn was Another-ified into Another Dumbbelltron yesterday, we were concerned if Swartz Another-ified evil versions of Lori, Lola, Lisa, and Luan as well, and they also want to kill me as well.

Lincoln gave us the updated code words, in the case of encountering evil versions of Lori, Lynn, Lola, Lisa, and Luan who've been Another-ified by Swartz.

Evil Lori - Code: Control Freak Black

Evil Lynn - Code: Dutch Oven Black

Evil Lola - Code: Blackmail Pageant Black

Evil Lisa - Code: Heartless Science Black

Evil Luan - Code: Deranged Prankster Black

Nico: Nice updates to the codes, and you're right, if Swartz Another-ified evil versions of Lori, Lola, Lisa, and Luan, we're in for one nasty fight with them.

Lincoln: But, my Guardian Angels who hated Lori, Lola, Lisa, and Luan will be ready for them, and so will I, 'cause I've got years of payback to unleash on them!

We got a shower, and then, Lincoln, Cristina, Renee, and Saorise Shadowstrike are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Cristina, Renee, and Saorise Shadowstrike were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

Saorise Shadowstrike: Awesome, we're here in Gelato Beach.

Lincoln: I've been here many times before, and it's always awesome, Saorise. Shall we?

Lincoln, Cristina, Renee, and Saorise Shadowstrike dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they back to the beach and they also had a game of volleyball, and Cristina, Renee, and Saorise Shadowstrike got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cristina, Renee, and Saorise Shadowstrike, and they hugged the girls in their abnormally massive and powerful muscular arms, and Cristina, Renee, and Saorise Shadowstrike placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Girl Jordan: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cristina, Renee, and Saorise Shadowstrike with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Luna: Dang, and now, Cristina, Renee, and Saorise Shadowstrike are part of the dude's harem!

Girl Jordan: We knew it was bound to happen with Cristina and Renee.

Ronnie Anne: Same with Saorise, and make no mistake, Saorise is one awesome karate master, and she had an awesome sparring with Syd's sister, Adelaide.

Nico: Syd did tell us about Adelaide being a karate master, and she can change into her karate uniform in a split second.

Ronnie Anne: Whenever she has to give a demonstration or when the situation calls for her karate expertise.

---

Nico: Guys, I got an idea, how about we head on down to Lynn's Table for some lunch as well as have an awesome humiliation session with the jerks.

Me: Awesome, those jerks are going to suffer the worst humiliation ever!

Lincoln: Perfect!

Beatrice Shadowhold: It sure is. Oh, Lincoln, here's a little something for you.

Beatrice Shadowhold summoned a figure wrapped up in a dark energy straitjacket and dark energy chains, and when Bayonetta saw who it was, she immediately pointed her gun at it: the figure was Singularity, creator and leader of The Homunculi and one of Bayonetta's most dangerous enemies and a massive threat to The Trinity of Realities: Human World, Inferno, and Paradiso and the Multiverse.

Bayonetta: (British Accent) So, you captured Singularity and you had him chained up, hoping I would have my fun with torturing him before killing him, dearie?

Beatrice Shadowhold: Actually, I have a better punishment for this insane monster: Lincoln's going to absorb him and send his wretched soul to The Black Gates, consider it payback and retribution for what he's done.

Lincoln: I already know of what he's done to his own planet and also to so many other worlds in the process, thanks to Bayonetta and he doesn't deserve to live a single second further.

Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger and it opened up into a large mouth and he latches it down on Singularity, who screams in muffled terror as he tries to fight, but he can't as it's useless. Then, Lincoln proceeded to absorb him as his tail sucks the artificial powerhungry being whole into his body, then, Lincoln's blue aura and rainbow energy aura with elemental forces and mythological animals flares up extremely as he gained an extremely massive and astronomical power and energy boost and he assimilates all of Singularity's powers and abilities and he also sucked out all of the energy in Singularity's soul. Then, as soon as Lincoln was done, the stinger changes back, and then, a card with Singularity's spirit imprisoned and extremely weakened appeared in Lincoln's large left hand, and the Judgement Kanji appeared on Singularity's forehead and he was forever erased by The Black Gates for his crimes.

Lincoln: That's for what you've done to your world and to so many worlds in the Multiverse.

Lincoln then burned the card as it was engulfed in purple flames. Just then, Bayonetta held Lincoln's hand, as he turned to her and hugged her.

Bayonetta: (British Accent) Looks like that's another of my old enemies put down for good. Now, shall we be off for Lynn's Table, plus, I've also got a guest joining us for the humiliation session.

Nico: This should be good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Rafael Macias of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Rafael Macias of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Zoe Kokkator: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Rafael Macias for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's head down to Lynn's Table for some lunch and one awesome humiliation session with the jerks.

Lincoln: Flip and the other jerks better be ready to cry like little babies 'cause we're not showing any of them any mercy at all, and once we get done making them suffer, you better say your prayers, Rafael Macias.

Zoe Kokkator: (Spanish Accent) That's right, Linky. You better say his prayers, Rafael Macias, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Later it was time for Yan Lin's first ever ambassador mission.

Hay Lin: Grandma I'm so excited for you.

Yan Lin: I am too Hay Lin.

Qin: We all are Yan Lin. This is gonna be so awesome for you.

Me: Yep you're going to live Jim and his friends. And I have something I want to say to that jerkwad Steve for hurting Jim though.

Nico: Is he a bully?

Me: Yep. Even though he got better what he did was wrong.

Nico: Oh boy.

William: Anyone else want to go with Yan Lin? Besides Mal and 4 Rabbids?

Hay Lin: You know I will go with.

Qin: Okay then.

Will: Me and the Guardians will go too.

Nico: Awesome.

Me: Cool.

Nico: Okay are we ready?

Me: Lets head out for California guys.

We were off to Arcadia Oaks in California.

## ARCADIA OAKS, CALIFORNIA

We arrived.

Me: Here we are guys.

Nico: Arcadia Oaks. Wow. Nice place.

Hay Lin: It sure is.

Jim came up to Mal.

Jim: (to Mal) You're the daughter of Maleficent, right?

Mal: That's right. Mal is my name. You must be Jim Lake Jr.?

Jim: That's right.

Me: Long time no see Jim.

Jim: Hey J.D.!

We high five!

Toby and Claire came too.

Toby: Hey J.D. you're back!

Claire: It's awesome to see you.

Me: Same here guys! You're all looking great.

Nico: Awesome to meet you guys.

Jim: Team Loud Phoenix Storm! Wow it's an honor!

Nico: Same here.

Eli: We are here for a mission.

Yan Lin: It's my Ambassador Mission actually. My name is Yan Lin, Guardian of Air for Candrakar.

Me: It's part of a special Diplomatic Mission Program we made.

Hay Lin: Yan Lin is my grandmother.

We had everyone introduce themselves.

Claire: Wow it's aweosme to meet you guys.

Cassidy: Same to you.

Halinor: We're really honored.

Jim: Wanna talk more at my house?

Me: Sure. (Sees something) One sec.

I went over and saw Steve and he was shoving a kid into a locker and then I tapped him on his shoulder and then he saw me.

Me: Hey Steve remember me?

Steve gasped and then…

POW!

I punched him in the face and knocked him down.

Then I grabbed him by the shirt and braced him up with my tail and I let the kid out.

Steve: Hey J.D. Long time no see.

Me: I can see you haven't changed a bit Steve. But you need to learn some manners still. Lets get one thing straight Steve, you don't EVER pick on Jim or his friends or any of them as long as I'm present. Jim and his friends have been through hell with all kinds of things and you are not going to mess it up for them! Not while I'm present! Just stay out of my way. Consider this my warning.

I let him go.

Mal: I'm sure he gets the message.

Me: He better.

We went to Jim's house.

Jim: I'm home mom! I brought some friends.

Barbara Lake: Oh J.D.! Good to see you.

Me: You too Mrs. Lake it's great to see you again.

Nico: Pleasure to meet you ma'am.

Barbara Lake: Same to you Nico.

Yan Lin: We're with Jim and friends to help him out if the need be.

Jim: Um… Yan Lin, why are you considered Hay Lin's grandma? You look pretty young to me.

Nico: That's because she was originally an old lady.

Jim: Say what?

Nico: Yeah, let that sink in for a minute.

Me: When she joined us she regained 40 years of her youth back.

Irma Lair: Yeah it's a long story.

Taranee: It sure is.

Jim: Wow.

Nico: How exactly did you and J.D. meet?

Me: I was wondering when you were gonna ask that.

Jim: Me and J.D. met when we stopped the Eternal Night the last time and J.D. used his powers to cure me of my troll side.

Me: It was during when I lived in Colorado and I helped Jim on many of his adventures and that day was also the day I learned that I had the power to do anything with just a snap of my fingers.

Nico: Really? Cool!

Mal: Has there been any trouble these days?

Jim: My enemy Angor Rot is causing trouble.

Me: Then we'll finish him for good. I hope he isn't the main target for the big day.

Jim: No Morgana is.

Nico: Morgana? You mean Morgan Le Fey!?

Eli: The most powerful evil sorceress that ever lived!?

Jim: Yep.

Me: We faced her many times.

Mal: I think there's no harm in sealing Anger Rot in the Book of Vile

Darkness. It's not every day we use that these days.

Me: Nope. I was hoping for the Black Gates because he wants nothing more than to kill the TrollHunters.

Claire: Black Gates?

Me: The deadliest technique we have in our arsenal.

I told them all about it and it was amazing.

Claire: Whoa!

Toby: So they are gone forever and we never have to see them again?

Me: Yep. Because of the horrible crimes they did they are erased forever from existence.

Nico: Yep.

Cassidy: It's good for us and the rest of the world.

Mal: But Anger Rot gets the Book of Vile Darkness because of the person he used to be.

Me: I understand.

Nico: Good.

Me: I remember that he turned against Morgana. Besides Morgana is the greater threat. Claire is Morgana still causing problems even after what happened?

Claire: So far nothing. But I have been having these bad dreams about her. I think she is coming back inside me.

Me: Uh oh. She's trying to come back through you. But luckily I have a plan for that.

Cassidy: Like we did with Teruo we'll have the Hernandez Sisters bring her back and then we can beat her up and banish her to the Warp and then wait for the big day to help out.

Jim: When is the big day with me?

Me: April 2nd. We have the Ridonculous Race to do after March 19th.

Jim: You sure that's a good idea after what happened with Team Buktu?

Toby: No way we bought any bullshit they said, BTW.

Me: Glad you didn't believe any of that. But believe us we are still going to participate. Not even Team Buktu can crush our spirits.

Nico: Besides it's still fun. Also we have our crime stopping system will help protect the city.

Me: Besides not only do we go all over the world but we see so many different places that we haven't gone to and we see and learn about what they have and more.

Jim: I just hope no one else tries to attack Gotham Riyal York while you guys are doing that.

Me: Don't worry guys. The president and the security satellite grid as well as our security system will watch for it all.

Nico: Yep.

Jim: Good.

The Rabbids gibbered.

Me: Oh sorry. These little guys are Rabbids.

Toby: They are cute.

Me: Yeah they sure are. But they are not the brightest lightbulbs in the closet of you know what I mean.

A Rabbid tried to lick one of Jim's books.

Jim: No! That's not for licking!

The Rabbid raspberried him.

Jim: Don't you raspberry me!

We laughed!

Me: (LAUGHS) See what I mean? They are idiots. They are not very smart. But they are great for a good laugh.

Nico: It's true.

Eddy: (LAUGHS) They sure are.

Me: Yeah.

Will Vandom: Yeah they are funny and know all sorts of funny things.

They farted and sounded like bagpipes.

We laughed.

Nico: See?

Yan Lin: All we can do is wait for Anger Rot to make his move.

Me: And just a forewarning we have a dark side of Eddy that is coming. He is going to try and kill you guys.

Eli: It's true.

We told them what happened and it was crazy.

Claire: Oh man!

Jim: Not good!

Barbara Lake: Oh man! Jim I can't let you go!

Jim: Mom I'll be fine.

Me: Mrs. Lake I promise Jim will be okay. Besides, like us, Jim was given a massively huge job and a massive responsibility like us. And our number 1 rule is that with great power comes great responsibility.

Eli: It's our most important rule.

Jim: That's right mom. I was undergoing a lot of training and helping people out.

Me: It's true.

Toby: Besides, we greatly outnumber them.

Me: So do we. With strength in numbers we're unstoppable. But lets not get cocky.

Cassidy: I agree.

Me: Besides I got an awesome surprise in store for Dark Eddy.

Toby: What is it?

I showed my new blaster.

Me: Dark Eddy isn't the only one now with an awesome laser blaster.

I saw a little evil troll coming at Jim and I pulled the trigger and then…

BOOM!

It fired a red laser blast and it hit the troll and obliterated it into nothing.

Nico: WHOA!

Me: (Gun Twirl) (Blows on the muzzle) (Holsters it)

Nico: Nice shot!

Toby: I saw that troll coming and J.D. blasted it into nothing!

Me: I went to our shooting range and got some practice in with it.

Eddy: Save some for me too.

Nico: Oh we plan to.

Claire: That blaster is awesome though.

Me: Thanks. Got it on Nico's recent rescue.

Halinor: It sure is awesome and cool.

Cassidy: It sure is.

Elyon: Yeah it is.

Claire: Wait. Something's coming up!

We saw ANGER ROT AND HE WAS DESTROYING THE STREETS!

Nico: He made his move!

Cassidy: Lets get a move on!

Nico: You heard her!

Jim: FOR THE GLORY OF MERLIN, DAYLIGHT IS MINE TO COMMAND!

He donned his Daylight Armor and sword!

Claire got her Shadow Staff!

And we were off.

We arrived and looked around.

Jimmy: Do you guys see him?

Mal: Nothing so far. Maybe he left.

Nico then felt something breathing behind him. He turned around and saw Anger Rot there.

He flipped and threw him down into the ground.

Nico: Not very smart sneaking up on me Anger Rot!

Anger Rot: I don't care as long as I kill you all!

Me: Still as rotten as all get out huh Anger.

Anger Rot: So you're back J.D. Now I can kill you just like how you nearly killed me.

Me: Looks like you and I have some unfinished business to do.

I fired waves of energy and blasted him down.

Nico: Phew! What the hell have you been eating, man? Here, let me help you out

Nico reached into one of his pockets to pull out a spray bottle before using it to spray inside of Anger Rot's mouth as Anger Rot holds his neck with his hands as he starts coughing up violently.

Anger Rot: (coughing) What the Hell was that stuff you just spray into my mouth?!

Nico: Oh, that was just pepper spray. I ran out of peppermint kind a while back so I had to replace it with this. (sees Anger Rot's pissed off expression) You seem really pissed off, pal.

Anger Rot: I WILL KILL YOU AND RESURRECT YOU AND KILL YOU AGAIN!

Me: Bring it on chump!

Eli fired waves of Force Lightning and electrocuted him.

I fired more energy waves and blasted him all over.

Nico: Sheesh this guy has a nasty temper.

Mal: (Gets out Midnight Sun's Disk Animal) Better get started before Dark Eddy gets here!

Mal pinged it and it formed into a miniature Midnight Sun and it fired waves of energy and darkness and smashed him down.

Me: Nice! Lets see. (Gets out Lord Drakkon's Disk Animal)

I pinged it and it formed into a mini-Lord Drakkon and fired green energy blasts and blasted him down!

Eli: WHOA!

Will Vandom: Lets get him! GUARDIANS UNITE!

The Guardians transformed!

Will Vandom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan McCallister: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

We were ready!

I fired waves of lightning and electrocuted Anger Rot all over.

Anger Rot charged at Nico but he jumped over him as he hit a fire hydrant instead.

BLANG! SPLASH!

Nico: Come on you can do better than that chump!

Anger Rot roared and went at him and Nico dodged his punches and taunted him all over the place and he was getting weaker and weaker with his rage while we were getting stronger and stronger!

Nico kicked him in the back and he crashed into a street light!

Nico: What's the matter troll head? Had enough?

Anger Rot growled ferociously!

Anger Rot: (ENRAGED SCREAMING) I HATE YOU ALL! I WILL KILL YOU!

Our auras flared up with extreme ferociousness!

Nico: Nice!

Jim: WHOA! What was that!?

Claire: WHOA! Why do I suddenly feel so powerful!?

Me: It's one of our many powers. We have the power to get stronger from absorbing the negative energy of hatred and negative emotions.

Nico threw a flash bang grenade at him.

BANG!

He was blinded and deaf for a bit.

Nico: YEAH!

I then saw a laser scope target on Jim's back and I sensed that it was coming from a bush and then pulled out my blaster and fired and it hit a figure and it was Dark Eddy and he had his hands blown off!

Me: BULLSEYE!

Dark Eddy fired his blaster at Anger Rot, getting him in the shoulder.

Dark Eddy: (to Anger Rot) I'll deal with you in a minute. (approaches Claire and Toby menacingly)

Toby: We're gonna die!

Claire: Think positive!

Toby: We're gonna die quickly!

Eddy: You're not dying at all!

Eddy fires his blaster but Dark Eddy countered with his own blaster fire.

I fired my blaster and blew Dark Eddy's hands clear off and he screamed in pain!

I fired my blaster more and blasted him in his shoulders.

Jim: So he's Dark Eddy?

Eddy: Yep. That's my evil twin.

Jim: I definitely can see the difference. He has piercing red eyes.

Anger Rot charged at Nico again but he dodged it and he ended up charging at Dark Eddy instead.

SMASH!

He smashed him down!

Nico: Take that.

Anger Rot: YOU WATCH IT YOU FREAK!

Dark Eddy: WHY YOU LITTLE!

Dark Eddy bashed and smashed him all over in a brutal fight cloud.

Me: For the love of mike.

Nico: I think Big Guy is starting to rub off on you J.D.

Me: Yeah.

Anger Rot: Stay out of this! J.D. is mine to kill!

Dark Eddy: Get in line, dumbass!

Nazz: Maybe if you weren't insistent on working alone, you would've been able to recreate the 20 Days of Darkness.

Me: Nazz don't give him any ideas.

Nazz: Sorry.

Dark Eddy: I DON'T NEED ANY HELP!

Dark Eddy pulverized and smashed Anger Rot!

Dark Eddy: IF I HAD MY HANDS I WOULD KILL YOU ALL RIGHT NOW!

Nico: (to Dark Eddy) Oh, don't be a baby. You'll get your hands back.

Kevin: (laughs) Yeah, about a week from now during Nerissa's first mission! Dork!

Me: BURN!

Nico: Yep!

Eli fired a Force Blast and sent him back into the Book of Vile Darkness Dimension.

Eli saw Dark Eddy's blaster and decided to put it to use for himself.

Eli: If bro can use a blaster then so can I.

Jim: I guess that means Dark Eddy doesn't have a blaster now.

Mal: For the moment. But he'll probably get a new one by next time the same way he got this one after Eddy ejected him from his body.

Me: Yep. But he only has 12 times left.

Jim: What do you mean by that?

Me: Nico put a curse on Dark Eddy that will banish him to the Black Gates after 24 First missions for the Ambassadors. This is number 12 so that means we're at the halfway mark.

Will: We sure are.

Eddy: It's true.

Nico: I hope another Gene Slammer shows up!

Jim: Gene-slammer?

Nico: Ugly story.

But then…

SLASH SLASH SLASH SLASH!

Anger Rot was slashed all over by a fast force. Then we saw a Sneasel.

Me: Hey a Sneasel!

Nico: Cool!

Jim: Just like old times!

Me: You got that right!

Nico: Yeah!

Eli: That was great!

Claire: Just like old times J.D.

Me: You got that right Claire. And even more fun because all of us are here.

Kadma: That's true.

Toby: Now, who's the Sneasel?

Me: Yeah we owe you big.

Sneasel: (In a girls voice) Yeah it was no problem.

Nico gasped.

Nico: Erin?

Sneasel: Yep.

Nico: Guys meet Erin Clewell. She is a great detective.

Me: Cool!

Jim: Do you have any favorite memories of Nico?

Sneasel: My favorite is when me and Nico solved the case of the missing jewels of Saudi Arabia and the Sheik gave us a huge reward for it and the culprits were banished and sent to the Black Hole of Calcutta.

Me: Wow! I've read all about that in the world news! That was cool!

Cassidy: It sure was.

Elyon: I'll say!

Me: Lets get you back to normal.

I put on my blind man glasses.

Jim: Shades?

Me: Oh blind man glasses. I can't see anything out of these.

Claire: Let me guess, sometimes they are naked when they revert back and Nicole will kill anyone that peeks at them.

Me: You did your homework Claire.

Claire: I've seen how Nicole hates perverts.

Me: Nice catching on.

Nico covered his eyes and got out a black leotard and I snapped my fingers and the boys covered their eyes as she was reverting back. She was a girl with black hair and red eyes and was naked and Nico gave her the leotard and she put it on and got up.

Erin Clewell: Whoa that was rough.

Nico: Are you okay?

Erin Clewell: I'll be all right.

Nico and Erin hugged.

Nico: I've really missed you.

Erin: Me too Nico. Me too.

---

We later came back.

May: Hey welcome back guys. How did it go?

Me: Really awesome!

We told everyone all about it and it was great!

May: COOL!

Qin: Wow that was awesome! Erin it's awesome to see you again.

Erin Clewell: You too Qin. And guys I'm glad you're all back.

Missy Rodger: Same here. Welcome back Erin.

Yan Lin: It was awesome though helping out Jim.

Me: It was just like the old times.

May: Next time, Lucemon should go with you.

Yan Lin: Good idea!

Qin: I can't wait to see who we face next.

Later we were watching TV and then Pinkie Pie came in holding her hand on her stomach.

Rusty: You okay, Pinkie?

Pinkie Pie: My tum tum is acting weird.

Me: What's the matter?

Pinkie Pie: I don't know.

But then her stomach churned and her face turned green.

Pinkie Pie: UH OH!

ZOOM!

I ran and brought her a trash can and she threw up!

Me: Geez!

Lola: Boy that is awful.

Me: Did you eat something bad Pinkie?

Pinkie Pie: (VOMITS) I don't think so.

Me: Better call in Varie and Lady Tsunade.

They came and they ran some tests.

Lady Tsunade: Well you look all right Pinkie.

Varie: Hmm. I wonder.

Varie scanned her stomach and gasped.

Pinkie Pie: What is it?

Varie: Well it's about time you had this happen. Pinkie Pie…

Nicole: I don't believe it!

Pinkie Pie: (GASP) You mean I'm! I'm!

Varie: Yep you are pregnant Pinkie Pie.

Lincoln: (GASP) Pinkie! (EXCITED) PINKIE YOU ARE GOING TO BE A MOTHER AGAIN!

Pinkie Pie: (OVERJOYED) I'M PREGNANT! WOOHOO!

She turned into a ball and ricocheted off the walls and pinball bumper noises were heard!

BOING BOING BOING BOING BOING BOING ZOOM ZOOM ZOOM ZOOM BOING BOING BOING BOING BOING!

She was bouncing off the walls like a pinball in a pinball machine!

Brittney: What's going on here?

Pinkie Pie: A BABY, BRITTNEY! I'M GOING TO HAVE A BABY!

Brittney: WHOA!

We cheered wildly for Pinkie and she and Lincoln hugged.

Pinkie Pie: I'M PREGNANT! I'M PREGNANT! I'M PREGNANT! I'M PREGNANT!

POP!

She fell to pieces.

Pinkie's Mouth: Go Pinkie.

Big Guy: For the love of mike.

We put her back together.

Undermine: Good thing we don't have anything big planned for today.

Nico: Thank goodness.

The Previous group of M.O.E. Members came and it was Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Kangor, Spot, 2016 Morbucks, Jack O Lantern, Turtle, Comrade Red, Country Boy, Evil Flare Woman, Yost X 23, Psyphon, Evil Star Man, Weather Report, Glomgold, Rishu, and Scirocco Mole.

Firebrand: What's all the excitement about guys?

Turtle: We heard Pinkie Pie bouncing off the walls and she was so excited.

Nico: Pinkie has great news!

Evil Flare Woman: Let me guess, she's going to have a baby?

Me: Bingo.

Qin: We're really excited her her.

Twilight Sparkle: And she is the last one of us to get pregnant.

Nico: We're really excited for her.

Red Lantern Ratchet: Nico, which teams have you made this time?

Nico: Tommy Himi's team will include Luna Lovegood, Hayley Buckingham, Big Guy & Rusty, Illusen, and Dr. Erica Slate. Frosta's team will include Shirahoshi, Gloria Gillespie, Nereid the Water Faerie, Space Faerie, and Tooth Faerie.

Me: Cool!

Rusty: All right Big Guy! We're on a team!

Big Guy: I have a feeling this will be as fun as flossing some titanium teeth.

Space Faerie: It sure will be.

Shirahoshi: I agree there too.

Illusen: You got that right.

Me: And Shirahoshi, I gave you the power to shrink and grow at will just so you know.

Shirahoshi: Thanks J.D.

Saix: It's obvious that me, Firebrand, Man Boy, Femme Fatale, Trapster, Kangor, Spot, 2016 Morbucks, Jack O Lantern, and Turtle are coming with you guys?

Psyphon: Me, Comrade Red, Country Boy, Evil Flare Woman, Yost X 23, Evil Star Man, Weather Report, Glomgold, Rishu, and Scirocco Mole are coming as well.

Nico: Yes you guys can come with.

Me: Also you were just curious as to what was going on.

Nico: Yeah.

Evil Star Man: Yeah but congratulations Pinkie.

Pinkie Pie: Thanks guys.

Me: We'll go to the doctor after we have our fun.

Varie: Yep.

Indigo Zap: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for Plioswine and Octillery next.

Qin: Cool! Hey Nico someone is behind you.

Nico: Where.

He saw a figure and it was an Ursaring eating a jar of honey!

Me: Hey an Ursaring!

Qin: Cool!

Me: Wow and this one really likes honey.

Nico: No kidding.

Ursaring: (Slurps) (In a girls voice) Sorry about that. I love honey.

Nico: (GASP) Brianna Beevania! Wow!

Qin: Hey our awesome resident honey master.

Ursaring: (LAUGHS) You got that right Qin.

She reverted back and was a girl with blond hair and brown clothes and had a brown crescent moon in the middle of her forehead.

Xenia: You sure love honey.

Brianna Beevania: I sure do. Eat it all the time.

Maria: What's your favorite memory of Nico?

Me: I think it has something to do with honey.

Brianna Beevania: Yep. Me and Nico rainbow honey.

Me: Rainbow Honey?

J.D. 2: (Through my crest) I haven't had that in ages. It comes from the nectar of a flower that grew in my dimension called the Rainbow Nebula Goldenrod. It tastes like the true nectar of the gods and is the best honey ever.

Me: Whoa! That is cool!

Brianna Beevania: Yep. This flower made me and my family rich and wealthy.

Nico: It's really awesome honey.

Xenia: That is awesome.

Me: Yeah! We'll have to try some of that honey later.

Nico and Brianna hugged.

Nico: I've really missed…

Brianna stuck some honey on her finger in Nico's mouth.

Nico: Mmm!

Brianna Beevania: Me too my honey making partner.

Nico: I really missed you.

Brianna Beevania: Same here.

Camie: That's awesome.

Qin: It sure was.

Nico: Lets go head to Lynn's Table and have lunch and an awesome humiliation session.

We went to Lynn's Table.

* * *

At Lynn's Table, the jerks were grumbling and were now extremely getting pissed off at the amount of humiliations they've had to suffer through at our hands. Suddenly, black and red butterflies came inside the restaurant flying around the jerks, but then, demons began attacking the jerks and more gold and jewels came out of them. Then, a tornado of darkness appeared out of nowhere as Infernal Demons were running around the vortex unleashing unrelenting torment and agony on the jerks, followed by an explosion and a Phoenix and Thunderbird cry as the tornado vanished, and we appeared.

Nico: Good afternoon, Lynn's Table crew.

Man Boy: Here we are!

Country Boy: Sorry we're late!

Lynn Sr.: Hey, guys. That was an awesome entrance, and if I had to guess, you let Bayonetta do the entrance, right, champ?

Lincoln: Right, Dad.

The jerks were growling angrily, and they were now mega pissed off now.

Nico: Oh go suck on a doorknob asswipers.

Me: (Snickers) Looks like Bayonetta's grand entrance has got the jerks mega pissed off now!

Lincoln: Looks like it. But, the jerks deserve it for everything they've ever done in their lives, and I'm so going to enjoy this! (To Killjoy Huggins, Flip, Lewis Travolta, Pablo, and Anderson) And I think I'll start with you five first! (Speaking in Enochian) APACHANA NAPTA

Coils of darkness appeared behind Lincoln, and two large red portals with Enochian runes opened up, and out came the six arms of the Infernal Demon, Hekatoncheir, Shatterer of the Earth. The six arms proceeded to punch Killjoy Huggins, Flip, Lewis Travolta, Pablo, and Anderson with such ruthless brute force and more gold and jewels came out of them, and they were really bruised bad, and the six arms were dispatched.

Bayonetta: (British Accent) Smashing, Linky, truly smashing!

Nico: Which Infernal Demon was that?

Lincoln: That was Hekatoncheir, Shatterer of the Earth. When it comes to brute strength, this Infernal Demon's also another heavy-hitting demon Bayonetta has a contract with.

Me: Yeesh, that's brutal. But, also good for giant enemies as well, that's awesome.

Suddenly, we heard a motorcycle engine outside.

Bayonetta: (British Accent) Ah, that must be our guest coming to join in.

Then, the doors opened, and we saw a tall, slender, youthful looking woman with porcelain skin and thigh length platinum hair, a bodysuit that resembles Bayonetta's default appearance in Bayonetta 2, but colored white, an Umbran Watch placed near her left breast, and in her hands and on her heels are All For One with cat charms on the guns. It was none other than Jeanne, Bayonetta's childhood friend, and the second of the Umbra Witches.

Bayonetta: (British Accent) Ah, Jeanne, so glad you made it.

Jeanne: Sorry I took long, the traffic there was quite unbearable, Cereza.

Me: Cereza?

Nicole and Lincoln: Bayonetta's real name.

Jeanne: (Sees us) Wait a second, you're Team Loud Phoenix Storm, aren't you?

Nico: Right, Jeanne. So, you're the special guest Bayonetta mentioned.

Jeanne: That's right, when she told me of what you all were about to do in humiliating the jerks, she decided to call me over to join in.

Nicole: We're glad she did. Oh, and I think there's something that you should know, Jeanne.

Jeanne: You mean of Cereza getting together with Lincoln Loud? Oh, I already know about it, Nicole. By the way, where is he?

Lincoln tapped her shoulder, and when she turned to see who it was, she suddenly looked up to see the man who's Bayonetta's

future husband.

Jeanne: Oh my, you're… Lincoln Loud of Team Loud Phoenix Storm? I must say, Cereza certainly was not kidding around when she described you: tall, handsome, big, and muscular.

Bayonetta: (British Accent) And he's known to be quite a gentleman. But, of course, he's also known to be quite passionate.

Lincoln blushed at what Bayonetta said.

Luna: And don't worry, we've kept an eye on your Umbran sister, and she's more than once flirted with Lincoln.

Laney: Well, some of his Guardian Angels have also flirted with him in the past, Luna.

Jeanne: (Intrigued) Well, well, well, looks like someone has quite the reputation with the ladies.

Nico: Uh oh, I sense something about to happen.

Suddenly, Jeanne walked up to Lincoln, who knew what was coming, and he then hugged her in his abnormally massive and powerful muscular arms, and he slowly leaned his head down to Jeanne's face and he kissed her passionately, as she returned the kiss, and we cheered.

Jeanne: (Seductively and rubs her right hand on Lincoln's massive right pec) Tall, handsome, big, strong, and a passionate kisser, I think I can get used to this.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Jeanne's neck with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Bayonetta: (British Accent) Looks like Linky's got a new future wife and addition to his harem, nice.

Flip: Eww, gross!

Eli: Shaddup, you mutant cheapskate!

Eli fired Force Lightning at Flip and electrocuted him big time.

Jeanne: Well, the fun's already getting started. Let me have a go at them. (Speaking in Enochian) PDI BARMA!

Coils of Jeanne's hair came down as a portal opened up, and a figure came out, it was Madama Styx, Decider of Ends, Jeanne's Contracted Demoness. Madama Styx proceeded to viciously attack all the jerks and she even scratched them with her nails, leaving scratch marks and more gold and jewels came out of them, then, Madama Styx was dispatched.

Nicole: That was Jeanne's Contracted Demoness, Madama Styx, Decider of Ends. But, unlike with Madama Butterfly who has a butterfly theme, Madama Styx has a moth theme, but she's just as deadly as Madama Butterfly.

Me: And we saw how deadly Madama Butterfly is when Bayonetta summoned her on the jerks.

Nico: We sure did.

Tricloid: Let's give them Poo Faces next!

Me: Oh I plan to.

I tripped Amy and she fell face first into a pile of bear poop!

SPLAT!

Amy: (SPITS) EW! WHO BROUGHT IN A BEAR IN HERE!?

N'Dugo: Bad girl falls in poop classical element of physical comedy. Now comes the part where we throw our heads and laugh. Ready?

Everyone: Ready! (Laughs Hysterically)

THAT ALWAYS CRACKS ME UP!

WE LAUGHED!

Yost X 23: What next?

Trapster: How about I shoot glue at them?

Nico: Go for it.

He shot glue at the jerks and it was awesome and sticky.

Nico: Nice.

Big Guy: Time to give these guys a dose of American Justice. CANDYGRAM!

He had his blasters and missiles fire and they blasted the jerks all over to kingdom come and really were pumped full of lead and smashed them all over the place. Then a massive eruption of gold, jewels and diamonds blasted out of them.

Nico: Take that!

Robin Food: Me and the Hungry Men will do this next one!

Me: Go for it.

They went and bashed and pulverized the jerks all over the place.

Robin Food: Todays special pulverized jerks with an extra side order of pain.

She came back.

Me: Feel better Vambre?

Me: Just for that one Amy, I'm going to blow you to pieces!

Scirocco Mole: Non fatal, of course.

Turtle: It's my turn!

But then a massive pile of jemms blasted out of Amy.

I caught it and gave it to the Warrior Siblings.

Me: WHEW! Whoa! Lincoln I didn't know your curse does different kinds of currencies. Including Jemms.

Lincoln: You never asked.

Me: Touché. Lets see here. (SPINS MAGISWORD BRACELET)

Poliwag: You got it!

Poliwag slapped Amy all over the place with his tail all over with intense force and then blasted her with a HYPER BEAM BLAST and she exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was burned and badly hurt and she had a massive pile of gold bars explode out of her and Poliwag got them as an awesome tip.

Poliwag: The great thing about this job is that you get a great tip from keeping her in line.

Me: Awesome!

Lynn Sr.: Order up!

Nico: Oh take five guys. Time for grub.

We got our food and got to eating.

Me: (Eating an Ultimeatum) Mmm! Delicious!

Jack O Lantern: I can tell you this isn't explosive.

He got out a Pumpkin Pie.

Me: A Pumpkin Pie?

Jack O Lantern: You'll see.

He threw it and it hit Walter Peck and then a massive explosion of marshmallow cream blasted out and covered him and he shouted out horrible words at us yelling how much he hated us with incredible fury and our auras exploded out!

Nico: WHOA!

Qin: That is awesome.

Nuova Shenron: Though, no offense, but a Sneasel isn't really the biggest Pokemon out there.

Erin Clewell: None taken but it still packs a wallop.

Me: You should have seen what she did to Anger Rot earlier. She mutilated him with her claws and speed.

Nico: It's true.

Allie Wilde: That is so cool though. But it's awesome that you and Nico have known each other for a long time. Just like how me and J.D. have known each other in our school days.

Erin Clewell: That is awesome Allie.

Pinkie Pie: It sure is!

Mr. Go: (to Nico) We heard you faced Number 7's fellow robots.

Nico: We sure did.

Po Kong: They'll make excellent additions.

Me: I thought it was a good idea.

?: That is cool

A figure came out and it was SHORTY from episode 21 & 22 of SPD!

---

Shorty was called upon by Morgana to team-up and take over Earth, him acting as the muscle in her scheme. They were soon joined by Shorty's brother, Devastation, and they summoned a firework display on Earth.

Shorty proved to be a powerful adversary, able to challenge the Shadow Ranger's skill and even could defeat the B-Squad Rangers alone.

Shorty later grew into a giant when he was attacked by the Canine Cannon. With the Delta Runners still under repair from an earlier attack, the Rangers joined up with Shadow to form the Delta Command Megazord.

However, Shorty was much too fast, jumping all over the place so they couldn't launch any kind of attack, and blasted the Megazords.

Luckily for the Rangers, the (then unidentified) Omega Ranger showed up in his Omegamax Cycle which was able to keep up, and he was finally destroyed by the Omegamax Megazord using its Omegamax Spinout.

---

Sam the Omega Ranger: Shorty!

Shorty: Been a while Omega Ranger!

Me: I remember you! You were sent by Morgana to take over Earth and you were her muscle in her scheme and Sam the Omega Ranger destroyed you and made you one of those rare instance kills.

Shorty: That's right. Good memory.

Me: Yep.

Shorty: I didn't expect to be blown up last time!

Sam the Omega Ranger: Sorry! I didn't exactly have time to contain you that day.

Me: Oops.

Qin: That's okay though.

Me: Now we can make up for that.

We got the battles underway.

The story is she was once The Darkness Elemental Dancer for The Elemental Dancers, but she wound up getting consumed by fame and glory, and it turned her into a monster just like Anna's former sister, Tanya Anyanova, and she tried to kill Lincoln and the other Elemental Dancers, but she was caught by the other Guardian Angels, and she was kicked out of the Elemental Dancers, and Alecto Shadowcall put a curse on her and she warned her: if she ever catches Zayla here again for revenge, the curse will have her sealed inside a crystal prison for eternity. But now, Zayla Alston is back after years in exile, and even worse, the curse Alecto Shadowcall put on her years ago has been broken, and Zayla Alston also gained dark powers, thanks to a deal she made with Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, and even worse, Beatrix Redmoon was the one who broke Alecto's curse that she put on Zayla Alston, now, we're going to take her down and Lincoln's going to remove her powers and send her straight to jail, and Alecto's going to give a really nasty warning to Beatrix Redmoon before we head back.

But, then, we heard a loud burp in the air, and there was no mistaking that burp from anywhere. Then, the doors burst open, and we saw Lori, Lynn, Lola, Lisa, and Luan standing there with knives, and their eyes were red with hatred and insanity, and we knew they were on the rampage again. So, we had to use our dancing skills to beat Lori, Lynn, Lola, Lisa, and Luan, and we combined that with our elemental powers, and we burned, pounded, drenched, electrocuted, and blew Lori, Lynn, Lola, Lisa, and Luan out the doors and right into Luna's path, where she tied those five up, threw them into Vanzilla, and Mr. and Mrs. Loud drove back to The Loud House to deliver their punishment.

Nico: Jeez, so those five were on the rampage again and tried to kill you all to ruin your performance.

Lincoln: Yeah, they were nothing but gluttons for punishment. Oh, and we updated our code words as well. Evil Lori - Code: Control Freak Black

Evil Lynn - Code: Dutch Oven Black

Evil Lola - Code: Blackmail Pageant Black

Evil Lisa - Code: Heartless Science Black

Evil Luan - Code: Deranged Prankster Black

Nico: Nice updates to the codes, and you're right, if Swartz Another-ified evil versions of Lori, Lola, Lisa, and Luan, we're in for one nasty fight with them.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Rafael Macias of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Rafael Macias.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Rafael Macias, the next member of The Order of Nuestra Señora de la Santa Muerte.

Zoe Kokkator: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Rafael Macias: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Zoe Kokkator's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Kokkator-themed greatsword from her back, and as she approached Rafael Macias, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Zoe Kokkator: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Rafael Macias. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Kokkator and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Zoe Kokkator was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Kokkator flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Zoe Kokkator emerged, but she was changed forever.

Zoe Kokkator grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Kokkator emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Ganashia with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Zoe Kokkator has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Kokkator surrounded by darkness and light and imps and on top of The Fabled Kokkator is an anti-Sergio symbol. Suddenly, Zoe Kokkator felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Zoe Kokkator has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Zoe Kokkator's massive The Fabled Kokkator-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Kokkator's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Kokkator etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Kokkator's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below The Fabled Kokkator that said, "Zoe Kokkator, Gene-Slammer of The Fabled Kokkator, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Rafael Macias of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Zoe Kokkator has transformed into SUPER ANGEL-THE FABLED KOKKATOR-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED KOKKATOR ANGEL

OF DIVINE DARK FABLED KOKKATOR IMP JUSTICE AND DIVINE FABLED KOKKATOR IMP LOVE!

We were amazed by Zoe Kokkator's Super Angel-The Fabled Kokkator-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Rafael Macias saw it, he went insane and he got out his sacrificial knife to stab her, but Zoe Kokkator fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Rafael Macias, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Zoe's transformed.

Lincoln: Yeah, and she really sent Rafael Macias back with that energy blast she fired and that really pissed him off now, and Zoe, you look beautiful, how do you feel?

Zoe Kokkator: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Kokkator and Divine Darkness Light Fabled Kokkator Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Rafael Macias once and for all?

Lincoln: (Smiles) With pleasure, Zoe.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Zoe Kokkator.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're

done running, Rafael Macias, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Zoe Kokkator and Lincoln went after Rafael Macias, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Rafael Macias and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Zoe Kokkator sent her three imps and Lincoln summoned his own imps and they sent them at Rafael Macias, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Zoe Kokkator, her hand-cannon Blaster is known as The Fabled Kokkator's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Kokkator surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Zoe Kokkator aimed their hand-cannon blasters at Rafael Macias.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Rafael Macias!

Zoe Kokkator and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Rafael Macias and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Rafael Macias and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Rafael Macias and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Zoe Kokkator and Lincoln gave Rafael Macias The Black Gates for good. We cheered as Zoe Kokkator and Lincoln holstered their massive greatswords on their backs and powered down, and Zoe Kokkator's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Zoe Kokkator: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Rafael Macias for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zoe.

Suddenly, Zoe Kokkator wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Zoe Kokkator's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Kokkator flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Zoe Kokkator absorbed the light and they came back to us as the display and The Fabled Kokkator vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Rafael Macias' death, now there are only six members of The Order of Nuestra Señora de la Santa Muerte.

Zoe Kokkator: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Raúl Lozano, which means it'll be Itzel Kudabbi's turn.

Itzel Kudabbi: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for White Night Queen, a Fusion Gene-Slammer for Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp, and Tempest, Dragon Ruler of Storms.

Nicholette Torrington: Ooh, now that's an awesome idea, and there's one group who would be Gene-Slammed into those monsters, The Fearless Club, Crystal Solace, Dulcie Matthews, and Sophie Andrews.

Lincoln: The very club that was formed because they were made victims of Orson's despicable cruelty and their old school's unfair system, thanks to the principal accepting Orson's bribes and because of the fact that Orson's family are the financial supporters of the school, until their strong friendship had ended the school's unfair system and Orson's despicable cruelty, and it ended with their former high school's principal getting fired and stripped of his license and Orson getting expelled.

Me: So, we'll be running into them tomorrow, but this also means that Beatrix Redmoon is bound to escape from The Realm of Darkness.

Lincoln: And Bayonetta and I will bring an end to her for good tomorrow.

Titanium Toenail: Another humiliation session done.

Unicorn: I never get tired of these.

Bane: Me neither.

Me: Same here.

Red X: Now, let's finish the rest of the food.

Ironclad: Count me in! I'm starving!

X Ray: (sighs) Of course you are.

Me: Now now we still have plenty.

Nico: But great job today guys. This was funny.

Pinkie Pie: It sure was! (To the Viewers) Hope you all get a great laugh out of this one!

Me: We all did.

We laughed!

Nico: Yep.

We got done with our meal and paid for it and then went back home and enjoyed the rest of the day and went to sleep.

Also we're going to battle Another King of Arthur and Another Oculous. And like on TV we're going to battle the Foot Soldiers of the Mystic Force Rangers as well as battle him. And we're going meet a gene-slammer for Plioswine and she is a huge and big time eater named Connie Richmond and she is a huge competitive eater and knows how to eat the hottest foods ever and even those that are massively spicy.

The next match-up in this saga is Itzel Kudabbi - Gene-Slammer of The Fabled Kudabbi and Lincoln VS Raúl Lozano

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Cloud Tower in Alfea, and Lincoln and his group are going to destroy Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, who's finally escaped from The Realm of Darkness to get her revenge on Alecto Shadowcall for banishing her and Lincoln and The Ghosthunters Club for ruining her revenge on Alecto years ago. But, we're not going to let that witch get away with it, and Bayonetta's going to get a brand-new weapon that Lincoln asked the demon-smith, Rodin, to forge, and she's also going to transform and she and Lincoln are going to show that witch what happens when she messes with true masters of The Dark Arts. And we're going to meet Gene-Slammers for White Night Queen and Tempest, Dragon Ruler of Storms, and a Fusion Gene-Slammer of Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp, they are The Fearless Club, an awesome club that formed in response to the cruel despicable actions of Orson Matthews and Kalamazoo High School's unfair school system thanks to their old principal, but in the end, their ex-principal was fired and stripped of his license and Orson was expelled and dealt with two different times, and their club had expanded even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out. Their names are

Crystal Solace, Gene-Slammer of White Night Queen, she's Lincoln's Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's one of the three members and founders of The Fearless Club. She was one of Orson's victims, and he's blackmailed her into doing whatever he said, and the final straw came when that prick when he insulted and belittled her mom. Eventually, she got back at Orson with some help from his sister, Dulcie, who had activated the sprinkler system which sprayed Orson and his Elite Club friends when they were at his house, and Dulcie, Crystal, and her mom got out of there, leaving Orson frustrated and extremely pissed off that he was made a fool of by Crystal and Dulcie. She was also born with immensely strong and powerful ice powers and ice magic, and her power is even more powerful than that of her cousin, Icy, Leader and Ice Witch of The Trix. Eventually, The Fearless Club expanded even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates Orson Matthews for everything he's ever done to her, Dulcie, and Sophie.

Dulcie Matthews, Gene-Slammer of Tempest, Dragon Ruler of Storms, she's Lincoln's Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's an incredible dancer and one of the three members and founders of The Fearless Club. She unfortunately is the sister of Orson Matthews, who she nicknames "The Demon Lord", and she was also another one of Orson's victims, plus, her parents began to praise him more and neglect her, which led to her becoming a rebel. But, the last straw came when he and his minions beat up her dance partner, William, who eventually had a cast on his right arm, and she swore to take him down. Eventually, she and her dance partner won the competition and beat Orson and his dance partner, but when she got back home, she scolded her parents for what they've done, and even though they apologized, because the wound was too big, she couldn't forgive them for the time being. But, some good came out of it, after being investigated for assaulting her dance partner, Orson was stripped of the right to compete in any international dance competition for two years. She was also born with immensely strong and powerful storm and weather powers and storm magic, and her power is even more powerful than that of her cousin, Stormy, Member and Weather Witch of The Trix. Eventually, The Fearless Club expanded even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates her brother, Orson Matthews for everything he's ever done to her, Crystal, and Sophie.

And Sophie Andrews, Fusion Gene-Slammer of Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp, she's Lincoln's Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's an incredibly smart student and one of the three members and founders of The Fearless Club. But, her school work was always stolen by Orson Matthews and he copied it and passed it off as his own, and even worse, she, Crystal, and Dulcie had been made the victims of Orson's despicable pranks and the unfair system they had to endure at their old school, Kalamazoo High School, and Sophie, Crystal and Dulcie found out their old high school's ex-principal wasn't just involved in turning a blind eye to Orson's constant troublemaking and bullying because of his bribes, but he also helped Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor, on top of Orson stealing Sophie's work and copying it. In the end, their bonds of friendship triumphed, and The Education Ministry stepped in and their ex-principal was fired for what he did and he was stripped of his license, and as for Orson, he was immediately expelled from school for his misdeeds. She was also born with immensely strong and powerful darkness powers, illusions, hypnotism, and dark magic, and her power is even more powerful than that of her cousin, Darcy, Member and Dark Witch of The Trix. Eventually, The Fearless Club expanded even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates Orson Matthews for everything he's ever done to her, Crystal, and Dulcie.

Pickle & Barley Barrel were watching over her to keep her safe till they come. I was dressed in my special occasion clothes. Pinkie was really big with a huge belly now.

Twilight Sparkle: Pinkie this is so amazing for you.

Me: We're so happy for you Pinkie.

Nico: Yeah you are going to be an awesome mother to 10 girls!

Eli: That has to be the most ever!

Pinkie Pie: Thanks guys! This is gonna be an amazing time for me.

Rarity: Oh it sure will be darling. And we can't wait to see the new girls.

Applejack: This is gonna be a great family time for y'all.

Nico: I agree there girls.

Tommy Himi: Boy same with me. I think it's going to be so cool for you.

Pickle Barrel: Yeah we can all agree on that one.

Barley Barrel: We sure can.

Nico: Tommy, I want to thank you, Oculous, and your teams for coming.

Tommy Himi: No problem Nico. It's gonna be so awesome helping

out.

Luna Lovegood: (British Accent) It sure will be. This will be so fun.

Nico: Luna, how are things for you back in Hogwarts?

Luna Lovegood: They are doing really good thank you.

Qin: That's good Luna.

Lola: Now that Voldemort and his followers are all gone, all the wizards can rest easy.

Nico: They sure can.

Me: Thank goodness for that one.

Nico: Are things in Ravenclaw the same as ever?

Luna Lovegood: They sure are. But we let everyone in to have friendly talks whenever needed.

Nico: Cool cool.

Xenia: That's awesome.

Camie: It sure is.

Lola: Yep.

Nico: Yesterday's humiliations were just as funny as ever.

Pinkie Pie: They sure were! They were funny.

Nico: We saw how Poliwag teaches Amy a lesson.

Me: Yep. That was so awesome and funny.

Lola: You got that right!

Nico: Yep. And correction from earlier. I meant Plioswine and Corsola.

Me: Oh right. Getting a little ahead of ourselves. No worries.

Lola: Yeah.

Me: But that was still funny.

Nico: And with the new additions to the Humiliation Fodder.

Me: Yeah we sure did.

Qin: That was awesome and funny.

Lola: Yeah. Margie, Peck and all the jerks deserved it.

Xenia: You got that right.

Camie: They had it coming.

Cassidy: Yeah no kidding there.

Nico: I liked how they got a face full of poo.

We laughed!

Me: (LAUGHS) That always cracks me up every time!

Lola: (LAUGHS) Yeah it does!

Nico: That is always funny!

Eli: Yeah it is!

Qin: And it's always funny seeing the jerks cry like babies.

Nico: And it wasn't too stressful for Pinkie Pie.

Pinkie Pie: No it wasn't.

Qin: But it was funny still.

Pinkie Pie: It sure was.

Lincoln: You got that right.

Xenia: We had a lot of fun though.

Mrs. Cake: Want some donuts?

Me: Don't mind if I do Mrs. Cake.

We got some donuts and they were delicious.

Oculous: You just need to hang in there for a few more hours.

Pinkie Pie: I will.

Xenia: Good.

Nico: But we're really excited for Pinkie.

Pound Cake: We all are. Pinkie Pie is gonna be a great mother.

Pumpkin Cake: And Little Cheese is gonna have awesome siblings.

Nico: She sure is guys.

Camie: Yeah it will be fun.

Nico: Of course, there's also the labor pains.

We gulped.

Lincoln: To Pinkie, those pains will be like a tickle.

We laughed.

Me: That is true.

Pinkie Pie got lots of awesome presents and gifts for her shower and more.

Nico: You got lots of great gifts.

Pinkie Pie: They sure are amazing.

Fluttershy: I think your new girls are going to love them.

Nico: You should be proud.

Igneous Pie: We most surely are Nico.

Me: Yep.

Camie: We're all really proud of Pinkie.

Nico: Just hang in There for a little while longer, okay?

Pinkie Pie: I will.

Me: Pinkie is strong and she can get through this.

Qin: She sure will.

Rainbow Dash: That's for sure and she is awesome that way.

Xenia: You got that right.

Me: Swartz's creations are still out there though.

Nico: Eli, sense for any of Swartz's creations.

Eli: On it!

He got to concentrating.

Camie: We are just so excited for Pinkie though.

Varie: All of us are.

Cassidy: We sure are.

Me: Yep.

Eli: Found them. 50 klicks northwest.

Me: So we have a while before they get here. We can just talk till then.

Nico: Can we bring some snacks for the mascots?

Mrs. Cake: Oh they will love that Nico. Sure.

Nico: Thanks.

Varie: I have a feeling that these are going to people that are going to be interesting.

Xenia: Me too.

Qin: Yep. It's awesome.

Maria: Let me get some more water for us.

Me: Thanks Maria.

She did so and we gulped the water down.

Me: (GULPING)

Eli: (Gulping) Ahh!

Me: Ahh! Thanks Maria.

Nico: Needed that.

Laney: Me too.

Nico: Wake me up when Swartz's creations are here.

Nico went and took a snooze.

Me: Those humiliations really took it out of him.

Qin: Yeah.

Lincoln: But they were still funny though.

Starlight Glimmer: Boy they sure were awesome.

Tommy Himi: I know.

Oculous: Or maybe he likes to take naps so he doesn't get tired.

Me: Maybe.

Xenia: Yeah.

May: But Nico looks so cute when he sleeps.

We laughed.

Me: (LAUGHS) Yeah you love him like that.

Qin: We all do.

May kissed Nico on the forehead.

We were touched by it.

Nico: (Mumbles)

May giggled.

Xenia: So awesome.

Maria: Let's still keep an eye out for Swartz's creations.

We nodded.

Lana kept an eye out.

May was napping with Nico too.

Me: Oh you two lovebirds.

Mrs. Cake came with a blanket and I took it and put it on them.

Varie: Those two are so cute together.

Lincoln: They all are.

Then my Wonder Ride Book for King of Arthur started Glowing.

Me: Uh oh. King of Arthur is Reacting to something.

Eli: It's close.

May: WHAT!?

Nico: How long were we asleep?!

Me: Only 20 minutes. But we got a reaction!

Eli: Another King of Arthur is near.

Nico: Oh man!

May: This will be interesting.

They got up.

Lana: I see it too!

We saw a blue knight outside!

Me: A Blue Knight?

We went outside and went and faced it.

Me: Wow! A Blue Knight!

Xenia: This one is cool.

Nico: Who's up next?

Lana: I'll go.

Me: Okay.

We went up to Another King of Arthur.

Me: A little far away from Camelot aren't you?

Another King of Arthur: (In a girls voice) (LAUGHS) (British Accent) Tell me something I don't know.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair and aqua blue clothes and blue angel wings and had the mighty magical sword

Excalibur.

Me: (GASP) Catherine Arthur! Whoa!

Nico: Wait a second. Catherine Arthur the Immortal Knightess of Camelot? I thought you were just a legend.

Catherine Arthur: Oh I assure you I am quite real.

Me: Catherine has been around since the time of King Arthur and she has lived for over 1,500 years.

Everyone: WOW!

Qin: That is amazing!

Eli: Yeah!

Maria: And yet, you're still young.

Catherine Arthur: I know.

Me: She is also the girl that is said to have killed Mordred, the evil son of King Arthur.

Qin: Wow!

Me: Mordred was a nightmare.

Laney: Yes he was.

Nico: Yep.

Catherine Arthur: Indeed. My brother was an absolute monster and he got what he deserved when he killed father. I can never forgive him for what he did.

Me: I don't blame you one bit on that Catherine.

Nico: Me neither.

Me: Yeah.

Nico: Mordred is always bad news.

Catherine Arthur: So was Morgan Le Fay.

Me: I agree there no doubt. On April 2nd, we're going to face her again with Jim Lake and his friends.

Catherine Arthur: Yes I was told about that from Merlin. I heard that Morgan Le Fay has started to resurface inside Claire and she is slowly returning.

Fiona Hernandez: Oh boy.

Nico: Not good.

Camie: Big time trouble.

Brittney: Morgan Le Fay was the most powerful evil sorceress in the world and she was said to be the mother and creator of dark magic itself.

Catherine Arthur: That's right. She is that powerful.

Nico: I think I have an idea on what to do with her when the time comes. But I'll explain later.

Me: I have a feeling I know it's going to be good.

Nico: Yep.

Qin: We faced Morgan Le Fay many times before in the past and she was outclassed by us every time.

Xenia: Yeah that is for sure.

Nico: Jim and the others will love to meet you.

Me: Yeah they sure will.

Catherine Arthur: I would be most honored.

Me: Awesome. By the way any other opponents with you?

Catherine Arthur: As a matter of fact yes. Another version of him.

She pointed to Oculous.

Oculous: Another version of me!? This will be interesting.

Me: And explosive. When we faced the 10 Terrors we faced a massive number of the Foot Soldiers from the Mystic Force Rangers and that was explosive.

Xenia: It sure was.

Catherine Arthur: I believe it. And also there's something else. I was turned into the gene-slammer of Quetzalcoatl the Titan of Summons.

We gasped!

Nico: WHOA!

Me: Whoa Lok is going to flip when he hears about that!

Maria: Wait! Hostile or friendly?

Me: Oh right I was about to ask that.

Catherine Arthur: Friendly and this one speaks highly of you J.D.

Me: I have a feeling this one is going to be interesting.

Qin: Me too.

Catherine Arthur: Indeed. But you're going to be surprised as to who it will be.

Qin: I have a feeling this one will be an interesting one.

Nico: Same here.

Lana: I will face you Catherine.

Catherine Arthur: I had a feeling you would Lana. All right then.

She turned into her Another King of Arthur form and Lana formed a sword of ice and she went at her and they clashed and Lana kicked her down and fired waves of ice and smashed her down and I caught the Wonder Ride Book. It was called Dark Past of Camelot. Then it formed into a new SUPER BOOK! It was called THE IMMORTAL TALE OF THE KNIGHTESS OF ARTHUR!

Me: WHOA!

I went and got Catherine who was wobbling from being tired and I brought her over.

Nico: Be ready, guys!

We stood ready fore anything.

Qin: But that was amazing.

Lola: It sure was.

Nico: I agree there.

Me: Now for Another Oculous

Nico: Maybe she's running late.

Me: Oh yeah then who is that?

We saw a figure and it was a dark version of Oculous! It was ANOTHER OCULOUS!

Qin: WHOA! Another Oculous!

Camie: This is gonna be a good one!

Nico: Yep.

Another Oculous: (In a girls voice) (British Accent) It sure will be fun.

Me: (GASP) That voice. Camille Casterwill!?

Another Oculous: That's right J.D.

Nico: Wait. Casterwill. Then that must mean that you are related to…

Another Oculous: That's right. I'm Sophie's little sister.

We gasped.

Eli: We didn't know Sophie had a sister.

Xenia: That is awesome.

Me: Yeah. Your sister has come a long way ever since she and Huntik all joined the team.

Lola: Yeah.

Another Oculous: I know. Also I'm the gene-slammer for Phoenix The Titan of Rebirth.

We gasped!

Me: Whoa! Sophie's gonna be shocked hearing about this!

Camie: You're not kidding there!

Lola: That is crazy!

Nico: Yeah!

Kaito: (gets out Drive Gear) Did Swartz promise you anything?

Zocks: (gets out Ghost Gear) Because we can grant it instead.

Another Oculous: No he didn't. I told him a future vision of how he was going to die and it scared him.

Me: Our battle last year happened in your eyes.

Another Oculous: Yep.

Qin: Very awesome.

Kaito got a Drive Gun and Zocks got a Ghost Sword.

Sougo: (gets out Drive Ridewatch) You probably also foresaw our other victories against the other members of Dai Shocker.

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz: (gets out Specter Ridewatch) As well as Maxxine transforming.

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor.

Another Oculous: I did and that was so awesome. I also foresaw that Evolt being pulled out would result in Soichi's death.

Me: He was in there for 10 years. But it had to be done.

Nico: Yeah.

Lola: No kidding.

Another Oculous: Well it was for the best. Time for action! ARISE!

Out of a wall of purple light came numerous Hideons and Styxoids!

We flew.

Another Oculous: ATTACK!

The Foot Soldiers fired energy and magic blasts and massive fiery explosions went off as they missed!

KRABBBBBBOOOOOOOOOOMMMMM! KRABBBBBOOOOOOOOOOOOOOMMMMM! KRABBBOOOOOOOOMMMMM! KRABBBOOOOOMM! KRABBBBBOOOOOOOMMMMM!

We fired massive blasts of stars and lightning and elements from our and they hit a bunch of foot soldiers and exploded in a massive fiery explosion!

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Me: Awesome! Lets get them!

We high-five and lightning and stars came out.

Oculous: GO!

We went at the foot soldiers and we we fought and kicked and blasted them all over the place. I kicked and punched a bunch of them and Lincoln did the same and we sent them flying all over the place.

Me: This is just the beginning!

I blasted one with a star blast and sent him flying and massive fiery explosions blasted him all over.

KRABBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOMMMMMMM!

Some blasts were even hitting the water and releasing huge splashes.

Me: YEAH!

Nico: (gets out Oculous' Ridewatch) First time one of these called Foot Soldiers!

Me: No kidding there.

Qin: That is for sure.

Nico activated it and fired waves of energy and smashed them all over.

We flew back and clashed violently. And blasted them all over the place and blasted them back in a massive shockwave of stars, elements and lightning and then spun and blasted and slashed them all over in blades of energy. The foot soldiers blasted us again and we jumped back and massive fiery explosions went off all over!

Me and Nico: CONSIDER YOURSELVES ROCKED!

We smashed the ground and sent a deadly shockwave and blew some of the foot soldiers apart in a massive fiery explosion!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Nico: AWESOME!

Nico threw an energy sword and it turned into a boomerang and blew some of the foot soldiers apart!

Me: What a bunch of slow learners.

They blasted at us again and we jumped as a massive fiery explosion went off behind us.

Me: STARS!

I fired a Star Storm!

Lincoln fired a lightning shower and we blew the rest of them apart in a massive fiery explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: (gets out Allomere's Ridewatch) Now for this!

Nico activated it and fired waves of energy and smashed her all over.

Me: You aren't the only one with an awesome bunch of new toys.

I pulled out my blaster and fired and blasted her all over

Nico: YEAH!

May: (Gets out Hexuba's Ridewatch) Time to fight magic with magic!

May activated it and fired waves of magic and smashed her all over.

Nico: Nice!

May activated Red Claw's Ridewatch and she roared and fired waves of energy and smashed her down!

Maria: Time for some heat! (ACTIVATES FLARERIZAMON'S RIDEWATCH) (Echoing) BLAZE BUSTER)

She fired a blast of fire and smashed her down!

Maria: Take this! (ACTIVATES BONESWITCH'S RIDEWATCH)

She fired waves of energy and smashed her down.

Xenia: YEAH!

Luna Lovegood: Time for some magic power. (ACTIVATES ALLOMERE'S RIDEWATCH)

She fired waves of magic and smashed her down.

Moonstone, Opposite Senshi, Moonbeast, Morgana, Limburger And Penelope Spectra then came.

Nico: Nice team, Moonstone!

Moonstone: Thanks Nico!

Moonbeast roared.

Morgana: This is gonna be awesome.

Eli: Yeah it sure will!

Moonstone fired energy blasts and smashed her down.

Nico: Yeah!

Maria: Take this!

She fired waves of water and smashed her down and then to our surprise I caught the ridewatch and purified it and I went over to Camille and she was a girl with blond hair and red clothes and had fire angel wings and a sword of fire. I picked her up.

Me: Camille?

Camille Casterwill: (Groans) What hit me?

Me: Maria did. She saved you.

I brought her over.

Me: That's weird. Where's the next gene-slammer.

Sunset Shimmer: Uh guys you might want to see this.

We went back to Sugar Cube Corner and saw a Plioswine eating all the leftovers.

Me: Hey a Plioswine.

Qin: And this one is a hungry one.

Maria: (sheepishly) Sorry, guys. Didn't mean for that attack to finish the battle!

Nico: It's alright Maria. You did good. Besides I think our guest was eating.

Me: A Really hungry one though.

Xenia: No kidding.

Plioswine: (In a girls voice) Sorry I am really hungry.

Nico: (LAUGHS) Connie Richmond! I knew it was you.

Me: Wait you mean THE Connie Richmond, the famous competitive eater?

Plioswine: Yep.

She reverted back and was a girl that had blue hair and blue clothes and had the kanji for pig on her forehead.

Connie Richmond: Yeah sorry about that. I have a huge appetite.

Me: Boy no kidding there.

Luna Lovegood: What's your favorite memory of Nico?

Connie Richmond: My favorite was me and Nico eating 10 of the Hellfire Burger challenge and it was spicy and awesome.

Me: Boy you love the spicy stuff.

Connie Richmond: I sure do.

Qin: Nice!

Nico and Connie hugged.

Connie Richmond: Me too Nico. (LOUD BELCH) Oops excuse me.

We went back home.

But, we're also here for one important reason: we're going to destroy Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, who's finally escaped from The Realm of Darkness to get revenge on Alecto Shadowcall for banishing her and on Lincoln and The Ghosthunters Club for ruining her revenge on Alecto years ago. But, we're not going to let that witch get away with it.

Lincoln: Whoa, we're here at Cloud Tower, and I know what we're going to do here, not only am I going to rescue the nine girls here, but Ets has joined the rescue team and he's also going to rescue the three girls here.

Nico: A double rescue?! This is definitely the first time we had a double rescue.

Me: It sure is. But, we also got an emergency from Miss Faragonda.

Lincoln: That's right, as we'd heard from Miss Faragonda and Miss Griffin, the headmaster of Cloud Tower, Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, has finally escaped from The Realm of Darkness to get her revenge on Alecto Shadowcall for banishing her and on me and The Ghosthunters Club for ruining her revenge on Alecto years ago. But, we're not going to let that witch get away with it. We're finally going to destroy her once and for all.

Eli: We'll make that witch pay for what she's done.

Lincoln: And we will, and I want to thank your team for joining us, Frosta.

Frosta: You're welcome, Linky. Now, shall we be on our way to stop that witch?

Lincoln: Yep, and as promised, Bayonetta and I are going to teach Beatrix a lesson she'll never forget and Rodin should be here with a brand-new weapon I asked him to build for her.

Bayonetta: (British Accent) Which shouldn't be long now. If I know Rodin, he'll be here in less than three… two… one!

Suddenly, a portal opened up, and a figure came right out: it was Rodin, the demon-smith and owner of the bar, The Gates of Hell.

Rodin: Looks like I got here in time. Got you that little present your man asked me to make.

Rodin got out a midnight black heart-shaped carrying case, and as he opened it, inside them are four midnight black-colored large guns shaped like Bayonetta's guns, Love is Blue, but the guns also share the same aesthetics with Scarborough Fair and Love Is Blue, such as the Umbran symbol, a set of gems that match the colors of lyrics from the weapon's namesake, both embedded in the gun itself, and as floral imprinted accessories that hang from the grip of the gun, and an engraving on each side of each gun, they are

A red teardrop-shaped gem on her right-hand gun with the name: Toccata, and engraved is "Eye of the Overseer", and the flower is a Marigold, which symbolizes Sorrow, a grey oval-shaped gem on her left-hand gun, and the name: Prelude, and engraved is "An Endless Life", and the flower is a Muscari, which symbolizes Frustration, a black diamond-shaped gem on her right-heel gun with the name: Nocturne, and engraved is "The Darkest Night", and the flower is an Erica (Heath/Heather), which symbolizes Solitude, and a green rectangle-shaped gem on her left-heel gun, and the name: Minuet, and engraved is "A Jealous Lover", and the flower is a Cyclamen, symbolizing Jealousy.

Me: Whoa, now those are some awesome looking guns.

Lincoln: My special order I made for Bayonetta, I call these special guns "Midnight Serenade", and like with the Scarborough Fair and

Love Is Blue, these four guns were built from an alloy that even The Devil wanted to get his hands on, and I also infused the special molecular structures of Stellar Cometite and Venusite into the guns.

Bayonetta: (British Accent) So, this was actually a joint project. Well, I got to say, these guns sure are beautiful, and Linky definitely took time to create the design for the guns. Now, time to arm up and track down that witch.

Bayonetta tossed the guns into the air, and she leapt up into the air and two of the guns attached themselves to the heels, and the other two were already in her hands, and she lands on the ground feet first as butterflies came out from her feet.

Nico: Nice. Now, to track down Beatrix Redmoon.

Suddenly, we saw White Night Queen, Tempest, Dragon Ruler of Storms, Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp appear before us, and with them are the nine girls for Lincoln to rescue and the three girls for Ets to rescue.

Nico: Whoa, that's White Night Queen, Tempest, Dragon Ruler of Storms, Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp, awesome.

White Night Queen: (Girl's voice) That's right, and we got the girls away from that witch, Beatrix Redmoon before she could kill them.

Tempest, Dragon Ruler of Storms: (Girl's voice) She's also got an army of Heartless with her.

Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp: (Girl's voice) Along with Angels of Paradiso.

Lincoln: (Gasps) Those voices, Crystal Solace, Dulcie Matthews, and Sophie Andrews, I knew it was you three, it's awesome to see you again, but we'll talk later, Beatrix Redmoon's already angry at what you three did, and she's coming after you.

?: YOU THREE BITCHES HAVE RUINED MY CHANCES TO KILL THE GIRLS AND BREAK THAT LOSER'S HEART!

Suddenly, we saw our target, Beatrix Redmoon, and she was extremely enraged, and with her were a large army of Heartless and Angels of Paradiso.

Lincoln: Beatrix Redmoon, right on time.

Bayonetta: (British Accent) Along with her army of Heartless and our old friends from Paradiso, now to have some fun.

Suddenly, Bayonetta's grey eyes turned neon grey and she was surrounded by a purple, black, and blue energy aura with darkness, dark magic, red and black-colored butterflies, ravens, panthers, bats, spiders, snakes, and Infernal Demons, and as she approached Beatrix Redmoon, she left purple, black, and blue energy, darkness, dark magic, red and black-colored butterflies, ravens, panthers, bats, spiders, snakes, and Infernal Demons with every step.

Bayonetta: (British Accent) You really are just a naughty little girl who is only driven only by revenge and a blood hatred for the one who banished you to The Realm of Darkness for what you tried to do, but I can see that you are in desperate need of a lesson, child. Time to show you what happens when you mess with someone who's a true master of The Dark Arts.

Suddenly, Bayonetta leapt up into the air and she was surrounded by a massive vortex of purple, black, and blue energy with darkness and dark magic surrounding the vortex, there are red and black-colored butterflies, ravens, panthers, bats, spiders, snakes, and Bayonetta's Infernal Demons flying around the vortex and they even attacked the Angels of Paradiso and dragged them all to Inferno to be devoured and destroyed the Heartless Army and we gained a massive power boost, and a massive tornado of black hair also surrounded the vortex. Then, as the vortexes fade, Bayonetta emerged, but she was changed forever, and it was Showtime!

Bayonetta has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Bayonetta's new large Midnight Serenade four guns, Scarborough Fair, and Love Is Blue guns and all of the swords she'd gotten began merging together and the two guns in her hands and two guns on her heels were surrounded by a kaleidoscope of purple, black, and blue energy with red and black-colored butterflies, ravens, panthers, bats, snakes, and Infernal Demons and when the kaleidoscope ended, the four Midnight Serenade guns were transformed into Bayonetta's Demonic Midnight Umbra Serenade, four large guns that look like Bayonetta's Love Is Blue guns but they are midnight black with the aesthetics of Love Is Blue and Scarborough Fair such as The Umbran symbol, a set of gems that match the colors of lyrics from the weapon's namesake, both embedded in the gun itself, and as floral imprinted accessories that hang from the grip of the gun, and engraving on each side of each gun: red teardrop-shaped gem on her right-hand gun with the name Toccata, engraved is "Eye of the Overseer", and the flower is a Marigold, symbolizing sorrow, grey oval-shaped gem on her left-hand gun with the name Prelude, engraved is "An Endless Life", and the flower is a Muscari or Grape Hyacinth, symbolizing frustration, black diamond-shaped gem on her right-heel gun with the name Nocturne, engraved is "The Darkest Night", and the Flower is an Erica or Heath/Heather, symbolizing solitude, and green rectangle-shaped gem on her left-heel gun, with the name: Minuet, engraved is "A Jealous Lover", and the flower is a Cyclamen, symbolizing jealousy, she has on her large gold cuff Bracelets of The Champions of The Universe with blue gems on her wrists, her Belt of Elemental Bravery with a gold version of Madama Butterfly's head with red gems for eyes and a large red gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blue kanji below Madama Butterfly that said, "Bayonetta, Daughter of The Umbra Witch Rosa and The Lumen Sage Baldur, Childhood Friend and Umbran Sister of Jeanne, Beautiful, Seductive, and Dangerously Powerful Famed Umbra Witch, Black Sheep of The Umbra Witches, Former Holder of The Left Eye of Darkness, Fighter from The Smash Tournament, Loving Future Wife of Lincoln Loud, Archenemy of Commander Chaos, Destroyer of Loptyr and Many Dangerous Enemies, Nemesis and Hunter of The Angels of Paradiso, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Dark Arts, Bullet Arts, Torture Attacks, Time, and Infernal Demons"

Bayonetta has transformed into SUPER ANGEL-UMBRA WITCH-INFERNAL DEMON-BUTTERFLY-HARMONY CELESTIAL ETERNAL XELNAGA UMBRA WITCH DARKNESS INFERNAL DEMON BUTTERFLY ANGEL OF DIVINE DARK UMBRA WITCH DEMONIC BUTTERFLY JUSTICE AND DIVINE DARK UMBRA WITCH DEMONIC BUTTERFLY LOVE!

We were amazed by Bayonetta's Super Angel-Umbra Witch-Infernal Demon-Butterfly-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, the pupils of his eyes turned into hearts, and his nose was bleeding, but when Beatrix Redmoon saw it, the murderous witch fell into a rage and was about to fire a blast of dark magic at her to kill her, but Bayonetta fired black and blue bullets in the shape of a heart and they hit Beatrix in her arm and she screamed in pain, and then, Bayonetta fired a powerful purple, black, and blue energy blast with red and black-colored butterflies, ravens, panthers, bats, snakes, and Infernal Demons at Beatrix Redmoon which sent her back as it hit her, but it really pissed her off now.

Nicole: Holy moly, Bayonetta's transformed, now Beatrix is so screwed!

Lincoln: She sure is, Nicole, and Bayonetta, you look bewitchingly beautiful, how do you feel?

Bayonetta: (Divine Echoing Cosmic Voice of The Infernal Demon Butterfly Umbra Witch Angel and Divine Dark Umbra Witch Demon Butterfly Love) (British Accent) I feel incredible, Linky. Now, shall we teach Beatrix Redmoon a lesson about trying to mess with a witch?

Lincoln: (Smiles) With pleasure, Bayonetta.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Bayonetta.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's a pity you decided to escape, Beatrix Redmoon, only to be destroyed once and for all. But, this is the price you have to pay for trying to use us to get revenge on Alecto, and I don't forgive heartless girls like you who try to take advantage of my kind nature. Now, it's time to hand down your punishment.

Bayonetta and Lincoln went after Beatrix Redmoon, and they fired extremely powerful blasts of rainbow energy, purple, black, and blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Beatrix Redmoon and they exploded with incredible power as they hit her, and they attacked her with black and blue demonic energy punches from Bayonetta and slashes from Lincoln's massive greatsword leaving scars on her, and Lincoln left many more with his claws, and he was really,

really, really pissing off her off now.

Then, more Angels of Paradiso appeared and moved to attack Bayonetta and Lincoln, but they blasted them all down and many of them exploded into Halos that Lincoln had vacuumed up into a vacuum gadget he created. This was really pissing Beatrix Redmoon off badly.

Rodin: Beautiful.

Me: Jeez, Bayonetta and Lincoln are really pissing Beatrix Redmoon off now!

Nicole: You got that right, Dad. But, this just proves you mess with Bayonetta, and you just signed your own death sentence.

Then, Lincoln fired a red energy beam and as it hits Beatrix Redmoon, Lincoln sucked out every last bit of her powers and he made them his own, and he severely weakened Beatrix Redmoon.

Bayonetta: (Divine Echoing Cosmic Voice of The Infernal Demon Butterfly Umbra Witch Angel and Divine Dark Umbra Witch Demon Butterfly Love) (British Accent) Smashing, Linky. Now, let's use a Torture Attack on her to kill her, and I've got just the one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, this should be good.

Bayonetta and Lincoln: (Speaking in Enochian) MIR ZIXLAY

Suddenly, a guillotine appeared out of nowhere, and Bayonetta and Lincoln kicked Beatrix Redmoon in, and they continued kicking her until she was already in the stocks and can't get out, and as they snap their fingers, the blade dropped on Beatrix Redmoon decapitating her head. Then, when Beatrix Redmoon's spirit appeared, a portal opened up and demonic hands grabbed her and she was dragged to Hell to be devoured. We cheered as Lincoln holstered his massive greatsword on his back and he and Bayonetta powered down, and Bayonetta's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Bayonetta: (British Accent) Sorry, dearie, but when you try to take advantage of my future husband for your own selfish desire for revenge, you should know the consequences are bound to be quite severe.

Lincoln: Sadly, her desire for revenge drove her to madness, and now, look at what happened.

Suddenly, Bayonetta wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Bayonetta's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Infernal Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and spotlights shining down upon them as jazz music played and behind them was Madama Butterfly and we cheered wildly, and there were also some cat call and wolf whistles. Then, Lincoln and Bayonetta absorbed the darkness and they came back to us as the display and Madama Butterfly vanished.

Nico: I… I honestly have no words to even say. You and Bayonetta really put the hurt on that witch, Beatrix Redmoon, and showed her what for.

Lincoln: And to be honest, I didn't expect Paradiso's Angels to make an appearance as well. But, all the same, we got rid of Beatrix Redmoon, destroyed her army of Heartless, and also, sent some of Paradiso's Angels to the demons of Inferno for eternal torment.

Me: Yeah, and look at what they left behind.

Lincoln: Halos. Whenever an Angel of Paradiso is killed, they always leave behind Halos, the rare, spiritual metal containing the essence of an angel's life force, and within Inferno, they're used in business transactions. But, whenever an Infernal is killed, they leave behind Orbs, a very rare metal containing the essence of a demon's life force, which are also used in business transactions within Inferno, the same with Seeds whenever a Homunculi is killed.

Nico: Whoa.

Lincoln: Plus, here's something that'll interest everyone: you bring these to Rodin at his bar, and he'll hook us up with some awesome new weapons.

Me: Oh, now, you're talking!

May: So, that's why you vacuumed up those Halos, you're hoping to get enough of these for the creation of some amazing new weapons.

Rodin: Well, it looks like I've got myself some brand-new customers. In any case, you bring some Halos, Orbs, or Seeds to The Gates of Hell, and I'll hook you up with something that'll be of interest to you all.

Rodin left as we heard his demonic laughter.

Lincoln: Well, guys, we're now finally rid of Beatrix Redmoon and her attempt at getting revenge once again on the very people who banished her to The Realm of Darkness years ago has finally been put down for good.

Alecto Shadowcall: That witch had it coming, and for her to try and mess with you and Bayonetta, she just signed her own death wish big time.

Lincoln: And now, she's nothing but food for the demons of Inferno. (To Crystal Solace, Dulcie Matthews, and Sophie Andrews) And it's so good to see you all again, Crystal Solace, Dulcie Matthews, and Sophie Andrews.

Crystal Solace: You too, Lincoln.

Dulcie Matthews: It sure has been a long time since last we met.

Sophie Andrews: It's been too long since we got Gene-Slammed.

Crystal Solace, Dulcie Matthews, and Sophie Andrews went up to Lincoln who hugged each of them, and Crystal Solace, Dulcie Matthews, and Sophie Andrews are are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you all can see, I really grew a lot since then.

Crystal Solace: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Dulcie Matthews: You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Sophie Andrews: If that jerk, Orson, were to run into you, he'd be pleading for mercy.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, the White Queen Gene-Slammer is Crystal Solace, she's my Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's one of the three members and founders of The Fearless Club. She was one of Orson's victims, and he's blackmailed her into doing whatever he said, and the final straw came when that prick when he insulted and belittled her mom. Eventually, she got back at Orson with some help from his sister, Dulcie, who had activated the sprinkler system which sprayed Orson and his Elite Club friends when they were at his house, and Dulcie, Crystal, and her mom got out of there, leaving Orson frustrated and extremely pissed off that he was made a fool of by Crystal and Dulcie. She was also born with immensely strong and powerful ice powers and ice magic, and her power is even more powerful than that of her cousin, Icy, Leader and Ice Witch of The Trix, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates Orson Matthews for everything he's ever done to her, Dulcie, and Sophie.

The Tempest, Dragon Ruler of Storms Gene-Slammer is Dulcie Matthews, she's my Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's an incredible dancer and one of the three members and founders of The Fearless Club. She unfortunately is the sister of Orson Matthews, who she nicknames "The Demon Lord", and she was also another one of Orson's victims, plus, her parents began to praise him more and neglect her, which led to her becoming a rebel. But, the last straw came when he and his minions beat up her dance partner, William, who eventually had a cast on his right arm, and she swore to take him down. Eventually, she and her dance partner won the competition and beat Orson and his dance partner, but when she got back home, she scolded her parents for what they've done, and even though they apologized, because the wound was too big, she couldn't forgive them for the time being. But, some good came out of it, after being investigated for assaulting her dance partner, Orson was stripped of the right to compete in any international dance competition for two years. She was also born with immensely strong and powerful storm and weather powers and storm magic, and her power is even more powerful than that of her cousin, Stormy, Member and Weather Witch of The Trix, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates her brother, Orson Matthews for everything he's ever done to her, Crystal, and Sophie.

And the Fusion Gene-Slammer of Number C104: Umbral Horror Masquerade, Umbral Horror Ghost, Umbral Horror Ghoul, Umbral Horror Unform, and Umbral Horror Will o' the Wisp is Sophie Andrews, she's my Guardian Angel from Michigan and classmate of Lori in Royal Woods High School, she's an incredibly smart student and one of the three members and founders of The Fearless Club. But, her school work was always stolen by Orson Matthews and he copied it and passed it off as his own, and even worse, she, Crystal, and Dulcie had been made the victims of Orson's despicable pranks and the unfair system they had to endure at their old school, Kalamazoo High School, and Sophie, Crystal and Dulcie found out their old high school's ex-principal wasn't just involved in turning a blind eye to Orson's constant troublemaking and bullying because of his bribes, but he also helped Orson stay on top of his classes in school, and on top of that, Orson's family was also the school's biggest sponsor, on top of Orson stealing Sophie's work and copying it. In the end, their iron-clad bonds of friendship triumphed, and The Education Ministry stepped in and their ex-principal was fired for what he did and he was stripped of his license, and as for Orson, he was immediately expelled from school for his misdeeds. She was also born with immensely strong and powerful darkness powers, illusions, hypnotism, and dark magic, and her power is even more powerful than that of her cousin, Darcy, Member and Dark Witch of The Trix, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, but she absolutely hates Orson Matthews for everything he's ever done to her, Crystal, and Dulcie.

Nico: Wow, that's awesome. Plus, we ran into that douchebag, Orson Matthews, on Lincoln's rescue in Maryland, and he kicked that despicable jerk hard into the ground, and sent him to prison.

Dulcie Matthews: I knew that heartless jerk was still out for revenge, but now, I think he's better off in prison for everything he's done.

Me: Yeah. Plus, I didn't know you girls had the same powers as your cousins, but your powers are way stronger.

Crystal Solace: Yeah, it's true, but we weren't like Icy, Stormy, and Darcy, until you guys forgave them and they became members of The Masters of Evil.

Lincoln: That's right, plus when they moved to Royal Woods, The Fearless Club they established had expanded even more, and it would also include members who'd been terrorized by Lori, Lynn, Lola, Lisa, and Luan whenever their dark sides come out, and they hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion, but they absolutely despised Orson Matthews for everything he's done to them.

Me: Whoa.

Sophie Andrews: It's true, we hated those five for what they did to Lincoln and for terrorizing all of our friends whenever their dark sides come out. (To Lincoln) Oh, Lincoln, there's something me and my sisters want to give you.

Lincoln: Let me guess, you and the others want to give me your blood, right?

Crystal Solace: How did you know about that?

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Dulcie Matthews: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to each member of The Fearless Club, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit each of them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up.

Crystal Solace: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Crystal Solace, Dulcie Matthews, and Sophie Andrews with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Sophie Andrews: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Crystal Solace, Dulcie Matthews, and Sophie Andrews.

Crystal Solace, Dulcie Matthews, and Sophie Andrews had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls Lincoln set out to rescue and the three girls Ets set out to rescue, and when Lincoln and Ets saw who they were, they immediately recognized them. The nine girls Lincoln set out to rescue are Jenny, Nancy, Yasmina, and Sally from The Guava Juice Show, Sabrina from Glitch Techs, Ai from Popotan, Tomo Aizawa, Misuzu Gundou, and Carol Olston from Tomo-Chan Is a Girl!, and the three girls Ets set out to rescue are Jules from The Guava Juice Show, G-Lo from Villainous, and Acxa from Voltron: Legendary Defender.

Lincoln: Oh wow, it's Jenny, Nancy, Yasmina, and Sally from The Guava Juice Show, Sabrina from Glitch Techs, Ai from Popotan, Tomo Aizawa, Misuzu Gundou, and Carol Olston from Tomo-Chan Is a Girl!

Ets: And Jules from The Guava Juice Show, G-Lo from Villainous, and Acxa from Voltron: Legendary Defender.

Nicole: Awesome.

When Jules and the two girls saw who it was that saved them, their faces turned atomic red when they saw Ets, and they piled on him and they kissed him all over the place, and when the girls got off of him, Ets had a lovestruck look on his face with kisses on his face and massive and muscular body and eight-pack abs.

Lincoln: Looks like you've got new additions to your harem, Ets. And are you girls okay?

Jenny: Yes, we're okay, thanks to you.

Then, when Jenny and the other eight girls saw who it was that also saved them from the vengeful witch Beatrix Redmoon, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Jenny: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Jenny: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jenny, Nancy, Yasmina, Sally, Sabrina, Ai, Tomo Aizawa, Misuzu Gundou, and Carol Olston with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Beatrix Redmoon, the banished dark witch and hated blood enemy of Alecto Shadowcall, who's finally escaped from The Realm of Darkness to get her revenge on Alecto Shadowcall for banishing her and Lincoln and The Ghosthunters Club for ruining her revenge on Alecto years ago.

But, when Lincoln showed what happened such as Bayonetta getting her new weapon that Rodin had created which was Lincoln's gift to her and she transformed into Super Angel-Umbra Witch-Infernal Demon-Butterfly-Harmony Celestial Eternal Xelnaga Umbra Witch Darkness Infernal Demon Butterfly Angel of Divine Dark Umbra Witch Demonic Butterfly Justice and Divine Dark Umbra Witch Demonic Butterfly Love and she and Lincoln administered some brutal punishment to her and to an army of Paradiso's Angels that came with her and it ended with them using the Guillotine Torture Attack which beheaded her and sent her soul to Inferno to be tortured forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Crystal Solace, Dulcie Matthews, and Sophie Andrews have a lot of catching up to do, now that they're back in town.

Maria: Oh man, so Beatrix Redmoon escaped from The Realm of Darkness and was at Cloud Tower, sheesh, I hope no one got hurt.

Lincoln: No one did, and Miss Faragonda and Miss Griffin put up a barrier to keep her out, and Rodin showed up with Bayonetta's new set of guns.

Maria: And they are really awesome, plus, she also transformed and you two really laid out some very brutal punishment on her.

May: Which ended with them using the Guillotine Torture Attack on her. I was hoping they'd use the Iron Horse Torture Attack on her.

Nico: Using The Iron Horse on her, that'd be too easy, they needed something more appropriate for her.

Me: And the Guillotine was the perfect instrument.

Bayonetta: (British Accent) Indeed. Plus, the new clothes that I got after my transformation are quite amazing, same with the eleven wolf tails and Third Eye.

Jeanne: I got to say, the Third Eye and eleven wolf tails are indeed something, is that a new fashion trend, Lincoln?

Lincoln: Yes, it is, Jeanne, and when those in my harem transform, they wind up getting a Third Eye and eleven wolf tails which are the same color as their hair, and you also saw that my sisters and my parents also have a Third Eye and eleven wolf tails in the same color as their hair. Plus, I'm not the only one who knows about fashion trends.

Jeanne: That's right, J.D. and Ken have rainbow hair, and I got to say, it does look smashing on them, and you have rainbow thunderbolt highlights in the bangs of your hair, and they do look smashing.

Lori: They literally do, Jeanne.

After finally ending Beatrix Redmoon and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Crystal Solace, Dulcie Matthews, and Sophie Andrews saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Crystal Solace: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years.

Dulcie Matthews: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophie Andrews: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Crystal Solace: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Crystal, what memories did you, Dulcie, and Sophie have with Lincoln, and what did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Crystal Solace: Oh, that's something none of us could ever forget. One day, we were with Lincoln and we were having a Fearless Club meeting at my house discussing some business, but then, we heard the familiar sounds of three chalkboard screeches of vengeance and deranged homicidal laughter in the air, followed the familiar sound of a loud burp, and we knew who those belonged to: our club's hated enemies after Orson: Lori, Lynn, Lola, Lisa, and Luan, The Quintuplet of Hatred, and they came here for one reason: to kill us again. But, Lincoln just had enough of those five wanting revenge once again, so he fired blasts of lightning and electrocuted those bitches and he tied them up in red energy ropes and put them in red energy orbs, and after we finished our meeting, we went back to The Loud House with Lori, Lynn, Lola, Lisa, and Luan still imprisoned, and after we told everyone of what those five tried to do, Lori, Lynn, Lola, Lisa, and Luan were doomed: not only did they get grounded once again for fourteen weeks, but we also ended the terror those five had wrought when their Dark Sides emerge again.

Dulcie Matthews: We then decided to ask Audrey Sauron to make sure never to give Lori, Lynn, Lola, Lisa, or Luan any rings to control their Dark Sides again. But, that was a bad move: Lincoln decided to make sure that only Lori, Lola, Lisa, and Luan had rings to control their Dark Sides and that they couldn't be removed, but the only sister who doesn't deserve a ring was Lynn, that animal was too out of control and too violent and stupid. Besides, she was already on Audrey Sauron's death list if she ever got out of control again and tried to kill Lincoln.

Me: Jeez, as if Lori, Lynn, Lola, Lisa, and Luan weren't nightmares before with their Dark Sides being unleashed, but when they unleashed them on the school's students, that's basically the last straw.

Lincoln: Yep, and during the punishment of Lori, Lynn, Lola, Lisa, and Luan, Crystal, Dulcie, Sophie, and I told those five off and we explained to them that if they continued with being nothing but nightmares to everyone around them, they're going to lose everything: their friends, their futures, and their family. Everyone cheered for us for being strong, brave, and courageous, while those five were absolute nightmares to them, and as a result, more and more people signed up for the club, and Lori, Lynn, Lola, Lisa, and Luan were basically humiliated, but we made sure to warn them of the consequences should they attempt to seek revenge on any of us.

We got a shower, and then, Lincoln and Ets, Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko Kubota, Ridley (Glitch Techs), Teodora Villaviciencio, and Kelly (Hilda) are heading to Gotham Royal York Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and Ets snapped his fingers, and the 7'5" extremely muscular teen was dressed in cyan blue swim shorts with a phoenix and tech on them, blue sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko Kubota, Ridley (Glitch Techs), Teodora Villaviciencio, and Kelly (Hilda) were dressed in two-colored bikinis of their favorite colors, and they had their weapons holstered in case of trouble.

Miko Kubota: So this is Gotham Royal York Beach, right Linky?

Lincoln: Yep, I've been here many times before, and it's always awesome, Miko. Shall we?

Lincoln, Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko Kubota, Teodora Villaviciencio, Ets, Ridley (Glitch Techs) and Kelly (Hilda) went to have some fun in the beach. They had some fun building sandcastles, playing volleyball, sunbathing and surfing, and Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko Kubota, Teodora Villaviciencio, Ridley (Glitch Techs) and Kelly (Hilda) got a massive and extreme deep atomic red blush on their faces when they saw Lincoln and Ets lift thirteen 900,000,000,000,000-lb barbells they summoned in their large and strong hands and thirteen massive and long white and black wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln and Ets made clones of themselves and they and his clones went up to Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko, Teodora, Ridley and Kelly, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tabby, Giggles, Polly Pain, Kat, Iris Alizet, Miko, Teodora, Ridley and Kelly placed their hands on the massive pecs of Lincoln, Ets, and their clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln and Ets had lipstick marks all over their faces.

Me: (Snickers) Looks like someone's enjoyed their beach date at Gotham Royal York Beach, eh, Linky and Ets?

Lincoln: (In Heaven) It… was… so… awesome!

Ets: (Also in heaven) Yeah… totally!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tabby, Giggles, Polly Pain, Kat, Iris Alizet, and Miko Kubota with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Hilda: (British accent) Wow! I guess Kelly is now part of Ets' harem!

High Five (Glitch Techs): Yep, even Miko and Ridley are part of Lincoln and Ets' harems too.

Leo San Juan: Same here with Teodora in Ets' harem.

Lynn: Same with Polly Pain.

Luan: Along with Giggles.

Luna: Along with Tabby.

Girl Jordan: Along with Kat and Iris.

Suddenly, a bright light descended on the World Tree Estate, and we covered our eyes to keep the light out. Then, as the bright lights faded, we uncovered our eyes, and to our surprise, the world of The Guava Juice Show has merged with ours.

Lincoln: Wow, the world of The Guava Juice Show merged with ours.

Me: that's so awesome.

Then, the elevator bell rang, and out of the elevator came Roi and Guava from the Guava Juice Show. And when they saw us, they were surprised.

Roi: Holy cow! Team Loud Phoenix Storm! it's such an honor to meet you all!

Guava: Same here.

---

Later we were watching TV and Pinkie Pie was sitting on the couch.

Pinkie Pie: Man I got 10 kids in me.

Qin: You sure do.

Sailor Moon: YOU'RE JUST A BIG FAT BULLY REI!

Sailor Mars: BECAUSE YOU'RE A MEATBALL BRAINED IDIOT!

Then Sailor Moon and Sailor Mars got into a massive fight cloud and they were pulverizing and bashing each other's brains out.

Eli: Oh brother. I got this.

Eli went over and grabbed them.

Eli: Pardon me you 2 but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Sailor Moon and Mars: OUCH!

Me: What the heck are you guys arguing about this time?

Sailor Moon: Rei called me a whiney baby that should belong in Kindergarten! (CRYING)

Me: Rei that's not nice! That is cruel!

Sailor Mars: I don't care!

Sailor Mercury: J.D. is right! Apologize to her right now!

She refused and turned her face.

Me: What a jerk! You need a serious attitude adjustment! I hoped it wouldn't come to this but I have no choice!

I put the Tickle Belt on her!

Sailor Mars: What is this!? Get this thing off me right now!

Me: Not going to happen until you change your mood.

Sailor Mars: WHY YOU!? MARS…

BEEP!

I pressed a button on a remote and the belt was ticking Rei and she was laughing hysterically!

Me: That's the Tickle Belt that Mermaid Man used on Man Ray in Episode 17.

Lily: I remember that Belt. That was awesome.

Nico: Clever.

Me: Thanks.

Then there was a scream!

Me: UH OH!

We went over and there was water all over the floor and Pinkie had water dripping down her legs!

Tsukuyomi: Holy fuck! Don't tell me you're going into labor!

Me: Is it time!?

Pinkie Pie: Yeah! It's time! (LAUGHS) They are coming out!

Me: Oh boy lets get her to the hospital guys!

Nico: You heard him! Lets go go go go go go!

We got Pinkie loaded into Ratchet and we were off.

Varie: Okay Pinkie start your breathing.

Pinkie Pie: (scared) Linkie, am I gonna die?

Lincoln: No you aren't Pinkie. I'll be with you.

We got out and dashed into the hospital and then we waited after they went into the Delivery Room.

Me: Now we wait.

Nico: Yep.

INSTIGATOR came in.

INSTIGATOR: I got your text guys!

Me: Awesome. We're going to be here for a while.

Camie: Yep.

We waited. I was playing Go Fish with Nico.

Me: Nico got any 7's?

Nico: Darn.

He gave me 3 of them and I got a set.

Me: Got any 2's?

Nico: Nope. Go fish.

Rei: I'm sorry, guys. But I told you this is how me and Serena are.

Eli: I don't see why I even bother.

Cybertron Crumplezone: (pats Eli on the back) Hey, you can always bonk Patrick's head if he does anything stupid.

Me: Sorry Eli is just trying to enforce order on the team. After Nico was made permanent leader I gave the position of enforcer to you bro.

Eli: Ah that makes sense.

Nico: Yeah it is. By the way J.D. where did you get the Tickle Belt?

Me: Oh SpongeBob gave it to me along with the remote and key for it. Lily told me all about it and how it works and it works amazingly well.

Lily: At least it doesn't torture you.

Nico: True.

Eli: But I'll do bonking Patrick's head in just in case. And Billy too.

Me: Good.

Pinkie Pie was LAUGHING?! What the!?

Pinkie Pie: (LAUGHS) THIS IS FUN AND SILLY!

Me: Ooookay?

Freeway: Come on! Let's hear some threatening of Lincoln!

Nico: Freeway! You know that Pinkie Pie loves everything to be funny. She is the Element of Laughter and makes anything painful funny.

Freeway: Oh right.

Me: Besides once she laughs she loves EVERYTHING funny.

Twilight Sparkle: It's true.

Applejack: At least she isn't mad about the time we thought we forgot her birthday.

Me: True.

Nico: Oh boy.

The laughter stopped.

Nico: Okay that was weird.

Me: Yeah.

But then the doors opened and then out came Pinkie Pie, Lincoln and Little Cheese and they had 10 baby girls with them. They each had pink hair and had blue eyes and had marks that looked like certain cheeses.

Me: Oh Pinkie they are so adorable.

Pinkie Pie: (Weak and tired) They sure are.

Nico: Aww they are so cute.

Maria: They sure are.

Lincoln: Yeah.

Me: What are you going to name them?

Lincoln: These three are Cheddar, Mozzarella and Brie.

Pinkie Pie: These three are Swiss, Gouda and Limburger.

Little Cheese: And these are Nacho, Parmesan, Gruyere and Bleu.

Nico: Aww you named them after various cheeses.

Lola: So adorable.

Camie: Aww they are so cute.

Me: And those are all delicious kinds of cheeses.

Nico: Yep.

Varie: Hey look here guys.

Varie had a Corsola in her hands.

Maria: Look! A Corsola!

Misty: Aww it's so cute.

Corsola: (In a girls voice) I sure am cute and congratulations on your babies Pinkie.

Pinkie Pie: Thanks.

Nico: Lucia!?

Qin: Lucia Donnely? Whoa!

Me: You know her guys?

Qin: She went to middle school with us and she is an awesome and amazing artist. She loves Coral Reefs and mermaids.

Nico: Yep.

Me: That's fitting for her because she's a Corsola.

Maria: That is true.

Varie: Awesome. You would make a great member for the Neptune Crusaders.

Corsola: I sure would.

May: What's your favorite memory of Nico?

Corsola: When me and Nico worked on this amazing painting that was an 18 X 96 inch panoramic painting of the Great Barrier Reef and we did it with all kinds of coral and mermaids and more.

Nico: Yep.

Laney: That sounds like a beautiful painting.

May: Yeah.

Me: Lets get you back to normal.

Corsola: Okay but I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Nico got out a pink jumpsuit and I snapped my fingers and she reverted back. She was a pink hair girl with blue eyes and she was naked and she put it on and got up.

Lucia Donnely: (GROANS) That was rough.

Nico and Lucia hugged.

Nico: I really missed you.

Lucia Donnely: Me too Nico. Me too.

Me: Lets get Pinkie home to rest for a few minutes.

Nico: Good idea.

We went back home.

---

We got back and Pinkie was sitting in her rocking chair and she was so happy.

Clawful: Nico, which teams have you made this time?

Nico: Zarya's team will include Lala Satalin Deviluke, Susie Remmington, Sailor Isla Nublar, Sailor Equestria and Sailor Raccoon City. Palutena's team will include Elemental Woman, Wendy Traviston, Sailor Land Before Time, Silina Odaiba and Lillian Van Damme.

Zarya: Awesome.

Elemental Woman: That is so awesome.

Varie: It sure is.

Sailor Land Before Time: This will be so fun and cool.

Sailor Isla Nublar: It sure will.

Then the previous group came.

Unicorn: Can me, Heat Wave, Stinky Butt, Melter, Touch & Go, Po Kong, Titanium Toenail, Bane, Red X, and U Foes go with you guys?

Capricorn Zodiarts: Me, Evil Flame Man, Malodor, Yost Viper, Evil Search Man, Shakedown, Rambling Ghost, Buff Frog, Burnertron, and Bunnie and Clyde will come as well.

Vapor: And congratulations on giving birth, Pinkie.

Pinkie Pie: Thanks guys. Just really tired.

Nico: She'll be better soon. And yes you all can come with.

Me: Pinkie gave birth to 10 girls.

Xenia: That is a lot.

Vapor: I was just about to say the same thing.

Air Man: Nico, which Gene Slammers do you think you'll meet next?

X Ray: This time, the Octillery will be one of them!

Nico: Yep. Octillery, Delibird and Mantine next.

Lola: Interesting choices.

Qin: Awesome.

Nico: That will be awesome.

Lucy: "Okay, salespeople, normies love cheerfulness. Let's see those smiles!" [The club tries to smile, but end up pulling weird facial expressions.] "Forget the smiles." [rings the doorbell] "Gloomy morning Mr. Grouse! Would you be interested in buying some homemade eyeball pops?"

[The rest of the morticians try to smile, some less genuinely than others]

Persephone: "We're raising money to attend Casket Con this weekend."

Morpheus: They'll be unveiling the new Model C Casket from Caskets 'R Us." [unveils the model on a poster] "It hovers, therefore totally removing the need for pallbearers."

Boris: "We're running a special for eyeball pops for the price of three."

Mr. Grouse: [unnerved] "Not now, creepy Loud and your creepy friends. I've got my own problem. I can't catch my couch to take a nap."

[His entire furniture is hovering with a cyan aura.]

Dante: "Oh yeah. That's a ghost problem."

Mr. Grouse: [Annoyed] "What was your first clue? When my love seat walked itself into the kitchen?" Can you spooky kids help?"

Morpheus: "Eh, lose the 'tude and we've got a deal."

Mr. Grouse: "Eh, I make no promises."

Lucy: "We'll get to the bottom of this, Mr. Grouse."

Lucy called Brittney and the goths.

Brittney: We got your call denizens of the night.

[Later, Haiku spreads salt around a candle and begins a ritual]

Haiku: "Spirits of the shadow world, who is haunting this house? We ask that you reveal yourself to us and Mr. Grouse."

[A spirit emerges from the circle, surrounding the morticians]

Morticians: "Ooh. Ahh."

Brittney: The spirit comes.

[The spirit surrounds Boris]

Boris: [laughs] "That tickles." [gets possessed by the spirit]

Lady Emmiline: [examines Boris's body] "My word, I'm tall. And hairless. And young!" [laughs]

Dante: "Aw. Why does Boris get to be possessed?"

Lucy: "To whom are we speaking?"

Mr. Grouse: "And why are you destroying my dang house?!"

Lady Emmiline: "I'm Lady Emmiline.

Brittney: Ah yes who lived in Royal Woods years ago.

Lady Emmiline: That is correct. I owned this home ages ago, and I'm not the one destroying it;- you are. [-points at him, unnerving him] I hosted the season's best soirées in this room. We had gold-plated antiques, Persian rugs, fine art on display. Now there's just… this." [holds a lamp and drops it; Mr. Grouse catches it before it hits the floor] "Unless you redecorate, I'll haunt you forever."

Lucy: "Ah, so she's in limbo. The place between our world and the afterlife. Until her unfinished business is dealt with, she won't cross over."

Mr. Grouse: "Well, tough! I like my stuff; I'm not changing it."

Brittney: Mr. Grouse don't make the spirits of the dead mad or else.

Mr. Grouse: Or else what? [he goes to take a seat, but Lady Emmiline yanks the couch from underneath him] "Oof! Fine."

[Lady Emmiline only laughs.]

[Later, Mr. Grouse is adding a shiny lamp on the ceiling.]

Lady Emmiline: "Beautiful!" [spins around in joy]

Mr. Grouse: "Eh, it's OK."

[Boris regurgitates Lady Emmiline's soul from his body.]

Boris: "That was a crazy feeling."

Dante: "Well, now you're just rubbing it in."

Lady Emmiline: "Well, that was fun." [to Mr. Grouse] "And don't even think about changing it back, because I'll be watching."

Brittney: And she is serious.

[She departs to the afterlife.]

[The Morticians leave Mr. Grouse's house]

Mr. Grouse: "I'm glad that ghost lady's gone." [Lucy offers the eyeballs] "Eh, keep your eyeballs." [hands dollar bills] "But you creepy kids earned this. Thanks." [shuts the door]

Lucy: "This is a lot of money. New plan: We help other people who are being haunted and raise money for Casket Con."

Brittney: That's not a bad idea guys.

[The morticians smile at this.]

[Later, the morticians film a video in the woods]

Lucy: [flatly] "Good morrow. Are you haunted by a specter?"

[Fake bats hang in front of the camera. The morticians start singing a jingle]

Lucy, Haiku, and Persephone:

[dancing near graves while a boom mic is visible]

If a ghost is haunting you

And you have no clue what to do

Dante:

[dressed in a bedsheet while hanging on a device held by Morpheus]

Don't just stand and scream

[bumps into the camera]

Lucy, Haiku, and Persephone:

[pop out of coffins]

Call the number on your screen. (Number withheld)

[Morpheus wheels his device behind the coffins and has Dante, still dressed as the ghost, drop down with the number: 555-0100. Lucy is watching the video on her phone at the Royal Woods Cemetery.]

Lucy: "And now we wait for customers."

[Boris puts a board listing the amount of money needed for Casket Con separated in different divisions. He colors the bottommost one in red. A phone starts ringing]

Boris: [Gasps] "The bone phone! A customer!"

[Lucy picks up]

Rodney: [Over phone] "Arrgh! Help me!"

Lucy: [Smiles] "We are officially in business."

Brittney: Lets head out.

[At Duds for Dudes, a ghost is causing chaos inside. The morticians are taking cover behind a table.]

Rodney: "It's destroying my clothing and spilling my most expensive cologne: Night Sweat! You have to help me!"

Brittney: Sounds like this ghost means business.

Lucy: "Ghost, reveal yourself." [The ghost reveals itself to be a man in a tuxedo T-shirt] "Spirit, what is your unfinished business here?"

Dude Ghost: "I was supposed to be buried in a real tux, but this joker put me in a tuxedo T-shirt! I want a refund!"

Brittney: Uh how can a ghost get a refund?

Dude Ghost: Oh good point.

Rodney: "No refunds! Besides, your order form just said tuxedo, so I went with our casual package."

Dude Ghost: "I can't cross over in this! I'll be laughed out of the afterlife!"

Rodney: [crosses arms] "Hmph!"

Brittney: Mr. Spokes you need to fix this or else he will make sure you never sell anything again.

Haiku: "What about an exchange?"

[Later, Rodney has dressed the ghost in a genuine tuxedo]

Dude Ghost: "Now this is what I'm talking about."

Rodney: "And here's your complementary bottle of Night Sweat!"

Dude Ghost: [Flinches in disgust] "Yeah, I'm good." [crosses into the afterlife]

[Rodney puts the bottle back and hands Lucy money. The ticket bar raises up another notch.]

[Later at the Hunnicutt Farm.]

Liam: "I suggest you all step back."

[He scatters bird seeds for the chicks, but is then kicked all the way into the mud by a ghost.]

Dante: "What the hex was that?"

Liam: "I ain't got no idea. But every morning when I come out to feed the animals, it wallops me."

Brittney: This looks like the work of a spirit.

Dante: "Show yourself, spirit!"

[The spirit manifests into a donkey, which rams Liam and brays.]

Liam: [recognizes the ghost] "It's Mee-maw's prized donkey, Dolly!"

Brittney: Wow I didn't know your moms donkey was here.

Persephone: "Do you know why Dolly's haunting you?"

Liam: "I do. I once broke our fence mud-wrestling with Virginia, and then blamed it on Dolly." [Dolly brays] "I know, ain't a moment I'm too proud of. Dolly, I'm gonna make this right." [leaves to his house] "Brace yourself, Mee-maw! You're about to be madder than a wet peacock!"

Brittney: Nice knowing you Liam.

[Dolly licks Dante in gratitude and leaves for the afterlife. Liam gives Lucy money, raising the ticket bar by another notch.]

[Chateau Royal Condos, sunset. The Morticians are now at Cheryl and Meryl's apartment. The secretary twins try to flip the channel to

Southern Hospitality, yet the channel changes to Hipster Island.]

Cheryl: [Annoyed] "Something keeps changing our channel, and we're missing the season finale of Southern Hospitality!"

Brittney: Looks like we have a spirit here.

Lucy: "This is definitely the work of a ghost. Spirit, show yourself!"

[The spirit reveals itself to be a hipster with his own ghost remote. Cheryl and Meryl gasp in shock.]

Hipster Ghost: "This used to be my pad, brahs, and I need to find out who wins Hipster Island."

Cheryl: "I use bra pads, too! But we gotta see if Sue Ellen chooses Brad or his evil twin, Chad."

Lucy: "You could always record 'Southern Hospitality', and you can watch it later."

Brittney: She's right. This TV has a DVR function.

Cheryl: "Well, we'd have to delete some of our crime shows, but it's a deal." [to the spirit] "Make yourself comfy, I'll be right back with three bowls of ice cream."

[Cheryl hands Lucy money, and the ticket bar rises by another notch.]

We were stargazing.

Heat Wave: Hey, you guys see that comet?

Ironclad: I do.

Evil Flame Man: That would be Hailey's comet.

Nico: It's awesome.

Me: Yeah.

The goths came back.

Me: Hey guys. Welcome back.

Acid Man: Any luck with getting money?

Mr. Touch: If so, how much?

Lucy: We're only one bar away from getting tickets to Coffin Con.

Nico: That's great guys.

Brittney: We have been very busy.

She told us about the ghosts and it was crazy.

Me: WHOA! Oh boy Liam is in a lot of hot water because of that incident.

Carmen: Yeah I hope he isn't in too much trouble.

Lincoln: And Rusty's dad better think twice before messing up an order like that.

Lola: No kidding. And Mr. Grouse better respect the ways of the dead or else.

Nico: No kidding.

Yost Viper: I'm sure Mr, Grouse won't do that.

Melter: Yeah. He might be old but he has morals.

Me: I agree there.

Lucy Loud: Same here. But we need one last job to get tickets.

Me: I'm sure something will turn up. You guys have been doing a great job so far.

King Kai: (Telepathically) Hey, Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got word there's a haunted mansion on the edge of town, and I've got bad news: King Boo, The Master of Illusions, is back, and he wants revenge on you guys for defeating him and putting him in that painting many years ago.

We gasped.

Me: Uh oh!

Lincoln: King Boo's back, but how?

Timmy Turner: Wait, let me check something.

Suddenly, Timmy's large Eye of Lupus orb started glowing, and he saw a figure appear in the World Tree Estate, and then, take the painting with King Boo trapped inside it, he zoomed in and when he enhanced the image, we were really shocked when we found out who it was that did the deed: it was Norm the Genie, the malevolent two-faced genie, and he was back from the dead and wanted to get revenge on us for killing him and sending him to The Warp three years ago. When the video ended, we were really pissed now.

Nico: That two-faced, malevolent genie! Oh, he is so going to pay for this! We'll send him straight to The Black Gates when we get after him tomorrow.

Applejack: WHY THAT TWOFACED DOUBLE CROSSING MALEVOLENT SIDEWINDER!

Nico: Looks like Norm just doesn't know how to take a hint! We will make him pay for this!

Lincoln: And we will, Nico, and I just know it'll be on my rescue, and we still got payback to deal unto him for what he did in making The 20 Days of Darkness even worse for us.

Timmy Turner: Yeah. But, first, we got to head to mansion and stop King Boo, but I've got an idea on just what to do with him, instead of sending King Boo to The Black Gates, we'll have him sent to The Masters of Evil's HQ.

Me: Good idea, Timmy.

Eli: Yeah.

Nico: But, we got to be careful: that insane ghost is bound to have a lot of scary tricks for us.

Vypra arrived.

Vypra: Guys, we just heard from King Kai: is it true that King Boo is back?!

Lincoln: He is, and the bad news: the person who freed him from the painting was that jerk, Norm the Genie, who's also come back from the dead.

They gasped.

Red X: That jerk, now he's gone too far!

Nico: He sure has.

Vypra: And I also agree with Timmy's idea: we'll defeat King Boo and send him to The Masters of Evil's HQ. Plus, I've got a little something for all you guys.

Vypra opened up the vault she has in her hand, and inside it was a massive collection of Poltergust G-OOs for all of us, along with all the equipment like the Strobulb, Dark-Light Device, Suction Shot, and all the functions, along with a function that puts contained ghosts into paintings.

Nico: Awesome!

Me: Thanks Vypra.

Moondancer: Now we're all going to be Ghostbusters!

We then put on our Poltergust G-OOs on our backs.

Lincoln: Alright, now we're ready to take the fight to that insane ghost, and put a stop to his scary tricks.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Raúl Lozano of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Raúl Lozano of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Itzel Kudabbi: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of

Raúl Lozano for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's head out and help out people who are having spirit problems, and then, we're heading down to the mansion to deal with King Boo.

Lincoln: This is definitely going to be one mission that The Ghosthunters Club are going to enjoy, and once we get done with solving the spirit problems and stopping King Boo, you're the next one to die, Raúl Lozano.

Itzel Kudabbi: (Spanish Accent) We're really going to need all of our ghost-hunting experience out on the field today along with stopping King Boo, and once we send that ghost to The Masters of Evil's HQ, you better say your prayers, Raúl Lozano, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

G1 Thrust: How about we give you guys some of the money we have? We got plenty of it!

Lucy Loud: Thanks guys. But it's fair if we earned it.

Me: Okay then.

Nicole: Also I found out that Mario disappeared somehow. I have this feeling that King Boo might be doing what he did to Luigi before.

Nico: Nicole what can you tell us about King Boo?

Nicole: Well he is not a good guy. He's really angry over what the Mario Bros. Did to all his people and him over the last 35 years since 1988.

She went over his history.

---

King Boo, also known as the Master of Illusions, and the Big Boo in Super Mario 64 DS, is the main antagonist of the Luigi's Mansion series.

He serves as the main antagonist of all three Luigi's Mansion games. He is also a major antagonist in the Super Mario series and occasionally appears in other spin-off series. He appears under different shapes and roles, most commonly as a boss character. He made his debut in the first Luigi's Mansion game.

As his name suggests, he is the king of the entire Boo race. He is also the arch-nemesis of Luigi as Bowser is to Mario. Despite having the same name and role, the King Boo from the main games seems to act differently from his first appearance in the Luigi's Mansion spinoff.

He is voiced by Toru Asakawa. Luigi's Mansion

King Boo made his first major appearance in the game Luigi's Mansion. He is angry with the Mario Brothers for causing the Boos so much trouble in the past, so he designs a plot to get rid of them both. He sends Luigi a note telling him he has won a mansion in a contest that he did not enter. Luigi calls Mario and tells him the good news, asking him to go there and meet him so they can celebrate. Mario goes to the mansion to investigate, but King Boo captures him. However, when Luigi arrives, Mario is nowhere to be seen, and the mansion is infested with ghosts. Thankfully, he almost immediately runs into Professor Elvin Gadd, who gives him a special vacuum called the Poltergust 3000 that can be used to fight and capture ghosts. Making his way through the mansion, Luigi eventually encounters King Boo and the rest of the gang, and they delightfully threaten to do what they did to his brother, only worse. However, when King Boo notices he has the Poltergust 3000, he promptly orders everyone to flee.

Later in the game, Luigi finds King Boo staring at a painting with Mario trapped inside in an alter room at the bottom of the mansion. He also finds out from E. Gadd that King Boo was the one who created the mansion and released all the ghosts within it. At the end of the game, after making his way through the rest of the mansion and capturing the other Boos along the way, Luigi confronts him in the alter room to free Mario, but King Boo resolves to stay and fight him directly rather than flee. He then seemingly summons what appears to be Bowser, who is apparently revived by King Boo after his (unseen) previous defeat, who sucks Luigi into the painting to fight him on the top of the mansion in another dimension. However, it is then shown to be really King Boo in what seems to be a Bowser costume. Luigi defeats King Boo and sucks him into the Poltergust, and later turns him into a portrait with the Portrificationizer. Then, Mario is freed from his painting and Luigi becomes glad that Mario is okay as Mario realizes that he needs a vacation, foreshadowing the events of Super Mario Sunshine.

Luigi's Mansion: Dark Moon

King Boo reappears in the sequel to Luigi's Mansion on the 3DS and seeks revenge against Luigi for his imprisonment. At some point in this canon, E. Gadd sold the painting at a yard sale. King Boo initiates the events of the game by destroying the Dark Moon, a purple crescent-shaped artifact that keeps the ghosts of Evershade Valley in a docile state. Shattering the Dark Moon into pieces, King Boo incites the ghosts to turn on E. Gadd which leads to his summoning of Luigi for help.

Though the course of the game, the true extent of King Boo's plans are revealed: to mine special gems similar to the one on his crown so he can increase the power of Evershade Valley's now-hostile ghosts and build an vast spectral army of them to conquer the world.

After Luigi successfully obtains all the Dark Moon Pieces, King Boo intercepts his teleportation back to E. Gadd's Bunker and entraps Luigi in an alternate dimension. There, King Boo appears in front of Luigi after revealing he had again trapped his brother Mario inside a painting. King Boo then taunts Luigi before announcing his intent to turn all his foes into paintings. A battle ensues between them which ends with Luigi triumphant, although after catching King Boo in the Poltergust 5000, no specific mentions of King Boo's fate is ever brought up. Luigi then frees Mario from a painting once again and the Dark Moon is repaired, restoring all of the ghosts of Evershare Valley to their friendlier states and Luigi is declared a hero.

## Luigi's Mansion 3

In Luigi's Mansion 3, sometime following his defeat in Dark Moon, King Boo is revealed to have been kept imprisoned by E. Gadd. However, E. Gadd is later lured to The Last Resort hotel by its owner Hellen Gravely, who subsequently frees him and all the other ghosts Luigi had previously captured before imprisoning Gadd in a portrait. Wanting to impress King Boo, Gravely begins to plot with him to lure Luigi and his friends to her hotel to be trapped. Their plan ends up succeeding, and King Boo manages to trap Mario, Princess Peach and three Toads in portraits. When Luigi investigates their disappearances, he comes across Gravely, who reveals her true nature and admiration for King Boo before he presents himself. He proceeds to taunt Luigi about his escape and plan, revealing all of his trapped friends before sending their portraits away and preparing to trap Luigi inside a painting as well. King Boo chases after Luigi down the hall, although he runs away and manages to escape using the laundry chute, subsequently finding E. Gadd's new Poultergust G-00 as well as Polterpup and rescuing him from his imprisonment.

King Boo later appears after Luigi defeats Captain Fishhook and rescues the final Toad, where Gravelly begs to be given more time to capture Luigi for him, although, seemingly disinterested in her plans, he takes Princess Peach's portrait and leaves her. Once Luigi reaches floor 15, Gravely decides that it is a good thing that he made it so far as she now has the opportunity to personally capture him and impress King Boo, and prompts him to come after her by revealing Mario's painting in her possession.

Once Luigi finally confronts Gravely, she lashes out at him for ruining her plans by running away from King Boo (resulting in him escaping his wrath) and making her lose his approval, resolving to defeat him herself, although she is ultimately captured instead. Afterwards, upon freeing Mario, Luigi heads to the top of the hotel with him to find and rescue Princess Peach, only for King Boo to arrive once they have reunited. After expressing his rage towards Gravely and her ghosts for failing him, he declares to the heroes that he is going to trap them in an ensemble portrait once and for all; summoning and destroying E. Gadd's portable lab to trap him and the Toads before capturing Mario and Princess Peach, with Polterpup narrowly preventing Luigi from being trapped as well.

Furious over Luigi escaping his trap, King Boo decides to engage him, leading into their final battle. Upon being overcome by Luigi and Gooigi twice, King Boo uses his magic to enlarge the portrait until it is big enough to encompass the entire hotel, forcing Luigi to have to defeat him before everything is swallowed up. Ultimately, Luigi is able to suck up King Boo by his tongue and trap him, releasing his crown's gem in the process, leaving the hotel to crumble before he is able to release his friends. Following this, the captured ghosts suddenly escape from their imprisonment and begin to swarm Luigi until King Boo's gem disappears (suggesting that he had been using his powers to control them). During the credits, Luigi and his friends rebuild the hotel alongside the ghosts, while King Boo is shown to be trapped again with an affectionate Gravely and Polterkitty nearby, much to his dismay.

When she was done we were all shocked and horrified!

Nico: No way in hell are we going to let him get away with this one. Lucy, goths, get ready for your biggest job ever. We're going to get rid of the Boos once and for all. And the money will be great.

CHA-CHING!

Lucy Loud: We'll do it.

Shakedown: Also, don't worry about the tickets. We got an idea.

Lucy Loud: What's that? (Po Kong laughs) What's so funny?

Po Kong: We'll approach the person selling the tickets. One look at me and he'll be so scared he'll give you guys tickets in no time!

Me: Ooh the old scare tactic. Nice.

Nico: We'll worry about that later. Come on guys. It's ghost hunting time!

Shaggy: GHOSTS! ZOINKS!

Shaggy and Scooby were scared.

We were off to the haunted mansion.

Me: I've got a really bad feeling about this. If this mansion is anything like the mansion that Luigi went to then we're going to have a huge challenge here.

Nicole: I feel the same way though. But we're ready for anything.

Needle Man: Don't you think maybe we should try getting those tickets with our money? No telling when they'll be sold out.

Brittney: Guys don't worry about it. It's not the tickets we all want. I already got them. It's the coffin we want.

Nico: Coffin?

Brittney: You'll see.

Nico: We're here.

We arrived in a really spooky forest and in front of us was a REALLY SPOOKY and creepy looking mansion! There were storm clouds and lightning above it and it was overflowing with supernatural activity.

Nico: Whoa!

Eli: (GULP)

Me: This places gives me the creeps.

Laney: (GULPS) Me too.

We went up to the door and went in and it was dark and scary and creepy.

Me: Whoa.

We went inside.

Me: This place is creepy.

Eli: Hello? Anyone home?

Qin: Looks like no one has been in here for years.

Camie: (Gulps) I don't like this place.

Red X: Good thing this mansion has a sturdy floor.

Burnertron: But the ghosts will hear our footsteps. We'll need to move as slowly as possible.

Nico: Right.

We walked quietly and we were ready.

Brittney: Keep your wits on high.

We heard a noise.

Me: What was that?

We backed up and then we bumped into something and then we heard a scream and then we saw LUIGI!

Me: Luigi!?

Nico: Thank goodness we found you.

Luigi: (Italian Accent) Oh thank-a goodness it's-a you!

Qin: Sorry to scare you.

Luigi: You guys-a got to help me. King Boo has-a taken Mario.

Me: Yeah we got the message from King Kai.

Bunnie: Good thing we found you before King Boo did.

Vector: Luigi, you stay close to us.

Nico: Lets take a look around.

Shaggy: Like walk around this place? (Cowardly Whimpering) Like forget it! Not on your life! NO WAY! Scooby and me will go to Lynn's Table for some food.

Scooby Doo: Reah.

Varie: Come on you chickens. Mario is our friend.

Shaggy: UH UH! No way!

Scooby Doo: And you can't make us!

Erica grabbed them both and lifted them up.

Erica Haddock: Yes we can!

Shaggy: Like I hate this job!

Erica Haddock: I swear you two need to be brave instead of acting like chickens.

Shaggy and Scooby clucked like chickens.

We rolled our eyes.

We got to searching for Mario. We got to searching every nook and cranny and we found lots of cash, gold, jewels and coins and more and sucked in lots of ghosts. We found all the minor boos. There were 50 of them.

Just then, we heard a voice.

?: There you are!

A ghost then came from the wall.

Eddy: Jesus Christ!

Sonata Dusk: (Scared) Someone beat it up!

I fired my Proton ray and sucked it in with the Fenton Thermos.

Then we heard what sounded like someone eating noisily.

Nico: Either that's a ghost or it sounds like someone eating like a pig.

We went into the dining room and saw a big fat purple ghost wolfing down food like no tomorrow.

Big Fat Ghost: (sees us) I'm hungry, Team Loud Phoenix Storm!

Buff Frog: Really now?

Bane: (Spanish Accent) How about a knuckle sandwich?! (punches it)

But his fist went right through him!

Nicole: Luggs the Glutton.

Qin: Jeez is he fat.

Nicole: I remember one way to deal with him.

Nicole fired a wave of fire and blasted his food and he was mad! He fired fireballs at us and we absorbed them and Nicole sucked him in and made him into a portrait with her Poltergust 3000.

Nico: Nice one Nicole.

Brittney: Yeah well done sis.

Nicole: Thanks.

Me: Boy I can't remember the last time we did that.

?: You are mine, Team Loud Phoenix Storm!

Another ghost came out of the wall!

Trolling Thunder: They're coming out of nowhere!

Brittney sucked in the ghost!

Qin: Nice try!

The ghosts kept coming but we weren't scared and we were sucking them all in as well as getting cash, gold, jewels and more.

Xenia: These ghosts are making this fun.

Titanium Toenail: No choice but to continue ahead.

Rambling Ghost: I agree with you.

We continued on and caught many more ghosts and made more portraits. We caught 22 ghosts and made them into portraits and found lots of treasure.

Nico: That's all the portrait ghosts.

Me: And we found lots of treasure.

Luigi: Enough to turn this house into true perfect-a home.

Nico: Yep. For all the great characters of Nintendo.

Lola: Yeah.

?: I got your scent!

Another ghost came out of the wall!

Lasher: There's no end to them!

We still sucked them all in.

Xenia: But we're not afraid of them.

Lola: No we aren't.

Mr. Go: King Boo has to be in here somewhere.

Evil Search Man: He can't be just gone.

Nicole: I know where he is. In the basement.

Nico: Then lets go.

We followed Nicole to the Basement and we got to the door at the end of a scary hall.

Nicole: He's behind that door in there.

Eli: I sense him. He is definitely there.

Nico: Oh boy.

Sour Sweet: Yep. Entrance time.

Nico: Lets do it!

We went at the door.

King Boo was staring at Mario who was trapped inside a painting. But then the spirits of the games of Mario from over the last 41 years appeared and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and a phoenix cry was heard and we came out.

Me: King Boo!

We saw Mario locked in a painting and he was crying out for help.

Mario: (Italian Accent) Help-a me!

King Boo: Aahh, I could just stare at my Mario painting for hours! It's true what they say about fine art… it takes utterly refined sensibilities to truly appreciate it! The way you plead for help, Mario… I find it so… satisfying. Perhaps that is merely because I remember how much trouble you've caused me in the past.… Seriously, though, who would actually believe that mansions get given away in contests?! Talk about stupid! What do they feed you Mario brothers anyway… gullible soup? Your brother came all this way just to get turned into a painting… [chuckles] It's just terrific. However… This Mario painting looks lonely… I must have a Luigi painting as well! Then my gallery will truly be complete! Hmhmhmhmm. I am not afraid of you, fool! I fear only that infernal Poltergust 3000 you carry on your back! Stupid machine! But I am a KING among Boos! I swear it… I shall fear no mere house-cleaning device! I must say… I despise the way you SHWEEERRPP-SHLOOOOP-WHOOORPP-SHLEEEOOORG-vacuumed up all my friends! Don't imagine that I'll flee… I'll fight you like a true Boo! Now join your brother… INSIDE THE PAINTING!

Me: Like hell will we let you do that!

Stinky Butt: Guys, me and Malodor will stun King Boo.

Malodor: That will give you enough time to get Mario out!

Me: Okay!

They farted and he smelled it and it was bad! Then me and Nico grabbed the painting and Brittney used a dark light and got Mario out!

Xenia: That did it!

King Boo: NO! MY PAINTING! YOU RUINED EVERYTHING!

Camie: Now we'll ruin you!

Mario: Mama mia. Thank'a you so much.

Me: You're welcome Mario.

Fluttershy: They are all really amazing and have amazing cool powers.

Tornado Bolt: Boy they sure do and their story is awesome too.

---

Nico: Yep. So, Crystal, what memories did you, Dulcie, and Sophie have with Lincoln, and what did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Crystal Solace: Oh, that's something none of us could ever forget. One day, we were with Lincoln and we were having a Fearless Club meeting at my house discussing some business, but then, we heard the familiar sounds of three chalkboard screeches of vengeance and deranged homicidal laughter in the air, followed the familiar sound of a loud burp, and we knew who those belonged to: our club's hated enemies after Orson: Lori, Lynn, Lola, Lisa, and Luan, The Quintuplet of Hatred, and they came here for one reason: to kill us again. But, Lincoln just had enough of those five wanting revenge once again, so he fired blasts of lightning and electrocuted those bitches and he tied them up in red energy ropes and put them in red energy orbs, and after we finished our meeting, we went back to The Loud House with Lori, Lynn, Lola, Lisa, and Luan still imprisoned, and after we told everyone of what those five tried to do, Lori, Lynn, Lola, Lisa, and Luan were doomed: not only did they get grounded once again for fourteen weeks, but we also ended the terror those five had wrought when their Dark Sides emerge again.

Dulcie Matthews: We then decided to ask Audrey Sauron to make sure never to give Lori, Lynn, Lola, Lisa, or Luan any rings to control their Dark Sides again. But, that was a bad move: Lincoln decided to make sure that only Lori, Lola, Lisa, and Luan had rings to control their Dark Sides and that they couldn't be removed, but the only sister who doesn't deserve a ring was Lynn, that animal was too out of control and too violent and stupid. Besides, she was already on Audrey Sauron's death list if she ever got out of control again and tried to kill Lincoln.

Me: Jeez, as if Lori, Lynn, Lola, Lisa, and Luan weren't nightmares before with their Dark Sides being unleashed, but when they unleashed them on the school's students, that's basically the last straw.

Lincoln: Yep, and during the punishment of Lori, Lynn, Lola, Lisa, and Luan, Crystal, Dulcie, Sophie, and I told those five off and we explained to them that if they continued with being nothing but nightmares to everyone around them, they're going to lose everything: their friends, their futures, and their family. Everyone cheered for us for being strong, brave, and courageous, while those five were absolute nightmares to them, and as a result, more and more people signed up for the club, and Lori, Lynn, Lola, Lisa, and Luan were basically humiliated, but we made sure to warn them of the consequences should they attempt to seek revenge on any of us.

King Boo went insane with rage and went charging at us, but we had our Poltergust G-00s at full power and we sucked King Boo in, and he was then put into a containment vessel lined with Ectoranium, and he couldn't get out, and he was beamed to The Masters of Evil's HQ.

Lincoln: You made the big mistake messing with The Ghosthunters Club, King Boo.

Nico: Not even your scary tricks could derail us, you insane poltergeist. Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Raúl Lozano of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Raúl Lozano.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Raúl Lozano, the next member of The Order of Nuestra Señora de la Santa Muerte.

Itzel Kudabbi: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Raúl Lozano: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Itzel Kudabbi's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Kudabbi-themed greatsword from her back, and as she approached Raúl Lozano, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Itzel Kudabbi: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Raúl Lozano. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Kudabbi and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Itzel Kudabbi was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Kuddabi flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Itzel Kudabbi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Itzel Kudabbi grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Kudabbi emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Ganashia with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Itzel Kudabbi has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Kudabbi surrounded by darkness and light and imps and on top of The Fabled Kudabbi is an anti-Sergio symbol. Suddenly, Itzel Kudabbi felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Itzel Kudabbi has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Itzel Kudabbi's massive The Fabled Kudabbi-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Kudabbi's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Kudabbi etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Kudabbi's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below The Fabled Kudabbi that said, "Itzel Kudabbi, Gene-Slammer of The Fabled Kudabbi, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Raúl Lozano of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Itzel Kudabbi has transformed into SUPER ANGEL-THE FABLED KUDABBI-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED KUDABBI ANGEL OF DIVINE DARK FABLED KUDABBI IMP JUSTICE AND DIVINE FABLED KUDABBI IMP LOVE!

We were amazed by Itzel Kudabbi's Super Angel-The Fabled Kudabbi-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Raúl Lozano saw it, he went insane and he got out his sacrificial knife to stab her, but Itzel Kudabbi fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Raúl Lozano, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Itzel's transformed.

Lincoln: Yeah, and she really sent Raúl Lozano back with that energy blast she fired and that really pissed him off now, and Itzel, you look beautiful, how do you feel?

Itzel Kudabbi: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Kudabbi and Divine Darkness Light Fabled Kudabbi Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Raúl Lozano once and for all?

Lincoln: (Smiles) With pleasure, Itzel.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Itzel Kudabbi.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Raúl Lozano, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Itzel Kudabbi and Lincoln went after Raúl Lozano, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Sauropods, Theropods, and Mermaids at Raúl Lozano and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Itzel Kudabbi sent her three imps and Lincoln summoned his own imps and they sent them at Raúl Lozano, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Itzel Kudabbi, her hand-cannon Blaster is known as The Fabled Kudabbi's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Kudabbi surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Itzel Kudabbi aimed their hand-cannon blasters at Raúl Lozano.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Raúl Lozano!

Itzel Kudabbi and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Raúl Lozano and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Raúl Lozano and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Raúl Lozano and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Itzel Kudabbi and Lincoln gave Raúl Lozano The Black Gates for good. We cheered as Itzel Kudabbi and Lincoln holstered their massive greatswords on their backs and powered down, and Itzel Kudabbi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Itzel Kudabbi: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Raúl Lozano for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Itzel.

Suddenly, Itzel Kudabbi wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Itzel Kudabbi's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Kudabbi flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Itzel Kudabbi absorbed the light and they came back to us as the display and The Fabled Kudabbi vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Raúl Lozano's death, now there are only five members of The Order of Nuestra Señora de la Santa Muerte.

Itzel Kudabbi: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Ramón Hernandez, which means it'll be Natalia Nozoochee's turn.

Natalia Nozoochee: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about a Gene-Slammer for Elemental HERO Brave Neos.

This caused the Elemental HERO Neos Gene-Slammers in Lincoln's harem to gasp in surprise.

Natalie Kendall: That's an awesome one, Linky, and there's only one person we know who could be Gene-Slammed into Elemental HERO Brave Neos.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Jennifer Torrance, Raquel Carrigan, and Aurora Cromwell: Tracey Aldine.

Natalie Kendall: Out of all the Elemental HERO Neos Gene-Slammers in Lincoln's harem, she's known as a true warrior with incredible strength, bravery, and courage, Tracey Aldine is known as a really incredible powerful person with power over light and when it comes to defending Lincoln, she fights with the bravery of the warriors of ages past.

Nico: Wow!

Lincoln: And she doesn't mess around, especially when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at home, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in Royal Woods. So, we'll be meeting her tomorrow, and no doubt, we'll be running into that jerk, Norm the Genie.

Me: That jerk's going to pay for his stunts in the past, and what he did in freeing King Boo to piss us off.

Firepower: That's one ghost busted!

Absorbing Man: Now Lucy and the others have enough money.

Devack: To go to Coffin Con, right?

Cheshire: Exactly!

Speed Demon: They've earned it.

Me: Yep and this mansion is going to be converted into a great house.

Nico: Yep. Ghost free. Great job today everyone.

Mario: (To the viewers) Hope you all loved-a this adventure with-a us.

Me: I know we all did.

Using the money we found along with all the treasure we converted the mansion into an awesome home. It was beautiful and much more amazing than ever.

The Morticians Club got to try out the new coffin. It was a hover coffin.

[They were inhaling and taking in the new environment.]

Morticians: [Slowly] "Mmm, new casket smell."

Boris: "Boris has found his smile." [Laughs as the hovering casket takes off.] "I like it." [The casket takes off high in the night sky.]

We later went back home and enjoyed the rest of the day and went to sleep.

Me: It's amazing that this cave is here.

Rachel Stavenport: Wow! It's awesome.

Camie: It sure is a beautiful cave.

Varie: Boy it must've taken thousands of years to form this cave.

Nicole: That's exactly right mom. This cave was here for thousands of years and it took that long to form.

Nico: It's magnificent.

Xenia: Boy it sure is.

Daring Do: But it's amazing that this cave is really here.

Moonstone: It sure is.

Kopaka: I agree there.

Nico: Kopaka, I want to thank you, Moonstone, and your teams for coming.

Kopaka: No problem Nico. It's going to be awesome having us help you out.

Arisia: It sure will be cool helping you out.

Nico: Arisia, do you love your Green Lantern job?

Arisia: I sure do. I get to see new places, see new planets, see many more people and help them out.

Me: Going all over the galaxy and the universe is always fun.

Camie: It sure is.

Lola: I think it's always fun and cool.

Nico: Yeah it sure is awesome.

Me: I have this aching question though.

Nico: What is it?

Me: When Krypton exploded, I wonder if there was a Green Lantern for it.

Eli: Boy that's a good question.

Arisia: Actually yes Krypton did have a Green Lantern. Her name is Jan-Al.

Nico: So there's another Kryptonian out there and she is in the Green Lantern Corps.

Arisia: That's right. When she got word that Krypton exploded she left to be alone. We haven't heard from her since.

Camie: Oh man. I would be devastated if I found out that I was the last of my kind.

Xenia: Me too.

Lola: That was awful.

Eli: No kidding.

Nico: She obviously doesn't know about what happened when we rescued all of Krypton from doom.

Arisia: I was trying to tell her but she hasn't taken my communications.

Me: Oh man. Too caught up in her own grief.

Laney: Poor girls.

Nico: Better yet, is there a Sailor Soldier for it?

Arisia: Not really sure.

Me: I'll have to ask King Kai about that in the future. But that would be awesome if there was.

Laney: It sure would be cool.

Varie: It sure would be awesome. And if there is a Sailor Soldier from Krypton she'll have all the same powers as Superman does.

Nico: Yeah.

Aylene C.: That is true.

Me: Yep.

Nico: But yesterday's mission was cool.

Lucy Loud: It sure was and we had a lot of fun.

Nico: Do you like the coffin?

Lucy Loud: It is a great coffin.

Brittney: This coffin is really something. It has amazing hover jets on it.

Lola: That is creepy but cool.

Me: It sure is awesome. And the best part is we destroyed all the Boos and even saved Mario.

Nico: Yeah but the best part is that we got the Nintendo stars an awesome new mansion to call home.

Xenia: We sure did. It's a really nice mansion.

Varie: It sure is.

Nico: Well, not ALL the Boos. We didn't take out the ones that side with Mario and the others during Sports Events.

Me: That's true. And there is still Boosette. Also now King Boo is the prisoner of the M.O.E.

Xenia: Yeah that's true.

Me: Yeah.

Nico: Those jump scares were similar to how Killer Croc used to do it to Batman.

Nicole: I remember that.

Qin: Yeah but we weren't scared of them at all.

Me: Yeah THEY should have been scared of us.

Xenia: That's true.

Me: But it was fun.

Lola: Yep.

Nico: What treasure is today?

Nicole: You guys will love this one. It's called The Book of Veles. It's a book that is said to be imbued with the powers of Velos, the God of the Earth himself from Slavic Myth. And it is said to be hidden in this cave.

Lola: Wow!

Xenia: Amazing!

Camie: Yeah! This will be something.

Nicole: But finding it is going to be difficult. Unlike the rest of the treasures we found this one is not going to be easy to find.

Nico: How hard can it be?

Me: Please don't ask that.

Nico: Sorry.

We continued on.

We went down further into the cave and it was a beautiful place.

Little did we know however there was a figure watching us and it had malevolent glowing red eyes and had an evil glare locked on Lincoln.

Figure: I will literally rip you to fucking shreds you ungrateful fucking twerp.

Nico: You get the feeling we're being watched.

Me: I sure do. Someone else is here.

Eli: I sense it and it's evil. Beyond pure evil.

Qin: Oh boy.

Nico: Yeah.

We continued and we got to a huge cave room and it was a crystal cave!

It was a cave made of diamonds and Sapphires.

Nico: Look at these!

Me: Wow. What a crystal cave.

Xenia: Magnificent.

Lola: It sure is beautiful.

Rarity: Oh these gems will be most beautiful for my newest line of fashion.

Leni: O.M. Gosh they totes would be beautiful.

Nico: It's magnificent. Amazing how all these formed this far into the Earth.

Eli: It sure is awesome.

Nico: Any eyes on the prize?

Nicole: Well the legend says that the Book of Velos is supposed to be buried in a chest underneath a crystal spire that looks like the symbol of Uranus.

Nico: That should be easy to find.

Camie: Yeah.

Nico looked around and saw something.

Nico: Like that?

We saw a crystal spire that looked exactly like the symbol of Uranus.

Me: That must be it.

We went over to it and started digging.

Me: I got this. (SPINS MAGISWORD BRACELET)

MEGA DRILL MAGISWORD!

I dug and the…

THUNK!

Me: I think I hit something!

Nico: Eli, sense for Swartz's creations.

Eli: Right.

He concentrated.

Me and Varie pulled out a chest.

Nicole then opened it and in it was a gold book with Enochian Symbols and the symbol of Velos on it and it had all the powers of the Earth in it!

Nicole: There it is! The Book of Velos!

Me: Wow!

Xenia: It's amazing!

Camie: Yeah!

Nico: Who should get it?

Apple Bloom: I will do it.

Nico: Okay Apple Bloom. Go for it.

Apple Bloom went up to the book and then grabbed it and then it glowed and she underwent a powerful transformation!

(ESCAFLOWNE INTRO (FOX KIDS VERSION) EXTENDED PLAYS)

She was enveloped in a powerful vortex of crystal and rock and grew taller and got the body of a goddess and she grew rainbow crystal wings, and had all the powers of the Earth. When it faded she emerged forever changed! She looked amazing!

Me: Whoa! Apple Bloom how do you feel?

Apple Bloom: I feel incredible. But I think my clothes are now too small for me to fit in.

Applejack: My little sister is now all grown up.

Nico: Also, after about Yan Lin's 3rd mission, we need to ask Lightning Lord about the Legion of Superheroes that Lin Chung drew.

Me: Noted and taken into account.

Laney: Yeah.

Eli: Uh oh!

Me: What is it Eli?

Eli: We got a Code: Control Freak Black!

Lincoln: Code: Control Freak Black!?

Me: Uh oh! An evil version of Lori is here.

Camie: Not good!

Lincoln: I'll summon my angels.

Me: Lets take this outside. With all this crystal in here it's too cramped and some one us can get hurt.

Nico: Good idea.

We teleported back outside.

Me: Much better.

Laney: Now we can fight her out here.

Nico: Or maybe, she's still inside and we can trap her there.

Voice: I WILL KILL YOU TWERP!

Nico: Or not.

Then I saw a black glow and then I saw the Grimoire Wonder Ride Book glowing!

Me: The Grimoire Book is reacting to something.

Nico: She must have been turned into Another Wonder Ride Embodiment too.

Then a figure came out and it was AN EVIL VERSION OF LORI! But She was boiling mad with unbelievable hate and rage and fury! She had piercing red eyes and red clothes!

Nico: OH BOY.

May: Um… hi?

Evil Lori: YOU UNGRATEFUL FUCKING LITTLE TWERP! I WILL LITERALLY KILL YOU AND ALL YOUR FRIENDS AND YOUR

FUCKING FAMILY! I HATE YOUR FUCKING GUTS MORE THAN LIFE ITSELF!

Lincoln's aura flared up explosively!

Lincoln's Guardian Angels then came!

Sienna Dawson: You will not lay a single hand on him you bitch!

Luna Spencer: That's right you heartless fiend! We have a lot of pain to dish out on you!

Lincoln: It's Payback time!

Nico: Go nuts on her!

Lincoln and his guardian angels did so and pulverized the living shit out of her in a brutal fight cloud!

KRAWHAM! CRUNCH SMASH WHOMP THWACK KROW WHACK!

We were really hearing nasty fighting!

Eli: OUCH!

They were REALLY MANGLING HER UP!

Nico: Eli, any word on Swartz's creations?

Eli: 10 klicks away.

Nico: At least they are coming.

Qin: Yep.

Nico: Now sense if Evil Lori got turned into an Another Wonder Ride Embodiment.

Eli: Right.

He did so.

Eli concentrated.

Eli: Yes she did!

Then a dark swirl came out and Evil Lori turned into a black version of STORIUS! She turned into KAMEN RIDER GRIMOIRE!

Nico: WHOA!

Me: Kamen Rider Grimoire!

Brittney: Wicked cool!

Nico: Scary!

Maria: Let's take her down!

Me: You don't have to tell me twice!

I then went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) You will pay for your crimes Evil Lori!

I teleported and kicked her in her face and punched her in her stomach and kicked her in her face.

Me: YOU WRETCHED ANIMAL!

I teleported and kicked her in her face! I sent her skyward and punched her in her stomach numerous times and then blasted her in her face and smashed her down!

Me: HAAAAAAAAAAA!

I fired a massive volley of blue fire fireballs and they all hit her all over with incredible force and power!

Nico: WHOA!

Eli: WHAT POWER!

Laney: Incredible!

I blasted her all over and then the blast held her down in a powerful dome of energy.

I then charged up a massive and powerful blue fire blast!

Nico: WHOA! This is gonna be big!

Me: BLUE WOLF MASENKO! HA!

I fired a blue ball of energy and it went into the dome and it turned red and then…

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF INCREDIBLE POWER!

The explosion was so massive, so powerful and so devastating that it shook much of the planet! A Massive mushroom cloud could be seen for miles! When the explosion faded Evil Lori was down and was burned badly all over!

Nico: WHOA! What power!

Maria: Let's toss her in prison.

Lincoln: Not this time.

Lincoln fired a blast of energy and obliterated her and banished her to the black gates. All that was left of her was the Wonder Ride Book. Brittney picked it up and it was called Satan's Grimoire of Darkness. It was the most powerful Dark Wonder Ride Book of all. She decided to use it for good.

Nico: That was intense.

Camie: It sure was.

Nico: That's not the only Wonder Ride Book we'll get today.

Me: Nope.

Then I saw another glow. It was coming from the Ocean History book.

Me: The Ocean History book is glowing now.

Nico: Oh wow. This will be a good one.

Then a figure came and it looked like a dark version of Aquafiend mixed with Undine! It was ANOTHER UNDINE!

Me: WHOA! Another Undine!

Nico: This one looks cool.

Laney: It sure does.

Maria: And you are?

Another Undine: (In a girls voice) I believe J.D. knows me.

Me: (GASP) Vivian Undine!? Whoa!

She reverted back and was a girl with blue hair and had blue eyes and had blue clothes and had the Huntik symbol for Undine on her skirt, arm and in the middle of her forehead.

Vivian Undine: I saw your fight with that evil version of Lori. That was great!

Me: Thanks. That was awesome.

Lola: Yeah.

Nico: And I take it you're the gene-slammer for Undine?

Vivian Undine: That's right and I have incredible water powers as a result.

Me: Wow that is awesome.

Lola: I'll say!

Nico: Who's up next?

Maria: I'lll go next.

Nico: Go for it Maria.

Me: By the way Viv, any other opponents with you?

Vivian Undine: Actually yes. Another version of her.

She pointed to Moonstone.

Moonstone: Another version of me? Wow!

Nico: This will be interesting.

Me: Yep. Friendly or hostile?

Vivian Undine: Friendly. She knows you really well J.D.

Maria: Let's see who commands water the best!

Vivian Undine: You got it.

She turned into Another Undine.

Maria fired a wave of water and smashed her down and I caught the Wonder Ride Book and it was called Neptune's Darkness.

It glowed and turned into Neptune's Champion of Water.

I went over and picked up vivian and brought her over.

Me: Nice job MAria.

Maria: Thanks

Nico: That's my big sis!

Carol: YEAH!

Maria: Aw thanks guys.

Nico: Not done yet though

Maria: Right! The Another Moonstone!

Me: And here she comes!

We saw a figure come out and it was a dark version of Moonstone. It was ANOTHER MOONSTONE!

Nico: Another Moonstone!

Me: Wow!

Another Moonstone: Big battle you guys did.

Me: (GASP) Kallie Krypton A.K.A. Sailor Krypton!

We gasped!

Nico: Krypton's Sailor Soldier!

Arisia: We were talking about you less than an hour ago!

Nico: Awesome!

Another Moonstone: I had a feeling you were.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Kaito got an Operation Overdrive sword and Zocks got a Magistaff.

Another Moonstone: Just to bring back Krypton.

Me: Uhh that would be a big problem. Krypton was destroyed when they harvested the core.

Eli: Yeah no kidding there.

Nico: But we do have all your fellow Kryptonians here on Earth.

Me: We rescued them.

Another Moonstone: Oh wow! I'm glad you did. Krypton did nothing to deserve being blown up like that.

Wendy Sapphira: No it didn't.

Me: But Swartz is gone forever. He was given the Black Gates.

Another Moonstone: Good.

Me: Yep. Sorry we have to fight.

Sougo: (gets out Operation Overdrive Ridewatch) Bringing Krypton back isn't impossible for us.

Geiz: (gets out Mystic Force Ridewatch) J.D. can bring it back with a snap of his fingers.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: I would but Krypton would just explode again and again and again.

Nico: J.D. is right. Krypton's core is still unstable even if it was brought back. It would still explode again and again.

Me: Yeah.

Another Moonstone: You're right on that.

Me: Sorry Kallie. But also sorry we have to fight like this.

Another Moonstone: No worries. Come at me.

Nico: (gets out Moonstone's Ridewatch) Let's get this party started!

Nico activated it and fired waves of energy and smashed her down.

Me: YEAH!

Nico: Time for planets of darkness to burn. (ACTIVATES OPPOSITE SENSHI'S RIDEWATCH)

Nico fired waves of energy and smashed her down!

Qin: Take that!

Lola: YEAH!

May: Lets see what this does. (ACTIVATES MOONBEAST'S RIDEWATCH)

She then started to smell horrible! AND IT WAS GROSS AND HORRIBLE!

(LIGHTHOUSE FOGHORN NOISE)

Me: (SNIFFS) OH GOOD GOD!

Eli: THAT IS HORRIBLE!

Qin: GOOD GRAVY!

Me: GEEZ! Sheila is this what you guys had to face on Eberron?

Sheila (D&D): Yeah it sure is.

Bobby (D&D): It sure is bro.

Nico: Horrible!

May: All that one did was make me smell horrible. (ACTIVATES MORGANA'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Nice! (ACTIVATES LIMBURGER'S RIDEWATCH)

She fired waves of energy and smashed her down!

Qin: YEAH!

Maria: And this now. (ACTIVATES PENELOPE SPECTRA'S RIDEWATCH)

She fired purple fire and smashed her down.

Nico: Nice one!

Saix and his team consisting of Psyphon, Dark Ariel, Moon Monster, Countess Dracula And Prince Diamond came.

Nico: Nice team, Saix!

Saix: Thanks Nico.

Me: Whoa is that a dark version of Ariel?

Dark Ariel: Yes that's right.

Me: Oh man. You look awesome as a mermaid from the Dark Side of the Legend. I saw a version of you like this on a YouTube video. You had webbed hands and claws and scary teeth and a huge thirst for blood.

Dark Ariel: That's true. Awesome huh?

Eli: (GULP) Ariel would not like that.

Nico: Oh boy.

Maria: At least you're not like those Evil Mermaids.

Dark Ariel: That's true.

Nico: Yeah.

Maria: I have a feeling the gene-slammer is near.

Arisia: It's my turn first!

Arisia activated Opposito Senshi's ridewatch and fired waves of energy and smashed her down.

Nico: Nice!

Maria: YEAH!

Then we saw a blob of ink hit Another Moonstone and knock her down and I caught the ridewatch and purified it and I went over to Sailor Krypton and she was a girl with green hair and blue and green clothes.

I went and picked her up.

Sailor Krypton: (Groans) What a headache.

Me: But you're back to normal.

Nico: But who fired that ink?

?: I did.

We saw an Octillery.

Me: Hey an Octillery.

Nico: Cool!

Octillery: (In a girls voice) Sorry about all that.

Nico: Paige Kovacs!? Whoa!

Qin: Awesome to see you again Paige.

Octillery: Same to you Qin.

Me: Another one of your school friends Nico?

Nico: Yep. We went to cooking class together and she is an amazing noodle and sushi chef.

Me: Cool!

Arisia: Do you have any favorite memories of Nico?

Octillery: Well this one time me and Nico made sushi for everyone and we got the highest cooking award for it. Then we saw a bully and we made laxative spiked noodles for him and he released explosive diarrhea all over the classroom. He was expelled and forced to go clean the room. But he was also never allowed to go back to any school ever again.

Me: Ha! Serves him right.

Camie: No kidding.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a red leotard and they covered their eyes and I snapped my fingers and she was reerting back.

She was a girl with red hair and blue eyes. She put on the leotard and got up.

Paige Kovacs: (GROANS) That was rough.

Nico and Paige hugged.

Paige wiggled her fingers.

Paige Kovacs: Feels good to be human.

Nico: I've really missed you.

Paige Kovacs: Me too Nico. Me too.

Me: This was an awesome treasure hunt though.

Nico: Yep. Lets head home.

We went back home.

Lincoln: Whoa, we're here in Ji Province, the battlefield for The Yellow Turban Rebellion, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to take down that crooked magical mega-jerk, Norm the Genie, and throw him in the Masters of Evil's Prison where from now on, any wishes he grants will be our wishes only.

Nico: We originally had plans to send him to The Black Gates, but this is actually a better punishment for that crooked jerk, not only is he going to be put in prison forever, but from now on, any wishes he grants will be our wishes only.

Me: Nice one, plus, we still also get to put that jerk in his place, and it's going to be painful.

Sun Shang Xiang: Still, I never thought that genie would flee to Ji Province after his stunt yesterday.

Lincoln: We already sent King Boo to The Masters of Evil and ruined that poltergeist's revenge on us, and spoiled that jerk's attempt at revenge yesterday, now he's fled here to Ji Province, he knows he has nowhere left to run, so now, we'll make sure he never does this to anyone else again, and I want to thank you and your team for joining us, Nuju.

Nuju: You're welcome, Lincoln. So, what's the plan, how are we going to take down Norm?

Lincoln made a holographic map of Ji Province, and Timmy also stepped up.

Timmy Turner: Norm will no doubt create three clones of himself and they'll be at the three altars in the center, the west, and the east, and he'll no doubt use the same tricks that Zhang Jiao and his brothers used: such as creating tornadoes and rockslides, and in the center, the clone will try to use fire on us, but that idiot doesn't realize we can absorb fire. So, here's what we'll do: we'll split into three units, one unit will advance to the eastern altar to deal with Norm's clone there, the second unit will deal with Norm's clone in the western altar, and the third unit will advance to the central altar to deal with Norm's last clone there.

Lincoln: From there, we'll regroup to deal with Norm who's located at the main altar at the camp.

Zhuge Liang: We can also expect there to be armies of Heartless waiting to ambush us after we kill the clones and end their sorcery.

Zhou Yu: And we'll expect a strong concentration of Heartless in the central altar.

Lincoln: You and Master Zhuge Liang are correct, Zhou Yu. I have an idea: Lu Xun, you and Zhu Ran will both be needed for this next part of the plan. Since we know of your talents for launching a planned fire attack, we're going to lure that crooked genie to the center, but instead of using regular fire arrows, you'll be using these.

Lincoln took out specially crafted arrows with ice fire.

Zhu Ran: Ice fire arrows. Now, this should be quite interesting.

Lu Xun: Of course, and leave this to us, Lincoln.

Lincoln: Alright, everyone, advance.

We then proceeded with the march, and as Timmy explained, Norm's clones unleashed rockslides in the east and tornadoes in the west: we split into two units and took down the two clones in the east and west altars and neutralized their sorcery, and as expected, the armies of Heartless came out as soon as the clones were killed, and the armies of Heartless were killed and we absorbed the negative energy from them. Then, we regrouped and advanced to the center.

Norm Clone: Alright, that's it, may you all be burned to death!

Norm's third and last clone used his magic and activated the statues which started to spew out fire, but that was a big mistake on his part, we were continuously absorbing the flames and they were making us even stronger than ever, and the third clone tried to fight back, but Lincoln cut him down and his sorcery was neutralized as the statues were deactivated. We also destroyed the massive army of Heartless that came out and we absorbed all of the negative energy released.

Guo Jia: Now that we've taken care of the clones and all of their tricks, it's time to lure our crooked genie out, but how to do that is the real question.

Suddenly, we saw Elemental HERO Brave Neos appear before us, and with it are the six girls.

Timmy Turner: Looks like we got our answer, that's Elemental HERO Brave Neos. But, how, Jaden didn't summon…

Elemental HERO Brave Neos: (Girl's voice) No, he didn't, and I got the six girls away from that crooked genie, Norm, and I got him so mad, he's already coming after us.

Lincoln: (Gasps) That voice, Tracey Aldine, I knew it was you, it's so awesome to see you again, but we'll talk later.

?: You heroes never let me have my fun!

Nico: And I know that voice from anywhere, here comes that crooked genie, Norm, now.

We then saw our target, Norm the Genie, and boy was he really mad. But, before he could try to attack us, Timmy read a page from the Fairy World Compendium, and he trapped Norm the Genie inside a magic circle which appeared out of nowhere and as soon as he was in it, the magical circle neutralized his powers.

Eli: Whoa, what was that?

Wanda: That was a spell from the Fairy World Compendium, and that spell neutralized that crooked genie's powers as soon as he arrived.

Norm the Genie: This isn't over, I'm still going to destroy every last one of you, and I can't wait to see everyone cry in despair when they see your dead corpses all over the place!

Suddenly, something in Timmy Turner's mind absolutely snapped as memories of Norm's crooked and evil tricks rushed through him along with the memory of him making The 20 Days of Darkness even more darker, and his sapphire blue eyes turned neon sapphire blue and he was surrounded by a pink and white energy aura with fairies, angels, magic, wolves, and elemental forces and he gripped his Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice in his right hand in anger and pink Eye of Lupus orb was glowing even more, and as he approached Norm, he left pink and white energy, fairies, magic, elemental forces, angels, and wolves with every step.

Timmy Turner: You know what, Norm, you absolutely make me sick to no end, you've already proven that you are a crooked and sleazy genie who may grant wishes, but those wishes aren't what they've even asked for, and on top of that, you've caused me, my Godparents, Fairy World, and everyone in Dimmsdale enough trouble to last an eternity. (SUDDENLY GETTING EXTREMELY PISSED OFF AND SUPER ENRAGED) But, what you did years ago when that worthless Digimon Emperor freed you, and he asked you to bring back Vlad, Crocker, Goobot, Plankton, Burns, and Jockerson, you made The 20 Days of Darkness even darker for all of us, and what you did yesterday in freeing King Boo from his painting, just to piss us all off for your own sick amusement! (Suddenly, his canine teeth grew into fangs)… , YOU JUST SEALED YOUR OWN DOOM, YOU CROOKED, WISH-GRANTING MEGA-JERK FROM THE DARKEST DEPTHS OF HELL, AND FOR WHAT YOU DID IN MAKING THE 20 DAYS OF DARKNESS EVEN DARKER FOR US AND FREEING KING BOO YESTERDAY TO PISS US OFF, YOU WILL NEVER LEAVE THIS PLACE IN ONE PIECE! (WOLF ROAR)

We gasped at the sudden extent of Timmy Turner's rage, and when we heard a wolf roar escape from his throat and his canine teeth turn into fangs, we knew Norm just fucked up big time, and now, he's going to pay.

Me: UH OH!

Nico: HOLY CRAP! Timmy's really exploded with anger now!

Lincoln: And did you see his canine teeth grow into fangs and hear a wolf roar escape from his mouth, oh, Norm really crossed it this time. STAND YOUR GROUND, GANG, TIMMY'S GOING TO EXPLODE!

We stood our ground as Timmy Turner screamed like a madman and roared like a really enraged wolf as he was surrounded by a massive vortex of pink and white energy with magic and elemental forces surrounding it, there's a fairy, angel, and wolf flying and running around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Timmy Turner emerged, but he was changed forever.

Timmy Turner remained tall at 7'5" in height, he still has abnormally massive and powerful upper and lower body muscles and eight-pack abs and he now has nine large colored orbs orbiting around his legs, he has blue highlights in the bangs of his long chocolate brown hair that reached the bottom of his neck and a blue tip on one strand of his hair, he has neon sapphire blue eyes and a pink and white energy aura with fairies, magic, angels, wolves, and elemental forces surrounding him, he has an angel and wolf holding the Element Kanji and was accompanied by two fairies emblazoned on his forehead and Third Eye with pink iris, he has on wolf earrings with pink gems for the eyes and with the Elemental, Magic, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with pink gems on the gold star links and pink and green crystals for the links and a blue fairy-shaped Element of Harmony and below the Element of Harmony is a wolf head with pink gems for eyes and the Elemental, Magic, and Eternity Kanji on its head for the pendant. Timmy Turner has on a pink shirt with sapphire blue jewel, long white long-sleeved jacket with golden embroideries and blue buttons, white gloves with silver claw rings, black pants with blue flames, black knee-high boots, and long long-sleeved white coat with gold embroideries on the long sleeves and pink-furred cuffs and pink fur lining on the coattails and pink wolf draped around for the collar, and on the back is a fairy crown with a fairy, angel, and wolf, and on the back of his neck is the constellation of Lupus the Wolf. Suddenly, Timmy felt a sharp pain on his wider and more muscular back, and then, his massive white angel wings with yellow tips on the large white feathers, grew much bigger for his new body, and he now has fangs like a wolf, he has on his Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Timmy Turner's Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and all the other swords he'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, fairies, magic, angels, wolves, and elemental forces, and when it finally emerged, it was transformed into Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice, it's a brand-new large Mage's Staff measuring at 8'1" in length with a massive pink orb on top of four large gold raven heads with blue gems for eyes below a large blue gem surrounded by a gold ring and a gold dragon coiled around one end of the long black handle and on the other end of the black handle are four smaller gold raven heads below a blue gem and on the bottom of the raven heads is a large gold crescent moon weight with a pink gem on it and his Eye of Lupus orb also now has gold designs on it, he has on his new large gold cuff Bracelets of the Champions of The Universe with pink gems on his wrists, large gold Belt of Elemental Bravery with a large gold wolf head with blue gems for eyes and a large pink gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Fairy World Compendium, Talisman Cards of The Universe, Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a gold kanji below the fairy crown that said, "Timmy Turner, Chosen One and Defender of Dimmsdale and Fairy World, Loving Fairy God Child of Cosmo and Wanda, Loving Fairy Godbrother of Poof, Loving Son of Mr. and Mrs. Turner, Destroyer of Denzel Crocker and Many of Fairy

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) Don't even think you can still fight us, Norm, with the spell I used still active, you're effectively powerless, and I'll also take that.

Timmy Turner removed the Dark Orb from Norm's hand and sent it to The Warp.

We cheered wildly as we holster our weapons and powered down, and Timmy Turner's new body, clothes, weapons, jewelry, angel wings, and nine large colored orbs orbiting around his legs are permanent.

Norm: You realize I'll get out of this, and I will get you for this!

Timmy Turner: Not anytime soon, Norm, that blast of magic I hit you with with my new Mage's Staff has imprisoned you inside your lamp for all eternity. You're going away to The Masters of Evil's prison where you will remain there forever, and from now on, any wishes you grant will be our wishes only.

Lincoln: Consider it a reprieve, Norm, but we still hate you for everything you've done.

Lincoln beamed Norm to The Masters of Evil's prison.

Lola: That crooked jerk finally got his just desserts, and now, he's in prison for good.

Lincoln: And from now on, any wishes he grants will be our wishes only, and he can't cheat out of this ever. (To Tracey Aldine) And it's so good to see you again, Tracey Aldine.

Tracey Aldine reverted back to normal, and she's a beautiful girl with long dark blue hair, ice blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark blue angel wings and she reigned in the power of Elemental HERO Brave Neos, she's dressed in a sleeveless dark blue blouse, sleeveless dark blue midriff top, dark blue skirt, dark blue pants, dark blue knee-high high-heeled boots, and long white sleeveless trenchcoat with light, stars, space, and angels on the coattails and on the back is Elemental HERO Brave Neos and holstered on her back is a massive Elemental HERO Brave Neos-themed greatsword with embedded dark blue gems and Elemental HERO Brave Neos etched on the 7'0" massive, wide, double-edged white blade, large Elemental HERO Brave Neos heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large Elemental HERO Brave Neos heads and large dark blue gem on the bottom of the large Elemental HERO Brave Neos heads for the pommel.

Tracey Aldine: You too, Lincoln, it's been such a long time, and it's also good to see you all again, Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Jennifer Torrance, Raquel Carrigan, and Aurora Cromwell.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Jennifer Torrance, Raquel Carrigan, and Aurora Cromwell: You too, Tracey.

Lincoln went up to Tracey Aldine and he hugged her, and Tracey Aldine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tracey Aldine: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Tracey Aldine, she's my Guardian Angel from Michigan and classmate in Gym. Out of all the Elemental HERO Neos Gene-Slammers in my harem, Tracey Aldine is known throughout all Michigan as a true warrior with incredible strength, bravery, and courage, Tracey Aldine is known as a really incredible powerful person with power over light and when it comes to defending Lincoln, she fights with the bravery of the warriors of ages past, and she's brave enough to take on any challenge that she meets either physical or mental, and when it comes to defending Lincoln, she fights with the bravery of the angels of Heaven, and she's had no problems when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city.

Sophia Presley: She also has a well-known reputation for putting bullies in their place, such as Lynn, and she hated her completely, so much so that she tried so many times to get rid of her, but when Lincoln found out what Lynn tried to do in getting rid of Tracey by beating her to death and cutting her head off in front of him, he absolutely lost it and pummeled that animal into the dirt, and then, he called the rest of his Guardian Angels, who came over and they tied that wild animal up, and it also earned her a really nasty scolding and reprimanding from Lincoln, Tracey Aldine, the rest of the Elemental HERO Neos Gene-Slammers, and the rest of Lincoln's Guardian Angels, and she hates Lynn with a very blazing passion.

We gasped.

Nico: Holy crap, Lynn tried to beat Tracey to death and cut her head off right in front of Lincoln?! That's just pure evil!

Me: Big time.

Lincoln: Lynn went too far with that threat, and I snapped. I knew Lynn would live up to her threat, and knowing just how violent she is, I had to stop her, otherwise I'd lose Tracey to her bloody hands.

Luna: And you're going to hear the whole story about it later, and trust me, you'll wish you gave Lynn a severe paddling.

Tracey Aldine: Or throw her in the slammer. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Tracey Aldine: How did you know about that?

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Tracey Aldine: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to Tracey Aldine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up.

Tracey Aldine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on Tracey Aldine's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Tracey Aldine: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tracey.

Tracey Aldine had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln who they were, he immediately recognized them. The six girls Ayame Shaga and Sen Yarizui from Ben-Tou, Red from Tex Avery, Uta, Lim, and Boa Hancock from One Piece.

Lincoln: Oh wow, it's Ayame Shaga and Sen Yarizui from Ben-Tou, Red from Tex Avery, Uta, Lim, and Boa Hancock from One Piece.

Me: Red from Tex Avery? I remembered that she always getting nabbed by Tex Avery McWolf, and now, she's been rescued by Lincoln from that crooked genie, Norm.

Nicole: Just like when Droopy saves her from Tex Avery McWolf.

Timmy Turner: Wait a minute, Boa's also among the group of girls that were at Ji Province. Then, that means… !

We gasped.

Wanda: That means, Norm kidnapped her and was planning on killing her as well. That's why we got the word that she went missing this morning.

Emily Boa: Kidnapping my sis and trying to kill her. If we hadn't gone with sending him to prison for eternity where he would grant only our wishes from now on, I'd send that crooked genie straight to The Black Gates, but what's done is done.

Lincoln: Exactly, Emily. And are you girls okay?

Ayame Shaga: Yes, we're okay, thanks to you.

Then, when Ayame Shaga and the other five girls saw who it was that saved them from that crooked genie Norm, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Boa Hancock: Lincoln?! Oh man, thanks for saving us, that crooked genie was completely crazy!

Lincoln: You're welcome, Boa, and don't worry, Norm's locked up forever, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Red (Tex Avery): (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayame Shaga, Sen Yarizui, Red, Uta, Lim, and Boa Hancock with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Norm the Genie, who had fled to Ji Province after we defeated King Boo and ruined his fun.

But, when Lincoln showed what happened such as all of us killing his clones and destroying three massive armies of Heartless at the altars and Timmy Turner transforming into Super Angel-Fairy-Wolf Moon-Harmony Celestial Eternal Xelnaga Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Fairy Wolf Justice and Divine Elemental Fairy Magic Mysticon Wolf Hope and all of us thrashing Norm all over the place, and sending him to prison forever where he'll grant only our wishes from now on, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Tracey Aldine have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that crooked genie not to piss us off ever again! Plus, Timmy used one of those spells from his Fairy World Compendium to neutralize his powers, and he also got some fangs and a total outfit upgrade.

Lincoln: To match his new role as the Mysticon Wolf Mage, and the fangs are a really awesome touch.

Me: You said it.

Timmy Turner: And I'm glad to see that my training with Arkayna and Zarya is really paying off.

---

After finally taking down Norm the Genie and throwing him in The Masters of Evil's prison and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Tracey Aldine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tracey Aldine: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Tracey, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tracey Aldine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Tracey Aldine: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Tracey, what's the full story on how Lincoln really trashed Lynn all over the place when she threatened to beat you to death and cut her head off right in front of him?

Tracey Aldine: That's a story I'd never forget, now, I make it no secret I've got a powerful well-known reputation for putting bullies in their place, and Lynn was one of those people, and she hated me completely, and she'd tried to get rid of me so many times, but I always outsmarted her, and worst of all, when Killjoy Huggins was exposed for allowing Lynn, Chandler, his goons, Pablo, and Anderson to bully Lincoln which resulted in him getting suspended for six months, Superintendent Chen also put in a strict enforcement on the anti-bullying rule in school. This absolutely pissed off Lynn, and as Lincoln and I were walking home from school, Lynn jumped out, and she was absolutely insane, and when she threatened that she was going to beat me to death and cut my head off right in front of Lincoln, I saw Lincoln's eyes turn blood red, his fangs grew longer, his claws grew, and I felt his mind snap: he absolutely lost it and he pummeled that animal into the dirt and he left claw marks on her stomach, I got him off Lynn, but I realized Lincoln was still pissed off at Lynn, so I called the rest of his Guardian Angels, who came over and tied that wild animal up, and we proceeded to give Lynn a really nasty scolding and reprimanding. Lynn just roared like an animal again, but I'd had enough and I bonked her hard on the head and knocked her out. We dragged that animal home, and after we told Mr. and Mrs. Loud of what Lynn said and tried to do, she was grounded for nineteen weeks and she was sent to Aunt Ruth's and away from everyone. But, then, Lincoln broke down and cried and he hugged me tight and refused to let go: I knew this meant Lynn would one day make good on her threat, since we knew how violent she, Lori, Lola, Lisa, and Luan can get. I hugged him tight and I told him that Lynn won't get me, and I won't let her do so.

We gasped.

Nico: So, it was because of the aftermath of Killjoy Huggins' suspension after he was exposed for allowing Chandler, his goons, Pablo, Anderson, and Lynn to bully Lincoln, that it drove Lynn to madness. I don't blame you for hating Lynn for what she tried to do.

Me: And I was there the day that happened, and man, Lincoln was absolutely pissed at Lynn, but she didn't care at what she even said, it's disgusting that she can threaten someone's life like that.

Lincoln: Especially one of my Guardian Angels, Lori, Lola, Lisa, and Luan also made those kinds of threats, and it got them in big trouble, and they were lucky no one didn't send them to an asylum, but they will forever be haunted for life.

We got a shower, and then, Lincoln, Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas each had feelings for Lincoln for quite some time now and he also had feelings for them: with Princess Shiraoshi, Ezra Scarlet, Janna Ordonia, and Jackie Lynn Thomas, he was a good-hearted, kind, brave, and strong man, and Juvia saw that as well, along with Lincoln being a gentleman and he treats her better than that pervert, Grey Fullbuster, and he saved the girls from an attack by thugs hired by Icky Vicky, whom he killed and sucked out their blood and he hit Icky Vicky hard in the face.

Juvia Lockser: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: I've been here many times before, Juvia, and it's always beautiful. Shall we?

Lincoln, Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they back to the beach and they also had a game of volleyball, and Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas, and they hugged the girls in their abnormally massive and powerful muscular arms, and Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Girl Jordan: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Me: And it looks like Princess Shiraoshi, Erza Scarlet, Juvia Lockser, Janna Ordonia, and Jackie Lynn Thomas are now part of your harem, Lincoln.

Juvia Lockser: We sure are, plus, Linky's a better man than that pervert, Grey, and he's never like him.

Natsu: That's awesome to hear, but if he starts giving you or Lincoln trouble, we'll get after him.

Nicole: That'll be left up to The Anti-Pervert Patrol, Natsu, but thanks for your concern.

---

Later it was time for Yan Lin's 2nd Ambassador Mission.

Catherine Arthur: (British Accent) I'm truly honored that you're having me come with J.D.

Me: It'll be awesome to have Jim and friends meet you Catherine. You are the defender of Camelot and you helped out Merlin before.

Nico: Yeah this will be awesome for you.

William: Anyone else want to go with Yan Lin? Besides Lucemon and Cheese?

Catherine Arthur: You know I definitely will.

Me: Yes we know.

Carly Atlas: Me and Misty will go with too.

Misty Tredwell: It'll be awesome.

Me: Awesome. All right then.

Nico: We're ready? Lets roll.

We were off to California.

---

We arrived.

Jim Lake: Hey guys!

Yan Lin: Jim, meet my archenemy.

Lucemon: I'm Lucemon and it's an honor.

Jim Lake: Same here.

Me: Lucemon is from the Digital world and he is really strong and powerful too.

Nico: Yep and Jiim you may know this face.

Catherine Arthur: Been a while Jim.

Jim: Catherine!

Catherine Arthur: Awesome to see you all again.

Claire: You too Cat.

Me: And meet 2 of the Dark Singers.

Carly Atlas: Awesome to meet you guys. Carly Atlas, Dark Signer of the Hummingbird.

Misty Tredwell: And I'm Misty Tredwell, Dark Signer of the Lizard.

Claire: Awesome to meet you guys!

Carly Atlas: Same here.

Cheese was desperately reaching for one of Jim's books. The boy in question wanted to help.

Jim: Here, buddy, let me help you.

Cheese: Let me do it. [swats Jim's hand away]

But Jim was persistent. When he tried to push it closer to the edge, Cheese wasn't happy.

Cheese: Let me!

And when he tried to help him for the third time, Cheese has had enough.

Cheese: NO, LET ME! [bites Jim's hand]

CRUNCH!

Jim: OUCH!

Me: Cheese!

Claire: Oh so he is Cheese.

Me: Yep that's him. Sorry about that Jim. Cheese is an imaginary friend. He is an idiot. He has a brain the size of an amoeba. But he makes a great annoyance tool for the jerks at Lynn's Table and many bad guys.

Carly Atlas: Yeah it's awesome.

Claire: I can tell he gives a good laugh.

Catherine Arthur: Yeah he sure does.

Will Vandom: Cheese is really funny too.

Nico: So, how have things been since the last visit?

Jim Lake: Quiet so far.

Me: How have your friends in Troll Mart been doing?

Jim Lake: Busy as ever.

Nico: Can we meet them?

Jim Lake: Sure.

We were off to Troll Mart.

Nico: So, I actually got this crazy idea on how to deal with our Le Fay problem.

Me: Let me guess, Separate her dark side and then destroy her and purify the light version.

Nico: Well, yes.

Me: I knew it.

Jim Lake: And I think that's a great plan Nico.

Nico: You do?

Catherine Arthur: And I agree with going along with it too.

Me: Same with me.

Claire: I read that this version of the Morgan Le Fay we know was not evil to begin with unlike all the others you faced.

Misty Tredwell: Morgan Le Fay may have been known as the most powerful evil sorceress that ever lived, but she is still a good mother.

Me: That's right.

We arrived in Troll Mart! It was a huge and magnificent crystal market place underground!

Me: WHOA!

Nico: So this is Troll Mart!

Eli: Incredible!

Lucemon: Wow! This is amazing.

Blinky and his friends came

---

Blinkous "Blinky" Galadrigal, Jim's six-eyed four-armed troll mentor. A wise and scholarly troll with a heart of gold, he serves as the brains of the Trollhunters and eventually becomes a sort of father figure to Jim.

Waltolomew 'Walter' Stricklander 'Strickler', Jim's history teacher who is actually a Changeling. When Jim discovers the truth, in Young Atlas, he loses all respect for him and the two become bitter enemies. However, he remains affable toward Jim and has redeeming qualities.

Aarghaumont "AAARRRGGHH!", a burly troll and close companion of Blinky, who forms a deep bond with Toby. He was kidnapped by the Gumm-Gumms as a child from the Krubera (a race of troll that lives deep in the earth) which stunted his vocabulary. Tormented by the atrocities he committed, he deserted Gunmar to live a life of peace (as shown in Wizards). However, he will still fight to protect those he cares about.

Vendel, the leader of Trollmarket. An ancient and wizened troll, Vendel is at first suspicious of Jim and often comes across as a pessimist, but shows a softer side and eventual faith in Jim. At the end of Part 2, he is killed by Usurna after she reveals herself to be working for Gunmar, but not before recording the act to warn the Trollhunters.

Bular, the son of Gunmar. A brutish and powerful troll warrior, he is obsessed with freeing his father from the Darklands. He holds a special disdain for Changelings, whom he considers "impure", putting him at odds with Strickler and other Changelings who seek to free Gunmar. He is killed by Jim in the first half of season 1, but later makes appearances in the season 1 episode "Where Is My Mind" and the season 2 episode "Unbecoming".

---

Blinky: Ah Master Jim and everyone it's good to see you.

Jim: Same here Blinky.

Me: Awesome to meet you Blinky and gang.

Blinky: Team Loud Phoenix Storm! What an honor.

Me: Same to you Blinky.

Nico: Listen, can you tell us if any bad guys have made their move?

Bular: I sure can.

He did so and we found out that Otto Scaarbach was on the move!

---

Otto Scaarbach, a Changeling Polymorph who can change into the form of anyone. He is the Grand Commandant of the Janus Order, a secret society of Changelings who assist the Gumm-Gumms.

---

We gasped!

Carly Atlas: Oh man!

Misty Tredwell: And I thought Twilight and her friends had problems with Changelings before.

Me: But these Changeling's are not like Queen Chrysalis and her hive.

Nico: Thank goodness.

Catherine Arthur: How has Merlin been since we last saw each other?

Blinky: Merlin has been doing really well Catherine.

Me: I'm glad. Merlin is an amazing legendary sorcerer and he is said to be the very father of all magic.

Nico: That's right.

Jim: Nico, I was thinking.

Nico: What?

Jim: You've been rescuing plenty of old flames. Why not go on a date with some of them?

Nico: That's not a bad idea Jim.

Me: (In my head) Hmm. And I have just the place to start with Nico and Allison.

Nico: We better get ready for lots of shapeshifter mayhem.

Otto Scaarbach was watching from afar.

Otto Scaarbach: (smirks) I know a perfect form to start off.

He then turned into Maria.

He went over to us.

Nico: But we got to be ready.

Maria?: Hey guys. Need any help.

Me: Maria? Wait a second! You're not Maria!

I fired waves of energy and blasted her and it was OTTO!

Me: Nice try Otto! The Real Maria that we know is back home. Also your energy stinks of raw sewage.

Otto Scaarbach: Can you blame me for trying?

Me: It was a nice try though.

Jim Lake: Your stench can't fool us that easily.

Nico: Yeah!

Eli: It was a good try though.

Otto Scaarbach: That form was just a warmup anyway. HERE'S what I'm using!

Otto then turned into Timberwolf.

Me: Brin Londo A.K.A. Timberwolf. We meet the Legion of Superheroes later on.

Eli: But you can't fool us.

Carly Atlas: That's right!

Carly fired waves of orange fire and burned him all over.

Otto: (as Timberwolf) Now that you've seen through my tricks, these are for battle purposes only! (charges at us)

Nico: (gets out Biowulf's Ridewatch) I'm hungry like the wolf!

Nico activated it and ran fast and slashed him all over.

Jim Lake: FOR THE GLORY OF MERLIN! DAYLIGHT IS MINE TO COMMAND!

He turned into his TrollHunter form!

Misty Tredwell: Awesome!

Me: And Jim here are your Legend Items! You'll love who you have as an archenemy.

Jim Lake: Awesome!

I kicked Otto in the face.

Jim: (charges at Otto) Is that all you got?

Otto: (as Timberwolf) No. I've got other tricks up my sleeve!

Otto then turned into Bouncing Boy and turned into his ball form.

BOING!

Me: Chuck Taine A.K.A. Bouncing Boy!

Nico: Cool!

Carly Atlas: Awesome!

Nico: (gets out Carmen Dillo's Ridewatch) Two can play at the ball game!

Nico activated it and curled into a tight ball.

Me: Say hello to a schoolyard favorite, the Boulder Hammer Throw!

I picked up Nico with a cloth and spun him around and threw him and smashed him into Otto!

SMASH!

Nico: Nice one!

Me: Big Guy's moves are really rubbing off on me.

Jim Lake: Lets see what this can do. (ACTIVATES KETCHUP BANDIT'S RIDEWATCH)

He fired a blast of ketchup and drenched him all over in ketchup and smashed him down.

Jim was about to punch Otto but he turned into Phantom Girl and used her powers, making the punch go through him.

Me: WHOA! Tinya Wazzo A.K.A. Phantom Girl!

Nico: It's like hitting a ghost.

Carly Atlas: No kidding there.

I fired waves of darkness and smashed him down.

Nico: Try this on. (ACTIVATES SKULKER'S RIDEWATCH)

He fired waves of lasers and missiles and smashed him down.

Nico: (gets out Zs'Skayr's Ridewatch) I'm going ghost, motherfuckers!

Nico activated Zs'Skayr's Ridewatch and went at him and smashed Otto down and blasted him with a dark blue energy blast.

Me: Take that!

I fired waves of energy and smashed him down.

Otto then turned into Lightning Lad.

Otto: (as Lightning Lad) Shocking, ain't it? (fires lightning at us)

Me: DRAGON THUNDERCLAP!

I used Rage Shenron's powers and fired a powerful blast of lightning and the blasts collided and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared he was knocked down.

Me: Awesome use of the powers of Garth Ranzz A.K.A. Lightning Lad.

Nico: Yeah he is shocking and powerful.

Me: I have a feeling Triplicate Girl is next.

Nico: (gets out Dr. Viktor's Ridewatch) I'll show you shocking!

Nico activated it and fired a blast of purple lightning and electrocuted him.

Me: YEAH! THAT is shocking!

Otto turned into Brainiac 5.

Me: (GASP) Querl Dox A.K.A. Brainiac 5!

Otto: (as Brainiac 5) You thought Brainiac was bad? Wait until you get a load of this! (charges at us)

I flew and rammed him and smashed him down.

Me: And for the record, we may have killed the Brainiac in this timeline but he is actually someone I can get along with.

Nico: Me too.

Me: I'm not complaining if he is of Brainiac's kind.

Nico: (Gets out Calamitous' Ridewatch) You're not the only one who can be smart, you know!

Nico activated it and used Technokinesis and made a blaster and fired and smashed him down.

Me: Take that!

I fired energy blasts and just as they were about to hit Otto turned into Triplicate Girl and divided into three!

Me: Whoa! Luornu Durgo A.K.A. Triplicate Girl!

Will Vandom: Terror In Triplicate!

Nico: Yikes!

Me: You're not the only one. SHADOW CLONES!

I made Shadow Clones and they went and punched him all over.

He got up.

Otto turned into Saturn Girl.

Otto: (as Saturn Girl) Time for some psychic power. (fires psychic waves at us)

I used ESP Kirby's power and deflected it back.

Me: Imra Ardeen A.K.A. Saturn Girl.

Carly Atlas: She is amazingly powerful.

Catherine Arthur: She sure is.

Nico: Yep.

Nico: (nervously) Um… let me see if I got a Ridewatch for-

Lucemon: No need, Nico. It's my turn now. (Echoing) GRAND CROSS!

He fired energy blasts that looked like a Planetary grand cross that only appears once every 75 to 100,000 years and they hit Otto and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jim Lake: WHOA! That was amazing!

Claire: Wow! Powerful!

Me: Lucemon may be a rookie level Digimon but he packs a powerful wallop. He has the strength and power of a Mega Level Digimon.

Nico: Yep.

Otto turned into Legion Superman.

Otto (as Legion Superman): I can change forms until the cows come home!

Me: I do know what you mean.

I fired waves of energy and blasted him all over.

Jim fired waves of energy an smashed him down.

Catherine Arthur fired a blast of energy and smashed him down.

Me: Your powers are awesome and you would make a great recruit for the M.O.E.

Nico: I was just about to suggest the very same thing.

Nico: (gets out Juggernaut's Ridewatch) I hope the next Gene Slammer appears after this!

Nico activated it.

Me: Let me do so too. Reinhardt would be proud.

I pressed a button and then got awesome armor suit like Reinhardt's and a huge hammer and me and Nico went at him and smashed him down with devastating fury!

Catherine Arthur: That was awesome!

Eli: YEAH!

A Delibird then came.

Me: Hey a Delibird!

Eli: Awesome.

Otto: (gets up) I can still turn into-

WHAM!

Jim: (knocks him out) No. More. Forms. Please!

Me: I agree there. We have had enough spoilers for a while.

Delibird: (In a girls voice) (Jamaican Accent) You tell him mon!

Nico: Talia Bolt!? Whoa!

Me: Awesome! The famous track runner.

Delibird: That's right J.D. And Nico it's great to see you again mon.

Nico: Same here.

Jim Lake: What's your favorite memory of Nico?

Delibird reverted back and she was a girl with black hair and had green and yellow clothes on and had the flag of Jamaican on her skirt.

Talia Bolt: My favorite memory is when me and Nico were running and we both crossed the Finish Line together.

Me: So awesome.

Nico and Talia hugged.

Nico: I've really missed you.

Talia Bolt: Me too mon. Me too.

Nico: I took pictures of this fight. When we talk to Lightning Lord, we'll show these to him.

Me: Good idea Nico.

Eli: That was still awesome though.

Nico: It sure was.

Me: Yep.

Catherine Arthur: It sure was fun.

---

Later we came back.

May: Hey guys! How did it go?

Me: Really awesome.

We told everyone what happened and it was intense.

May: WHOA! So Otto turned into the Legion of Superheroes!

Lola: That is amazing!

Me: Yeah that was awesome though.

May: Next time, Nick Russel and Twilight should come with you.

Nico: Good idea.

Twilight Sparkle: It will be fun too.

Catherine Arthur: It sure will be.

Me: Yep.

---

Later I had Nico blindfolded and Maria had Allison Mendoza blindfolded.

We were on the ship heading to the Meat planet for Nico's blind date.

Qin: This is gonna be fun.

Dr. Gilder: Now, Nico is the one going on a blind date.

Me: He sure is doctor. I'm amazed you work with us now when you're not having usual battles.

Dr. Gilder: Yeah it's a good day job working with you guys.

Me: It sure is. And it's good they recalibrated your emotion grid too.

Dr. Gilder: It sure is. My colleagues are proud of me too.

We arrived at the meat planet and landed and we got out.

Me: We're here.

I took off the blindfold on Nico and Maria did the same with Allison.

Nico: Whoa the Meat planet!

Allison Mendoza: Awesome!

Nico: Allison!?

Allison Mendoza: Nico!?

Nico and Allison: You're my date!?

Me: Surprise!

Yuina Tachibana: J.D., I hope you can run fast.

Me: Oh I can.

Nico: You set this up J.D.?

Me: Yep. Just for you guys.

Qin: So sweet.

They had an awesome picnic.

Icepick: I'm really happy for the boss.

Me: We all are. Nico said he wanted to take some of his friends on Dates and said I was gonna help out with that.

Nico: That is awesome.

Lola: Yep.

We had a great time.

Rollbar: J.D., may I give you some advice? Run.

Nico: We had a great time though. But lets give J.D. a good old fashioned buttkicking.

Allison Mendoza: (Sinister Laughter) You read my mind.

Me: YOU'LL NEVER TAKE ME ALIVE!

POOF!

I threw a smokebomb and teleported away.

Nico: What the!?

I had a special hiding spot for when Nico and one of his friends would come after me.

I was hiding in a cave in an island in the middle of the ocean. I masked my energy to make sure no one found me.

And I put up a cloaking barrier to make sure I am never seen.

Then I saw a figure come out.

Mantine: (to me) (In a girls voice) Hi there!

Me: Hey a Mantine.

Mantine: Sorry to surprise you. But what's all the hiding about?

Me: I set Nico up on a blind date and he wants to tickle me for it. So I am hiding here.

Mantine: Ah wanted to make it special and nice for him.

Me: It was for him and Allison.

Mantine: Ah Allison. That's my sister. Sorry my name is Celine Mendoza and I'm Allison's sister.

Me: Pleasure to meet you.

She reverted back and was a girl with lavender purple hair and had a water drop jewel embedded in the middle of her forehead and had blue clothes and water angel wings.

Celine Mendoza: I have a feeling Nico is not going to give up on finding you.

Me: Let him try.

But then Nico teleported and found me.

Nico: Found you!

Me: Correction, you found a hologram.

POOF!

My hologram exploded into confetti.

SUCKER!

Celine Mendoza: That was clever.

Nico: Celine Mendoza!? Whoa!

Allison Mendoza: Little sis!

Allison and Celine hugged.

Celine Mendoza: I missed you.

Allison Mendoza: Me too Celina

Nico: I haven't seen you since you were a little girl.

Celine Mendoza: It has been a while.

May: What's your favorite memory of Nico?

Celine Mendoza: Just me and Nico playing video games together. I am a video gaming goddess in training and I want to be like Nicole.

Nicole: I'm truly honored that you want to be like me. Boy this is a clever hiding spot made by dad.

Nico: Very clever.

Nico and Celine hugged.

Nico: I've really missed you.

Celine Mendoza: Me too Nico. Me too.

Nico: We can catch up more later. I got a silly 2nd in command to punish.

UH OH!

I was back at the estate watching TV.

Then Nico found me.

Nico: This time I found you!

But all he got was a decoy.

Nico: What the?

TICKLE MAGISWORD!

I tickled Nico and he was laughing hysterically!

Nico: (LAUGHS) OKAY OKAY OKAY!

Me: Fell for the old Reverse Double Cross Dummy trick.

Nico then jumped on me.

Nico: (tickles me back) Two can play at the tickle game!

Me: Oh yeah!

We wrestled and tickled each other!

WE WERE LAUGHING HYSTERICALLY!

Me: (Panting) Okay Nico.

Nico: That was funny. J.D. you were clever. Those tricks you used were clever!

Me: I watched a lot of cartoons that had those tricks and they were clever and awesome. Those escape artist lessons and tricks I learned really came in handy.

Camie: Boy that was crafty! Well done.

Nico: I commend you for that. But thanks for the date.

Me: Anytime.

Nico: Next time I'll pick the location.

Me: Noted. But if I do escape like that again have Rigby use the Death Punch on me and smashed my head off.

Rigby: Okay then.

Bomb Burst: Okay, Nico. Now that you FINALLY tickled J.D. in a role reversal, what teams have you made this time?

Nico: Lewa's team will include Joan Gutierrez, Rachelle Orinoco, Three Mage Sisters, Janeen Aran and Adeleine. Matau's team will include Amanda Benson, Maya Nagoshima, Sailor Enchanted Dominion, Sailor Narnia, and Sailor Traverse Town.

Me: Awesome choices.

Nico: Same.

Lana: I like those.

Sailor Narnia: It will be awesome to see what we can do.

Flamberge: It sure will be awesome.

Janeen Aran: Looking forward to this.

Then the previous group came.

Speed Demon: Can me, Greiger, Whirlwind, Batroc, KGBeast, P'andor, Firepower, Absorbing Man, Devack, and Cheshire go with you guys?

Reverse Flash: Me, Tobias Whale, Evil Luxord, Cyborg Ranger, Muggshot, Yost Crimson Dynamo, Volcano Man, Platinum Princess, Professor Monkey for a Head, and Gypsy Moth will come as well.

Nico: Yes you all can come with us. And I have just the mission for all of us.

Nico pulled out the movie for Happily N'Ever After!

Me: Cool! So we're helping Ella this time.

Nico: Yep. First we'll watch the movie and then we'll get ready.

G1 Scowl: Nico, which Gene Slammers do you think you'll meet next?

Nico: Skarmory and Houndoom next.

Qin: Nice!

Me: Awesome choices.

Nico: Yep. Now lets get to watching the movie.

We did so.

The story begins with the idea that the Wizard controls all of the fairy tales and governs the Scales of Good and Evil, an artifact that maintains the balance of all good and evil in Fairy Tale Land. With the help of his assistants, the uptight Munk and the goofy Mambo, the Wizard checks to make sure that all the fairy tales under his care are "on track" to have their traditional happy endings. However, the Wizard announces his leave for Scotland for a little vacation, so he leaves the kingdom in the hands of Munk and Mambo. Though Munk intends to have the stories go by their traditional endings, Mambo desires for the characters to break free of their pre-destined fates and choose different endings.

Right after the Wizard's leave, both Mambo and Munk fulfill their duties by watching over the story of Cinderella taking place. Known as Ella, the character lives as a servant to her evil stepmother, Frieda, and her equally mean stepsisters. Too fearful to stand up for herself, Ella often dreams of the Prince who will rescue her from her life and sweep her off her feet. However, unknown to Ella, she is pined after by her best friend Rick, a servant of the Prince, and the Prince in question is buffoonish and chauvinistic. As a result of Rick's efforts, Ella is invited alongside her stepfamily to the ball, but Frieda refuses to let the girl go. Fortunately, the Fairy Godmother arrives and grants Ella a gorgeous dress, as well as glass slippers, to wear, on the condition she returns home before midnight.

However, the fairy tale suddenly falls off-track during the ball when Frieda gains access to the Wizard's lair and discovers his book of fairy tales. Once she realizes what will happen to her if Ella succeeds in marrying the Prince, Frieda steals the Wizard's staff from Munk and Mambo, and tips the Scales of Good and Evil, causing a series of fairy tales to go wrong and have unhappy endings. She summons an army of Trolls, evil witches, three Big Bad Wolves, the Giant, and Rumpelstiltskin to her castle. Ella finds out and tries to enlist Rick's help, but Rick, frustrated with her affection for the Prince, refuses, so she escapes to the woods where she meets the exiled Munk and Mambo. They both explain the situation to her and decide to find the Prince (who, unaware of Ella's identity, is searching for his "mystery maiden"), in hopes that he will defeat Frieda. Meanwhile, Frieda sets her villainous army out to capture Ella, causing Rick to have a change of heart and go rescue her.

The trio find the Seven Dwarfs' home, only to discover Frieda's army waiting there for an attack. The Seven Dwarfs help the trio defend themselves from the attackers, and they successfully escape with the help of Rick. unfortunately, after the battle, Rick and Ella have another falling-out over the Prince, with Rick insisting the Prince is not the hero they need. Ella refuses to believe his claims and leaves him so she can find the Prince herself, but after listening to Munk and Mambo's retelling of her original story, Ella grows uncertain if that is what she wants in life, suddenly realizing her feelings for Rick. With some encouragement from Mambo, Ella decides to go after Rick. However, Frieda, angered by her army's inability to capture Ella, decides to go after her herself. Frieda succeeds in kidnapping Ella, but Rick, Mambo, and Munk manage to sneak into the castle to rescue Ella, and together the foursome enter a battle with Frieda over the staff. During the struggle, Frieda seemingly kills Rick with a blast from the staff, but she accidentally creates a portal and loses the staff as she struggles to fight against Ella. Ella, finally fed up with Frieda's treatment of her, punches her in the rift, banishing her from Fairy Tale Land forever and setting the stories back in place. Ella then goes to mourn over Rick, but to her happiness Rick is revealed to have survived, and they both confess their feelings for each other, while the imprisoned fairy tale characters (including the Prince) drive out the villains.

With the Scales tipped back into balance and the kingdom regained, Ella and Rick decide to choose their destinies in a world of happy endings and get married, while a few other fairy tale characters (including the reformed Rumplestiltskin) start to follow suite. Finally, the Wizard returns from vacation, and both Munk and Mambo agree not to tell him about the events that occurred.

In the mid-credits, Frieda is shown trapped in the Arctic surrounded by love-struck elephant seals.

The movie was awesome and cool.

When it was done we cheered wildly.

Nico: That was awesome!

Qin: Yeah it was!

Lily: So funny and awesome!

Lola: So our target is Frieda.

Camie: What can you tell us about her?

Me: Lets see.

I pulled up her info.

---

Frieda is the main antagonist of the 2007 German indie computer-animated fantasy film Happily N'Ever After. She is Ella's stepmother and a parody of the Wicked Stepmother of Cinderella's original story.

She was voiced by Sigourney Weaver in the English dub who also portrayed Warden Walker in Holes, The Big Guy in Paul, Alexandra Reid in Marvel's The Defenders, and the Director in The Cabin in the Woods, and Traudel Haas in the original German version.

Frieda is a curvy, tall woman with turquoise eyes, blonde hair, a ponytail and fair skin. She wears a magenta/purple dress with purple shoes. She is cruel, cunning, emotionless, wrathful, obsessed, power-hungry, abusive, jealous and intelligent.

Frieda gains access to the Wizard's lair during the Prince's ball. She manages to chase off Munk and Mambo after flirting with them and tip the scales of good and evil, causing a series of fairy tales to go wrong and have unhappy endings, including Jack getting stepped on by the Giant yet surviving, Rumpelstiltskin winning his bet with the miller's daughter and taking her baby, and the unseen demise of Little Red Riding Hood. She summons an army of Trolls, witches, three Big Bad Wolves, the Giant, and Rumpelstiltskin to her castle.

Witches and trolls attack Ella and her friends. The Seven Dwarfs hold off the trolls, while they flee with the help of Rick who had stolen a flying broom. Frieda decides to go after Ella herself. She succeeds in capturing her and returns to the palace, with Rick, Munk and Mambo in pursuit. Frieda tortures Ella because if the story had run its course she would have married the prince while Frieda would never get anywhere in life. Rick, Munk, and Mambo slip into the castle and attack Frieda. During the fight, Frieda generates a pit in the floor. Mambo knocks her in, but she uses her staff to fly back up again. After a short battle, in which Rick takes a blast meant for Ella and falls into a deep sleep, Frieda creates a portal by accident. Ella knocks Frieda back and punches her into the portal.

In the final scene, Frieda is last seen shown trapped in the Arctic surrounded by elephant seals. it is unknown if she's still alive or not, as she is not mentioned or is seen again for in the sequel. but it could implied she is most likely alive.

When I was done everyone was shocked!

Qin: WHOA MAN!

Nico: Yep.

King Kai: (Telepathically) Hey, Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got really bad news: Ella's evil stepmother, Freida, has come back once again, and she wants revenge.

We gasped.

Me: That good-for-nothing murderous stepmother, I thought we made sure she'd never return after we banished her.

King Kai: (Telepathically) I found out that a Dark Orb allowed her to escape, and even worse, it was Ramón Hernandez of The Order of Nuestra Señora de la Santa Muerte who did this. He was the one tossed the Dark Orb to the very planet where you'd sent Freida to, and it was out of anger for the past few days that you've been killing each member of The Order of Nuestra Señora de la Santa Muerte.

We gasped in shock, but Maria Garcia and the other Fabled Gene-Slammers growled in anger, and so did their three imps by their side, and we knew what that meant: now they were extremely pissed off now.

Me: Uh oh!

Lincoln: Oh no!

Maria Garcia: (Speaking in Spanish) ¡De todas las cosas despiadadas, malvadas, despreciables, inútiles que esos bastardos han hecho, liberar a esa despreciable y malvada madrastra es una de esas cosas que ha cruzado una línea muy grande! ¡Te juro que tú y tu miserable orden estarán gritando y suplicando por sus miserables vidas antes de que tomen su último aliento, Antonio Maldonado! (Translation: Of all the heartless, evil, despicable, good-for-nothing things that those bastards have done, freeing that despicable evil stepmother is one of those things that's crossed a very big line! I swear, you and your wretched order will be screaming and pleading for your miserable lives before you all take your last breaths, Antonio Maldonado!)

Eli: Yikes!

Nico: Oh, shit. Now, they're really pissed off now!

Lincoln: Thank goodness I put the earplugs on the newborns.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ramón Hernandez of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Ramón Hernandez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Natalia Nozoochee: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Ramón Hernandez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we're going to help Ella battle her evil stepmother, Freida, and make her pay for her crimes.

Lincoln: Since she's escaped from her banishment, she's looking at getting sent to prison for the rest of her life, and once we get done with teaching that evil stepmother a lesson, you're the next one to die, Ramón Hernandez.

Natalia Nozoochee: (Spanish Accent) What she did to Ella can never be forgiven, and we'll make sure she gets sent to prison for good, and once we get done with Freida, you better say your prayers, Ramón Hernandez, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Greiger: Let's get going.

Tobias Whale: Way ahead of you.

We were off to find Ella and we went to Fairy Tale Land.

---

## FAIRY TALE LAND

---

We arrived.

Me: Wow!

Lola: So this is Fairy Tale Land.

Nico: Beautiful.

Ra's Al Ghul: This place is admirable.

Me: It sure is.

Camie: I think it's amazing.

Nico: It sure is.

We arrived at the castle of Ella.

Qin: Ella's castle. It's magnificent.

Nico: It sure is.

We went in.

Batroc: Knock knock!

Cyborg Ranger Leader: Anyone home?

Me: Hello?

Nico: Ella?

We looked around.

Me: Wow nice castle.

Qin: It sure is.

Ella came out.

Ella: Team Loud Phoenix Storm.

Me: Hello there Ella. It's a pleasure to meet you.

Ella: Same to all of you. I take it that you all didn't come here for pleasantries.

Me: I wish this were one of those visits but no it's not one of those. We have some really bad news to tell you. Frieda your evil stepmother is back.

Ella: (GASP) I thought I banished her from Fairy Tale Land.

Me: So did everyone else. But somehow she returned.

Lincoln: Thanks to one of my Guardian Angels enemies he did.

Nico: Ugly story.

We told her everything and it wass awful.

Ella: Oh no. We have to be ready for her.

Nico: And we will be.

Beastbox: And we just realized that your life is similar to Cinderella's.

Ella: Yes my life is very similar to her.

Me: Yeah. But no way are we ever going to let Frieda get away with everything she did.

Xenia: Yeah.

P'andor: (Russian Accent) Do you have any friends that can help us out?

Yost Crimson Dynamo: (Russian Accent) Anyone at all?

Ella: Red Riding Hood and the Prince, Rick, The Three Amigos and Munk.

Nico: Okay.

Lola: We'll need all the help we can get though.

Blackarachnia: I don't suppose you can send some messages to them explaining the situation so they can get the Hell over here?

Ella: I can do that.

Me: Leave that to me.

I whistled and then birds came and Ella had messages to give to them to give to her friends and then they were off.

Me: We wait.

Devack: Can you explain more about the Scales of Good and Evil?

Professor Monkey for a Head: Can they really control a Fairy Tales' ending?

Ella: As a matter of fact yes they can. They can decide if it ends good or badly.

Nico: Just like the Kamen Rider Blades Story that was bittersweet.

Me: Yeah.

Qin: That was awful.

Me: So Frieda wants to use that power so only SHE can decide how the stories will end.

Ella: That's right. But I stopped her and banished her.

Me: Good riddance. But she needs to be stopped again and we're going to lock her up and throw away the key.

Thundercracker: Lucky for us, several of us don't count as Fairy Tales.

Me: That's true. And with all of us it's ALWAYS a happy ending.

Nico: Yep. Because we always win.

Xenia: Thank goodness. Good always wins over evil.

Me: Yep.

Then Red Riding Hood and friends came.

Firepower: Took you guys long enough.

Volcano Man: We were starting to get worried.

Red Riding Hood: We got here as fast as we could! Is it true? Is Frieda back?

Me: I'm afraid so.

Ella: Yes and we have to stop her.

Lola: No way are we going to let her get away with everything she did!

Qin: That's for sure!

Grey Fullbuster: Lincoln, I just want to say that I'm happy for you and Juvia.

Galaxy Man: You and Juvia didn't work out well?

Grey Fullbuster: (sighs) She and I agreed that we should remain friends.

Me: That's fine with us.

Lincoln: Thanks Grey.

Juvia: I am glad that I can be with Lincoln.

Me: We all are Juvia.

Erza: That's good.

Grey Fullbuster: (sternly) But if you break her heart, I will have a good reason to come after you.

Cheshire: We'll hold you to it. Just as long as you tone down the pervertedness.

Lincoln: Grey I never would hurt her. Yeah I agree with Cheshire as well.

Grey Fullbuster: I assure you that I'm nothing like Quagmire. But how does me wearing just pants sound?

Gypsy Moth: Just pants are good.

Me: Yeah that's fine. As long as Erza keeps you in line too. You and Natsu haven't gotten along like at all.

Natsu: He's right on that.

Jungle Fury Jarrod: Not to mention that you always fight for your friends, including us. Quagmire doesn't know what that's like. But hey, he's a different breed of human being. He doesn't care about anything but his own sexual needs.

Me: I agree there. But Natsu and Grey have always been at each others throats. The reason? Natsu is Fire and Grey is Ice and those two forces have been battling it out ever since the beginning of time. During the universe's creation.

Nico: That is a good point on that.

Me: Yeah and also Jarrod is correct on Quagmire.

Nicole: Yep.

Platinum Princess: I think we should start getting ready.

Absorbing Man: Anything I can absorb around here?

Me: Plenty of stuff.

Nico: Stone and more.

Absorbing Man: Awesome.

Garby: I can't wait to have some fun.

LOUD FART TOOT!

We groaned in disgust.

Me: Garby!

Garby: Whoops sorry. (LAUGHS) Tend to gas off whenever I'm excited.

Aylene C.: So we see.

Buzzerbeak sniffed the gas and gagged.

Me: Okay that was funny. (In my head) Next time Nico has a blind date, I'll fart in his face like Garby to escape.)

Lola: Enough about Garby's farts, lets get ready guys.

Nico: I agree.

Eli: (Concentrates)

KGBeast: (Russian Accent) Anything, Eli?

Muggshot: I'm itching to pummel Freida!

Eli: Actually yes. She's 10 klicks away and closing. She is really infuriated too.

Ella: She means a lot of business.

Lola: She must not be really happy about the Elephant Seals loving her.

We laughed.

Discord: Guess what time it is!

Me: This first.

I grabbed Nico and then stuck his face in my butt and then…

LOUD FART TOOT!

Nico coughed and gagged and wheezed from that!

Me: That was for coming after me after your date! Okay now we're ready.

Nico: (Coughs) Yeah! I deserved that. Okay Entrance time people!

Eli: She's close.

We got to hiding.

Then we waited and then we saw the doors open and in came FRIEDA! Then we went at her and the spirits of the great fairy tales came and swirled around her and then converged and then a rainbow appeared and it hit a pot and out came a huge shower of gold and the coins popped and out came us.

Nico: A golden entrance!

Frieda: Team Loud Phoenix Storm!

Me: That's right! Frieda you are under arrest!

Evil Luxord: You have no idea of what you are about to unleash!

Freida: Let's see. I'm about to make sure I'M the only one who gets a Happily Ever After. Since you fools aren't Fairy Tales, you all can just watch this helplessly.

Whirlwind: The Hell we will! Nico?

Nico: (gets out Xigbar and Oculous' Ridewatches) I honestly didn't use these earlier because I was having too much fun fighting Otto.

Nico activated them and fired waves of energy and stars and blasted her all over.

Me: Taste the Eyes of Emerald Fury.

I activated Emerald Empress's Ridewatch and fired green laser blasts and smashed her down!

Qin: YEAH!

Big Guy: This gal is gonna really cramp all fairy tale styles.

Me: I agree there Big Guy. This land isn't big enough for both of us Frieda!

Frieda: We can agree on that!

LOUD FART TOOT!

We groaned.

Garby: Oops sorry.

Big Guy: For the love of Mike.

# Roach (Supernoobs), Starlight Glimmer, Cozy Glow, Undead Skylanders, Evelyn Shura, Brittney, Squawktalk and Beastbox VS Tony Woodward A.K.A. Girder - Meeting a Gene-slammer for Elemental HERO Brave Neos

---

Girder was next.

Girder: (to Roach) I heard you guys met a gene slammer for Elemental HERO Brave Neos. What's her name?

Roach: Her name is Tracey Aldine and she is a really powerful force to be reckoned with.

Starlight Glimmer: She sure is an amazing power.

Cozy Glow: And her story is really cool too.

---

Nico: Yep. So, Tracey, what's the full story on how Lincoln really trashed Lynn all over the place when she threatened to beat you to death and cut her head off right in front of him?

Tracey Aldine: That's a story I'd never forget, now, I make it no secret I've got a powerful well-known reputation for putting bullies in their place, and Lynn was one of those people, and she hated me completely, and she'd tried to get rid of me so many times, but I always outsmarted her, and worst of all, when Killjoy Huggins was exposed for allowing Lynn, Chandler, his goons, Pablo, and Anderson to bully Lincoln which resulted in him getting suspended for six months, Superintendent Chen also put in a strict enforcement on the anti-bullying rule in school. This absolutely pissed off Lynn, and as Lincoln and I were walking home from school, Lynn jumped out, and she was absolutely insane, and when she threatened that she was going to beat me to death and cut my head off right in front of Lincoln, I saw Lincoln's eyes turn blood red, his fangs grew longer, his claws grew, and I felt his mind snap: he absolutely lost it and he pummeled that animal into the dirt and he left claw marks on her stomach, I got him off Lynn, but I realized Lincoln was still pissed off at Lynn, so I called the rest of his Guardian Angels, who came over and tied that wild animal up, and we proceeded to give Lynn a really nasty scolding and reprimanding. Lynn just roared like an animal again, but I'd had enough and I bonked her hard on the head and knocked her out. We dragged that animal home, and after we told Mr. and Mrs. Loud of what Lynn said and tried to do, she was grounded for nineteen weeks and she was sent to Aunt Ruth's and away from everyone. But, then, Lincoln broke down and cried and he hugged me tight and refused to let go: I knew this meant Lynn would one day make good on her threat, since we knew how violent she, Lori, Lola, Lisa, and Luan can get. I hugged him tight and I told him that Lynn won't get me, and I won't let her do so.

We gasped.

Nico: So, it was because of the aftermath of Killjoy Huggins' suspension after he was exposed for allowing Chandler, his goons, Pablo, Anderson, and Lynn to bully Lincoln, that it drove Lynn to madness. I don't blame you for hating Lynn for what she tried to do.

Me: And I was there the day that happened, and man, Lincoln was absolutely pissed at Lynn, but she didn't care at what she even said, it's disgusting that she can threaten someone's life like that.

Lincoln: Especially one of my Guardian Angels, Lori, Lola, Lisa, and Luan also made those kinds of threats, and it got them in big trouble, and they were lucky no one didn't send them to an asylum, but they will forever be haunted for life.

FLASHBACK ENDS

Girder: Geez that Lynn just can't take a hint!

Nico: Where you'll stay there until the day you die. Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Ramón Hernandez of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Ramón Hernandez.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Ramón Hernandez, the next member of The Order of Nuestra Señora de la Santa Muerte.

Natalia Nozoochee: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Ramón Hernandez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Natalia Nozoochee's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Nozoochee-themed greatsword from her back, and as she approached Ramón Hernandez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Natalia Nozoochee: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Ramón Hernandez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Kudabbi and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Natalia Nozoochee was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Nozoochee flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Natalia Nozoochee emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Natalia Nozoochee grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Nozoochee emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Nozoochee with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Natalia Nozoochee has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Nozoochee surrounded by darkness and light and imps and on top of The Fabled Nozoochee is an anti-Sergio symbol. Suddenly, Natalia Nozoochee felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Natalia Nozoochee has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Natalia Nozoochee's massive The Fabled Nozoochee-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Nozoochee's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Nozoochee etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Kudabbi's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below The Fabled Nozoochee that said, "Natalia Nozoochee, Gene-Slammer of The Fabled Nozoochee, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Ramón Hernandez of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of

Natalia Nozoochee has transformed into SUPER ANGEL-THE FABLED NOZOOCHEE-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED NOZOOCHEE ANGEL OF DIVINE DARK FABLED NOZOOCHEE IMP JUSTICE AND DIVINE FABLED NOZOOCHEE IMP LOVE!

We were amazed by Natalia Nozoochee's Super Angel-The Fabled Nozoochee-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ramón Hernandez saw it, he went insane and he got out his sacrificial knife to stab her, but Natalia Nozoochee fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Ramón Hernandez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Natalia Nozoochee's transformed.

Lincoln: Yeah, and she really sent Ramón Hernandez back with that energy blast she fired and that really pissed him off now, and Natalia, you look beautiful, how do you feel?

Natalia Nozoochee: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Nozoochee and Divine Darkness Light Fabled Nozoochee Imp Love) (Spanish Accent) I feel incredible, Linky.

Now, shall we put an end to Ramón Hernandez once and for all?

Lincoln: (Smiles) With pleasure, Natalia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Natalia Nozoochee.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Ramón Hernandez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Natalia Nozoochee and Lincoln went after Ramón Hernandez, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ramón Hernandez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Natalia Nozoochee sent her three imps and Lincoln summoned his own imps and they sent them at Ramón Hernandez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Natalia Nozoochee, her hand-cannon Blaster is known as The Fabled Nozoochee's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Nozoochee surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Natalia Nozoochee aimed their hand-cannon blasters at Raúl Lozano.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Ramón Hernandez!

Natalia Nozoochee and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Ramón Hernandez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Ramón Hernandez and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Ramón Hernandez and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Natalia

Nozoochee and Lincoln gave Ramón Hernandez The Black Gates for good. We cheered as Natalia Nozoochee and Lincoln holstered their massive greatswords on their backs and powered down, and Natalia Nozoochee's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Natalia Nozoochee: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Ramón Hernandez for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Natalia.

Suddenly, Natalia Nozoochee wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Natalia Nozoochee's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Nozoochee flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Natalia Nozoochee absorbed the light and they came back to us as the display and The Fabled Nozoochee vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Ramón Hernandez's death, now there are only four members of The Order of Nuestra Señora de la Santa Muerte.

Natalia Nozoochee: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Ricardo Rodrigo, which means it'll be Erica Peggulsus' turn.

Erica Peggulsus: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for Whisp, Nebulob, Jellbilly, Sox, Arackulele, BooDoo, Bellowfish, Kazilleon, Dragong, Fung Pray, and Schmoochle.

Nicholette Torrington: Those are some awesome Gene-Slammers, and there's only one group who would be Gene-Slammed into those monsters: Le Club Des Amoureux Elementaires.

Nico: Ooh, now that's an interesting club we'd like to meet.

Me: Especially since Valentine's Day is coming fast.

Nicholette Torrington: Then, you'll love meeting them, Le Club Des Amoureux Elementaires are a club dedicated to spreading joy and love to people everywhere and Lincoln is one of the members as the moniker: Amoureux Des Eléments Arc-En-Ciel, translated into English, it means The Rainbow Element Lover in French. The members moved to Michigan from France when they're six years old. They and Lincoln would dance, play music and even do sports for charities, and they would even help the Soup kitchens and even donate to charities. Le Club Des Amoureux Elementaires means The Elemental Lovers Club in French. Plus, they even specialize in cooking and they and Lincoln would help Mr. Loud cook food for charities.

Lynn Sr.: They sure do, and their specialty was French cuisine, and it was truly amazing.

Nicholette Torrington: Plus, Lincoln made each of the other members beautiful jewelry based on their elements and their favorite colors, and to show thanks, each of the other members kissed Lincoln on the lips, and they hate the jerks with a blazing passion.

Marinette: It'll be awesome meeting more fellow people from France, especially a club dedicated to spreading love and joy.

Katnappe: Now that's what I call a Happily Ever After!

Carly Atlas: For Frieda? Not so much.

Me: Hope she likes prison. 3 square meals of bowls of chum a day and rotten beds, ice cold showers, guards whomping your fucking ass around the clock and the only way out is to kill yourself.

We laughed.

Xaldin: At least now, the endings of Fairy Tales can't be altered.

Me: Thank goodness.

Tri Klops: Hey, Ella. Do you throw parties around here?

Tala: Because after today, we're in the mood for one!

Ella: You got it and thank you all for helping us.

Me: Aw it was nothing.

Nico: But great today job guys.

Fluttershy: (To the viewers) This was a really fun adventure worth remembering.

Me: It sure was.

We had a great party and more and then we later went back home and enjoyed the rest of the day and went to sleep.

They even worked together to build Duel Disks for the entire Team Loud Phoenix Storm roster and the Masters of Evil roster, and even made a statue of various monsters of Duel Monsters. Lincoln made Alize a necklace of her favorite color, and to show thanks, Alize kissed lincoln on the lips. She's also the sister of Yusei Fudo, and she hates that wine-drinking, lazy, good-for-nothing, jobless, pathetic excuse for a housewife, Peggy Bundy, with a burning passion.

And Michelle Senju, the Schmoochle Gene-Slammer, she's Lincoln's Guardian Angel from France and classmate in Gym, but she's also is one of the most beautiful but deadly ninjas and has a massive bust, plus she's extremely strong, and she is known as Amant Eternel, Eternal Lover in French. She and Lincoln would love to swim together especially in lakes, and Michelle would also protect Lincoln from those would try to harm him, in fact one time, before Pablo and Anderson would get a chance to hurt Lincoln, Michelle beat the living crap out of Pablo and Anderson, and when she was done, Pablo and Anderson were left with broken arms, legs, noses and teeth, and she even kicked them both in the groins super hard, turned them into a human pretzel and threw them into a massive pile of stinky jockstraps. To show thanks, while underwater, Lincoln kissed Michelle on the lips. The reason for why she has a massive bust and being extremely strong and one of the most beautiful but deadly ninjas is because she's the younger sister of Tsunade Senju, and she hates those heartless, butt-faced psychopaths, Pablo and Anderson, with a blazing passion.

An old foe of Andy's toys returns as Sid Phillips is back and he was revenge on Woody and Buzz and his toys for scaring him bad! And we're going to give that toy destroyer what for in the next one.

Me: I have a feeling this planet we're going to will be awesome and cool.

Nico: It sure will be.

Laney: All the planets we go to are fun.

Xenia: They sure are.

Varie: Boy all the planets we go to are awesome.

Nico: They sure are.

Carol: I'm really excited for this one too.

Nico: Carol, I want to thank you, Saix, and your teams for coming today.

Carol: Not a problem Nico. It's gonna be awesome helping you all out.

Nico: It sure will be.

Yost Reed: It sure is awesome.

Nico: Reed, remember when we met you and your team?

Yost Reed: I sure do. That was back during the start of the 2022 year Ambassador Missions.

Qin: That was awesome and Bloom did a great job back then.

Xenia: She sure did.

Varie: I thought so too.

Me: We all thought she did a great job.

Xenia: Yeah she sure did.

Eli: We had a lot of fun though yesterday.

Xenia: We sure did.

Nico: I think Ella IS similar to Cinderella.

Me: Well that's what she is. Ella is short for Cinderella.

Camie: Yeah.

Nico: That is true. And now Frieda is in jail forever.

Lola: Good riddance.

Nico: And it was interesting to see something that can determine how a Fairy Tale plays out.

Me: It sure was and Frieda wanted to make stories all go HER own way.

Xenia: No kidding. What a heartless monster.

Camie: Thank goodness we stopped her forever.

Varie: Yeah no kidding.

Nico: And if you're wondering about the glasses I have in my pocket, they're for one of the Gene Slammers we're gonna meet today.

Me: Oh she must be a near-sighted one.

Nico: Yeah.

Eli: We're here.

We arrived at the planet.

It was a golden yellow world.

Me: Wow from up here it looks like a planet made of flowers.

Nico: Yep.

We flew down to the planet and we landed and we saw that it was a GINORMOUS HONEY PLANET! It was a HUGE AND MASSIVE Beehive! Home to numerous bees, Zingers and more. And the rivers were made of honey.

Nico: WHOA!

Me: A planet made of honey!

Fluttershy: Oh this is amazing.

Me: It sure is.

Nico: Look at all this honey!

Me: It's more than just honey.

Nicole: It's a planet for bees and Zingers.

Arrietty: This is amazing to see though.

Lola: It sure is.

Camie: Yeah!

I dipped my finger in the honey and licked it and it was delicious.

Me: (SLURPS) Yummy! This is really good honey.

Eli tasted some too.

Nico: Save some for me!

Me: This planet is amazing though.

Fluttershy: It sure is and the bees here are beautiful.

She was talking to them.

Fluttershy: Your honey is amazing and delicious.

Zingers buzzed.

Fluttershy: Oh it's all really good.

Me: This place looks like a giant version of the Honey Marsh in Spyro's world.

Twilight Sparkle: Boy it sure does. This is amazing that all this is possible.

Lola licked the honey.

Lola: This is amazing honey.

Me: I'll say.

THUNDERCLAP IN THE DISTANCE

We saw thunderclouds far away and they had lightning flickering them.

Me: Wow.

Camie: That is a wicked storm.

Nico: Does this planet usually have storms?

Me: The Honey Marsh in Spyro's world had a really nasty storm on the horizon.

Nicole: Dad is right.

Lola: It sure did.

Camie: Wow.

Me: But from the looks of things, this planet makes honey storms.

Nico: That is cool.

Me: Honey Rain.

Aylene C.: That is amazing.

Arrietty: It sure is.

Nico: Let's save some for the mascots.

Me: Good idea. But this is enough honey to feed everyone on Earth forever.

Xenia: It sure is amazing though.

Fluttershy: Oh I agree. (To the bees) Can we have some of your honey to bring back to Earth for our friends?

The bees buzzed and they said they are more than happy to share it with us.

Fluttershy: They are more than happy to share it with us.

We got tons and tons of jars out and we loaded them up.

Me: There.

Nico: Awesome.

Varie: Now we have LOTS of honey.

Nico: Boy Brianna is going to love this world.

Nicole: She sure is.

Nico: We can still keep eating the honey though.

Me: Yes we can.

Qin: This honey is really awesome though.

Camie: It sure is.

Eli: I'll sense if any of Swartz's creations are near.

Nico: I was just about to have you do that.

Eli concentrated.

Eli: One of them is. It's in the sky.

Me: Then we better keep a watch out.

Heimlich: (German Accent) Und let perfectly good honey go unfinished?

Me: Heimlich there's still plenty of honey that lasts a long time here.

Nico: Yeah there's enough honey here to last an eternity.

Camie: It's really tasty honey.

Varie: Yeah. Besides it'll keep.

Heimlich: Okay then.

Nico: Good.

Maria: Still, a little more won't hurt!

Nico: We have all the time in the world.

We had more honey.

Camie: It's great honey though.

Varie: It sure is.

Nico: NOW we can look for Swartz's creations.

We got ready.

Eli: Here comes one of them.

We saw a black version of Sunhawk above us!

Qin: WHOA! A Sunhawk!

Lola: Wow! One of the Huntik Spirits.

Camie: But is it supposed to be black?

Me: No it's not.

Nico: Do you know her?

Me: I sure do. We call her the Avatar of The Solar Corona. Sarah is a Demigod. She is the daughter of Amaterasu the Goddess of The Sun herself.

Everyone was amazed.

Nico: WOW!

Qin: That is cool!

Lola: It sure is.

Me: She and I went to school together and her powers over fire and the sun are strong and powerful.

Lola: Amazing!

Nico: Any ideas?

Me: Just one.

I chanted an incantation and then out came her Wonder Ride Book. It was called THE DAY OF THE INFERNO SUN! It was a black Wonder Ride Book with a picture of a ferocious looking sun on it with a skull planet. Then it changed and formed into an amazing new Kamen Rider Saber sword! It was called The Sword of The Sun Goddess of Light - Amaterasu No Hikari.

Me: WHOA!

Nico: Wow!

The Wonder Ride Book turned into a new book called THE PURE SUN OF LIGHT!

Me: Cool!

She fell and I caught her.

Me: I think she turned into a new rider.

I brought her over.

Nico: Carol, can you hold onto these glasses for me?

Carol: Sure thing.

He held on to them.

Me: She'll be all right. The removal and transformation of her book drained her.

Varie: That's good.

Nico: Let's let her get some sleep.

Me: Okay.

Then the Wonder Ride Book for Gansekiou Golem glowed black.

Me: Whoa the Gansekiou Golem book is glowing.

Nico: It's reacting to something.

May: Get ready, everyone!

We then heard thunderous footfalls and then we saw a figure come out and it was a golem! It was a black rock golem! It was ANOTHER GANSEKIOU GOLEM!

Me: WHOA! Another Gansekiou Golem!

Xenia: Whoa this one looks tough.

Camie: Yeah no kidding.

Another Gansekiou Golem: (In a girls voice) Sorry to drop in like this even though rock isn't my strongsuit.

Me: (GASP) That voice.

She changed back and it was a girl with blond hair and blue eyes and had a lightning bolt scar on her cheek and she had blue and yellow clothes.

Me: (GASP) Allia Winath A.K.A. Sailor Winath!

Nico: Wait that's Lightning Lord's home planet!

Sailor Winath: That's right and it's good to see you again J.D.

Me: Same here Allia.

Nico: You're actually the second one today.

Sailor Winath: I know. How is Lightning Lord doing?

Me: He is in our frenemies in the Masters of Evil. He joined them a little over a year ago.

Nico: It's true.

Maria: Yeah it sure is.

Sailor Winath: I see. That is cool that he is now in your frenemies.

Me: We have many good candidates from the Legion of Superheroes world to join their ranks too.

Nico: And speaking of which, the day before Ellie's mission, we need to talk with him and confirm that the Legion we've seen pictures of lately are ones he knows.

Maria: No need to wait till then.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) LIGHTNING FURY SHOCK FORCE!

She summoned Electro, Lightning Lord, Zzzax, Larxene, Yost Electro and Loki!

Loki: Whoa! Been a while since we were summoned.

Lightning Lord: No kidding there.

Sailor Winath: Mekt its been a while.

Lightning Lord: Allia!

They went and hugged.

Lightning Lord: I'm so glad to see you.

Sailor Winath: Me too Mekt.

Me: I see that you know each other here.

Sailor Winath: I became like a 3rd sibling to him.

Me: That's awesome. Mekt, I'm glad Maria brought you here. We have something you need to confirm.

Nico: (Gets out Lin Chung's pictures) Do you recognize any of these guys?

Lightning Lord: Hmm. Yep. Those are the Legion of Superheroes. They are the ones from the 31st Century.

Me: Kara told us all about them. They are from 1,000 years from now.

Nico: That's right she did.

Lightning Lord: But these guys are from the world I came from.

Nico: That means we're meeting another version of Superman.

Lightning Lord: That's right.

Me: On Yan Lin's mission yesterday we saw Otto change into the very superheroes of the Legion that you faced. Bouncing Boy, Saturn Girl, Triplicate Girl, Brainiac 5, Timberwolf, Lightning Lad and even Superman himself.

Nico: Yeah that is true.

Me: Yep.

Lightning Lord: I see.

Me: Yeah.

Lightning Lord: Look, when you guys meet them, Brainiac Five isn't like that asshole Brainiac, alright?

Me: I know. Kara told me everything that happened with Brainiac Five and that he thought he was the legacy of Brainiac. But I don't buy that bullshit one bit. Brainiac 5 is NOT like his ancestor at all.

Qin: Yeah Brainiac was a monster!

Nico: That is right. Brainiac even was said to be the monster that destroyed Krypton.

Me: Yeah.

Maria: Look, whatever happened with Brainy, we'll have to settle it when we get there.

Me: And I have a very strong feeling that it involves his ancestor Brainiac.

Eli: Oh boy.

Qin: Not good.

Me: We'll see if his 12th Level Intellect is a match for the most powerful force in the universe.

Nico: Yep.

Me: But we'll worry about that when the time comes.

Qin: Yeah.

Nico: Who's up next?

Lynn: I will do it.

Nico: Okay Lynn.

Me: Also Allia how do you know Mekt?

Sailor Winath: We used to date long ago. Before I came to this universe.

Me: I see.

Lightning Lord: Yeah it's a long story. But J.D. take care of her will you?

Me: I will and you have my word that I won't hurt her.

Lightning Lord: Good.

Lynn: Don't worry. You won't be bruised that badly

Sailor Winath: Oh I know.

She turned into Another Gansekiou Golem!

Lynn fired waves of fire and smashed her down and I caught the Wonder Ride Book. It was called GOLEM OF DARKNESS! It turned into a new book called GOLEM OF CRYSTAL LIGHT!

I went over and picked her up and brought her over.

Me: 2 down.

Nico: Wait. Was anyone else here?

Me: Right I forgot to ask that.

Sailor Winath: (Groans) Right I forgot. It was another version of him.

She pointed to Saix.

Saix: Another me? Why am I not surprised.

Me: Friendly or hostile?

Sailor Winath: Friendly. And it's someone you might know J.D.

Me: I have a feeling it will be interesting.

Nico: Get ready!

Me: Okay.

Maria: And I have just the team for this. (TURNS DIAL) MOONLIGHT BRIGADE!

She summoned Zen-Aku, Moonstone, Evil Star Man, Dark Moon, Wicked Lady, Moonstone, Opposite Senshi, Moonbeast, Morgana, Limburger and Penelope Spectra.

Me: Perfect for the moon.

Qin: Yeah!

Nico: Awesome!

Moonstone: Nice choices though and about time we used the M.O.E. Cannon again.

Maria: Thanks. It has been a while.

Me: Sorry about that.

Lightning Lord: By the way J.D. do you think it's possible that Brainiac is dead?

Me: No Mekt. I have a very strong feeling that he survived. Brainiac may be smart but he is one tough guy and always comes back for more. Like the devil, he will do anything he can to win.

Nico: Yeah no kidding.

Eli: But no way are we going to let that monster get away with his crimes.

Qin: That's for sure.

Me: But when we face him on April 7th we will hit him with EVERYTHING we got. This time he gets the Black Gates.

Sailor Winath: I agree there. That monster has survived for far too long.

Nico: You got that right.

Qin: Yeah.

Me: We have Brainiac 6 in the M.O.E. No way are we letting that evil monster do as he pleases anymore.

Saix: That is for sure.

Me: Lets focus for now.

Nico: She'll be here any second.

I looked around and then up in the sky we saw a black moon!

Me: WHOA! Look at that!

Nico: That moon is black? Weird.

Me: Wow.

Nico: The Another Saix is probably doing this!

Then a light came out and a figure appeared and it was ANOTHER SAIX! It looked like Saix but with Black Hair!

Me: Whoa! Another Saix!

Qin: Wow!

Saix: Not bad. Black hair looks cool on me.

Nico: It sure does.

Another Saix: (In a girls voice) Sorry about the entrance.

Me: (GASP) That voice.

She reverted back and it was a girl with silver hair and she had white and aqua blue clothes on.

Me: (GASP) Nala Nal A.K.A. Sailor Naltor!

Nico: WHOA! The home planet of Dream Girl!?

Me: Yep.

Sailor Naltor: That's right. And also Dream Girl is my sister. Nura Nal is my little sister. But it's great to see you again J.D.

Me: Same to you Nala.

Kaito: (gets out Dynaman gear) Did Swartz promise you anything?

Zocks: (gets out Bioman gear) Because we can grant it instead.

Sailor Naltor: Just to reunite me with my sister.

Me: Well I have a feeling that she will be coming to us.

Nico: What makes you say that?

Me: Just a hunch. But yeah Nala we can do that for you.

Kaito got a Dynaman Sword and Zocks got a Biosword.

Me: Sorry we have to fight like this.

Sailor Naltor: No worries. But J.D. when you meet the Legion, kill Brainiac forever. End that monster forever.

Me: THAT we can DEFINITELY do.

Sougo: (gets out Dynaman Ridewatch) We have the perfect person for the Ambassador missions involving your world.

Geiz: (gets out Bioman Ridewatch) And she's the perfect person to get Brainy back. Just hope he hasn't gone far.

Sougo got DynaRedArmor while Geiz got Red1Armor.

Me: Awesome. And Nerissa was picked for that mission set.

Nico: That's right. Also J.D. you forgot this but we gave our universes version of Brainiac the Black Gates.

Me: That's right I forgot! We did give him the Black Gates. That should have been the end of it after that happened. But something is telling me that the universe he is in is different from ours.

Qin: I have that same feeling too.

Me: The Legion of Superheroes must be in Another Universe. I'll have to figure out which one.

Nico: Yeah.

Laney: But we'll worry about that later.

Sailor Naltor: Just please get me back to normal.

Me: Okay.

She turned into Another Saix!

Nico: (gets out Saix's Ridewatch) Do you feel it? The moon's power!

Nico activated it and got Saix's moon claymore and he bashed the ground and smashed her down with moon fire.

Me: Nice!

Nico: I wonder how Vilgax would feel about Psyphon right now?

Me: He would probably kil him, resurrect him and kill him over and over and over again.

Nico: I have a feeling he would. (Activates Psyphon's Ridewatch)

He fired waves of energy and smashed her down.

May: Lets see how Dark Ariel does it. (ACTIVATES DARK ARIEL'S RIDEWATCH)

She sang a divine song and fired a blast of energy and smashed her down.

May: That was awesome! Now this. (ACTIVATES MOON MONSTER'S RIDEWATCH)

She glowed in a light and fired waves of moonlight and smashed her down.

Maria: (Transylvanian Accent) I vant to suck your blood! (ACTIVATES COUNTESS DRACULA'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Try this too. (ACTIVATES PRINCE DIAMOND'S RIDEWATCH)

She fired waves of energy and smashed her down!

Me: Awesome!

Then Dayu and her team consisting of Dahlia Hawthorne, Raven the Split Personality Alicorn, Two-Butt Monster, The Unbearables and Shadow Raker appeared.

Nico: Nice team, Dayu!

Dayu: Hey thanks.

Qin: Awesome.

Yost Reed: My turn now.

He activated Psyphon's Ridewatch and fired waves of energy and smashed her down.

Nico: OH YEAH!

Yost Reed: (to Psyphon) That's also a shout out to your Sinister 12 team.

Psyphon: That is for sure!

Me: Yeah!

Nico: That was awesome!

Camie: Yep.

Maria: I hope the next Gene Slammer is near.

But then…

CRASH!

We heard a lot crash and saw a Skarmory crashing into formations.

CRASH!

Nico: Ouch.

Lola: That Skarmory is crashing into things.

Camie: It's like it can't see anything in front of its own face.

Nico: Hmm.

Carol: Nico, here are the glasses you gave me.

Nico: Oh thanks Carol.

Me: Boy her vision must be terrible.

Lincoln: Yeah no kidding.

Me: Nico who do you know that can't see that well?

Nico: You're about to find out.

Nico threw the glasses high into the air and the Skarmory caught it.

It put them on.

Skarmony: (In a girls voice) Whew! I've been looking everywhere for these!

Nico: Laura Comparetto?

Skarmory: Nico? What are you doing here?

Me: Looking for you.

Skarmory: I can tell. But I got this.

She fired waves of energy and blasted down Another Saix with an energy blast and she was next to normal and I caught the ridewatch and purified it and I went and brought Sailor Naltor over.

Nico: That was crazy though.

Yost Reed: What's your favorite memory of Nico?

Skarmory: I have a lot of them. But my favorite was when a bully took my glasses and Nico punched that bully in the face and kicked him in the crotch and reported him. Got him expelled on his first day.

Nico: Served him right.

Me: Good riddance. What a jerk. Also you're on a honey planet.

Skarmory: That explains it.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a silver jumpsuit.

Skarmory: Can you hold on to my glasses while I revert back J.D.?

Me: Sure thing.

I took them and I snapped my fingers and she reverted back and the boys covered their eyes.

She was a girl with silver hair and had blue eyes and was naked and Nico gave her the jumpsuit and put it on and I went over and gave her glasses back.

Laura Comparetto: Man that hurt. But it feels good to be back to normal.

Me: Sorry you kept getting hurt.

Laura Comparetto: Yeah, whenever I lose them I'm as blind as a bat.

Me: Our friend Velma felt the same way. She couldn't see anything without her glasses.

Eli: Yeah.

Nico and Laura hugged.

Nico: I really missed you.

Laura Comparetto: Me too Nico. Me too.

Me: This was an awesome rescue though.

Qin: Yep and we got our answers from Lightning Lord.

Lightning Lord: Glad I was able to help out.

Me: Yep. By the way Laura have you thought about getting corrective laser surgery?

Laura Comparetto: No I can't because my nearsightedness is incurable.

Me: Oh darn.

Lola: That stinks.

We went back home.

Even worse, he tried numerous times to kill Le Club Des Amoureux Elementaires, so that way, he can continue spreading his hatred towards everyone and everything in his path, but he was foiled at every turn, and he was finally defeated and expelled for his crimes, and he was arrested and was sentenced to death for his crimes. Lincoln: Wow, we're here in France, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to destroy a troublemaking monster named Lucifer Mortimer.

Nico: I can tell I'm going to hate this guy.

Lincoln: Oh, you'll hate him even more when I tell you all about him, Nico. He's a heartless, hate-filled monster who enjoys causing chaos and pain to everyone around him and any who tried to stand up to him, he kills them in cold blood, and even worse, he drinks their blood and eats their guts.

We gasped.

Me: I remembered hearing about this fucker, he's really bad news.

Lincoln: We found out from the police that he'd begun killing when he was thirteen, and by the time he was eighteen, he'd killed over 300 innocent people and ate their guts, he was completely sick.

Lori: He was literally an absolute monster, and even worse, he despises the Le Club Des Amoureux Elementaires and tried numerous times to kill them, so that way, he can continue spreading his dark hatred towards everyone and everything in his path, but he was foiled at every turn. He was finally defeated by them, expelled, and he got arrested and sentenced to death for his crimes. But, now years later, he escaped and he's here in France and he wanted revenge on Le Club Des Amoureux Elementaires.

Lincoln: Yeah, but this time, we're going to see to it he gets sentenced to death, in other words, we're going to kill him ourselves, and I want to thank your team for joining us, Sunset Shimmer.

Sunset Shimmer: You're welcome, Linky, and we'll run into Le Club Des Amoureux Elementaires even before we get after Lucifer Mortimer.

Suddenly, we saw Whisp, Nebulob, Jellbilly, Sox, Arackulele, BooDoo, Bellowfish, Kazilleon, Dragong, Fung Pray, and Schmoochle appear before us, and with them are the nine girls.

Nico: Whoa, that's Whisp, Nebulob, Jellbilly, Sox, Arackulele, BooDoo, Bellowfish, Kazilleon, Dragong, Fung Pray, and Schmoochle.

Whisp: (French Accent) Oui, and we got the nine girls away from that heartless, hate-filled monster, Lucifer Mortimer.

Schmoochle: (French Accent) But, not before we angered him by spraying him with holy water and dropping a bucket of fish heads on him.

Lincoln: (Gasps) Those voices, Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju, I knew it was you girls, it's so awesome to see you again, but we'll talk later.

?: (ENRAGED DEMONIC SCREAMING) I WILL FUCKING KILL YOU LOVEY-DOVEY FREAKS FOR RUINING MY LIFE, I WILL RIP YOUR GUTS OUT AND EAT THEM IN FRONT OF YOU!

Me: Yep, we got that cannibalistic monster to destroy.

We then saw our target: a punk kid with wild black hair, red eyes of demonic hatred, and dressed in a red prison jumpsuit, it was Lucifer Mortimer, the hate-filled, heartless, cannibalistic monster and the enemy of Le Club Des Amoureux Elementaires, and he was covered in fish heads, and man, he was beyond pissed.

Lincoln: Lucifer Mortimer, I should've known you'd show up here, and I'm not surprised to find out you escaped from prison before you could be sentenced to death.

Lucifer Mortimer: I don't care how much you've changed, I'm still going to fucking kill you and eat your guts, and I'll do the same to everyone you love!

Lincoln: You're not laying one blood-stained hand on my family and friends, I'm sending you on a one-way trip to Hell for good!

Natalie Sage: (French Accent) You too, Lincoln, it's been such a long time since we met, Amoureux Des Eléments Arc-En-Ciel.

Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju went up to Lincoln, who hugged each of them, and Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you eleven since you were six, and as you can see, I really grew a lot since then.

Michelle Senju: (French Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these eleven girls?

Lincoln: Indeed I do, Nico, these girls are the members of Le Club Des Amoureux Elementaires, a club dedicated to spreading joy and love to people everywhere and I'm one of the members as the moniker: Amoureux Des Eléments Arc-En-Ciel, translated into English, meaning Rainbow Element Lover in French. The members moved to Michigan from France when they're six years old. We would dance, play music and even do sports for charities, and they would even help the Soup kitchens and even donate to charities. Madelyn Hyuga: (French Accent) I am Madelyn Hyuga, the Sox Gene-Slammer, I'm Lincoln's Guardian Angel from France and classmate in English, but I'm also one of best martial artists and kind hearted fighter as well and also known as the Amoureux Des Cyclones, Cyclone Lover in French. I was the one that taught Lincoln the way of The Gentle Fist, and I even protected Lincoln from Lynn by using my Gentle Fist to render her limbs temporarily useless, and we threw Lynn into a pile of Lynn's old socks. To show thanks, Lincoln kissed me on the lips, and the reason why I know the Gentle Fist is because I'm also the twin sister of Neji Hyuga and I hated Lynn with a blazing passion.

We were stunned.

Nico: Whoa, so Madelyn taught you the Gentle Fist technique, that's awesome.

Me: And I didn't know that Neji had a sister.

Hinata: I found out at the time, and she knew what her brother was going through, and she wished he can find a way out of the darkness.

Lincoln: And that wish came true when we helped him.

Anouk Uchiha: (French Accent) I am Anouk Uchiha, the Arackulele Gene-Slammer, I'm Lincoln's Guardian Angel from France and classmate in Gym, but I'm also one of the most beautiful, but deadliest, of ninjas and also known as the Amoureux De La Neige, Snow Lover in French. To show thanks, Lincoln kissed me on the lips, and in case you're about to ask, I'm the sister of Itachi Uchiha, and I hated Chandler with a passion.

We were so stunned, we almost fainted, but Sasuke and his family helped steady us.

Me: Whoa!

Lincoln: At first, I didn't even know who your brother was, but when you activated the Sharingan, it clicked in.

Itachi: That was understandable, Lincoln, you met her when she first moved to Michigan from France.

Itachi then hugged Anouk, who hugged her brother back.

Itachi: I'm so glad to see you once again, Anouk.

Anouk Uchiha: (French Accent) You too, Itachi.

Valerie Irving: (French Accent) I am Valerie Irving, the BooDoo gene slammer, I'm Lincoln's Guardian Angel from France and classmate in Spanish, but I'm also a capable swordswoman and also known as the Amoureux De La Foudre, Thunderbolt Lover in French. Lincoln: Which merged with my Elemental Thunderbird Necklace of Eternal Love.

Valerie Irving: (French Accent) And it looks even more amazing, and to show thanks, Lincoln kissed me on the lips, and in case you're about to ask, I'm also the twin sister of Lloyd Irving and I hate that rage-crazy, temperamental, psychotic, heartless, sadistic Spawn of Satan, Trina Riffins, with a very burning passion.

Nico: Oh man, Kim and her family are so in for a reunion when we get back home.

One day, he asked Lincoln and Annabell to make a beautiful flower arrangement in the garden within his palace, and the Emperor of Japan was pleased with the garden, and he rewarded Lincoln and I with a beautiful pin representing nature itself. To shows for helping me, I kissed Lincoln on the lips, and I'm also the sister of Zelos Wilder, and she hates that demonic, fire-breathing dragon in black pants, Icky Vicky, with a blazing passion.

Me: Whoa, so it was you guys that made that beautiful flower arrangement in the garden within the Emperor's palace in Japan?! That's so awesome!

Lincoln: Not only that, but I also got the opportunity to meet the Emperor of Japan.

Qin: I didn't even know about that.

Nico: Wait, I read about that story in the paper before I moved to Michigan, and word about it spread throughout the Philippines. That's awesome that you met the Emperor of Japan, Lincoln.

Ember Atlas: (French Accent) Indeed. I am Ember Atlas, the Dragong Gene-Slammer, I'm Lincoln's Guardian Angel from France and classmate in Cooking, but I'm also an amazing Duelist and also known as the Amoureux De L'ombre, Shadow Lover in French. Lincoln and I competed in several Duel Monsters tournaments, and this one time, we dueled Weevil Underwood and Rex Raptor separately, and while Lincoln dueled that cheater, Weevil Underwood, I dueled Rex Raptor, and both Lincoln and Ember won against Weevil and Rex and sent them running back to Domino City in shame and defeat.

Nico: Whoa, so you guys were the ones who defeated that cheater, Weevil, and that dino-sore loser, Rex, and sent them packing back to Domino City?! Oh man, Joey and Tristian are so going to enjoy hearing about this.

Ember Atlas: (French Accent) Actually, they knew about that from Yugi, and while at a lake, Lincoln kissed me on the lips, and the reason for why I'm an amazing Duelist is because I'm the sister of Jack Atlas, and I hate The Wet Bandits with a burning passion.

We gasped.

Eli: Oh man, Jack's in for a reunion with his sister when we get back.

Alize Fudo: (French Accent) Same with my brother. I am Alize Fudo, the Fung Pray Gene-Slammer, I'm Lincoln's Guardian Angel from France and classmate in Math, but I'm also an amazing duelist plus an incredible mechanic and she's known as the Amant Cosmique, Cosmic Lover in French. Lincoln and I made Duel Runners that can also change into any sort of different vehicle based on the user's preference, we even made cars that support Duel Disks as well. We even worked together to build Duel Disks for the entire Team Loud Phoenix Storm roster and the Masters of Evil roster, and even made a statue of various monsters of Duel Monsters.

Lincoln and Alize took out the Duel Disks they made for the entire Team Loud Phoenix Storm roster and Masters of Evil roster, and they were really awesome!

May: Oh… my… goodness!

Nico: Dang, you guys made a lot of Duel Disks for both Team Loud Phoenix Storm and The Masters of Evil, awesome.

Lincoln: And wait 'til you see the Duel Runners me and Alize built, along with the cars that support the Duel Disks back home, Kaiba is going to be in for a field day with what we've built.

Alize Fudo: (French Accent) And Lincoln made me a necklace of her favorite color, and to show my thanks, I kissed Lincoln on the lips, and the reason why I'm also an amazing duelist, is because I'm also the sister of Yusei Fudo, and I hate that wine-drinking, lazy, good-for-nothing, jobless, pathetic excuse for a housewife, Peggy Bundy, with a burning passion.

Michelle Senju: (French Accent) And I'm Michelle Senju, the Schmoochle Gene-Slammer, I'm Lincoln's Guardian Angel from France and classmate in Gym, but I'm also is one of the most beautiful but deadly ninjas and has a massive bust, plus I'm extremely strong, and I'm known as Amant Eternel, Eternal Lover in French. Lincoln and I would love to swim together especially in lakes, and I would also protect Lincoln from those would try to harm him, in fact one time, before Pablo and Anderson would get a chance to hurt Lincoln, I beat the living crap out of Pablo and Anderson, and when I was done, Pablo and Anderson were left with broken arms, legs, noses and teeth, and I even kicked them both in the groins super hard, turned them into a human pretzel and threw them into a massive pile of Lynn's stinky jockstraps. To show thanks, while underwater, Lincoln kissed me on the lips. Now, the reason for why I have a massive bust and being extremely strong and one of the most beautiful but deadly ninjas is because I'm the younger sister of Tsunade Senju, and I hate those heartless, butt-faced psychopaths, Pablo and Anderson, with a blazing passion.

We gasped.

Sakura: I had no idea Lady Tsunade had a younger sister, and that you're Lincoln's Guardian Angel.

Naruto: But, the extreme strength you have, that gave her identity away, alright.

Lincoln: Actually, Pablo and Anderson were that stupid, they had no idea who she even was, probably because Dumb and Dumber were too uneducated and stupid to care.

We laughed.

Nico: Dumb and Dumber?! (LAUGHS) That's actually a good name for them!

Me: Yeah, too good a name for them.

Natalie Sage: (French Accent) And we've got a huge story to tell on how we defended Lincoln from a coalition formed by Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies. (To Lincoln) Oh, Lincoln, there's also something we want to give to you.

Lincoln: Let me guess, you and the others want to give me your blood, right, Amoureux De L'enfer.

Natalie Sage: (French Accent) How did you know about that, Amoureux Des Eléments Arc-En-Ciel?

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Anouk Uchiha: (French Accent) Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Michelle Senju: (French Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln, Amoureux Des Eléments Arc-En-Ciel.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Natalie Sage: (French Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju.

Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln who they were, he immediately recognized them. The nine girls are Vermeil, Chris Westland, Elena Kimberlight, Jessica Schwartz, and Lilia Kudelfeyt from Vermeil in Gold and Ryuuji Hayukawa, Hanako Sakuraba, Maki Kuwana, and Maru Mori from Blue Period.

Lincoln: Oh wow, it's Vermeil, Chris Westland, Elena Kimberlight, Jessica Schwartz, and Lilia Kudelfeyt from Vermeil in Gold and Ryuuji Hayukawa, Hanako Sakuraba, Maki Kuwana, and Maru Mori from Blue Period.

Nicole: Whoa, awesome!

Lincoln: Are you girls okay?

Vermeil: Yes, we're okay, thanks to you.

Vermeil: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Vermeil: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vermeil, Chris Westland, Elena Kimberlight, Jessica Schwartz, Lilia Kudelfeyt, Ryuuji Hayukawa, Hanako Sakuraba, Maki Kuwana, and Maru Mori with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Lucifer Mortimer, a heartless, hate-filled monster who enjoys causing chaos and pain to everyone around him and any who tried to stand up to him, he kills them in cold blood, and even worse, he drinks their blood and eats their guts, and worst, he tried numerous times to kill Le Club Des Amoureux Elementaires, so that he can continue spreading his hatred towards everyone and everything in his path, but he was foiled at every turn, and he was finally defeated, expelled, and he was arrested and sentenced to death for his crimes, only to escape to France and he wanted revenge on Le Club Des Amoureux Elementaires.

But, when Lincoln showed what we did in beating that monster down and Lincoln finishing him off in the same way I pulverized Evil Lori yesterday and firing another energy blast that sent him to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I never expected you guys to face off against an old enemy of Le Club Des Amoureux Elementaires, and he was out for revenge, jeez.

Lincoln: That's exactly who Lucifer Mortimer is: a spiteful, heartless, hate-filled enemy of love, and he cheated his date with death, but I made sure he met his doom, and I used the same attack J.D. used on Evil Lori yesterday, and I fired an energy blast that sent him to The Black Gates for good.

Nico: That monster got what he deserved, so many lives were lost because of him, he's just that evil.

Me: And being considered an enemy of love, we knew he was doomed when we came after him.

Eli: And not only that, but we also found out that the girls are also relatives of members of the team.

Maria: Yeah, and it's really awesome.

Juvia Lockser: You said it.

---

After destroying Lucifer Mortimer and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their face, hearts in their eyes, and their noses were bleeding.

Natalie Sage: (French Accent) Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Michelle Senju: (French Accent) It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Annette Bridges: (French Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Madelyn Hyuga: (French Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Natalie, what's the story on how you all and Lincoln took down a huge coalition formed by Lori, Lynn, Lola, Lisa, Luan, and many of Lincoln's enemies?

Natalie Sage: (French Accent) That's a story we'd never forget, now, I make it no secret that we hate Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins for making our Amoureux Des Eléments Arc-En-Ciel's life a living Hell, and it's no surprise they hated all of us for defending Lincoln, and soon, it would lead to an all-out attack from all of them combined.

Natalie Sage pulled up a video and it played on the big screen. We then see Lincoln, Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju walking home after a day of fun at Gus' Games and Grub, but then, Nicholette Torrington and the Dark World Goth Girls arrived and they're in a panic.

Past Nicholette Torrington: Guys, oh Thank God we found you, we have some really horrible news!

Past Lincoln: What is it, what's wrong?

Past Clara St. Clarice: Lori, Lynn, Lola, Lisa, and Luan formed a coalition made up of Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and they're coming to kill you all and destroy everything!

They gasped in shock.

Past Madelyn Hyuga: (French Accent) I knew that rotten dumb animal wouldn't take a hint even after all of the beatings we'd given her.

Past Giselle Harrington: Same went with Lori, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and Nicholette is that close to killing Lori.

Past Lincoln: Girls, we can't let anger get the best of us, what matters is that we've got to put a stop to their coalition. Let's head for our gym, and when we get there, I'm calling the rest of my

Guardian Angels here, and then, we'll plan our attack.

They rushed for their gym, and Lincoln called the rest of the Guardian Angels there, and when he told them of what Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins are planning, all of them are wanting their heads on a pike.

Laney Emperyous: (Growls) Lynn, now you've gone way too far, you out-of-control animal!

Past Lincoln: It's okay, Laney. But, you're right, this time, Lori, Lynn, Lola, Lisa, and Luan have gone way too far, and it's our job to stop them all.

The Guardian Angels cheered wildly, and we saw them and Lincoln arm themselves with weapons and blasters, and they stepped out ready for battle and ready to stop Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins.

LOUD BURP!

Past Selene Emperyous: Here they come!

A loud belch was heard, and they saw a raging dust cloud was heading for them, and they saw who they were: Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and they were all out for blood!

Past Lynn: STIIIINNNNNKKKKOOOOOLLLLLLLNNNNNNN!

Past Lincoln: Yep, there's no mistaking that yell from anywhere, I've had it up to hear with you trying to kill me and my Guardian Angels yet again, Lori! Now, you're going to pay!

Past Lincoln and Past Lincoln's Guardian Angels: CCCCCCCHHHHHAAAAAAARRRRGGGGEEE!

Past Lincoln and Past Lincoln's Guardian Angels charged at the coalition, and they showed them not a single ounce of mercy, and they blasted them all over the place, The Guardian Angels and

Lincoln also punched them hard in the nose, they also gave them black eyes, broken arms and legs, and they also kicked Chandler, his goons, Pablo, Anderson, Flip, Lewis Travolta, and Killjoy Huggins hard in the crotches, then, they turn to Lori, Lynn, Lola, Lisa, Luan, and Scoots, who was about to flee, until she was knocked down by a blast of rainbow energy fired by Selene Emperyous, and then, Lincoln and the Guardian Angels went at Lori, Lynn, Lola, Lisa, and Luan, and they pulverized them really hard into the ground, and as soon as the dust settled, Past Lincoln and his Guardian Angels won and tied Lori, Lynn, Lola, Lisa, Luan,

When the video was finished, we were shocked.

Nico: HOLY… CRAP!

Eli: That was one huge battle!

Lincoln: Lori, Lynn, Lola, Lisa, and Luan made the big mistake in making alliances with several of my hated enemies long ago, but none of them refuse to even take the hint, and Nicholette's warning had helped us prepare for a huge battle with those five. In the end, Lori, Lynn, Lola, Lisa, Luan, and their cohorts were punished in truly big ways.

Natalie Sage: (French Accent) First, Chandler, his goons, Pablo, and Anderson were taken to jail and they had to spend four months there, and they had to do community service.

Annette Bridges: (French Accent) Flip was taken back to prison where he got five more life sentences added to the multitude of life sentences he kept on getting, Lewis Travolta was also taken away, but that glutton escaped and went on the run.

Eloise Possible: (French Accent) Scoots was taken back to the nuthouse, but this time, she was put in a straitjacket and thrown in a padded cell in Solitary Confinement.

Ember Atlas: (French Accent) And when the news reached Superintendent Chen at school, she had Killjoy Huggins suspended for seven months without pay.

Michelle Senju: (French Accent) And as for Lori, Lynn, Lola, Lisa, and Luan, the ringleaders of this whole coalition, they wound up getting some severe punishments, the punishments the parents had given those five were among the most horrifying punishments that not even we are capable of even speaking out loud.

Nico: (Gulps) What were they?!

Lincoln: For Lori: her phone was taken away and only Mom and Dad could access it and she was also grounded for eight months, for Lynn, her sports jerseys and everything sports-related were put into storage bins and she was also grounded for eight months as well, for Lola, all her dresses and tiaras were put into storage bins and she was also grounded for eight months, for Lisa, her lab equipment was put inside her bunker and she was grounded for ten months, and for Luan, all of her jokebooks, comedy props, and even Mr. Coconuts were put into storage bins and she was also grounded for nine months!

FWOMP!

Nico fainted to the floor, and everyone else was shocked!

Maria: Oh… my… God! Oh man, so that's why you said the punishments for them were so horrific, you couldn't speak about them.

Nicholette Torrington: Yep, all the things those five really cared about were taken away, and also, the amount of time they were grounded really made them suffer badly. I saw Lori the next day, and her hair, make-up, and clothes were a mess, and she was suffering from severe cell-phone withdrawal, Lynn's hair and clothes were also a mess as she went through severe sports withdrawal, Lola's hair, make-up, and clothes were a mess as she went through severe pageant withdrawal, Lisa's hair and clothes were a mess as she went through severe science withdrawal, and Luan's hair and clothes were a mess as she went through severe comedy withdrawal, and she looked like a really insane person.

CLANG!

Our jaws seriously hit the floor when we saw the photos of what Lori, Lynn, Lola, Lisa, and Luan went through, and our jaws went back in.

Eli: OH MAN, OH, NOW THAT'S REALLY HORRIFIC!

Nico: MAMA, NO! OH, OH, THAT'S TOO MUCH!

Rita: We were horrified when we saw them like this, even Lincoln, Leni, Luna, Laney, Lucy, Lana, and Lily. Eventually, Lincoln went up to Lori, Lynn, Lola, Lisa, and Luan, but before he could say anything, they broke down and cried as they hugged him, and they all apologized to him for their actions that day. Lincoln saw they meant their apology big time and he ran up to them and hugged them and he cried too, and we also joined in as well. After the tears were finally let out, Lori, Lynn, Lola, Lisa, and Luan swore never to do anything like that again.

Lynn Sr.: And we took them off their punishments and gave them back their stuff.

Nico: That's good.

Lincoln: Yeah, those punishments Mom and Dad gave them were enough to scare them to death, but seeing them like that, it was punishment enough.

We got a shower, and then, Lincoln, Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow are heading to Jodogahama Beach in Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Fire: (Spanish Accent) Whoa, we're here at Jodogahama Beach in Japan.

Lincoln: I've never been here before, Beatriz, but it's perfect for our first date. Shall we?

Lincoln, Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they back to the beach and they also had a game of volleyball, and Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow, and they hugged the girls in their abnormally massive and powerful muscular arms, and Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lori: (Snickers) Looks like someone's enjoyed their beach date at Japan, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fire, Ice, Killer Frost, Giganta, Livewire, Volcana, Beauty Brass, Songbird Serenade, and Tempest Shadow with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Beatriz, Tora, Leslie, Doris, and Claire had the hots for Lincoln.

Me: We'd known them for years, but eventually, it would blossom into true love.

Volcana: You got that right. We had feelings for Lincoln for years, and now, it's come out in full force.

Ronnie Anne: And it's going to be so awesome having you Tora, Leslie, Doris, Claire, Beauty Brass, Songbird Serenade, and Tempest Shadow as new members of Lincoln's harem, Beatriz.

Fire: (Spanish Accent) Thank you, mija. Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins up, and Lincoln and his Guardian Angels cheered wildly at their victory.

---

As everyone was watching TV, I was reading the paper.

Me: Hmm lets see. Oh they busted and executed another Anti-TLPS Terrorist group earlier this morning.

Nico: Which one?

Me: It was called The 13 Water Rings. Executed them all.

Nico: Good riddance.

Lola: Our ground penetrating radar is working great.

Dream Girl: It sure is amazing that you guys all have this technology.

Me: It sure is Nula. And it's awesome having you with us too.

Dream Girl: It's an honor. News about you all has spread all over the Legion like wildfire.

Me: I'm glad the Legion knows about our achievements.

Nico: And it'll be great to know that they are going to be honored to meet us.

Me: Yeah.

We saw the mascots working out.

Sherry LeBlanc: (to the mascots) (French Accent) What are you guys doing out here?

Poromon: Exercising.

Me: The mascots want to keep in shape.

Poliwag: Yep.

Lana: You remember the last time you wanted to work out, Poromon? You ended up taking steroids!

Camie: Did he really?

Me: Yeah ugly story.

Poromon: I know. But this time I'm not gonna do that. I'm gonna do this the right way.

Me: Good.

Poromon: I threw all my steroids away.

Nico: Thank goodness.

Me: That's a relief.

Dream Girl: I heard all about that.

Varie: Yeah it was not a good sight.

Sailor Naltor: That was a crazy adventure.

Nico: Yep.

Poliwag: Don't worry we're going to work out the right way.

Nico: Good.

I got up and put my newspaper in the recycle bin.

Poliwag: Sure, we might not have visible muscles. But at least we'll be physically stronger.

Demolishor: Don't count on it.

Kevin Reynolds: I remember how much difficulty Poromon had with lifting weights.

Poromon: Don't remind me.

He was doing wing pushups.

Nico: Oh let them try guys. They got to stay in shape somehow.

Me: Yeah. Besides they are doing it the right way instead of taking shortcuts.

Dream Girl: That's good they are.

Searchlight: At least Poromon did a He Man pose that day.

We laughed!

Me: I remember that.

Lola: Yeah.

Andy and Hannah came in and they had a box with them.

Hannah: Hey guys.

Me: Hey guys.

Andy: We got something to show you all.

Me: What is it?

They opened the box and in it was a bunch of really weird toys.

Hannah: It's a box full of my brother's toys.

We saw Babyface, Ducky, The Frog, Roller Bob, Hand in The Box and more.

Me: Whoa.

Woody: Hey the toys that Sid made.

Me: I remember seeing these toys. Your brother did a nasty number on them too.

Hannah: I know.

Camie: I remember seeing these on the movie. Either your brother was a deranged lunatic or he loved destroying stuff.

Hannah: (LAUGHS) Yeah my brother did a lot of damage to all sorts of toys.

We then heard a growl outside.

Me: What the?

Nico: Fuck! Did Scud follow us?!

Eddy opened the door only to see a Houndoom.

Me: Hey a Houndoom.

Eddy: False alarm. It's only a Houndoom.

Houndoom: (To Nico) (In a girls voice) (Military Style Voice)

SERGEANT ELEANOR ERMEY REPORTING FOR DUTY SIR!

Me: Ooh! Love that military attitude!

Nico: At ease soldier! Good to see you again Eleanor.

Houndoom: I just finished my tour of boot camp when I was turned into this.

Nico: It fits you perfectly.

She reverted back and was a girl with black hair and green eyes wearing camouflage pants and a green coat and a green bikini top on and combat boots.

Eleanor Ermey: Sorry about that.

Nico: No worries.

Me: Wait your last name is Ermey. Are you related to…

Eleanor Ermey: Yes sir! Gunnery Sergeant R. Lee Ermey of the United States Marine Corps and famous actor was my grandfather.

Me: Wow! Your grandfather was a great actor in lots of movies and a great drill sergeant too.

Nico: He sure was.

Dream Girl: What's your favorite memory of Nico?

Eleanor Ermey: My favorite is when me and Nico had an M.R.E. eating contest.

Me: Meals Ready to Eat eating contest. The Military had those for a long time.

Nico: Yep.

Eleanor Ermey: That's right.

Me: My grandfather on my dads side was in the army during World War II.

Eleanor Ermey: That's amazing. You have done him proud.

Me: Thanks.

Eleanor Ermey: Permission to hug you Nico.

Nico: Granted soldier.

Nico and Eleanor did so.

Nico: I really missed you.

Eleanor Ermey: Me too Nico.

Spring Man: Nico, which teams have you made this time?

Nico: Bertrand's team will include RD Girl Jordan, Ruth Lincoln, Hexe Trude, Number 83: Galaxy Queen, and Rose Paladin. Morpheus' team will include Giganta, Melissa Edinborough, Rilliona, the Magistus of Verre, Chaos Emperor Dragon - Envoy of the End, and Noelle Silva

Me: Awesome ideas Nico.

Qin: I agree.

Nico: Yeah.

But then something poked me.

Me: Huh?

I looked at my blaster and saw something sticking out of my blaster. I opened it and saw a strange spider like robot device in it.

Me: Hmm.

I pulled it out and analyzed it.

Me: A Remote Controlled Override Spider.

Rusty: Weird.

Me: I think it's Dr. Gilder's from a long time ago.

Nico: Hmm. Must've forgotten to take that out.

Me: Yeah.

I put it in a box and it was deactivated.

Then the previous group came.

Girder: Can me, Multiple Man, Boomerang, Pied Piper, Mercurymon, Katnappe, Carly Atlas, Xaldin, Tri Klops, and Tala go with you guys?

Quicksand: Me, Star Creature, Evil Wood Man, Scooby Snax Monster, Evil Jewel Man, Le Quack, Bui, Yost Whirlwind, MMPR Eye Guy, and Virgo Zodiarts will come too.

Nico: Yes you guys can come with us.

Xenia: We're excited for our next mission too.

LeQuack: (French Accent) Oui me too.

Evil Wood Man: Wow the toys Sid had.

Xenia: I know and they helped Woody out.

Nico: They sure did.

Livewire: Nico, which Gene Slammers do you think you'll meet next time?

Nico: Kingdra, Donphan and Porygon2 next.

Qin: Cool!

Maria: You definitely know that the Mascots will want to go with us on that one.

Future Maria: Same with me.

Kingdra: I'm looking forward to that one next.

Horsea: Same with me too.

Camie: That will be interesting,

Multiple Man: It might take some time for the next target to appear.

Star Creature: You guys wanna play with some Legos in the meantime?

Me: Might as well.

We got out the Legos and got to building.

Waspinator: Waspinator build Decepticon Symbol.

Cheetor: I built the Maximal symbol.

Ratchet: Autobot symbol here.

Starscream: I built the Decepticon Symbol.

Me: Those are very well built.

Buzz: They sure were.

Nico: Very accurate too.

King Kai: (Telepathically) Hey, Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got really bad news: that little toy-destroying monster, Sid Phillips, is back, and he wants revenge on Woody, Buzz, and the rest of Andy's toys for scaring him bad.

We gasped.

Me: That good-for-nothing toy destroyer's back for more, okay, now he's really asking for it.

King Kai: (Telepathically) Tell Jackie Wren to get one of the black vans ready to send him off to the Charon Reform School in the Charon Prison.

Nico: Ooh, now you're talking.

Lincoln: And we'll also have the same punishments ready for Sid Phillips, the very same ones that Kyle is going through.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ricardo Rodrigo of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Ricardo Rodrigo of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Erica Peggulsus: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Ricardo Rodrigo for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we're going to help Woody, Buzz, and the rest of Andy's toys and make that toy-destroying monster, Sid Phillips, pay for his crimes.

Lincoln: Time to show him what happens when he dares to destroy toys on our watch, and once we get done with teaching that evil monster a lesson, you're the next one to die, Ricardo Rodrigo.

Erica Peggulsus: (Spanish Accent) That little monster's going to pay for destroying toys for his sick desires for destruction, and once we get done with Sid Phillips, you better say your prayers, Ricardo Rodrigo, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

Mercurymon: It still might take some time for Sid to appear in a nearby area.

Evil Jewel Man: We got time.

Me: Hmm. Yeah.

Eli: But I do sense him. He's heading towards the park. He's at 30 klicks.

Me: We'll wait here till he gets closer.

Nico: Okay then.

Qin: Yep.

Our stomachs growled.

Me: Getting hungry.

Nico: Might as well have something to eat before we make our move.

Skull Man: I remember you guys telling us that Sid likes to blow up toys.

Hannah: He sure did.

Me: I remember he had lots of fireworks, rocks, M80s and all that.

Nico: Boy I remember those. I lit 10 of them and ended up blowing my fingers off.

Me: OUCH!

Qin: YIKES!

Camie: OUCH! Yeah that would hurt!

Nico: Good thing I can regenerate.

Carly Atlas: Didn't he have Scud with him?

Bui: He's one bad dog!

Hannah: Yeah he did. But they had him put up for adoption.

Nico: Oh.

Hannah: I did not like Scud one bit.

Qin: I don't blame you.

Nico: Yeah.

Me: (SPINS MAGISWORD BRACELET)

ULTIMEATUM MAGISWORD!

I made lots of Ultimeatum Burgers for us and we got to eating them.

Vegeta: I pity the family that adopted that wild animal.

Nico: You're not kidding there Vegeta.

Me: But its been years since that happened. He's old by now.

Nico: Yeah you're right.

Me: (EATING Ultimeatum) Mmm!

Eli: Hannah what happened to Sid after that incident?

Hannah: We had him sent to a mental hospital because we thought he was losing his mind.

Me: Looks like karma REALLY bit him hard.

Woody: Yeah looks like it did.

Tri Klops: His mind wasn't exactly pleasant before Buzz and Woody made him lose it.

MMPR Eye Guy: Look what he did to his toys!

Me: I know. But these toys did help Woody and Buzz out.

Camie: They sure did.

Lola: Besides, like Woody said, that was an emergency situation.

Me: And no offense Hannah but what was your mother thinking letting Sid mess around with all those dangerous things?

Nico: Yeah.

Hannah: None taken but yeah I should have said something.

Kumiko: Maybe we can fix the ones that Sid damaged.

Me: I remember seeing Sid's toys fix Buzz, Hannah's doll and that Pterodactyl toy.

Nico: Yeah that's right. Lets try it.

Me: Leave that to me.

I used my powers and fixed them all up to what they were before and made them their old selves again.

Nico: Nice!

Lola: That did it.

Woody: Hey that was great J.D.

Me: Thanks. Oh Andy did Sid bully you by any chance?

Tala: If he did, Woody would've known about it.

Virgo Zodiarts: Of course, we shouldn't rule that out.

Andy: Actually yes but Hannah stood up for me.

Qin: Wow so Andy had a Guardian Angel too.

Lola: Yeah. But Sid has a lot of problems.

Camie: Can you tell us more about Sid?

Me: I sure can.

I went over his history.

---

Sidney "Sid" Phillips is a recurring character in the Disney/Pixar Toy Story franchise. He is the main antagonist of the original Toy Story, a mentioned character in Toy Story 2 and a cameo character in Toy Story 3.

He is an eleven-year-old boy who destroys toys for his own amusement. However, he stopped destroying toys after he got Woody and Buzz Lightyear, the film's two protagonists respectively.

He was voiced by Erik von Detten in the films, who also portrayed Josh Bryant in The Princess Diaries and Drew Lamerly in Law & Order: Special Victims Unit. He was portrayed by Rachel Fischer in the musical.

Sid is a slender boy with fair skin, a brown buzz cut, hazel green eyes, and braces. He usually wears a black T-shirt with a white skull, blue jeans, and black sneakers. In Toy Story 3, he has a small growing beard and wears a dyed green cap, green goggles with mirror effects, headphones, a high visibility vest, and a gray shirt underneath his T-shirt.

Sid is an obnoxious, obstreperous, and somewhat disturbed skate punk with metal braces, whose idea of fun is terrorizing his little sister Hannah by taking her toys away and using them for scary experiments like switching out heads or performing operations on them.

He also destroys toys in many ways (exploding, burning, or in his "mad doctor" plays). He also in a twisted way has quite a creative/artistic side, as shown by the "Mutant toys" he creates by combining parts from different toys.

After his toys turned on him and confronted him alongside Woody, he vowed never to hurt a toy again. Aside from this, Sid remained mostly the same (especially his love of heavy metal) and eventually became a garbage man. It is unknown if he is still as disturbed as he once was, or if he managed to turn his life around. Either way, it is possible that he remains guilty for all of the toys he indirectly killed and started treating other toys better.

In Toy Story, Sid is Andy Davis' 11-year-old next-door neighbor (until Andy moved at the end of the film). Sid is first seen in the film when Woody, Buzz Lightyear, Rex, Bo Peep, Lenny and Mr. Potato Head watch him destroy a Combat Carl with an M-80, with his vicious toy-chewing dog named Scud by his side. This prompts Bo Peep to say the sooner they move away with Andy and his family, the better.

Later that day, when Andy and his family go to Pizza Planet for dinner and Woody and Buzz follow them, Sid is also there. After playing Whack-an-Alien, the Crane Game where Woody and Buzz are in catches his attention and Woody becomes shocked that Sid is there at Pizza Planet after he and Buzz failed to catch up with Andy, due to Buzz thinking that the Crane Game is a spaceship as he still doesn't know he is a toy, but a real space ranger as Woody goes in the Crane Game, knowing that he can't return to Andy's room without Buzz.

After grabbing an Alien, Buzz Lightyear is put in view. He then goes after him, getting not only Buzz, but Woody hooked onto his foot as well (Woody tried to save Buzz, but the Aliens wouldn't let him). After skating back home with his new toys in his backpack while Woody tells Buzz and the toy alien from Pizza Planet as they go into Sid's house, they won't be coming out, he is instantly greeted by Scud he gave the alien to. Then, seeing his sister Hannah with her Janie doll, he snatches the toy and ran up to his room, slamming the door in Hannah's face. He then pulls out his Pterosaur toy as he played doctor for his "double-bypass brain transplant" as Buzz tells Woody he doesn't believe that Sid had gone to Medical School.

After putting Pterosaur's head on Janie Doll's body, he opens up the door and showed Hannah. Scared, she ran off to report to their mother. Sid threw the mutant toy onto the ground and ran after her, claiming that Hannah was lying. With Sid gone, Woody explored his room to search for a way out, but found the door locked and unable to escape. Trying to find another way out, he then discovered that Sid has taken toys apart and assembled them back together in weird combinations, much to Woody's horror as Buzz tries to call Star Command to send reinforcements for help, still unaware that he is a toy.

The next morning, Sid tortures Buzz by spinning him on a drill bit (seen in a deleted scene), and then takes Woody and throws him across the floor, pretending to interrogate him. Next, he opens up the window shade to let the sun in. He then takes out a magnifying glass and focuses the hot beam of light on Woody's forehead. Suddenly Sid's mom tells him that his Pop-Tarts are ready and Sid leaves his room.

After Woody discovers that Sid's Mutant Toys are actually good when they reconnect Buzz's detached arm back in place, Sid returns to his room later, with a rocket he had ordered in the mail, labeled "The Big One". He intends to blow apart one of his toys with the rocket for his own amusement. Initially, he planned to blow up that "wimpy cowboy doll", but he couldn't find him (Woody hid under a milk crate). However, when he steps on Buzz Lightyear's laser button, which activated the laser light bulb, he chooses to tape the rocket on Buzz, stating that he had always wanted "to blow a spaceman into orbit".

Unfortunately for Sid, he is forced to delay the launch due to "adverse weather conditions at the launch site" when a rainstorm hits the neighborhood, giving Woody and Buzz time to reconcile overnight where Woody tells Buzz the joy of being a toy, which allows Buzz to gain his spirit of being a toy and allows himself and Woody to escape Sid's house when they see the moving truck near Andy's old house next door.

While trying to escape, Sid wakes up and takes Buzz outside to blow him up. Woody and all of the mutant toys plan a way to save Buzz before Sid can destroy him with the rocket, and put an end to the delinquent's cruel treatment of toys for good. The toys all appear out of nowhere and approach Sid, making him increasingly scared. Woody confronts and then tells Sid to take good care of his toys, because they would know if he did not. After seeing Woody come to life in front of his face warning him to play nice, it's too much for Sid, and he shrieks in horror, retreating back into the house. Hannah then takes pleasure in scaring her brother even more with her dolls after she discovered how traumatized he was as Sid runs upstairs, believing that Hannah's toys are gonna come to life. This allows Woody and Buzz to escape Sid's house and continue to catch up with Andy and the moving truck after Woody and Buzz hear Andy and his family leaving their old house next door as they bid farewell to the Mutant Toys.

Sid did not appear in Toy Story's first sequel Toy Story 2, but he was mentioned by Buzz when he, Rex, Mr. Potato Head, Slinky Dog, and Hamm went to rescue Woody from Al McWhiggin, reminding them when Woody managed to stop Sid from blowing up Buzz with the rocket.

10 years after Andy's toys have rescued Woody and defeated Al and Stinky Pete in Toy Story 2, Sid makes a cameo in Toy Story's second sequel Toy Story 3, where he is now an adult and has become a garbage man. He is easily recognized by his black skull T-shirt. In spite of the rather undesirable nature of Sid's job, he appears to be happy and content, as he is singing and dancing to a metal song he likes while going about his rounds.

He first appears when he picked the garbage near Andy's house. As Woody tries to rescue Buzz and the others (who are trapped in a garbage bag that Andy's mom put on the curb while under the impression it was trash), he hides behind the mailbox post to prevent being seen by Sid, who rides off in the garbage truck.

Later, after Woody, Buzz, and their friends end up at the dump, Sid later appears again and Woody, Buzz, and the rest of Andy's remaining toys hitch up a ride on his garbage truck to get back to Andy's house. It is unknown whether he still believes that toys are alive or if he has suppressed the memories of them a long time ago.

---

When I was done everyone was shocked. Yet amused all this happened to him.

Eli: Heh! Serves him right.

Hunch: But now that Sid knows toys are alive, he'll be a lot more unhinged.

Me: That's for sure.

Eli: He's right. I sense his mind really messed up now. He's mentally unstable now.

Xaldin: But a mere fool like him isn't worth killing.

Yost Whirlwind: He'll be going to Charon Reform School.

Applejack: Yeah just like Kyle was sent to.

Lincoln: You got that right.

Coloratura: I agree there.

Me: Hope he likes being tortured with cute movies and stuff about fluffy things.

We laughed!

Eli: (LAUGHS) That will be funny.

Eleanor Ermey: If there was a toy military he would be definitely court-martialed for his crimes.

Nico: You got that right.

Sarge: And I would be handing out said court martial!

Sword Man: You sure would!

Me: You got that right!

Mr. Potato Head: No kidding.

Me: You know what would be a good punishment for him?

Nico: What?

Me: Me burning his arm with a road flare.

Nico: OUCH!

I pulled out a Road Flare.

LeQuack: It's a good thing Scud isn't backing him up this time.

Katnappe: Otherwise, I would slash that mangy mutt!

Me: Yeah I agree.

Nico: Yeah. Where did you get that road flare J.D.?

Me: Oh this? We have a huge box full of them down in the basement. I have one with me just in case.

Nico: Oh. Cool thinking.

Qin: Yep.

Lola: Nice.

Soundwave: Sid detected close by.

Eli: I sense it. 5 klicks away from the park.

Nico: Lets head out guys.

Me: Lets do it!

We were off to the park.

---

We arrived.

Pied Piper: No telling what that brat damaged.

Scooby Snax Monster: Let's not wait to find out!

Me: I have an idea.

I pulled out a fake Big One Rocket.

Nico: You're not going to blow up a toy are you?

Me: No no listen. This is a remote controlled confetti shooting rocket. Buzz is going to have this rocket on him and when Sid comes up to him wanting to light this pretend fuse, I will press the button on this remote. It will signal our entrance.

Nico: I like it.

We got ready and Sid came and saw Buzz with the rocket. And he had a sign on that said "Blow me up!"

Sid: Yes! Now I can destroy Buzz and finish my work as a kid.

Wood Man: J.D., press the button now. It's entrance time!

Me: Not yet. A little closer.

He got closer. And closer. And closer.

I pressed the button and then…

POP!

A cloud of confetti popped out along with alarm bells and air horns.

HOOOONNNNNNKKKKKK! HOOOOOOONNNNKKK! RRRRRRIINNGGG!

We went at him.

Then the spirits of great toys came out and they swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out!

Me: Sid Phillips!

Nico: Surprised to see our little decoy?

Sid: You toys are gonna get it for messing with me!

Boomerang: (Australian Accent) You want them, mate?

Evil Wood Man: You go through us!

Me: That's for sure!

Nico: (gets out Saix and Moonstone's Ridewatches) Moon, Shine Down!

Nico activated them and fired waves of moonlight and smashed him down.

Me: Feel the burn!

STRIKE!

I lit the flare!

Then I swung it and burned Sid's arm and it hurt! OUCH!

Nico: How does it feel Sid!?

Then See More, Weather Wizard, Arbormon, Ranamon, Myotismon, Scorpion, Titania, Titanium Titan, Zs'Skayr, Comic Book Guy, Rainbow Raider, Uchoten, Bushroot, Mz Ruby, Evil Shade Man, Black Scorpion, Vathek, Megalon, Phantom of Vasquez Castle, and Secret Snake Club appeared.

Rainbow Raider: Nice burn on Sid.

Me: Thanks.

Lola: Fitting for a monster that used fireworks to burn toys.

Dream Girl: You got that right.

See More: How do you like it on the team, Dream Girl?

Dream Girl: I really like it!

Weather Wizard: Glad to hear it. And don't worry about Brainy.

Arbormon: One way or another, we're bringing him back to you!

Dream Girl: Thank you.

Ranamon: (to Nico) We heard y'all went to a honey planet.

Nico: We sure did.

Myotismon: Was it tasty?

Nico: You bet it was!

Me: Yeah it was awesome. We got lots of jars of honey too.

?: Boy no kidding.

A Figure came out and it was THE FOX RINSHI!

Me: The Fox Rinshi.

Nico: Alongside the Angler Rinshi you put up an amazing fight.

Fox Rinshi: I sure did didn't I?

Nico: Yep.

Fox Rinshi: Too bad I only showed up for the final battle.

William: At least you still got to appear.

Me: Yeah that's true.

Nico: This will still be fun though.

Qin: Yep.

I tied up Sid.

Me: You stay right there Sid. We'll be ready for you in a few minutes.

We got the battles underway.

## Ash Ketchum & Pikachu, Rainbow Dash, Scootaloo, Air Skylanders, Natalia Denchikov, Ra'ad, Spring Man and Slash Man VS See-More

See-More was first.

See More: (to Ash) Nico's rescue was on a honey planet. Did he eat lots of honey?

Ash: He sure did and it was a cool planet.

Pikachu: Pikachu.

Rainbow Dash: It was so awesome though and the honey tasted great.

Scootaloo: It sure did. But the bees on that planet were huge.

Whirlwind: They sure were.

Natalia Denchikov: They were massive. They were the Zingers from Donkey Kong.

Ra'ad: Yes they were that big. Regular size bees and Zingers too.

See-more: Whoa! That is amazing! As long as no one got stung. Lets do it!

Ash used his Legend Items.

Weather Wizard: (to Shane) Nico, Carol's team, Saix's team, and the others did good Battling Another Another Sunhawk and Gansekiou Golem. And Another Saix as well

Shane: They sure did and it was awesome. Also we got confirmation that we're going to meet the Legion of Superheroes that Lightning Lord knows.

Rarity: Oh we sure did and it's gonna be great to meet them.

Sweetie Belle: It sure will be awesome.

Gill Grunt: Yeah this will be so cool!

Maria Vakkington: It sure will be fun and awesome.

Alexis Rhodes: We're all really excited.

Weather Wizard: Boy I can tell. Lets do it!

Shane used his legend items.

NINJAS OF THE WEATHER! NINJA STORM ELEMENTAL MIGHT!

They fired waves of water, jewels, ice and lightning and smashed him down.

---

## Kari Kamiya, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Irina Campognola, Jonny Quest, Tarantulas and Waspinator VS Arbormon - Lincoln's rescue

---

Arbormon was next.

Arbormon: (to Kari) I heard Lincoln's rescue was in France. How was it?

Kari: It was really fun and we were there to destroy a monster who despises Le Club Des Amoureux Elementaires: his name is Lucifer Mortimer, he's a heartless, hate-filled monster who enjoys causing chaos and pain to everyone around him and any who tried to stand up to him, he kills them in cold blood, and even worse, he drinks their blood and eats their guts. Even worse, he tried numerous times to kill Le Club Des Amoureux Elementaires, so that way, he can continue spreading his hatred towards everyone and everything in his path, but he was foiled at every turn, and he was finally defeated and expelled for his crimes, and he was arrested and was sentenced to death for his crimes. But, now years later, he escaped and he's here in France and he wanted revenge on Le Club Des Amoureux Elementaires, but we're going to see to it he gets sentenced to death.

Arbormon: WHOA! That is crazy! I'm glad he is destroyed now.

Fluttershy: So is the rest of the world.

Tornado Bolt: No kidding there.

Seabreeze: (Swedish Accent) But thank goodness he is destroyed now.

Irina Campognola: Thank goodness for that.

Stealth Elf: Yeah no kidding there.

Jonny Quest: We're glad about that.

Tarantulas: Same here. That guy was a monster.

Waspinator: Waspinator agree.

Arbormon: I agree there too. Lets do it!

Kari used her legend items.

KARI'S PRAYER OF LIGHT! KARI'S LIGHT FORCE!

They fired waves of light, leaves, grass, fruit, flowers and energy and smashed him down.

Stacy Bolton, Starlight Glimmer, Cozy Glow, Undead Skylanders, Hayley Augusta, Pearl Krabs, Skull Man and Wave Man VS Ranamon - Meeting gene-slammers for Whisp, Nebulob, Jellbilly, Sox, Arackulele, BooDoo, Bellowfish, Kazilleon, Dragong, Fung Pray, and Schmoochle

---

Ranamon was next.

Ranamon: (to Stacy) I heard you guys met gene-slammers for Whisp, Nebulob, Jellbilly, Sox, Arackulele, BooDoo, Bellowfish, Kazilleon, Dragong, Fung Pray, and Schmoochle. What are their names?

Stacy Bolton: Their names were Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju and we were surprised to hear that some of them were related to Neji, Itachi, Kim Possible, Jack Atlas, Yusei, Lady Tsunade, Ace Ventura, Zelos Wilder and Genis Sage.

Ranamon: Oh my! And they are all Lincoln's Guardian Angels!? That's amazing y'all.

Starlight Glimmer: Boy it sure is! We were all amazed.

Cozy Glow: Their story was awesome too.

---

Nico: Yep. So, Natalie, what's the story on how you all and Lincoln took down a huge coalition formed by Lori, Lynn, Lola, Lisa, Luan, and many of Lincoln's enemies?

Natalie Sage: (French Accent) That's a story we'd never forget, now, I make it no secret that we hate Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins for making our Amoureux Des Eléments Arc-En-Ciel's life a living Hell, and it's no surprise they hated all of us for defending Lincoln, and soon, it would lead to an all-out attack from all of them combined.

Natalie Sage pulled up a video and it played on the big screen. We then see Lincoln, Natalie Sage, Annette Bridges, Caroline Ventura, Madelyn Hyuga, Anouk Uchiha, Valerie Irving, Eloise Possible, Annabell Wilder, Ember Atlas, Alize Fudo, and Michelle Senju walking home after a day of fun at Gus' Games and Grub, but then, Nicholette Torrington and the Dark World Goth Girls arrived and they're in a panic.

Past Nicholette Torrington: Guys, oh Thank God we found you, we have some really horrible news!

Past Lincoln: What is it, what's wrong?

Past Clara St. Clarice: Lori, Lynn, Lola, Lisa, and Luan formed a coalition made up of Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and they're coming to kill you all and destroy everything!

They gasped in shock.

Past Madelyn Hyuga: (French Accent) I knew that rotten dumb animal wouldn't take a hint even after all of the beatings we'd given her.

Past Giselle Harrington: Same went with Lori, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and Nicholette is that close to killing Lori.

Past Lincoln: Girls, we can't let anger get the best of us, what matters is that we've got to put a stop to their coalition. Let's head for our gym, and when we get there, I'm calling the rest of my Guardian Angels here, and then, we'll plan our attack.

They rushed for their gym, and Lincoln called the rest of the Guardian Angels there, and when he told them of what Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins are planning, all of them are wanting their heads on a pike.

Laney Emperyous: (Growls) Lynn, now you've gone way too far, you out-of-control animal!

Past Lincoln: It's okay, Laney. But, you're right, this time, Lori, Lynn, Lola, Lisa, and Luan have gone way too far, and it's our job to stop them all.

The Guardian Angels cheered wildly, and we saw them and Lincoln arm themselves with weapons and blasters, and they stepped out ready for battle and ready to stop Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins.

LOUD BURP!

Past Selene Emperyous: Here they come!

A loud belch was heard, and they saw a raging dust cloud was heading for them, and they saw who they were: Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Pablo, Anderson, Flip, Scoots, Lewis Travolta, and Killjoy Huggins, and they were all out for blood!

Past Lynn: STIIIINNNNNKKKKOOOOOLLLLLLLNNNNNNN!

Past Lincoln: Yep, there's no mistaking that yell from anywhere, I've had it up to hear with you trying to kill me and my Guardian Angels yet again, Lori! Now, you're going to pay!

Past Lincoln and Past Lincoln's Guardian Angels: CCCCCCCHHHHHAAAAAAARRRRGGGGEEE!

Past Lincoln and Past Lincoln's Guardian Angels charged at the coalition, and they showed them not a single ounce of mercy, and they blasted them all over the place, The Guardian Angels and Lincoln also punched them hard in the nose, they also gave them black eyes, broken arms and legs, and they also kicked Chandler, his goons, Pablo, Anderson, Flip, Lewis Travolta, and Killjoy Huggins hard in the crotches, then, they turn to Lori, Lynn, Lola, Lisa, Luan, and Scoots, who was about to flee, until she was knocked down by a blast of rainbow energy fired by Selene Emperyous, and then, Lincoln and the Guardian Angels went at Lori, Lynn, Lola, Lisa, and Luan, and they pulverized them really hard into the ground, and as soon as the dust settled, Past Lincoln and his Guardian Angels won and tied Lori, Lynn, Lola, Lisa, Luan,

When the video was finished, we were shocked.

Nico: HOLY… CRAP!

Eli: That was one huge battle!

Lincoln: Lori, Lynn, Lola, Lisa, and Luan made the big mistake in making alliances with several of my hated enemies long ago, but none of them refuse to even take the hint, and Nicholette's warning had helped us prepare for a huge battle with those five. In the end, Lori, Lynn, Lola, Lisa, Luan, and their cohorts were punished in truly big ways.

Natalie Sage: (French Accent) First, Chandler, his goons, Pablo, and Anderson were taken to jail and they had to spend four months there, and they had to do community service.

Annette Bridges: (French Accent) Flip was taken back to prison where he got five more life sentences added to the multitude of life sentences he kept on getting, Lewis Travolta was also taken away, but that glutton escaped and went on the run.

Eloise Possible: (French Accent) Scoots was taken back to the nuthouse, but this time, she was put in a straitjacket and thrown in a padded cell in Solitary Confinement.

Ember Atlas: (French Accent) And when the news reached Superintendent Chen at school, she had Killjoy Huggins suspended for seven months without pay.

Michelle Senju: (French Accent) And as for Lori, Lynn, Lola, Lisa, and Luan, the ringleaders of this whole coalition, they wound up getting some severe punishments, the punishments the parents had given those five were among the most horrifying punishments that not even we are capable of even speaking out loud.

Nico: (Gulps) What were they?!

Lincoln: For Lori: her phone was taken away and only Mom and Dad could access it and she was also grounded for eight months, for Lynn, her sports jerseys and everything sports-related were put into storage bins and she was also grounded for eight months as well, for Lola, all her dresses and tiaras were put into storage bins and she was also grounded for eight months, for Lisa, her lab equipment was put inside her bunker and she was grounded for ten months, and for Luan, all of her jokebooks, comedy props, and even Mr. Coconuts were put into storage bins and she was also grounded for nine months!

FWOMP!

Nico fainted to the floor, and everyone else was shocked!

Maria: Oh… my… God! Oh man, so that's why you said the punishments for them were so horrific, you couldn't speak about them.

Nicholette Torrington: Yep, all the things those five really cared about were taken away, and also, the amount of time they were grounded really made them suffer badly. I saw Lori the next day, and her hair, make-up, and clothes were a mess, and she was suffering from severe cell-phone withdrawal, Lynn's hair and clothes were also a mess as she went through severe sports withdrawal, Lola's hair, make-up, and clothes were a mess as she went through severe pageant withdrawal, Lisa's hair and clothes were a mess as she went through severe science withdrawal, and Luan's hair and clothes were a mess as she went through severe comedy withdrawal, and she looked like a really insane person.

CLANG!

Our jaws seriously hit the floor when we saw the photos of what Lori, Lynn, Lola, Lisa, and Luan went through, and our jaws went back in.

Eli: OH MAN, OH, NOW THAT'S REALLY HORRIFIC!

Nico: MAMA, NO! OH, OH, THAT'S TOO MUCH!

Rita: We were horrified when we saw them like this, even Lincoln, Leni, Luna, Laney, Lucy, Lana, and Lily. Eventually, Lincoln went up to Lori, Lynn, Lola, Lisa, and Luan, but before he could say anything, they broke down and cried as they hugged him, and they all apologized to him for their actions that day. Lincoln saw they meant their apology big time and he ran up to them and hugged them and he cried too, and we also joined in as well. After the tears were finally let out, Lori, Lynn, Lola, Lisa, and Luan swore never to do anything like that again.

Lynn Sr.: And we took them off their punishments and gave them back their stuff.

Nico: That's good.

Lincoln: Yeah, those punishments Mom and Dad gave them were enough to scare them to death, but seeing them like that, it was punishment enough.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Ricardo Rodrigo.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Ricardo Rodrigo, the next member of The Order of Nuestra Señora de la Santa Muerte.

Erica Peggulsus: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Ricardo Rodrigo: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Erica Peggulsus' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Peggulusus-themed greatsword from her back, and as she approached Ricardo Rodrigo, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Erica Peggulsus: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Ricardo Rodrigo. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Peggulsus and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Erica Peggulsus was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Peggulsus flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Erica Peggulsus emerged, but

she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Erica Peggulsus grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Peggulsus emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Peggulsus with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Erica Peggulsus felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Erica Peggulsus has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Erica Peggulsus has transformed into SUPER ANGEL-THE FABLED PEGGULSUS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED PEGGULSUS ANGEL OF DIVINE DARK FABLED PEGGULSUS IMP JUSTICE AND DIVINE FABLED PEGGULSUS IMP LOVE!

We were amazed by Erica Peggulsus' Super Angel-The Fabled Peggulsus-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ricardo Rodrigo saw it, he went insane and he got out his sacrificial knife to stab her, but Erica Peggulsus fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Ricardo Rodrigo, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Erica's transformed.

Lincoln: Yeah, and she really sent Ricardo Rodrigo back with that energy blast she fired and that really pissed him off now, and Erica, you look beautiful, how do you feel?

Erica Peggulsus: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Peggulsus and Divine Darkness Light Fabled Peggulsus Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Ricardo Rodrigo once and for all?

Lincoln: (Smiles) With pleasure, Erica.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Erica Peggulsus.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Ricardo Rodrigo, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Erica Peggulsus and Lincoln went after Ricardo Rodrigo, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ricardo Rodrigo and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Erica Peggulsus sent her three imps and Lincoln summoned his own imps and they sent them at Ricardo Rodrigo, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Erica Peggulsus, her hand-cannon Blaster is known as The Fabled Peggulsus' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Peggulsus surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Erica Peggulsus aimed their hand-cannon blasters at Ricardo Rodrigo.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Ricardo Rodrigo!

Erica Peggulsus and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Ramón Hernandez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Ricardo Rodrigo and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Ricardo Rodrigo and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Erica Peggulsus and Lincoln gave Ricardo Rodrigo The Black Gates for good. We cheered as Erica Peggulsus and Lincoln holstered their massive greatswords on their backs and powered down, and Erica Peggulsus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Erica Peggulsus: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Ricardo Rodrigo for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Erica.

Suddenly, Erica Peggulsus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Erica Peggulsus' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Peggulsus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Erica Peggulsus absorbed the light and they came back to us as the display and The Fabled Peggulsus vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Ricardo Rodrigo's death, now there are only three members of The Order of Nuestra Señora de la Santa Muerte.

Erica Peggulsus: (Spanish Accent) Now, we're finally approaching the home stretch.

Lincoln: Yep, which means that the next one to take down tomorrow is Arsenio Márquez, which means it'll be Rosa Rubyruda's turn.

Rosa Rubyruda: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for The Weather.

Nico: The monsters designed after various weather phenomena, combined with elements of artist's routines such as drawing, painting and coloring, with each monster wielding various tools associated with those aforementioned routines?! Awesome!

Me: So, we can expect these next sets of Gene-Slammers to be artists and have powers based on the various weather phenomena.

Lincoln: Yep, that's right.

Comic Book Guy: Worst. Kid. Ever.

Scorpion: No kidding!

Titania: He won't hurt any toys anymore!

Titanium Titan: No, he won't.

Zs'Skayr: That was fun. Who's hungry?

Nico: We all are. Hope Sid likes listening to Mervin the Happy Cat.

We laughed!

Nico: Yeah.

Hannah: My brother may have had this coming but he is still my brother and I love him.

Andy: He'll be all right.

They kissed.

All of us: Awwww.

Nico: Awesome. Great job today guys.

Woody: Thanks Nico. (To the viewers) Mess with the good fun of toys and you will answer to us.

Me: That's for sure.

We went to Lynn's table and had a good meal and then went back home and enjoyed the rest of the day and went to sleep. Sid was sentenced to 20 years in the Charon Correctional Center for Delinquents.

She is also a very skilled and deadly samurai warrior and a deadly swordmaster too.

The next match-up in this saga is Rosa Rubyruda - Gene-Slammer of The Fabled Rubyruda and Lincoln VS Arsenio Márquez

For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Universe 666 Earth, and Lincoln and his group are going to destroy Evil Timmy, who's broken out with help from the Universe 666 Fairies, and he wants revenge. And for the next set of rescues, we're going to be meeting Gene-Slammers for The Weather Duel Monsters, the monsters designed after various weather phenomena, combined with elements of artist's routines such as drawing, painting and coloring, with each monster wielding various tools associated with those aforementioned routines. The first one is a The Weather Painter Rainbow Gene-Slammer named Althea Iridiana, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over light and the seven colors of the Visible Spectrum, and she's also recognizable because of her rainbow hair and massive and beautiful rainbow angel wings. She, Lincoln, and Laney painted many beautiful works of art in Art class and their paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Althea Iridiana's also the daughter of Iridiana, the Greek personification of the rainbow, and she's also the cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis and Crocker as well.

Get ready for an awesome battle as we face the Synthoid that Max Tennyson and Verdona faced years ago who is back for revenge.

See you next time.

Me: I have a feeling this food planet is going to be awesome and fun.

Nico: Me too. I have a feeling this will be a good one.

Xenia: I do too.

Lola: Yeah this will be awesome.

Nico: Yep.

Emma Goodall: I'm looking forward to this one too.

Dayu: Same here.

Laney: I agree there.

Nico: Emma, I want to thank you, Dayu, and your teams for coming today.

Emma: It was our pleasure Nico. It's gonna be so fun helping you guys.

Dayu: It sure is going to be awesome.

Camie: I'm really looking forward to this one.

Nico: Me too.

Lola: Yeah.

Nico: Mokuro, what do you like to do in your free time?

Mokuro: Haven't really thought about it. I do most of my time battling demons that hurt people.

Me: That is a good idea.

Xenia: It sure is.

Me: I'm glad that you are doing great after everything that happened to you.

Mokuro: I am too.

Nico: You didn't deserve what happened to you.

Mokuro: I know. But I'm glad that I'm healed up.

Qin: We all are.

Me: Yeah same here.

Nico: Yep. Yesterday's mission was awesome.

Eli: It sure was. Sid got what was coming to him.

Nico: Serves him right for trying to mess with toys.

Me: You got that right.

Lola: What a stupid Freakacus McAPoopypants!

We laughed!

Qin: (LAUGHS) That's funny!

Xenia: (LAUGHS) Freakacus McAPoopypants! That's funny!

Camie: I like that!

Nico: I liked the entrance we did on him.

Me: That was one of my own creations. I've been trying to make new entrances that were creative and artful.

Nico: I like it.

Qin: I thought it was awesome.

Camie: It was.

Cassidy: We all thought that was well thought up.

Nico: Yeah that was cool.

Me: Yep.

Nico: Good thing Scud wasn't there!

Me: No kidding.

Qin: Yeah.

Xenia: I agree.

Me: We're here.

We arrived at the planet and it looked like a jungle planet.

Me: From up here it looks like a jungle planet.

We went down to the planet and we landed in a forest and to our amazement we saw that it was a forest planet where all the trees grow soda on them!

Me: WHOA! It's a Soda forest planet!

Nico: Cool! All the trees grow soda on them.

Juran: What's the difference between soda and beer?

Me: Soda is made with a nut called the Cola Nut. Beer is made with fermented wheat, malt and haps.

Juran: Oh I get it.

Nico: Yeah.

I opened a can and drank it down.

Me: (GULPING)

I drank it all down.

Me: (Finishes it) Ahh. (LOUD BELCH) Oops. Pardon me.

Horsea: (drinks soda) It's just not the same! (LOUD BELCH) Oops pardon me.

Maria: Oh Horsea it's all right. Soda and Beer are both made with natural ingredients.

Me: It's still good soda though.

Eli: It sure is. (Drinks Soda) Ahh. (LOUD BELCH) Oh pardon me.

Qin: (Drinks soda) Ahh. Refreshing though.

Horsea: But how am I supposed to get drunk with these?!

Zocks: You don't.

Me: Besides soda doesn't pickle your liver like beer does. (Drinks Soda) Ahh.

Camie: (Drinks Soda) Ahh. (LOUD BELCH) Oops pardon me.

Qin: No worries. (LOUD BELCH) Pardon me.

Nico: Soda has lots of great flavors though. (Drinks Soda) Ahh. (LOUD BELCH!) Oops pardon me.

May: No worries.

Maria drank some soda.

Maria: (Drinks Soda) Ahh. Good soda. (LOUD BELCH) Oh pardon me.

Xenia: But this is amazing that soda can grow like this on trees.

Fu: It sure is. I think this is so awesome.

Laney: I agree there.

Nico: Too bad Mr. Fizz isn't here.

Me: Yeah no kidding. But if he were still evil he would be having a field day seeing this.

Maria: You're not kidding there.

Camie: No kidding.

Laney: (DRINKS SODA) Ahh. Yummy strawberry. (LOUD BELCH) Oops pardon me.

Twilight Sparkle: (Laughs) That is funny.

Applejack: (DRINKS SODA) Apple soda. (LOUD BELCH) Oops pardon.

Nico: Let's bring some home.

Me: Good idea.

Maria: There's enough soda here to last forever.

Eli: You got that right.

Varie: Yeah. This is amazing though.

Qin: It sure is.

Nico: Eli, sense if Swartz's creations are close.

Eli: On it.

Eli concentrated.

Eli: Found them. They are 50 klicks north. One of them is close. 10 klicks.

Me: Okay then.

Qin: I have a feeling that one is gonna be Another Huntik Titan.

Nico: All we can do now is wait.

Qin: Plenty of time.

Me: Nico I'm thinking about something.

Nico: What is it?

Me: About what happened with Brainiac 5 and how he did all that. It's just absolutely terrible.

Nico: Dude, all we can do is prepare for when we have to go up against the Legion's version of Brainiac.

Me: I know. I'm just worried about them that's all.

Nico: Your concern is a good thing for them but all we can do is wait.

Me: Okay.

Varie: Dream Girl being on the team is amazing and awesome.

Eli: She sure is amazing. Natilee, Princess Luna and her are a really formidable team.

Camie: That is really cool.

Nico: Besides, at the very least, we can get rid of Imperiex during any of Nerissa's missions.

Me: Good idea. He'll be the first of the Legion of Superheroes enemies we give the Black Gates.

Cassidy: Thar is for sure.

Xenia: Yeah he deserves it.

Me: Big time. But I'm amazed they have a Superman that came from the 41st Century and he is completely immune to Kryptonite. And it's amazing that he can do crystal synthesis too.

Nico: That is so awesome.

Maria: He's called Kal El.

Me: Just like his prime universe counterparts real name.

Qin: So coincidental that they both are the same guy.

Me: It sure is.

Qin: Yeah.

Nico: Wait until Legion Superman meets the Superman in our ranks!

Me: And wait till we tell them how we killed our version of Lex Luthor. Also I heard that they have Lex Luthor's descendant Alexis Luthor there.

Qin: That is amazing. She would be a great addition to the M.O.E.

Nico: I agree there.

Lola: Yeah and the Fatal Five and the League of Supervillains too.

Me: All awesome and great candidates.

Geiz: Like I said before, hopefully, after Brainy left the Legion, he hasn't gone far.

Me: We'll find him.

Qin: Yeah.

Eli: I agree. (Senses something) Target one is here.

Qin: Oh boy.

Nico: Who is it?

Eli: The Another Huntik Titan.

Qin: Oh boy.

Then a roar was heard. Out came a figure and it was ANOTHER CERBERUS!

Qin: Whoa!

Me: Cerberus!

Qin: Whoa! Another Cerberus.

Lola: Scary!

Nico: Easy boy.

But then it roared.

Another Cerberus: (In a girls voice) Help me J.D.!

Me: (GASP) That voice!

She reverted back and was a girl with black hair and black clothes and had red eyes and black angel wings and had a demonic fire sword. She also had the symbols of Huntik Cerberus on her arm and in the middle of her forehead.

Me: (GASP!) Erica Cerberus!

Erica Cerberus: J.D. I can't control this power! It's far too strong!

Me: Erica don't let this power control you. You are the one that has to control it.

Nico: How do you know her?

Me: Erica is from my art class. She is a master of making vases.

Qin: Cool!

Me: Yep.

May: Vomit it out of you if you have to!

Me: No wait! This needs the powers of magic.

I chanted an incantation and out came her Wonder Ride Book and it was called The Dark Eclipse Cerberus. Then it formed into a new book and it was called THE TWILIGHT CERBERUS OF THE TWILIGHT ECLIPSE!

I picked up Erica.

Erica Cerberus: Thank you guys.

Me: You're welcome.

Varie: Man what a nightmare for her.

Nico: Yeah.

Eli: Now the Another Wonder Ride Embodiment is next.

Nico: Who's next?

Zarya: I will go next.

Me: Okay.

Then the Usutsuki Wolf book started glowing black.

Nico: The Usotuski Wolf book is glowing.

Me: It sure is.

Maria: Then it's time for this one.

She got out the M.O.E. Cannon.

Maria: (TURNS DIAL) CORNERIA MERCENERY 6!

She summoned Wolf, Queen Cannabis, Eustace Strych, Slaughterjack the Lumberjack, Barbos and Wolf Undead!

Nico: Awesome!

May: Get ready!

Me: Okay,

Then a wolf howl was heard.

Qin: A wolf.

Then a figure came out and it was ANOTHER USUTSUKI WOLF! It looked like a black wolf.

Me: Whoa! Another Usutsuki Wolf!

Nico: Wow!

Aylene C.: Cool!

Nico: And you are?

Another Usutsuki Wolf: (In a girls voice) (British Accent) I believe that J.D. knows who I am.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair and had blue wolf ears, blue eyes, blue wolf talk and had fangs and blue clothes as well as a blue Crescent Moon in the middle of her forehead.

Me: (GASP) Seraphine Lupin!

Seraphine Lupin: That's right. Great to see you again J.D.

Me: Same to you.

Nico: Wait are you related to…

Seraphine Lupin: That's right Nico. I'm the daughter of Remus Lupin. And yes like him I too am a werewolf. But I have the power to control it and I am now one with my wolf form.

Qin: Wow!

Nico: That is amazing.

May: Your dad's a really good teacher.

Seraphine Lupin: Indeed he is. I just can't believe that he was turned into a werewolf.

Me: Blame Fenrir Greyback for that.

Camie: Yeah what a monster.

Nico: No kidding there.

Seraphine Lupin: Yeah and I'm glad that monster got what he deserved.

Me: Voldemort and ALL of his followers got what was coming to them.

Eli: And they ALL got the Black Gates.

Nico: They sure did.

Me: By the way any other opponents with you?

Seraphine Lupin: Yes there are. Another version of her.

Dayu: Another version of me!? Wow!

Me: Oh boy. Friendly or hostile?

Seraphine Lupin: Friendly and you will like this one J.D.

Me: I have a feeling it will be awesome.

Nico: In my opinion, Remus should've been the permanent DADA teacher!

Me: I agree there.

Seraphine Lupin: I agree there too.

Nico: Glad you think so.

Camie: Yeah.

Zarya: Sorry we have to do this.

Serapine Lupin: No worries.

She turned back into Another Usutsuki Wolf.

Zarya: Battle Wolf Lets Howl! (HOWLS)

She fired a wolf energy blast and it hit her and knocked her down and I caught the Wonder Ride Book and it was called Wolf of The

Dark Wolf Moon. Then it turned into a dark blue book called The Wolf of The Wold Moon Crusade! I went over and caught Seraphine as she was wobbling and brought her over.

Kaito: (gets out Donbrothers gear) I think the Donbrothers' final mission is a few weeks away.

Me: They finish up later this month it said.

Nico: Do you know when?

Me: February 23rd.

Kaito: I see.

He got a Donbrothers Sword.

Maria: Time to get the cannon ready again.

Me: Yep.

She got it ready.

Nico: But this is gonna be awesome.

Lola: It sure will.

Nico: Let it rip, sis!

Maria: All right here we go. (Turns Dial) FILTH BUBBLE PLATOON!

She summoned Dirty Bubble, Stinkor, Sluggy the Unshaven, Sinister Slug, Dancing Rats, and Movie Will Blake along with Splitface, Deker, Serrator and Nojoke.

Nico: Awesome!

Qin: Cool team.

Nico: The Another Dayu must be close.

Then we saw a figure come out and it was a dark version of Dayu. It was ANOTHER DAYU!

Qin: Whoa!

Nico: Another Dayu.

Me: This one is gonna be awesome.

Camie: It sure will be.

Another Dayu: (In a girls voice) I am glad you agree there.

Me: (GASP) That voice.

She reverted back and it was a girl with red hair and red clothes and had a Red Lantern Power Ring on her finger.

Me: (GASP) Yvonne Ysmault A.K.A. Sailor Ysmault!

Nico: The Sailor Soldier of the Red Lantern's home planet!? Whoa!

Xenia: That is cool!

Me: It sure is. But be ready guys. When it comes to kicking bad guys butts she is known for having a really NASTY Temper.

Sougo: (gets out Donbrothers Ridewatch) Did Swartz promise you anything?

Geiz: (gets out Zenkaiger Ridewatch) Because we can grant it instead.

Sougo got DonMomotaroArmor while Geiz got ZenkaigerArmor.

Sailor Ysmault: Actually he didn't promise me anything. After he turned me into Another Dayu, I went ballistic on him and beat the living SHIT OUT OF HIM AND CHOMPED HIS BALLS OFF AND KICKED HIM IN HIS FACE! I TOTALLY WENT APESHIT ALL OVER HIS FUCKING ASS!

We gasped!

Me: WHOA Nice!

Sailor Ysmault: Thanks.

Me: But you don't have to worry about him anymore. He was given the Black Gates.

Camie: That's for sure. He's gone forever.

Me: Yep.

Nico: Boy Swartz picked the wrong Sailor Soldier to mess with.

Sailor Ysmault: You got that right.

Me: Sorry we have to fight like this Yvonne.

Sailor Ysmault: No worries. Come at me and don't hold back.

She turned back into Another Dayu.

Zocks: Zenkaiju gear!

He donned his Zenkaiju armor.

Nico: (gets out Dayu's Ridewatch) Let's get this party started!

Nico fired blades of energy and blasted down Another Dayu!

Nico: Top this one. (ACTIVATES DAHLIA HAWTHORNE'S RIDEWATCH)

He fired waves of energy and smashed her down.

May: This is what I call a split personality. (ACTIVATES RAVEN THE SPLIT PERSONALITY ALICORN'S RIDEWATCH)

She fired waves of rainbows and blood and smashed her down.

May: How's this one? (ACTIVATES TWO-BUTT MONSTER'S RIDEWATCH)

LOUD NUMEROUS FARTS!

May farted double the amount of gas and blushed in embarrassment.

Nico: Oops.

May: Sorry!

Maria: How about this too? (ACTIVATES THE UNBEARABLE'S RIDEWATCH!)

She fired waves of energy and smashed down Another Dayu.

Maria: And this too? (ACTIVATES SHADOW RAKER'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Pied Piper and his team came and he had Scooby Snax Batter monster, Bobo the Vulture, Anglerfish, Toothpick and Shinjiro Shinozaki.

Nico: Nice team, Pied Piper!

Pied Piper: Thanks Nico.

Eli: Hey that's the Anglerfish from Finding Nemo.

Qin: Yeah!

Nico: Awesome little one.

Me: Yep.

Nico: I knew that one would show up.

Me: Me too.

I enveloped the area in a dome of darkness and the Anglerfish's lure was in front of Another Dayu.

Like in Finding Nemo, Another Dayu chased the lure and then the Anglerfish roared and scared Another Dayu.

Nico: Nice! Love that scene.

Lola: Yeah that was cool.

Lana: It sure was.

Mokuro: Now it's my turn. (Activates Dahlia Hawthorne's ridewatch)

She fired an energy blast and smashed her down.

Horsea: I sense the next Gene Slammer!

Maria: More than sense it. I see it.

We saw a Kingdra come out.

Me: Hey a Kingdra!

Nico: Cool!

Lola: Future Maria and her Kingdra would have loved to see this one.

Nico: Yep.

Kingdra: (In a girls voice) Sorry about that guys.

Nico: Hannah Coon!? Whoa!

Qin: Hey our resident Waterbender. Awesome!

Kingdra: Long time no see Qin. I got this.

She fired a water blast and knocked down Another Dayu and I caught the Ridewatch and purified it and I went over and picked up Sailor Ysmault and brought her over.

Xenia: That was awesome!

Nico: You look great as a Kingdra, Hannah.

Horsea went over.

Horsea: Horsea. Sea. Sea.

Kingdra: Yes I understand you Horsea.

Horsea: Good. That is a relief. But I'm glad.

Nico: Yep.

Mokuro: What's your favorite memory of Nico?

Kingdra: My favorite was when me and Nico took down a gangster group that was out to steal all the priceless jewels of a museum and we made sure they were sent to prison.

Me: Wait the great Jewelry Gang Purge was done by you guys!? That is cool!

Nico: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out an aqua blue leotard and the boys covered their eyes and I snapped my fingers and she was reverting back.

She was a girl with aqua blue hair and has blue angel wings.

She put the leotard on.

Hannah Coon: (Groans) That really hurt.

She got up and Nico helped her up.

She and Nico hugged.

Nico: I really missed you.

Hannah Coon: Me too Nico. Me too.

Lincoln: Whoa, we're back on Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the five girls, but we're also going to destroy Evil Timmy, who's broken out with help from the Universe 666 Fairies, and he wants revenge.

Universe 666 Lincoln: I should've known that Surfboard Face twerp would escape one day, and the Universe 666 Fairies had a hand in this.

Universe 666 Me: And he was also among those who killed me, Varie, Lincoln's good sisters, harem, and Guardian Angels of my Earth.

Me: So, we got to take that twerp down and destroy him as well. Say, what does he look like?

Universe 666 Me pulled up a photo of Universe 666 Timmy, and we saw he was tall at 6'11", he had on black punk clothes, dark wild chocolate brown hair, and red eyes with hatred.

Nico: Jeez, he sure fits the role of a thug, and I've got a feeling this won't be easy though.

Lincoln: I think I know what you're talking about. Timmy, didn't you make a wish long ago to make your life like an Action Movie?

Timmy Turner: Yeah, I did, and that was my fatal mistake.

Jorgen then appeared.

KABOOM!

Jorgen: (Arnold Schwarzenegger Accent) It was, I became an action movie villain in the process and made a plan to kidnap and drain all the fairies of their magic and transfer it into my wand.

Lincoln: But, if I know my action movies right, there's always a way to stop a villain's plot.

Wanda: Yep, Jorgen added a reverse switch on his machine, and when Timmy pulled the lever to Reverse and broke it, he stopped Jorgen's action movie villain self.

Lynn: You think your Universe 666 self is planning something like that to the Universe 666 Fairies?

Timmy Turner: That's exactly what I'm thinking, Lynn.

Lincoln: So, he's planning a double-cross on those who freed him. That thug's going to pay for all his crimes, and I want to thank your team for joining us, Gia.

Gia: You're welcome, Lincoln.

Suddenly, Cosmo and Wanda's wands were glowing, and they saw it for themselves: The Universe 666 Fairies, along with Universe 666 Jorgen and Jorgen's Action Movie Villain self had been double-crossed and put into a machine, and he activated the machine and he drained all of the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self of all their magic and strength and he also had Universe 666 Jorgen's wand.

Wanda: Oh no, he's already pulled his double-cross on the Universe 666 Fairies and put them into the machine, and also among them is Jorgen's Action Movie Villain self and Universe 666 Jorgen, and he already activate it and he drained all of the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self of all their magic and strength and he also has Universe 666 Jorgen's wand with him.

Jorgen: (Arnold Schwarzenegger Accent) Oh, this is bad. We have to get a move on and quick.

Suddenly, we saw The Weather Painter Rainbow appear before us, and with her are the five girls.

Nico: Whoa, The Weather Painter Rainbow, colorful.

Weather Painter Rainbow: (Girl's voice) That's right, but we'll save the chit-chat for later.

Lincoln: Yeah, I know, Althea Iridiana. Come on, gang, we got to stop that thug.

We rushed on over to Evil Timmy's hideout which was an abandoned castle, and he was looking at his machine, and it reached full.

Evil Timmy: Yes, now all the magic and strength of the the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self is now at my disposal, and now, I shall destroy every last living thing in existence!

Suddenly, the spirits of the Fairies of Fairy World swirled around and fired blasts of magic at him with their wands and angered him. Then, a massive explosion erupted and a Thunderbird and Phoenix Cry was heard, and we all appeared.

Me: That ain't happening, you buck-toothed punk!

Lincoln: And don't think we're the only ones here.

Then, Universe 666 Me, Universe 666 Varie, Universe 666 Lincoln, Universe 666 Leni, Universe 666 Luna, Universe 666 Laney, Universe 666 Lucy, Universe 666 Lana, Universe 666 Lily, Universe 666 Lynn Sr., Universe 666 Rita, Universe 666 Lincoln's Harem and Guardian Angels appeared from the entrance as well.

Universe 666 Me, Universe 666 Varie, Universe 666 Lincoln, Universe 666 Leni, Universe 666 Luna, Universe 666 Laney, Universe 666 Lucy, Universe 666 Lana, Universe 666 Lily, Universe 666 Lynn Sr., Universe 666 Rita, Universe 666 Lincoln's Harem and Guardian Angels: NOT SO FAST, SURFBOARD FACE!

When Evil Timmy saw Universe 666 Lincoln here, he was beyond mega pissed.

Evil Timmy: You ungrateful traitor, I should've known you'd show up! Now, I can get revenge on you for your treachery to Team Loud Evil Storm.

Universe 666 Lincoln: You're not laying one hand on me, Timmy!

When Evil Timmy then saw Universe 666 Me, Universe 666 Varie, Universe 666 Leni, Universe 666 Luna, Universe 666 Laney, Universe 666 Lucy, Universe 666 Lana, Universe 666 Lily, Universe 666 Lynn Sr., Universe 666 Rita, Universe 666 Lincoln's Harem and Guardian Angels here and joined up with Universe 666 Lincoln, his face turned pale.

Evil Timmy: No… ! Impossible, Nico, Lori, Lynn, Lola, Lisa, and Luan killed you all! How is this even possible?!

Me: Wrong! That was Universe 666's version of me. Not the Prime universe me. That is me.

Lincoln: An answer you're never going to learn. Now, it's time for you to surrender or die!

Evil Timmy: You fools! By draining all the magic, strength, and life force of the Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self, I now have all of it at my disposal, and now, I've found a way to make myself even more powerful!

Timmy Turner: Oh crud!

Evil Timmy plugs the cord of the magic-draining machine into Universe 666 Jorgen's wand, and all of the magic, strength, and life force of all the drained Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self began flowing into it, and when it was all done and the cord was removed, the star was glowing cyan blue.

Evil Timmy: Yes, yes, YES!

Suddenly, all of of the magic, strength, and life force of all the drained Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self then began flowing into Evil Timmy and he began to grow to Jorgen's height, and his muscles grew really huge and bulged a lot and veins formed, and it caused his shirt to rip apart, and his pants tore into shorts.

Evil Timmy: Now, prepare to DIE!

Timmy Turner: Shit, he's gone completely mad with power! We got to stop him now!

Lincoln: Right!

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) going to destroy Evil Timmy, who's broken out with help from the Universe 666 Fairies, and he wants revenge.

Then, Timmy fired four Eye of Lupus orbs which ricocheted and hit Evil Timmy which knocked him down to the floor, he tried to get up, but his muscles were way too huge, and he was unable to get up.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) Now, Lincoln!

Then, Lincoln used his eleven massive white wolf tails and he stabbed them onto Evil Timmy's really massive hulking muscular arms, chest, stomach, legs, and back, and then, he began absorbing and draining Evil Timmy of all that power and strength as Evil Timmy's body shrank extremely in size, height, and muscle. Then, as soon as Lincoln was done, Evil Timmy looked like a skeletal figure barely hanging on to life.

Evil Timmy: (Weakly) W-what… did… you do to me?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I absorbed all of the magic, strength, and life force of all the drained Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self that you absorbed, and now, look at you, you're now a skeletal figure barely clinging to life.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) But, don't worry, your life is about to end very soon.

Timmy fired a powerful pink energy blast from his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and it hit Evil Timmy and obliterated him and he was erased by The Black Gates. Suddenly, Lincoln's cutie mark began firing out tons of energy cards and in them are all of the spirits of the Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self, and they too were sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for another of Team Loud Evil Storm's remnants, and he's never coming back. (To Althea Iridiana) And it's so good to see you again, Althea Iridiana.

Althea Iridiana reverted back to normal, and she's a beautiful girl with long rainbow hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful rainbow angel wings and she reigned in the power of Weather Painter Rainbow, she's dressed in a sleeveless red blouse, sleeveless purple midriff top, blue skirt, yellow pants, green knee-high high-heeled boots, and long white sleeveless trenchcoat with lights, rainbows, paints, and angels on the coattails and on the back is Weather Painter Rainbow and holstered on her back is a massive Weather Painter Rainbow-themed greatsword with embedded rainbow gems and Weather Painter Rainbow etched on the 7'0" massive, wide, double-edged rainbow blade, large Weather Painter Rainbow heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Rainbow heads and large rainbow gem on the bottom of the large Weather Painter Rainbow heads for the pommel.

Althea Iridiana: You too, Lincoln, it's been such a long time.

Lincoln went up to Althea Iridiana and he hugged her, and Althea Iridiana is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Althea Iridiana: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Althea Iridiana, she's my Guardian Angel from Michigan and my classmate in Art, and she was born amazing and incredibly powerful powers over light and the seven colors of the Visible Spectrum, and she's also recognizable because of her rainbow hair and massive and beautiful rainbow angel wings.

She, Laney, and I painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Me: They painted some amazing paintings there, and they were really awesome.

Nico: Awesome.

Lincoln: And it gets even more awesome, Althea Iridiana is also the daughter of Iridiana, the Greek personification of the rainbow.

Eli: Whoa!

Me: Nice!

Althea Iridiana: But, there's also something else.

Timmy Turner: Yeah. Althea is also my cousin.

We gasped.

Me: Wait, what?!

Wanda: Yeah, we also knew about that as well from Timmy.

Luna: And although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always neglecting Timmy and leaving her cousin alone with Icky Vicky, whom she absolutely despises, and she also absolutely despises Francis, Crocker, and many of Timmy's other enemies as well.

Althea Iridiana: That's right. I can't believe that my aunt and uncle could be so stupid as to leave my own cousin at the hands of that demonic babysitter, even neglecting the fact that they have a son, and I want nothing more than to see those two put in jail for the rest of their… !

Timmy ran up to Althea and hugged her to cool her down, and she hugged him back.

Timmy Turner: I haven't even forgotten how much you hated my parents and despised Icky Vicky, Francis, Crocker, and my other enemies as well, Althea. But, it's also good to see you again.

Althea Iridiana: You too, Timmy, and you've really grown up a lot since last we met.

Lincoln: Timmy joined us over six years ago, and soon it'll be seven years to the day that he joined us, and he'll be seventeen soon. Plus, we also put that demonic babysitter in as humiliation fodder, threw Francis in prison, gave Crocker The Black Gates, and many of Timmy's other enemies are either in The Masters of Evil or sent to The Black Gates as well.

Althea Iridiana: Awesome. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Althea Iridiana: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Althea Iridiana: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Althea Iridiana, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Althea Iridiana: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Althea Iridiana's neck with rainbow gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Althea Iridiana: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Althea Iridiana.

Althea Iridiana had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln who they were, he immediately recognized them. The five girls are Ori and Yori from Kappa Mikey, Nagisa from Dead or Alive, and Yui Hachimitsu and Kyou Nekozaki from Shikimori's Not Just a Cutie.

Lincoln: Oh wow, it's Ori and Yori from Kappa Mikey, Nagisa from Dead or Alive, and Yui Hachimitsu, and Kyou Nekozaki from Shikimori's Not Just a Cutie.

Lily (Kappa Mikey) (Gasps) OMG, Ori and Yori were among those whom you rescued, Linky.

Ami Onki: And not to give some a nervous breakdown, but they also look like… !

Yumi Yoshimura: Like you and me, Ami. That's a little bonkers!

Lincoln: But, I can tell the difference between them and you and Ami, Yumi. And are you girls okay?

Nagisa: Yes, we're okay, thanks to you.

Then, when Nagisa and the other four girls saw who it was that saved them from Evil Timmy, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

Nagisa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ori, Yori, Nagisa, Yui Hachimitsu, and Kyou Nekozaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Evil Timmy, who'd broken out with help from the Universe 666 Fairies. They also found out what he did in double-crossing them and using a magic-draining machine to suck out all of the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self's magic, strength, and life force, and they saw what happened to him.

But, when Lincoln showed what we did in beating down that monster and finally Lincoln using his tails to absorb and drain Evil Timmy of all the magic, strength, and life force of the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self's and Timmy destroyed Evil Timmy and he and Lincoln sent the spirits of Evil Timmy and the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self to The Black Gates for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Althea Iridiana have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I never expected Evil Timmy to break out, and what he did in double-crossing the Universe 666 Fairies and used a magic-draining machine to suck out all of the Universe 666 Fairies, Universe 666 Jorgen and Jorgen's Action Movie Villain self's magic, strength, and life force, that's just pure evil.

Lincoln: Yep, but in the end, we destroyed him for good, and he and all of the Universe 666 Fairies, Universe 666 Jorgen, and Jorgen's Action Movie Villain self got The Black Gates for good.

Universe 666 Lincoln: Good riddance to that Surfboard Face thug.

Universe 666 Me: You said it.

Me: He really is just like what Good Crocker told us.

Nico: Yeah, he was a thug and a criminal, and what he did, that basically sealed his fate in the end.

---

After destroying Evil Timmy and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Althea Iridiana saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Althea Iridiana: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Althea, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Althea Iridiana: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Althea Iridiana: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Althea, what's the story on why you hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Timmy Turner: I'll just get some dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case I find out they almost caused a life-threatening injury.

Timmy made dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case he find out they almost caused a life-threatening injury.

Althea Iridiana: You're not going to like it. One day, Lincoln, Laney, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Scotland, and of course, I knew of Lincoln's Scottish ancestors as well. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired a rainbow blast at them and blinded them badly, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was outright furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, what did Killjoy Huggins do this time?

Althea Iridiana: We found out he asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it, I wanted to tell Mom and Dad of what he did.

Rita: And tell me, he did. When I found out from the kids about who the mastermind behind it was and who asked Lori, Lynn, Lola, Lisa, and Luan to destroy the mural project and kill Lincoln, Laney, and Althea, I went ballistic and I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "That'll teach you not to go after my kids ever again!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He messed with Mama Loud once again, and she really laid down a brutal beatdown.

Nico: That killjoy sure is a big fat jerk to you, Lincoln.

Lincoln: Tell me about it.

We got a shower, and then, Lincoln, Silver Banshee, Inque, Captain Celaeno, and Cayenne are heading to Paris, France, for a little romantic date.

Inque: Whoa, so we're here in Paris, France, looks like someone's planned this as a romantic date.

Lincoln: That's right, Inque. Plus, it's fun to see how Paris is doing, shall we?

Lincoln, Silver Banshee, Inque, Captain Celaeno, and Cayenne travelled throughout Paris, France, and they saw all of the sights of France, and they went inside Notre Dame, the beautiful Gothic cathedral of the capital since medieval times. Then, they saw the Arc de Triumph as well, and they even ate at a Parisian restaurant, finally, they went up to the Eiffel Tower, and as the sun was about to set, made clones of himself and he and his clones went up to Silver Banshee, Inque, Captain Celaeno, and Cayenne, and they hugged the girls in their abnormally massive and powerful muscular arms, and Silver Banshee, Inque, Captain Celaeno, and Cayenne placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily: (Snickers) Looks like someone enjoyed their romantic date at Paris, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Silver Banshee, Inque, Captain Celaeno, and Cayenne with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Siobhan, Inque, Captain Celaeno, and Cayenne had the hots for Lincoln.

Me: And now, they're part of his harem.

Natalie Sage: (French Accent) And it's really great you all had fun in Paris.

Inque: We sure did, and we also saw Notre Dame, the Arc de Triumph, and even the Eiffel Tower, where we ended it with a kiss.

Silver Banshee: (Scottish Accent) Aye, and we also went to a restaurant for lunch there.

Cayenne: Plus, we also saw the people still despise Lila Rossi for everything she's done, especially of her escape.

Marinette: That was a month ago when that happened, and they still hate her guts even now.

Natalie Sage: (French Accent) We all do, Marinette, and Paris will be a much safer place with her gone for good.

Me: Just be patient, Natalie, when that time comes, she'll meet her doom.

Lincoln: And she'll never come back.

---

Later it was time for Yan Lin's third mission.

Nico: I have a feeling that this one will be fun.

Yan Lin: You got that right.

William: Anyone else want to go with Yan Lin? Besides Nick and Twilight?

Sunset Shimmer: Me and the girls will come with.

Fluttershy: It will be really fun.

Me: Okay then. Touma you an the Saber Team want to give it a shot too?

Touma: Sure J.D.

Megan McCallister: Awesome!

Nico: All right then. Lets head out guys.

We were off to California.

---

We arrived.

Jim Lake: Hey guys!

Me: Hey Jim.

Claire: Wow.

Yan Lin: Jim, meet Nick Russel and Twilight Sparkle.

Nick Russel: Awesome to meet you all. Nick Russel, Leader of the Mystic Force Rangers.

Twilight Sparkle: And I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: And we're here friends too. I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Toby: Same here.

Me: We have had many of our major adventures with Twilight and friends.

Eli: Yep. And also meet the Saber Kamen Rider Team.

Touma: Awesome to meet you guys.

They introduced themselves.

Toby: Oh wow!

Jim Lake: Awesome to meet you guys.

Nick: I figured we could help you guys the most since we both use magic.

Jim Lake: That is true and awesome.

Nico: It sure is.

Me: Yeah. Is Steve still heckling you?

Jim Lake: Always has bee.

Me: What a jerk.

Jim: But it's not as bad now then it was before you threatened him. At the worst, he just plays immature pranks on me.

Me: I hope so.

Eli: Yeah but he still needs to be brought down some pegs.

Nico: Yeah.

Me: Anyway what was happening with you guys.

Claire: Me and Jim started dating. He took me to a restaurant last night.

Me: Aww that's awesome.

Kentaro: It sure is.

Olivia Houou: It sure is. I think that's awesome myself.

Nico: Yeah.

Claire: And we went to a movie. We saw Avatar 2.

Me: That is awesome. Don't spoil it for us.

Nico: I took your advice and took Allison on a date the other day.

Me: Thanks to my encouragement. I made it a blind date scenario.

Eli: It was a funny chase too.

Rainbow Dash: Yeah it sure was.

Me: We went to a meat planet for his date.

Claire: Neat.

Toby: That is awesome.

Nico: And it took a while. But I eventually tickled J.D. as payback!

Jim: (skeptical) Really?

Nico: Yes! Really!

Me: (LAUGHS) Yeah we tickled each other. He found me on a remote island in the ocean that I made as my escape shelter. Then back at the estate that I ambushed him with a decoy.

Eli: It was funny.

Touma: That was funny though.

We laughed.

Nico: But it was really sweet of J.D.

Me: Just trying to help out.

Nico: Now, any villain activity since the last visit?

Me: I hope it isn't Strickler still giving you a hard time even though he redeemed himself.

Jim Lake: No no. It's actually Dictatious Galadrigal.

Me: Blinky's brother that was thought to be dead?

Eli: Uh oh.

Touma: What can you tell us about him?

Jim Lake: Well he redeemed himself sure. But he still is holding on to villainous tendencies.

---

Dictatious Maximus Galadrigal is a major character in the Tales of Arcadia franchise, appearing as a supporting antagonist of the first installment, Trollhunters (serving as one of the two secondary antagonists (alongside Queen Usurna) of Part Two and a supporting character in Part Three) and a supporting character in the third installment, Wizards. He is the right-hand man to Gunmar and the brother of Blinkous "Blinky" Galadrigal.

He is voiced by Mark Hamill, who also played The Joker in Batman: The Animated Series, the Skeleton King in Super Robot Monkey Team Hyper Force Go!, Maximus in the Fantastic Four animated series, the Hobgoblin in Spider-Man: The Animated Series, Kavaxas in Tales of the Teenage Mutant Ninja Turtles, Stickybeard in Codename: Kids Next Door, Flint in Disney's Buzz Lightyear of Star Command, Niju in Balto II: Wolf Quest by Universal Pictures, Solomon Grundy in the DC Animated Universe, Fire Lord Ozai in Avatar: The Last Airbender, Trickster in The Flash, ShiverJack in Disney's Jake and the Never Land Pirates, Undergrowth in the Danny Phantom series, Agent Goodman in Disney's Recess: School's Out, Popsicles in the 2016 reiteration of The Powerpuff Girls, and Alvin the Treacherous in the How to Train Your Dragon series.

Dictatious was not always evil, as he used to live in Heartstone Trollmarket. He was a writer, with his books aiding the protagonists many times in the future. He and his brother Blinky shared a good relationship. Unfortunately, at some point, he joined Gunmar because he thought what was he was doing was right for Trolls, but also possibly so he would be spared from Gunmar's uprising. After the battle of Killahead, Dictatious was sealed in the Darklands along with the rest of Gunmar's army.

After many years of this imprisonment, Jim Lake Jr. (the current Trollhunter and main protagonist) transcended into the Darklands to defeat Gunmar and save Enrique.

Dictacious learned of this, and quickly organized his capture, knowing this could be their chance to escape. Just as Jim returns Enrique to Claire, he is taken by the Gumm-Gumms and brought to Dictacious. He is locked up along with Nomura, but it is not long before his friends arrive at his rescue, one of which being Blinky. As Jim's team enters the Darklands, Toby and Claire end up being separated from Blinky and AAARRRGGHH!.

Dictacious manages to kidnap AAARRRGGHH! and his brother. Dictatious tricks Blinky into telling him where Killahead is, but soon after, Blinky escapes, blinding Dictatious. The gang manages to grab Jim and escape back to the surface world, thinking that it is all over.

However, in the end of the episode "Hiss Hiss, Bang Bang", it is revealed that Gunmar and Dictacious have both escaped the Darklands, with the intention of building another army.

After escaping the Darklands, he joined Gunmar with the Janus Order. Otto Scaarbach, the Grand Commandant, wanted to replace Dictatious as Gunmar's second-in-command. This obviously angered him, sparking a rivalry between the two. Later, Jim and the other Trollhunters return to the Janus Order to find all of the changelings killed by Gunmar, with Dictatious most likely having a hand in the massacre as well. However, Otto was left alive, but under the control of Gunmar's Decimaar Blade as a distraction for the Trollhunters while Gunmar and Dictatious head to Trollmarket, only to be killed by Jim, ending Dictatious and Otto's rivalry forever.

The Trollhunters return to Trollmarket, however, the Gunmar, a brainwashed Draal, Queen Usurna, and Dictatious had arrived already. While Dictatious looks for Blinky in an attempt at revenge, he is captured by him and chained up, in a call back to the episode 'Homecoming'. The Trollhunters interrogate him and fin out Gunmar is going for the Heartstone. They go to stop him but are too late, and Gunmar absorbs the Heartstone's power. The Trollhunters gather all the non-corrupted trolls and bring them to the Gyre Station to escape. Usurna discovers Dictatious and frees him. The two head for the Gyre station, and begin to break down the wall. When they realize the gyre will not get everyone out in time, Claire makes a portal for everyone to escape. The portal begins to kill her, but the other hunters step in, and the portal is made, allowing everyone to escape. Dictatious and Usurna break-in, but are disappointed to see everyone is gone. Dictatious is last seen in part two by Gunmar's side after he absorbs the Heartstone's power.

When Dictacious hears Morgana's voice, he reports it to Usurna. When Gunmar finds out about this, he travels to find Morgana's spirit, and she tells him that Dictatious had been lying about receiving visions from Morgana to one-up Otto. This angers Gunmar, and when he returns, he attempts to kill Dictatious. AAARRRGGHH!, who had been spying, is angered by this, and attacks Gunmar and his forces and runs away with Dictatious. He tells him to go meet Blinky, which he does. As he's running away, Dictatious hears the shout being subdued and captured by Gunmar.

When the parents are close to finding Jim's secret, he retreats into the basement to speak with Blinky, who reveals AAARRRGGHH! has been captured, and he learned this from an untrustworthy source. He reveals he has Dictatious tied up. He begs the two to trust him, but they refuse. Jim returns upstairs to confess the truth, but while he does, a swarm of goblins sent to kill Dictatious by Usurna breaks into the basement. Blinky tries his best to fight them off, but they manage to make their way upstairs, attacking everyone. As Jim, Claire, Toby, and Blinky fight off the goblins, two drag off Dictatious. The leader attempts to kill him, but Barbra steps in, blending the goblin, scaring the others off. Afterward, he stays behind at Jim's house with the adults while Jim and his friends make their way to Merlin's tomb to stop Gunmar and Angor Rot and save AAARRRGGHH!. While this happens, a police officer sees him and is knocked out by Toby's nana. They discuss what to do with him, and Dictatious suggests killing him, meaning he has not fully abandoned his Gumm-Gumm nature yet. Eventually, they decide to make a play to trick the officer into thinking Dictatious was just wearing makeup. After this, it is revealed Dictatious is living with Toby and Nana.

Dictatious reappears in the 12th century after Hisirdoux "Douxie" Casperan, Jim Lake Jr., Claire Nuñez, and Steve Palchuk time-traveled to the past. He makes his first appearance in Dwoza Trollmarket with his brother, Blinky, who slaps Jim several times because he believes that he's delusional and since they're in the 12th century, he doesn't know him by this point. Dictatious then tells Jim that Callista was more hostile than he was when she woke up. Aftwerwards, Blinky and Dictatious introduce Jim and Callista to Dwoza, and Dictatious asks Callista about her wounds. When Jim guesses that both his and Callista's wounds were healed, Blinky takes the both of them away as Dictatious points out that they have a habit of making things unsafe.

Nevertheless, Jim tries to convince Blinky and Dictatious that humans and trolls can live together by showing them a picture on his smartphone of himself, Claire, and Toby with AAARRRGGHH!, but they don't see it since the phone's battery is low on power. Blinky then tells Jim that he, Dictatious, and the trolls in Dwoza are all going to hide until the conflict between trolls and mankind is over. When Jim tries to get Blinky and Dictatious to fight, they don't believe him, and Dictatious thinks that he's a court jester. When Blinky and Dictatious take Jim and Callista away, AAARRRGGHH!, who is still a Gumm-Gumm at the time, appears, and Blinky and Dictatious try to get inside, only for the door to close. However, AAARRRGGHH! breaks down the door, and threatens the trolls in Dwoza that if they don't join Gunmar, they will be killed.

As Jim tries to calm down AAARRRGGHH!, Dictatious suggests that Jim was right because doing nothing is as bad as doing something wrong, and Blinky agrees with him. When they convince the other trolls with Dwoza to fight as well, AAARRRGGHH! punches Jim into the air, so the trolls, Blinky, and Dictatious all try to go back to hiding, but Callista traps AAARRRGGHH! beneath a giant bowl.

When Vandel suggests that Blinky take care of AAARRRGGHH!, Dictatious congratulates Blinky for it, believing it to be an honor for him.

Eventually, Dictatious sees that Vendel and King Arthur are making an alliance to defeat Gunmar with a secret weapon: the Amulet of Daylight. After Douxie helps Merlin create the Amulet of Daylight, it chooses Callista to become the first Trollhunter. During the Battle of Killahead Bridge, Callista, real name Deya, uses the incantation for the Daylight Armor, and leads her army, including Blinky, Dictatious, and countless other trolls, into battle against Gunmar and the Gumm-Gumms.

However, as Blinky and Dictatious fight off several goblins, several more capture Dictatious and take him away. Given many stories told by Blinky and as revealed from before, Blinky first believed that his brother died while in battle. Although, Dictatious was unknowingly sucked into the Darklands along with Gunmar and the Gumm-Gumms, where he becomes the Skullcrusher's advisor and willingly throws away his past ties with the good trolls as he takes Gunmar's footsteps to heart.

---

When Jim was done we were shocked.

Me: Whoa!

Nico: Okay, he's definitely going into the Masters of Evil.

Me: He is a worthy candidate.

Olivia Houou: He sure is.

Reika: I agree there on that one.

Nico: Okay.

But then Nico's cell phone started flashing.

Me: Uh oh. That can't be good.

Nico: Hmm.

Then in a flash of light out came PORYGON2!

Me: Cool! Porygon2!

Jim: Another old friend?

Nico: Yep.

Porygon2: (In a girls voice) Sorry to drop in like this.

Nico: Phyllis Wellington!? Whoa.

She reverted back and was a girl with neon pink hair and green eyes and had magenta and blue clothes.

Phyllis Wellington: That was fun and awesome going through cyberspace like that though.

Touma: I can tell.

Twilight: You can explain your favorite memory of Nico when we're done here.

Phyllis Wellington: Okay.

Me: Right now we got work to do.

Nico: Where's Galadrigal right now?

Eli: Let me see.

Eli sensed for him.

Eli: Found him. He's at the park.

Nico: Then we need to get there.

Jim Lake: Lets get to work. FOR THE GLORY OF MERLIN, DAYLIGHT IS MINE TO COMMAND!

He donned his armor!

Nico: YEAH!

Toby: Lets do it!

We went at him and then…

SMASH!

We smashed him down with incredible strength.

Me: Long time no see Galadrigal.

Nico: Hi there. We were in the neighborhood and wanted to stop by.

Galadrigal: Well I was just minding my own business. J.D. how are you doing?

Me: Peachy. Enough to kick your butt.

Olivia: That's right.

Eli: Better be ready for us.

Jim Lake: It's buttkicking time.

Galadrigal: We'll see about that.

Me: Yes we will.

A massive fiery explosion went off behind them and they were ready for action!

Nico: AWESOME!

Touma: We might just make this a thing with all the Riders if this becomes popular enough.

Me: That's not a bad idea Touma. If the Super Sentai and Ranger Teams can do it then so can you.

Nico: I agree. I wonder if Marinette and friends can do that as well.

Me: That would be cool. Lets get him guys!

Galadrigal: Bring it on!

We went at him and I punched him down.

Nick: (gets out Boomerang's Disk Animal) See how you like this!

He pinged it and it formed into a mini version of Boomerang and it threw fire boomerangs and smashed him down.

Me: Cool! You'll be amazed with this Jim.

I pulled out my Wonder Ride Book.

Me: (Reads Verse) "And the Sun rained down a shower of fireballs unto the Earth and they all rained down onto the foe and caused massively horrible numbers of fires and burns all over the villain they hit."

Suddenly fireballs all rained down and they hit Galadrigal all over and burned him badly.

Lake: Wow! That was awesome!

Nico: The infinite wonders of the imagination.

Twilight: (gets out Kaos' Disk Animal) You're not the only one who can do magic!

She pinged it and it formed into a mini-Kaos and he fired waves of doom sharks and they mauled Galadrigal all over.

Jim Lake: That was cool!

Nico fired Amora's magic blasts at him.

Nico blasted him all over.

Nico: That's awesome.

Claire: I wonder if I can do that.

Me: Go for it!

She chanted an incantation and then a blast of water exploded out and out came AQUARIUS!

Nico: WHOA!

Claire: Whoa did I just.

Aquarius: (ENRAGED) LUCY I WILL… (Sees us) Oh it wasn't Lucy that summoned me?

Claire: Um I did my mistake.

Me: Guys meet one of Lucy's Celestial Guardians, Aquarius.

Aquarius: Pleasure to meet you all.

Me: Aquarius has been Lucy's guardian Celestial Spirit since she was little. And she has been known for having a bit of a rotten temper.

Claire: Oh boy.

Jim: So, anyone other then Lucy can summon you?

Aquarius: No this is the first time anyone other than Lucy did so.

Me: Sorry about that Aquarius. Claire wanted to see if she can try magic out and she inadvertently summoned you by mistake.

Aquarius: That's all right. But it was amazing she was able to summon me on her first try.

Claire: It sure was and your hair is pretty.

Aquarius: I'm glad you like it. I got this.

She fired waves of water and blasted Galadrigal all over.

Nico fired Hydro Man's water blasts at him.

He was drenched.

Me: I thought trolls didn't like water.

Jim Lake: They don't.

Nico: Cool.

We fired waves of fire and blasted Galadrigal all over.

Nico fired Firefly's heat lasers at him.

And burned him all over.

Me: Feel the shock!

I fired a wave of lightning and blasted him down.

Me: SHOCKNG huh?

Sunset Shimmer: Taste these! (SPINS MAGISWORD BRACELET)

EVIL BURST MAN, GIANT KRABBY PATTIES, AND LITTLE BLUE BOMB MAGISWORDS!

Sunset Shimmer: SOLO SUPER ULTRA TEAMWORK COMBO: EXPLODING PATTY WEDNESDAY KRABBY PATTY SHOWER!

She fired glowing Krabby Patties and they hit Galadrigal and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: That hurt!

Nico used Pizza Face's powers.

Nico fired waves of pizza and they hit Galadrigal and smashed him and made him REALLY covered in cheese.

Nico: A cheesy win.

Nick fired waves of fire and blasted him down.

Yan Lin fired waves of wind and blew him around in a tornado.

Nico used Whirlwind's powers.

He blew him around in a deadly tornado.

Me: YEAH! Jim watch this.

Me and Nico: CRIMSON WIND HURRICANE!

With a combination of Whirlwind and Myotismon's powers we fired a red tornado and spun him around in it.

Nico: Take that!

Speaking of Myotismon, Nico used his powers too.

Nico: (Echoing) GRIZZLY WING!

Nico sent a massive wave of bats and they hit Galadrigal and smashed his filthy butt down!

Me: Had enough?

Nico: Or do you want to keep going?

Galadrigal waved the white flag of surrender.

Me: I think he has had enough.

Eli: Yep.

Nico: You'll make a great Masters of Evil member.

Me: I agree.

Galadrigal: I do too.

We beamed him over to the M.O.E. HQ,

Me: That was fun.

---

We later came back home.

May: Hey guys.

Me: We had an awesome time.

We told everyone about it all and it was awesome.

Lola: WOW! That is cool!

May: Next time, Izuku and Hitoshi should go with you.

Yan Lin: Good idea!

Qin: I agree there too.

Hitoshi: It will be awesome.

Twilight: Phyllis, what's your favorite memory of Nico?

Phyllis Wellington: My favorite is when me and Nico found out that someone made a computer virus and we traced it and got him reported to the FBI and more.

Qin: That is awesome.

Lincoln: I'll say.

Nico and Phyllis hugged.

Nico: I've really missed you.

Phylliss Wellington: Me too Nico. Me too

---

Lok came down looking sharp. He had nice clothes on.

Me: Hey Lok looking sharp. What's the occasion?

Lok: I'm gonna take Sophie out on a date.

Nico: Hey about time you and Sophie had one.

Big Slammu: So, Lok. Where are you and Sophie going on your date?

Lok: I'm gonna take her to Lynn's Table. I reserved a good table.

Me: Cool cool. You two lovebirds are more than perfect for each other. But if any of those Blood Spiral jerks come we'll blast them.

Nico: Yeah we don't want your date to be interrupted.

Lok: Thanks guys.

Sophie came down and she had a beautiful red, orange and yellow phoenix dress on.

Lok: Wow you look great and beautiful Sophie.

Sophie: (British Accent) Thank you Lok. And it's a dress that Rarity, Leni and Maria made.

Me: It looks awesome on you.

Sophie: Thank you.

Lok: Shall we head out?

Sophie: We shall.

Akiza: You and Lok should be proud of yourselves, Sophie.

Sophie: We are.

We arrived at Lynn's Table and we were there having a good meal ourselves while dishing out some pain on the jerks themselves. Lok and Sophie had an awesome table fit for a king and queen and it had romantic music, lights and more.

Me: Those two are perfect together.

Nico: Yes they are. Eli sense for any blood spiral men here just in case.

Eli: On it.

Eli Concentrated and we waited while beating up the jerks.

Snarler: Looks like there are no Blood Spiral goons.

William: They're probably in hiding.

Me: Yeah.

Eli: Found one. Look.

We saw a figure moving silently along the walls towards Sophie and Lok.

Eli: Oh no you don't.

Eli used the Force and pulled it towards us and we took off its hood and saw that it was SHAUNA!

---

Shauna is a member of the Blood Spiral and part of the Blooded Circle that answers directly to Rassimov. Alongside her silent partner, Wind, she is one of the powerful and deadly Seekers in the Blood Spiral. She particularly has an axe to grind against the Casterwill family, desiring to destroy Sophie Casterwill.

Shauna and her brother, Rassimov, have had family disputes with the Casterwill family spawning from the centuries-long conflict between the Casterwills and the Blood Spiral. Shauna and Wind were called by Rassimov to ambush Dante Vale's team to obtain the

Amulet of Will and Eathon Lambert's journal for him to give to the Professor. After knocking out Sophie Casterwill who she reluctantly left breathing, she overpowered Lok Lambert, taking their prize. She was later waiting in a dark hall for Rassimov when purposely fell into one of his own traps.

Shauna returned with Wind and the Blood Spiral at Klaus' bookshop to recover Void. She attacked the Huntik Foundation and Organization and defeated Stack with ease. After seeing Lok has obtained the Amulet, she snatched from him and left with the Spirals. Shauna and Wind took part helping Tantras in recruiting new members for the Brotherhood. They later fought Dante Vale on the Erasmus Bridge but were incapacitated by his Stopglue power.

Wind and Shauna later attempted to recover the Ring of Phoenix from Phoenix Volcano, however they were delayed by the anti-magic field of the Lodestone. After Dante's team destroyed the Lodestone, they launched a surprise attack on Wind and Shauna using their newly restored powers. Shuana was taken captive but managed to escape using her Fireport spell. After a tumultuous battle, Shauna attempted to finish off Sophie but was stopped when she dived into the lava, causing the volcano to erupt. Shauna and Wind hastily made their escape.

On the longest night of the year, Shauna brutally punished Harrison Fears for speaking during an audience with the Betrayer. She later grew suspicious of Zhalia Moon who attempted to pass on the details of the Spiral Mark location to Dante Vale. Although surprised by her brother´s betrayal and death, she fought against the Huntik Foundation and the Casterwill family when they reached the Spiral Mark. During the final battle, she defeated White and Mallory with ease but was defeated when Vivian Casterwill summoned Mythras.

Me: Shauna. Long time no punch.

Zhalia Moon: Rassimov's sister. I should have known.

Wideload: Your brother's dead and gone, Shauna. Get out of here right now and you won't have to join him.

Me: Better do what he says. Unless you want your death to be slow and excruciatingly painful.

Shauna: (Russian Accent) I will not rest until I kill you all!

Me: Have it your way.

I fired waves of lightning and electrocuted her all over the place with incredible fury.

She was hurt all over.

Me: Had enough?

Shauna: (Burned and coughing up blood) Go ahead. Kill me.

Me: Mmm. No. Killing your brother was more than enough. The other Blood Spiral jerks will be destroyed. I want you to be the only one left to remember who it was that destroyed them. But maybe you can be part of a much better group.

Eli: I agree.

Shauna groaned.

But then…

POW!

I punched her right in her face and knocked out some of her teeth!

Me: Consider that my final act of mercy.

?: Let me render her immobile.

We then saw a Donphan walk up.

Me: A Donphan.

Qin: Cool.

Donphan: (In a girls voice) (Arnold Schwarzenegger Accent) I've wanted to have a crack at this clod.

Nico: Brenda Schwarzenarra? Whoa!

She reverted back and was a girl with a powerful physique and had blond hair and blue eyes and had black gym clothes on.

Brenda Schwarzenarra: I got this.

She went up to her.

Brenda Schwarzenarra: Hasta la vista, baby.

BLAM!

She punched her in her head and knocked her out.

Me: Nice!

Big Slammu: From one strong Gene Slammer to another, what's your favorite memory of Nico?

Brenda Schwarzenarra: When me and Nico were in gym class and we both lifted up 500,000 pounds of weights.

Nico: Brenda has intensely strong superhuman strength and power.

Me: Boy I can tell. She's like a female Arnold Schwarzenegger.

Brenda Schwarzenarra: That is right.

Brenda then hugged Nico in a bonecrushing hug.

Nico groaned.

Brenda Schwarzenarra: I've missed you.

CRUNCH CRUNCH!

Nico: (Straining) I've missed you too but you're crushing me!

Brenda Schwarzenarra: Oops sorry.

Nico: Now, if you will excuse me, I have to make sure you didn't crush anything.

Nico looked himself over and thanks to his powers he healed instantly.

Nico: Good nothing major.

Lok and Sophie had a great date. Shauna was now put into the Masters of Evil prison.

We later came back to the Estate.

Molly Hale: Nico, which teams have you made this time?

Nico: Clay's team will include Natasha, Yamiko Shinnosuke, Interplanet Janet, Secre Swallowtail, and Lily Aquaria. Sarah's team will include X-Squad Cyclonis, Tammy Lincolnshire, Venus Chan, Dream Girl and Sailor Krypton.

Me: Awesome choices.

Earth: And my sister Venus will be with us soon? Awesome.

Dream Girl: And it will be an honor to be in a team.

Me: We haven't met Lily Aquaria or Secre yet.

Qin: Maybe they will join us later on.

Nico: Yeah.

Lok: Thanks for looking out for us.

Me: Anytime Lok. Glad you and Sophie had a great time.

Sophie: We sure did.

Nico: Yeah and that's one less Blood Spiral member gone.

Me: Actually I found more of the Casterwill hunters and killed 50 of them.

Nico: Whoa!

Me: The Blood Spiral really is out to kill Sophie and her entire family.

Nico: Not good.

Me: But thankfully with the help of us they are not going to lay a single hand on her.

Then the previous group came.

See More: Can me, Weather Wizard, Arbormon, Ranamon, Myotismon, Scorpion, Titania, Titanium Titan, Zs'Skayr, and Comic Book Guy go with you guys?

Rainbow Raider: Me, Uchoten, Bushroot, Mz Ruby, Evil Shade Man, Black Scorpion, Vathek, Megalon, Phantom of Vasquez Castle, and Secret Snake Club will come too.

Nico: Yes you all can come with.

Rainbow Raider: We heard Sophie and Lok had a great date and you guys faced Shauna of the Blood Spiral.

Qin: We sure did and she is now in your prison. If she behaves she will be part of the group someday.

Rainbow Raider: Good idea.

Arbormon: I agree. Also you have been killing the Casterwill hunters too.

Me: Yep. Killed 50 of them as we were escorting Sophie and Lok home.

Qin: They were coming after them like flies to potato salad.

Nico: Yep.

Arbormon: Wow. Thank goodness they are no match for all of you.

Me: Thank goodness.

Terrorsaur: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for Stantler and Smeargle next.

Laney: Cool the Artist Pokemon! I like Smeargle.

Bambi: And it looks like I'll have a good friend too.

Sailor Great Forest: You sure will Bambi.

Nico: Yep.

Arbormon: So, what's our mission this time?

Bushroot: Probably fighting more Blood Spiral members.

Me: That is secondary along the way. But we'll think of something.

King Kai: (Telepathically) Hey, Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got really bad news: the Synthroid that Max Tennyson and Verdona had faced years ago has returned, and he wants revenge.

We gasped.

Me: Oh man, that's not good.

Lincoln: What is a Synthroid?

Shanan: The Synthroid are a race of cybernetic robots that destroyed their original organic creators, and in order to power their planet, they planned to capture an Anodite who could power their planet for years. That's why the Synthroid from years ago targeted Verona, he intended to capture her and use her to power her planet.

WE GASPED!

Qin: Not good!

Nico: Oh, we're not going to let that cybernetic robot get away with that, he's getting turned into scrap metal.

Me: Yeah! Big time!

Laney: Better let Max and Verdona know.

Gwen T.: I'm on it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Arsenio Márquez of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Arsenio Márquez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Rosa Rubyruda: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Arsenio Márquez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, time to destroy an evil Synthroid out for revenge.

Lincoln: He's not laying one hand on Verdona ever again, he's heading for the scrap heap, and once we get done with dealing with that, you're the next one to die, Arsenio Márquez.

Rosa Rubyruda: (Spanish Accent) That robot's grudge against Max Tennyson and Verdona from years ago is going to end here and now, and once we get done with the Synthroid for good, you better say your prayers, Arsenio Márquez, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts you all, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences

Nico: Lets get a move on guys.

Eli: I sense that the Synthroid is on its way. 600 klicks and closing.

Me: It'll be a while before it gets here. But luckily I have a plan.

Metal Man: I'd like to see that chump go against my Metal Blade!

Mr. Boss: I think you might get your chance.

Me: You got that right.

Nico: It's gonna be a while before it gets here so we might as well kill some time.

Me: We can walk to the park and take the long way. It's part of my plan.

Nico: Okay. Lay it on me.

My plan was to ambush the Synthroid in the park with our power as well as blast and dismember numerous Blood Spiral Members still out there.

Nico: Kill two birds with one stone. I like it.

Qin: Yeah.

Fluttershy: I still don't like how that is said.

Me: Sorry Fluttershy. It's just an expression. It means get 2 things done in one mission and setting.

Fluttershy: Oh. As long as it is not like doing it for real.

Qin: Yeah.

Nico: Myotismon call max.

He did so.

Myotismon called Max.

Myotismon: (calls Max) Max, you got a problem. A big one. Remember the Synthroid?

Evil Shade Man: It's back. And it hasn't forgotten you and Verdona.

Max Tennyson: Oh no! I'm on my way guys!

Gwen T.: Grandma Verdona is coming too. I contacted her.

Me: Okay.

Sugarcoat: How fast can they get here?

Max Tennyson arrived first.

Max Tennyson: I am here guys.

He was armed with his weapons and plumber suit.

Me: Glad you got here Max.

In a flash of Magenta light came Verdona.

Verdona: And I'm here too.

Me: Perfect Verdona.

Camie: Wow so she is an Anodyte?

Me: Yep. They are beings from the planet Anodyne and they are beings made of pure energy.

Camie: Wow.

Verdona: Indeed. Gwen and Sunny how have you all been?

Gwen T.: Great Grandma.

Sunny Tennyson: It has been an amazing and awesome adventure for all of us.

Me: Yep.

Nico: Lets get a move on.

We went down to the surface.

Nico: It's gonna be a while before the Synthroid gets here so we're going to walk to the park the long way and blast apart Blood Spiral members along the way.

Max T.: I understand.

We got to walking.

Vathek: So, this Synthroid.

Titania: Anything you can tell us about it?

Max: Well, it started when I first met Verdona.

It was a great story.

---

The beginning of the episode shows Ben, Gwen, Kevin and Grandpa Max cleaning out the repaired Rust Bucket 2. Trying to make the job easier, Ben stupidly transforms into Four Arms but gets stuck. Four Arms then literally gets kicked out of the Rust Bucket by Kevin and transforms back into Ben. Then Gwen finds a bracelet in one of the boxes Ben carried. She asks if she can keep it but Max says no and that it belongs to Verdona. Then Ben and Gwen ask Max to tell them the story of how Max and Verdona first met.

---

The beginning starts with a young Max in the Air Force, leading an F-104A fighter squadron in attack formation. Then, out of nowhere, Max sees a U.F.O. He shoots it down with his AIM-9 Sidewinder missiles, but destroys his plane in the process and is scolded by his superior, who almost kicks him out of the Air Force. Then, a colonel wants to have a word with him; he tells Max that there have been previous alien sightings hence why the president has been working so hard to get people into space. The Colonel wants Max to join the space program and Max happily accepts.

Max drives happily away to a diner, where he meets a mysterious red-haired woman, who is revealed to be Verdona in her human form. They begin to flirt, only to be interrupted by a large man in an overcoat entering the dinner. He spots Verdona and attempts to capture her, only to be fought off by Max. After being smashed into the jukebox, his disguise drops to reveal that he is in fact a humanoid machine. Max and Verdona flee in Max's car.

The robot, revealed to be a Synthroid by Verdona, steals a police car and follows the duo. In the car, Max demands some answers from Verdona, who reluctantly tells him that she is an alien from another planet and that the Synthroid is trying to kidnap her. They are interrupted by the Synthroid, who tries to push their car off the road. After some fancy driving from Max, the Synthroid crashes into an overturned oil tanker. Max and Verdona then escape.

The two take a brief rest at an abandoned gas station and Verdona informs Max that the bracelet on her wrist, the same one Gwen found, inhibits most of her special and unique abilities and powers except telepathy but since the Synthroid is a machine, it will not do them much good. She also reveals that she was on the space ship that Max shot down earlier and read his mind, which is what lead her to him. Max says he has an idea on how to remove the bracelet and takes Verdona to a smelting plant. He attempts to remove the bracelet with a pair of steel clippers, but the bracelet proves to be made of an incredibly dense material. The Synthroid catches up to the pair and Max attempts to stop it. After sustaining some damage, it reveals that it can automatically repair itself of all injuries. It captures Verdona and leaves to repair its ship.

Max then manages to locate Verdona and the ship by using the strong telepathic link they share. At the crash site, the Synthroid reveals that it wants Verdona since she is an Anodite and can power his species' cities for decades before expiring. The fight is interrupted by the appearance of Magister Labrid, who orders the machine to stand down. It ignores him, shoots down Labrid and flees with Verdona onto the ship. Max prevents its escape by using Labrid's blaster to destroy the energy core of the ship, destroying it and the Synthroid.

The bracelet loses its power and Verdona returns to her true Anodite form. She asks Max to come with her to space and promises to give him anything he desires. Max declines her offer, saying he needs to take what he wants himself and not have it handed to him. She realizes that she can't change his mind, kisses him and promises to that they will meet again as she flies away.

Present

The flashback ends and Max ends the story by saying he went to astronaut training the following Monday but Magister Labrid returned and recruited him into the Plumbers. Ben and Gwen ask what happened next and when will he meet Verdona again. Max decides that it is a story for another day as he doesn't want to wake up Kevin, who has fallen asleep. Ben wakes Kevin up and the group moves into the Rust Bucket. Max says he will come inside in a moment. Max looks fondly at the bracelet and wishes Verdona a good night, wherever she may be.

---

We were amazed.

Lola: Wow!

Me: So that's how you two met. That is so cool.

Verdona: It was a great moment for us.

Xenia: That is awesome.

Hal Jordan: And that is awesome that you were a fighter jet pilot like me Max. Those were fun times for us.

Max T.: They sure were.

Spinister: And now, the Synthroid wants payback.

Me: That is one helluva grudge.

I slashed a figure coming at Sophie and it was a Blood Spiral Casterwill Hunter and bisected it down the middle.

Qin: Nice one!

Me: The streets are going to be painted red with blood after today.

Nico: No kidding.

Zs'Skayr: I remember fighting the Synthroid so many years ago.

Phantom of Vasquez Castle: Was it easy?

Zs'Skayr: No. In the end, I merely drove it off.

Me: Well this time it's not going to get away again.

Qin: Yeah we're going to give it the Black Gates.

Nico: That is for sure.

Lola: And it will be painful for it.

Ben 10,000: I agree there.

Me: You guys have to understand… (Blasts Blood Spiral Member) Max and Verdona have come a long way ever since then.

Qin: Yeah they sure have. (INCINERATES BLOOD SPIRAL MEMBER)

Jesse Glenn: I suspect that it will not be easy to have it depart from the cast members so easily.

Plitheon: From what we heard, it was pretty tough.

Me: But that's part of my plan.

I pulled out a grenade.

Me: EMP Grenade. Everything mechanical within its blast radius will be obliterated. The Synthroid will be the only one left after that.

Nico: What's the blast radius?

Me: 600 yards.

Nico: Wow!

Lisa Loud: It's my own creation. I made it just for a situation like this.

I fired my blaster and it hit a bunch of Blood Spiral members and it incinerated them into ashes.

Nico: Nice shooting! But that grenade will be perfect for this.

Big Guy: That is very similar to what we used for when the Legion Ex Machina turned Home Version Rusty's into war machines.

Me: That is interesting.

Big Guy fired a missile and it hit a Blood Spiral member and blew him apart.

Big Guy: These guys sure are dangerous monsters.

Rusty fired a Nucleoproton Blast.

Rusty: But they sure-a-shootin deserved it.

Me: You got that right.

I fired more energy blasts and blew the Blood Spiral Members apart.

Nico: They just keep on coming.

Big Guy: For the love of Mike.

Comic Book Guy: I think Magiaster Labrid helped against that thing as well.

Ben: (looks down sadly) He sure did.

Wiggly: Sorry if we made you sad, Ben.

Ben: It's not your fault. But he was the first Plumber I saw die in front of me.

Me: He will never be forgotten.

Qin: I agree.

I fired lasers and blasted more Blood Spiral Members.

Sophie: At least finding the Blood Spiral Members is easy. BOLTFLARE!

She fired a lightning blast and killed one.

Qin: Thanks to the spell J.D. did.

Me: Yep. Red Aura marker spell. Marks them like beacons.

Max: Look, it's obvious you guys are gonna be busy with the Blood Spiral members. Why don't you let me and Verdona handle the Synthroid?

Terrence: You nuts?!

Verdona: We started this years ago. Now, we intend to finish it.

Me: Not without us you don't. Besides we're just doing this to kill some time.

Eli: He's right. The Synthroid is still 100 klicks away.

Me: It also will help keep Sophie safe. And give us good target practice.

Qin: Yep.

Max: That is a good point.

Verdona: Yeah that is true.

Titanium Titan: (Spanish Accent) Look, when you first fought that thing, you two were alone. But now, you have us.

Ben: And no one messes with my family!

Me: You got that right Ben.

Megalon: Besides, I'm sure it's no match for me.

Nico: A Kaiju? Not in a million years.

Eli: That's for sure.

I fired more energy blasts and blasted numerous Blood Spiral members.

Qin: Besides. The last thing we want is for Lok and Sophie to be killed. We have to protect them now that Blood Spiral is out there still.

Me: Yep. When The Betrayer and Rassimov were killed they vowed revenge on us starting with Sophie and no way in hell are we going to let them get to her.

Big Guy: He's right on that. Besides we did missions all the time involving numerous tasks at once.

Lola: That's right.

Rotwood: Though to be fair, you two have grown stronger as well.

Max: That's true. We have.

Verdona: I agree there. All of us have.

Sunny Tennyson: That is true.

Qin: And killing Blood Spiral is just the icing on the cake.

Nico: How do you know they vowed revenge J.D.?

Me: I got this threatening message from them in the mail.

I showed it to them.

Nico: (Reading) "Team Loud Phoenix Storm, this is your first and only warning. This is also a declaration of war. You may have killed our leader and Rassimov but the Blood Spiral will have their revenge on you all starting with the wretched Casterwill bitch. Our vengeance will splatter your blood all over this godforsaken planet and we will make sure that you all die in the most horrible and most excruciatingly painful way ever known. We're coming for you all and we will not stop until you all are dismembered and eaten and digesting in our stomachs. Fuck you all and this planet can go to hell. Blood Spiral." WHOA! That is a nasty threat.

Me: Yep. But they have no idea we are more powerful than ever.

Qin: Yep.

Scorpion: Oh, please. Are we supposed to be terrified?

Black Scorpion: Without their leaders, there won't even be a war!

Lok: You got that right. Besides without their leaders they are just lost sheep.

I fired more energy blasts and blasted them apart and splattered their blood all over.

Qin: I agree there.

Fluttershy: These guys are dangerous still with or without a leader.

Fluttershy used her plant powers and threw the Blood Spiral Members into the huge maw of a huge Venus Fly Trap Plant she made with Moss Man's help.

Moss Man: At least we're doing the world a favor.

Nico: Yes we are.

Eli: He's 5 klicks away.

Nico: Arm the grenade.

I set the timer on the grenade for 10 seconds.

Me: 10 seconds should be plenty.

Manterror: I should probably back away too

Me: Don't worry we're 700 yards away.

Eli: And there they all are.

We saw THOUSANDS of smaller robots in the park.

Nico: There they are.

Mz. Ruby: It's been busy!

Ranamon: I'll take some of them out. Draining Rain!

She fired Draining rainstorms and destroyed some of them. But it wasn't enough.

Me: Now for the fun.

I started it and threw the grenade.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion and it sent out a massive wave of energy!

Me: 570 yards. 580. 590. 600.

The blast faded before it reached us.

Manterror: Whoa! That was intense!

Eli: All of them but the Main Synthroid are destroyed.

Nico: Great!

We saw the main Synthroid.

Tyzonn: Entrance time!

Nico: Lets go!

We went at him.

The Synthroid was infuriated that all his fellow robots were destroyed. Then the spirits of the Mega Man Robots appeared and they swirled around him and then converged and then a giant statue of Mega Man came out and it had all the robot masters spiraling around it and it had a sign on it that said Celebrating 35 years of Mega Man! Then it bursted into fireworks and we came out.

Me: Now that was an awesome entrance!

Qin: YEAH!

Uchoten: Back then, you only had Verdona and Max to deal with.

Weather Wizard: But now, you're fighting all of us!

Synthroid: So be it! Now you all will die!

Me: No we're not going to die! You are!

I fired waves of energy and smashed him all over.

Nico: YEAH!

Then Madame Masque, Dark Turtles, Knightbrace, Cavalier, Abra Kadabra, Kite Man, Manta Bayarsh, Gameface, Spymaster, and Harpymon, Jellax, Flotsam and Jetsam, Garigari, Yost Korvac, Queen of the Black Puddle, Yost Vulture, Yost Executioner, Evil Desert Man, Morrigan Aensland, and Snow Ghost appeared.

Nico: Madame Masque, Dark Turtles, Knightbrace, Cavalier, Abra Kadabra, Kite Man, Manta Bayarsh, Gameface, Spymaster, and Harpymon, Jellax, Flotsam and Jetsam, Garigari, Yost Korvac, Queen of the Black Puddle, Yost Vulture, Yost Executioner, Evil Desert Man, Morrigan Aensland, and Snow Ghost.

Yost Korvac: We saw the explosion. Are you guys all right?

Manterror: We sure are.

Dark Don: What was that?

Me: EMP Grenade. 600 yard blast radius.

Qin: We used it to destroy the Synthroid's army.

Nico: Yep.

Garigari: Clever.

Madame Masque: We killed some Blood Spiral members on the way here.

Dark Raph: I enjoyed kicking their butts!

Dark Mikey: So did I!

Knightbrace: Good thing those robots are dead, huh?

Me: Yep.

Cavalier: (to Nico) We heard you went to a soda planet.

Nico: We sure did and it was awesome.

Abra Kadabra: Can we bring some to Fizz?

Nico: Sure you can.

?: That will be fun.

A figure came out and it was BALLOON BOT from episode 19 of RPM

With Tenaya 7 & General Shifter leaving to test Tenaya's new Electromagnetic Lightning Blaster, General Crunch was put in charge of creating an Attack Bot. So he created this strange Attack Bot.

The Balloon Bot was sent into the city after Crunch had him enlarged. The Rangers intercepted it in the High Octane & ValveMax Megazords. However, before they could fully attack the Balloon Bot, Dr. K told them to stop. It was not known what kind of air was in the balloons of the Balloon Bot. If the air were toxic, he would poison the entire dome. However, as the Balloon Bot inflated his balloons to escape, the Gold and Silver Rangers showed up in the Mach Megazord and destroyed the Balloon Bot completely. Luckily, the air in his balloons was not toxic

Dillon: Balloon Bot!

Balloon Bot: Been a while rangers.

Me: I remember you! You were sent to poison the entirety of Corinth with toxic air.

Balloon Bot: Yep that's right. Good memory.

Me: Yep.

Balloon Bot: Good thing I wasn't around when that EMP hit, huh?

Me: No kidding. 600 yard blast range.

Qin: Yeh.

We got the battles underway.

## Timmy Turner, Twilight Sparkle, Starshine Sparkle. Magic Skylanders, Violet Remmington, Crysta, Laney, Sabrina (Pokemon) and Molly Hale VS Giulietta Nefaria A.K.A. Madame Masque - Nico's Rescue

---

Madame Masque was first.

Madame Masque: (to Timmy) Nico's rescue involved going to a soda planet. Good thing no one got drunk there!

Timmy: But you should have seen it. It was awesome.

Twilight Sparkle: It was amazing! All the trees literally had soda in them in cans.

Starshine Sparkle: So many flavors of sodas and so many kinds.

Spyro: But no alcohol in them though.

Violet Remmington: Yeah but it was still tasty.

Crysta: They all were really good.

Laney: But they made a lot of us burp.

Madame Masque: Boy that is a huge amount of gas in them. Lets do it!

Timmy used his legend items.

TIMMY AND HIS ADVENTURES! FAIRY GODPARENTS! FAIRY GODPARENTS! FAIRY GODPARENTS!

They fired waves of energy and magic and smashed him down.

---

## Hulk, Applejack, Apple Bloom, Earth Skylanders, Selene Tutankhamen, Radioactive Man (Simpsons), Bart Simpson, Beast Wars Scorponok and Terrorsaur VS Dark Turtles - Battling Another Cerberus, Another Usotsuki Wolf and Another Dayu

---

The Dark Turtles were next.

Dark Leo: (to Hulk) Nico, Emma's team, Dayu's team and the others did good Battling Another Cerberus and Another Usotsuki Wolf.

Dark Don: And Another Dayu as well.

Hulk: Hulk agree there. Hulk thought it was fun rescue.

Applejack: Yes it was a really fun rescue.

Apple Bloom: We all thought it was a great rescue and we drank a lot of soda too.

Flashwing: We sure did and it was full of flavor and gas.

Selene Tutankhamen: It was really good though.

Radioactive Man (Simpsons): That is a really amazing planet though.

Luke Loud: Her name is Althea Iridiana and she is an amazing and powerful rainbow master.

Rainbow Dash: She sure is and it's really awesome she has amazing rainbow powers.

Scootaloo: It sure is cool and her story was awesome too.

---

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Althea Iridiana: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Althea, what's the story on why you hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Timmy Turner: I'll just get some dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case I find out they almost caused a life-threatening injury.

Timmy made dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case he find out they almost caused a life-threatening injury.

Althea Iridiana: You're not going to like it. One day, Lincoln, Laney, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Scotland, and of course, I knew of Lincoln's Scottish ancestors as well. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired a rainbow blast at them and blinded them badly, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was outright furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, what did Killjoy Huggins do this time?

Althea Iridiana: We found out he asked Lori, Lynn, Lola, Lisa, and

Luan to destroy our mural project and kill Lincoln, Laney, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it, I wanted to tell Mom and Dad of what he did.

Rita: And tell me, he did. When I found out from the kids about who the mastermind behind it was and who asked Lori, Lynn, Lola, Lisa, and Luan to destroy the mural project and kill Lincoln, Laney, and Althea, I went ballistic and I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "That'll teach you not to go after my kids ever again!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He messed with Mama Loud once again, and she really laid down a brutal beatdown.

Nico: That killjoy sure is a big fat jerk to you, Lincoln.

Lincoln: Tell me about it.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Arsenio Márquez.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Arsenio Márquez, the next member of The Order of Nuestra Señora de la Santa Muerte.

Rosa Rubyruda: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Arsenio Márquez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Rosa Rubyruda's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Rubyruda-themed greatsword from her back, and as she approached Arsenio Márquez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels

with every step.

Rosa Rubyruda: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Arsenio Márquez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Rubyruda and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Rosa Rubyruda was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Rubyruda flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Rosa Rubyruda emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Rosa Rubyruda felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Rosa Rubyruda has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rosa Rubyruda's massive The Fabled Rubyruda-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Rubyruda's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Rubyruda etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Peggulsus' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Rosa Rubyruda's Super Angel-The Fabled Rubyruda-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Arsenio Márquez saw it, he went insane and he got out his sacrificial knife to stab her, but Rosa Rubyruda fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Arsenio Márquez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Rosa's transformed.

Lincoln: Yeah, and she really sent Arsenio Márquez back with that energy blast she fired and that really pissed him off now, and Rosa, you look beautiful, how do you feel?

Rosa Rubyruda: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Rubyruda and Divine Darkness Light Fabled Rubyruda Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Arsenio Márquez once and for all?

Lincoln: (Smiles) With pleasure, Rosa.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rosa Rubyruda.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Arsenio Márquez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Rosa Rubyruda and Lincoln went after Arsenio Márquez, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Arsenio Márquez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and

Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Rosa Rubyruda sent her three imps and Lincoln summoned his own imps and they sent them at Arsenio Márquez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Rosa Rubyruda, her hand-cannon Blaster is known as The Fabled Rubyruda's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Rubyruda surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Rosa Rubyruda aimed their hand-cannon blasters at Arsenio Márquez.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Arsenio Márquez!

Rosa Rubyruda and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Arsenio Márquez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Arsenio Márquez and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Arsenio Márquez and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Rosa Rubyruda and Lincoln gave Arsenio Márquez The Black Gates for good. We cheered as Rosa Rubyruda and Lincoln holstered their massive greatswords on their backs and powered down, and Rosa Rubyruda's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Rosa Rubyruda: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Arsenio Márquez for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rosa.

Suddenly, Rosa Rubyruda wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Rosa Rubyruda's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Rubyruda flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Rosa Rubyruda absorbed the light and they came back to us as the display and The Fabled Rubyruda vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Arsenio Márquez's death, now there are only two members of The Order of Nuestra Señora de la Santa Muerte.

Rosa Rubyruda: (Spanish Accent) Now, we're finally approaching the home stretch.

Lincoln: Yep, which means that the next one to take down tomorrow is Gerardo Domínguez, which means it'll be Estela Unicore's turn.

Estela Unicore: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Weather Gene-Slammer are you hoping to meet tomorrow?

Lincoln: The next one we're meeting tomorrow is the Gene-Slammer of The Weather Painter Cloud.

Althea Iridiana: Yes, and there's one person I know who'd be Gene-Slammed into The Weather Painter Cloud: Nephele Zephyrine, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over the clouds and the violet color of the spectrum, and she's also recognizable because of her white hair and massive and beautiful violet angel wings. She, Lincoln, Laney, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Nico: So, we got another artist to meet tomorrow.

Lincoln: Plus, you're also in for a surprise: Nephele Zephyrine's also the daughter of Nephele, the Greek Goddess of Clouds, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa! So, that means the Weather Painter Gene-Slammers are not only your Guardian Angels.

Timmy Turner: But, also children of the Gods and my cousins, that's right.

Nico: (Whistles) Whoa. But, now we know what to expect when we meet the other Weather Painter Gene-Slammers.

Kite Man: (to Max and Verdona) Looks like this chapter in your lives has ended.

Max: It sure has.

Me: Thank goodness.

Manta Bayarsh: We COULD use the remains of these robots for spare parts.

Gameface: That's actually a good idea.

Spymaster: Let's start gathering them up.

Harpymon: I'll help with that.

We went and did so.

Nico: That's it for that and the spirit of the Synthroid is in the Black Gates.

Verdona: Thank goodness.

Me: Yep.

Nico: Great job today everyone.

Ben Tennyson: (To the viewers) Bad robots better beware because we're coming for them.

Nico: Yep.

We later went back to the estate and enjoyed the rest of the day and went to sleep.

THE END

# VANILLA PUDDING RESCUE MANIA

Vanilla Pudding is Awesome.

---

In the early morning hours at 3:35 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of New Zealand, Oceania. But, they were no ordinary three figure, they were Leslie Loud & Lilian Loud non-identical twin daughters of Lincoln's future wife, Ronnie Anne Santiago. and Celtic "Roxy" the Werewolf, daughter of Lincoln's future wife, Loona. Lincoln woke up from the dream, but he wasn't the only one, Ronnie Anne Santiago, Loona, Luna the Werewolf, Toby Loud & Rochelle Loud, Black Alpha, Nico, and me also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Ronnie Anne: And not only that, it also means that we found out where our kids are at.

Loona: And how the hell do we know where they are?

Me: they're at New Zealand, Oceania.

Nico: Oh no, that's not good. That's the same place when we found Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, Zapp Thunder, Jamie, And it is not a safe place for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go New Zealand, Oceania, to rescue Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf, Then suddenly, there was a knock at the door.

Loona: (Groans and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Loona opened the door and found a giant gorilla who has black fur, tan skin, and green eyes. He wears golden rimmed glasses, a red tie with an Life Element symbol on it, and a white and black jungle-like metallic armor with mechanical wings-like. He wields two swords called the Jungle Blades. And a humanoid light green blinded Mutant-like tortoise with yellow markings, angelic wings, large flipper-like arms, and stumpy legs. The tips of his arms also have three holes each, which can extend finger-like claws to use as fingers and a third wing span as a tail. He wears a black and gold samurai helmet, and a white and gold master monk's robe while his cutie mark is a tortoise and an Light Element symbol. He wields a wooden stick called the Stick of Wisdom and Peace. They were Primal Rage and Sifu Xuan Oogway.

Primal Rage: (to Ronnie Anne and Loona) Are you Ronnie Anne and Loona?

Ronnie Anne: Yes, we are.

Loona: And who are you guys?

Sifu Xuan Oogway: I am Sifu Xuan Oogway the Light Knight.

Primal Rage: I'm Primal Rage, the Green Knight. And do these young kids belong to you?

The three kids that whore with Primal Rage and Sifu Xuan Oogway, Was a Half-Human and Half-Cyborg 11-year-old girl who has fair skin, white hair worn in a ponytail with red headband, brown eyes, and freckles on her cheeks. She wears a dark pink striped long sleeve sweater, dark blue skirt, white socks, and dark pink sneakers. A Half-Human and Half-Cyborg 11-year-old girl who has dark tan skin, black waist length hair, blue eyes, freckles on her cheeks, and two buck teeth that stick out of her mouth. She wears a purple hooded jacket, white striped long sleeve shirt, white shorts with spiders patterns, and yellow sandals. And a slender 14-year-old Werewolf/Human girl who has gray and white fur, yellow eyes, silver waist-length hair with light green bangs, white sharp and pointy fangs, pointy wolf ears, green fingernail-like claws, and a long bushy gray tail with a silver tail-tip. She wears a spiked black choker, red jacket, red crop top with a crescent moon detail on it, long black pants, and red boots-like heel. They were Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf.

When Ronnie Anne, and Loona saw them, they were stunned.

Loona: (Stunned) How?

Ronnie Anne: (Stunned) How did you find them?

Primal Rage: we find them out on the streets in New Zealand, Oceania, abandoned and alone.

Ronnie Anne, and Loona ran up to Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, Black Alpha, Toby Loud & Rochelle Loud, and Luna the Werewolf.

Me: Thanks, guys.

Sifu Xuan Oogway: It's in honored, young Master J.D.

Primal Rage: (to Lincoln) Do you have something to say to them?

Lincoln: Course. (To Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf) there's something you three should know, Ronnie Anne, Loona, your mothers are one of my many future wives.

Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf: That means… you're our father.

Lincoln smiled, and that filled Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Lincoln told everyone what happened. and he then introduced Leslie Loud & Lilian Loud, and Celtic "Roxy" the Werewolf to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Primal Rage, and Sifu Xuan Oogway did in reuniting Ronnie Anne and Loona with their kids, and they now has Lincoln as a loving, strong, brave, and caring father in their life. As well as Primal Rage and Sifu Xuan Oogway join the Team Loud Phoenix Storm as new members of The Heroic Elementals.

Me: I have a feeling this food planet is gonna be just as awesome as all the food planets we went to.

Nico: Me too. This will be so awesome and fun.

Carly Atlas: You got that right.

Misty Tredwell: This is gonna be so awesome and fun.

Huey: It sure will be awesome.

Sumae Mizuno: I'm really looking forward to this one too.

Sissi: All of us are.

Nico: Gwen, I want to thank you, Pied Piper, and your teams for coming.

Gwen (Total Drama): It's no problem Nico. This is gonna be so awesome and fun.

Me: It sure will be. It always will be fun.

Brynja: (Icelandic Accent) It sure will be awesome and cool.

Nico: Yep.

Sissi: And fun.

Nico: Sissi, is it true you had a crush on Ulrich?

Sissi: It sure was true. But after I found out that he had feelings for Yumi, I decided to let that go.

Me: That's good you did.

Brynja: I agree there. That was a good thing you did they Sissi.

Sissi: Thanks Brynja.

Me: At least you weren't jealous or anything.

Camie: Yeah no kidding.

Nico: And you stopped being a bully too

Nicole: Thank goodness. Otherwise things would have been brutally painful.

Sissi: I know.

Lola: Yeah no kidding there.

Nico: Yesterday was unfinished business from Max's past.

Me: You got that right.

Qin: But it was still amazing to learn about how Max and Verdona met.

Jen Tennyson: It sure was. Grandpa and Grandma had an amazing and awesome adventure back then.

Me: They sure did Jen. But as a bonus we were killing members of Blood Spiral left and right.

Nico: We sure were. And before we left I set the defense grid of the estate on maximum to kill any member of the Blood Spiral that comes within 100 yards of the tree.

Eli: Good thinking Nico.

Me: I'd like to see the Blood Spiral try and get in to our security.

Nico: You got that right. But also I had no idea that Max was an Air Force pilot back in those days too. He and Hal Jordan have so much in common.

Eli: That is true and that was awesome.

Nico: And that Synthroid was supposed to be tough?

Me: Yeah right. It was no match for our superior technological prowess and our power. Not to sound arrogant.

Nico: True. But that was genius using that electromagnetic pulse grenade like that and it helped big time.

Me: It sure did.

Varie: Very well made device.

Me: 600 yard blast radius really was effective.

Nico: Yep.

Laney: At least the Transformers didn't get caught in it.

Nico: That's true.

Eli: Thank goodness.

Nico: We'll put the spare parts to good use

Me: We sure will.

Lola: Yep. By the way J.D. do you think it's possible that we'll meet Sailor Soldiers from all the other Lantern Planets today?

Me: It's definitely likely Lola. We already met Sailor Ysmault.

Nico: Yep.

Eli: We're here.

We arrived at the planet and it was a pink planet and it looked like a flower planet from space.

Me: It looks like a flower planet from up here.

Nico: Yeah it sure does. Lets head down.

We flew down and we landed on the planet and we saw that it was a pink swamp planet. But the smell was familiar.

Me: WHOA! (Sniffs) Strawberries?

Nico: Hmm.

I dipped my finger in the mud and tasted it and it was really STRAWBERRY PUDDING! Hey it's a Strawberry Pudding Swamp planet!

Nico: Look at this!

Me: It's amazing! A strawberry pudding swamp planet.

Lola: Boy this is awesome!

Lana: It sure is!

Varie: This is amazing that this is here.

Carol Pusateri: I agree there.

Danica Metrois: This is amazing that this planet exists.

Laney: (Eats some pudding) MMM! But it's really good.

Maria: Boy a chocolate pudding planet, then a strawberry pudding planet.

Lincoln: And we saw a Vanilla Pudding planet on my rescue.

Qin: We're not in the same system as those are we?

Me: No this is a different system.

Qin: Ah.

Maria: Also, the MOE Cannon will be given a break today.

Me: That's understandable. We have a big day tomorrow.

Nico: Yep. Ellie's mission tomorrow.

Xenia: And we're going to eradicate all of the Dark Nebula.

Nicole: And Nemesis.

May: Let's dig in!

We got to eating. We got out some bowls and dug in after loading them up.

Me: (Eating pudding) Mmm! Boy this is good!

Lincoln: (Eating) Mmm! Delicious.

Nico: No kidding there. (Eating)

Nico: Does that mean you like strawberry too?

Lola: Anything pink is cool for me. But yeah I sure do love strawberry. I love all things sweet.

Qin: Cool.

Brittney: Yeah. Even though this is Lucy's least favorite color she still likes it.

Lucy Loud: I can deal with this. If it were blood pudding I would love it.

Brittney: We goths may loathe the color pink but when it comes to strawberry pudding we can deal with it.

Nico: That's true.

Lola: Yeah it sure is awesome.

Nico kept eating more.

Nico: MMM! Delicious.

Eli: It sure is.

Nico: Eli can you sense any of Swartz's creations here?

Eli: I can try.

Eli did so.

Eli concentrated and found them.

Eli: Found them. But they are far away. 700 klicks.

Me: So it's gonna be a while before they find us.

Qin: Yeah.

Nico: This is going to be one awesome rescue, not only are we going to rescue the 10 Sailor Soldiers here, but we got word Evil Jessie's here again.

We gasped.

May: Boy she just keeps coming back for more!

Me: That malignant hair-worshipping bitch is going to get a nasty dose of trouble in capital letters.

Lincoln: Yeah. But, who's going to face her?

Estella Skyla and the Alchemy Beast Gene-slammers came.

Estella Skyla: I will. I'm going to give her a nasty piece of my mind, and make her pay, she's caused enough trouble for the last time.

Elaine Wittgenstein: Same here.

Gem Cavvenport: Yeah, she needs to be taught a lesson.

Nalania Cherikova: One she'll never ever forget.

Salene Sallamandia: She's really going to get burned big time.

Olivia Orrovia: And we might even burn her hair off again.

Leona Tarra: And we'll even leave some scars on her for good measure.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury and Moonface the Silver appeared as well.

Rosa Laurence: And we also got a combo attack to imprison her inside a prison of gold, steel, bronze, lead, tin, mercury, and silver, and send her to The Saturn Insane Asylum's Arkham Asylum Wing with a warning that says: WARNING: DANGEROUSLY INSANE MALIGNANT HAIR-WORSHIPPING BITCH! DO NOT OPEN UNDER ANY CIRCUMSTANCES!

Nico: Ooh, now that's a really good one.

Me: I like that Rosa.

Lincoln: It sure is. But, first, Estella and Nico have got to weaken her first, and then, you girls can use that combo on her.

Nico: Good idea.

Qin: Yeah.

Nico: Let's start rescuing!

Me: Where to even look?

Qin: They can't be far. One of them will be close.

Nico: We better split up and cover more ground. We'll meet up at the location of the 10th Sailor Soldier's location.

Me: Okay then.

Qin: Right!

Nico: All right, Fan out!

We spread out.

We were flying all over.

?: Help me!

May and Varie found the first one!

May: I see the first one!

She was a sailor soldier that had orange hair and the symbol of the Orange Lanterns on her forehead and had all orange clothes. She was sinking in strawberry pudding quicksand.

Varie: It's planet Okaara's Sailor Soldier!

They went over and pulled her out and brought her over.

May: Are you okay?

Sailor Okaara: I sure am. Thanks to you guys. Oh my name is Odette Okaara and I'm the sailor soldier of the planet Okaara and the Orange Lanterns of Avarice.

Varie: Awesome to meet you Odette.

Sailor Okaara: There are 9 others here.

May: We figured that. We are flying all over the planet and looking for them.

Sailor Okaara: Good.

1 down.

Maria and Aylene C. were flying.

?: HELP ME!

They found the 2nd one.

Maria: I see one of them!

It was a Sailor Soldier with yellow hair and the symbol of the Yellow Lanterns on her forehead and had all yellow clothes and she was caught on a tree hanging by her skirt like a side of hanging cured meat.

Aylene C.: Whoa that is a crazy way to be stuck.

Maria and Aylene flew up to her and got her down.

Maria: Boy that was a crazy way to be stuck.

Me and Nico were flying over the planet and looking all over.

Me: So far nothing.

Nico: Yeah.

Me: Darn.

Nico: I guess that's everyone

Me: Wait! Look!

Tied to a cross made of pure candy was a sailor soldier with black hair and had yellow and grey clothes and they were really torn up and she had bleeding cuts and bruises on her.

Me: (GASP) Selena Silenta A.K.A. Sailor Silent Hill!

Nico gasped!

Nico: Silent Hill's Sailor Soldier!?

Me: I know. Shocking. That town is essentially a doorway to hell and we blew that entire town to kingdom come.

Nico: Something about this doesn't feel right.

Me: Yeah it's too easy. This definitely screams trap.

Nico: Nico to everyone. We found the last Sailor Soldier but come down on our position 58 klicks west northwest of where we landed.

Eli: On our way!

They came over to us.

Everyone came over.

Maria: We're here.

Varie: Oh man.

Maria: Should we untie her?

Me: Wait. This definitely is a trap.

Eli: He's right. I sense it. Evil Jessie is lying in wait for us to do so.

Nico: We'll have to take that risk. Lets go.

We went down and we got to her.

Varie: She was really mangled up.

Camie: No kidding.

Suddenly, we saw an insane figure barreling for us and was about to attack us, until Rosa Laurence fired a blast of fire from Salamandra the Steel's powers and it hit her and burned her badly, and we saw who it was: it was Evil Jessie once again.

Me: I knew it was an ambush!

Nico: Well, well, well, I should've known you'd show up again, Evil Jessie, you're like a bad rash that just won't go away.

Evil Jessie: I WILL KILL YOU ALL FOR WHAT YOU DID IN BURNING MY HAIR AND HUMILIATING ME!

Me: That was the start!

Maria: I'll untie her!

Nico: Okay.

Estella Skyla: I've had enough of this bitch to last an eternity!

Suddenly, something within Estella Skyla's mind snapped as memories of Evil Jessie's crimes rushed through her head and her turquoise blue eyes turned neon turquoise blue and she was surrounded by a hot pink and purple energy aura with winds, tin, and eagles, she unholstered her Alchemy Beast -Aretos the Tin-themed greatsword from her back, and as she approached Evil Jessie, she left hot pink and purple energy, winds, tin, and eagles with every step.

Estella Skyla: You absolutely make me sick, Evil Jessie, you're really are a malignant monster who has caused a ton of trouble for Ash and his friends in the past, and you're also nothing more than a manifestation of the demons of Jessie's past. (Suddenly Getting Pissed Off) I would've thought you learned your lesson after we defeated you and sent you flying, but for you to come back once more to torment us… , YOU'VE GONE TOO FAR FOR THE LAST TIME, AND I WILL SEE TO IT THAT YOU, THE REMNANTS OF JESSIE'S FORGOTTEN PAST, ARE DESTROYED HERE AND NOW, YOU MALIGNANT, EVIL, SELFISH, HAIR-WORSHIPPING BITCH!

We gasped at the extent of Estella Skyla's fury.

Nico: Whoa!

Lincoln: If Jessie heard that, she'd be cheering like crazy at Estella's fury. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground as Estella Skyla screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive and incredible explosion of energy and she was surrounded by a massive vortex of hot pink and purple energy with tin and winds surrounding the vortex, there's Alchemy Beast - Aretos the Tin flying around the vortex, and in the vortex is a turquoise blue phoenix. Then, as the vortex faded, Estella Skyla emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Estella Skyla grew to 7'4" in height, she has the body of a goddess, she has turquoise blue highlights in the bangs of her short hot pink hair, she has neon turquoise eyes and a hot pink and purple energy aura with winds, tin, and eagles surrounding her and her three imps, she has Alchemy Beast - Aretos the Tin emblazoned on her forehead and Third Eye with turquoise iris, she has on eagle earrings with pink gems for eyes and holding the Tin, Wind, and Eternity Kanjis in its claws, she also has Alchemy Beast - Aretos the Tin with pink gems for eyes and holding the Tin, Wind, and Eternity Kanjis in its hands on the bottom of her hot pink eagle-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold flame links. Estella Skyla has on a sleeveless hot pink midriff top, purple skirt, purple bellbottom pants, purple heeled sneakers, and long sleeveless white trenchcoat with winds, tin, and eagles on the coattails, and on the back is Alchemy Beast - Aretos the Tin surrounded by winds. Suddenly, Estella Skyla felt a sharp pain on her back, and then, her massive green and purple angel wings with pink tips on the large feathers, grew much bigger for her new body and she now has eleven massive and long hot pink wolf tails. Estella Skyla has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Estella Skyla's massive Alchemy Beast - Aretos the Tin-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of hot pink and purple energy, winds, tin, and eagles, and when it emerged, it was transformed into Alchemy Beast - Aretos the Tin's Hurricane Tin Eagle Alchemy Greatsword of Alchemical Tin Wind Justice, it's a brand-new massive greatsword with embedded tin-colored gems and Alchemy Beast - Aretos the Tin etched on the 7'0" massive, wide, double-edged hot pink blade, large Alchemy Beast - Aretos the Tin heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large Alchemy Beast - Aretos the Tin heads with pink gems for eyes and large pink gem on the bottom of the Alchemy Beast - Aretos the Tin heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with pink gems on her wrists, her Belt of Elemental Bravery with a gold version of Alchemy Beast - Aretos the Tin's head with turquoise gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. EAGLE LOVE!

We were amazed by Estella Skyla's Super Angel-Aretos the Tin-Eagle-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Jessie saw it, she went absolutely ballistic and ran at her to kill her, but Estella Skyla fired a powerful hot pink and purple energy blast with winds, tin, and eagles at Evil Jessie and it exploded as it hit her, and she fired a blast of wind which slashed off Evil Jessie's hair, and she outright lost it big time as her face turned red with out of control anger! UH OH!

Estella Skyla: (Divine Echoing Cosmic Voice of The Hurricane Alchemical Tin Aretos Eagle Angel and Divine Alchemical Tin Hurricane Aretos Eagle Love) **There's plenty more where that came from, bitch!**

Evil Jessie: HOW DARE YOU!? PREPARE FOR TROUBLE!

Varie: How about we give you a 50 finger Knuckle Sandwich!?

KRASMASH!

We punched her in her face and smashed her into a strawberry!

Evil Jessie growled and was EXTREMELY INFURIATED!

Nico: Had enough?

Evil Jessie: NEVER!

Estella kicked her in her face and smashed her face in.

Nico: Let me in on this as well, Estella.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Estella Skyla.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you hair-worshipping bitch, time to face your punishment.

Estella Skyla and Nico went after Evil Jessie who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, hot pink and purple energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Jessie and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at her, drawing blood and leaving more scars on her, and she was being driven even more ballistic. Then, he used his eleven massive dark blue wolf tails and they brutally pulverized her all over the place, and he used one of them to grab her by the ankles and smash her down onto the left and right and sent her flying into another mountain.

Lincoln: Whoa! Now, that's really awesome!

Nico: (Divine Echoing Voice of Rainbow Redemption) You did help in teaching me that, Lincoln, same with J.D. Now, let's finish her off.

Estella Skyla: (Divine Echoing Cosmic Voice of The Hurricane Alchemical Tin Aretos Eagle Angel and Divine Alchemical Tin Hurricane Aretos Eagle Love) Right.

Rosa Laurence: Time to imprison you for good.

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport surrounded Evil Jessie on eight sides, and then, Estella Skyla's hot pink and purple energy aura flared up even more, and Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport were surrounded by colored energy auras representing the other Alchemy Beasts, and Rosa Laurence was surrounded by a red energy aura with the elemental forces of all Seven Alchemy Beasts.

Rosa Laurence: You don't deserve to be running free ever again, Evil Jessie, now you will be put into a prison where you will never ever escape.

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport: SEVEN ALCHEMY BEASTS ELEMENTAL METAL PRISON!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport fired energy blasts with the elemental metals of the Seven Alchemy Beasts, and as they hit Evil Jessie, she was imprisoned inside a prison made of gold, silver, tin, mercury, lead, steel, and bronze, and she was beamed to The Saturn Insane Asylum's Arkham Asylum Wing with a warning: WARNING! MENTALLY INSANE HAIR-WORSHIPPING MONSTER BITCH INSIDE! DO NOT OPEN EVER! We cheered as Estella Skyla and Nico holster their massive greatswords on their backs and power down, and Estella Skyla's new body, clothes, weapons, jewelry, Third Eye, eleven massive hot pink wolf tails, and massive pink and green angel wings are permanent.

Estella Skyla: That's the last time we ever have to deal with her. Thanks for helping take Evil Jessie down, Nico.

Nico: (Smiles Warmly) You're welcome, Estella.

Suddenly, Estella Skyla wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Estella Skyla's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Aretos the Tin flying in the air, and we saw many animals running across the field, along with elemental forces and winds blowing behind them and we cheered wildly. Then, Nico and Estella Skyla absorbed the light and they came back to us as the display and Alchemy Beast - Aretos the Tin vanished.

Me: Wow, guys, that was one awesome battle you fought, and that was one awesome display we saw when you guys kissed.

Nico: Thanks, J.D., and that feeling I felt when me and Estella kissed, it's just like how Lincoln and a member of his harem kiss after they get rid of an uninvited villain after the main mission, that really felt awesome.

Nicole: You really let out the feelings you had for the girls you and Qin went to school with, that's just like with the girls Dad met in his travels and at school, and the Guardian Angels Lincoln met.

Lincoln: Yeah, and over time, they blossomed into love, and you're since married to May and you also have a harem of the girls you went to school with long ago and are still reuniting with, and you also have awesome kids.

Nico: (Hugs Lincoln) Along with you as a godfather to my kids, Lincoln, and everyone as their aunts, uncles, grandparents, and cousins.

Me: Aww.

Qin: So awesome.

Me: Yep. We're not done yet though.

Nico: Let's teleport the girls we rescued to the Estate.

Varie: Good idea. Sailor Nok here was seriously injured.

Me: Same with Sailor Silent Hill but she looks worse.

Nico: Yeah no kidding.

I teleported them back to the estate and Sailor Silent Hill and Sailor Nok were taken to the infirmary.

Nico: Yeah.

Nico: Hang on. We'll save you!

Daring Do: I got this!

She fired waves of magic and it hit her and out came a new Wonder Ride Book and it was called THE EXPLORER AND THE CURSE OF THE TOMB OF SET! It was a really cool one.

Daring Do picked her up and brought her over.

Me: 1 down.

Nico: Two more to go.

Then we saw a cloud of fairy dust appear.

Me: Ooh.

Qin: Pretty.

Then a figure came out and it was a dark version of Titania, the Fairy Titan!

Qin: WHOA! Titania.

Me: Another Titania.

Another Titania: Sorry to drop in like this.

Me: That voice.

She reverted back and it was a girl with neon purple hair and had blue and purple butterfly wings and purple clothes.

Me: (GASP) Nami Titania.

Nami Titania: That's right. Awesome to see you again J.D.

Me: Same here.

Laney: Looks like I'll be the one that faces you.

Nico: Nice.

Nami Titania: I went to school with J.D. and we went to the jungles and learned all about plants and flowers and their medicinal power.

Nico: That's amazing!

Varie: It sure is.

Nico: This is not to be confused with the Another Titania that we'll face in the future.

Me: No this is the Huntik version of Titania.

Qin: Yeah.

Nico: Oh right.

Nami Titania: Yeah sorry about the confusion.

Me: No worries. Any other opponents with you?

Nami Titania: Actually there is. Another version of him.

She pointed to Pied Piper.

Pied Piper: Another version of me!? Wow!

Me: This will be an interesting one. Friendly or hostile?

Nami Titania: Friendly and you will like this one. Quite the flutist.

Me: I have a feeling we will.

Nico: Yep.

Laney: Lets dance shall we?

Nami Titania: We shall.

She turned back into Another Titania and Laney fired waves of energy and leaves and smashed her down and I caught the Wonder Ride Book and it was called The Dark Fairy of The Malevolent Forest. Then it turned into a green book called The Fairies of Pure Lights Forest.

I went over and brought her over to us.

Nami Titania: Wow what a headache.

Me: But you're back to normal.

Nico: The Another Titania I'm talking about used fists in battle.

Me: I know.

Nico: Oh. Okay.

Then we heard flute music and out came a dark version of Pied Piper! It was ANOTHER PIED PIPER!

Qin: Whoa Another Pied Piper.

Nico: This will be a musical one.

Xenia: Yep.

Another Pied Piper: (In a girls voice) It will be a good one.

Me: (GASP) Trudy Hamlin!

Nico: The awesome Flutist?

Me: Yep. She is really awesome and skilled with the flute. Her flute is said to be enchanted.

Another Pied Piper: That's right. I have the power to grow nature and plants with my flute.

Xenia: That is awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Pied Piper: Just to be a great flutist.

Me: That is obvious.

Another Pied Piper: But my flute playing lulled him to sleep before that could happed.

Xenia: Nice!

Nico: They do say that music soothes the savage beast.

Lola: Yep.

Me: Sorry we have to fight like this.

Another Pied Piper: No worries. Come at me and don't hold back.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Qin: Awesome!

Nico: (gets out Pied Piper's Ridewatch) Time for a flute battle!

He activated it and got a flute and played Fionnula's Tale and fired waves of energy and smashed her down.

Lola: Awesome song!

Nico: (gets out Scooby Snax Monster's Ridewatch) Too bad Shaggy and Scooby aren't here.

He activated it and fired globs of Scooby Snax batter and smashed her down.

Qin: Boy that one would be awesome and tasty for them.

May: It sure would.

Me: Yep.

May: (gets out Bobo the Vulture's Ridewatch) My turn!

She activated it.

May: VULTURE'S GOING TO KNOCK YOU OUT!

She fired a rocket Boxing Glove and it hit Another Pied Piper and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

She was knocked down!

Qin: OUCH!

May: (gets out Anglerfish's Ridewatch) Someone turn the lights out!

I formed a dome of darkness over us and it was PITCH BLACK DARKNESS!

May activated it and a light ball floated over Another Pied Piper.

Another Pied Piper: Ooh pretty. Come here you.

She played with it and then May came as an Anglerfish and then roared and she scared the shit out of Another Pied Piper!

She reverted back and the dome vanished.

Maria: (gets out Toothpick's Ridewatch) Now for this!

Maria activated it and she got awesome guns and fired them and smashed her down.

Qin: YEAH!

Me: Fancy shooting Doc Holiday.

Maria: (gets out Shinjiro Shinozaki's Ridewatch) Let's see what this does.

She activated it and got Falchion's Sword and Wings made of pure fire and she flew and slashed Another Pied Piper down.

Qin: WHOA!

Me: I like that one!

Nico: Yeah!

Sissi: My turn. Shaggy and Scooby would lick me everywhere for this. (Activates Scooby Snax Batter Monster's Ridewatch)

She fired globs of batter and splattered her all over.

Johnny 13 and his team came and he had Boil Man, Crow, Orb Bot, Lee and Universe 666 Captain Gutt and his crew.

Nico: Nice team, Johnny!

Johnny 13: Thanks Nico.

Rainbow: That is awesome!

Me: It sure is. Ghost Rider and his team are going to have some fun.

Nico: Yep.

Maria: It's actually here!

A Stantler was nuzzling Maria.

Me: Hey a Stantler.

Nico: And its taking a liking to you sis.

Stantler: (In a calm girls voice) Her chakras are groovy and her aura is strong spirited.

Nico: Dawn Moondancer!? Whoa!

She reverted back and she was a girl with blond hair and a yellow shirt and black shorts and no shoes and had a flower ring crown on her head. She was meditating too.

Me: Wow she is really calm in the face of danger and is a really powerful girl one with nature.

Dawn Moondancer: That is right. I got this one dudes.

She formed a ball of aura energy with deep concentration and fired it and it hit Another Pied Piper and knocked her down and I caught her ridewatch and purified it. I went over to Trudy and she was a girl with green hair and green clothes and I picked her up.

Trudy Hamlin: (Groans) What a headache.

Me: But you're back to normal.

I went and brought her over.

Sissi: What's your favorite memory of Nico?

Dawn Moondancer: My favorite is when I taught Nico how to suppress his demons.

Me: So you taught him everything you know how to keep his demons at bay.

Dawn Moondancer: That's right. I taught him everything I knew on how to do that.

Nico: And it was really helpful for over 12 years.

Me: That is amazing. We tried duplicating his techniques but had a lot of trouble.

Dawn Moondancer: That's all right.

Nico and Dawn hugged.

Nico: I've really missed you Dawn.

Dawn Moondancer: Me too Nico.

Nico: This was an awesome rescue though.

Me: Yep.

We went back home.

Suddenly, we saw The Weather Painter Cloud appear before us, and with her are the eight girls.

Nico: Whoa, that's The Weather Painter Cloud, awesome.

Weather Painter Cloud: (Girl's voice) That's right, and I got the eight girls away from that big dumb bully, Francis. Oh, and I wound up pouring hot sauce down his pants, so I really got him pissed off now.

Lincoln: (Gasps) That voice, Nephele Zephyrine, I knew it was you, it's awesome to see you again, but we'll talk later.

?: (ENRAGED SCREAMING) TURNER!

We then saw our target, Francis Grayhane, and man, he was really mad, and he was running on all fours and roaring like an animal.

Timmy Turner: Whoa, you really made him mad this time, Nephele! Let's get that moron!

Lincoln: And rip him limb from limb.

Then, Lincoln and Timmy punched Francis hard in the face and he was dazed and fell to the ground, and Lincoln chained him up and put the Gessius Flores Vengeance Curse on him and sent him to Nana Boom-Boom to play Exploding Bingo with her forever, and knowing him, he's going to lose big time. We cheered as we holstered our weapons and powered down.

Lincoln: Enjoy losing to Jorgen's Nana forever, you big dumb bully. (To Nephele Zephyrine) And it's so good to see you again, Nephele Zephyrine.

Nephele Zephyrine reverted back to normal, and she's a beautiful girl with long white hair, violet eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings and she reigned in the power of Weather Painter Cloud, she's dressed in a sleeveless violet blouse, sleeveless violet midriff top, violet skirt, violet pants, violet knee-high high-heeled boots, and long white sleeveless trenchcoat with violet lights, clouds, paints, and angels on the coattails and on the back is Weather Painter Cloud and holstered on her back is a massive Weather Painter Cloud-themed greatsword with embedded violet gems and Weather Painter Cloud etched on the 7'0" massive, wide, double-edged white blade, large Weather Painter Cloud heads for the crossguard, large violet gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Cloud heads and large violet gem on the bottom of the large Weather Painter Cloud heads for the pommel.

Nephele Zephyrine: You too, Lincoln, it's been such a long time.

Lincoln went up to Nephele Zephyrine and he hugged her, and Nephele Zephyrine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Nephele Zephyrine: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Nephele Zephyrine, she's my Guardian Angel from Michigan and my classmate in Art, and she was born amazing and incredibly powerful powers over the clouds and the violet color of the spectrum, and she's also recognizable because of her white hair and massive and beautiful violet angel wings. She, Laney, Althea, and I painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Me: They painted some amazing paintings there, and they were really awesome.

Nico: Awesome.

Lincoln: And it gets even more awesome, Nephele Zephyrine is also the daughter of Nephele, the Greek Goddess of Clouds.

Eli: Whoa!

Me: Nice!

Timmy Turner: And like I told you guys yesterday when we met Althea Iridiana, Nephele Zephyrine is also my cousin, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates my parents for their constant stupidity for always leaving me alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and my other despicable enemies as well.

Nephele Zephyrine: That's right. I can't believe that my aunt and uncle could be so stupid as to leave my own cousin at the hands of that demonic babysitter, even neglecting the fact that they have a son, and I want nothing more than to see those two put in jail for the rest of their… !

Timmy ran up to Nephele Zephyrine and hugged her to cool her down, and she hugged him back.

Timmy Turner: I haven't even forgotten how much you hated my parents and despised Icky Vicky, Francis, Crocker, and my other enemies as well, Nephele. But, it's also good to see you again.

Nephele Zephyrine: You too, Timmy, and you've really grown up a lot since last we met.

Lincoln: Timmy joined us over six years ago, and soon it'll be seven years to the day that he joined us, and he'll be seventeen soon. Plus, we also put that demonic babysitter in as humiliation fodder, threw Francis in prison, gave Crocker The Black Gates, and many of Timmy's other enemies are either in The Masters of Evil or sent to The Black Gates as well.

Nephele Zephyrine: Awesome. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Nephele Zephyrine: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Nephele Zephyrine: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Nephele Zephyrine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Nephele Zephyrine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Nephele Zephyrine's neck with violet gems on the gold lightning bolts and violet crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Nephele Zephyrine: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nephele Zephyrine.

Nephele Zephyrine had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln who they were, he immediately recognized them. The eight girls are Kae Serinuma, Shima Nishina, and Amane Nakano from Kiss Him, Not

Me!, Hitagi Senjougahara, Tsubasa Hanekawa, and Suruga Kanbaru from Monogatari, Daichi Nozomi from The Daichis: Earth's Defense Family, and Nana Hayashida from Golden Time.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kae Serinuma: Yes, we're okay, thanks to you.

Then, when Kae Serinuma and the other eight girls saw who it was that saved them from that rotten bully, Francis Grayhane, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kae Serinuma: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kae Serinuma, Shima Nishina, Amane Nakano, Hitagi Senjougahara, Tsubasa Hanekawa, Suruga Kanbaru, Daichi Nozomi, and Nana Hayashida with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Francis Grayhane, who broke out of the box and escaped from prison and wanted revenge on us.

But, when Lincoln showed what we did in beating him down and finally Lincoln and Timmy knocking him out and Lincoln putting the Gessius Flores Vengeance Curse on him and sending him to play Exploding Bingo with Jorgen's Nana Boom-Boom forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Nephele Zephyrina have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that dumb bully from Timmy's past broke out.

Well, I hope he likes playing Exploding Bingo with Jorgen's Nana Boom-Boom forever.

Lincoln: And with the Gessius Flores Vengeance Curse on him as well.

Wanda: Playing Exploding Bingo forever and with the Gessius Flores Vengeance Curse, that's a fate even worse than getting locked up forever, but it's been a long time coming for Francis.

Cosmo: Yeah, but I hope we can still poof Francis naked.

Lincoln: Uh, Timmy, if you would?

Timmy: On it.

Timmy made a frying pan appear from his hand and he hit Cosmo in the face with it.

BLANG!

Timmy: Do you really want Fairy World to be scarred for life if you do that, Cosmo? I sure don't!

Nico: Me neither.

After finally taking down Francis Grayhane and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Nephele Zephyrine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his

eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Nephele Zephyrine: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nephele, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nephele Zephyrine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Nephele Zephyrine: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Nephele, what's the story on why you hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Timmy Turner: I'll just get some dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case I find out they almost caused a life-threatening injury.

Timmy made dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case he find out they almost caused a life-threatening injury.

Nephele Zephyrine: You're not going to like it. One day, Lincoln, Laney, Althea, and I were working on a huge art project in Art Class, we were asked to create a mural of Royal Woods to show to the town for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired clouds and violet energy blasts at them and blinded them badly, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was outright furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Nephele Zephyrine: Yep, just like what happened with Althea Iridiana, Laney, and Lincoln's mural for Scotland, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette

Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy the mural project and kill Lincoln, Laney, Althea, and Nephele, I went ballistic and I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "That'll teach you not to go after my kids ever again!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He sure was a glutton for punishment alright.

Nico: That killjoy sure is nothing but a big fat jerk to you, Lincoln.

Lincoln: Tell me about it.

We got a shower, and then, Lincoln, Rhoda, Rhonda, Haley, and Oralie are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rhoda, Rhonda, Haley, and Oralie were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Rhoda, Rhonda, Haley, and Oralie had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Rhoda: Wow, so this is Emerald Coast, awesome.

Lincoln: I've been here many times before, Rhoda, and it's always awesome. Plus, I found out there's some Gene-Slammers here in Emerald Coast, shall we?

Lincoln, Rhoda, Rhonda, Haley, and Oralie dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they back to the beach and they also had a game of volleyball, and Rhoda, Rhonda, Haley, and Oralie got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

Jessica Rosearanae: (Spanish Accent) You too, Lincoln, it's been a really long time, Great Orange Tiger Shark.

Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro went up to Lincoln, who hugged each of them, and Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you five since you were six, and as you can see, I really grew a lot since then.

Nanami Shironagasukujira: (Japanese Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute four-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Rhoda: I knew it, they must be more of your Guardian Angels, Lincoln. But, who are they? And why did one of them call you Great Orange Tiger Shark?

Lincoln: Glad you asked, Rhoda. These five girls are members of The Aquatic Swim Club, a group of swimmers that moved to Michigan when they were 6 years old, and they even met me there as well. In fact, I'm also a member of The Aquatic Swum Club and I'm known by the moniker The Great Orange Tiger Shark. In fact, several of my Guardian Angels happen to be members of The

Aquatic Swim Club. We're capable of swimming fast and are capable of staying under for long periods of time, and we also competed for the Junior Olympics as well. Plus, we even did swimming for charities as well. They even made a honeymoon home for when my harem and I would get married.

Rhonda: Romantic.

Lincoln: Plus, I made each of the members of The Aquatic Swim Team beautiful necklaces based on their favorite sea animals along with bikinis based on their favorite sea animals and colors, and to show thanks, each of the members kissed me on the lips while underwater, and they hate the jerks with a passion.

Jessica Rosearanae: (Spanish Accent) That's right, and allow us to introduce ourselves. I am Jessica Rosearanae, Gene-Slammer of Cataliszt, I'm Lincoln's Guardian Angel from Spain and classmate in Gym, and I'm known as The Beautiful Pink Frog in The Aquatic Swim Club. Lincoln and I love to put on different outfits, and my last name, Rosearanae, means Pink Frog in Latin, and I also love frogs, in fact I have these two Poison Dart Frogs, with me: one is pink and is named Amy and the other is blue and named Jet, and as you can see, Lincoln made me a Poison Dart Frog-themed bikini. To show my thanks, I kissed Lincoln on the lips. I'm also the cousin of Akira Akatsuki, and I hate Lila Rossi with a passion.

Nanami Shironagasukujira: (Japanese Accent) I am Nanami Shironagasukujira, Gene-Slammer of Sporerow, I'm Lincoln's Guardian Angel from Japan and classmate in Gym, and I'm known as The Majestic Blue Whale in The Aquatic Swim Club. My last name, Shironagasukujira, means Blue Whale in Japanese. Lincoln and I would swim with the whales, especially orcas, and we also love to read comic books together. I even have a blue whale named Splasher.

Nanami whistled and out of the ocean came Splasher, Nanami's blue whale pal.

Nanami Shironagasukujira: (Japanese Accent) And as you can see, Lincoln made me a blue whale themed bikini with necklace with a whale pendant, and to show thanks, I kissed Lincoln on the lips underwater. I'm also the cousin of Chris Taylor and I hate The Wet Bandits with a passion.

Yolei Dulfayn'akhdar: (Arabic Accent) I am Yolei Dulfayn'akhdar, Gene-Slammer of Cranchee, I'm Lincoln's Guardian Angel from Egypt and classmate in Gym, and I'm known as The Swift Green Dolphin in The Aquatic Swim Club. I'm also a big time superhero fan and I consider Wonder Woman my idol. My last name, Dulfayn'akhdar, means Green Dolphin in Arabic. Lincoln and I would cosplay as their favorite superheroes at conventions, and as you can see, Lincoln made me a dolphin themed bikini and necklace with dolphin pendant, and to show thanks, I kissed Lincoln on the lips while underwater. I'm also the cousin of Ed Grant, and I hate Billy McLean with a passion.

Mimi Zǐfúfèn: (Chinese Accent) I am Mimi Zǐfúfèn, Gene-Slammer of Bleatnik, I'm Lincoln's Guardian Angel from China and classmate in Gym and I'm known as The Graceful Violet Manta Ray in The Aquatic Swim Club. Lincoln and I love to swim the manta rays but also swim with the other sea creatures. My last name, Zǐfúfèn, means Violet Manta Ray, in Chinese. I even made Lincoln a bracelet based on his favorite sea creature, and to show thanks, he made me a manta ray themed bikini and necklace with manta ray pendant, and then, he kissed me on the lips while underwater. I'm also the sister of Lincoln's two future wives, Panty and Stocking, and I hate Flip with a passion.

Rika Pinguinod'oro: (Italian Accent) And I'm Rika Pinguinod'oro, Gene-Slammer of ShLep, I'm Lincoln's Guardian Angel from Italy and classmate in Gym, and I'm also known as The Wondrous Gold Penguin of The Aquatic Swim Club. Lincoln and I love to swim with the penguins, and we even cosplayed as penguins together. Lincoln made me a penguin themed bikini and necklace with penguin pendant, and to show thanks, I kissed Lincoln on the lips while underwater, and I hate Bubble Bass with a passion, and I'm also the sister of Giorno Giovanna, no doubt thanks to our evil father, Dio Brando. But, thankfully, I hated my father for all the things he has done.

Haley: Wow, that's a really awesome introduction, and Rika, we already know you're not like your evil father, Dio Brando.

Lincoln: Yeah, and Giorno's also not like your evil father, and we got rid of your evil father and sent him to The Black Gates, and he joined us last year. So, you'll be in for one awesome reunion when we head back. But, first things first.

Lincoln went up to each member of The Aquatic Swim Club, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Jessica Rosearanae: (Spanish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Nanami Shironagasukujira: (Japanese Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro.

Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rhoda, Rhonda, Haley, Oralie, Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro, and they hugged the girls in their abnormally massive and powerful muscular arms, and Rhoda, Rhonda, Haley, Oralie, Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lori: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rhoda, Rhonda, Haley, and Oralie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Rhoda, Rhonda, Haley, and Oralie had the hots for Lincoln. (Sees Jessica Rosearanae, Nanami Shironagasukujira, Yolei Dulfayn'akhdar, Mimi Zǐfúfèn, and Rika Pinguinod'oro) Whoa, and who are these five?

Lincoln told them everything, and they were stunned.

Me: Whoa, so you also ran into five of your Guardian Angels while at Emerald Coast, that's really awesome.

May: And I didn't know you've been in a swim team since six years old, Lincoln. But, that explains why you're an awesome swimmer.

Maria: Wait a second, I think I remembered seeing you guys before on the paper, you guys competed in The Junior Olympics and swam for charities, that's really awesome.

Lincoln: We sure did.

Nico: Plus, you girls actually built a honeymoon home for when Lincoln and his harem would get married in the future, that's really incredible.

Jessica Rosearanae: (Spanish Accent) Yeah, but at the rate of Lincoln's harem growing like crazy, we might need to expand it a bit or move it here to Gotham Royal York.

Lincoln: (Embarrassed) Heh, yeah, that's true.

We laughed.

May: Yeah, you've no idea how many other Guardian Angels of Lincoln's we've been meeting and the number of girls he's also been rescuing.

Lincoln snapped his fingers and brought the honeymoon home The Aquatic Swim Club built here, and it was really awesome.

Me: Wow, that's an awesome honeymoon home.

Rita: And Jessica might be right, looks like you have to move the honeymoon home to here when you and your harem get married in the future, honey.

---

We were watching TV and then we heard a slip.

[slip]

The Equestria Girls: W-W-Whoa!

[crash!]

The Mane 7 fell onto the floor because it was wet!

The Equestria Girls: [laugh] Epic fail!

Me: Girls are you alright?

Sunset Shimmer: Yeah.

I helped them up.

Me: Sorry I should have told you girls that Mr. Lynn was moppingthe floor and it's still wet.

Rarity: Oh no worries darling.

Fluttershy: Yeah we're all right.

Me: Good.

We then saw Poromon flying around and looking for something.

Nico: Poromon, what are you doing this time?

Poromon: Me and the mascots are playing hide and seek.

Qin: Cool!

Me: Ah nothing like a good game of Hide and Seek.

Poromon: First, I'll find Manaphy.

Me: Okay. Have fun guys.

Poromon: I will.

Poromon started with Nico's room.

Poromon looked in the closet.

Poromon: Hmm.

He found her hiding behind a box of shoes!

Poromon: Found you!

Manaphy: Aw, man!

Poromon: Good try though. Now for Horsea.

They went to find Horsea.

In Lola's room they saw Lola having a tea party with her stuffed animals. Then under her little table was Horsea.

Poromon: We found you!

Horsea: Darn!

Lola: What are you guys doing?

Poromon: Playing hide and seek.

Lola: Oh! That's always fun. I wondered why Horsea was hiding under there.

Horsea: Don't be too surprised. Back in 2019, I pretended to be a stuffed animal in your room.

Lola: I remember that. That was cute.

Manaphy: It sure was.

Poromon: Now to find Poliwag.

They got to searching for him.

In the swimming pool, Maria was having an awesome swim.

Maria: Nothing like having a good swim.

Poliwag: You got that right Maria.

Maria: Hey Poliwag. What's going on?

Poliwag: Playing hide and seek with the mascots. I'm hiding here.

Maria: Oh.

The door opened and then the mascots came in.

Poromon: You can't hide forever, Poliwag!

Manaphy: We'll find you!

Horsea: Olly Olly Oxenfree!

Poliwag snickered.

Poromon saw him.

Poromon: Oh he wants to play hardball. I got this.

He activated Anglerfish's ridewatch and the room went pitch black

Poliwag: Hey who turned off the lights?

Poliwag was playing with a glow ball and then Poromon snuck up behind him and then scared him with a roar as an anglerfish!

Poliwag: (SCREAMS)!

He reverted back and the dome of darkness faded.

They laughed.

Horsea: That was fun!

Maria: Guys, you know I'm still in here, right? (hears someone else entering) Wait. Who else is in here?

Poromon: Look there.

They saw a Smeargle!

Poliwag: Hey a Smeargle!

Horsea: What's one doing here?

The Mascots went over.

Poromon: Hey there.

Smeargle: (In a girls voice) Oh sorry. Poromon? Poliwag?

Poliwag: Francesca Coppola!?

Poromon: Wow! You look awesome as a Smeargle!

Manaphy: Did you just come in?

Smeargle: I sure did. Having a hard time figuring this place out.

Horsea: You looking for Nico?

Smeargle: I sure am.

Poromon: We'll take you to him.

Maria: Same with me.

Smeargle: Awesome.

Nico: Here's a jumpsuit.

He got out a green jumpsuit.

Smeargle: Thanks.

Rarity: What is your favorite memory of Nico darling?

Smeargle: My favorite is when me and Nico painted an alien landscape painted. It was called Life of Pandora.

Me: I remember seeing that! That was you?

Nico: Yep.

Me: That is awesome.

Smeargle went to the bathroom and Nico snapped his fingers and she reverted back and out came a girl with green hair and green eyes. She was in the green jumpsuit.

Francesca Coppola: Whoa what a rush.

Nico and Francesca hugged.

Nico: I really missed you.

Francesca Coppola: Me too Nico. Me too.

Qin: That was awesome though.

King Kai: (Telepathically) Hey, Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got news: more Sailor Soldiers have been sighted at a Vanilla Pudding Swamp planet.

We gasped.

Me: Oh man, that's not good.

Lincoln: We got to rescue them.

May: Nico, which teams have you made this time?

Nico: Starfire's team will include Larry Loud, Mira Torvald, Subtlety, Fury and Endurance. Yugi's team will include Papi, Rhonda Lorrentina, Grief, Solitude and Mero the Mermaid.

Me: Awesome choices!

Xenia: I'll say!

Mero: Cool! This will be fun.

Papi: You got that right!

Qin: Yeah!

Mira Torvald: I agree there.

Maria: And which Gene Slammers do you think you'll meet next?

Me: Tyrogue, Hitmontop and Smoochum.

Nico: Yep. J.D. is catching on.

Me: Funny thing is we already covered Jynx.

Lola: We sure did.

Nico: Yep.

Qin: Yep.

Nico: So, what do you guys wanna do for the rest of the day?

Eli: Well…

King Kai: (Telepathically) And you're not going to like this: I found out the Sailor Soldiers had been kidnapped by Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte to kill them in another attempted sacrificial ritual.

Maria Garcia: (Spanish Accent) Those good-for-nothing heretics are really wearing on our nerves.

Lincoln: We've been killing their members left and right, plus, it's the calm before the storm, 'cause tomorrow is the battle against The Dark Nebula, and once we get done with The Dark Nebula, we go after and destroy the leader and last remaining member of The Order of Nuestra Señora de la Santa Muerte, Antonio Maldonado.

Me: Lets get over there fast.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte, and he's waiting for us on The Vanilla Pudding Swamp Planet to not only kill the Sailor Soldiers there, but also to, kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday, and he's on the Vanilla Pudding Swamp Planet we're heading to.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Estela Unicore: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Gerardo Domínguez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got more Sailor Soldiers to rescue, but be on your toes: Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte is there waiting for us, and he's going to try and kill the Sailor Soldiers in another attempted sacrificial ritual

Lincoln: He's not laying one hand on the Sailor Soldiers, we're heading there to save them, and you better be ready to die, Gerardo Domínguez.

Estela Unicore: (Spanish Accent) That miserable heretic's not going to kill more victims to slake his thirst for blood and fanatical devotion to the practice of Black Santeria. You better say your prayers, Gerardo Domínguez, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation. And for all the stunts that all of you, along with Antonio Maldonado, have pulled, you've just made it even easier for us to carry out your death sentences.

We went to the ship and we were off.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7311.2: The U.S.S. Valorous Phoenix is on it's wait to a Vanilla Pudding Swamp planet for another awesome rescue series and also to take down Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte.

Qin: This will be fun.

Nico: (to Jirachi and Tentacool) So, what did you two do while Hide and Seek was going on?

Jirachi: Reading books with Max.

Tentacool: Relaxing in our park.

Qin: Cool.

Horsea: I really thought I picked a good hiding spot!

Lola: It was a nice try.

Manaphy: I thought so too.

Qin: It was a good effort though.

Nico: Yep.

Eli: It was fun though.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet and it was a golden yellow planet.

Me: This is gonna be fun.

We got to landing and we got out and saw that it was a Vanilla Pudding Swamp Planet!

Qin: WHOA!

Poromon: Vanilla pudding!

Twilight Sparkle: PUDDDIIING!

Qin: This is awesome!

Pinkie Pie: PUDDING!

Nico: It's amazing!

Eli: Oh boy!

Me: The Thrilla of Vanilla!

Nico: It looks awesome.

Eli: I sense that 4 Sailor Soldiers are here.

Poliwag: Can we have some pudding first?

Nico: Sure guys.

Poromon: YAY!

Me: Love good pudding.

Maria: Boy Strawberry, Vanilla and Chocolate pudding planets.

Poromon ate some pudding.

Poromon: MMM! Delicious!

Poliwag, Horsea, Manaphy and the mascots all had fun.

Poliwag: DELICIOUS!

Horsea: YUMMY!

Manaphy: DELICIOUS!

Maria tried some pudding as well.

Maria: (Eating) Mmm! Delicious!

May: (Eating) So good!

Nico: (Eating) Yummy!

Qin: Boy what a planet.

Nico: Okay, just 15 more minutes of eating. Then we find the Sailor Soldiers.

We were eating.

---

French Narrator: (French accent) 15 Minutes later…

---

We were done.

Nico: Okay that oughta be enough.

Poromon: I'll go find the Sailor Soldiers from the air.

Me: I'll go with you.

Poromon: Okay.

I flew with Poromon.

We looked and then in a clearing we saw 4 girls crying out for help!

Me: There they are!

Poromon: Found them!

Me: They are in that clearing 450 yards north!

We went to the clearing and we saw that the 4 girls were the Sailor Soldiers for the 4 Guardian Beasts! They were Greta Genbu A.K.A. Sailor Genbu, a sailor soldier with brown and green clothes and had the symbol of Genbu on her forehead and had green angel wings, Seline Seiryu A.K.A. Sailor Seiryu, a sailor soldier with blue and aqua blue clothes and had the symbol of Seiryu on her forehead and blue angel wings, Bianca Byakko A.K.A. Sailor Byakko, a sailor soldier with white hair and had white and purple clothes and the symbol of Byakko the Tiger on her forehead and white angel wings, and Giganna Suzaku A.K.A. Sailor Suzaku, a sailor Soldier with Red Hair and and had red and orange clothes and had the symbol of Suzaku the Phoenix on her forehead and had red angel wings.

Me: Whoa!

They were waist deep in vanilla pudding quicksand.

Nico: Don't worry. We'll get you out!

Qin: Human Chain guys!

Me: Lets do it!

We made a human chain and I grabbed their hands.

Me: Okay! Pull!

We did so!

We got them all out.

Nico: That did it.

Me: Whoa!

SPLAT!

I fell face first into the pudding.

Me: (SLURP) Yummy.

Nico: You girls okay?

Sailor Byakko: Thanks to you guys.

Sailor Suzaku: This was a crazy planet.

Nico: It's a Vanilla Pudding Swamp planet.

Sailor Seiryu: That explains why everything tastes like Vanilla pudding.

Nico: I know, right?

Me: Yep.

Qin: Awesome planet though.

Camie: Yeah.

Lincoln: We did it, we saved the Sailor Soldiers, and of course, drove off any attempts that Geraldo made on them and us

Nico: Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Gerardo Domínguez.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Gerardo Domínguez, the next member of The Order of Nuestra Señora de la Santa Muerte.

Estela Unicore: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Gerardo Domínguez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Estela Unicore's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive The Fabled Unicore-themed greatsword from her back, and as she approached Gerardo Domínguez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Estela Unicore: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Gerardo Domínguez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of The Fabled Unicore and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Estela Unicore was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and The Fabled Unicore flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Estela Unicore emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Estela Unicore grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has The Fabled Unicore emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has The Fabled Unicore with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Estela Unicore has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is The Fabled Unicore surrounded by darkness and light and imps and on top of The Fabled Unicore is an anti-Sergio symbol. Suddenly, Estela Unicore felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Estela Unicore has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Estela Unicore's massive The Fabled Unicore-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into The Fabled Unicore's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and The Fabled Unicore etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of The Fabled Unicore's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and

There's a red kanji below The Fabled Unicore that said, "Estela Unicore, Gene-Slammer of The Fabled Unicore, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Gerardo Domínguez of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Estela Unicore has transformed into SUPER ANGEL-THE FABLED UNICORE-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED UNICORE ANGEL OF DIVINE DARK FABLED UNICORE IMP JUSTICE AND DIVINE FABLED UNICORE IMP LOVE!

We were amazed by Estela Unicore's Super Angel-The Fabled Unicore-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gerardo Domínguez saw it, he went insane and he got out his sacrificial knife to stab her, but Estela Unicore fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Gerardo Domínguez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Estela's transformed.

Lincoln: Yeah, and she really sent Gerardo Domínguez back with that energy blast she fired and that really pissed him off now, and Estela, you look beautiful, how do you feel?

Estela Unicore: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Unicore and Divine Darkness Light Fabled Unicore Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Gerardo Domínguez once and for all?

Lincoln: (Smiles) With pleasure, Estela.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Estela Unicore.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Gerardo Domínguez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Estela Unicore and Lincoln went after Gerardo Domínguez, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gerardo Domínguez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Estela Unicore sent her three imps and Lincoln summoned his own imps and they sent them at Gerardo Domínguez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Estela Unicore, her hand-cannon Blaster is known as The Fabled Unicore's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and The Fabled Unicore surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Estela Unicore aimed their hand-cannon blasters at Gerardo Domínguez.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion,

Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Gerardo Domínguez!

Estela Unicore and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Gerardo Domínguez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Gerardo Domínguez and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Gerardo Domínguez and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Estela Unicore and Lincoln gave Gerardo Domínguez The Black Gates for good. We cheered as Estela Unicore and Lincoln holstered their massive greatswords on their backs and powered down, and Rosa Rubyruda's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Estela Unicore: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Gerardo Domínguez for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rosa.

Suddenly, Estela Unicore wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Estela Unicore's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and The Fabled Unicore flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Estela Unicore absorbed the light and they came back to us as the display and The Fabled

Unicore vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Gerardo Domínguez's death, now there's only one last member of The Order of Nuestra Señora de la Santa Muerte remaining.

Estela Unicore: (Spanish Accent) The one final member whom we despised with all our hearts along with the others

Lincoln: Yep, which means that the last one to take down tomorrow is Antonio Maldonado, the leader of The Order of Nuestra Señora de la Santa Muerte, which means it'll be the turn of Ellie Singh and Maria Garcia.

Maria Garcia: (Spanish Accent) That's right. Antonio Maldonado has finally lost all of his followers and those demon dogs that hang around him and his followers have been destroyed and sent back to Hell and those they've brought back have also been destroyed, now he's out of options and he knows that tomorrow is his last stand. We're not going to let him have his way, he's going to die once and for all, and once we get done with The Order of Nuestra Señora de la Santa Muerte, we won't have any sort of trouble when we go to war against The Extraterrestrial Order of The Planets of Holy Ghidorah.

Me: That's right, and those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Weather Gene-Slammer are you hoping to meet tomorrow?

Lincoln: The next one we're meeting tomorrow is the Gene-Slammer of The Weather Painter Rain.

Althea Iridiana: Yes, and there's one person I know who'd be Gene-Slammed into The Weather Painter Cloud: Rayne Dodola, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over rain and the indigo color of the spectrum, and she's also recognizable because of her indigo hair and massive and beautiful indigo angel wings. She, Lincoln, Laney, Nephele, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Nico: So, we got another artist to meet tomorrow.

Lincoln: Plus, you're also in for a surprise: Rayne Dodola's also the daughter of Dodola, the Slavic Goddess of Rain, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa! So, that means the Weather Painter Gene-Slammers are not only your Guardian Angels.

Timmy Turner: But, also children of the Gods and my cousins, that's right.

Nico: (Whistles) Whoa. But, now we know what to expect when we meet the other Weather Painter Gene-Slammers.

Me: Lets go home guys.

Nico: I agree there. We got a huge day tomorrow.

Qin: Yep.

We went back home and went to enjoy the rest of the day and went to sleep.

Meanwhile over in Japan, Gingka and friends were really excited to have us help them out and we were going to eradicate Dark Nebula and destroy Nemesis.

Gingka: This is gonna be awesome!

Madoka: I have a feeling this will be an explosive battle!

Kenta: I hope we have a great time like always.

Gingka: Lets get ready guys!

All of them: BEYBLADE! LET IT RIP!

They launched their blades and the screen froze with them in front of it.

But, before his death sentence could be carried out, he escaped from prison, now he's out wanting revenge, but we're not going to let him get away with this, he's going to meet his maker right before we also kill his equally religiously insane evil father, Antonio Maldonado, after we destroy The Dark Nebula.

Camie: That overgrown tyrant is going to pay for everything he did.

Varie: Only this time he will be put into the Masters of Evil.

Laney: No kidding!

Nico: Yeah he will pay!

Nico: Ghost Rider, I want to thank you, Johnny 13, and your teams for coming.

Ghost Rider: Not a problem Nico.

Qin: It's awesome having you with us guys.

Johnny 13: It sure is.

Eli: I'll say.

Xenia: It's gonna be awesome too.

Chester Cheetah: This is gonna be fun and dangerously cheesy.

Nico: Chester, I really like eating your cheetos.

Chester Cheetah: Cool man. Good you like my cheesy mac n cheese.

Eli: Bart puts cheetos on his mac and cheese and that is awesome.

Rarity: It is most delicious darlings.

Me: Nothing wrong with that.

Chester Cheetah: That's cool man. Cheetos are always going to be a good one.

Maria: That was so cool!

Qin: It sure was!

Camie: Yeah no kidding.

Girl Jordan: We all were amazed about that. Sailor Zamaron said she was really proud of me for helping to save Carol even though I was under the weather back then.

Sirius: That took a lot of guts and strength back then.

Me: It sure did. Girl Jordan's will to go on that day really spoke volumes.

Lincoln: That is true. I'm proud of her and she saved Carol's life too.

Varie: It sure did. Sailor Nok and Sailor Silent Hill will make a full recovery though.

Me: That's good.

Nico: Yeah thank goodness.

Eli: We're glad though that they will.

Juran: Still can't believe you did that while you were sick.

Girl Jordan: I know. But it was a burden that I had to carry through no matter what the cost even if I got pneumonia.

Qin: But your will to carry that whole mission through to the end really helped you get through that.

Sunset Shimmer: That took a lot of guts.

Xenia: It sure did.

Lola: Yeah we were amazed and impressed.

Anna Anyanova: That is awesome that you did that for Carol there Girl Jordan.

Nico: It sure is. But don't give her a swollen head guys.

Nico: I know. I am too.

Qin: Yeah.

Gaon: How DID you get sick anyway?

Girl Jordan: I don't really know.

Me: It was going around back then.

Qin: Oh man.

Xenia: That is awful.

Me: Sickness usually strikes without warning usually.

Camie: Yeah.

Gaon: That makes sense.

Nico: But enough about that. I'm really excited for today.

Me: Me too. Ellie's big day mission is today and we're going to finally eradicate Dark Nebula and kill Nemesis and make that primordial evil monster pay big time.

Nico: I'm excited for this day too!

Qin: We all are. Ellie is the 3rd member of the Quantum 4 to go into battle like this.

Lola: We're all excited for her.

Camie: Yeah! This will be fun.

Nico: Lets just focus on King Rextopher for now.

Me: This guy is going to get a nasty dose of trouble in capital letters.

Lincoln: Yeah, and if I see so much as one brutal injury on Vambre and Prohyas, he's in a world of hurt with me. But, who's going to face him?

Salene Sallamandia: I will. I'm going to give him a nasty piece of my mind, and make him pay, he's caused enough trouble for the last time.

Elaine Wittgenstein: Same here.

Gem Cavvenport: Yeah, he needs to be taught a lesson.

Nalania Cherikova: One he'll never ever forget.

Estella Skyla: He's really going to get burned big time.

Olivia Orrovia: And you might even burn his Dino Patrol to ashes.

Leona Tarra: And we'll even leave some scars on him for good measure.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury and Moonface the Silver appeared as well.

Rosa Laurence: But, instead of destroying him, he and The Dino Patrol are going to be thrown in The Masters of Evil, but one wrong move, and I'll show him what happens when he dares to anger the Gene-Slammer of The Seven Alchemy Beasts.

Nico: Ooh, now that's a really good one.

Lincoln: It sure is. But, first, you and Selena have got to weaken him and his Dino Patrol first.

Suddenly, we heard two loud screams, and Lincoln used his deep sapphire blue cyborg eyes and Third Eye and his energy sensing ability and The Force, and then, he saw who it was that made those loud screams: it was Vambre and Prohyas, and they're getting thrashed about by King Rextopher and his Dino Patrol.

Nico: I see King Rextopher!

Lincoln: Guys, I just spotted Vambre and Prohyas, and they're getting thrashed about by King Rextopher and his Dino Patrol.

Nico: Let's get that overgrown lizard!

Me: Time to go giant! (ACTIVATES GOLIATH'S RIDEWATCH)

I grew to dinosaur size and we rushed on over.

King Rextopher: Now, you will die, Warriors!

But, before King Rextopher could get rid of The Warrior Siblings, Lincoln charged in at superhuman speeds and he punched that overgrown lizard hard in the face with really immense superhuman strength and sent him flying towards his Dino Patrol and he was dazed badly.

Lincoln: Vambre, Prohyas, are you guys…?

Then, Vambre ran up to Lincoln and she hugged him, and he hugged her back calming her down from what she and Prohyas went through.

Prohyas: You guys came just in time, that overgrown lizard's out of his mind.

King Rextopher: Hey what are you chuckleheads doing!?

Me: What else? We're here to teach you a lesson!

King Rextopher: We'll see about that! Now vamoose!

Me: Bite my big fat fucking giant ass Lizard Lips!

He was mad!

Salene Sallamandia: I'm going to give you a beatdown of a lifetime!

Suddenly, something within Salene Sallamandia's mind snapped as memories of King Rextopher's crimes rushed through her head and her turquoise blue eyes turned neon turquoise blue and she was surrounded by a hot crimson red energy aura with flames, steel, and dragons, she unholstered her Alchemy Beast - Salamandra the Steel-themed greatsword from her back, and as she approached King Rextopher, she left hot crimson red energy, flames, steel, and dragons with every step.

Salene Sallamandia: You absolutely make me sick, King Rextopher, you really are nothing more than an overgrown lizard and bully who has caused a ton of trouble for The Warrior Siblings in the past, and the same goes for your Dino Patrol. (Suddenly Getting Pissed Off) I would've thought you learned your lesson after you were defeated by them long ago, but for you to come back once more to torment us… , YOU'VE GONE TOO FAR FOR THE LAST TIME, AND I WILL SEE TO IT THAT YOU AND THE REST OF YOUR OVERGROWN LIZARD SQUAD PAY THE PRICE FOR WHAT YOU JUST DID!

We gasped at the extent of Salene Sallamandia's fury.

Me: Uh oh.

Nico: Whoa!

Lincoln: King Rextopher really messed up this time with what he just did in attacking The Warrior Siblings, and now, he's going to get burned badly. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground as Salene Sallamandia screamed like a madwoman and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of red energy and fire and she was surrounded by a massive vortex of hot red energy energy with steel and flames surrounding the vortex, there's an army of dragons and Alchemy Beast - Salamandra the Steel flying around the vortex, and in the vortex is a turquoise blue phoenix. We were amazed by Salene Sallamandia's Super Angel-Salamandra the Steel-Dragon-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when King Rextopher saw it, he went absolutely ballistic and he and his Dino Patrol ran at her to kill her, but Salene Sallamandia fired a barrage of powerful hot crimson red energy blasts with flames, steel, and dragons at King Rextopher and his Dino Patrol and it exploded as it hit them, and they were now really pissed off now.

Salene Sallamandia: (Divine Echoing Cosmic Voice of The Inferno Alchemical Steel Salamandra Dragon Angel and Divine Alchemical Steel Inferno Salamandra Dragon Love) **There's plenty more where that came from, dinosaur breath!**

Nico: Let's get him!

Me: Time to kick some dinosaur butt!

POW WHOMP WHAM SMASH BIFF CRASH!

Nico: Let me in on this as well, Salene.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Salene Sallamandia.

Nico: (Divine Echoing Voice of Rainbow Redemption) **Alright, you overgrown lizards, time to face your punishment for what you tried to do to The Warrior Siblings.**

Salene Sallamandia and Nico went after King Rextopher and his Dino Patrol who've now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, hot crimson red energy, steel, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at King Rextopher and his Dino Patrol and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them.

Nico turned his fingernails into claws and he slashed at King Rextopher, drawing blood and leaving more scars on him, and he was being driven even more ballistic. Then, he used his eleven massive dark blue wolf tails and they brutally pulverized him all over the place, and he used one of them to grab him by the ankles and smash him down onto the left and right and sent him flying into his Dino Patrol again.

Lincoln: Whoa! Now, that's really awesome!

Chester: It ain't easy being cheesy!

He fired waves of cheetos and they filled up the dinosaurs!

Me: Try this on! (ACTIVATES STINKY BUTT'S RIDEWATCH) FIRE IN THE HOLE!

LOUD SUPER FART!

I farted in their faces and they gagged and vomited!

Qin: Nice one!

Salene fired waves of fire and smashed the Dinosaurs all over!

Juran: From one dinosaur power to another, you're going down!

He punched and smashed them down.

Me: Top this too! (ACTIVATES NIGHTMARE LONE DINOSAUR'S RIDEWATCH)

My tail turned into a spiked tail and I swung it and it hit King Rextopher and smashed him into a rock!

Nico: NICE!

Qin: Boy he's going to be feeling that one!

Lola fired waves of fire and smashed and burned them.

Nico: (Divine Echoing Voice of Rainbow Redemption) **Next time, you should also join in if we have a giant opponent to fight, Lincoln, those tails of yours can really send one of them flying into a wall with one swipe. Right now, let's finish them off and send them to The Masters of Evil.**

Salene Sallamandia: (Divine Echoing Cosmic Voice of The Inferno Alchemical Steel Salamandra Dragon Angel and Divine Alchemical Steel Inferno Salamandra Dragon Love) **Right.**

Rosa Laurence: Time to send you packing to The Masters of Evil, you overgrown lizards!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport surrounded King Rextopher and his Dino Patrol on eight sides, and then, Salene Sallamandia's hot crimson red energy aura flared up even more, and Nalania Cherikova, Estella Skyla, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport were surrounded by colored energy auras representing the other Alchemy Beasts, and Rosa Laurence was surrounded by a red energy aura with the elemental forces of all Seven Alchemy Beasts.

Rosa Laurence: Consider this a reprieve, we had plans to turn you into dinosaur-skinned wallets, but this is a better punishment for all of you.

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport: SEVEN ALCHEMY BEASTS ELEMENTAL METAL PRISON!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport fired energy blasts with the elemental metals of the Seven Alchemy Beasts, and as they hit King Rextopher and his Dino Patrol, they were put in straitjackets made of gold, silver, tin, mercury, lead, steel, and bronze, and they were sent to The Masters of Evil. We cheered as Salene Sallamandia and Nico holster their massive greatswords on their backs and power down, and Salene Sallamandia's new body, clothes, weapons, jewelry, Third Eye, eleven massive hot crimson red wolf tails, and massive orange and crimson red angel wings are permanent.

Salene Sallamandia: That'll teach that overgrown lizard not to come after the Warrior Siblings ever again. Thanks for helping take King Rextopher and his Dino Patrol down, Nico.

Nico: (Smiles Warmly) You're welcome, Salene.

Suddenly, Salene Sallamandia wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Salene Sallamandia's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Salamandra the Steel flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Salene Sallamandia absorbed the flames and they came back to us as the display and Alchemy Beast - Salamandra the Steel vanished.

Me: Wow, guys, that was one awesome battle you fought, and that was one awesome display we saw when you guys kissed.

Nico: Thanks, J.D., and that feeling I felt when me and Estella kissed, it's just like how Lincoln and a member of his harem kiss after they get rid of an uninvited villain after the main mission, that really felt awesome.
